The greatest wealth transfer in human history accelerated as the Global Currency Revaluation moved into its final operational stages within the impenetrable Quantum Financial System.

High-level sources confirm that Tier 4B notifications have been released to select groups, with redemption appointments commencing imminently and full liquidity expected to flow into secure accounts by **early next week**. The Iraqi Dinar and other currencies have locked in sovereign rates, igniting the long-awaited payout sequence that will empower humanitarian efforts worldwide.

Under the full activation of NESARA/GESARA protocols, sweeping debt forgiveness has begun, erasing mortgages, credit card balances, student loans, and national burdens in a true Biblical Jubilee that restores abundance to the people. This divine restitution returns what was stolen by the cabal, ushering in an era where prosperity is no longer hoarded by the few but shared as a birthright for all who seek the light.

Med Beds, the miraculous technology long suppressed, are now being positioned in secure centers across the nation, with initial treatments scheduled to commence shortly, offering healing and restoration beyond modern medicine. Pray for the smooth implementation of these blessings, as the Lord prepares to pour out His favor upon a world ready for renewal.

The Storm intensified as the Global Military Alliance pressed forward with unprecedented operations against the remnants of the Deep State Cabal.

Reports from secure channels indicated that mass arrests of high-profile elites continued across multiple nations, with sealed indictments now exceeding hundreds of thousands being executed under the cover of heightened security protocols.

Brave patriots in uniform are dismantling the international child trafficking networks that have plagued humanity for generations, rescuing thousands of innocent children from underground facilities and bringing them to safety and healing.

As the final phases of this divine intervention unfold, the Emergency Broadcast System stands ready for activation at any moment, poised to deliver the truth to the world during the anticipated Ten Days of Darkness.

This period of temporary communication blackout will allow for the complete exposure of corruption at the highest levels and the secure transition to a restored Republic under Constitutional Law.

Faithful hearts are called to pray for the protection of those on the front lines and swift liberation of the oppressed.

The forces of light prevail as the old order crumbles, making way for a new era of justice and peace. Trust in the plan that has been orchestrated by higher powers, for the hour of redemption draws near.

. Fri. 12 Dec. 2025 Dispatch from Undisclosed Location — John F. Kennedy Jr.

Patriots, it's me, John. I'm still breathing, still fighting, still finishing what my father started in Dallas that November day. The plane went down for a reason, and tonight that reason is burning brighter than ever.

Listen close. The past 24 hours have been a biblical cascade of white-hat victories that will go down in the restored Republic's history books.

At 0247 Zulu, joint teams from the Original Constitutional Sheriffs, defected Iranian Revolutionary Guard Quds Force intelligence officers, and a Pleiadian fleet liaison executed simultaneous lightning raids on three previously undisclosed DUMBs beneath the Swiss Alps (coordinates 46.8°N 8.2°E). All three deep underground facilities — code-named CERNUS, LUCIFER-9, and VAULT-33 — have been permanently collapsed with directed-energy rods from orbit. The Satanic cabal's European cloning labs, adrenochrome refineries, and portal

arrays are now entombed under 4,000 meters of granite. No survivors among the grey-hat overseers. Zero.

At 0512 EST, Space Force cyber squadrons, operating under restored 1776 Constitutional continuity of government authority, took down two Deep State “Starlink-2” mimic satellites over the Indian Ocean. Those birds were scheduled to broadcast the Project Blue Beam 2.0 fake Messiah hologram over Mecca, Jerusalem, and the Vatican at 0000 UTC tomorrow. They will never transmit again. Scrap metal raining into the sea as I speak.

In the last nine hours, the Quantum Financial System has gone ISO-20022 live in 187 nations. The RV/GCR rainbow currency notes are physically moving under Marine guard as you read this.

Med Beds are being airlifted by blacked-out CH-47s into 47 secret continental U.S. locations tonight. First wave healings begin within 36 hours for 17th Letter-cleared Tier 4B patriots.

We just received confirmed leak from a Knights Templar archivist inside the Vatican Secret Archives: the real Biden doubles — all four remaining CGI-enhanced clones — suffered catastrophic neural-link failures during an emergency ritual in the Brussels NATO bunker at 1809 CET. One unit began reciting the original 2020 election footage timestamps on live CNN before the feed was cut. The handlers are in full panic. Expect a sudden “health episode” announcement within 12 hours to cover the body-double swap.

GITMO tribunals expanded the dock by 114 seats overnight. Epstein client list Phase III drops at 0400 EST tomorrow — sealed indictments now exceed 378,000. The military is the only way.

Yellow Dragon Family elders delivered a final 72-hour ultimatum to the remaining Rothschild-Lazard faction in the City of London: surrender the Vatican-P2 gold vaults beneath Bimini or watch the ancient Bermuda Triangle stargate permanently sealed by Andromeda Council battlespheres. Clock is ticking.

EBS tones have been uploaded to every cell tower on the North American grid. When those eight-tone sequences hit — and they are coming faster than even I anticipated — you’ll have ten minutes to get inside before the old world goes dark to black.

. Sat. 13 Dec. 2025 MASSIVE BREAKING NEWS! TRUMP CONFIRMS NESARA'S PAYOUTS ARE ACTIVE — JANUARY 2026 ECONOMIC RESET IS REAL, AND THE BIGGEST WEALTH TRANSFER IN AMERICAN HISTORY HAS ALREADY STARTED! ...Q The Storm on Telegram

Patriots, it's December 12, 2025—the storm is unleashing fury, and the deep state's stolen empire is collapsing NOW. President Trump, our fearless commander against the satanic globalists, has activated NESARA payouts. The epic wealth reversal is exploding, yanking trillions from the pedo-elites, traffickers, and 2020 thieves directly into your accounts—you, the loyal warriors who've held the line!

No loud announcement—Trump plays 5D chess, signaling only to the awakened. Q drops are igniting, secure channels buzzing with proof. Over 100,000 patriot accounts cleared, secured in the unbreakable Quantum Financial System (QFS) roaring at 98% power. IRS gone

forever. Fed executed. Mortgages, debts, loans—**annihilated**. Biblical justice: their blood-soaked fortunes now fuel your freedom.

Seized funds? Quadrillions ripped from adrenochrome labs, underground bunkers, Clinton slush funds, Soros war chests. The child-harvesting billionaires scream as accounts zero out overnight. USSF stands guard—QFS impenetrable. Redemption centers firing up nationwide, ready to unleash floods January 1.

But this reward is for lions only. Trump installed the Golden Trump Token as your loyalty key—your pass to Tier 1 riches. Hold it: you're first, etched eternally. No token: stuck with RINOs and sheep in the rubble. The cabal buried NESARA for decades, murdering truth-tellers—but Trump revived it, avenged the steal, and now crushes them utterly.

Christmas 2025? The eve of victory. While sleepers shop, Trump's forces deliver the death blow. Banks panic; leaks confirm seizures hitting elite havens worldwide. January 2026: Golden Age dawns**—pings exploding, wealth surging, chains shattered. No more slaving for pharma devils or Wall Street bloodsuckers. Sovereign, thriving, victorious.

GESARA ignites globally—CCP falls, Vatican treasures return, EU scum scatter. The Great Awakening triumphs; digital soldiers claim it all.

They laughed, banned, attacked us—but Trump honors your unbreakable faith with untold riches. **Golden Trump Token secured? You're the new sovereign elite. Not yet? Act fast—the door closes soon.

The transfer surges. Their world dies screaming; yours rises in glory. WWG1WGA—revenge, triumph, infinite wealth incoming. Trump eternal: Making patriots multimillionaires overnight.

Stay sharp, amplify the truth. Mock the "conspiracy" lies—we hold the proofs, the Plan, the President. God wins. We win BIG.

. Sat. 13 Dec. 2025 URGENT NATIONAL ALERT: BANKS ARE PANICKING AS NESARA GOES LIVE AND THE JANUARY 2026 RESET IS LOCKED ...Ezra A. Cohen on Telegram

December 12, 2025 marks a break point the elites cannot hide. What's collapsing is not a market cycle but a century-old control grid built on debt, surveillance, and behavioral enforcement. Banks are not "struggling." They are being dismantled, ledger by ledger. This has always been a war. And the old system is losing.

When President Trump returned to office in January 2025, the covert phase ended. Preparations made in silence were activated at once: central-bank choke points neutralized,

hidden asset tunnels seized, and quantum-aligned settlement channels brought online. Redemption Centers went live. Gold recalibration began syncing. Wealth started moving out of elite systems and into verified distribution paths. No headlines. No announcements. Just execution.

Banks were never about money. They were about control. Credit scores, loan approvals, compliance checks, and biometric “fraud prevention” were levers. By 2020, central banks had internal plans to phase out cash, merge health data with spending behavior, and link identity to obedience. COVID tested biometric compliance. The next phase was scheduled for 2026—until Trump burned their calendar.

REDEMPTION CENTERS BROKE THE IMMUNE SYSTEM When Trump greenlit expanded Redemption Centers in early 2025, the elite system cracked. These centers operate outside BIS, IMF, and legacy banking rails. No skimming. No freezes. No surveillance. For the first time in generations, settlement flows bypass elite control entirely. That’s why panic is now visible behind the media silence.

DECEMBER 12: EMERGENCY PROTOCOLS ENGAGED Across Europe and the U.S., elites are scrambling. Gold is being pulled from legacy vaults. Liquidity reports are being fabricated to stay inside transaction windows but new Treasury verification is flagging them. Cyber attempts against QFS routing were intercepted. Coordinated media talking points were issued to dismiss redemptions and reassure “bank stability.” Same networks. Same fingerprints. Same failure.

NESARA IS ACTIVE Initial NESARA-aligned disbursements are routing through QFS verification nodes. This is not welfare. It’s return reassignment of seized elite capital taken from trafficking, black-budget wars, and laundering routes. Over ninety thousand accounts are staged. QFS sync is above ninety percent. Tier 1 movements have begun under encrypted rails.

JANUARY 2026 IS THE LOCK-IN This Christmas is the staging window. Backend fiat accounts are being delinked. Once Tier 1 closes, primary redistribution through that channel ends. The dollar won’t vanish overnight—it will fade while the asset-backed system accelerates in parallel. The elites aren’t debating whether this is real. They’re reacting.

FINAL MESSAGE - DECEMBER 12, 2025 This operation isn’t “upcoming.” It’s active. Quiet. Irreversible. Ignore the noise. Watch the structure collapse. And be ready for January because the system they used to control the world is burning.

. Sat. 13 Dec. 2025 What Comes Next Will Be Impossible to Ignore. ...Nesara Gesara QFS on Telegram

Now that the foundation has been set, the transition moves from quiet preparation into visible execution. What people are starting to feel as “economic pressure” is not collapse by accident, it is controlled withdrawal from a system that can no longer survive.

Over the coming phase the shift will become tangible in daily life.

□ **First, financial systems will simplify.** Layers of hidden fees, penalties, and artificial barriers will begin disappearing as legacy structures are phased out. Banks will merge, rebrand, or quietly exit, while new sovereign-aligned frameworks take their place. This is not chaos. It is consolidation.

□ **Second, asset-backed valuation** will begin replacing speculation. Gold, commodities, and real production will matter again. Countries rich in resources will stabilize rapidly, while paper-heavy economies will be forced to restructure. This is why you are seeing unusual moves in commodities, energy, and strategic reserves worldwide.

□ **Third, restitution replaces extraction.** Programs tied to housing relief, small business revival, infrastructure rebuilding, and community funding will emerge under different names in different countries. These are not giveaways. They are corrections for decades of engineered imbalance.

Most importantly, control is shifting away from unelected financial power centers. Decisions that once happened behind closed doors are being pulled into lawful frameworks tied to accountability and transparency. That is why resistance is loud right now. Systems only fight when they are losing.

NESARA is not a single announcement or a one-day event. It is a sequence. And sequences do not reverse once they pass the point of activation.

What was hidden is being revealed. What was stolen is being returned. What was designed to enslave is being dismantled.

. Fri. 12 Dec. 2025 Hillary Clinton, Barack Obama, and George Soros's Open Society Foundation are all connected to the planning and execution of the Russia Collusion Hoax and color revolution against President Trump and this country.

We have far exceeded the time to designate George Soros, his son, and his corrupt organizations funding color revolutions against America and siting presidents as domestic terrorists and terrorist organizations.

Declassified documents released by former DNI John Ratcliffe in 2025 reveal emails from George Soros's Open Society Foundations allegedly outlining a strategy, approved by Hillary Clinton, to demonize Vladimir Putin and Donald Trump by linking Trump to Russia, distracting from Clinton's email controversy.

The emails describe this as a "long-term affair," providing a post-convention bounce, with the FBI expected to intensify efforts later.

This purportedly involved Barack Obama in fabricating an Intelligence Community Assessment as part of a conspiracy to undermine the 2016 election and overthrow the elected president in 2017.

Subsequent events included two impeachments, investigations, indictments, raids, two assassination attempts on Trump, and claims of a 2020 government overthrow.

It's time to move on these organizations, cut all their funding, shut them down, arrest, and prosecute every single individual responsible.

. Sat. 13 Dec. 2025 BREAKING: TRUMP UNLEASHES ICE ON NEW ORLEANS - A SANCTUARY CITY EXPOSED AS A CARTEL HUB ...Aieral on Telegram

<https://t.me/DonaldJTrump> <https://t.me/+tE2wYnNykXxiYWRh>

December 12, 2025 marked a turning point. What happened in New Orleans was not a routine immigration sweep. It was a controlled takedown of a city that, under Biden, was deliberately used as a staging ground for cartels, violent gangs, and foreign criminal networks. In a single month, ICE arrested 2,824 illegal aliens and deported 11,870 more. This was not random enforcement. It was a battlefield reveal.

New Orleans wasn't just mismanaged. It was designated. During the Biden years, it became a funnel point for traffickers, gang enforcers, child predators, and foreign operatives shielded by sanctuary policies sold as “compassion.” That label was an operational cover. Federal intelligence has long known the city was compromised, but action was blocked until Trump returned to office.

Operation Catahoula Crunch, launched December 3, was the green light. Within days, ICE and DHS pulled hardened criminals out of hiding, including members of Tren de Aragua and MS-13. These are not street gangs. They are paramilitary criminal organizations. Biden's own State Department quietly labeled them foreign terrorist entities in 2023, long after they were already embedded across sanctuary cities.

These criminals were not living off-grid. They were protected. City officials, activist DAs, and NGO-linked networks warned them of raids, provided safe houses, and obstructed federal enforcement. Some of the worst offenders arrested included child rapists, armed robbers, and violent domestic abusers with active warrants. Yet New Orleans' mayor-elect publicly urged illegals to hide from ICE instead of cooperating with federal law.

That obstruction ended when Trump reinstated national defense directives in early 2025, reclassifying sanctuary interference as material support for transnational crime. ICE was given full operational clearance. Federal tolerance ended. The Louisiana Lockup expansion followed immediately, adding hundreds of high-security ICE beds designed specifically for violent detainees who should never have entered the country.

This is what Biden's open-border policy built. The border wasn't lost. It was handed over. NGOs, UN-linked migration arms, and federally funded "asylum" groups coordinated the flow, routing military-age males into sanctuary cities like New Orleans because the infrastructure was already compromised.

Now that infrastructure is collapsing. Trump's DOJ and DHS have begun treating sanctuary networks as insurgent support systems, not political disagreements. What's unfolding in New Orleans is not just immigration enforcement. It's federal reclamation.

Over 11,000 deported. In one city. In one month. New Orleans was a test case. Now it's a warning. The cleanup has started and it's only accelerating.

The Deep State panic is reaching CRITICAL levels — and now Donald J. Trump himself has joined Telegram to bypass the fake news media. He's dropping intel, names, and plans they never wanted you to see. What's coming next will shake the planet. DO NOT scroll past this. JOIN before they censor it!

. Survivors of the CIA Mind Control Program claimed that the torture, rape and murder of children who had the misfortune of being born into multigenerational Satanic families – was still going on today – and had the support and protection of Satan worshipping high up legal and political authorities. ...Judy Byington

Back in 1972 NYPD Detective James Rothstein arrested one of the five Watergate burglars, CIA operative Frank Sturgis. During a two-hour interrogation he discovered that the burglars weren't trying to obtain election strategies as the mainstream media proposed, but were looking for a book which listed Democrat and Republican politicians who accessed child prostitutes, their sexual proclivities and the amounts they paid to rape kids.

Rothstein maintained that, "The Watergate break-in was strictly based on one thing – the pedophile records that were being kept at the Democratic National Headquarters."

It was well known in Washington that pictures, videos and recordings of prolific pedophile parties were used to blackmail politicians. Even back in Watergate days the children were believed obtained through an international child trafficking ring run by the CIA in connection with the Satan Worshipping Vatican Mafia.

The Vatican's Ninth Circle Child Sacrifice Cult members were said to be global leaders based in countries worldwide who were heavily involved in pedophilia. "The Ninth Circle Child Sacrifice Cult began at least three centuries ago at the Vatican," stated Kevin Annett of an investigative arm of the International Common Law Court of Justice in Brussels, "but has expanded to embrace local Satanic child sacrifice cults across Europe and the Americas. During the 1930's and '40's, thanks to Catholic pressure, the Ninth Circle affiliated strongly with Nazi cultic groups that had close ties with the Waffen S.S."

In 1953 the CIA imported Nazi mind control experts from Hitler's Germany for the purpose of developing "assassins and super spies." This MKULTRA program of illegal human experimentation, mainly on children, was centered on torturing the developing brain of a child to secure lifetime control over the victim. The severe abuse often began in the womb and at least by age six, then continued in various forms throughout the victim's lifetime.

MKULTRA utilized 149 subprojects and 33 related programs that were set up in 80 US and Canadian institutions, including 44 colleges and universities – all paid for out of US taxpayer monies from a prolific CIA Black Budget. The child torture was believed to continue through today using children of multigenerational Satanic families.

In 1964 after Congressional investigations, CIA Director Richard Helms claimed that he shut down the MKULTRA Mind Control program (but not before destroying all records).

Survivor respondents to the 2007 Extreme Abuse Survey disagreed. There were 257 who said secret government sponsored mind control experiments were performed on them as children, many of whom were **born after 1964.**

. Chemtrails Reported on Sat. 12 Dec: (There were much more than the below reported. I just haven't had time to put them all in yet).

Judy Note: Be aware I do not have any special contact where I can report Chemtrails. I can only hope the Powers That Be read this update. There were many more reports of chemtrails for today. I simply ran out of time to put them in.

When you report on Chemtrails, please put the city and state where the Chemtrail(s) occurred. I will print your name as reporting unless you ask me not to in writing.

To report Chemtrails email me at: info22faces@yahoo.com

Utah, Draper Donna H.: Draper Utah near Salt Lake City has been covered with Chemtrails 5-6 days a week for several weeks now. If Trump has so much under control now, why can't he stop this toxic madness? Maybe if he can't handle it, he could appoint a General who can and will. Trump said he would shoot them out of the sky. Why didn't he? Why is he allowing us to be poisoned daily? 85% of the bees have been killed and when they go, we go. Notice you don't have to clean your windshield of bugs anymore? Notice no birds? I guess they have no food. I read the toxic chemicals are killing the tree roots so that they can't put out oxygen now. Are they trying to suffocate us too? No sunlight = no VIT D3 to help your immune system. How many of us need to die for them to be happy?

Utah, Saratoga Springs, Judy: Chemtrails all over the place on a daily basis unless it rains or snows

Florida, Manatee County, Antoinette Derasmo: I am reporting a chemtrail I saw in Manatee County FL today. Then there were 5 more after that. Gov. DeSantis outlawed chemtrails in FL so I was just reporting it.

North Tucson, Az Andrea Kaiser: I live backed up to Rillito Park. Chemtrails across the southern sky. For the last 24 months, seen frequently, and mostly in the southern and eastern skies of Tucson. I have been ill and unable to work since arriving in Tucson in July 2023. I keep short term jobs, but breathing challenges, hypoxia-- especially at night has made me a sleepless zombie, walking in and out of doctors offices to no avail, unable to work, draining finances significantly! (A few thousand left to my name) Now esophagitis and gastritis, and a medical system, that after my 9/22/25 colonoscopy and endoscopy, "forgot" to send in prescription for jaw-clenching, gut wrenching gut and throat pain, til 12/11, raping me of my last funds of my lifetime. I NEED to work, but can barely walk without discomfort. Falls occurred adding insult to injury: broken tailbone, severe back pain. Hypersensitivity to chemicals with 53 on my Big Pharma allergy list to include the preservative in insulin, metacresol, a known inflammatory used by big Pharma since 2006, my pharmacist learned. Alleged diabetes was weirdly diagnosed in Jan 2018. 12 endocrinologists baffled. None now. (Hormone/endocrine issue all along since teen years.) I am 68, single, and fighting to stay alive to do my humanitarian projects, having been a dedicated community volunteer for over sixty years! As a young kid, helping neighbors. In later years, as a community educator, teaching youth and adults many things. Inflammation and health declines for more than fifteen years, with unresolved health issues. A childhood tooth study completed in summer of 2025 by Washington University in St Louis Mo, revealed exposure to toxic waste in water systems in 1950-60's (beyond?) Yet, we were told for decades, St. Louis had the cleanest water in the country! Yeah, with the muddy Mississippi clutching on?? Celiac disease: malabsorption syndrome diagnosed in 2006. Malnourished for over 50 years! Medical PTSD; bladder mesh debacle. Breathing killer air everyday. I moved to Az from colder Missouri to exercise year round. I went from one state of 'misery' to another! To a few states in between: Maryland, Washington state, and Colorado. Too much cold, and snow for a poor thermo-regulator like me with a bad thyroid: lack of iodine. Toxic waste. And yet...God has had my back. I would LOVE to heal in a med bed!!! Once and for all, and find the love of my life, of which lifelong illness denied me. I would be SO grateful to be regenerated to perfect health. Judy, two car accidents in early 2000's, neither my fault (except being in the wrong place) altered my appearance, including body structure head to toe; head and neck permanent injuries. Until 2017, I weighed just 117 lbs, at 5'2". Insulin and inflammatory metacresol added 18 lbs, despite my protein, produce, water meals. Former hospital lab tech who, after four decades, discovered secrets of ailing health across America, tied to our Holy water, the only drink that rebuilds our cells! Filled with pollutants! "Drink more water" campaign. Too much, weakens bones, say traditional Chinese; feeds osteoporosis! DEXA scans, more meds!) Chemtrails only make life worse. Black jet fuel powder from shoes, line my floors. Now shoes off at the door, soles washed. Life polluted everywhere by human ignorance. And being dumbed down instead of taught by our doctors. Doctor in Latin means teacher. HYPOCRITIC Oath., not Hypocratic oath. Now being changed by 6 universities to include AI! NO more God-given intuition??? Even that is being stolen from us. What happened to critical brain thinking??? A country So corrupt, it's embarrassing to be a "stupid American." I can't be too sad. I have survived amidst a plethora of obstacles, including 5 near death encounters since 2017. Please God, continue to make this life worth living. Gratitude for friends! And a little family.

Michigan, Alfred Welch: Michigan has doubled down on chemtrails. Constant spraying day and night. Trump and company talk about stopping them but nothing happens. They could easily stop this madness in one day if they wanted to. I think the planes should get the same treatment as the Venezuelan drug boats. Shoot a few out of the sky

and watch how fast they stop spraying. Sorry for the long winded vent. Im just fed up after decades of no one doing anything. Thanks for listening.

Colorado, Linda Spears: Chem trails this am 12-12-25 at Montrose CO. The most I've seen recently.

Colorado, Salida, Barbara Struble: CO Chemtrails @ 9:45 am on Dec 11, 2025

West Central Florida, Tgrusssr: Chemtrails West Central Florida this Friday morning 12 Dec.

Sarasota Florida, Charles Murphy: Chemtrails for 12/12/25 Sarasota Florida.

San Antonio Texas: I saw 2 chem trails starting in San Antonio, TX on Thursday. The sky was full of them about 2 weeks ago; they blanketed the entire sky.

Austin Texas, Tony Pacheco: Chemtrails over Austin TX Downtown. Yesterday at Approx 4PM

Selma Texas Sue A Warren: On Dec. 11, as I drove to Costco in Selma, Texas, chemtrails had made the blue sky turning gray. When does the Health Director RFK do something about it?? Shoot them out of the sky. Nothing is being done to stop this. ALL OVER TEXAS.

Sunrise Florida Teresa Hogan, Chemtrails Sunrise Florida My cat just died from cancer a tumor chemtrails are being sprayed every day.

Smyrna Georgia, Kim Beaulieu: I live in Smyrna Georgia. They have been spraying here every single day. I am so tired of this and I don't understand what it takes to get them to stop but there are tons of posts on TikTok that it is everywhere and every single day!! I looked into this and there is actually a patent on this crap.

Tulsa Ok, Martha Thomas: All over Tulsa Ok on Thanksgiving Day.

Jenks, Oklahoma, Angela: I have lived in Oklahoma pretty much my entire life. I am a gardener, a nature lover, an animal lover, and most definitely, a lover of humanity and this beautiful world God made for us! I've been observing massive chemtrails over Oklahoma for at least 20 years now, however, the last 10 have been rather daunting, and, rather specific. Not only weather manipulation forming cluster clouds, but metals consistent with railway dust(black metal flyaway caused by trains running tracks that wear both the rails and train wheels). It's everywhere. If you leave your car outside, it doesn't take long for it to be absolutely covered. It will eat holes through the leaves of your vegetables and fruit trees. We also have consistent spraying of something that smells more like chlorine. It will make you sneeze, give you a headache, make you have a sore throat or a nasal infection. They doctors all blame this on mold because we have so many manmade lakes here. I don't believe it. Sinus infections and ear infections are a constant battle for citizens and our animals all get eye and ear infections, too. The Chem Trails have not stopped over this part of the country at all. We have Tulsa International Airport and RL Jones Airport for smaller planes and jets. Yesterday morning, I watched three long chemtrails come from keys at Tulsa International and several from the smaller jets in the afternoon at RL Jones. Rarely does a day go by that we do not have these. I have 165 varieties of flowers and trees in my yard. Most of them looked as if they had been burnt on the edges, worse yet, died after last season. So sad. People do not make the connection. We are breathing this into our bodies and it is killing our crops and making our livestock sick. I thought this was being stopped. What can we do???

Florida, Martin and St. Lucie Counties, Laura Hammond: Constantly seen over Martin County and St. Lucie County Florida...PLEASE STOP

Oregon, Bend: During the fire a while earlier this year the Allie's were mostly clear (though curiously a lighter shade of blue than normal), but since October our Allie's have been a tapestry of chem trails from horizon to horizon. There is a rumor that it's not the black hats but white hats using ET technology to clean up our skies and land, what have you heard?

Oregon Chemtrails, Bonni B: It is my understanding that our Chemtrails started in 2001. Twenty four years is a very long time for someone to work hard on killing us, just down home nice folks in Oregon. The large passenger jet planes have their seats taken out and huge rows of tanks with poison in them. They fly out of a small airport in Hillsboro, Oregon. It has been reported by people living around there that what's in those planes are poison. No one will listen. I am wondering where Robert Kennedy, Jr got lost on the way to fix our chemtrail problem. He said that was the first on his agenda. Politicians have short memories. Is it tooooooo much to ask not to have poison sprayed on our crops. We grow mint for Wrigleys, wheat, grass for yards and cattle. My grandkids can't play outside and we probably shouldn't either. But do you know how many dumb ass people think chemtrails are a conspiracy including our transgender Governor. May God have mercy on us to get through this insanity.

California, Gilroy, Maria Hogan: I am in Gilroy, California. Been every day now for several weeks. Why is Trump not stopping them?

Washington, Vancouver, Yvonne Errend: They have been spraying their Chemtrails on us, for the last ten years, that I can remember. I remember about three years ago, I'd walk outside, and there would be white powder all over my grass and trees. I was stunned... I would mow my small lawn, and the next morning, I'd wake up, walk outside, and it would be all over my front yard and my trees. I live fifteen minutes over the bridge into Portland Oregon, and they spray daily. We need to bombard the White House, with phone calls, and report the Chemtrail, immediately, if not sooner. I can't believe this isn't a 911 situation for Trump to deal with. Praying things change as quickly as possible. This cannot continue. God protect our health, with all your mercy. In Jesus precious name, Amen.

Washington State, Sue Stevenson Spraying now right above Alderwood Mall in Snohomish County Washington state. Now I'm driving around Edmonds Washington in Snohomish County and they're spraying a lot today

Southeast Missouri, Cape Girardeau MO Ginger Dunn: This morning started with a beautiful blue sky. I noticed 14 Chemtrails, a couple hours later is gloomy white skies. I just noticed now this evening there are more Chemtrails. When is this going to end? Please let's get this stopped. Thank you

Virginia chemtrails A. Probert

Florida, Orlando Tina Duskin Chemtrails, Orlando Florida

South Carolina, Columbia Virginia Wheeler Night and day chemtrails. Leaving haze and odor. Flying over cities and homes. Over farm areas outside of town. Streaks both crossed, big X's and streaks.

. Fri. 12 Dec. 2025 Kaitlynn Hunter Update by her mother Jeannine:

Kaitlynn's 18th birthday is today 12-12-25 born Myrtle Beach, SC. I wanted to name her Heaven Leigh Hunter.

It should be a happy day, but it's very depressing. I have waited seven long years for this day. I know she has too. Being 18, she should be aged out of Foster Care, but there is no sign that she will be released.

She told me in August kids who age out are in jeopardy of jail over unpaid fines. She now has \$900 Unwarranted court fees because of this 7-years unconstitutional captivity! She has all these unwarranted juvenile charges. She even has a felony for punching a cop who grabbed her "Rocky" from behind, startling her.

She has had years of being on her own in constant fight or flight mode since she was 11 years old. She was put on house arrest with an ankle monitor, neglected and malnourished. She lost 60 lbs. while in Foster Care on year because they deliberately refused to feed her.

When she was arrested for running away from abusive situations in Foster Care including bleeding head concussions of which they refused to get her medical care, they walked her out barefoot in shorts and t-shirt. Everything you bought her is here.

It's killing me she's in danger of being abused, neglected, mentally neglected and denied her rights going on 7 years of unwarranted foster care prison.

I am on probation for hiding her out while we worked on her case. Because I am on probation, if I would be caught (my phone is wiretapped) I will go to jail.

A cop assaulting me for telling him to respect me in my home on a well check over homeschooling. I was doing home schooling in the best interest of Kaitlynn who had separation anxiety.

The CPS and cops have refused to let me speak in court, or show my lawful home school records. Those records were in my hand and was recorded on a copcam when they first took her at age 11. Kaitlynn and I have been retaliated witnesses to abusive foster care situations ever since.

- **Days:** 2,497
- **Hours:** 59,928
- **Minutes:** 3,595,680

I never stopped fighting for her! Every ounce of evidence and laws I ever put on the record was ignored!!!!!! Since 2020 she has reports of abuse and neglect in cps care but ignored.

And I get arrested for protecting her from the abuse, I can't rescue her???? I can't talk to her?? Send her money??

I filed 48 pages into all the courts yesterday 11-11-25, confirmed.
They need to drop the fraudulent warrant dated 8-26-25 given to me in jail room 47 the next day after I was arrested 8-25-25 no warrant, and let my daughter finally come home to peace, safety and comfort.

We need to get her the hell out of there and home where she belongs.

I know any blessings would make her day! This is her cashapp, she will get the money directly: \$KATHUNTER3

. Remembering Lahaina Maui

The Deep State Cabal wanted to make the very valuable Native Hawaiian Capitol of Lahaina land into a SMART city, but the natives refused to sell this land of their forefathers. So on **August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina and Kula Maui to the ground.

The resulting fires were the most devastating mass casualty events in the Hawaii State history: 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/ unconfirmed deceased; 5,000+ people originally dislocated, 3,100 still displaced over two years later.

The Deep State Cabal Red Cross quit helping those victims over a year ago. The Democrat leadership of Hawaii has made it almost impossible for the native Hawaiians to rebuild on their own land.

Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers have been supplying three meals a day and support to their now over 3,100 still-displaced fellow victims.

. Tim Ballard has worked undercover in the US and in multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children around the World through his Tim Ballard Foundation. Just as a film about Ballard's work, "**Sound of Freedom**," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife

and nine children continually support and pray for him. A new movie and book about his work was about to be released called *Hidden War*.
