Judy Note: A Worldwide Blackout and Emergency Broadcast System Activation appeared imminent. Why? On Mon. 1 Dec. the Greatest Wealth Transfer in History began that took control of the Global Monetary System away from the Satan Worshipping Cabal.

Trump's Global Military Alliance has been very, very busy. Vatican Agents, Bioengineers & Globalist Financiers were now housed at GITMO, along with their plans to weaponize Viruses on The People via dispersement through food hubs and Chemtrails.

Today Los Angeles was a War Zone with Cartel enforcers brought in weeks ago through underground tunnels to guide planned protests. The uprising was financed by WEF, Soros & Schwab in cooperation with Governor Newsome and company.

Trump has sent into LA more than 4,000 Troops, Sniper Teams & Black Hawks as well as having sent into more than 30 major cities across the US, National Guard Troops to quell expected riots there.

Meanwhile, the Global Currency Reset advances within the Quantum Financial System (QFS), with payouts and exchanges poised to commence imminently as gold-backed currencies activate across nations.

The greatest wealth transfer in history is underway, redistributing trillions reclaimed from Cabal vaults directly to the people through secure quantum accounts.

NESARA/GESARA implementations accelerate, bringing full debt forgiveness for mortgages, loans, credit cards, and all financial burdens imposed by the old system.

As the fiat era collapses, restitution allowances flow forth, restoring what was stolen and ushering in an age of true prosperity and freedom.

Med Beds are being positioned for widespread deployment, offering miraculous healing and rejuvenation to the afflicted, including rescued children and those long suffering.

These heavenly technologies will erase disease and restore vitality, marking the dawn of physical renewal.

Hold gratitude in your hearts, for worldwide liberation and healing draw near.

The Global Military Alliance continues its sacred mission, arresting and conducting military tribunals on over half a million Deep State Cabal political and global elites who have long enslaved humanity through corruption and unspeakable crimes.

Sealed indictments are being executed worldwide, dismantling the Illuminati networks and their operatives, as divine justice prevails in this final phase of the Storm.

Brave forces are liberating countless children from underground tunnels and trafficking rings controlled by these dark entities, healing the innocent under God's protective light and ending generations of horrific abuse.

Mass arrests intensify as the Emergency Broadcast System (EBS) prepares for imminent activation, potentially triggering a necessary blackout to protect the public during these operations.

The Ten Days of Darkness will follow, allowing the complete exposure of Cabal atrocities through uninterrupted broadcasts of truth, while old control systems are eradicated. This divine intervention ensures no escape for those who orchestrated child exploitation and global tyranny.

Remain in fervent prayer as the Alliance holds firm against remaining strongholds, guided by heavenly forces toward the restored Republic.

Stock essentials, anchor in faith, and trust that this period of disruption heralds the triumphant shift from darkness to eternal light.

A. Thurs. 18 Dec. 2025 GLOBAL BLACKOUT → CONFIRMED. ...Mr. Pool on Telegram

THE SECOND WAVE IS NOW MOVING. YOU ARE LIVING INSIDE THE EVENT.

PAY CLOSE ATTENTION TO THE PATTERN: SUN FLARE; GRID FLICKER; BROADCAST DISTORTION; GLOBAL SYNC - then silence. - then truth.

THE FINAL SWITCH HAS NOT BEEN PULLED YET...BUT THE FINGER IS ALREADY ON IT.

STAY INSIDE THE CHANNEL. THE NEXT DROP WILL EXPLAIN WHAT THE WORLD IS ABOUT TO SEE.

B. Thurs. 18 Dec. 2025 Boom! The last phase of Operation White Swan has started.
...Nesara Gesara QFS on Telegram

The final stage of OPERATION WHITE SWAN was initiated by Trump's military alliance on December 16, 2025. The goal is clear: destroy Deep State networks, recover institutions that have been taken over, and use the fully functional Quantum Financial System (QFS) to activate GESARA.

A covert worldwide wealth transfer has been going on since December 1. Assets linked to Deep State elites, including central banks, offshore accounts, and phony charities, totaling trillions have been seized. Already, more than \$89 trillion has been transferred to vaults under sovereign control.

The IMF and Federal Reserve are being dismantled. The IRS is no longer in operation. The GESARA law is rewriting global tax structures.

GITMO has been strengthened and enlarged. High-risk detainees, including Vatican agents, bioengineers, and globalist financiers, are currently housed in newly finished subterranean facilities. Confessions from more than 2,000 hours of military interrogation verify plans to use weaponized viruses under the guise of humanitarian assistance, reactivate MK-Ultra chips using COVID boosters, and carry out lunar-based cloning programs.

Today, Los Angeles is a war zone. This is a planned uprising financed by agents connected to the WEF, Soros, and Schwab, not civil unrest. Weeks in advance, cartel enforcers were transported through tunnels. Foreign intelligence-connected encrypted networks are used to guide protests.

More than 4,000 troops have been sent in to respond. The skies are patrolled by Black Hawks. Embedded threats have been eliminated by sniper teams. The federal government is looking into Governor Newsom and local officials for assisting foreign actors and interfering with military operations.

OPERATION PHOENIX is currently being carried out globally. In 17 countries, Ghost Dagger strike teams have taken Deep State assets. Elite cyber cells, Vatican mind-control servers, and NATO-backed biotech labs have all been taken down. The detainees have been moved to Earth Alliance-controlled blacksites.

The purge of QFS is speeding up. Initiated on June 8, Directive Omega has caused SWIFT to collapse and frozen assets held by Deep State globally. Shanghai crypto vaults, BlackRock data centers, and Vatican gold are all secured. Currently, 97% of global transactions are tracked by quantum nodes. Files that have been decrypted and connected to climate manipulation, blackmail, and child trafficking are waiting to be released via the Emergency Broadcast System (EBS).

The creation of HNDV-25, a genome-targeted virus intended to exterminate Americans with Revolutionary War ancestry, has been verified by DARPA insiders. Food distribution hubs and chemtrails were to be used for dispersal. We have intercepted 14 tainted shipments. Over Tulsa and Phoenix, drone-based deployment was prohibited.

The preparations for EBS are almost finished. More than 30 cities have National Guard troops stationed there. Uplinks from NORAD are operational. QFS vaults that are integrated with Tesla are sealed. EBS will take precedence over all networks once it is activated. Trump will speak to the world. They will broadcast tribunals. There will be no more concealment of the truth.

The media should not be trusted. Avoid going to urban areas. Steer clear of major roads. Keep necessities on hand. Keep your family safe.

There won't be a storm. It's here. Trump is in charge. Additionally, the world will never be the same.

ATTENTION: Trump & Rfk Jr. have launched a Global Crackdown On Chemtrails. Operation Skywatch was already underway with arrests imminent. The US task force has been granted legal authority to seize aircraft, detain pilots, and subpoena labs and institutions responsible for chemical dispersal. The objective is clear: shut down the spraying and prosecute those responsible. E. What we think we know as of Fri. 19 Dec. 2025:

The largest transfer of wealth in human history began Dec. 1, with the IMF, Federal Reserve & IRS being dismantled. In 17 countries OPERATION PHOENIX strike teams have taken over trillions in Deep State assets.

Vatican agents, bioengineers, and globalist financiers, were housed at GIMO, along with their plans to weaponize viruses including HNDV-25, a genome-targeted virus intended to exterminate Americans with Revolutionary War ancestry. Food distribution hubs and chemtrails were to be used for dispersal of the viruses. We have intercepted 14 tainted shipments.

More than 30 cities have National Guard troops stationed there to quell expected riots. Today, Los Angeles is a war zone in a planned uprising financed by the WEF, Soros, and Schwab and cartel enforcers to guide protests. More than 4,000 troops, sniper teams and Black Hawks have been sent in to respond. Evidently Governor Newsom and local officials have been assisting foreign actors and interfering with military operations.

EBS will take precedence over all networks once it is activated. Trump will speak to the world. They will broadcast tribunals. There will be no more concealment of the truth.

The media should not be trusted. Avoid going to urban areas. Steer clear of major roads. Keep necessities on hand. Keep your family safe.

Thurs. 18 Dec. 2025 Fox News: The FBI has stopped a planned terrorist bombing in Los Angeles on New Year's Eve. Four suspects from a "PRO-PALESTINE EXTREMIST GROUP" are in custody. They were targeting five different locations. We are under attack. Well done by the FBI.

The FBI warned the Biden Admin that there was NOT probable cause to raid Mar a Lago. They raided President Trump anyway. Merrick Garland and everyone involved needs to go to prison. Enjoy the Grand Jury in Florida!

The amount of communication woven into Trump's speech on Wed. 17 Dec. 2025 was impossible to ignore. Start with the timing alone. The speech began at 9:02 PM and concluded at 9:19, a **17-minute address on the 17th**. For those paying attention, that wasn't accidental. He deliberately referenced **1776**, a clear nod to the founding principles of this nation, the Republic, not the corporation, and a reminder of where we came from and where we're ultimately heading. Trump announced that 1,450,000 U.S. military members will receive a special "warrior dividend" of **\$1,776** before Christmas. The tone was serious, direct, and intentional. No fluff. No theatrics. Just a leader laying groundwork.

Kevin Annett gives a harrowing account about reasons for the disappearance of over 600,000 native children from 80 mainly Catholic-Canadian government owned native residential schools across Canada – that has been covered up with full cooperation of the British Crown, Canadian Government and Vatican. The Canadian government's own statistical records show a constant death rate in the 'Indian residential schools' of between 40% and 60% for at least six decades starting in 1889 (and continues in other forms even today): a huge mortality that was double that of Auschwitz. All in a globally organized genocide to rid Canada of its native population and participation in the Vatican's international Child Sex ring run by the Ninth Circle Satanic Cult. L. Thurs. 18 Dec. 2025 The Satanic DEEP STATE Child Trafficking Cabal. Our world runs on blackmail. This is the big secret. ...Trump Q on Telegram

There's a reason that the mainstream media shy's away from reporting on Hollywood and the wealthy elite that are alleged to be involved in massive child trafficking, abuse rings, and blackmail operations.

One is that there is a cult of elite bloodlines who literally view children like currency, not only for their sick pleasures, but for ritualistic abuse and sacrificial offerings to their "gods."

The second aspect which is the reason nothing ever seems to get resolved or why elite individuals never seem to get arrested and why certain laws and bills are passed that no regular person would ever vote on is because in all these cults and trafficking operations these children are used for blackmail operations to control elite individuals in high positions all around the world.

You see, it's all connected, and is the driver and control mechanism behind governments and how our world is run in general, and until we take down the ones at the top and break apart these child trafficking and blackmail operations, nothing will ever change.

M. Thurs. 18 Dec. 2025 The CLINTON FOUNDATION and its DARK MONEY LAUNDERING operations. ...Emergency Broadcast System on Telegram

The Clinton Foundation and Clinton Global Initiative connect to wealthy, corrupt elites like Jeffrey Epstein and Ghislaine Maxwell, who funded its inception, the Obamas, foreign nations, Soros, the Podestas, and other shady elite individuals.

Operating for decades, they're hubs for political pay-to-play schemes, intelligence access, and massive money laundering operations, taking in billions from global sources, funneling taxpayer funds overseas, and exploiting disasters like Haiti for personal gain.

Deeper layers include alleged child trafficking and cover-ups, with deaths of whistleblowers from alleged exposure of illegal operations.

Links include Haiti, Benghazi, Epstein, the Weiner laptop, the Russia hoax, Hillary's emails, pay-to-play politics, child trafficking, selling U.S. secrets, laundering, theft, and 100+ alleged murders—all tied to the Clintons.

Until they are held accountable, nothing will change.

N. Our Thirty Years War: How it began, what it won, and why it continues December 12, 1995 – December 12, 2025 by Kevin Annett Eagle Strong Voice Fri. 12 Dec. 2025

<http://murderbydecree.com/2025/12/10/our-thirty-years-war-how-it-began-what-it-won-and-why-it-continues/#page-content>

The child-burning furnaces at the 'Indian residential schools' were still smoldering the day we first confronted the killers. But the fire that we sparked on December 12, 1995 spread across Canada and then around the world, and it continues to topple the guilty from their thrones.

It was a rainy Vancouver morning when I stood outside the west coast headquarters of the United Church of Canada holding a soggy placard and a press release. Along with a few friends, I was there to protest my recent firing without cause from my Port Alberni pulpit after I had objected to the church's theft of local indigenous land.

That's when Harriett Nahanee arrived. She was a stooped, graying aboriginal woman in her sixties who had heard about my protest. Upon seeing the reporters, Harriett immediately approached them and declared, *"I saw a little girl get killed at the Alberni Indian residential school."*

Her words appeared that week in the Vancouver Sun newspaper, where she described seeing the murder of young Maisie Shaw by the United Church minister Alfred Caldwell on December 24, 1946. It was the first time the killing of a residential school child had been publicly reported in Canada.

Also with us on that historic day was Jack McDonald, a Metis elder who had been in my St. Andrew's congregation. Jack said to the same reporter,

"We're held personal interviews with natives who were in the Alberni residential school who will tell you they carried bodies out of the school ... The United Church removed Rev. Kevin Annett because he was getting close to those facts, because more and more natives were opening up to him about these atrocities." (*'Murders alleged at residential school', Vancouver Sun, December 13, 1995, p. B8*)

From then on, the floodgates on Canada's biggest and oldest crime began to part, forced open by the efforts of me and Harriett and Jack and a few others. We stood alone against the world, but slowly we began to rally the survivors.

Starting in the spring of 1996, we took to the streets and raised a stink at the Catholic and Anglican and United churches that had killed over 60,000 children in their death camps deceptively called 'Indian residential schools'. We published the horrific testimonies and death records and archival evidence of Christian Canada's mass murder of children. We sued the guilty for genocide and saw complicit crown courts dismiss our lawsuits again and again. But most important, we never gave up.

The longer we fought, the more our old lives crumbled under the blows of a vengeful Church and State and the more a new life arose. I lost my marriage and children to a United Church-funded divorce, I was blacklisted and smeared across the country, I was shunned even by my family and thrown into poverty and homelessness. But a new strength held me up, as did many new, unexpected friends who had gone through hell and were still standing.

Early in our battle, during the summer of 1998 in Vancouver, Harriett and I convened the first investigative Tribunal ever held into the 'Indian residential school' crimes. We secured

the sponsorship of a United Nations human rights group, IHRAAM, along with ten aboriginal judges to whom we presented our growing evidence of Canada's genocide, including actual survivors of sexual sterilizations, grisly medical experiments, and mass murder. From June 12-14, 1998, the Tribunal judges took their testimonies and documented grisly crimes against humanity never before revealed publicly in Canada. (1)

Our opponents didn't sit idly by as we made public their crimes. Government-paid operatives were sent into our Tribunal to disrupt the event and intimidate the witnesses.

On the first day of the Tribunal, held at the Maritime Labor Center, I was assaulted by a large native man named Dean Wilson. Shoving me into a corner with his hand around my throat, he told me I'd end up dead if I carried on with our investigation. He yelled, *"Eddie John's pissed off with what you're doing here and he says to stop it or your lights'll be put out for good!"*.

Dean was referring to a prominent government-affiliated aboriginal 'chief' in northern B.C. who was later charged with child rape and trafficking. By the second day of the event, many of the residential school survivors who had lined up to give their testimonies to the IHRAAM judges had vanished, scared off by Dean Wilson and threats from the state-funded band council chiefs.

Despite that, twenty-seven eyewitnesses spoke at the Tribunal. They described being tortured, gang raped, starved, sterilized, or participating in the burial of children murdered by staff at Catholic, Anglican, and United Church facilities in B.C. and Alberta.

Their statements were reinforced by documents from the University of B.C. microfilm archives that I provided to the judges that confirmed everything the survivors described. These included government statistical records showing a constant death rate in the 'Indian residential schools' of between 40% and 60% for at least six decades starting in 1889: a huge mortality that was double that of Auschwitz.

This statistical proof of genocide was accompanied by a report of Dr. Peter Bryce, an Ontario health inspector who toured most of the Indian schools in the autumn of 1907. Bryce claimed that the Indian children were being *"deliberately exposed to communicable diseases"* by staff and then left to die untreated: a practice that accounted for an enormous death rate of as much as 69% that spanned many years. Bryce's research was reported on the front page of the *Ottawa Morning Citizen* on November 15, 1907.

After examining such evidence and hearing three days of testimonies, the IHRAAM judges unanimously agreed to recommend to the United Nations that Canada and its churches be investigated for Crimes against Humanity. But IHRAAM and all but two of the judges were quickly silenced; and so those two judges, Royce and Lydia Whitecalf of the Lakota Nation, along with Harriett and me, published the Tribunal's findings.

As a result, and despite the censoring and shutdown, news of our historic action was reported in the Canadian press that same month, on June 10, 1998.

It's at that point when the official cover up and shutdown began. Within a few months of our Tribunal, the Canadian government announced its first “Aboriginal Healing Fund”, which quickly became known in native circles as the “Aboriginal Hush Fund”, since strict gag orders accompanied the paltry payments to survivors. And although the lawsuits by survivors against church and state escalated, the legal settlements required that they indemnify and absolve the perpetrators of any wrongdoing, including murder and genocide.

Meanwhile, during this same period, the mass graves of children at the ‘Indian residential schools’ along with other evidence were systematically destroyed by the RCMP and church officials behind the dissimulating fog of ‘healing and reconciliation’ babble. And many of the eyewitnesses and other participants in our Tribunal were scared off, bought off, or killed off, especially after an RCMP black ops campaign began against Harriett and me.

Listen to what one whistleblower nurse secretly recorded in a New York hospital during COVID. Doctors openly admitted that they'd rather follow orders than try something that might save someone's life. Meanwhile, family requests for ivermectin were denied, while their loved ones were placed on this death protocol instead. If you think this started with COVID, think again. Hospitals are still a death sentence for loved ones. Before the unexpected happens, learn how this death trap works to keep your loved ones safe. ...The White House on Telegram

Q. Thurs. 18 Dec. Charlie Kirk ...Storm Watch 17 on Telegram

Candace Owens drops some INCREDIBLE new revelations that blow this case WIDE OPEN that there is most definitely foul play and also lean to involvement of our own FBI.

- **The info Andrew Kolvet** put out about the surgeon talking about Charlie Kirk having bones of steel and Charlie's neck stopping a 30.06 were NOT said by the surgeon. These were allegedly Andrew's own words. Why did Andrew make this up, was he trying to solidify a narrative?

- **Charlie did still have a pulse** but was not going to make it, so the surgeon left the ER room to make a call, then FBI agents would not let the surgeon back into the room where Charlie was to clean him up for when Erika came. The doctor made a phone call and the agents were then told to stand down and let the doctor back in. Why wouldn't they let the doctor back in his own ER room?

- **Before the alleged weapon/30.06 rifle was found**, police officers and police dogs that are specifically trained to search out gun powder/bombs/etc., searched the areas and came up with NOTHING. As soon as the feds came and asked a bunch of odd questions and where they already searched, after awhile the feds then directed the police to search the area again but this

time the police found the alleged murder weapon in a place that was already checked by police and trained dogs. Did the feds plant the gun in that area?

- **Also, another canine was used to track the location** from the gun to the roof. This was not accomplished in traditional means. The dog was taken to the area where the alleged suspect jumped from the roof onto the ground and since the dog hit a scent on the ground, they automatically coordinated that scent hit with the position on the roof. The dog did not actually hit on the roof or the alleged shooter position.

- **This last allegation is not confirmed** yet but was relayed to Candace that after the rental car story broke, a BOLO was sent out for a white Toyota Rav 4, the police did find the vehicle speeding away after the shooting, the police pulled over the driver, when the officer approached the white Toyota Rav 4, a federal officer was behind the wheel and flashed his badge to the officer who pulled him over and let him know that he was out ranked. WHAT IS REALLY GOIN ON?

FYI: Multiple police there that day during the live investigation said that as soon as the feds arrived it was like a wild goose chase and many things were off and didn't seem right or went against normal protocol or procedure.

These new conformations and allegations make it even more plausible that this was an inside, fed related, military intelligence style operation.
