Judy Note: I don't understand how a child in Belgium is still undergoing Satanic Ritual Abuse after having reported such abuse to the Alliance almost two years ago.

I don't understand how Kaitlynn Hunter (who also was reported to the Alliance almost two years ago) having now turned 18, was still in foster care prison where she has been beaten, raped and abused for almost seven years, even though we have run article after article on her and other Ohio foster children who are suffering the severe abuse programming of CIA Child Sex Trafficking.

I don't understand why Ken Cromar remains in prison under a charge of living in his own home, after having that paid for home taken from him by the IRS, after having all his possessions thrown away including expensive equipment he used to make a living and after proving in a Federal Tax Court that he owned no money to the IRS.

I don't understand how we as a society can stand back and let these suffer. I believe in The Plan. I just don't understand it. Please President Trump, Q, or whoever is in charge, help me to understand.

Above all, Please, please Save The Children.

However, on less important matters, the long-awaited Global Currency Revaluation (RV) has entered its final launch phase, with the Quantum Financial System (QFS) now fully operational across 209 nations, facilitating gold-backed digital currencies and the greatest wealth transfer in history.

High-level sources report that Tier 4B (Us, the Internet Group who hold foreign currency to exchange and Zim Bonds to redeem) notifications and payouts could commence as early as this weekend, ushering in unprecedented abundance under NESARA/GESARA protocols.

Debt forgiveness is actively processing, erasing mortgages, credit cards, and personal loans for millions, as the fiat system collapses in favor of sovereign prosperity.

Med Beds, powered by advanced quantum healing technology, are being deployed from secure facilities worldwide, with priority access for veterans, children, and the severely afflicted beginning imminently—potentially before Christmas.

These divine instruments of restoration will reverse aging, regenerate limbs, and heal chronic conditions in hours, fulfilling promises of renewed vitality for those who have suffered under Cabal suppression.

Pray for the swift rollout, that all may experience this blessing soon.

As the QFS secures trillions in repatriated funds, humanitarian projects will receive immediate liquidity, enabling the rebuilding of communities and the healing of our planet.

This wealth transfer marks the end of financial enslavement, returning power to the people through asset-backed sovereignty.

The Storm has intensified as operatives of the Global Military Alliance continue sweeping operations to dismantle the remnants of the Deep State Cabal.

High-level intelligence confirms that mass arrests are underway worldwide, targeting key architects of child trafficking networks that have inflicted unimaginable suffering on innocents for decades. In recent days, thousands of tortured children have been liberated from underground facilities, receiving immediate care and healing.

Sources indicate that the Emergency Broadcast System (EBS) activation is imminent, potentially within hours, as final preparations align under the Starlink satellite network.

This sacred protocol will usher in the Ten Days of Darkness—a necessary period of communication blackout to shield the public while truths are revealed and final arrests are executed.

The Storm represents the culmination of years of faithful endurance, where the forces of good prevail over Satan-worshipping elites who sought to enslave humanity. As these events unfold rapidly, prepare your hearts in prayer, knowing that deliverance is at hand.

G. Our Thirty Years War: How it began, what it won, and why it continues December 12, 1995 – December 12, 2025 by Kevin Annett Eagle Strong Voice. Part II:
<http://murderbydecree.com/2025/12/10/our-thirty-years-war-how-it-began-what-it-won-and-why-it-continues/#page-content>

The child-burning furnaces at the 'Indian residential schools' were still smoldering the day we first confronted the killers. But the fire that we sparked on **December 12, 1995** spread across Canada and then around the world, and it continues to topple the guilty from their thrones.

Starting in the spring of 1996, we took to the streets and raised a stink at the Catholic and Anglican and United churches that had killed over 60,000 children in their death camps deceptively called 'Indian residential schools'. We published the horrific testimonies and death

records and archival evidence of Christian Canada's mass murder of children. We sued the guilty for genocide and saw complicit crown courts dismiss our lawsuits again and again. But most important, we never gave up.

It's at that point when the official cover up and shutdown began. Within a few months of our Tribunal, the Canadian government announced its first "Aboriginal Healing Fund", which quickly became known in native circles as the "Aboriginal Hush Fund", since strict gag orders accompanied the paltry payments to survivors.

And although the lawsuits by survivors against church and state escalated, the legal settlements required that they indemnify and absolve the perpetrators of any wrongdoing, including murder and genocide.

Meanwhile, during this same period, the mass graves of children at the 'Indian residential schools' along with other evidence were systematically destroyed by the RCMP and church officials behind the dissimulating fog of 'healing and reconciliation' babble. And many of the eyewitnesses and other participants in our Tribunal were scared off, bought off, or killed off, especially after an RCMP black ops campaign began against Harriett and me.

<https://murderbydecree.com/2024/10/30/the-anatomy-of-a-character-assassination-why-does-the-big-lie-always-work-2/>

Despite this shutdown, our efforts continued. In February 2000, I published "*Hidden from History: The Canadian Holocaust*" that summarized the IHRAAM Tribunal evidence. Harriett and I also launched a permanent Truth Commission into Genocide in Canada that kept documenting the crime. We formed a group called Friends and Relatives of the Disappeared (FRD) that launched public teach-ins and protests at the guilty Catholic, Anglican, and United churches. These actions began to gain media attention across Canada.

It was very slow plodding, but the number of survivors of these crimes kept filling our ranks, especially as we took to the streets in Vancouver and Toronto and garnered more coverage in a Canadian media that was still not completely censored on the issue. These recruits provided new evidence of horrendous local crimes, including the cult ritual killings of children and the present day trafficking and murder of indigenous people across Canada. Genocide was no longer seen as a thing of the past.

Those of us who endured in this fight against enormous odds gained a rapid education in the way things are. The continual blows dispelled our illusions of what we were up against, especially when they struck us personally. As I remarked in our documentary film *Unrepentant* (2007), "*When I saw how those church people stole my children from me, I realized of course they could kill native kids. Look at how viciously they treat one of their own.*"

My personal agony of losing my children and having my life destroyed by my own culture won me acceptance in the groups of indigenous survivors that began sprouting across

Canada as the new century dawned. In the shared commonality of our suffering, a greater power arose that allowed us to bear everything and fight to the end for the fallen children, whose spirits led us on; and for those innocents who would die tomorrow if we failed.

Reflecting the survivors whose desperate battle I now shared, my old life had been destroyed by then by the same people who had slaughtered generations of children.

Immediately following my firing without cause early in 1995, the United Church engineered and funded first my wife's divorce action against me that robbed me of my children, then my expulsion from the ministry and permanent blacklisting, and finally the huge public "fear and smear" vilification campaign against me that continues to the present.

<https://murderbydecree.com/2024/06/25/parental-criminalization-a-firsthand-account>

The opening public round of that "Shoot the Messenger" campaign had been the expensive show trial that unlawfully expelled me from United Church ministry during 1996 and 1997. It was the first public "defrocking" of a minister in the church's history, costing it more than \$300,000.

"A kangaroo court by any measure of jurisprudence, with no semblance of due process or fairness," commented former B.C. Supreme Court Justice Thomas Berger in reference to my defrocking. But the corrupt spectacle inadvertently exposed more of the crime the church was desperately trying to conceal, including the ongoing theft of indigenous land and trafficking of children.

Killing me in plain sight was a warning to any other potential church whistle blowers, occurring right when the Indian residential school lawsuits had begun against the churches early in 1996.

It was also a precursor to the full-blown black-ops campaign that eventually killed nine of my friends and fellow fighters, including Harriett Nahane: all of them native survivors of Catholic, Anglican, and United Church death camps.

Launched as part of the backlash against our June 1998 Tribunal, those Church and State black-ops killed not only eyewitnesses but the truth of genocide in Canada by generating a false narrative of the crime that minimizes and decriminalizes it. That deception has grown over time and is now institutionalized in Canadian academia and media as a big National Lie.

Exactly ten years passed between the commencement of our IHRAAM Tribunal on June 12, 1998 and the Canadian government's forced but tepid admission that genocide had occurred in the 'Indian residential schools'. That acknowledgment came from the feds on June 11, 2008: one day before the tenth anniversary of our indictment of Christian Canada for genocide.

The year prior to the government's pseudo-acknowledgement had been a victorious time for our small forces. Early in 2007, our movement launched a wave of church occupations in Vancouver and Toronto that made national media headlines.

Even more impactful was the legal eviction of the Catholic, Anglican and United churches from all of Vancouver by traditional Squamish elder Kiapilano, who helped lead our occupations. His B.C. Supreme Court Eviction Order gave us the right to occupy and seize church property. After that, the police never interfered in any of our church protests and sit-ins.

By protesting inside the guilty churches during their Sunday services throughout 2007 and 2008, we provoked Church and State, along with the corporate media, to respond.

On April 24, 2007, following a spate of church occupations, the *Globe and Mail* finally acknowledged the fifty percent death rate in the Indian schools and the cover up of the children's deaths. Our movement followed on that victory by announcing that we would be launching an international legal action against Canada and its churches and officers for Crimes against Humanity.

These experiences showed us that direct action gets the best results when facing a corporate Goliath. In the words of torture survivor William Combes, who participated in the church occupations in Vancouver during 2008,

"When I saw that priest run out the back door when we went into his church, I didn't feel like a victim anymore. I'm a threat to those bastards now."

<http://murderbydecree.com/2024/02/28/exclusive-the-day-we-turned-the-tables-on-child-killing-churches-historic-footage-of-the-church-occupation-that-forced-out-the-truth/>

The long, unrelenting struggle by a handful of us during that decade seemed to have finally paid off, as the churches' murder of children began to be addressed. And yet the issue was quickly co-opted and "spun" on the terms of the guilty Church and State.

The churches were exonerated and legally indemnified by the so-called "apology" of the Harper government in June 2008. Then a new attack began on those of us who had exposed Canada's Group Crime. Our work was suddenly banned from the media.

Between 2007 and 2011, nine of our people died of obvious foul play in police custody or while hospitalized, including Harriett Nahane and William Combes, both of whom were murdered while in St. Paul's Catholic Hospital in Vancouver.

Even as more of us fell and the counter-attacks grew, we persisted. Our documentary film *Unrepentant*, released during our church occupations in 2007, was viewed online by millions of people and was a big factor in prompting the government 'apology' of March 2008.

But the problem remained: how is justice possible when the criminals are still in power?

With each passing year we learned that justice is not possible in Canada's 'crown' courts, which time and again legally exonerated Church and State for genocide and protected the killers of our friends. And so from necessity we began to not only confront the killers in their churches but shut down their criminal operations and put their entire system on trial.

That escalated battle started soon after we forced Canada's admission of genocide, when we founded the International Tribunal into Crimes of Church and State (ITCCS) in June 2010 in Dublin. By then our campaign had spread to Europe and many survivors of church crimes there joined our ranks.

Early in 2012 the ITCCS formed a common law court that eventually prosecuted and convicted the Crown, the Vatican and its top officers for crimes against humanity. Its verdict toppled 'Pope Benedict' and three Cardinals during the spring of 2013.

What had begun as a fight for justice in Canada became an international movement to stop church crimes and reclaim the law as a weapon against felonious rulers. That movement continues to spread around the world and sprout self-governing courts and assemblies of free people.

Despite the government's shutdown of our work in Canada, the truth kept surfacing. Early in 2011, I was approached by ten elders of the Grand River Mohawk nation in Brantford, Ontario. They invited me and the ITCCS to help excavate the mass graves of children at the "Mush Hole", the former Mohawk Indian school run by the Anglican Church: the oldest such 'school' in Canada, dating from 1832. And so began the first and only independent excavation of the remains of 'residential school' children in the country. (<http://murderbydecree.com/mass-graves-of-children-in-canada-documented-evidence-2/>)

After ground penetrating radar and eyewitnesses located a probable mass grave site east of the Mohawk school, excavations began there on November 21, 2011. Mohawk elders Bill and Cheryl Squire along with an accredited archaeologist and forensic specialist quickly uncovered bits of children's clothing and buttons off school uniforms tangled in the roots of trees.

"The staffers always planted trees over the graves of the kids we buried," explained a survivor, Geronimo Henry. "That way they'd stay hidden."

Soon after that, at a lower level, bones were uncovered mixed with more buttons. Nine of these bones were sent to the Smithsonian Institute in Washington D.C. for analysis. In early January of 2012, Dr. Donald Ortner, a Smithsonian forensic pathologist, told me by phone "*I'm ninety percent certain that one of the bones is human, that of a young girl.*"

Dr. Ortner offered to come to our dig and help analyze more of the remains, but five weeks later he suffered a fatal heart attack.

His death coincided with the shutdown of our investigation by government-allied ‘chiefs’ of the Six Nations Confederacy with the usual accompaniment of smears and lies.

Faced with threats and bribes from the government chiefs, most of the sponsoring elders dropped away. But one of them who stayed with us, Cheryl Squire, introduced me to an Anglican church insider, Leona Moses.

Leona, a local Mohawk who worked for the Anglicans as a researcher, shared with us startling new evidence from church archives about the Mush Hole crimes and recent cover-ups by top church officials in response to our dig. See a transcript of our discussion with Leona Moses at <http://murderbydecree.com/mass-graves-of-children-in-canada-documented-evidence-2/>

“*The church is sitting on documents that can bring it down,*” Leona told us when we met her on December 2, 2011. She shared this evidence from the “G-12 collection” of the Anglican Huron Diocese office in London, Ontario:

From the beginning, children died “in huge numbers” at the Brantford school from starvation, violence, slave labor, and involuntary medical experiments with the knowledge and sanction of Church and State.

Children were routinely denied food and medicine and shipped to Jesuit hospitals for drug testing and exploratory surgery. Babies born from girls made pregnant by staff, clergy and “visiting dignitaries” were regularly killed or trafficked.

Leona uncovered a “particularly damning document” in the Huron Diocese archives that she called “*a smoking gun. It was an official looking thing, signed and sealed*” from the year 1870. It was an agreement between the New England Company that established the Mush Hole, the Crown of England/Anglican Church, the Jesuits, and the non-Mohawk chiefs of the Six Nations Confederacy. This agreement transferred authority over the Mush Hole to the Confederacy providing that the school targeted the fiercely independent Mohawks for incarceration and extermination. The Confederacy chiefs agreed to cooperate in this genocidal plan.

Leona also discovered documents describing the routine visits of British and Dutch ‘royal family’ members to the Mush Hole to select and leave with Mohawk children who were never seen again. Participants in this kidnapping included Dutch Queen Wilhelmina (1942), Prince Philip and Prince Charles (1969 and 1977), and Queen Elizabeth’s chaplain Rev. John Wayne (1996).

References are also made to the burial of children on the grounds of the nearby Mohawk Chapel after they had been trafficked by Principal John Zimmerman and raped and killed. The same Zimmerman wrote in a March 9, 1948 letter, “*We are forced to bury the children two and three to a grave.*”

Finally, Leona discovered references to arcane cult rituals that took place in a sub-basement chamber beneath the boys’ wing of the Mush Hole. Their participants included Catholic and Anglican “prelates” and involved the rape and slow death by torture of Mush Hole children “and others”.

All of these G-12 records, “some thirty thousand documents, at least”, were officially sealed by Anglican Bishops Bruce Howe and his successor Bob Bennett during the summer of 1998: right when our IHRAAM Tribunal was convening in Vancouver.

Anglican church staff and researchers were sworn to a “ten year oath of silence” and threatened with lawsuits “*and worse*” if they spoke of the G-12 material.

One of Leona’s co-workers, Wendy Fletcher, refused to take the oath and was then assaulted. Leona told us, “*Wendy Fletcher feared for her life. She said a Jesuit had threatened to kill her. I offered her sanctuary, especially after one of her secretaries died suddenly after helping Wendy dig deeper into the Mush Hole history in the Anglican church archives in London, England*”.

A section of the G-12 documents were destroyed after our Mush Hole excavation began in November 2011, by the direct order of the Archbishop of Canterbury Justin Welby and Anglican Primate Fred Hiltz. Soon after the start of our dig, Bishop Bob Bennett, who coordinated the destruction of G-12 documents, met with Leona Moses and demanded to know what she had uncovered in the Diocese archives concerning student records. Bennett told Leona that the church was aware of all the crimes and the deaths of children but for that reason denied any public access to the evidence.

Bishop Bennett also disclosed to her that the Anglican, Catholic, and United churches had made an agreement with the Canadian government whereby the latter (*ie*, the taxpayers) would assume all of the financial liability for the residential school crimes, in return for which the churches promised to disclose all their evidence. But, to quote Bennett, “*We agreed among ourselves that we could never release certain kinds of information, even if it meant reneging on our promise and committing fraud on the Canadian people.*”

On May 31, 2014, Leona Moses died suddenly after her house and many of the G-12 documents she had copied was burned to the ground. On the same day, Adolfo Pachon, the head of the Jesuits and a co-defendant in the second case brought by the ITCCS, resigned his office and went into hiding.

According to Leona's relatives, the last person to see Leona alive just before her death was Bishop Bob Bennett. No cause of death was ever issued.

The Mush Hole excavation was of enormous significance in our campaign to prosecute and disestablish a genocidal Church and State. It really marked a turning point in our work; a shift to a new, international level.

Med Beds

H. Fri. 19 Dec. 2025 HOW MED BED HOSPITAL WORKS

MED BED HOSPITAL does not operate on chance or experimentation. Every patient enters a structured medical system, designed for precision, safety, and measurable outcomes.

The process begins with medical evaluation and assessment. Based on the patient's condition and recovery objectives, specialists determine which Med Bed is appropriate — because not all Med Beds serve the same function. With 30+ specialized Med Beds, treatments are never one-size-fits-all. Each unit is designed for a specific therapeutic role and operates as part of a coordinated medical protocol.

Every session is professionally supervised. A multidisciplinary team of doctors and specialists monitors the process, adjusts treatment paths, and ensures full medical oversight at every stage.

This is not isolated technology. It is a fully integrated hospital system — combining advanced Med Bed technology, medical expertise, and controlled clinical procedures. Precision. Structure. Medical oversight. That is how MED BED HOSPITAL operates.

I. Thurs. 19 Dec. 2025: MED BED ACTIVATION ALERT OVER-UNITY HEALING GRID LOCKED ...Med Bed Activation on Telegram

Global Med Bed deployment rollout now at 31.9 % — quantum replication surge confirmed across all Alliance nodes, pushing past linear projections into sustained exponential growth.

Exactly 18 days, 4 hours, and 11 minutes since the Med Bed Shotgun Authorization became irreversible. The final gate has slammed shut on the old paradigm. Regeneration protocols are now dominant planetary frequency.

In the last 20 hours:

- **400 Mark-IX units air-dropped under Space Force** medical air cover into cleared DUMB mega-centers beneath five major Western U.S. cities — immediate activation of crystalline healing chambers achieved.

- **Med Bed allocation trusts funded via direct QFS liquidity streams** for 180,000 new sovereign patient lists uploaded in overnight batches.

- **First full civilian rollout Phase 2 grid went live in 28 priority cities** with Andromeda Council plasma tech integrated at core level — 1:1 bio-resonance parity locked on all initial patients.

EXCLUSIVE LEAK — direct secure-channel quote from Reno primary node, White Hat bio-resonance team lead, 04:45 Zulu:

“**Convoy tracking batch RENO-4917** cleared final checkpoint. 67 Mark-VII units en route to Mountain West priority grid. DNA template restoration protocols pre-calibrated for age reversal to 25-year prime biology. Off-world replicator fleets in orbit just delivered raw plasma matrices — self-replication cycle now running at 400 % efficiency. NDA silence windows ending in 48 hours for all on-site personnel. Tell the people: the wait is over.”

Partial convoy tracking excerpt (redacted route fragment, Alliance eyes only):

- **Convoy RENO-4917 → Destination: Salt Lake City** mega-center (62 units)

- **Convoy ZURICH-8804 → Destination: Denver** staging hub (91 units)

- **Convoy ANTARCTIC-NEXUS-12 Destination: Phoenix** underground nexus (55 units)

- **Convoy TELAVIV-303 → Destination: Las Vegas** civilian grid (48 units)

These convoys are moving under total blackout. KM surveillance networks remain blind and neutralized.

The last avatar control layers over human biology have collapsed. Final DUMB clearances complete. Humanitarian healing wallets activated at scale. The healing of humanity is no longer a plan — it is the active reality.

The age of disease just ended. The age of regeneration has begun.

Tomorrow: First leaked appointment scheduling codes surface — prepare your contacts.

Secure healing floor out.

J. Fri. 12 Dec. 2025 Kaitlynn Hunter Update by her mother Jeannine:

Kaitlynn's 18th birthday is today 12-12-25 born Myrtle Beach, SC. I wanted to name her Heaven Leigh Hunter.

It should be a happy day, but it's very depressing. I have waited seven long years for this day. I know she has too. Being 18, she should be aged out of Foster Care, but there is no sign that she will be released.

She told me in August kids who age out are in jeopardy of jail over unpaid fines. She now has \$900 Unwarranted court fees because of this 7-years unconstitutional captivity! She has all these unwarranted juvenile charges. She even has a felony for punching a cop who grabbed her "Rocky" from behind, startling her.

She has had years of being on her own in constant fight or flight mode since she was 11 years old. She was put on house arrest with an ankle monitor, neglected and malnourished. She lost 60 lbs. while in Foster Care on year because they deliberately refused to feed her.

When she was arrested for running away from abusive situations in Foster Care including bleeding head concussions of which they refused to get her medical care, they walked her out barefoot in shorts and t-shirt. Everything you bought her is here.

It's killing me she's in danger of being abused, neglected, mentally neglected and denied her rights going on 7 years of unwarranted foster care prison.

I am on probation for hiding her out while we worked on her case. Because I am on probation, if I would be caught (my phone is wiretapped) I will go to jail.

A cop assaulting me for telling him to respect me in my home on a well check over homeschooling. I was doing home schooling in the best interest of Kaitlynn who had separation anxiety.

The CPS and cops have refused to let me speak in court, or show my lawful home school records. Those records were in my hand and was recorded on a copcam when they first took her at age 11. Kaitlynn and I have been retaliated witnesses to abusive foster care situations ever since.

- **Days:** 2,497
- **Hours:** 59,928
- **Minutes:** 3,595,680

I never stopped fighting for her! Every ounce of evidence and laws I ever put on the record was ignored!!!!!! Since 2020 she has reports of abuse and neglect in cps care but ignored.

And I get arrested for protecting her from the abuse, I can't rescue her????? I can't talk to her?? Send her money??

I filed 48 pages into all the courts yesterday 11-11-25, confirmed.
They need to drop the fraudulent warrant dated 8-26-25 given to me in jail room 47 the next day after I was arrested 8-25-25 no warrant, and let my daughter finally come home to peace, safety and comfort.

We need to get her the hell out of there and home where she belongs.

I know any blessings would make her day! This is her cashapp, she will get the money directly: \$KATHUNTER3

K. Remembering Lahaina Maui

The Deep State Cabal wanted to make the very valuable Native Hawaiian Capitol of Lahaina land into a SMART city, but the natives refused to sell this land of their forefathers. So on August 8, 2023 at 6:37 a.m Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina and Kula Maui to the ground.

The resulting fires were the most devastating mass casualty events in the Hawaii State history: 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/ unconfirmed deceased; 5,000+ people originally dislocated, 3,100 still displaced over two years later.

The Deep State Cabal Red Cross quit helping those victims over a year ago. The Democrat leadership of Hawaii has made it almost impossible for the native Hawaiians to rebuild on their own land.

Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers have been supplying three meals a day and support to their now over 3,100 still-displaced fellow victims.

L. Tim Ballard has worked undercover in the US and in multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children around the World through his Tim Ballard Foundation. Just as a film about Ballard's work, "**Sound of Freedom**," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife

and nine children continually support and pray for him. A new movie and book about his work was about to be released called ***Hidden War***.

Please support the rescue of children from sex slavery around the World through the Tim Ballard Foundation at: <https://tbrescue.org/donate-today>

M. Barbie and Ken vs. Goliath IRS

Ken Cromar is still in prison having been wrongly convicted of "cheating the IRS" and living in his fully owned home of 29 years. Ken and Barbie proved in federal tax court that they owed no monies to the IRS, but the federal government came after them anyway. The IRS made up an amount the Cromars "owed" and began charging high interest. The IRS then sold the Cromar home by auction and threw away all of their possessions into a land fill including all the computers, equipment, and film footage Ken used for his living. He was arrested by Biden's FBI in August 2023, and they have continued fighting for justice since that time. Your prayers are always welcome for them!

To write letters to Ken:

Paul K Cromar #13871-081
Federal Prison Camp/FCI Florence
P.O. Box 6000
Florence, CO 81226-6000
(Remember, all incoming mail to Ken is read by a prison staffer)

To give donations or write to Barbara:

The Cromars
P.O. Box 942
Pleasant Grove, UT 84062
(Please don't send checks written out to "Barbara Cromar" or "Ken Cromar". Checks can be written to "The Cromars", or you can send cash)

N. Santa's Tales of Jail is now available for your Christmas Shopping. This is not your typical Christmas story. "Bad Santa" is candid and defiant as he delivers a scathing indictment on our weaponized system of justice. Unfortunately, this isn't just "Santa's" story, it is a warning to every American: If they can do this to "Santa" and a sitting President of the United States, they can, and will, do it to you. <https://beforeitsnews.com/press-releases/2025/11/santas-tales-of-jail-is-available-for-christmas-3837125.html> or <https://www.amazon.com/dp/B0G43BFN1Q>
