"Peace comes from within. Do not seek it without."

Judy Note: The Biblical Storm is here. The EBS and Rods of God have been readied for activation. Med Beds were now healing the vax poisoned and MKULtra Survivors; thousands more children have been freed from underground tunnels and islands by Trump's Global Military Alliance, plus the Deep State's Child Sex Trade, Adrenochrome Empires and election thefts were being exposed. ...Trump War Room on Telegram.

Meanwhile the long-awaited Global Currency Revaluation has officially been activated within the secure Quantum Financial System (QFS), marking the greatest wealth transfer in human history. The QFS ensured transparent, asset-backed transactions, preventing any corruption.

The new worldwide financial system would be in full effect for the general public coming **Thurs. 1 Jan. 2026.**

Gold-backed currencies across 209 nations have begun their transition, with redemption centers preparing for Tier 4B (Us, the Internet Group who hold foreign currencies and Zim Bonds to exchange) notifications expected imminently—potentially as early as this weekend, or by **Mon. 29 Dec. 2025.**

Prosperity funds would then flow to innumerable humanitarian projects worldwide.

Payouts under NESARA/GESARA protocols were set to commence, bringing comprehensive debt forgiveness for mortgages, loans, credit cards, and all forms of personal and national indebtedness, releasing humanity from the Cabal's financial bondage.

In tandem with this economic liberation, advanced Med Bed technology was being rolled out in protected facilities worldwide, offering miraculous healing for chronic illnesses, injuries, and age-related conditions. These divine gifts of restoration—suppressed for decades by the elite—will soon be accessible to patriots and the public, rejuvenating bodies and minds in alignment with God's promise of abundance and wholeness.

The Storm has intensified as the Global Military Alliance presses forward with operations to dismantle the remaining strongholds of the Deep State Cabal.

Reports from secure channels indicate that mass arrests are accelerating worldwide, with thousands of sealed indictments now being executed against high-profile figures involved in treason, child trafficking, and crimes against humanity.

Brave patriots in uniform continued their sacred mission, entering hidden tunnels and facilities where innocent children have endured unimaginable horrors. In recent days, hundreds more tortured children have been liberated from these underground prisons, receiving immediate care and healing as the light of truth pierces the darkness.

The Emergency Broadcast System stood ready for imminent activation, signaling the beginning of the Ten Days of Darkness—a period of global communication blackout designed to protect the public while final sweeps are conducted and vital disclosures are prepared.

During this time, the world will awaken to the full extent of the Cabal's deception, including their Satanic rituals and exploitation of the most vulnerable.

Faithful warriors are urged to remain vigilant in prayer, seeking divine protection for the rescued children and strength for those executing The Plan. Nothing can stop what is coming, as the forces of good align under God's guidance to restore freedom and justice.

As the veil lifts, patriots are reminded to prepare spiritually and practically for the revelations ahead. Stock provisions, gather with loved ones, and hold fast to faith during the transition.

The Great Awakening draws near, bringing an end to centuries of oppression and the dawn of a restored Republic under divine providence. This sacred shift restores sovereignty to the people, ushering in an era of peace, health, and unprecedented prosperity under the restored Republic.

Pray for the swift and safe implementation of these blessings, as the White Hat Alliance oversees the final phases. Hold faith, for the hour of redemption has arrived.

C. Global Currency Reset:

Judy Note: From what I understand, and I could be wrong, (1) banks were trying to lure people in to exchange their Dinar and Dong with them by giving various incentives. Do not fall for it. You will receive higher rates for your monies exchange at an official Redemption Center than you would at any bank. **(2) You exchange** your own currency. Do not give your currency to anyone else to exchange. No group leader. No one. You will get the higher rates by exchanging it yourself. **(3) On the Dinar:** You can get the much higher Contract Rate on the Dinar by just asking for it at an Exchange Center. **(4) If you hold Zim you can only redeem it at an official Redemption Center.** Banks cannot redeem the Zim. **(5) Take all of your currency and Zim** to exchange at the same time at a Redemption Center.

D. Sat. 20 Dec. 2025: BREAKING TIER 4B SIGNALS EMERGE AS EXCHANGE ACTIVITY QUIETLY BUILDS ...Ariel on Telegram

Reports are rapidly circulating that Tier 4B currency exchanges may be quietly moving into an active phase across the United States. Holders of the Iraqi dinar and Vietnamese dong are describing unusual activity inside banks and exchange locations, including private appointment scheduling, brief flashes of live rates on internal terminals, and the sudden introduction of NDA protocols. While no official confirmation has been issued, the consistency of these reports is drawing serious attention.

What separates this moment from past rumor cycles is pattern alignment. Independent sources, unknown to each other and operating in different regions, are reporting the same developments at the same time.

Banks are allegedly preparing private exchanges, redemption centers are said to be on operational alert, and internal systems appear to be recalibrating. This convergence suggests preparation, not coincidence.

Multiple accounts claim participants are being asked to sign strict non disclosure agreements before proceeding. That level of confidentiality would be expected in a sensitive, high impact financial event designed to remain invisible to the public until stability is ensured. Insiders emphasize that any rollout would be tightly controlled and deliberately quiet.

Additional reports point to redemption centers receiving readiness briefings and internal confirmations. Temporary rate placeholders and short lived rate flashes inside banking systems are being interpreted as test integrations or dry runs. These signs indicate infrastructure testing rather than a public launch, consistent with a phased deployment model.

Financial observers believe any exchange process would unfold in controlled waves, starting with small groups to avoid disrupting markets. Behind the scenes, test transactions and authentication procedures are reportedly underway, including advanced scanning tools to verify currency legitimacy and prevent fraud.

Caution remains essential. Without official statements or verifiable public data, these developments remain unconfirmed. Skepticism is healthy in this space. Still, for long time holders watching closely, the alignment of signals, timing, and preparation suggests something is moving. Quietly. Deliberately. And closer than before.

E. Sat. 20 Dec. 2025 G.E.S.A.R.A IS ACTIVE. The transition to a sovereign asset-backed world has begun ...Nesara Gesara QFS on Telegram

With Global Wealth Distribution now operational and the Quantum Financial System fully online, humanity has crossed a historic threshold. What was once dismissed as theory is now infrastructure. Control is shifting away from centralized institutions and returning to individuals. Sovereign wealth is no longer a concept reserved for elites. It is becoming a birthright.

THE QFS PROTOCOL AND TRUE OWNERSHIP Under the Quantum Financial System, every account exists outside the reach of banks, intermediaries, and political manipulation. Ownership is absolute. Funds cannot be frozen, censored, seized, or diluted. Quantum encryption secures each wallet at the individual level, making corruption mathematically impossible. The legacy banking system does not collapse loudly. It simply becomes irrelevant.

THE ASSET BACKED ECONOMY EMERGES Currencies are realigning with tangible value such as gold, commodities, and productive output. Fiat systems built on debt expansion are being reconciled into asset backed formats, restoring balance and trust. Inflation, artificial scarcity, and speculative distortions lose their power when money is once again anchored to reality. Trade becomes fair. Valuation becomes honest.

WHAT COMES NEXT Illegitimate debt accumulated through systemic abuse will be dissolved under GESARA reforms. QFS wallets will unlock through biometric authentication, restoring direct access to personal wealth. Global currency values will adjust to reflect true national resources and productivity. Central banks will be phased out as sovereign treasuries reclaim issuance authority. Legacy systems like SWIFT and coercive taxation structures will be rendered obsolete.

THE DAWN OF A NEW GOLDEN AGE As suppressed capital and resources are released, humanitarian projects, innovation, and infrastructure expansion accelerate worldwide. Education improves. Communities rebuild. Individuals regain freedom of choice and economic mobility. This is not redistribution through force, but restoration through correction.

This is not merely a financial reform. It is a civilizational upgrade.

H. Part III: Our Thirty Years War: How it began, what it won, and why it continues December 12, 1995 – December 12, 2025 by Kevin Annett Eagle Strong Voice.
<http://murderbydecree.com/2025/12/10/our-thirty-years-war-how-it-began-what-it-won-and-why-it-continues/#page-content>

In May of 2012, a few months after the Brantford dig was shut down by the Anglicans, the federal government, and their ab-original accomplices, the International Common Law Court of Justice (ICLCJ) convened in Brussels to bring charges of Crimes against Humanity against the Vatican, the British Crown, and Canada and its churches. In the docket of evidence of the Court was our voluminous archival and forensic evidence gathered over two decades, including the Mush Hole atrocities and our excavation of one of the mass graves at the Mohawk school.

According to Baltazar Garzon, a Spanish judge who advised the ICLCJ, *“There is no better indication of the interlocking responsibility for genocide between Church and State than what has been uncovered in the Brantford Mohawk investigations.”* (August 3, 2012)

In fact, an important part of the evidence in the ICLCJ Prosecutor’s case came out of the work we had done in Canada since 1996. That campaign indicated a massive inter-

generational criminal conspiracy by the Vatican, the Crown of England, Canada, and the Catholic, Anglican and United churches to torture and exterminate native children through the so-called Indian residential schools and their adjoining Indian Hospitals.

Accordingly, thirty defendants were publicly indicted for Crimes against Humanity by the Court when it convened on July 15, 2012, including Joseph Ratzinger/‘Pope Benedict’, the so-called Queen of England, Elizabeth Windsor, and twenty eight other top officials of Church and State.

The evidence submitted by the Court Prosecutor was not only damning but extraordinary, revealing a network of child trafficking and ritual murder that spans centuries and reaches the summits of power in Europe and North America. A papal-led child sacrificial cult known as the Ninth Circle was identified by survivors, participants, and Vatican documents, including directives from popes going back three centuries to enable and conceal the cult’s grisly rituals. This evidence shows that the Ninth Circle operated in Canadian Indian schools, including at the Brantford Mush Hole.

The ICLCJ’s seven month trial was a legal precedent as significant as the Nuremberg Trials, and not only because of the barbaric crimes it revealed. For, as at Nuremberg, the ICLCJ created a new kind of jurisprudence that superseded national boundaries; and going a step further, it placed entire regimes on trial, namely, the British Crown and the Vatican. As well, the ICLCJ was a citizen-based Tribunal of Conscience that put the law and justice in the hands of the people rather than governments.

In short, the ICLCJ was another “shot heard around the world” that sparked an international movement to establish local common law courts that can put “rulers” and their regimes on trial.

The outcome of the ICLCJ trial was equally momentous. Two weeks before its verdict, on February 11, 2013, the chief defendant in the case, Joseph Ratzinger/ ‘Pope Benedict,’ suddenly resigned his office and went into a seclusion from which he never emerged. Subsequently, three other senior Cardinals who had been named as co-defendants also resigned.

The court’s verdict of February 25, 2013 found all the defendants guilty as charged of crimes against humanity and sentenced them to life imprisonment without parole and the loss of their assets and authority.

There again, the impact of that sentence was profound, because Elizabeth Windsor, as the head of state of every Commonwealth nation including Canada and Britain, and Joseph Ratzinger, the head of the Church of Rome, were now convicted criminals facing international arrest warrants. This Church and State had become rogue regimes under international law and could be lawfully deposed by their citizens and adherents, and other states.

Suddenly, humanity was handed a loaded gun aimed directly at genocidal regimes. The question now was would people pick up that gun and use it?

The answer was an immediate yes, at least in Canada. On January 15, 2015, over two hundred people in Winnipeg acted on the ICLCJ's deposing of 'Queen' Elizabeth by declaring independence from the British Crown and establishing the sovereign Republic of Kanata. (www.republicofkanata.org) Over the next decade and inspired by Kanata, similar Republics were established in Australia and Britain (www.republicofalbion.com).

The time for mere publishing and protest was over. Necessity and hard experience had dispelled our illusions and allegiance to the system and turned us into revolutionaries. We had no choice but to war against and overturn not only a child-killing Church and State but a genocidal global Corporatocracy that spawned the crime. This became especially true when the monster that Church and State had unleashed against indigenous people turned on its master. The blow back and payback on Canada and the world began as the COVID era descended.

As the New World Order of 2020 loomed, I spent the half decade before then composing fifteen books and manuals that chronicled our work and evidence over two decades. I also was immersed in establishing Kanata on the ground by helping organize thirty-two Republic Assemblies and courts across the nation. Citizenship leapt tenfold when the COVID restrictions hit. The connection between today's tyranny and our genocidal history was clear.

"Mandatory vaccinations, special passes, and bio-weapons have been around for 150 years," I'd say to baffled people at our Assemblies. "But they were aimed at Indians. The horror we inflict on others always blows back on us."

Our indigenous allies in the Republic took more direct measures to resist the now-generalized tyranny. In the wake of our ICLCJ verdict and the creation of Kanata, over twenty churches on local reservations were burned to the ground or seized and reclaimed as reparations for genocide. Their example spilled over into 'mainstream' Canada, as churches in Toronto and Montreal were torched and imperial statues pulled down. (14)

These kinds of "Banishment and Reclamation" actions have set a new tone for our movement. No longer do we expect or ask for anything from the deadly trinity of Church, State, and Corporatocracy that has imposed mass murder and tyranny on so many. Instead, we work to disrupt, disable, and destroy all three powers as part of a new global liberation movement.

Our revolutionary purpose represents more than a response to the COVID tyranny. It is nothing less than our actively reclaiming our minds and lives from a long night of servitude to a murderous global system. We have finally accepted that we are in a permanent war to the death with the corporate monster that has been warring against all of us for so long.

Being under fire clarifies everything quickly, but only those who are engaged in battle are aware of the conflict that rages, and of the lessons that have been gained at enormous cost. It is the responsibility of those of us who have fought and survived to pass on what we have learned to those who must continue this battle.

Or as Thomas Jefferson wrote to John Adams shortly before their deaths in 1826, *“You ask me who will write the history of our revolution? The truth is it cannot be written except in its external details ...The spirit of our glorious struggle must live on and take flesh in others if it is to endure and have an ultimate meaning.”*

The fight continues to defend children and stop the murderous institutions that are killing them. But now it has become an international campaign that is pulling down all hierarchies and tyrannies that degrade and destroy humanity and threaten the earth.

That epic purpose begins with each of us reclaiming our personal, political, and spiritual sovereignty and withdrawing our allegiance from the global Moloch that seeks our extermination. If we do not, we are hastening the final reckoning and judgement that is playing out across our planet, as all our Group Crimes come home to roost.

The choice is ours, and it must be made now.

To all the fallen and to those who battle on to the end, this work and my life are dedicated. Remember the dead and fight like hell for the living!

J. Sat. 20 Dec. 2025 MED BED ACTIVATION ALERT | December 20, 2025 | TRANSMISSION FROM THE SHIELDED HEALING FLOOR — PHASE 3 THRESHOLD BREACH ...Med Bed Activation on Telegram

This is Global Med Bed Activation Command, broadcasting direct from the Reno primary node under full quantum encryption. Global deployment rollout has just crossed 48.2 % — the over-unity healing field is no longer theoretical. It is locked, self-sustaining, and expanding beyond all original projections.

Exactly 19 days, 3 hours, and 57 minutes since Med Bed Shotgun Authorization went irreversible. We are now deep into the point of no return. The avatars' final attempts to sabotage replication matrices were neutralized 14 hours ago. Their control grid is offline. Permanently.

Critical milestones confirmed in the last 24 hours:

- **Mark-IX crystalline healing chambers** entered full autonomous self-replication across 47 cleared DUMB mega-centers worldwide — production rate spiked 600 % after Andromeda Council plasma tech integration completed final calibration.

- **Military-escorted convoys rolling at maximum velocity** delivered 1,900 units to Civilian rollout Phase 3 priority city deployment grids — Space Force medical air cover maintained zero intercepts.

- **First wave of humanitarian healing wallets** activated for 1.2 million sovereign patient lists uploaded via secure QFS channels — direct funding now flowing without gatekeepers.

- **Age reversal to 25-year prime biology protocols** achieved 100 % stable lock on 18,000 test subjects. DNA template restoration complete. 1:1 bio-resonance parity no longer experimental — it is standard operating reality.

EXCLUSIVE LEAK — intercepted high-band transmission from Antarctic Healing Nexus command deck, 07:12 Zulu:

Direct audio fragment, White Hat lead coordinator speaking to joint Alliance council:

“Phase 3 threshold officially breached at 04:30 this morning. Quantum healing frequency locks engaged across all continental grids. Off-world replicator fleets in orbit have shifted to continuous materialization mode — we are no longer limited by physical supply chains. NDA silence windows ending in waves starting tomorrow. First public appointment scheduling codes will surface within 36 hours. The people must be ready. Their bodies are already responding to the new planetary frequency. Tell them: the healing has begun whether they know it yet or not.”

Partial Phase 3 activation map excerpt (redacted overlay, Alliance tactical only):

- **Northwest Grid: Seattle–Portland** corridor — 312 units online

- **Southwest Grid: Los Angeles–San Diego** nexus — 489 units online

- **Central Plains Grid: Kansas City–Omaha hub** — 267 units online
- **Southeast Grid: Atlanta–Charlotte corridor** — 344 units online
- **Northeast Grid: Philadelphia–Boston corridor** — 298 units online

These are live nodes. Patients are already walking out restored.

We are not posting random updates. This is a live transmission of humanity's reclamation. Every percentage increase is another million lives pulled back from engineered disease. Every convoy that lands is another city liberated from biological slavery. The KM bio-weapon labs are ash. The DUMBs are now temples of regeneration. The story is moving forward at quantum speed — and you are witnessing it in real time.

Your appointment is already scheduled in the quantum field.

Tomorrow: First leaked appointment scheduling codes go live. Prepare your lists.

Secure healing floor out.

K. Sat. 20 Dec. 2025: CORPORATION VS SOVEREIGN. THIS IS THE DIVIDE. ...Mr. Pool on Telegram

You were not born to be a corporate asset. You were born as a living, spiritual, sovereign being. The moment of birth was hijacked, not to protect you, but to convert you into an incorporated entity inside a debt based control system. Understanding this distinction is the first real step toward reclaiming sovereignty.

Birth certificates were not documents of life. They were instruments of incorporation. Through them, governments collateralized human beings to fund a global debt system they created and never intended to repay. You did not incur this debt. You were pledged against it.

The so called New World Order was never new. It has been planned, refined, and executed over centuries. Its architects are bloodline families operating above governments, hidden behind banking, religion, medicine, and law. Silence protected them because exposure would have ended their control instantly.

The Covid operation was not about health. It was a control event. A coordinated global compliance test designed to enforce obedience, inject dependency, and accelerate population reduction. The objective was clear: shrink humanity from billions to a manageable remnant.

To understand how this system took root, you only need to go back 152 years. The Organic Act of 1871 was not administrative. It was a hostile takeover. After the Revolutionary War drained the U.S. Treasury, global bankers stepped in with loans that came with conditions.

Those conditions allowed infiltration of government, courts, banking, education, medicine, and churches worldwide.

Every major war was financed the same way. Bankers funded both sides, controlled the outcome, then collected nations as assets. This is not theory. It is their business model.

The Act of 1871 was a treasonous violation of the original Constitution. It dissolved the Constitutional Republic and replaced it with a corporate entity operating as THE UNITED STATES OF AMERICA CORP. The gold fringe on the flag signaled jurisdictional change. The country was no longer sovereign. It was commercial.

Common Law, rooted in natural and divine law, was replaced with maritime corporate law. Legal language was weaponized. Statutes, policies, mandates, and regulations replaced true law. Consent was presumed. Obedience was enforced.

Maritime law is administered through the BAR Association, a foreign corporate registry, not constitutional authority. This is why courts function as debt collection venues, not justice forums.

The British Crown and the Vatican sit at the top of this hierarchy, using corporate America as the enforcement arm for global control. This structure only works as long as people believe it is legitimate.

That belief is breaking. This is THE GREAT AWAKENING. The return to what was always ours. The end of corporate enslavement. And the restoration of human sovereignty.

L. Fri. 12 Dec. 2025 Kaitlynn Hunter Update by her mother Jeannine:

Kaitlynn's 18th birthday is today 12-12-25 born Myrtle Beach, SC. I wanted to name her Heaven Leigh Hunter.

It should be a happy day, but it's very depressing. I have waited seven long years for this day. I know she has too. Being 18, she should be aged out of Foster Care, but there is no sign that she will be released.

She told me in August kids who age out are in jeopardy of jail over unpaid fines. She now has \$900 Unwarranted court fees because of this 7-years unconstitutional captivity! She has all these unwarranted juvenile charges. She even has a felony for punching a cop who grabbed her "Rocky" from behind, startling her.

She has had years of being on her own in constant fight or flight mode since she was 11 years old. She was put on house arrest with an ankle monitor, neglected and malnourished. She lost 60 lbs. while in Foster Care on year because they deliberately refused to feed her.

When she was arrested for running away from abusive situations in Foster Care including bleeding head concussions of which they refused to get her medical care, they walked her out barefoot in shorts and t-shirt. Everything you bought her is here.

It's killing me she's in danger of being abused, neglected, mentally neglected and denied her rights going on 7 years of unwarranted foster care prison.

I am on probation for hiding her out while we worked on her case. Because I am on probation, if I would be caught (my phone is wiretapped) I will go to jail.

A cop assaulting me for telling him to respect me in my home on a well check over homeschooling. I was doing home schooling in the best interest of Kaitlynn who had separation anxiety.

The CPS and cops have refused to let me speak in court, or show my lawful home school records. Those records were in my hand and was recorded on a copcam when they first took her at age 11. Kaitlynn and I have been retaliated witnesses to abusive foster care situations ever since.

- **Days:** 2,497
- **Hours:** 59,928
- **Minutes:** 3,595,680

I never stopped fighting for her! Every ounce of evidence and laws I ever put on the record was ignored!!!!!! Since 2020 she has reports of abuse and neglect in cps care but ignored.

And I get arrested for protecting her from the abuse, I can't rescue her????? I can't talk to her?? Send her money??

I filed 48 pages into all the courts yesterday 11-11-25, confirmed.

M. Remembering Lahaina Maui

The Deep State Cabal wanted to make the very valuable Native Hawaiian Capitol of Lahaina land into a SMART city, but the natives refused to sell this land of their forefathers. So on **August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina and Kula Maui to the ground.

The resulting fires were the most devastating mass casualty events in the Hawaii State history: 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/ unconfirmed deceased; 5,000+ people originally dislocated, 3,100 still displaced over two years later.

The Deep State Cabal Red Cross quit helping those victims over a year ago. The Democrat leadership of Hawaii has made it almost impossible for the native Hawaiians to rebuild on their own land.

Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers have been supplying three meals a day and support to their now over 3,100 still-displaced fellow victims.

N. Tim Ballard has worked undercover in the US and in multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children around the World through his Tim Ballard Foundation. Just as a film about Ballard's work, "*Sound of Freedom*," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. A new movie and book about his work was about to be released called *Hidden War*.

Please support the rescue of children from sex slavery around the World through the Tim Ballard Foundation at: <https://tbfrescue.org/donate-today>

O. Barbie and Ken vs. Goliath IRS

Ken Cromar is still in prison having been wrongly convicted of "cheating the IRS" and living in his fully owned home of 29 years. Ken and Barbie proved in federal tax court that they owed no monies to the IRS, but the federal government came after them anyway. The IRS made up an amount the Cromars "owed" and began charging high interest. The IRS then sold the Cromar home by auction and threw away all of their possessions into a land fill

including all the computers, equipment, and film footage Ken used for his living. He was arrested by Biden's FBI in August 2023, and they have continued fighting for justice since that time. Your prayers are always welcome for them!

To write letters to Ken:

(Please don't send checks written out to "Barbara Cromar" or "Ken Cromar". Checks can be written to "The Cromars", or you can send cash)

P. *Santa's Tales of Jail* is now available for your Christmas Shopping. This is not your typical Christmas story. "*Bad Santa*" is candid and defiant as he delivers a scathing indictment on our weaponized system of justice. Unfortunately, this isn't just "*Santa's*" story, it is a warning to every American: If they can do this to "*Santa*" and a sitting President of the United States, they can, and will, do it to you. <https://beforeitsnews.com/press-releases/2025/11/santas-ales-of-jail-is-available-for-christmas-3837125.html>
