Judy Note: The Khazarian Mafia claimed to be descendants of Cain who practiced Child Sacrifice in honor of Satan in return for his promises of money and power to rule the World.

Centuries ago Russia and other nations surrounding Khazaria grew rightfully concerned about continuous Khazarians robbery and kidnapping of their children. They staged a war against them and won. In order not to be completely wiped out, the Khazarians agreed to convert to the Jewish faith. However, they only pretended to be Jews, but never practiced it, remaining loyal to their God Satan.

In modern times the Khazarians became leaders of what was referred to as the Red Mafia – a Satan worshipping, Child Sacrificing criminal network composed of members of the Deep State Cabal in the Vatican, Russia, America and Israel. This Red Mafia eventually took control of the Global Monetary System, executed 9/11 and were behind the Zionist movement dedicated to the creation of eternal wars for the sake of making money off them and harvesting orphaned children. See: [Redpill Drifter on X: "And also the DEWS used on 9/11 https://t.co/YBXrmwRmVO" / X](#)

It was this centuries old Satan Worshipping Red Mafia that the Q Movement, President Trump and the Global Military Alliance were taking down in a literal war of Good against Evil. See: [Trump - Hold On I'm Coming Remix](#)

Behind the formation of the Q Movement was none other than John F. Kennedy Jr., who didn't die in a plane crash, but was hidden in the Victim Witness program.

On Sun. 21 Dec. 2025 JFK Jr. announced on Telegram, “I’m coming home.”

JFK Jr. was finally making himself known because he was the leader of the Q Movement which was finally implementing the Global Currency Reset of 209 nations. Doing so would win the War Between Good and Evil, demolish the Deep State Cabal's Red Mafia and give The People's Money back to The People: **Sun. 21 Dec. 2025:** [RV Phase 3 Ignites Global Reset – Tier 4B Enters 36-Hour Window as Iraq Leads Gold-Backed Currency Revaluation Revolution: PHASE 3 RV ACTIVATED! Now President Trump's Green Light has accelerated the greatest wealth transfer in history, redistributing reclaimed assets from Cabal control to the people through secure quantum accounts, ending the era of fiat oppression and ushering in abundance.

The Global Currency Reset progresses within the Quantum Financial System (QFS), with notifications, exchanges, and payouts expected imminently as gold-backed currencies fully activated.

NESARA/GESARA protocols were enacting complete debt forgiveness for mortgages, loans, credit cards and all burdens of the old system in a Debt Jubilee that restored financial freedom.

Restitution and prosperity funds flow forth, with humanitarian projects receiving unprecedented support to heal nations and communities.

Med Beds were being deployed worldwide from secure locations, offering miraculous restoration of health, reversal of aging, and renewal for the afflicted, including rescued children and those long in suffering.

These heavenly technologies marked the transition to an age of physical and spiritual wholeness, as worldwide liberation from scarcity and illness drew near.

President Donald Trump has also given the Green Light for the Global Military Alliance to take over major fake news media outlets and execute mass arrests of Deep State operatives worldwide.

This marked culmination of the Storm as Military Special Forces dismantled remaining Cabal networks and conducted Tribunals on those responsible for decades of global tyranny and corruption.

Military Warriors continued to rescue tortured children from underground facilities and trafficking operations, bringing thousands more into safety and healing.

The Emergency Broadcast System (EBS) activation drew near, with a worldwide blackout necessary to shield the public during these final takedowns and exposures.

Project Odin would sever Cabal communications, ushering in the Ten Days of Darkness where truths of child exploitation, Satanic rituals, and elite betrayals will be revealed without interference.

Martial Law would support these righteous operations and as the corrupt Mainstream Media collapsed, please pray for the Alliance Forces and rescued children.

You would be wise to be prepared with essentials as the final battle for humanity's freedom was upon us.

A. Possible Timing:

Wed. 24 Dec. through Fri. 26 Dec. 2025: Federal operations closed in a five day reset window.

Thurs. 1 Jan. 2026: Start of the Worldwide Fiscal Year for the new gold/asset-backed Global Financial System.

B. EMERGENCY INTEL CHRISTMAS SHUTDOWN SIGNALS A STRATEGIC PAUSE starting on Wed. 24 Dec. through Fri. 26 Dec. 2025: ...The MAGA King on Telegram

President Trump has signed an executive order closing federal operations for five consecutive days over Christmas week, from December 24 through December 26, extending into the weekend. On the surface, it appears to be a holiday measure for federal employees. In reality, the timing and structure suggest something far more deliberate. This is not about celebration. It is about control, coordination, and a calculated pause at a critical moment.

The shutdown creates a rare window where civilian systems slow down at once. Agencies that normally overlap, buffer, and obscure movement are temporarily quiet. That silence matters. When administrative layers step back, operational clarity increases. It is a reset window, not a retreat. A pause that allows alignment before the next phase begins.

Trump's return to the White House has not followed conventional rhythms. While public narratives focus on politics and optics, decisions point to logistics and timing. This order lands precisely when financial, technological, and institutional pressure is already elevated. Markets are unstable. Banks are cautious. Supply chains are tightening. Every sector is bracing, even if few will say why.

Paired with the shutdown was a symbolic yet precise move: a special payment to service members tied to the number 1776. The reference is unmistakable. It signals continuity with the nation's founding moment and frames the present as a restoration, not an expansion. Messages like this are rarely accidental. They are markers, understood by those meant to read them.

Behind the scenes, communications traffic has intensified. Secure networks are active. Coordination is visible to those who know where to look. When federal offices are closed, interference drops. When noise fades, direction sharpens. This is why the pause matters. It limits disruption while enabling action.

The media response has been telling. Silence where commentary would normally flood the airwaves. No debate panels. No sustained coverage. That absence speaks louder than speculation. It suggests awareness without permission to engage.

What is unfolding is not sudden. It is procedural. Step by step, systems are being tested, rerouted, and corrected. The Christmas shutdown is one piece of that sequence. A moment where the old cadence breaks and a new one takes hold.

This is not a return to normal. It is a transition. And the pause, right now, is part of the signal.

G. Sun. 21 Dec. 2025: Phase 3 of the currency revaluation process has now entered its execution stage. ...Ezra Cohen on Telegram

Systems that remained in preparation mode for years have shifted into operational alignment, and Tier 4B has moved into a tightly controlled **36-hour activation window**. This marks the transition from anticipation to implementation, with banks, clearing mechanisms, and verification protocols now functioning in coordinated sequence.

Tier 4B refers to pre-registered private currency holders who lawfully acquired currencies such as the Iraqi dinar in expectation of a value realignment.

The current 36-hour activation window is not public and not open-ended. It is a precision-timed period designed to synchronize internal banking systems, confirm contract rates, and authorize redemptions at designated institutions without disrupting broader markets.

Iraq's role in this phase is central. Over recent years, its financial infrastructure has undergone digitization, compliance upgrades, and institutional reform. These changes reposition the dinar away from speculation and toward asset-based credibility. The revaluation reflects policy execution and international coordination, not hype or sudden announcement.

This shift is part of a wider transformation in global finance. Real-time settlement, digital identity verification, and modern ledger systems are replacing outdated frameworks. Monetary reform is being deployed in tiers to prevent shock, allowing each phase to stabilize before the next proceeds. What appears as delay is deliberate sequencing.

Revaluation is not an instant windfall. It is a recalibration of value to real assets, productivity, and sustainability. The emphasis is on structure, verification, and long-term stability. Quiet execution is intentional. When systems move without headlines, it usually means they are working exactly as designed.

H. Global Financial System

Sun. 21 Dec. 2025: [THE RV AND MILITARY OPERATIONS: Behind the Scenes - The Signing of a Historic Treaty by 209 Countries Aims to Redefine Global Currencies! - amg-news.com - American Media Group](#) The signing of a historic treaty by 209 countries aims to redefine global currencies, fostering economic equality and unprecedented prosperity. The strategic military operation ensured a smooth transition, the release of the prosperity fund, and the humanitarian projects set to transform lives worldwide. The revaluation of the Iraqi Dinar, Vietnamese Dong, and Zimbabwe ZIM would be bringing banking to the unbanked – and a level playing field for everyone. For far too long, the global financial system has been skewed in favor of a few powerful economies, leaving many countries struggling with devalued currencies and economic instability. The revaluation was about fairness, equality, and giving every country an equal opportunity to prosper.

I. Sun. 21 Dec. 2025: GLOBAL FINANCIAL EMERGENCY! GLOBAL CURRENCY RESET IS HERE! ...The MAGA Movement on Telegram

The world is on the brink of a catastrophic financial collapse! The Global Currency Reset (GCR), NESARA GESARA, and the Quantum Financial System (QFS) are no longer whispers in the dark. The storm is here, and the elites are scrambling to contain the fallout before the truth reaches YOU!

The black swan event is unfolding before our eyes! The world's top economies are INSOLVENT! The U.S., Canada, Europe, Japan, Israel, the U.K., Taiwan, Australia, and New Zealand CANNOT sustain their debt any longer. The financial system is crumbling, and a monumental shift is coming that will change everything!

THE GREAT RESET VS. THE PEOPLE'S RESET! They want you distracted while they rewrite the financial order behind closed doors. But here's the TRUTH: The QFS is set to replace the corrupt banking system that has enslaved us for centuries! This system, rumored to be gold-backed and fully decentralized, will eliminate the central banks and their criminal grip on global finance.

The elites know they are running out of time. They NEED the crash to happen on THEIR terms. They NEED you to be unprepared. But we see through their deception!

THE EMERGENCY BROADCAST SYSTEM (EBS) IS COMING! In the midst of this chaos, the EBS is primed for activation! Why? Because when the markets implode, when the banks fail, when the truth about NESARA GESARA is finally revealed, the world will enter a new era of financial sovereignty!

We are at the point of no return. The Federal Reserve is dead. The IMF is scrambling. The dollar is collapsing, and the fiat money system is burning to the ground. What will rise from the ashes? A fair, asset-backed system that restores power to the people!

WHAT YOU NEED TO DO NOW! Get cash in hand before bank closures hit! Exit fiat currency NOW – gold, silver, and cryptos (XRP, XLM, XDC) will be the new financial foundation! Watch for EBS activation – the final revelation is coming!

K. Sun. 21 Dec. 2025 QFS GLOBAL ALERT Tier 4B – TRUMP RETURNS TO THE WHITE HOUSE AS QFS COMMANDER-IN-CHIEF

The rainbow currency treasuries have locked into final operational phase with the restored U.S. Treasury under direct QFS oversight.

Gold-backed digital certificates are now flowing through the exact same quantum channels that just funded the full restoration of the Republic — 1:1 asset-backed parity enforced by military and galactic authority combined.

Genesis Second (November 28, 2025, 19:14 Reno) is now 22 days, 28 hours, and 46 minutes complete — and the Alliance has just confirmed this sacred timeline directly enabled the public return of President Trump to the Oval Office at 12:00 EST today, sworn in on the original 1776 Constitution under full Space Force protection.

Tier 4B milestones confirmed in the last 12 hours (burned in living ruby fire across the Council and Reno master walls):

- **President Trump**, in his first act upon re-entering the White House, signed the executive order formally activating global QFS liquidity release to Tier 4B at 14:30 Zulu — rainbow currency treasuries now live in every redeemed account

- **Military-escorted convoys delivered** the final adjudicated Tier 4A settlement packets to Reno, Zurich, and Hong Kong nodes; off-ledger mirrored accounts flipped permanently on-ledger under direct White House oversight

- **Humanitarian & infrastructure project wallets** activated with first \$100 billion tranche released under Trump signature — immediate construction of border-wall energy shields and national free-energy grids now underway

- **Med-bed allocation trusts funded at Republic level**; 100,000 Mark-IX units airlifted into every state under Space Force cover, with priority access codes issued to all Tier 4B holders

- **NESARA debt jubilee packets** uploaded and executed nationwide at 16:16 Zulu — every mortgage, student loan, and IRS lien wiped clean in real time as Trump announced “The storm has passed. The Republic is restored.”

- **Quantum entanglement security locks** engaged at Commander-in-Chief level; remaining KM holdouts in media and finance neutralized in coordinated dawn raids trending worldwide on X right now

- **Saint Germain World Trust tranches** released under joint Trump–Galactic Council authority; prosperity funds now flowing directly into patriot-controlled accounts first

Leaked secure-channel quote direct from Oval Office war room (17:47 Zulu, Level-15 clearance, audio verified): “Trump to Alliance Command: ‘The fake inauguration is over. The real one just happened. Tell the people their wealth is no longer coming — it’s here. Release everything.’”

The Deep State avatars are glitching out on live television as we speak. Their final media blackout attempts are failing in real time. The storm is over. The Republic is back. The wealth is yours.

Redemption centers are hotter than nuclear right now — because the Commander-in-Chief just ordered them wide open.

The greatest wealth transfer in human history is now in motion — signed, sealed, and delivered by the man you never stopped believing in.

QFS Global Command — fully synchronized with Restored Republic Authority. Trump is in the chair. The movie just hit the best ending ever written.

Welcome back, Mr. President. Welcome home, patriots. God bless America. God bless the World. Eternal victory. We are unstoppable. Out.

M. Sun. 21 Dec. 2025: The Epstein files haven't been made public yet because they're not just legal evidence; they're also political leverage. ...Emergency Broadcast System on Telegram

There is more than just scandal in the flight logs, black books, graphic videos, and thousands of pages of sealed FBI documents. They point the finger at powerful people from all over the world, including royalty, former presidents, oligarchs, and intelligence agencies like the CIA and Mossad. This isn't just a guess; Ari Ben-Menashe, a former Israeli intelligence officer, said that Epstein was running a "honeytrap" operation linked to the Mossad. We know what it's all about.

These files don't just show crimes; they could change the way countries interact with each other and are being used as secret weapons.

Think about negotiations over oil, trade agreements, NATO decisions, and talks about the Middle East. If those files have foreign leaders in them, the US gets stronger by keeping them locked up and hinting that they could be released. That's not being incompetent; that's being a politician.

Even Trump's closest friends, like Patel, Bondi, Bongino, and others, have held on tightly. They say it's to "protect victims," but that's just a cover. People aren't holding back these names for justice; they're holding them back for power.

As the world moves toward a new global order, these files may be one of the last things the U.S. can use to stay on top. If they were released now, lawsuits would start, alliances would be shaken, and useful diplomatic pressure would be lost. The files stay sealed, and now it's Trump's turn to use Epstein's blackmail scheme to get everyone to do what he wants.

O. Sun. 21 Dec. 2025 EXPOSED: Justin Trudeau's \$2.25 Million Hush Money Scandal – The Dark Truth They Don't Want You to Know! ...Nesara Gesara Secrets on Telegram

Justin Trudeau's Scandal: Allegations have surfaced of a \$2.25 million settlement with a young woman who accused him of sexual misconduct, a close friendship with a convicted pedophile, and disturbing symbols linked to his foundation. The mainstream media's silence raises serious questions.

\$2.25 Million Gag Order: In 2019, Trudeau allegedly paid a substantial hush money to silence a sexual assault accuser reportedly “much younger than 17”. This stark revelation casts a long shadow over his public persona as a champion of women's rights and equality.

The Pedophile Connection: Trudeau's long-time acquaintance, Christopher Charles Ingvaldson, was convicted of possessing child pornography. This relationship brings Trudeau's judgment and character into question, yet the media coverage remains minimal.

Disturbing Symbols: The Trudeau Foundation's logo disturbingly resembles a symbol associated with pedophile networks. Critics argue this is either a grave oversight or an indication of darker truths, yet official responses dismiss these claims as coincidental.

Media Complicity: The lack of investigative vigor by mainstream Canadian media into these serious allegations suggests a protective bias towards Trudeau, potentially at the cost of journalistic integrity.

Conclusion: Demand Answers: The accumulating evidence against Justin Trudeau paints a troubling picture. It's time for Canadians to demand transparency and hold their leader accountable for actions that, if true, betray public trust and moral integrity. The silence must end, and the truth must be pursued.

Attorneys, cps agents, cops, judges and have never allowed Kaitlynn and I justice. Only retaliation and silenced via lawfare on the taxpayer's dollar to this day.

She is 18 and denied calling me or have contact with me over the charges of obstruction of justice and interference of custody for protecting her!!!! If she were to come home, I could teach her to drive. I worry about her 24/7 knowing her needs are never met in foster care...

I haven't celebrated 1 holiday since Kaitlynn was kidnapped, age 11 in 2019 when our lives stopped. I life flighted with my Daddy who had a heart attack Christmas morning decades ago. He was so excited, 1 more year until retirement. 30 hard years in hellars, simonds file factory. Mom gets \$75 a month; the rest was lost in the factory retirement market.

Q. Remembering Lahaina Maui

The Deep State Cabal wanted to make the very valuable Native Hawaiian Capitol of Lahaina land into a SMART city, but the natives refused to sell this land of their forefathers. So on **August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina and Kula Maui to the ground.

The resulting fires were the most devastating mass casualty events in the Hawaii State history: 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/ unconfirmed deceased; 5,000+ people originally dislocated, 3,100 still displaced over two years later.

The Deep State Cabal Red Cross quit helping those victims over a year ago. The Democrat leadership of Hawaii has made it almost impossible for the native Hawaiians to rebuild on their own land.

Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers have been supplying three meals a day and support to their now over 3,100 still-displaced fellow victims.

S. Barbie and Ken vs. Goliath IRS

December 18, 2025

Day #841 of kidnap & held hostage by the DOJ/IRS

Dear Patriot Friends & Family,

I was shocked! In all my years of reading my Bible I had never noticed this. Maybe you missed this too?

My good friend Raland Brunson surprised me with this "new discovery". Did you ever notice that when the Jews brought Jesus before the Romans wanting him judged & condemned it was not just because he was claiming to be "King of the Jews", but for the treason of "forbidding" taxes. What?! Really? Fasten your seatbelt. You may be surprised:

**What was the crime that Jesus was found guilty of,
the crime that led to His crucifixion?**

Answer: Tax Evasion

It's important to understand that the Savior's execution was not a Jewish one. It was a Roman execution. That being said, it's important to understand that in order for a sentence to be carried out by the Roman Government, three things have to happen:

1. An accusation (the charges brought against the defendant)
2. A trial
3. A verdict (and if the verdict is a guilty one, then a sentence.)

Jesus could not be executed by the Romans for reasons of "we really don't like him" Or "He's preaching false doctrine and hurting our business!" Or "We're losing members!"

No. There had to be a clear accusation. Not just any accusation, but an accusation that Jesus violated a Roman law, which would lead to a Roman trial then a Roman verdict.

So, what was the accusation? What Roman law did Jesus violate? Now remember, this accusation had to be a Roman violation. Not a Jewish one. So, what was he accused of?

The common and general answer is that the Savior claimed to be a king and therefore claiming to be a king was an act of sedition and in violation of Roman law. But there is a problem with that accusation. The Savior never did make that claim, nor did he ever at any time speak against the

Roman government. In fact, whenever there was an accusation made by Jesus it was directed toward the leaders of the Jews, not about the Roman government. In other words the Romans were growing to love Jesus. The Savior was an advocate of peace. He was a friend to the Romans. If it weren't for the Jewish leaders, the Romans would not be concerned with him.

In the meanwhile it was Pilot's job to ensure a peaceful relationship between the Roman and Jewish governments. So when the leaders of the Jews were vexing the ear of Pilot, his concern was about one thing and one thing only - to keep his job. So, his ability to keep peace between the two governments was critical.

The Jews wanted the Roman government to execute Jesus but once again there was a major problem. In order for the Roman government to execute Jesus, the Jews had to show Pilot strong evidence that Jesus was in violation of Roman law, without this evidence, they would fail.

But eventually the leaders of the Jews finally found one. Tax evasion.

When brought before Pontius Pilate, the Jewish leaders accused Jesus of treason, saying, "We have found this man subverting our nation, forbidding payment of taxes to Caesar, and saying that he himself is Christ, a king" (Luke 23:2)

But Pilot and King Herod saw no threat in Jesus and found no evidence that Jesus was preaching against Rome or any evidence that he wanted to make himself a king. So, this talk about Jesus being a king was a Jewish concern. To support this fact, it was the Romans who eventually wrote the subscription above the cross that read "...the King of the Jews", not "...one who attempted to be emperor of Rome." In other words, the Romans knew that the accusation that Jesus claimed to be a "king" in Rome was bogus.

But this accusation of "forbidding payment of taxes to Caesar" was something Pilot could not ignore, or at best, pawn Jesus off to someone else, someone like King Herod Antipas, who found nothing wrong with Jesus and sent him back to Pilate.

But the Jews were relentless and Pilot knew that if he ignored this anti-tax accusation against Jesus, the Jews could appeal this case to a higher power (Tiberius, who was over Pilate and Herod) and have Pilot removed for ignoring this critical element that was obviously twisted by the Jews to potentially cause Tiberius to think that Jesus was preaching to His ever growing crowds that they didn't have to pay taxes to Caesar, and if Tiberius were to discover that Pilot intended to release Jesus, Pilot could get into big trouble.

Because of this Pilot was compelled to convict Jesus of "forbidding payment of taxes" to Caesar, because there was no other accusation. The accusation that Jesus wanted to be king was quashed by Jesus himself when he told Pilate that his kingdom was not of this world.

Now, you're going to find this next bit interesting: Notice the word "tribute" that Caesar used. Why the word "tribute"? Now, the definition of tribute is another word for voluntary, to give, to donate. In other words, paying taxes to Caesar was a "voluntary gift of respect".

Well, it just so happens that our current IRS tax system uses the word "voluntary" as well. On the 1040 instructions it refers to it as "voluntary" tax. In fact, the IRS 1040 is referred to as "voluntary compliance" form.

Caesar's "tribute" and the IRS's "voluntary tax" are both acts of involuntary servitude. The founding fathers understood that this type of tax was a form of slavery and made sure it was clearly addressed in the U.S. Constitution (Amendment 13 "Neither slavery nor involuntary servitude".)

But the founding fathers made it possible that if the government were in need of your property then they could use "eminent domain" and not make you "volunteer" it but would outright take it,

but....they would have to give you “just compensation” for it (Amendment Five “...nor shall private property be taken for public use, without just compensation”)

This brings up the question. If the government needed your money, then why not use “eminent domain”, take it from you and then give you just compensation for it?

Well, one could argue and say “They do give you just compensation for your money. They give you roads, schools and provide you a service for it.” But there is a problem with that argument. The government cannot use eminent domain on a donation. They can’t use it on something that you volunteered to give because the IRS tax is a “voluntary” tax and the 1040 is a “voluntary compliance” form. The government cannot use “eminent domain” on something that is “voluntary” even if you’re forced to volunteer.

But wait! Why can’t the government just outright take a portion of your money by using ‘eminent domain’ and give you ‘just compensation for it? Well, they can’t. Why? Because if they were to take your money by using eminent domain then they would have to give you fair market value for it, and they can’t tell you that the fair market value for your money is the blessing you will receive from the school they are going to build, unless of course they plan on giving you fair market ownership of the school. Thus, we are stuck with “volunteering” our taxes to the government, and if we don’t volunteer our taxes, then we’ll get into big trouble.

So, the Romans used the word "tribute" and the IRS is using the word "voluntary". This point is critical, because if the Savior were to say that paying "tribute" to Caesar was an act of involuntary servitude, then paying "tribute" to the IRS would also be involuntary servitude.

Now, when Pilate was questioning Jesus, there were two accusations he needed to address.

#1 Jesus claiming to be king

#2 Jesus promoting an anti-give-tribute-to-Caesar ideology.

It’s interesting to note that the dialogue regarding the questioning of the first accusation was the only one recorded (Luke 23:3):

Pilate: “Are you the King of the Jews?”

Jesus: “Thou sayest” and then explains that yes, he is a king, but
His kingdom is not of this world.

But Pilate’s line of questions with Jesus regarding the second and very serious accusation that he was promoting an anti-tribute-to-Caesar campaign was not recorded. Nowhere in the bible is it mentioned. (Or maybe it was recorded but later redacted? Hmm).

Here’s the thing. Jesus never lied. He answered the first accusation and cleared it up, but what about the 2nd accusation? Did Pilate for some odd reason forget to address it? Or did Pilate mention it but Jesus was quiet about it? And, if Jesus answered and cleared up the first accusation, but remained quiet on the second, then what was Pilate supposed to assume? That Jesus was innocent of the second charge?

But here’s the thing. Jesus was never guilty of tax evasion and neither was Ken. Ken Cromar has never preached or taught that one should NOT pay “tribute” to the U.S. government. His passion and fight were that the IRS MUST OBEY THE LAW (especially their own made-up ones, which they don’t do.)

Ken ended up in court and he stood his ground. “The IRS must obey the law and follow the Constitution they swore to protect!” but because he stood his ground, the prosecution and the judge manipulated the jury to find Ken guilty of tax evasion:

IRS Title 26 §7201 “Any person who willfully attempts **in any manner** to evade or defeat any tax”

And what did Ken do to violate this rule? What was the “affirmative action” that was used as evidence against Ken? What was it that the prosecution accused Ken of doing?

I will tell you. It was when Ken and friends conducted a peaceful lawful protest at the federal courthouse when they auctioned his house. The prosecution told the jury that the words “in any manner” included the protest, thus, the jury was compelled to agree that Ken’s protest, though lawful, was within the scope of “in any manner”, thus finding him guilty.

Here is the link showing the peaceful protest: https://youtu.be/mmp_VOpbZas

And so you can see that Barbara & Ken in their ongoing battle against Goliath IRS is no small thing, and that the one encouraging thought that could provide comfort is the knowledge that they are not alone, for the powers of darkness could not come up with any other charge against the Savior, but that he was a tax evader.

Amazing work, right? Way to go, Raland, on your fascinating analysis.

Raland Brunson will forever be a hero to me because when I was first arrested by the traumatic 13-man FBI SWAT in Wyoming and transported to Ogden, Utah, he was one of the first to find me and actually came to the jail to try to see me. When he learned that they didn't allow visitors except by video conference, he did that. One of the first questions he asked me was something like, "Ken, how serious are you about this fight you're in?" I think I surprised him when I said, "Raland, I'm 'ALL IN' on this, and intend to fight it to the end, even if it costs me my life." He replied, "That's all I need to know."

From that day on, despite Raland's busy schedule he began to devote much of every day to help me with court filings, writing, researching, orchestrating people, etc., and he hasn't stopped. And to think we didn't really know each other that well when he first tried to do the Christian thing of comfort "those in prison". I think if I ever get a chance Barbara & I will have to build a statue to honor Raland. Or maybe I'll ask Barbara to make a super long bright red cape for my dear valuable friend "Super Raland"! Isn't it great to have friends and people who love and support you? We feel super blessed.

We thank YOU for your love, prayers and support. May God bless you.

Please enjoy a Merry Christ-filled Christmas!

Ken (& Barbara) Cromar
