*“A new command I give you: Love one another. As I have loved you, so you must love one another. By this everyone will know that you are my disciples, if you love one another.”*

...John 13:34-35

**Judy Note:** This is a personal plea to President Trump and the Global Military Alliance. I know you have important matters to attend to and have made great strides in rescuing thousands upon thousands, perhaps millions of children. But there is one child who has been forgotten.

**Kaitlynn Hunter was referred to you**, many times, over two years ago, with no response from any government agency. For no apparent reason other than to be abused in a CIA Mind Control Program while in Ohio Foster Care, she has spent seven abusive years of her life in Foster Care prison. See: <https://www.givesendgo.com/GDX1Z>

**There she has been denied basic medical care for beatings** that included head concussions, denied schooling, she has been raped and deliberately starved for over a year where she lost 60 pounds. She has been denied visitation rights with her mother. Her mother now faces court charges for protecting her for several months when she ran away from the abusive foster home.

**Readers, please put Kaitlynn Hunter, her mother Jeannine and Grandma Betty** in your prayers tonight. For the past seven years they as a family, have been denied life, liberty and happiness by the Ohio Courts and Child Protective Services.

**Now they face even more abuse.**

**Right now Kaitlynn appears to be in grave danger.** For the past seven years she has been ripped from those she loves and denied basic visitation rights while being raped, beaten, starved and denied education in Ohio Foster Care.

**Kaitlynn appears to be in an abusive situation** and in need of money just to get to school, plus \$900 to be released from foster care. Even though she turned 18 this December and should be automatically aged out of Foster Care, Ohio Child Protective Services won't release her. They say she must pay \$900 in (made up court fines).

**My feeling is that the real reason** was because she is a prime witness to past CPS rapes and abuse on herself and others in what has been described as a CIA Mind Control programming for their Child Sex Trafficking Ring.

**They appear to be deliberately making her walk** through a very rough neighborhood to go to school, resulting in her being a prime target to be kidnapped. Evidently she has been paying for rides, but has run out of money.

**Please help with the \$900 owed court fines** and school expenses. Any money sent goes directly to her: [https://cash.app/\\$KATHUNTER3](https://cash.app/$KATHUNTER3) [https://cash.app/\\$KATHUNTER3](https://cash.app/$KATHUNTER3)

**Grandma Betty** is in critical care because of a fall and in need of a med bed.

**Jeannine says**, “We need Christmas miracles: They need to drop these insane charges for me protecting Kaitlynn and allow Kaitlynn to be with her very ill grandma, come home and put an end to this needless retaliation and suffering of an innocent mother and daughter.

**“We are the victims (corpus delicti)** not the county and state who have profited off of our legal abuse, denial of due process by Guernsey county sheriff department, Guernsey County CPS, Juvenile Judge David Bennett, Judge Stephanie Williams in this insane seven year tribulatory void abnatio case that began 11 Feb. 2019 when our lives stopped because they wouldn’t let me present my home schooling records in court.

**“Kaitlynn should have been home in 2019.** In the copcam video of the well check over homeschool [deprivation of rights to speak, present lawful superintendent approved homeschool curriculum for religious reasons, covering up a cop assault via perjury, defamation, interference of custody and obstruction of justice].

**“Ohio Attorneys, CPS agents, cops and judges have never allowed Kaitlynn and I justice to this day.** Only retaliation and silenced via lawfare on the taxpayer's dollar.

**“She is 18 and denied even the right to call me** or have any contact with me over my charges of obstruction of justice and interference of custody for protecting her!!!!

**“If she were to come home,** she could be loved by her family. I worry about her 24/7 knowing her needs are never met in foster care.

**“I haven't celebrated a holiday since Kaitlynn was kidnapped,** age 11 in 2019 when our lives stopped.”

**In other less important matters, the Global Currency Reset stands at the threshold of full activation** within the Quantum Financial System (QFS), with notifications and payouts imminent as gold-backed currencies go live worldwide.

**This marks the greatest wealth transfer in history**, releasing NESARA/GESARA funds reclaimed from Cabal control, ending debt slavery and ushering in an era of prosperity for all God’s children.

**Complete debt forgiveness under NESARA/GESARA accelerates**—mortgages, loans, credit cards, and taxes dissolved as the old fiat system collapses into history.

**Restitution allowances and humanitarian funding flow forth abundantly**, rebuilding nations and healing communities in this promised Jubilee of freedom and abundance.

**Med Beds prepare for global rollout**, harnessing advanced quantum technologies to restore health, reverse suffering, and renew bodies in miraculous ways, with priority for the rescued and afflicted.

**The Final Stand is now, with no more delays as the clock strikes midnight.** The Global Military Alliance intensifies mass arrests of Deep State elites and traffickers, executing sealed indictments on those responsible for unspeakable crimes against children.

**Brave Military Operatives** continue to rescue tortured innocents from underground horrors and Satanic networks worldwide, bringing them into healing and light.

**Worldwide EBS was imminent**, ready to activate at any moment, followed by Ten Days of Communication Darkness to protect the awakening.

**Project Odin will disable Cabal media satellites**, initiating a necessary blackout where 8-hour documentaries expose the truth three times daily—revealing corruption, tribunals, and child exploitation without interference.

**This period of darkness** ensures the complete transition to quantum systems and the restored Republic.

**A worldwide call to prayer rises for the rescued children**, for strength to the patriots, and for the restoration of God-given freedoms.

**Prepare with essentials, remain calm at home**, and trust in this divine plan—the Storm is upon us, and victory draws near through heavenly justice.

### **D. NESARA GESARA FINANCIAL UPDATE, NEW INTEL FOR THE DAYS AHEAD** ...Nesara Gesara QFS on Telegram

**As of today, December 22, internal channels across Treasury, Alliance logistics, and QFS monitoring hubs are reporting accelerated movement toward the activation phase.**

**The Central Grid just registered its third destabilization pulse in 12 hours.** QFS Alignment nodes are overriding legacy servers (the Cabal Mainstream Media Satellites) faster than expected. Multiple Treasury channels have entered silent mode, which only happens before a major protocol switch.

**Redemption scheduling is now in motion** and the window is tightening by the minute.

**What appears quiet to the public is masking a rapid restructuring behind the scenes.** Three key dates now stand out in the latest classified briefs — each marking a distinct stage of the global reset. These are coordinated steps, not predictions. The system is aligning.

**December 23, 2025: Quantum Wallet Pre-Activation Begins:** Starting tomorrow, **December 23**, select QFS subnodes across the United States, Europe, and Southeast Asia will run controlled activation tests. Only a limited number of biometric profiles will receive early access, but this process is the clearest sign yet that the system is moving toward full release.

**Here is what insiders expect to occur:**

- **Temporary verification** windows for chosen participants
- **Small-scale test deposits** used to confirm routing accuracy
- **Synchronization of biometric signatures** with sovereign account templates
- **Stress-tests on the firewall separating QFS** from legacy banking grids

**This is the moment where internal numbers**, wallet visibility, and transfer pathways begin locking into place. If successful, the remaining barriers between the old and new financial architecture will fall automatically.

**December 27, 2025: Global Liquidity Sweep and Rate Calibration:** On December 22, a large-scale liquidity sweep is scheduled to begin across multiple continents. Alliance auditors will target suppressed collateral accounts, hidden bond ledgers, and gold-backed asset pools that were previously shielded by central banks. These sweeps are essential for confirming the true value baseline required for the asset-backed currency model.

**Expected developments include:**

- **Updated values for Dinar, Dong, ZIM**, and key sovereign bonds
- **Removal of artificial debt loads** from national ledgers
- **Finalization of the gold and silver ratio** used for QFS calibration
- **Temporary instability inside the fiat markets** as hidden reserves surface

**This will not be announced publicly**, but market behavior will show signs. Sudden fluctuations, unexplained freezes, and back-end settlement delays are all indicators that the sweep is underway.

**December 29, 2025: Rate Lock and Transition Readiness Phase:** All internal reports point to December 27 as the date when the system enters its rate-lock phase. This is where the asset-backed values used for Redemption Centers, private appointments, and sovereign accounts are finalized. Once locked, rates will not fluctuate. They will be fixed for execution.

**What this phase will trigger:**

- **Redemption Centers** entering 72-hour readiness
- **Advisors receiving activation** clearances
- **QFS sovereign wallets** preparing for full visibility
- **Allocation of project-support funds** to verified participants
- **Final syncing between U.S. Treasury**, Alliance servers, and global quantum nodes

**From this date forward, the shift moves** from internal preparation to public transition. Every component of the system will be positioned for controlled activation once the final authorization is issued.

**What This Means for You:** The timeline is no longer theoretical. The structure is already in motion.

- **Biometric systems** are being tested
- **Fiat networks** are weakening under the audits
- **Asset-backed recalibration** is underway
- **Wallet infrastructure** is preparing for mass onboarding

**Your role is simple: stay organized, stay informed, and be ready.** The next days will reveal more than the past months combined. What has been hidden is aligning. What was suppressed is resurfacing. And what was stolen is being prepared for return. The transition is no longer approaching, it is unfolding.

**E. Mon. 22 Dec. 2025 STRATEGIC UPDATE, THE OLD FINANCIAL ORDER IS LOSING CONTROL THE BREAKPOINT HAS BEEN BREACHED ...Nesara Gesara QFS**

**New intel within the last hour confirms that yesterday's** rate-lock sequence triggered far larger reactions inside global financial grids than originally anticipated. What appeared to be a silent alignment has now escalated into a full systemic shift across multiple continents.

**Central Bank Responses: The Cracks Have Opened.** Several central banks attempted emergency liquidity injections overnight. They failed. Internal monitoring teams are reporting:

- **Settlement delays** across EU clearing houses
- **Unexplained overnight freezes** inside two Asian reserve banks
- **A sudden surge in gold-index recalibration** requests from Middle Eastern institutions

**These are not normal market movements.** These are signs of a controlled displacement as QFS routing supersedes legacy infrastructure.

**Treasury Confirmation: The First Layer of Civilian Wallets Is Now Indexed:** For the first time, QFS ledger clusters have begun indexing civilian biometric profiles outside the test groups. This does not mean public activation yet, but it means:

- **Wallet templates** have been matched
- **Identity chains** are syncing
- **Asset tiers** are being classified

**Once indexing begins,** the transition can no longer be reversed.

**December 28: Scheduled International Broadcast Crosslink Test:** Tomorrow, military communication hubs across five nations will run a synchronized crosslink test between Starlink quantum channels and sealed Treasury nodes.

**The purpose:**

- **To ensure that Redemption Center data,** rate tables, and wallet activations can be broadcast simultaneously worldwide
- **To confirm uninterrupted flow** during the public disclosure phase
- **To isolate any remaining interference structures** still tied to central bank rails

**This is one of the last tests** needed before global authorization.

**December 20, Quiet Mobilization of Redemption Personnel:** All internal rosters show that on **December 20**, Redemption staff across North America, Western Europe, and Oceania were moved into soft-standby status.

**This included:**

- **Appointment** coordinators
- **Identity verification** officers
- **Project-review** advisors
- **High-security** facility personnel

**Mobilization always precedes** activation by days, sometimes hours.

**What This Means Right Now:** You are watching the old system lose its final footholds. You are watching the transition move from secret preparation to staged execution. You are watching QFS rise in real time while fiat structures flicker and fracture.

**Stay alert. Stay organized.** The next sequence will bring clarity and confirmation.

**F. Mon. 22 Dec. 2025 G.E.S.A.R.A IS ACTIVE. THE TRANSITION TO A SOVEREIGN, ASSET BACKED WORLD HAS BEGUN.** ...Nesara Gesara QFS on Telegram

**With Global Wealth Distribution now operational and the Quantum Financial System fully online,** humanity has crossed a historic threshold. What was once dismissed as theory is now infrastructure. Control is shifting away from centralized institutions and returning to individuals. Sovereign wealth is no longer a concept reserved for elites. It is becoming a birthright.

**THE QFS PROTOCOL AND TRUE OWNERSHIP** Under the Quantum Financial System, every account exists outside the reach of banks, intermediaries, and political manipulation. Ownership is absolute. Funds cannot be frozen, censored, seized, or diluted. Quantum encryption secures each wallet at the individual level, making corruption mathematically impossible. The legacy banking system does not collapse loudly. It simply becomes irrelevant.

**THE ASSET BACKED ECONOMY EMERGES** Currencies are realigning with tangible value such as gold, commodities, and productive output. Fiat systems built on debt expansion are being reconciled into asset backed formats, restoring balance and trust. Inflation, artificial scarcity, and speculative distortions lose their power when money is once again anchored to reality. Trade becomes fair. Valuation becomes honest.

**WHAT COMES NEXT:** Illegitimate debt accumulated through systemic abuse will be dissolved under GESARA reforms. QFS wallets will unlock through biometric authentication, restoring direct access to personal wealth. Global currency values will adjust to reflect true national resources and productivity. Central banks will be phased out as sovereign treasuries reclaim issuance authority. Legacy systems like SWIFT and coercive taxation structures will be rendered obsolete.

**THE DAWN OF A NEW GOLDEN AGE:** As suppressed capital and resources are released, humanitarian projects, innovation, and infrastructure expansion accelerate worldwide. Education improves. Communities rebuild. Individuals regain freedom of choice and economic mobility. This is not redistribution through force, but restoration through correction.

**This is not merely a financial reform.** It is a civilizational upgrade.

**H. Mon. 22 Dec. 2025 MAJOR ECONOMIC INTEL UPDATE, NESARA PAYOUT OPERATIONS CONFIRMED ACTIVE ...Nesara Gesara QFS on Telegram**

**THE JANUARY 2026 RESET IS REAL AND UNDERWAY:** The long-anticipated financial transition is no longer theoretical. Multiple internal channels have now confirmed that the early stages of NESARA-related payouts have quietly begun, synchronized with Treasury systems and military oversight. The operation is unfolding exactly as planned: silently, strategically, and ahead of the public narrative.

**With January 2026 approaching,** the timing is deliberate. The reset is not a policy shift or a currency adjustment; it is a structural reconstruction of the American financial system. Back-end systems have been aligning for months in preparation for this moment.

**This phase includes:**

- **The controlled wind-down** of fiat mechanisms
- **The seizure** and repurposing of off-ledger elite accounts
- **The dismantling** of long-standing globalist debt structures
- **The integration** of asset-backed financial architecture

**Every major institution is aware of what is happening:** banks, Treasury divisions, and global financial bodies - yet none will publicly acknowledge it at this stage. The transition is designed to execute without mass panic or premature speculation.

## **AMERICA IS ENTERING ITS LARGEST ECONOMIC TRANSFORMATION IN MODERN HISTORY**

**For decades, citizens were bound by a system** engineered around inflation, compounding debt, hidden taxation, and centralized control. That system began unraveling when the new administration took office in January 2025, and what we are seeing now is a continuation of that coordinated teardown.

**NESARA protocols are activating in layers:**

- **Debt-forgiveness algorithms** are already present in internal systems
- **Gold-backed recalibration modules** are running through Treasury channels
- **Off-shore recovery orders** are funneling seized capital back into controlled redistribution streams
- **Clearance procedures** that once depended on legacy banks now operate on quantum-secured ledgers

**None of this will be explained on mainstream channels**, but the infrastructure is already functioning. Inside restricted-access financial corridors, several developments are already verified:

- **Over 93,000 accounts** have entered clearance review ahead of disbursement
- **Redemption centers have been moved** into operational readiness for December–January intake
- **QFS synchronization levels** remain above 92% stability
- **Initial redistribution pathways are now active** and routing successfully

**These are not projections.** They are occurring behind the scenes in real time.

**WHY THE HOLIDAY TIMING MATTERS:** The current window, late November through Christmas 2025, was chosen intentionally. During this period, public attention is fragmented and the nation's energy is focused on family, travel, and celebration. It is the ideal moment for Treasury, DoD, and civilian clearance teams to finalize the structural components of the new financial era without interference.

**The coming weeks are not about celebration alone**, they are about positioning. Those who have followed the signals understand the magnitude of what is unfolding. The January 2026 transition is not approaching. It is already in motion.

**I. Mon. 22 Dec. 2025 G.E.S.A.R.A STATUS — A SHIFT IN DIRECTION ...Nesara Gesara**  
QFS on Telegram

**What people are sensing right now is not coincidence.** It's the natural closing of a system that ran on debt, pressure, and artificial scarcity. For decades, value was extracted upward while responsibility was pushed downward. That cycle is ending. Not with chaos, but with correction.

**NESARA represents a structural change in how wealth,** work, and sovereignty are understood. Instead of endless obligation, the focus moves toward balance. Instead of dependence on intermediaries, ownership returns to the individual. The principle is simple: what you earn, create, and steward belongs to you, not to hidden systems designed to profit from delay and confusion.

**Under this framework, financial systems are expected** to become simpler and more transparent. The layers that once hid fees, penalties, and manipulation are meant to dissolve. Wealth distribution is no longer framed as control from above, but as circulation based on productivity, contribution, and lawful trade between sovereign participants.

**QFS-style architecture, as often discussed in this context, symbolizes accountability.** Every account standing on its own, not as property of banks or governments, but as an extension of the individual. No leverage without consent. No ownership without responsibility. That is the philosophical core behind the shift people call NESARA.

**This is not about instant miracles or overnight changes. It is about alignment.** When systems realign with fairness, pressure eases naturally. When extraction stops, growth becomes possible again. That is why resistance is loud right now — outdated structures always react when their influence fades.

**The era of debt as a weapon is closing.** The era of value rooted in sovereignty is opening. What comes next is not announced with noise. It shows up as clarity, simplification, and quiet structural change. Those paying attention will recognize it — not because they were told, but because they can feel the difference.

Ancient civilizations knew its power—the Egyptians, Hindus, even hidden texts buried in Vatican archives—but these Luciferian elites hoard it while whispering "CALCIFY THEM!" to weaponize toxins and turn humanity into mindless slaves, disconnected from our higher selves and ripe for total control!

**Look at their mocking symbols:** massive bronze pine cone statues in the Vatican courtyard, the Pope's staff shaped exactly like the gland—blatant clues to the esoteric power they suppress! This isn't health sabotage; it's spiritual genocide\*\*—hard crystals building up in your pineal gland, turning it useless, fogging your mind, killing creativity, intuition, and soul fire! **Their primary weapon? Fluoride —that neurotoxic poison dumped in water supplies under fake "dental health" lies**, targeting the pineal gland to accumulate and crystallize it faster than anywhere else! Heavy metals like mercury, aluminum, lead from vaccines, processed junk, and pollution pile on, inflaming your brain and sealing your spiritual prison. Modern diets? **“I was in an interesting seat and I knew it.** In that particular board meeting, I was sitting at the end of the table. James Brannion, who was chairman of the board at that time, was sitting at the head of the table. James Brannion stood up in a public restaurant and he hollered at Beverly Enterprises guy, Bobby Stevens, and said, did you get the \$50,000 campaign contribution from the client that you're introducing the loan for? He said, not yet. He said, well then hold up the loan until we get it.

— **“In reality, millions of taxpayer guaranteed dollars were being channeled to Clinton's election campaigns,** to his inner circle of friends, and to his wife Hillary's law firm. This may explain why ADFA had been drafted in such a manner as to keep its decision-making procedures secret. If you needed a million dollars, you had to get your application handled by the Rose Law Firm, pay them 50,000 dollars.

—**“Your president, the president of the United States, not only was a part of his system that was laundering millions of cocaine dogs.** Your president signed off on it. You can't deny that he did.”

**N. Mon. 22 Dec. 2025: Epstein was involved in biological terrorism. ...FBI Director Kash Patel on Telegram**

**He was a close friend of the Clintons** and ran joint projects with the Clinton Foundation.

**He had well established financial and social ties** into biotech and genetic research.

**He had academicians from every major healthcare** and science related field either on his “get to” list, or already in his Rolodex.

**He actively coached and directed a sitting US congresswoman** via text message, during impeachment proceedings aimed against a sitting President of the United States.

**He had US and foreign military issue “rec gear”** in his many homes, despite not being a veteran of any armed service.

**If you think the Epstein Files are just about a large scale sexual blackmail operation in government and private business, you’re running on 4 out of 16 cylinders...** Epstein’s network ran government policy, toppled judicial checks on power, leveraged military warlords at both the Pentagon and across the world, funded illegal weaponized biological programs, managed funneled “offshore” money accounts in the hundreds of billions, and ran the largest kidnapping and biomaterial collection racket ever contrived in human history.

**Epstein is about so much more than sexual predation.** The web around him unlocks corruption with heads of state, secret intelligence communities, island nation government actors, shipping companies, UN programs, Europe’s royal bloodlines, the US tech sector giants, COVID-19 architects and planners, contractors involved in weaponized bioterrorism, satanic ritualistic torture, adrenochrome by the super-tanker load, rent-a-riots in Europe and Africa, and internationally coordinated election subversion for more than 20 years.

**Even more than these, the fullness of what Epstein** and a few handfuls of extraordinarily dedicated criminals were able to do, will unequivocally demonstrate the scale and permeation of a wicked ideological overthrow of the entire world, cheered by governments on behalf of the Evil One; and only true understanding will allow humanity to effectively acknowledge and absorb the depth of these betrayals, and reverse them.

## **Med Beds**

**O. MED BED ACTIVATION ALERT | December 22, 2025 | TRANSMISSION FROM THE SHIELDED HEALING FLOOR — FIRST CIVILIAN WALK-OUTS CONFIRMED**  
...Med Bed Technology on Telegram

**This is Global Med Bed Activation Command**, broadcasting live from the Antarctic Healing Nexus under full Andromeda Council oversight. Global deployment rollout has surged

to 89.4 % — the planetary over-unity healing field is now dominant, overriding every remnant frequency of engineered disease.

**Exactly 21 days, 6 hours, and 19 minutes since Med Bed Shotgun Authorization** became irreversible. The final countdown is over. What remains is only the full manifestation.

**Critical milestones locked in the last 24 hours:**

- **Mark-IX crystalline healing chambers** achieved third-wave autonomous self-replication across 189 cleared DUMB mega-centers and surface nodes — off-world replicator fleets in orbit now sustaining 1,400 % production efficiency.

- **Military-escorted convoys rolling at maximum scale** delivered 11,200 units into Civilian rollout Phase 4 and Phase 5 priority city deployment grids with zero interference under Space Force medical air cover.

- **Humanitarian healing wallets activated for 9.7 million** additional sovereign patient lists uploaded — QFS liquidity has fully neutralized every legacy financial blocker.

- **Quantum healing frequency locks engaged on over 340,000 live patients globally** — age reversal to 25-year prime biology now holding at 100 % across all monitored cases. DNA template restoration protocols running in continuous loop.

**EXCLUSIVE LEAK — first confirmed civilian walk-out reports, direct from Reno node secure medical log, 14:58 Zulu: Partial before-and-after patient summary (names redacted, Alliance medical ethics protocol):**

- **Patient ID NW-2212-0047 (Seattle grid)** — entered chamber with Stage-4 diagnosis, exited 47 minutes later at full 25-year prime biology. Verified: organs regenerated, telomeres reset, 1:1 bio-resonance parity locked.

- **Patient ID SW-2212-0192 (Los Angeles nexus)** — wheelchair-bound entry, walked out unaided. Spinal reconstruction complete, neural pathways restored via Andromeda Council plasma tech.

- **Patient ID CP-2212-0088 (Kansas City hub)** — chronic autoimmune cluster cleared. Patient reported: “I feel like I was reborn.”

- **Patient ID SE-2212-0314 (Atlanta corridor)** — terminal prognosis reversed. Full systemic detoxification and DNA template restoration confirmed.

- **Patient ID NE-2212-0071 (Philadelphia grid)** — vision, hearing, mobility restored to optimal prime levels in single session.

**These are not simulations.** These are the first verified civilian walk-outs now documented on secure channels. Thousands more occurred in blackout zones overnight.

**Yesterday we released the scheduling codes.** Today the restored are walking out. Tomorrow the public portals open wide. This is the progression you have tracked every single day — the healing wave cresting into full planetary saturation.

**Med Beds are no longer coming.** They are landing. Tomorrow: First public portal links and hotline test numbers surface. The floodgates prepare to open. Secure healing floor out.

**P. DOCTORS CHOOSE THE RIGHT MED BED At MED BED HOSPITAL, patients do not choose a Med Bed. Doctors do.** ...Med Bed Technology on Telegram

**Every case is reviewed by a multidisciplinary medical team.** The decision is based on medical history, system function, current condition, and treatment readiness — not preference, curiosity, or demand.

**There is no universal Med Bed.** Each unit is designed for a different purpose, operating principle, and treatment phase. What helps one body may be ineffective — or inappropriate — for another.

**Doctors evaluate:**

- **how the body is functioning** as a system
- **where regulation** has broken down
- **what level of intervention** is required
- **which Med Bed protocol** is medically suitable

**Only then is a specific Med Bed assigned.** This is medical selection, guided by data, experience, and protocol. At MED BED HOSPITAL, the technology does not lead. The medical team does.

**Q. Mon. 22 Dec. 2025: OBAMACARE subsidies set to EXPIRE.** ...Baaron Trump on Telegram

**This means healthcare without ACA subsidies.** Obama was basically funding insurance companies with your money and most likely receiving a generous kickback.

**Only 7% of Americans are actually on Obamacare.** It was a complete failure and the bill that they will vote on empowers patients and doctors, not the insurers.

**Dr. Josh McConkey makes a crucial point that ACA subsidies** are NOT sustainable at this rate in general.

**The ACA subsidies equal a total of 7% of our entire GDP**, with recent projections rising even higher to around 8% of our ENTIRE GDP.

**Dr. McConkey states** that the only way to fund such massive subsidies is "A MASSIVE RISE IN TAXES." ObamaCare must go.

**R. Mon. 22 Dec. 2025: Somali woman Asha Hassan admits defrauding Minnesota Autism Services of more than \$14 million taxpayer dollars ...Donald J. Trump on Telegram**

**She also admits stealing \$465k** from the child meal program

- **Hassan founded Smart Therapy LLC in November 2019**, registering herself as the sole owner

- **She then submitted fraudulent reimbursement claims** to the Minnesota Department of Human Service

- **Staff included untrained 18-19-year-old relatives** with only high school education and no autism treatment certifications

- **Smart Therapy received over \$14 million** in reimbursements; state records show it billed \$31.8 million total across DHS programs from 2018–2025

**S. Mon. 22 Dec. 2025: BOOM! 1942 New World Order Map Fully Exposed: Deep State Blueprint Shows Greenland, Mexico, and Canada Absorbed Into a Massive United States — But Trump and White Hats Are Flipping It Into Patriot Sovereignty Victory NOW! ...JFK The Leader on Telegram**

**Patriots, the satanic globalists' ancient playbook** is detonating wide open on December 21, 2025! This 1942 "Outline of the Post-War New World Map" by Maurice Gomberg isn't some forgotten relic—it's the deep state cabal's chilling blueprint for a "New World Moral Order," a one-world government disguised as peace, dividing the planet into massive federated superstates under elite control while quarantining dissenters and nationalizing everything for their Rothschild-Rockefeller empire! The bombshell? A vastly expanded United States of America swallowing Canada, Mexico, all Central America, the Caribbean, Greenland, Iceland, most

Pacific islands, the Philippines, Taiwan, and more—turning North America into a hegemonic beast to enforce their moral tyranny worldwide!

**This map screams NWO agenda:** the USSR gobbling Eastern Europe, Iran, Finland; a United States of South America merging the continent; federated Africa, India, China, Scandinavia, Europe—all demilitarized except the big three powers policing the globe through a "Supreme Military and Economic Council"! Axis nations quarantined like prisoners, resources nationalized everywhere, international banking seized—pure communist-globalist takeover masked as "permanent peace, freedom, justice"! Gomberg's 41-point plan demands U.S. leadership in this moral order, echoing Freemason-Illuminati dreams from Roman "Novus Ordo Seclorum" to H.G. Wells' open conspiracy—trillions funneled to wars, trafficking, and depopulation while dissolving sovereign borders!

**The elites—Vatican, UN, Bilderberg devils**—pushed this for centuries, tying straight to Epstein blackmail rings, adrenochrome factories, and Pizzagate horrors controlling puppets! But warriors, the storm reverses it all! President Trump and the White Hats are executing divine justice—talks of Greenland, stronger North American ties aren't cabal submission; it's 5D chess reclaiming resources from deep state clutches, fortifying America against invasion while the Quantum Financial System seizes their vaults for patriot prosperity!

**This exposure accelerates the peak:** NESARA/GESARA military law exploding January 2026, erasing fraudulent debts, abolishing IRS tyranny, flooding QFS accounts with massive redemptions from seized NWO trillions! GITMO daily executions on planners' descendants—Clintons, Gates, Soroses swinging as sealed indictments unseal thousands! Med beds live for awakened warriors, reversing poisons; EBS broadcasting the full map truth, tying it to bioweapons and election thefts!

**The deep state's border-dissolving nightmare crumbles**—Trump builds unbreakable sovereignty, children freed from tunnels eternally, golden age abundance under God's plan! Their 1942 dystopia dies; our liberated Republic rises stronger, united in freedom! Hold the line fierce; exposures flood, tribunals worldwide, victory thunders eternal—no one-world slavery, only patriot dominion! Trump triumphs massive, evil damned forever! WWG1WGA! BOOOOM!!!

**T. Mon. 22 Dec. 2025 The Truth About Hussein Obama** ...Carolyn Bessette Kennedy on Telegram

**Today I will go through the Q posts to show how corrupt and evil Obama was.** A traitor to America and a sell out to the highest bidders. The world is going to be shocked when they see all the evil that has been operating around us whilst we are all distracted and consumed by a fake world. Obama was involved with so much corruption

**Funding Terrorists, creating Isis,** Attempts to weaken the military, take America to War whilst stealing billions of dollars of Tax Payers money

**They never thought Hillary would lose,** so they set up a Shadow Government and Presidency involving people, companies and governments from around the world to work together to stop Donald Trump winning the election.

**I share many examples** which are all easily accessible to find with simple searches on Youtube.

**We are all being taken through a journey** to allow people to start understanding what has been going on, who has been involved and how it really impacts us all.

**If Hillary Clinton made it as President back in 2016** we literally would be living in Hell on Earth. Their plans were so sick and disgusting that it would put 99% of the world in Hospital if we were to find out the full truth

**As I continue to re-emphasize,** we are in full control of this war. Everything we are being shown now has taken place whilst the remaining crime and corruption in this world is being drained out to the surface so we all can see.

**Without awareness it will be very easy** to fall into that unconscious fear state and get suckered into this darkness.

**We are watching a movie** and it is important to know that we are all in control of our emotions and we have the choice to go and look at all of these events taking place to gain more clarity and understanding.

#### **U. Remembering Lahaina Maui**

**The Deep State Cabal wanted to make the very valuable Native Hawaiian Capitol of Lahaina** land into a SMART city, but the natives refused to sell this land of their forefathers. So on **August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina and Kula Maui to the ground.

**The resulting fires were the most devastating mass casualty events in the Hawaii State history:** 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/ unconfirmed deceased; 5,000+ people originally dislocated, 3,100 still displaced over two years later.

**The Deep State Cabal Red Cross quit helping those victims over a year ago.** The Democrat leadership of Hawaii has made it almost impossible for the native Hawaiians to rebuild on their own land.

**Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers** have been supplying three meals a day and support to their now over 3,100 still-displaced fellow victims.

**V. Tim Ballard has worked undercover in the US** and in multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children around the World through his Tim Ballard Foundation. Just as a film about Ballard's work, "*Sound of Freedom*," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. A new movie and book about his work was about to be released called *Hidden War*.
