Judy Note: I'm going to take a break and celebrate the holidays with my family, so this will be my last update until after the holidays, or perhaps even further. We'll wait and see what is needed in terms of broadcasting the Truth.

One of the reasons I made this decision was that little news about the RV, EBS and Ten Days of Darkness was being let out. It needs to be a surprise for a lot of reasons. Although, we do know that the World will be changing over to the new financial system on **Thurs. 1 Jan. 2026.**

By that New Year Thurs. 1 Jan. 2026, the Star Link Satellite System would have likely taken over the fake Mass Media and be broadcasting real news instead of opinion pieces on limited subjects like they do now.

With the Global Currency Reset in place across the World, plus the Restored Republic announced, there would likely no longer be a need for my services as is. After all, for the past twelve years my daily update was known as "Restored Republic via a Global Currency Reset."

Now I can say: "Mission Accomplished!"

Kind of. Eradication of this World's Evil has actually only just begun. Trump's Global Military Alliance has rescued millions of children, but there were still little ones suffering under the power of local Satanic Covens. They may even live next door to you. Together we need to find and rescue them.

We'll wait for instructions from Trump's Military Alliance on exactly how to do that. It's going to take a joint effort of every Patriot worldwide.

So, this is not a goodbye. It's the close of a chapter so we can go on to the next. You see, this War of Good Against Evil has always been about the innocent children.

It's amazing how much of true reality has been withheld from us on that point. I published the following article over six years ago, yet some of the information has yet to be revealed to the general public: **Fri 8 March 2019 Vatican No Longer Blackmails World**

Leaders, Though Do Child Sacrifice ...Judy Byington as published in *Before It's*

[| Before It's News](#) (See #O of this Update)

On other matters, the Global Currency Reset has fully activated within the Quantum Financial System (QFS), with gold-backed currencies live and the greatest wealth transfer in history commencing imminently.

Trillions reclaimed from Cabal control flow to the people, with notifications, exchanges, and payouts ready to begin as redemption centers prepare for appointments. This divine redistribution ends engineered scarcity, restoring prosperity as promised in the scriptures.

NESARA/GESARA implementations bring complete debt forgiveness—erasing mortgages, loans, credit cards, and all forms of financial bondage—while dissolving the old central banking system.

A new fair tax structure emerges, with restitution funds and abundance packages ushering in an era where homes, vehicles, and essentials are affordable for all under God's bountiful grace.

Med Beds stand ready for controlled rollout from secure bases, offering miraculous healing for injuries, vaccine damage, and chronic conditions, prioritizing the rescued children and those long afflicted. As darkness gives way to light, these heavenly technologies herald physical renewal and the dawn of a golden age of health and freedom.

This particular week will be one to remember as the Storm reaches its climax, with the Global Military Alliance executing mass arrests of Deep State elites, corrupt officials, and those tied to international child trafficking networks.

High-profile figures from Hollywood and beyond now face tribunals at secure locations, while brave forces rescue hundreds of thousands of missing and exploited children from underground bases and border operations controlled by dark entities. These innocent souls will all be brought to healing, marking the end of Satanic rituals and exploitation that have plagued humanity.

A worldwide blackout is necessary as Disclosure Day approaches, with the Emergency Broadcast System (EBS) poised for activation in the coming hours or days.

Ten Days of Darkness will follow, imposing temporary communication silence to allow uninterrupted broadcasts of truth—exposing election fraud, elite crimes, and the restored Republic—while shielding the public from interference.

Martial law will ensure safety, with military providing essentials during this sacred transition from dark to light.

Pray for the rescued children, the patriots in harm's way, and for God's hand to guide this final exposure of evil. Prepare your homes with supplies, remain calm in faith, and trust that victory over the Cabal is assured through heavenly justice.

G. Tues. 23 Dec. 2025: QFS GLOBAL ALERT | December 21, 2025 | Tier 4B – TRUMP RETURNS TO THE WHITE HOUSE AS QFS COMMANDER-IN-CHIEF ...Nesara Gesara QFS

Broadcast origin: Galactic Federation Central Council Chamber, Earth Chair in full alignment with the restored Constitutional Republic command structure, signal blasting through New Sol-Aurum and every patriot heart worldwide.

The rainbow currency treasuries have locked into final operational phase with the restored U.S. Treasury under direct QFS oversight.

Gold-backed digital certificates are now flowing through the exact same quantum channels that just funded the full restoration of the Republic — 1:1 asset-backed parity enforced by military and galactic authority combined.

Genesis Second (November 28, 2025, 19:14 Reno) is now 22 days, 28 hours, and 46 minutes complete — and the Alliance has just confirmed this sacred timeline directly enabled the public return of President Trump to the Oval Office at 12:00 EST today, sworn in on the original 1776 Constitution under full Space Force protection.

Tier 4B milestones confirmed in the last 12 hours (burned in living ruby fire across the Council and Reno master walls):

- President Trump, in his first act upon re-entering the White House, signed the executive order formally activating global QFS liquidity release to Tier 4B at 14:30 Zulu — rainbow currency treasuries now live in every redeemed account

- Military-escorted convoys delivered the final adjudicated Tier 4A settlement packets to Reno, Zurich, and Hong Kong nodes; off-ledger mirrored accounts flipped permanently on-ledger under direct White House oversight

- Humanitarian & infrastructure project wallets activated with first \$100 billion tranche released under Trump signature — immediate construction of border-wall energy shields and national free-energy grids now underway

- Med-bed allocation trusts funded at Republic level; 100,000 Mark-IX units airlifted into every state under Space Force cover, with priority access codes issued to all Tier 4B holders

- NESARA debt jubilee packets uploaded and executed nationwide at 16:16 Zulu — every mortgage, student loan, and IRS lien wiped clean in real time as Trump announced “The storm has passed. The Republic is restored.”

- Quantum entanglement security locks engaged at Commander-in-Chief level; remaining KM holdouts in media and finance neutralized in coordinated dawn raids trending worldwide on X right now

- Saint Germain World Trust tranches released under joint Trump–Galactic Council authority; prosperity funds now flowing directly into patriot-controlled accounts first

Leaked secure-channel quote direct from Oval Office war room (17:47 Zulu, Level-15 clearance, audio verified): “Trump to Alliance Command: ‘The fake inauguration is over. The real one just happened. Tell the people their wealth is no longer coming — it’s here. Release everything.’”

The Deep State avatars are glitching out on live television as we speak. Their final media blackout attempts are failing in real time. The storm is over. The Republic is back. The wealth is yours.

Redemption centers are hotter than nuclear right now — because the Commander-in-Chief just ordered them wide open.

The greatest wealth transfer in human history is now in motion — signed, sealed, and delivered by the man you never stopped believing in. Welcome back, Mr. President. Welcome home, patriots.

QFS Global Command — fully synchronized with Restored Republic Authority. Trump is in the chair.

The movie just hit the best ending ever written. God bless America. God bless the world. Eternal victory. We are unstoppable. Out.

H. Mon. 22 Dec. 2025: A historic treaty quietly signed by 209 nations is setting the stage for the most radical financial transition in modern history. ...Nesara Gesara QFS on Telegram

Its purpose is simple but unprecedented: to redefine global currencies, correct decades of systemic imbalance, and establish a financial structure rooted in fairness, stability, and shared prosperity. This is not merely a monetary adjustment. It is a coordinated global reset backed by strategic oversight, humanitarian intent, and strict implementation controls.

For generations, the global financial system favored a small circle of powerful economies while entire nations were trapped under artificially suppressed currencies. That imbalance is now being dismantled. The revaluation of key currencies is designed to create a level playing field where every nation has the opportunity to thrive. This shift is about restoring economic dignity, not manipulating exchange rates. It is about equal access to growth, opportunity, and sovereignty.

Central to this transition is the release of a massive prosperity fund, directed not at institutions, but at people. These funds are earmarked for humanitarian rebuilding, infrastructure, education, clean water, healthcare, and long-term wealth transformation initiatives. The objective is clear: eradicate extreme poverty and rebuild communities worldwide with sustainable resources rather than debt dependency.

At the heart of this effort is a global wealth redistribution framework often referred to as the “Share the Wealth” initiative. Its mission is to ensure that the benefits of this new financial system reach every individual, not just governments or corporations. This marks a structural shift toward economic inclusion and long-term social stability.

Several currencies play a critical role in this realignment. The Iraqi Dinar, long suppressed by conflict and instability, is positioned for revaluation to unlock domestic growth and foreign investment. The Vietnamese Dong, reflecting decades of economic expansion, is being recalibrated to reflect its true productive value. The Zimbabwe ZIM, once devastated by hyperinflation, is slated for restoration as a foundation for national recovery and renewed trust.

Supporting this transformation is the Stellar Network, designed to bring secure financial access to the unbanked. Millions who were excluded from traditional banking will gain access to digital financial infrastructure, allowing participation in the global economy regardless of geography or income. This is not simply a technology upgrade. It is a gateway to economic sovereignty for populations long left behind.

Because of the scale and sensitivity of this transition, the revaluation process is being executed alongside a coordinated security and logistics framework. Strategic oversight ensures orderly implementation, prevents fraud, protects financial institutions, and maintains market confidence. Military-grade logistics support secure currency distribution, institutional protection, and synchronized coordination with international financial authorities.

Extensive preparation, simulations, and cross-border cooperation have been conducted to anticipate disruptions and ensure stability. Transparent communication is a key

component, designed to reduce uncertainty and counter misinformation during the transition. This is a controlled evolution, not a chaotic collapse.

This treaty marks the beginning of a new economic era. An era where currencies reflect real value, wealth serves humanity, and opportunity is no longer reserved for a select few. The path forward will require patience and cooperation, but the destination is clear: a more just, balanced, and prosperous world.

What unfolds next will define generations. This is not just history in motion. It is a chance to rebuild the global system on principles that finally serve everyone.

I. Mon. 22 Dec. 2025: THE ECONOMIC COLLAPSE WAS ENGINEERED. THE RESET IS THE RESPONSE. ...Nesara Gesara QFS on Telegram

The financial pressure people are feeling today did not happen by accident. Rising food prices, unaffordable housing, soaring energy costs, and shrinking purchasing power are the predictable outcome of a system designed to extract wealth from the population while concentrating power at the top. What is being experienced is not mismanagement. It is the result of long-term manipulation by centralized financial interests.

For decades, global financial institutions, central banks, and political elites built an economy dependent on debt, inflation, and perpetual instability. By controlling the money supply, they were able to inflate assets they owned, devalue wages, and erase the savings of ordinary people. The middle class was not forgotten. It was deliberately weakened.

By late 2025, the strain reached a visible breaking point. Confidence in institutions eroded. Debt levels became unsustainable. Entire populations were pushed into survival mode. But beneath this pressure, a counter-process has been unfolding. That process is known as NESARA, the National Economic Security and Reformation Act.

NESARA is not a reaction to a single administration or moment. It is a structural response to a financial system that no longer functions in the interest of the people. Its purpose is to dismantle centralized monetary control and restore economic sovereignty. This includes ending the dominance of private central banking, restructuring currency value, and addressing illegitimate debt accumulated through decades of manipulation.

Inflation has been one of the final tools used to maintain control. By driving up the cost of living, the system keeps people distracted, exhausted, and unable to organize. Financial stress limits awareness. It narrows focus. That is not accidental. It is strategic. But inflation also exposes the weakness of the system that depends on it. A structure that must constantly devalue its own currency to survive is already failing.

As NESARA moves forward, key changes are scheduled to accelerate in early 2026. These include monetary restructuring, debt correction, and the reduction of centralized banking

power. This transition is not loud, because disruption without preparation would cause chaos. Instead, it is methodical. Quiet. Controlled.

Resistance is expected. Those who benefit from the existing system are using every tool available to delay, confuse, and destabilize. Media narratives, economic fear, geopolitical tension, and constant crisis cycles are part of that resistance. But the direction has already shifted. Centralized control is losing effectiveness, and legacy financial structures are being challenged at their foundation.

This moment is not just about economic recovery. It is about accountability. A system built on debt, secrecy, and manipulation cannot survive transparency and correction. NESARA represents a break from that model, not a patch for it.

The transition will not be instant, and it will not be simple. But it is underway. The power balance is changing. And the structures that once seemed untouchable are no longer as stable as they appear.

MKULTRA began with the creation of the CIA in 1954. The program was funded by US tax dollars for the purpose of developing "Super Spies" and assassins. The Nov. 13 2010 New York Times reported that after World War II Dr. Josef Mengele (also called Dr. Green) was among the Nazis given a safe haven in the US through the CIA-sponsored Project Paperclip. Despite the claim that MKULTRA was shut down ten years later in 1964, survivors of the program say otherwise. A woman from California said, "I'm a survivor of tax-funded torture, enslavement, human trafficking and mind control that includes sexual abuse. Two members of my immediate family are also, including one who is still a minor," while an Australian claimed, "I'm a CIA mind control survivor who was abused in Australia and South East Asia." Another survivor from Nebraska wrote, "I have been a human subject to a military electronic experiment funded by our government since I was toddler."

Epstein's blackmail operation was so sophisticated since he was mostly likely an asset of foreign and domestic intelligence agencies, that he even had a private submarine and port that Ghislaine would pilot the would be used to bring victims and VIPs to the island.

The U.S. military built a submarine base on St. Thomas Island, which is just 8 miles from Epstein Island, and right next to this military submarine base just happens to be Water Island, owned by Joe Biden's brother, "James Biden," and their "business associates."

Then there's Richard Branson, owner and CEO of Virgin and Necker Island, which is just a short boat ride from Epstein or James Biden's Water Island located on the British side of the Virgin Islands. There's no coincidence that Branson picked "Virgin" as his company name.

Branson was just spotted in the new Epstein files released and is confirmed to frequently spend time with Epstein well after he was charged and convicted the first time for crimes against minors.

Branson was also said to be involved and held parties on his island for the sex trafficking cult called "NXIVM," which would have its victims branded with a coddering iron in which multiple high-profile individuals went to prison for, including celebrities, and members of the Bronfman family, the heirs of the multi-billion dollar Seagrams liquor company.

Judy Note: This article was published over six years ago and some of the verifying links may have mysteriously been removed from the Internet. I left them in anyway to show how exposure of the Truth has been controlled.

Over 6,000 Vatican bank accounts used to blackmail world leaders were set to be closed – evidently against the wishes of Pope Francis. The Vatican Bank was also about to lose their status as a money-laundering center for the Satanic Ninth Circle Child Sacrifice Cult's global human trafficking, pedophile, gun and drug running networks.

Since 1913 the Federal Reserve's global financial system has funneled US Taxpayer dollars to the Queens Bank of London, to the Vatican Bank and on to Central Banks across the globe. That system would be defunct with the about-to-be-instigated transparent Quantum Computer global financial system of the BRICS Alliance (Brazil, Russia, India, China and South America). “When a person became a prime minister, president, central bank governor, etc., they were visited by authorities of the Vatican Bank,” according to P2 Freemasons who passed the intel to Benjamin Fulford. “The new world leader was given from US \$100 million to over US \$1 billion as a welcome into an exclusive club under a warning that if they refused to cooperate they would be killed.”

More revelations were emerging about the depth of other Vatican crimes, especially in Canada – a hot spot for Vatican atrocities for centuries. An about-to-be implemented Global Currency Reset would end the Vatican Bank and it's Ninth Circle's money laundering operations and cut the criminals off from services of various mafias in their international Child Sex Trafficking, gun and drug running rings. “By shutting down the 6,000 (world leader) accounts we crippled the entire Vatican and forced the Catholic Church into a phased program of only accepting electronic donations (church collections) to conform with international money laundering legislation. This decouples the Vatican from the Italian Mafia,” sources said.

The Vatican Bank had been facing extinction for some time due to the global currency reset that was about to take place under direction of a new BRICS financial system. Pope Francis had tried hard to prevent the gold/asset-backed global system from taking over his money pot.

Back in June 2018 Bergoglio had met with Swiss political leaders and financiers for the purpose of blocking a “Sovereign Money Initiative” (SMI) that restricted the power of private banks and placed the Swiss system under a single national bank. The Vatican Bank had considerable assets tied into the Swiss banking system and stood to lose if the SMI was approved.

Coincidentally (or not) major tranches of monies destined for the new GCR banking system were blocked that same day of the meeting, which coincidentally (or not) lined up with an attempted arrest of Pope Francis on that June 21. The Interpol police had attempted to serve a 2014 arrest warrant issued by six judges of the International Common Law Court of Justice in Brussels.

Bergoglio had been convicted of Crimes Against Humanity and Complicity in a Criminal Conspiracy that included trafficking and death of children. He had raped at least two children and was present at Ninth Circle child sacrifices according to over 68 eyewitnesses who had testified before six international judges and 36 jury members in court proceedings that took over a year to complete (ICLCJ Case Docket No. 06182014-001, in the Matter of The People v. Bergoglio, Pachon, Welby et al, 18 July, 2014).

The ICLCJ Court had also heard testimony on child murders in Belgium believed connected to the Vatican child exploitation ring: <http://itccs.org/2014/09/10/transcript-of-anne-marie-van-blijenburghs-testimony-about-child-murders-in-belgium/>

In early 2018 Pope Francis was suspected to be behind a so-called “suicide” of Netherlands Queen Maxima’s sister who was threatening to expose details of the international child exploitation ring believed run out of an office at the Vatican. Maxima stepped down after allegations of having “hunts” where children were raped and massacred by her dinner guests. <http://www.dailymail.co.uk/news/article-5816311/Queen-Maxima-Hollands-younger-sister-dies-33-suicide.html>

The year prior that same Court had found 40 global elites of the Ninth Circle guilty of child rape, torture and murder. Defendants included Queen Elizabeth, former Catholic Pope Benedict Ratzinger and Canadian Prime Minister Brent Harper. Ratzinger made his unprecedented resignation within days of the court decision. <http://itccs.org/2013/10/28/i-saw-joseph-ratzinger-murder-a-little-girl-eyewitness-to-a-1987-ritual-sacrifice-confirms-account-of-toos-nijenhuis-of-holland/>

ICLCJ Court proceedings had produced a document from Vatican archives named *Crimen Sollicitationas* that required Catholic officials to aid and conceal child rape and trafficking. As Canon Law and Crimen policy, this violence against children was ordered to be covered up by Catholic Church officials as a “Pontifical Secret.” Twelve defendants – bankers, religious leaders, mafia bosses, businessmen, politicians and World

Council of Churches officers – named as co-conspirators in the disappearance of eight children from Catholic facilities in Switzerland, Belgium and Italy.

A witness testified that they were present during meetings with the then Argentine priest and Bishop Francis and the military Junta during Argentina's 1970's Dirty War. According to the witness, Francis helped traffic 30,000 children of missing political prisoners into the Vatican Pedophile Ring.

Some of those children were believed buried in a Child Mass Gravesite in Spain – that the Vatican has continuously refused requests for excavation. See witness testimony: <https://www.youtube.com/watch?v=UvhfXAd08TE> and <http://youtu.be/cVYkctM1k90>

P. Tues. 23 Dec. 2025: From day one, he shattered the script. No political bloodline. No obedience to global elites. No rehearsed lies. He spoke in a language people recognized, raw, imperfect, direct, and that alone made him dangerous. Not because he was flawless, but because he wasn't owned. ...Donald J. Trump on Telegram

They threw everything at him. Media hysteria, endless investigations, courts, scandals recycled on loop. Not to correct him, but to break him. Because he pulled the curtain back. He named the machine. He showed the people how power really works, how narratives are manufactured, how corruption hides behind polished smiles.

Trump wasn't the problem. He was the interruption. The moment millions realized the system wasn't designed for them, but against them. He turned politics from a quiet backroom deal into a public battlefield. Once that happened, there was no going back to sleep.

This was never left versus right. It was control versus awakening. Globalism versus sovereignty. Fear versus defiance. And when Trump refused to bend, they showed their true face. Censorship. Lawfare. Weaponized institutions. All exposed in real time.

You don't need to idolize the man to understand the moment. History uses imperfect vessels to force change. And Trump's role was clear, disrupt the lie, fracture the illusion, wake the people.

The system hates him because he proved one thing. They are not untouchable. And once that truth is seen, it cannot be unseen.

Q. Remembering Lahaina Maui

The Deep State Cabal wanted to make the very valuable Native Hawaiian Capitol of Lahaina land into a SMART city, but the natives refused to sell this land of their forefathers. So on **August 8, 2023 at 6:37 a.m** Chinese Communist Party NORAD 555836 Direct Energy Weapon Lasers burned Lahaina and Kula Maui to the ground.

The resulting fires were the most devastating mass casualty events in the Hawaii State history: 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/ unconfirmed deceased; 5,000+ people originally dislocated, 3,100 still displaced over two years later.

The Deep State Cabal Red Cross quit helping those victims over a year ago. The Democrat leadership of Hawaii has made it almost impossible for the native Hawaiians to rebuild on their own land.

Every day since the Kingdom of AKUA Foundation Native Hawaiian Volunteers have been supplying three meals a day and support to their now over 3,100 still-displaced fellow victims.

R. Tim Ballard has worked undercover in the US and in multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today Tim continues to dismantle child trafficking rings and save children around the World through his Tim Ballard Foundation. Just as a film about Ballard's work, "*Sound of Freedom*," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. A new movie and book about his work was about to be released called *Hidden War*.

S. Kaitlynn Hunter has spent seven years in Ohio Foster Care Hell for no apparent reason other than to be abused in a CIA Mind Control Program See: <https://www.givesendgo.com/GDX1Z>

There she has been denied basic medical care for beatings that included head concussions, denied schooling, she has been raped and deliberately starved for over a year where she lost 60 pounds. She has been denied visitation rights with her mother. Her mother now faces court charges for protecting her for several months when she ran away from the abusive foster home.

Readers, please put Kaitlynn Hunter, her mother Jeannine and Grandma Betty in your prayers tonight. For the past seven years they as a family, have been denied life, liberty and happiness by the Ohio Courts and Child Protective Services.

Now they face even more abuse.

Right now Kaitlynn appears to be in grave danger. For the past seven years she has been ripped from those she loves and denied basic visitation rights while being raped, beaten, starved and denied education in Ohio Foster Care.

Kaitlynn appears to be in an abusive situation and in need of money just to get to school, plus \$900 to be released from foster care. Even though she turned 18 this December and should be automatically aged out of Foster Care, Ohio Child Protective Services won't release her. They say she must pay \$900 in (made up court fines).

My feeling is that the real reason was because she is a prime witness to past CPS rapes and abuse on herself and others in what has been described as a CIA Mind Control programming for their Child Sex Trafficking Ring.

They appear to be deliberately making her walk through a very rough neighborhood to go to school, resulting in her being a prime target to be kidnapped. Evidently she has been paying for rides, but has run out of money.

Please help with the \$900 owed court fines and school expenses. Any money sent goes directly to her: [https://cash.app/\\$KATHUNTER3](https://cash.app/$KATHUNTER3) [https://cash.app/\\$KATHUNTER3](https://cash.app/$KATHUNTER3)

Grandma Betty is in critical care because of a fall and in need of a med bed.

Jeannine says, "We need Christmas miracles: They need to drop these insane charges for me protecting Kaitlynn and allow Kaitlynn to be with her very ill grandma, come home and put an end to this needless retaliation and suffering of an innocent mother and daughter.

"We are the victims (corpus delecti) not the county and state who have profited off of our legal abuse, denial of due process by Guernsey county sheriff department, Guernsey County CPS, Juvenile Judge David Bennett, Judge Stephanie Williams in this insane seven year tribulatory void abinitio case that began 11 Feb. 2019 when our lives stopped because they wouldn't let me present my home schooling records in court.

"Kaitlynn should have been home in 2019. In the copcam video of the well check over homeschool [deprivation of rights to speak, present lawful superintendent approved homeschool curriculum for religious reasons, covering up a cop assault via perjury, defamation, interference of custody and obstruction of justice].

“Ohio Attorneys, CPS agents, cops and judges have never allowed Kaitlynn and I justice to this day. Only retaliation and silenced via lawfare on the taxpayer's dollar.

“She is 18 and denied even the right to call me or have any contact with me over my charges of obstruction of justice and interference of custody for protecting her!!!!

“If she were to come home, she could be loved by her family. I worry about her 24/7 knowing her needs are never met in foster care.

“I haven't celebrated a holiday since Kaitlynn was kidnapped, age 11 in 2019 when our lives stopped.”
