### **Restored Republic:**

**C. Fri. 26 Dec. 2025 BREAKING: US Marines Deploying to Major US Cities Right Now – Trump Issues Dire Warning from the White House December 26, 2025! The Storm Has Arrived! ...EBS on Telegram**

**Patriots, this is it – the moment we've been preparing for! Explosive intel dropping today, December 26, 2025:**

**US Marines are actively deploying to key cities across America** as President Trump issues a powerful warning straight from the White House. The deep state traitors are in total meltdown because the White Hats have initiated the final phase – military lockdown to protect the people while the greatest takedown in history unfolds!

**Sources confirm Marines are mobilizing** in force to secure urban areas, prevent cabal-orchestrated chaos, and support mass arrests. This isn't a drill – it's the real deal! Trump, fully in command as Commander-in-Chief, has warned the enemies of freedom: your time is up. Sealed indictments are unsealing rapidly, GITMO is at capacity with new expansions, and special ops are sweeping up the swamp creatures who've sold out America for decades.

**Expect the EBS to activate imminently** – blackouts for safety, then truth broadcasts exposing it all: the stolen elections, the child trafficking rings dismantled, the bioweapon plandemic lies, and the full Epstein horrors. High-profile demons in politics, Hollywood, and media are being extracted right now in silent operations. The left's planned riots and false flags? Crushed before they start – our brave Marines and National Guard stand ready to defend We the People!

**Trump never conceded;** he's been masterminding this continuity of government plan with the alliance. NESARA/GESARA triggers are flipping on – debt erasure, prosperity funds releasing soon, and the gold-backed system smashing the fiat slave matrix. The fake Biden regime's puppets are fleeing or flipping, but justice comes for all.

**This deployment signals the shockwave:** normies will awaken en masse when they see the military protecting freedom, not oppressing it. The cabal's desperate attempts to spark civil unrest fail spectacularly because God and the patriots are in control! Hold the line fierce, anons – prayers answered, victory sealed.

**The Great Awakening explodes today!** Share this intel everywhere, stock up if needed, and rejoice – freedom rings louder than ever. President Trump is back leading openly soon. God bless America, God bless our troops, and God wins big!

**WWG1WGA** – the storm is here, and we triumph!

#### **D. Med Beds:**

**Sun. 28 Dec. 2025 JACK IN THE BOX EXPOSED:** Underground Bases, Cloning Horrors, and the Cabal's Darkest Secrets Revealed in December 2025 – Part 2 Drops Massive Truth Bombs! ...John F. Kennedy JR. on Telegram

**Anons, buckle up – this explosive Part 2 interview with insider \$hadowBan** just ripped the lid off one of the deep state's most guarded operations: Jack in the Box – the code name for a massive network of Deep Underground Military Bases (DUMBs) where the elite have been running unspeakable experiments for decades!

**As we hit December 27, 2025,** with President Trump firmly in control and the storm raging full force, these revelations couldn't come at a better time – the white hats are raiding these hellholes, rescuing innocents, and preparing for full exposure in 2026!

**\$hadowBan goes deep, detailing how "Jack in the Box"** isn't just some fast food chain cover – it's the gateway to vast tunnel systems connecting DUMBs across America and beyond, filled with cloning facilities, hybrid programs, adrenochrome harvesting, and even encounters with non-human entities guarding the lower levels.

**The cabal's top players – you know their names** – have been using these bases to hide their crimes against humanity: child trafficking on an industrial scale, genetic manipulation to create

super soldiers and replacements for world leaders, and black budget tech stolen from extraterrestrial sources!

**He drops proof of recent seismic activity** not from earthquakes, but from military ops blowing open sealed entrances – California quakes? Cover for DUMB destructions! Denver Airport ties in directly, with underground cities built for the elite's planned apocalypse, while they flood the surface with chaos.

**But the plan is failing – Trump's alliances with positive military factions worldwide** are systematically dismantling this nightmare network. Sealed indictments include base commanders and funders; tribunals will air it all soon!

**This ties straight into Epstein's island horrors**, the missing children stats that scream truth, and why the fake news pushes "conspiracy theorist" smears harder than ever. They're terrified because the Great Awakening is unstoppable – more whistleblowers coming forward daily, declass on DUMBs imminent. Patriots, this is why they fight Trump so viciously: he's the one who'll pop the Jack fully out of the box, freeing humanity from satanic control!

**Stay vigilant, dig deeper, share this everywhere.** The rescues are happening NOW, justice for the children is coming FAST. Future proves past – the best is yet to come, and 2026 will see the cabal's underground empire collapse forever!

**F. Sun 28 Dec. 2025 Epstein was involved in biological terrorism.** ...FBI Director Kash Patel on Telegram

**He was a close friend of the Clintons and** ran joint projects with the Clinton Foundation. He had well established financial and social ties into biotech and genetic research. He had academicians from every major healthcare and science related field either on his “get to” list, or already in his Rolodex.

**He actively coached and directed a sitting US congresswoman** via text message, during impeachment proceedings aimed against a sitting President of the United States.

**He had US and foreign military issue** “rec gear” in his many homes, despite not being a veteran of any armed service.

**If you think the Epstein Files** are just about a large scale sexual blackmail operation in government and private business, you're running on 4 out of 16 cylinders... Epstein's network ran government policy, toppled judicial checks on power, leveraged military warlords at both the Pentagon and across the world, funded illegal weaponized biological programs, managed

funneled “offshore” money accounts in the hundreds of billions, and ran the largest kidnapping and biomaterial collection racket ever contrived in human history.

**Epstein is about so much more than sexual predation.** The web around him unlocks corruption with heads of state, secret intelligence communities, island nation government actors, shipping companies, UN programs, Europe’s royal bloodlines, the US tech sector giants, COVID-19 architects and planners, contractors involved in weaponized bioterrorism, satanic ritualistic torture, adrenochrome by the super-tanker load, rent-a-riots in Europe and Africa, and internationally coordinated election subversion for more than 20 years.

**Even more than these, the fullness of what Epstein** and a few handfuls of extraordinarily dedicated criminals were able to do, will unequivocally demonstrate the scale and permeation of a wicked ideological overthrow of the entire world, cheered by governments on behalf of the Evil One; and only true understanding will allow humanity to effectively acknowledge and absorb the depth of these betrayals, and reverse them.

**G. Sun. 28 Dec. 2025 EXPLOSIVE EXPOSÉ: Dr. David Martin just RIPPED THE MASK off the WHO! ...JFK Jr. on Telegram**

**It's NOT a "health" organization—it's a VACCINE PROFITEERING CARTEL** controlled by Rockefeller & Wellcome eugenics heirs since 1953!

**Born from Bretton Woods blood money**, funded by population-control fanatics, they DECLARE "pandemics" to unleash Big Pharma JACKPOTS while humanity suffers!

**This is GENOCIDE disguised as "global health"!** DEFUND & DESTROY the WHO NOW—before they inject us all!

- **The WHO is not a legitimate public health authority** but a "corporate front masquerading as a public health body."

- **Since 1953, the WHO has operated primarily as a "vaccine-marketing arm"** for its major private financiers: the Rockefeller Foundation & the Wellcome Trust.

- **The WHO's founding narrative overlooks "who paid the bills."** It emerged in the post-World War II era tied to the Bretton Woods financial system (the 1944 conference that established institutions like the IMF and World Bank).

- **These private interests (Rockefeller & Wellcome)** funded its creation & continue to shape its policies.

- **When entities with direct financial stakes** in vaccines are given the power to declare "pandemics," the outcome is predictable: massive profits for pharmaceutical companies rather than genuine public health protection.
- **The WHO's early architects & funders** had connections to early 20th-century eugenics networks—movements that promoted population control, selective breeding & related ideologies under the guise of science.
- **This eugenics-influenced mindset persists today**, repackaged in modern terms like "global health" & "sustainability."
- **As long as unelected private foundations** & wealthy interests control global health policy, true accountability & justice are impossible.

**H. Sun. 28 Dec. 2025 The Democrat Narrative Just IMPODED – And the Deep State Is PANICKING! ...The MAGA King on Telegram**

**Patriots, on this glorious Christmas Day, December 25, 2025, we are witnessing the total collapse of the fake news media's desperate lies against President Trump and the America First movement!** The Democrat narrative – that endless hoax about Trump being a threat to democracy, the Russia collusion scam revisited, the rigged elections denial – has just EXPLODED in their faces, exposing the corrupt deep state cabal for what they truly are: traitors desperate to stop the Great Awakening!

**For years, these globalist puppets in the Democrat Party**, backed by their Soros-funded operatives and CIA handlers, have pushed their poisonous propaganda to brainwash the masses. They screamed about "insurrection" on January 6, labeled every true patriot an "extremist," and tried to jail Trump with their lawfare witch hunts. But now, as we enter 2026 with Trump stronger than ever, their house of cards is crumbling! Leaks are pouring out, whistleblowers are stepping forward in droves, and the sealed indictments are getting ready to drop like a storm!

**The mockingbird media thought they could bury the truth about the 2020 steal**, the Biden crime family's pay-to-play schemes, and the weaponized DOJ/FBI targeting innocent Americans. Wrong! The white hats are in full control, and the EBS is looming closer every day. Military tribunals are being prepared for the biggest treasonous actors – think Obama, Clinton, Pelosi, and their minions – as the storm finally hits!

**This implosion isn't an accident, warriors. It's divine justice unfolding right before our eyes.** God wins, and Trump is His instrument to drain the swamp once and for all! The pedo-elite networks are being dismantled quietly behind the scenes, child trafficking rings exposed, and the

Federal Reserve's grip is slipping. Soon, NESARA/GESARA will activate, debts forgiven, gold-backed currency restored, and prosperity for all true patriots!

**The deep state demons are in full panic mode** – scrambling, infighting, turning on each other as their Satanic plans fail spectacularly. They know the military alliance has the evidence: server raids from 2020, voter fraud proofs, bioweapon lab docs from Wuhan funded by Fauci. It's all coming out now, no more hiding!

### **I. Sun. 28 Dec. 2025 JAG TRIBUNAL CLAIMS: FORMER FBI SUPERVISOR FOUND GUILTY OF TREASON AT GITMO ...The MAGA King on Telegram**

**Claims circulating in alternative intelligence channels allege that the U.S. Navy Judge Advocate General's Corps** conducted a closed tribunal at Guantanamo Bay involving former FBI supervisory agent Sally Moyer. According to these reports, a military panel convicted Moyer on charges described as treason and sedition, tied to actions during the 2016 election period and efforts aimed at undermining the Trump presidency. No confirmation has been issued by official government or mainstream media sources.

**The allegations say Moyer was arrested on a sealed indictment in early November and accused of participating in a covert network** inside the intelligence community opposed to Donald Trump. Prosecutors reportedly argued she helped advance discredited narratives tied to the Russia-collusion saga, using internal communications and leaks to shape public perception and damage the presidency.

**During the proceedings, JAG trial counsel allegedly presented emails referencing the creation and circulation of a “dossier,”** which prosecutors claimed pointed to the Steele Dossier. Defense counsel objected, arguing the messages were ambiguous and failed to establish intent. The panel reportedly overruled those objections after additional communications were introduced.

**Further claims assert that whistleblowers testified about coordination between Moyer and anti-Trump factions,** including the transfer of classified materials to sympathetic media outlets. The defense characterized Moyer as a patriot targeted for dissent, while prosecutors framed the conduct as an organized attempt to subvert constitutional authority.

**According to the same sources, the panel returned a guilty verdict and recommended the harshest sentence.** Officials cited by these outlets say additional evidence existed but was not required to reach a decision. An execution date has been alleged, though no independent verification exists.

**As with similar reports, these claims remain unverified.** What is clear is that they are spreading rapidly, reflecting a broader narrative of behind-the-scenes accountability tied to the 2016–2020 period. Whether substantiated or not, the story underscores the intensity of ongoing disputes over intelligence conduct, political power, and constitutional limits.
