***"Ask not what your country can do for you—ask what you can do for your country."***

**...President John F. Kennedy**

**Judy Note: Patriots, we are in trouble – with a strong need to rescue ourselves.**

**For years politicians and Bureaucrats** have funneled US Taxpayer monies to fake non profits in order to fund their mansions and private jets according to head of the DOGE Audits Elon Musk.

**FBI investigations and those same DOGE audits** also show that for years over 800 Minnesota Somali fake transportation companies (that have no passengers) and over 50 Minnesota Somali fake Day Care Centers (with no children) have stolen multi millions of US Taxpayer dollars.

**Patriots in other states such as in Ohio** were demanding investigations of fake transportation companies and Day Care Centers where the same was suspected.

**Tucker Carlson has produced a video** of two companies which own over half of US Veterinarian Hospitals that have doubled their prices over the last year.

**According to IRS records California's Governor Newsom** has been running a criminal enterprise.

**The US companies of Smartmatic & Dominion Voting Machines** have been found tied to Venezuela, China and CIA Global Election Fraud according to John F. Kennedy Jr. on Telegram.

**Most concerning, decades ago the Reverend Kevin Annett** began an investigation that uncovered that the Canadian Government made a pact with different churches, but mainly the Vatican, to eliminate the Canadian Native Indian Tribes so they could take possession of their land and resources.

**In line with that**, over the years and in cooperation with the CIA, Church Officials have tortured & murdered over 60,000 Canadian Native Children who were forced to reside in 80 mainly Catholic Residential Schools across Canada.

**Worst of all – no one was known to have been tried or prosecuted for the genocide of millions of innocent children – a genocide** that was suspected to still be going on today, not only in Canada, but throughout the US and across the World.

**...Until along came Donald Trump and the Q Movement.**

**The above perpetrators** were known to be Satan worshippers – those who have held the Global Financial System hostage for decades.

**This week that was set to change.**

**The greatest wealth transfer in human history** – full activation of the gold/asset-backed Quantum Financial System (QFS) – was set to publicly launch on **Thurs. 1 Jan. 2026.**

**In planning for over twenty years, this Global Currency Revaluation** from fiat to gold/asset-backed currencies was now irreversible, with over 200 nations fully integrated into the QFS.

**Prosperity funds were positioned for release**, redirecting trillions from corrupt entities back to The People.

**NESARA/GESARA protocols are activating worldwide**, bringing universal debt forgiveness that will erase mortgages, credit cards, loans, and unjust taxes imposed by the old cabal system.

**Tier 4B notifications and redemption appointments are expected imminently, potentially overnight into Wed. 31 December**, allowing humanitarian groups and currency holders to access their blessed funds for projects that uplift communities and heal the planet.

**Advanced Med Beds, powered by quantum technology**, stand ready for distribution post-transition, offering miraculous healing for all who have suffered under the previous regime's suppression of true medicine.

**Trusted military sources have indicated that the greatest sting operation in history** has been reaching its climax. Mass arrests of Deep State elites involved in unspeakable crimes against humanity were accelerating worldwide, with sealed indictments now exceeding half a million being executed under the direction of the Global Military Alliance.

**The Storm has arrived in full force**, exposing layers of corruption that have long enslaved nations.

**Reports confirm ongoing rescues of innocent children** from underground facilities and trafficking networks that have operated in the shadows for decades. Thousands of traumatized survivors are receiving care as brave special forces teams dismantle these horrific operations across continents.

**The Emergency Broadcast System remains on high alert**, poised for activation that could initiate the Ten Days of Darkness—a period of global communication blackout designed to protect the public while broadcasting undeniable evidence of elite crimes, including child exploitation and ritual abuse.

**You are advised to Stock essentials**, secure your homes, and turn to prayer. The transition may bring temporary challenges, but it heralds the liberation of humanity from centuries of oppression. The Almighty's hand guides this restoration, ensuring that no evil escapes accountability.

**According to FBI Director Kash Patel**, a military intelligence movement was born after Lincoln was assassinated. It's purpose was to eliminate a global financial system long controlled by Global bankers and political operators. This Q movement solidified with JFK and reactivated to put Donald Trump into office.

**Trump knew about the corruption from day one.**

**The US was never truly free.** Corporate Law, Admiralty systems and private financial control has kept the nation in debt in an illusion supported by a paid-for Mainstream Media.

**Meanwhile trillions were stolen from The People** by the Satan Worshipping, Child Sacrificing Cabal. They even charged us interest to use our own money.

**Trump countered with his Executive Authority**, Continuity Orders and a Global Military Alliance. Space Force was activated. The old system was quietly frozen.

**On. Sat. 20 Dec. 2025**, with one stroke of his pen, Trump shifted everything. Nine days later it began.

## Timing

**A. Mon. 29 Dec. 2025: This Reset of the World's Financial, Medical, Judicial, and Spiritual Systems is a worldwide event about to enter its execution phase. It is the final stage of a Plan to save the world from the networks you know as the Illuminati Cabal....** FBI Director Kash Patel on Telegram

**This criminal structure**, long alleged to operate through covert channels, is described as having leveraged institutions and black budgets to entrench power via Central Banks across the globe.

**Their coercive rites and intimidation tactics** have been enforced by mafia-style syndicates that fuel international exploitation, kidnapping, and contraband pipelines. The schedule below is designed to end the seasonal ritualization of harm and to cut off their influence at the root.

**During this Reset, all qualifying adults worldwide** will receive financial accounts called wallets on the Starlink satellite network. These wallets will be credited with GESARA funds sourced from assets reclaimed from criminal networks.

### **WORLDWIDE RESET OF SYSTEMS: FINANCIAL, MEDICAL, JUDICIAL, SPIRITUAL**

- **At 9:00 AM EST on Sun. Dec 28, 2025** the go-code posted to the board.
- **At 23:11 Zulu on Mon. Dec 29, 2025** the Quantum Signal fired from the Cheyenne Mountain complex.
- **Once the EBS Master Switch is flipped**, every TV, radio, and internet channel will consolidate to one secured frequency.
- **On Sun. Dec 28, global bank servers entered "Cyber Review."** Within 48 hours they will return online under QFS authority.
- **The Worldwide Emergency Broadcast will follow.** When your phone chirps three short and one long, it is live. All devices and platforms will be seized for a unified broadcast.
- **Every eligible citizen will receive GESARA credits** in a Starlink wallet.
- **Med Bed Release Phase 1**, code name "Horizon Dawn," is scheduled for Tue. Jan 13, 2026.
- **Civilian rollout of Med Beds** will follow within 72 hours.

**This operation has been attributed** to a long-standing movement that traces its organizing lineage through historic reform efforts and, in recent years, to a Global Military Alliance that has focused on arrests and recovery operations aimed at dismantling criminal networks

**Wed. 31 Dec. 2025 Non Profits Funded With No Accountability:** This is why no NGO money launderers never go to jail. Elon Musk CONFIRMS the taxpayer money politicians and bureaucrats are sending to fake NGOs are being used to purchase themselves MANSIONS AND PRIVATE JETS. "A fake NGO — they then give themselves extremely lavish, insane salaries, expense everything to the nonprofit, buy jets and homes and all sorts of things. Live like kings and queens on the taxpayer dime." ...JFK Jr. on Telegram

**Wed. 31 Dec. 2025 The Internal Revenue Service has confirmed that Gavin Newsom is running a criminal enterprise.** Spencer Pratt met with criminal investigators at the IRS — \$800 million given as aid via "Fire Aid" for Pacific Palisades and Los Angeles fire victims never reached the victims — not a single dollar — while Governor Gavin Newsom has his Section 8 secured through theft. Now, you ask: where the fuck did the money go? Well, NGOs — including one called "Cal Volunteers," an NGO Gavin Newsom and his wife created. And now "Fire Aid" has just stripped "Cal Volunteers" from its website (as a recipient) as the news broke. How's that for a racket?

**Tues. 30 Dec. 2025 Elon Musk:** "The DOGE Investigation has found fraud in every single government department."

**Wed. 31 Dec. 2025 Minnesota Day Care Alex Jones:** The man who was in Nick Shirley's video has gone to 50 Somali "day cares" on his own and NOT ONE has children. "They average about \$2.5 million a year! I go there in the morning, afternoon and night — no kids there EVER."

**Wed. 31 Dec. 2025 Another Somalia Immigrant scam uncovered by Nick Shirley in Minnesota.** Somalis are creating fake transportation companies. They pretend to take people to and from appointments, but not a single one ever has a passenger. THERE ARE OVER 800 of these Somali owned in Minnesota. "I started to see all these transportation companies going around and it was always a Somali driver — but they never had a passenger, never ever once. — So then I found out that in Minnesota, they have something called non-emergency medical transportation. So this is going to the dentist office, therapy, whatever it might be — and the research came back that there are 1,020 of them, and more than 800 of them are Somali-owned. Nobody from the state of Minnesota ever cross-checks to see if any rides were ever actually provided. All they did was write the check."

**Wed. 31 Dec. 2025 Americans are now growing suspicious of other "Childcare" locations nationwide** that receive taxpayer subsidies, with a list emerging from UTAH all with African or Arab names. It's also been confirmed many so-called "care" centers max out donations to Somali and Muslim candidates in and out-of-state. All 50 states need to be immediately auditing their care programs, NOW.

**Wed. 31 Dec. 2025 Chicago is flirting with SECESSION** — Mayor Brandon Johnson is establishing "ICE FREE ZONES" and saying he wants a REMATCH of the CIVIL WAR. Chicago PD just pulled a BENGHAZI and left ICE Agents TRAPPED after getting RAMMED by ARMED THUGS

**On Tues. 30 Dec. 2025 Tucker Carlson** posted a video about the Vet industry. Two companies currently own over half the vet hospitals in US and have doubled their prices in the last year. ## **World Economic Situation:**

**C. Tues. 30 Dec. 2025: TREASURY CONFIRMS MASSIVE TAX REFUNDS COMING IN 2026** ...Ezra Cohen on Telegram

**The U.S. Treasury has effectively admitted** what millions of working Americans have felt for years but were never told out loud: they paid too much. In a rare and revealing statement, Scott Bessent confirmed that the first quarter of 2026 is shaping up to be an unprecedented refund year, driven by years of over-withholding that quietly drained paychecks across the country.

**This was not framed as a political speech**, but as a technical observation from inside the system. The implication is explosive. Truck drivers, nurses, veterans, small business owners, and salaried workers carried a tax burden heavier than required, while inflation surged and wages lagged. The system benefited from that silence. The people absorbed the cost.

According to Treasury projections, 2026 will combine several forces at once: historically large tax refunds, record tariff revenue approaching two hundred billion dollars, inflation cooling toward the low single digits, and GDP growth accelerating. The groundwork was laid in 2025. The financial release valve opens in 2026. That is not a slogan. That is arithmetic.

**Tax withholding has long functioned as a quiet extraction mechanism.** Most people never adjusted it, and the system counted on that. Overcollection funded programs, agendas, and spending priorities without transparency or consent. What makes this moment different is not the refunds themselves, but the admission that the overpayment was real and widespread.

**When a Treasury Secretary uses the phrase “gigantic refund year,”** it signals more than routine reconciliation. Tens of millions of Americans are likely to receive larger-than-expected refunds. The Treasury will feel the cash outflow. And the carefully maintained narrative of fiscal balance will crack under scrutiny.

**This also places 2026 squarely into political territory.** Whoever attempts to claim credit, the underlying truth remains unchanged. Working Americans were overtaxed. They were not warned. And now a correction is coming, financial first, political second.

**This is not about tax software or paperwork.** It is about a system that knew most people would never touch their withholding, quietly benefited from that inertia, and offered no clarity until now. By acknowledging the scale of the refunds ahead, the curtain has been pulled back just enough to expose how long the imbalance lasted.

**The message is simple and unavoidable.** You paid more than you should have. The system kept it. And in 2026, it will have to give a large part of it back. Hold onto your records. The numbers are finally catching up to the truth.

## **Voter Fraud:**

**D. Tues. 30 Dec. 2025: SMARTMATIC & DOMINION voting machines are the foreign puppet masters of the global election fraud cartel.** ...John F. Kennedy Jr. on Telegram

**Dominion Voting Systems**—purportedly a U.S.-based company with ties to Venezuela operating with its true "center of gravity" in Serbia, backed by Chinese influence.

**Venezuelan, Chinese, and Serbian** engineers hold admin keys to manipulate US elections.

**There is a pattern of deception** with around 15 different cheating methods, but this backdoor exploit stands out for its stealth, scale, and capability to be accessed from almost anywhere.

**Smartmatic's election-rigging source code**, owned by Venezuela's narco-regime (Cartel del Sol), powers Dominion systems and is designed to flip votes completely undetected.

**The key ties lay within the Serbian Hub.** Dominion's Belgrade office houses swing-state voter data on Huawei servers – directly linked to CCP-controlled Huawei in Hong Kong.

**CCP fingerprints are all over this** and the shadow player. The hardware is built in Beijing and snuck through Taiwan in violation of US law. Huawei flagged as natsec threat by the FCC.

**The "Glitch Trap" is one of the easiest** and most common methods of election fraud. Pre-election "glitches" in Dominion machines are no accident. These prompt emergency patches that conveniently open backdoors, allowing remote access from Dominion's Serbian offices.

**Now, it's on to the foreign side of the actual election manipulation.** Far from mere R&D, the Serbian hub is described as the operational core, running on Huawei servers—Chinese technology at the heart of U.S. elections. Chinese nationals, funneled through a military institute, log in during elections to manipulate results.

**Virtual manipulation is crucial to the facade** until the completion of the manipulation occurs. Using virtual machines software-based servers created invisibly within county election systems—intruders reportedly alter databases at will. Once done, they collapse the virtual setup, leaving no trace unless a deep forensic audit uncovers the digital footprints.

**This isn't just fraud it's a national security threat.** It's foreign interference by Maduro's cartel, China's CCP, and the globalist deep state cabal to steal democracies in the U.S. and in 100+ other countries worldwide.

**E. Tues. 30 Dec. 2025 Election officials testify that DOMINION voting machines were sending and receiving signals through wifi and connecting to the internet in an active voting location during the 2020 election.** ...Steve Bannon on Telegram

**A Georgia election official also testified that QR codes** located on ballots were used to tabulate votes through the machines instead of the markings made by voters on the actual ballots themselves.

**This proves that there is no way to actually confirm that Joe Biden won the 2020 election** because the QR code cannot be read or verified by election officials to determine what the QR code is actually telling the voting machines to tabulate for since it is not reading the actual filled in selections by the voter.

**This is just another variable** and a method to program the machines to manipulate, read, and rig an election in your favor.

**F. Tues. 30 Dec. 2025 CASE UPDATE: MINNESOTA FRAUD SCHEME ...**Dan Bongino on Telegram

**The FBI is aware of recent social media reports in Minnesota.** However, even before the public conversation escalated online, the FBI had surged personnel and investigative resources to Minnesota to dismantle large-scale fraud schemes exploiting federal programs. Fraud that steals from taxpayers and robs vulnerable children will remain a top FBI priority in Minnesota and nationwide.

**To date, the FBI dismantled a \$250 million fraud scheme** that stole federal food aid meant for vulnerable children during COVID. The investigation exposed sham vendors, shell companies, and large-scale money laundering tied to the Feeding Our Future network.

**The case led to 78 indictments and 57 convictions.** Defendants included Abdiwahab Ahmed Mohamud, Ahmed Ali, Hussein Farah, Abdullahe Nur Jesow, Asha Farhan Hassan, Ousman Camara, and Abdirashid Bixi Dool, each charged for roles ranging from wire fraud to money laundering and conspiracy.

**These criminals didn't just engaged in historic fraud,** but tried to subvert justice as well. Abdimajid Mohamed Nur and others were charged for attempting to bribe a juror with \$120,000 in cash. Those responsible pleaded guilty and were sentenced, including a 10-year prison term and nearly \$48 million in restitution in related cases.

**The FBI believes this is just the tip of a very large iceberg.** We will continue to follow the money and protect children, and this investigation very much remains ongoing.

**Furthermore, many are also being referred to immigrations officials** for possible further denaturalization and deportation proceedings where eligible.

***G. Save The Children***

**“The Admission” by Kevin Annett**

**Genocide in Canada:** [www.murderbydecree.com](http://www.murderbydecree.com)

The man was friendly, as his kind always are. He paid for our tea and muffins and seemed genuinely concerned when I spoke of my recent divorce and being robbed of my daughters. He was, after all, an expert on children.

“They were generally well-behaved kids, but there were always the ne’er do wells who tried running away,” he smiled. “We gave them a single warning. If they persisted, they went on bread and water for a week. Sometimes not even the bread. A second offense brought more severe punishment.”

His name was Terrance MacNamara and until 1982 he had been an Oblate priest at the Catholic “Indian residential school” on Kuper Island. He spoke to me on a rainy Vancouver day in 1996 with the glib self-confidence of someone who knew he would never stand trial.

“What does ‘more severe punishment’ mean?” I asked him.

“We had wooden stocks set up in the yard. And we used them, rain or shine. Three days and three nights in the stocks. That was the prescribed punishment for felons.”

“But how could they be ‘felons’?” I asked, confused. “They were just children!”

“You obviously haven’t read the federal legislation regarding Indians, my friend,” Terrance smiled again with a gloating look.

“What else did you do, besides locking kids in the stocks?” I demanded, my anger boiling.

“Well, flogging the malcontents in front of the other children was always a good deterrent,” he said matter of factly. “Then we’d put them in manacles and lock them in the cellar. But even that didn’t stop the worst of them. So then, more extreme measures had to be taken.”

I angrily tossed a death record from the Kuper Island Indian school onto the table. “Is that why over half the children died at Kuper?” I exclaimed. “From ‘extreme measures’?”

“No, of course not,” he snapped. “Outright murder of so many would have been too crude and messy. We let the weak ones starve to death. But the best method was to lock them in together, the healthy with the sick, and never treat any of them. That way, tuberculosis got rid of most of them. That was death by so-called natural causes, you see? All neat and tidy for the records.”

It was a most un-Canadian moment, when a participant in official mass murder admitted to the crime. But it was not an admission of guilt, for he was not guilty of any wrongdoing in Canada, either then or now.

“And nobody objected?” I said to him, shocked. “Object?” he chuckled. “Who would object? All the churches did it. The system was government approved and perfectly legal.”

“That was the Nazis’ defense at the Nuremberg Trials,” I remarked.

“And they were right,” Terrance smiled as he sipped his tea.

I almost decked him right there, especially since I had learned from other former staffers about the Nazi doctors who had experimented on children at the Kuper Island school before and after World War Two. But I was determined to draw him out, and I had the ammunition to do it with.

“Did you know a local boy named Richard Thomas?” I asked him. “His sister Belvy claims that you and Principal Dunlop killed Richard right after he threatened to tell his family about the mass graves of kids behind the school.”

Terrance frowned for the first time as I handed him Belvy Breber’s affidavit. “Belvy says you made all the children walk by Richard’s dead body and you told them they’d be killed too if they ever spoke about what went on at Kuper.”

I expected the priest to become angry and self-defensive. Instead, he said with an icy calm, “The trouble with bleeding hearts like you is you don’t understand what has to be done to bring the Indians to salvation and into the modern world.”

People who think they’re god and are untouchable can be goaded into disclosing things they shouldn’t. So, as I was doing with the United Church officials who were just then gutting my life and livelihood, I provoked Terrance to disclose even more. “I hear every residential school had a punishment log,” I said. “How about you guys?”

“Naturally we had one,” he said. “It was a government regulation to record everything we did to the kids. And not just the punishments. The special treatments too, like for the children tagged for the Indian hospitals or the Defense Research labs.”

“You mean for medical experiments?”

“Of course,” he said, scratching his white whiskers. “Sterilizations, drug testing, behavior modification, the whole gamut. We made a lot of money farming out the kids that way.”

“And that included working with German doctors like Heinz Lehmann, Ruth Kyander, and even Josef Mengele of Auschwitz infamy, is that right?” I asked him.

He stared at me coldly again, but with a deeper malevolence that chilled me. “You may think you’re smart, Reverend, but you’re the one in danger,” Terrance said quietly. “I’m the protected one, not you. I can admit to anything, and nothing will ever happen. Most of our records were trashed and shredded long ago. No-one will believe you if you try speaking about this. They’ll say you’re crazy and you’re making it all up. You’ll face imprisonment, or even worse. So, you should think carefully about that before you say another word.”

I’ve never liked being told what to do, and his smug warning made me explode. “How the hell can you sleep at night when you murdered so many children?” I exclaimed.

“I sleep fine,” Terrance retorted. “I have three children and five grandchildren now, and I’m still a deacon in my church. I’m a very happy and contented man.”

He was indeed, by his expression. And to prove his point and rub salt in my open wounds, Terrance went on to ply me with accounts of children’s teeth being pulled without painkillers, of secret midnight burials and incinerations of little bodies, and of the mandatory monthly “death quota” in the Indian residential schools prescribed by church and state officials.

Terrance finally stopped and stared at me self-assuredly. “I’m not a monster, Reverend,” he said. “I was just one of many people. The whole country either knows about this or doesn’t want to know. Nobody will ever be prosecuted for what we did to those children. And if you keep this up, you’ll be the one who’ll suffer.”

Terrance MacNamara’s crude threat didn’t deter me, although it turned out to be an accurate prediction of what was to follow. For even now, nearly thirty years after my encounter with MacNamara and decades of campaigning and exposure, Christian Canada remains

unprosecuted and untarnished for its Group Crime. It's even pretending now that the slaughter of 60,000 children never happened. Because in Canada, nobody likes a snitch: even when the snitching is about tortured and murdered children.

Or, to quote Brian Thorpe, one of the top United Church officials who destroyed my life during that same revelatory year of 1996, "We all know about those dead children, Kevin. The only problem is you talked about it."

I can't think of a more perfect epitaph for our fallen nation.
