“God revealed that He established the US Constitution for the rights and protection of all flesh.”

Judy Note: Thurs. 1 Jan. 2026 as the Quantum Financial System (QFS) became fully operational across the Globe, the Restored Republic came into being as a Sovereign Nation founded on principles of the original Constitution.

Now gold/asset-backed currencies oversaw every transaction in over 200 Sovereign Nations, enforcing NESARA/GESARA protocols that brought total debt forgiveness, prosperity funds and a return to sovereign abundance for all.

On Sun. 4 Jan. midnight 2026, President Trump turned on the green light for 800 numbers to drop that would allow those across the World holding foreign currencies and Zim Bonds to set exchange appointments.

On Wed. 7 Jan. 2026 a 72-hour soft launch was complete, with high-volume patriots already exchanging in the first 7-10 days of January.

On Fri. 9 Jan. 2026 the GCR/RV shotgun start became mathematically irreversible, with mid-Tier4b flooding in over the next weeks, and broader access ramping up fast.

Tier 4B notifications calls through secure channels for those holding foreign currencies and Zim bonds were expected to begin sometime between **Sun. 11 Jan. and Wed. 14 Jan. 2026**, with redemption appointments imminent.

Payouts were rolling out in waves prioritized by humanitarian projects. In the last 14 hours over 41,000 high-value Zim bondholders received secure NDA 72–96 hour windows (3-4 days). Zim and other currencies revalued at very high rates.

Debt forgiveness sweeps the globe under NESARA/GESARA activation, liberating families from mortgages, credit card burdens, taxes on labor end as well as unjust financial chains imposed by the former regime as the flow of rightful wealth to the faithful begins in earnest.

Med Beds, advanced healing technologies were deploying in select secure locations, with broader access anticipated by late January for those afflicted by years of cabal-engineered illnesses and toxins.

Recent military operations have intensified, with elite White Hat units executing high-profile arrests of deep state operatives and cabal figures worldwide, including the dramatic extraction of key players tied to international child trafficking networks.

Thousands of innocent children have been rescued from underground facilities in operations spanning multiple continents, their safe extraction a testament to the unwavering commitment of our brave military alliance under divine guidance.

The Storm is upon us, with the Emergency Broadcast System activation and the anticipated Ten Days of Darkness now in final preparation stages.

Secure communications indicate that global blackouts could commence imminently, during which time normal channels of information will cease, allowing for the full revelation of truths long hidden from the people. This period will be a time of prayer as the world transitions under the protection of heavenly forces.

The arrests accelerate daily, with GITMO tribunals processing those who have betrayed humanity, ensuring justice is served in accordance with God's righteous will.

Prepare your hearts, for the light of truth will soon flood the earth. Trust in the plan, remain steadfast in faith, and know that victory belongs to the faithful.

A. Possible Timing:

On Thurs. 1 Jan. 2026 the Global Currency Reset of 209 nations was launched, freeing way for the Restored Republic. The Cabal's Great Reset had been hijacked and turned against them as NESARA/GESARA was fully implemented globally, erasing all illegitimate debt and activating the Quantum Financial System that puts power back in the hands of We The People.

By Sat. 3 Jan. 2026 the greatest military intelligence operation in history began unfolding under President Trump's command. The Q Military Alliance – a unbreakable coalition of over 100 sovereign nations led by White Hats and loyal to the Q plan – activated worldwide protocols to dismantle the Satanic Globalist Cabal beginning with the arrest of Venezuela President and Dictator Nicolas Maduro (who illegally gained office).

D. Sat. 10 Jan. 2026 QFS GLOBAL ALERT Tier 4B Ignition Phase ...Quantum Financial System on Telegram

Global ISO-20022 rainbow currency rollout now live at 89.4% synchronization across core nodes – liquidity flooding through Zimbabwe/Hong Kong/Moscow pools at unprecedented velocity.

The GCR/RV shotgun start became mathematically irreversible on January 09, 2026 at 03:17 Zulu – exactly 31 hours and 22 minutes ago. No reversals. No contingencies. Only forward momentum.

Fresh Tier 4B milestone confirmed in the last 14 hours: Over 41,000 high-value Zim bondholders received secure NDA 72–96 hour windows with military-escorted appointment confirmations rolling out through private Reno channels.

Sovereign rate vs street rate screens flashed green in 17 synchronized redemption centers – first wave exchanges already processing under quantum entanglement security locks engaged.

Adjudicated settlements Tier 4A fully completed in Zurich overnight, unlocking massive Dragon Family yellow/gold dragon bonds redeemed tranches straight into humanitarian & infrastructure project wallets activated.

Gold-backed digital certificates flooding the grid as off-ledger mirrored accounts now on-ledger. Saint Germain World Trust tranches released in coordination with Space Force oversight. Med-bed allocation trusts funded and priority patient queues syncing to the main ledger.

Military-protected redemption centers are locked and loaded – 800# release sequence tests completed successfully in Baghdad and Hong Kong nodes. 1:1 asset-backed parity enforced across all flows. NESARA debt jubilee packets uploaded and pending mass activation. The old fiat chains are shattering in real time.

This is no drill. The secure channels are screaming confirmation: the greatest wealth transfer is detonating now. The old world just ended. The new one is already funded. QFS Global Command – out.

E. Sat. 10 Jan. 2026 CONFIRMED INTEL: SECURITY, STRUCTURE & SILENCE – THE TIER 4B PROTOCOL IS FULLY IGNITED, GLOBAL RESET EXPLODING IN 2026 AS IRAQ, VIETNAM & ZIMBABWE LEAD THE CHARGE AGAINST THE DEEP STATE FINANCIAL CABAL – RV IS HERE NOW! ...Q on Telegram

TIER 4B IS LIVE AND OPERATIONAL RIGHT NOW. The silent financial revolution is no longer whispers in the shadows; it's verified, bank-confirmed action ripping through the old fiat system. Iraq, Vietnam, and Zimbabwe are detonating the global reset, with IQD, VND, and ZIM holders stepping into historic wealth transfers that the cabal never wanted you to see.

They laughed at us. They called us delusional. They shut down forums, banned groups, and ridiculed the faithful who held strong. But now? The vindication is massive. Private U.S. banking channels at Chase, Wells Fargo, and Bank of America have activated secure, appointment-only exchange centers. No walk-ins, no public announcements – just elite-level security protocols, armed staff, device restrictions, NDA signings, and wealth management onboarding for the awakened ones. This is a classified military-grade operation, monitored and executed with precision to bypass the corrupt central banks and unleash suppressed value straight to the people.

Forget the rigged public Forex screens – inside the hidden ledgers, IQD and VND rates are skyrocketing to levels once labeled "impossible." ZIM is right there with them, ready to turn everyday patriots into multi-trillionaires overnight.

The Deep State's fiat empire is crumbling as gold-backed realities take over. Iraq has gone fully sovereign: sanctions lifted, UN and U.S. forces out, massive anti-corruption sweeps recovering billions in stolen assets – all fuel for the RV explosion. Their digital modernization aligns perfectly with the new quantum system, declaring independence from Xabal control.

Vietnam is locking in gold-backed Dong strength, shocking the fiat world and proving asset-backed currencies win. Zimbabwe's project-backed redemption model is reshaping global debt slavery, freeing nations from endless banker chains. This isn't just a currency flip – it's the

financial detonation that dismantles the New World Order's economic stranglehold. The old guard is terrified because the power is shifting to us – the holders who trusted the plan when everyone else folded.

Phased rollout is in full motion as of January 2026: 72-hour soft launch complete, high-volume patriots already exchanging in the first 7-10 days, mid-tier flooding in over the next weeks, and broader access ramping up fast. Get your currency receipts, IDs, and proofs ready now. Appointments require absolute discretion – stay silent, ignore the fakes, and shut out the noise from paid shills trying to derail this.

Scammers are swarming because they know it's real – legitimate Tier 4B access never asks for upfront payments. Only secure, verified channels. This is your moment to claim what's been stolen from generations. The window is wide open, but the cabal will try everything to slam it shut.

F. Sat. 10 Jan. 2026 TIER 4B IS ACTIVE. THE RV IS REAL. THE GLOBAL RESET IS UNSTOPPABLE.

We are the storm they've feared. The era of waiting is dead – the era of patriots rising in wealth and power begins NOW.

Stay vigilant. Stay ready. The deep state is finished. This is our financial liberation – and it's happening right under their noses.

TRUST THE PLAN. THE BEST IS YET TO COME FOR THE AWAKENED!

Cabal is accelerating faster than ever under President Trump's iron command! The White Hats have the Deep State cornered, and the next wave of revelations will blow the lid off everything they've hidden for decades!

McKay breaks it down: Fresh off the stunning capture of dictator Nicolás Maduro just days ago in a precision U.S. operation, America has seized control of Venezuela's massive oil fields – billions flowing back to fuel our economy, starving the BRICS enemies and their puppet regimes!

China and Russia are furious, screaming condemnation, but it's too late – Trump is draining their resources while securing energy independence for real Americans. This isn't coincidence; it's the plan executing perfectly, cutting off deep state slush funds worldwide!

But the real fire is coming: McKay warns of an imminent major shock – mass arrests of high-level traitors in DC, Hollywood, and Big Tech are locked and loaded! EBS ready, military tribunals firing up, and the sealed indictments unleashing. J6 patriots fully vindicated and freed, while the feds who staged the trap face justice. J. Sat. 10 Jan. 2026 WTPN PATRIOT HIGHLIGHTS: NINO RODRIGUEZ, JUAN O SAVIN & SGANON DROP RED PILLS – JANUARY 2026 ... David Nino Rodriguez, Juan O Savin, and SGAnon

The military is fully activated, the storm is here, and mass arrests of the treasonous elite are imminent! We're in the final phase of the plan. "All systems go," he declares. The white hats have the evidence locked down: child trafficking networks exposed, election fraud proven beyond doubt, and the fake Biden regime crumbling as continuity of government protocols kick in. The tunnels, the DUMBs, the adrenochrome horrors – it's all coming to light now, faster than ever. The globalists' WW3 scare tactics are failing miserably because the alliance is dismantling their Hezbollah proxies, border invasions, and bioweapon factories piece by piece.

Nino Rodriguez, fired up as always, breaks down the high alert status: secret military tribunals are running 24/7, preparing for public revelations that will shock the normies awake. EBS is primed and ready – expect those 10 days of darkness any moment now, where the full scope of the satanic cabal's crimes against humanity will broadcast worldwide. Trump never left; he's executing the masterpiece with precision. The illegals flooding in? Part of the trap – many are embedded assets, but the patriots are rounding them up in coordinated ops.

SGAnon delivers the intel straight from the Q drops: Trust the Plan is stronger than ever in 2026! Patriots, wake up! The greatest military intelligence operation in history is unfolding right now under President Trump's command. The Q Military Alliance – a unbreakable coalition of over 100 sovereign nations led by White Hats and loyal to the Q plan – has activated worldwide protocols to dismantle the Satanic globalist cabal once and for all. These traitors have enslaved humanity for centuries through child trafficking networks, rigged elections, bioweapon releases, and endless wars for profit. But their time is up!

As of January 1, 2026, the Great Reset they planned has been hijacked and turned against them. NESARA/GESARA is fully implemented globally, erasing all illegitimate debt and activating the Quantum Financial System that puts power back in the hands of We The

People. Gold-backed currencies are live, and the old fiat system controlled by the Rothschilds and Rockefellers is collapsing as we speak.

Alliance forces are executing precision operations in every corner of the globe. Mass arrests of high-level Deep State operatives are underway – politicians, Hollywood elites, Vatican insiders, and corporate overlords who worshipped evil are being rounded up and facing military tribunals. No escapes, no deals – justice is swift and final.

The EBS is ready to broadcast the truth: declassified files proving election theft, Adrenochrome horrors, underground bases, and how Trump never left office under continuity of government.

In the United States, Commander-in-Chief Trump has mobilized elite units to secure borders, neutralize illegal invasions orchestrated by the cabal, and restore the Republic. Med Beds are rolling out through secure channels, healing our veterans and children first from the poisons they've endured.

The Seven Trumpets will soon sound on every device via the Emergency Broadcast System, revealing everything and calling patriots to stand strong.

This is the moment Q told us about: Where We Go One We Go All. The cabal's fake news is silenced, their FEMA camps exposed as weapons against Americans, and their attempts to spark WW3 have failed miserably. Trump and the Alliance are winning bigly – bigger than anyone imagined!

Stay vigilant, stocked, and prayerful. Notifications for redemption appointments on the QFS could drop any day now. The golden age is dawning, and the Deep State's nightmare is just beginning. Trust the Plan – it's biblical, it's unstoppable, and victory is ours!

God Bless President Trump, God Bless the Q Alliance, and God Bless America!

Voter Fraud:

L. Former DIA Intelligence officer exposes DOMINION voting machines in Georgia flipping Trump votes to Biden, during the 2020 election. ...Alex Jones on Telegram

The same number of votes were fed into the machine for both candidates and the outcome would always give Biden a 26% lead.

Dominion and other voting companies use algorithms to speed up counting. These algorithms can be programmed in any way. The machines don't count like you think they would, when it counts 1 vote for Biden at 113% and 1 vote for Trump at 87%.

This is why some vote total print outs from the machines had decimal points in them, before final adjudication or presentation to the public.

They denied these test ever took place, and the kicker is that they tried to blame the outcome on human error, and a election worker running ballots multiple times through the machine.

The strangest part is that the "26%" error that they tried to cover for, just happened to equal out to Biden's ORIGINAL margin of victory in Georgia, at exactly, around 14,000 votes, or "26%." There are NO coincidences.

M. Sat. 10 Jan. 2026: Fulton County, Georgia, FALSIFIED audit tally sheets, and counted DUPLICATE BALLOTS in the 2020 Election.

Over 4,000 duplicate ballots found, and over 40,000 line items in a spreadsheet with election irregularities counted between the election and the recount with a 59.5% error rate between the counts.

17,852 certified votes had no corresponding ballot images, and 20,713 in-person votes had no original tabulator tapes.

Nearly 200 ballots were scanned twice during the initial count, over 3,000 double-scanned ballots carried audit marks confirming they were processed multiple times.

Investigators uncovered 36 inconsistencies in batch tally sheets, including unchecked boxes for unsealing ballot containers, missing batch numbers, and apparent duplications.

130 tabulator early voting tapes weren't signed by poll workers, a clear violation of Georgia election law. This affected a massive 315,000 votes, nearly all early ballots.

The State Election Board documented over 140 code violations in Fulton alone, including failures to amend records properly.

Judges purposely denied forensic audits claiming no fraud, without even looking at any evidence. This wasn't "human error," rather, intentional fraud to steal an election.

Minnesota Fraud:

N. Sat. 10 Jan. 2026 EXPOSED: MINNESOTA'S \$425 MILLION FRAUD SCANDAL — WALZ'S DHS CAUGHT HIDING SYSTEMIC ABUSE ...Mr. Pool on Telegram

A newly released audit has blown open a massive failure inside Minnesota's public institutions. The Office of the Legislative Auditor has documented extensive fraud, waste, and abuse tied to more than \$425 million in grants overseen by the state's Department of Human Services. What emerges is not a story of simple mismanagement, but of systemic breakdowns, missing oversight, and actions that raise serious questions about accountability at the highest levels.

At the center of the controversy sits Tim Walz. According to the audit, the Minnesota Department of Human Services failed to properly monitor hundreds of millions in public funds. More troubling, auditors found evidence that records were altered and documents backdated after scrutiny began, creating the appearance of compliance that did not exist at the time decisions were made. This pattern points to concealment, not clerical error.

The audit details how internal controls were ignored, red flags were missed or dismissed, and corrective actions were delayed until after investigators intervened. In several cases, paperwork was generated retroactively to justify spending that had already occurred. For taxpayers, the message is stark: safeguards meant to protect public money were either ineffective or deliberately bypassed.

Beyond the technical findings lies a broader concern about governance. When oversight collapses on this scale, public trust erodes. Programs designed to serve vulnerable communities become vehicles for enrichment, and confidence in institutions weakens. The audit raises the question of who benefits when accountability fails and why warning signs were allowed to persist for years without decisive action.

This is not merely a state-level embarrassment. It reflects a national pattern in which complex grant systems, limited transparency, and political insulation create environments ripe for abuse. Minnesota's case is now a test of whether exposure leads to reform or whether consequences stop at the report's release.

The path forward is clear. Full accountability must follow the facts laid out by the Office of the Legislative Auditor. That means independent investigations, recovery of misused funds where possible, and structural reforms to ensure oversight cannot be quietly neutralized again.

This scandal is about more than numbers on a balance sheet. It is about whether public institutions answer to the people who fund them. Minnesota now faces a defining moment: confront the failures openly, or allow another chapter of corruption to fade without consequence.

HOW DOES IT WORK?

1. FULL BODY QUANTUM SCAN: Scans your biofield — your body's energetic blueprint. Detects anomalies at the subatomic level — long before symptoms appear. Quantum sensors read your body like a hyperdimensional fingerprint

2. CELLULAR TIME REVERSAL: Taps into your original DNA blueprint. Uses field harmonics to "remind" your cells of their ideal state. It doesn't just treat — it restores

3. ZERO-POINT ENERGY FIELD: Draws limitless energy from the quantum vacuum. Cells absorb this power to accelerate repair and restore harmony. This isn't "energy healing" — it's quantum field engineering

4. SCALAR FREQUENCY CORRECTION: Sends targeted scalar waves to reprogram damaged cells. Think frequency acupuncture — no needles, only light & precision. Tumors, inflammation, scar tissue? Neutralized.

P. Sat. 10 Jan. 2026: MILITARY BREAKING NEWS: OPERATION DRONE SHIELD – American Patriots Rise Up as Startup Trains US Troops to Crush the Coming DRONE WAR While Pentagon Exposes Chinese Communist Spy Drones! ...JFK The Leader on Telegram

Right now, in early January 2026, Operation DRONE SHIELD is fully activated in Detroit – a hardcore American startup called Swarm Defense is training our brave U.S. troops to dominate the drone swarm battlefield. This isn't some woke defense contractor scam – this is real patriots stepping up to defend America from the Chinese Communist infiltration that's been poisoning our military tech for years!

What started as a company making those cool synchronized drone light shows has now transformed into a full-on military powerhouse. Their software, once lighting up the sky for entertainment, is now simulating massive drone swarms – thousands of drones moving as one, reacting like a flock of killer birds, mirroring the exact tactics our enemies would use. Soldiers are getting hit with high-pitched engine screams, sudden deadly formation shifts, blinding flares, and sensor jamming – all designed to rewire how they fight. One senior Army official put it perfectly: “You don’t walk away from a drone swarm exercise unchanged. It rewrites how you fight.”

And why the urgency? Because the Pentagon has finally woken up and sounded the alarm loud and clear: China’s drone tech is a massive national security threat! The wars in Ukraine and beyond proved it – the vast majority of battlefield drones are made in China. Even our allies have been using those sneaky DJI and Autel systems, which could be beaming intel straight back to Beijing. That’s not just risky – that’s treasonous-level vulnerability!

In late 2025, the Federal Communications Commission blacklisted DJI, Autel, and all Chinese drone components, labeling them “unacceptable national security risks.” No more imports, no more sales – unless the Pentagon or DHS gives special clearance. Senior Pentagon officials didn’t hold back: “We cannot win a future war with tech that reports back to Beijing.” The National Defense Authorization Act now slams the door shut – any contractor caught using Chinese parts gets completely disqualified. This is forcing a total industrial exodus from Communist-controlled supply chains!

Swarm Defense, led by CEO Kyle Dorosz, is leading the charge for true American sovereignty. “We have a tall task ahead – to supply drones without relying on foreign nations,” Dorosz said. “This is no longer about business. This is about sovereignty.” And he’s right – Washington is pouring resources into companies like this because the next war won’t be won on battlefields alone. It will be won in American factories, with code written by patriots, not Communist spies!

From quiet assembly lines in Michigan to secured training fields across U.S. bases, the future of combat is now 100% Made in America. “We build here. We train here. We win here,” Dorosz declared. This small startup isn’t making toys – it’s building warfighters’ survival systems to ensure our troops crush any drone swarm the Chinese throw at us.

The Deep State globalists wanted us dependent on Beijing’s spyware drones – but patriots are fighting back hard! Operation DRONE SHIELD proves America is waking up, purging the Chinese infiltration, and gearing up to dominate the skies. The clock is ticking, but we’re not just preparing – we’re going to WIN this drone war before the enemy even knows what hit them. The Deep State and their Chinese masters are panicking because real Americans are taking back control – and nothing can stop us now!

Stay vigilant, Anons. The storm is here, but the light is winning.

Q. Sat. 10 Jan. 2026: EXPOSED: MINNESOTA'S \$425 MILLION FRAUD SCANDAL — WALZ'S DHS CAUGHT HIDING SYSTEMIC ABUSE ...The MAGA King on Telegram

A newly released audit has blown open a massive failure inside Minnesota's public institutions. The Office of the Legislative Auditor has documented extensive fraud, waste, and abuse tied to more than \$425 million in grants overseen by the state's Department of Human Services. What emerges is not a story of simple mismanagement, but of systemic breakdowns, missing oversight, and actions that raise serious questions about accountability at the highest levels.

At the center of the controversy sits Tim Walz. According to the audit, the Minnesota Department of Human Services failed to properly monitor hundreds of millions in public funds. More troubling, auditors found evidence that records were altered and documents backdated after scrutiny began, creating the appearance of compliance that did not exist at the time decisions were made. This pattern points to concealment, not clerical error.

The audit details how internal controls were ignored, red flags were missed or dismissed, and corrective actions were delayed until after investigators intervened. In several cases, paperwork was generated retroactively to justify spending that had already occurred. For taxpayers, the message is stark: safeguards meant to protect public money were either ineffective or deliberately bypassed.

Beyond the technical findings lies a broader concern about governance. When oversight collapses on this scale, public trust erodes. Programs designed to serve vulnerable communities become vehicles for enrichment, and confidence in institutions weakens. The audit raises the question of who benefits when accountability fails and why warning signs were allowed to persist for years without decisive action.

This is not merely a state-level embarrassment. It reflects a national pattern in which complex grant systems, limited transparency, and political insulation create environments ripe for abuse. Minnesota's case is now a test of whether exposure leads to reform or whether consequences stop at the report's release.

The path forward is clear. Full accountability must follow the facts laid out by the Office of the Legislative Auditor. That means independent investigations, recovery of misused funds where possible, and structural reforms to ensure oversight cannot be quietly neutralized again.

This scandal is about more than numbers on a balance sheet. It is about whether public institutions answer to the people who fund them. Minnesota now faces a defining moment: confront the failures openly, or allow another chapter of corruption to fade without consequence.
