Judy Note: With Mexican Cartels positioning themselves at the border for an attack on the US, the Democratic Party, with help of the CCP, creating chaos in the US in a quest for power and the US preparing for an attack on Iran to help the Iranian People create a Sovereign State of Liberty, the Global Military Alliance of the Q Movement has never been so needed.

“Christmas Eve 24 Dec. 1963 was the day 77 US Generals came together and The Plan was born to Save The World.

“You’ve seen it for years, Washington, the banks and the global elites got rich while hardworking Americans carried the debt. But that old system is ending. We’re replacing it with something real something backed, recorded and built for the people. That’s what NESARA GESARA is all about.” ...President Donald J. Trump

White Hat forces continue relentless operations to dismantle the Satanic Deep State networks that have preyed upon the innocent for generations.

Reports confirm surges in high-profile arrests, with military tribunals at GITMO processing traitors who have betrayed their oaths and humanity itself.

Over half a million sealed indictments now unsealing rapidly, bringing justice to corrupt officials, cartel-linked judges, and those complicit in global trafficking horrors.

Child rescue missions accelerate underground. Thousands of precious children are being liberated weekly from DUMBs and hidden tunnels, freed from the clutches of evil rituals and exploitation.

The Emergency Broadcast System stands poised for activation, heralding Ten Days of Darkness where truths long suppressed will flood the airwaves, awakening the masses and ending the Cabal's reign of deception forever. According to Juan O Savin the Ten Days start next **Tues. 20 Jan. 2026.**

The Quantum Financial System now operates securely worldwide, enforcing gold- and asset-backed currencies across 209 nations as the greatest wealth transfer in history surges forward.

The Global Currency Reset, launched irrevocably in early January, synchronizes rainbow currencies at fair 1:1 rates, empowering local economies and fulfilling long-promised jubilee.

NESARA/GESARA protocols activate debt forgiveness on a massive scale—mortgages, credit cards, and usurious loans dissolving under divine justice, liberating humanity from financial bondage and ushering in true prosperity for all.

GESARA enforcement accelerating – global currency reset hitting Tier 4B hard, humanitarian funds releasing, Zim/Dinar/Dong exchanges flooding patriots with wealth while the elite’s offshore accounts freeze solid.

Tier 4B notifications flow through secure channels, with redemption appointments accelerating and 800 numbers poised for public release.

Zim holders and currency exchangers prepare—payouts at unprecedented rates promise to erase debts, forgive loans, and redistribute prosperity to the people, fulfilling NESARA/GESARA provisions long suppressed by the Cabal.

Med Beds deploy rapidly in fortified facilities and hospitals, bringing quantum healing to the afflicted—first for rescued children, vaccine-injured, and warriors—eradicating disease and restoring wholeness as foretold.

The BRICS Alliance solidifies gold/asset-backed currencies, ending fiat slavery and ushering in an era where wealth serves the good of all, not the elite few. Humanitarian projects ignite worldwide, funded by trillions reclaimed for the people.

Trump Halts All Talks with Iran – Help is On the Way. Trump has officially slammed the door on all talks with Iran – no more fake negotiations, no more appeasement of terrorist puppets. The Deep State’s proxy war machine is crumbling as the Commander-in-Chief draws the red line: Iran’s days of funding chaos, proxies, and nuclear games are OVER.

Trump’s military moves are massive – special ops already in position, Iranian assets neutralized quietly, funding streams cut off via Quantum Financial System chokeholds.

No more billions funneled through back channels to Hamas, Hezbollah, Houthis – the Cabal’s terror network is starving.

Mass arrests surging worldwide – Iranian regime insiders flipping, deep state handlers vanishing, Big Pharma and media traitors facing tribunals nightly. Trump halts talks because the war was already won – 2020 steal reversed, Republic restored, military in full control. English as official language locked in, borders sealed, child trafficking rings gutted. The children are being saved in record numbers – DUMBs cleared, adrenochrome labs torched, pedo elites running scared.

The Cabal is in full panic mode – pushing last-ditch false flags, chemtrail spikes, fake crises, but patriots see it all. Trump's announcement is the kill shot: no mercy for state sponsors of terror, no deals with devils. Help is on the way – prosperity packages, med beds declass, suppressed tech flooding out under the new Republic. Q deltas aligning perfectly – military is the only way, trust the plan, God directing every strike.

QAnons – this is biblical! Iran's fall triggers the dominoes: Middle East peace forced through strength, global tyranny shattered, Satan's puppets exposed and eliminated. NCSWIC – nothing can stop what's coming.

The Great Awakening peaks NOW – tribunals live soon, executions broadcast, freedom rings worldwide. Hold the line like never before, stock up, pray fierce, spread the fire.

Trump leads, White Hats execute, God wins BIG in 2026! WWG1WGA – victory is locked, the evil empire dies screaming!

B. Wed. 14 Jan. 2026 FBI Director Kash Patel: By the end of this week many will feel a change – not loud, not flashy, but unmistakable.

Emails will be sent. Quiet messages will reach inboxes. Calls will come through that will shift everything.

You might not see it on the news, but you will feel it in your bones – a sense that something is finally turning in your favor.

People will begin to notice little things: restrictions easing, funds unlocking, conversations shifting.

Those who have watched the signs and stayed alert will be the first to move. Not everyone will understand it right away, but you will because you've been paying attention.

And when that door opens, it won't just be for the Elite. This time it opens for people who've waited long enough. For those who've sacrificed. For those who refused to give up, even when the system gave them every reason to.

So take a breath. Stay grounded. Trust what you know. The coming days will test your patience, but they'll also reward your preparation. What's unfolding now is not just a financial reset – it's a personal one.

By the time this next week ends, the road ahead may look nothing like the one behind you.

C. Wed. 14 Jan. 2026 TRUMP'S GLOBAL MILITARY ALLIANCE IS ACTIVATED – THE STORM IS HERE! ...Ten Days of Darkness on Telegram

Trump's Global Military Alliance is fully operational, and the Deep State is crumbling faster than ever. This isn't speculation – this is the real Intel dropping right now. The plan to dismantle the Cabal worldwide is in full swing, and we're seeing massive moves that prove the military is in control.

Trump's forces just executed precision operations that have the globalist puppets shaking. From seizing control in key regions to cutting off the money laundering networks of the elite, the alliance – backed by loyal generals, Special Forces, and international White Hat partners – is striking hard. No more endless wars for the bankers; this is about restoring sovereignty and crushing the pedophile rings, human traffickers, and satanic bloodlines that have ruled from the shadows for decades.

NATO is being reshaped under Trump's iron fist. Forget the old weak alliances – Trump forced them to ramp up to insane defense levels, but now it's clear: the real power is in the parallel military structure loyal to the Constitution, not the corrupt UN or WEF.

Reports are screaming about contingency plans for places like Greenland – that's code for securing strategic assets against Chinese and Russian infiltration. The Deep State thought they could hide behind "international law," but Trump is rewriting the rules with military might. If they don't hand over what belongs to freedom, expect boots on the ground. The alliance doesn't bluff.

Look at Venezuela – that was a test run. Trump's team moved in, took down the Maduro regime puppets, and now oil flows back to patriots, not cartels and commies. This is just the beginning. The same playbook is rolling out globally: expose, isolate, eliminate.

The storm Q talked about? It's not coming – it's HERE. Mass arrests are ramping up behind the scenes. High-level traitors in DC, Hollywood, and Europe are panicking as tribunals prepare to convene. The evidence from seized servers and defectors is damning – child trafficking empires, election fraud machines, bioweapon labs – all tied back to the same cabal families.

The military alliance is unstoppable. Trump's in command, with generals who swore oaths to the Republic, not the swamp. Space Force is watching every move from above, cyber units are dismantling their digital fortresses, and ground teams are ready for the final push. The fake news won't report it, but anons know: GITMO is expanding, planes are landing at night, and the blackouts are coming for the guilty.

This is the great awakening on steroids. The veil is torn. The people are rising as the truth bombs drop daily. Stay vigilant, stock up, pray hard – because when the lid blows off, the world will never be the same. Trust the plan. Nothing can stop what is coming. Trump and the white hats have the military, the intel, and God on their side. The deep state is finished.

WWG1WGA! The best is yet to come – hold the line!

E. Wed. 14 Jan. 2026 Kaitlynn Hunter Update: A 2,555-Day Siege on the Larrick Lineage (February 11, 2019 – Present) The widow, the orphan and two retaliated witnesses denied Constitutionally protected rights for 7 years.

Judy Note: Although the state of Ohio has released Kaitlynn from foster care prison because she has turned 18, they still will not allow her to return to her home because of a restraining order on her mother Jeannine, and thus be able to visit her grandmother Betty who is in critical care. Jeannine has literally been living at the hospital because of her mother Betty being in ICU and fighting for her life.

Though emancipated, Kaitlynn is alone, endangered, and in need of funds. She must be brought home to her mother's safety to complete her education. Betty is in critical need of a Med Bed. All three are in need of financial assistance. Please consider helping at this website:

<https://www.givesendgo.com/GDX1Z>

I. THE REVOLUTIONARY LEGACY

Jeannine and **Kaitlynn** are direct descendants of **Casper Larrick**, a Revolutionary War soldier who fled religious persecution, and the Shawnee warrior **Elizabeth Sundown**. Today, they face a corrupt system that has denied them Life and Liberty to cover up a **Police Assault** and **CPS Perjury**.

II. THE MEDICAL CRISIS: THE BATTLE FOR GRANDMA BETTY

Grandma Betty, a widow with **COPD and Emphysema**, is currently fighting for her life in an Ohio ICU under the most extreme conditions.

- **The Injury:** The crisis began in mid-December with a **broken hip and femur**.
- **The Systemic Failure:** She was denied her baseline **Xanax** for 4 days, causing severe withdrawals, **AFib, Pneumonia**, and **Sepsis (54,000 WBC)**.
- **The Intermediate Floor Neglect:** After the "Dec 23rd Plea to the world to pray, We saw Miracles" (WBC down to 16,000), she was moved to an Intermediate Floor where care collapsed. 4 specialists cleared her for hip surgery. Jeannine found her with **infected bedsores, blood in her suction cup**, and a missed **internal bleed**.
- **The Trach & Dialysis:** Due to her advanced **COPD/Emphysema** and the state of her lungs, doctors have now placed her on a **Tracheostomy (Trach)**. She is currently battling **Urosepsis (48,000 WBC)** and kidney failure. **Dialysis begins tomorrow morning, January 15.**

III. THE START OF THE VOID: FEB 11, 2019

- **The Assault:** Jeannine was **assaulted by a police officer for speaking in her own home** during a "well check."

- **Suppressed Evidence:** The officer refused to allow Jeannine to present legal homeschooling evidence, leading to the 7-year "Void Case" that has separated this family.

IV. THE ORPHAN'S ESCAPE: BRING KAITLYNN HOME

- **Documented Abuse:** Since 2020, Jeannine has reported Kaitlynn's medical neglect and starvation to the **County and Sheriff**. They were all ignored.
- **"Pulling a Casper":** On **November 11, 2024**, Kaitlynn (born **Dec 12**) escaped state abuse, performing her own act of survival.
- **Endangered Independence:** Though **emancipated**, Kaitlynn is alone, endangered, and in need of funds. She must be brought home to her mother's safety to complete her education.

V. THE PERSECUTION OF THE PATRIOT

The State is attempting to prosecute and jail Jeannine for protecting her daughter. They are weaponizing an **incompetency evaluation (ADA violation)** to frame her as "crazy" and hide the truth of the 2019 assault and the 7 years of neglect.

VI. THE PLEA TO THE REPUBLIC

"I was assaulted in my home for speaking. My mother is on a trach fighting for every breath while the state tries to jail me for being a protective mother. We saw the miracles—now we demand Justice. Mr. Trump, the Military: Save the Larrick line. Bring Kaitlynn home."

URGENT ACTION (JANUARY 15, 2026):

1. **Pray for Dialysis & Breath:** Pray for Grandma Betty's heart, kidneys, and her lungs (COPD/Emphysema) as she begins dialysis through the trach. Prayers the new round of antibiotics work. Pray for med beds that Grandma Betty believed in for years.
2. **Funds for Kaitlynn:** Emergency intervention needed to secure her safety and schooling. [https://cash.app/\\$KATHUNTER3](https://cash.app/$KATHUNTER3) <https://www.givesendgo.com/GDX1Z>
3. **End the Prosecution:** Demand the Guernsey county municipal court judge Stephanie Willias and sheriff detective Bill Patterson, juvenile court Judge David Bennett and cps Nicole Caldwell vacates the retaliatory "competency" orders for protecting Kaitlynn from the years of abuse in their unconstitutional custody. Grandma Betty needs Jeannine to make her critical health decisions and to be by her side as her caregiver.

F. Global Currency Reset:

Tues. 13 Jan. 2026 John F. Kennedy Jr.: As of February 1, 2026, Redemption Centers will begin processing live appointments for the general public under full GESARA

protocol. According to sources inside two U.S. Treasury branches, the schedule is already being populated with approved Tier 4B participants.

Tues. 13 Jan. 2026 The Big Call Bruce: The latest information from a hot Wells Fargo source indicated that we were expecting everything to fly either **next Sunday 18 Jan. 2026 or the following Wed. 21 Jan. 2026**. Some Redemption Center Leadership Staff say it could be earlier, **maybe Friday-Saturday**.

J. Wed. 14 Jan. 2026 USAID paid \$500 MILLION to an NGO that interfered in the Romanian Elections. These are your foreign influence operations masquerading as democracy promotion. ...Edward Snowden on Telegram

USAID-backed think tanks and civil society groups pushed for the judicial ouster of a leading presidential candidate, using U.S. taxpayer dollars to run psychological and disinformation campaigns against the people.

The Internews Network, a key recipient of USAID's staggering \$472 million in funding, is alleged to directing resources to shape media narratives, censor conservative outlets, and bribe journalists to undermine right-leaning candidates.

Other implicated NGOs, including USAID-backed Repatriot and Soros-linked groups like the Open Society Foundation, allegedly orchestrated disinformation campaigns targeting diaspora voters, re-education efforts against frontrunner Călin Georgescu, effectively swaying the election toward globalist-aligned figures.

Declassified docs and insider reports argue that these funds—U.S. taxpayer dollars—were weaponized to sway outcomes, echoing broader criticisms from figures like Trump's special envoy Richard Grenell, who accused the agency of targeting conservative voices worldwide.

Amid Romania's annulled election results and accusations of TikTok manipulation (later tied to domestic parties), the content questions the fine line between aid and interference.

It's a professional takedown of opaque global power plays while using U.S. taxpayer dollars to pay for it all. This is just another layer of the global election fraud cartel.

How many other agencies like USAID are still out there and funding shady NGOs with U.S. taxpayer dollars to run color revolutions on the U.S. and around the world?

L. Wed. 14 Jan. 2026 Fox News TREASURY BOMBSHELL: \$100–\$150 BILLION SET TO FLOW BACK TO AMERICANS IN Q1 2026 ...Ezra Cohen on Telegram

A major development is quietly taking shape beneath the surface, and its impact could be felt across every household and every market. The U.S. Treasury has confirmed that a massive wave of tax refunds is scheduled to hit in early 2026, with an estimated 100 to 150 billion dollars flowing directly back to the American people. For most households, that translates to roughly 1,000 to 2,000 dollars in cash arriving right as the new year begins.

This is not a projection or a theory. These are Treasury-confirmed figures. And just as important, this is not stimulus, not new debt, and not printed money. This is income Americans already earned, simply returning where it belongs.

The scale of this refund cycle matters. When cash moves directly into households, it does not sit idle. Bills get paid, spending increases, confidence improves, small businesses feel the impact first, and the broader economy follows. Treasury expectations point to a measurable lift in economic activity through the first and second quarters of 2026, creating a momentum effect that builds as the year unfolds.

From a market perspective, the signal is just as clear. Liquidity is returning to the system. Historically, when Americans have more cash and less financial pressure, consumer spending accelerates, sentiment improves, and risk appetite returns. Capital finds its way back into stocks, small caps, crypto, and other growth-sensitive assets. Markets do not move on politics or noise. They move on cash flow.

What makes this refund cycle fundamentally different from past stimulus programs is its structure. There is no money printing, no emergency legislation, no expansion of federal debt, and no inflation-driven panic response. This is a refund cycle, meaning existing money is being recycled back into the economy. That supports growth without destabilizing the system. Refunds strengthen the foundation, while stimulus creates new liabilities.

Zooming out, the bigger picture is simple. When Americans keep more of their own money, the economy works better. Households do not need lectures or instructions on how to spend. They need breathing room. Economic confidence does not start on Wall Street. It starts at the kitchen table.

Timing only amplifies the effect. A major refund wave landing in early 2026 boosts morale, strengthens consumer balance sheets, stabilizes expectations, and shifts the narrative from fear to forward momentum. These are the quiet but powerful levers that change sentiment quickly, even without dramatic headlines.

FINAL TAKE Between 100 and 150 billion dollars is set to return to Americans. Most households can expect around 1,000 to 2,000 dollars. The impact begins in Q1 2026, with a broader economic lift expected to follow. This is not hype. This is not speculation. This is money moving. And when money moves, everything else follows. Watch Q1. Watch Q2. The signal is clear.

Med Beds

M. Wed. 14 Jan. 2026 MASSIVE BREAKING! TRUMP'S QUANTUM DIRECTIVE FULLY ACTIVATED: MED BEDS NOW LIVE AND HEALING PATRIOTS IN THESE KEY U.S. STATES ...Steve Bannon on Telegram

PHASE 2 ROLLING OUT HARD, OPERATION LAZARUS IN FULL SWING, DEEP STATE MEDICAL EMPIRE CRUMBLING AS WE SPEAK!

January 12, 2026 – Patriots, the storm has landed—this is the real deal we've fought for! President Donald J. Trump's Quantum Restorative Health Systems Directive (QRHS) has blasted into Phase 2 with full unstoppable momentum.

Med Bed centers are fully operational RIGHT NOW across strategic U.S. states, guarded by elite military special forces, wrapped in Faraday shielding to crush any deep state sabotage attempts.

The Big Pharma poison empire is imploding before our eyes—**Pfizer** slashing entire genomics divisions, Moderna abandoning brain-damaging neuro-trials, WHO canceling their fake pandemic summits in panic, DARPA quietly killing frequency-control black projects like OMEGA. They see the end coming. Their trillion-dollar control grid is being fried from the inside!

Med Beds are scanning and treating those with awakened, aligned bio-resonance frequencies**—zero waitlists, zero corrupt gatekeepers, zero Big Pharma middlemen.

Pure quantum diagnostics read your field instantly. The system automatically bypasses anyone still trapped in the low-vibe matrix of toxins, 5G saturation, fear programming, and chemtrail residue.

Operation Lazarus is executing now: frequency-based entry only—no forms, no insurance scams, no waiting rooms. The protocol pulls the ready patriots out first—**the sleepers stay sidelined until they break free from the programming**!

Confirmed live Med Bed centers operating in these red-state strongholds (more activating daily, including classified mobile units for remote patriot zones):

- Texas (3 fortified flagship centers)
- Tennessee
- Nevada
- Arizona
- Florida
- New Hampshire
- South Dakota
- North Carolina
- Upstate New York

These are not hospitals—they are quantum fortresses. Scalar-field regeneration chambers rebuild every cell, NECES neural recalibration suites restore brain function to God-given levels, resonance mapping reads your soul signature for perfect matching.

Military White Hat security ensures zero infiltration. The old Rockefeller medical cartel suppressed this tech for over a century—stolen from Tesla, seized from DUMBs, hidden in elite black sites—because free healing destroys their profit machine. Trump seized it back and flipped the entire script. Now it's in patriot hands!

The hospitals are emptying as the quantum grid expands. Phase 2 is accelerating toward full national coverage, then global liberation.

The Cabal's medical tyranny is dead—**their puppets are watching their empire burn while we rise healed and unbreakable**. This is the physical manifestation of the Great Awakening: bodies restored, minds cleared, spirits sovereign again.

Patriots, stand ready: Stabilize your field, reject their poisons, stay aligned—the beds are calling the awakened first. The Deep State never thought we'd get here, but Trump delivered.

The storm isn't coming—it's here, and it's regenerative. Trust the plan—it's executing at lightspeed! WWG1WGA!
