**Judy Note: Not surprisingly former US President Bill Clinton and his wife, former Secretary of State Hillary Clinton, failed to honor their subpoenas to testify at Wed. and Thurs. 14, 15 Jan. 2026 Congressional Hearings on their many charges related to Crimes Against Humanity and Treason.**

**Criminal charges have been filed** against Bill and Hillary Clinton for Contempt of Court. They could also be charged with bankrolling a corrupt foundation with the help of child trafficker Jeffery Epstein; laundering taxpayer dollars through shady NGOs; selling access to the U.S. government, all while trafficking weapons, drugs, and children. President Donald Trump was said to be assigning a "special judge" for the case.

**Famous Whistleblower Edward Snowden stated**, "Over 100+ people who have all mysteriously passed away under bizarre circumstances all had ties to the Clintons. Some of those alleged victims are JFK Jr., Vince Foster, Seth Rich, and Mark Middleton, just to name a few."

**Prominent News Reporter Tucker Carlson claimed he had multiple video** recordings of Presidents Barak Obama, Bill Clinton, Joe Biden, Jeffrey Epstein, Prince Andrew, members of Congress and other Globalists raping and sacrificing children in Satanic Rites. **Thurs. 25 Sept. 2025: [Byington Bombshell Report: Obama, Clinton, Biden & Others on Video Raping & Murdering Children ...Tucker Carlson | Politics | Before It's News](#)**

**There were countless other charges being brought up against the Clintons** including their involvement in the Benghazi Massacre, but the most disturbing was their connections to an international Sex Trafficking Ring run out of the Vatican. The ring was used to blackmail politicians to do the Cabal's bidding.

**A brief summary:**

**Obama orchestrated the biggest criminal cover up** in US History to protect Hillary Clinton.

**Millions in Taxpayer Dollars** were given to the Mass Media including *The New York Times* and *Reuters* to promote a Leftist Agenda that included the cover up of Child Sex Trafficking in Washington DC. which was considered the Child Sex Trafficking Capitol of the World.

**Child Sex Trafficking** has been going on for a long time in Washington DC. and at least back to the Clinton Administration. It was used to blackmail politicians to do the Cabal's bidding and thus keep US Taxpayer monies under their control. Five years ago this was published about it: **Mon. 26 April 2021: [Obama/ Biden/ Clinton/ Pelosi White House Pedophile Ring Uncovered by Wikileaks | Politics | Before It's News](#)**

**FBI Agents and NYPD officers attempted to bring charges against Hillary Clinton** and her assistant Huma Abedin after video evidence was discovered of the two skinning the face of a young girl whom they tortured to death. Though, the FBI and New York police officers were prevented from taking their evidence to court by their higher-ups.

**There was evidence that Pedogate was discredited as 'fake news'** by the Mainstream Media despite NBC's (11 June 2013) televised report regarding Hillary Clinton using her position as US Secretary of State to cease an investigation into child trafficking within the State Department.

**The Clinton Foundation received \$88 million from Australian taxpayers** at the same time evidence surfaced that Hillary Clinton's campaign chairman John Podesta and his brother Tony Podesta, plus Welsh-born Australian ALP Prime Minister Julia Gillard were connected to the kidnapping of the British child Madeleine McCann.

**There was strong evidence that Hillary and Bill Clinton, Epstein, Harvard law professor Alan Dershowitz, Prince Andrew, Kevin Spacey, Mother Teresa and multiple other Global and political elites were involved in Child Sex Trafficking.**

**The possible involvement of Congress** in Child Sex Trafficking was said to have led to arrests of over 60 Congress people last week. That would negate Congress, though we were under a Continuity of Government and you would never hear about it in the news.

**What appeared to be chaos on the streets** was said to be a cover for a silent transfer of power where the Global Banking Financial System was being rewired for the restoration of Sovereign Republics Worldwide.

**There would be no public announcement** that the Global Currency Reset has started. **By Sun. 1 Feb. 2026** permission to be in the new gold/ asset-backed financial system will have been determined and approved individuals will be called in to Redemption Centers across the Globe to set up their personal financial wallets (formerly known as bank accounts).

**The corrupt** will have no opportunity to participate in the new system.

**Meanwhile high-level arrests** continued to accelerate across the globe, with sealed indictments unsealing at a furious pace and military tribunals delivering swift justice for Crimes Against Humanity.

**White Hat forces, under the command of President Trump and the Global Military Alliance**, have raided key Cabal strongholds, rescuing thousands of trafficked children from underground networks tied to elite circles. This is an article I wrote about it way back on **Wed. 5 March 2025**: [Byington Bombshell Report: US Center of Child Sex Trafficking, Over 500 Migrant Children Delivered to Pedophiles...Former ICE Director Tom Homan | Politics | Before It's News](#)

**The Quantum Financial System** was now fully operational worldwide, ushering in the greatest wealth transfer in history.

**The RV has launched in phases**, backed by gold and precious assets, forgiving debts under NESARA/GESARA and restoring economic sovereignty to the people.

**Debt jubilee erases burdens accumulated under the fiat system**, while the QFS ensures transparent, secure transactions free from Cabal interference. This divine reset reallocates seized trillions from corrupt entities back to humanity, fulfilling promises of prosperity and abundance for all who have endured.

**Redemption Centers stood ready**, with Tier 4B notifications flowing and exchange appointments accelerating for those holding Iraqi Dinar, Vietnamese Dong, Zimbabwe notes, and other revaluing currencies.

**On Sun. 1 Feb. 2026 Redemption Centers** would be open to the General Public to set up their wallets (bank accounts) on the new Star Link System.

**Med Beds were poised for mass rollout** following final disclosures, offering miraculous healing to restore bodies ravaged by toxins, injuries, and age.

**Emergency Broadcast System** activation drew nearer by the hour.

**The Mainstream Media** was expected to go dark amid the Ten Days of Darkness.

**During this period of communication shutdown**, the public will witness undeniable evidence of the Deep State's corruption, including child rescues, Satanic Ritual Abuse revelations, and the full scope of the global child sex trafficking ring.

**Military and National Guard units** remain deployed to maintain order, providing essentials.

**Banks will temporarily close** and normal life pauses for this necessary cleansing.

## **A. Kaitlynn Hunter Update:**

**Judy Note:** Although the State of Ohio has released Kaitlynn Hunter from foster care prison because she has turned 18, they still will not allow her to return to her home because of a restraining order on her mother Jeannine.

**The restraining order was issued** because Jeannine harbored her own daughter Kaitlynn when she ran away from seven years of an extremely abusive foster care situation where she had been raped, beaten and starved for over a year and lost 60 pounds.

**Both Kaitlynn and Jeannine are witnesses** to Ohio Foster Care abuse of Kaitlynn and other children and teens in what is believed to be a CIA Child Sex Trafficking Ring.

**Though emancipated,** Kaitlynn is alone, endangered, and in need of funds. Betty is in critical condition in the hospital and in need of a Med Bed.

**At the same time on Wed. 21 Jan. 2026** Global activation sequence could begin of the new financial system, with BRICS Alliance going live alongside NESARA/GESARA implementation and full rollout of the Quantum Financial System (QFS).

**G. Thurs. 15 Jan. 2026 TRUMP & Q SECRET MILITARY OP – 1.13.26 – WHAT IF TRUMP RESIGNS? THE FINAL MOVE IS HERE, PATRIOTS!** ...Nesara Gesara Network

**Anons, wake up – the storm is peaking RIGHT NOW in January 2026.** The Q Secret Military Operation led by Trump and the White Hats has been building since day one, and we're at the edge of the greatest reveal in history.

**The Deep State is panicking,** the Cabal is crumbling, and the military is locked and loaded for the endgame.

**What if Trump resigns? Think about it – this isn't defeat, it's the ultimate 5D chess move.** Trump steps back publicly, hands the reins in a way that triggers full military authority, activates continuity of government protocols, and unleashes the devolution plan Q has been hinting at for years.

**No more fake elections, no more compromised puppets** – straight to military tribunals, mass arrests, and the restoration of the Republic. The "resignation" would be the signal for DEFCON 1, where the real patriots in uniform take down the traitors once and for all.

**Look at the timeline – just days ago on New Year's Eve 2025,** insiders dropped that the Q op was COMPLETE. Everything's been done behind the scenes: the evidence gathered, the traitors identified, the traps set. Trump didn't need to "win" another rigged election – he already won the war.

**Now, with Iran on the brink** (protests raging, death toll climbing, Trump ready to strike if needed), Venezuela under U.S. control after that epic Delta Force extraction of Maduro, the pieces are falling into place faster than ever.

**The Deep State is terrified.** They know the military has been running things since the steal, and Trump's "resignation" would flip the script completely – no more pretending, no more slow drip.

**Full exposure: Epstein lists,** child trafficking rings, election fraud proof, bioweapon origins, all of it dumped at once. GITMO is expanding, planes are ready, and the White Hats are coordinating with allies worldwide.

**This isn't speculation – this is the plan.** Q said "You are watching a movie," and the finale is here. Trump resigns? It's not the end – it's the beginning of true freedom.

**The military takes over openly, the Constitution is restored,** and the Cabal faces justice. Nesara/Gesara activations are rumored to follow immediately – debt wipes, wealth transfers, the biggest red pill drop ever.

**Patriots, hold the line.** The next few days/weeks could see the biggest shockwave yet. Trust the plan, trust Trump, trust the military. Nothing can stop what's coming. The storm is upon them, and we're the ones who will witness victory.

**WWG1WGA – The Great Awakening is NOW.** Stay vigilant, stock up, pray hard. The end of the deep state is closer than ever – and it's glorious.

**H. Thurs. 15 Jan. 2026 DIRE WARNING – It's About to Get Crazy! Fiat Collapse Accelerates, Gold & Silver Explode, Cabal's Financial Empire Crumbles in Total Chaos**  
...Dr. Jim Willie, Q on Telegram

**Patriots and Anons, hold on tight** – Dr. Jim Willie unleashes a dire warning on January 12, 2026: it's about to get absolutely crazy, the old fiat dollar system is imploding faster than ever, and the deep state cabal is panicking as their control evaporates in real time. This is the death throes of the corrupt financial order – endless QE printing worthless paper, treasuries breaking down, central banks losing grip – while gold and silver rocket to the forefront as the true money of the reset.

**Willie exposes the truth:** the hidden shift is happening now – XRP and gold-backed settlements are quietly destroying the dollar hegemony, bypassing the rigged system the elites built on fraud, debt, and manipulation. Silver is declared a national security metal in multiple nations, industrial demand skyrockets, and the COMEX paper scam is about to face physical

delivery demands that will shatter it. Silver explodes first, potentially outpacing gold in the greatest wealth transfer ever – your stack could multiply massively as fiat burns.

**The Cabal's desperation peaks:** unlimited money printing, engineered food crises, war escalations, fentanyl floods to weaken the population – all to delay the inevitable. But the white hats flipped it – quantum financial system live, NESARA/GESARA firing on all cylinders, gold-backed rainbow currencies in 209 nations syncing up. Debt jubilee hits, seized elite trillions redistribute to patriots, IRS and Fed relics obsolete overnight.

**Get ready for the crazy:** market meltdowns, bank runs, blackouts, false flags as the cornered demons lash out. But military alliance has the high ground – Trump directs the global reset, Space Force guards the grid, EBS set to drop proof of cabal crimes: adrenochrome empires raided, pedo networks dismantled, bioweapons labs exposed. Normies will freak as their 401ks vaporize while precious metals holders become the new wealthy class.

**Willie sounds the alarm loud:** this is worse than any crash before – spiritual and financial warfare combined. Stockpile food, water, ammo, meds, and load up on physical gold & silver NOW – because when the shotgun start hits full force in 2026, the old world dies and freedom's golden age begins.

**Anons, this is biblical** – the trap closed, evil exposed, light prevails. Pray hard, stay vigilant, trust the plan. The storm is peaking, victory is divine.

**God wins huge! WWG1WGA** – where we go one, we go all! Prepare – crazy times deliver total liberation.

## **Health:**

**I. Thurs. 15 Jan. 2026 NO ONE IS READY FOR WHAT'S COMING!** ...Ezra A Cohen on Telegram

**Anons, hold onto your hats** – the biggest health bombshell yet just detonated. Dr. Bryan Ardis, the fearless whistleblower who's been exposing the snake venom truth since day one, unleashed a torrent of revelations in this emergency drop dated right now in mid-January 2026. He's warning loud and clear: no one is truly ready for the massive wave that's about to crash on the cabal's house of lies. The venom agenda is far from over – it's evolving, and the deep state is desperate to keep it hidden as the great awakening accelerates.

## **The core shocks that will set you on fire:**

**Snake venom everywhere** – not just in the shots. Ardis hammers home that synthetic venom peptides from reptiles are engineered into Big Pharma's poisons: COVID jabs, Remdesivir, weight-loss drugs like Ozempic (paralyzing stomachs, causing cancers), and more.

These aren't accidents – they're deliberate bioweapons designed to mimic snake bites, attacking organs, blood, and nerves. He ties it to the original COVID plot: not a virus, but venom in the water, air, and meds to depopulate and control. Nicotine? The antidote they've hidden – patches and gum neutralize the venom effects, protecting against "long COVID" spikes and jab injuries. Smokers dodged the worst for a reason!

**The ticking time bomb phase is here. In 2026**, we're entering the endgame where the venom industrial complex crumbles. Ardis exposes how venoms are mass-produced globally for drugs, vaccines, cosmetics, insecticides – a satanic web profiting off suffering. Heart conditions, myocarditis, blood clots, diabetes, neurological decay – all traced back to this venom assault. But nature wins: his protocols, natural detoxes, and forbidden antidotes are reversing the damage for thousands. Big Pharma's house is burning, and the white hats are fanning the flames.

**Deep State panic mode activated.** They're pushing more boosters, new "variants," and deadly protocols to cover tracks, but leaks are exploding. Whistleblowers protected, military intel confirming the bioweapon origins, and tribunals prepped for the pharma kingpins, Fauci cronies, and globalist venom pushers. Ardis connects it straight to the plan: the exposure of this Luciferian venom agenda will wake the masses overnight. When the full truth hits – venom in everything – the normies revolt, arrests roll, and the Republic restores.

**Spiritual warfare overlay:** This isn't just medical – it's demonic. The elite's venom cult is being dismantled by divine intervention. Ardis urges the remnant to arm up with truth, faith, nicotine where needed, and his Nature Wins arsenal. The massive reveal is imminent – no one escapes the reckoning.

**Patriots, this aligns perfectly with Q.** The storm is raging: election fraud ties into health tyranny, child trafficking networks overlap with venom experiments, and Trump's team has the receipts. Mass awakening incoming – the venom veil tears, the cabal falls, freedom surges.

**Stay locked in, stock antidotes, pray hard**, spread this wildfire. The shock is dropping any moment – when it lands, the deep state dies screaming. NCSWIC. WWG1WGA. Nature wins, and so do we – the best revenge is massive exposure and total victory!

**J. Thurs. 15 Jan. 2026 DANGEROUS INTEL – What's Coming is Worse Than World War I! White Hats Unleash Total War on the Cabal, Prepare for the Ultimate Storm ...Michael Jaco, Carolyn Bessette Kennedy on Telegram**

**Patriots and Anons, brace yourselves** – Michael Jaco just dropped the most dangerous intel yet on January 12, 2026: what's coming is worse than World War I, a cataclysmic clash engineered by the deep state but flipped by the white hats into their final annihilation. This isn't

just war; it's the endgame battle against pure evil – satanic pedo networks, adrenochrome empires, global hostage takers – and the military alliance is striking with unrelenting force.

**Jaco warns the Cabal is desperate**, activating every sleeper cell, bioweapon, false flag, and demonic ritual to drag humanity into hell. WWII-level chaos looms – wider conflicts exploding from Venezuela ops to Iran, Cuba, and beyond – but this is no accident. Trump's global military alliance has turned their plans against them. The precision strike in Venezuela? Public kickoff of the worldwide hostage recovery. Maduro's regime exposed as deep state puppet; now the dominoes fall hard. Half a million indictments unsealing, mass arrests hitting elites like never before – Clintons, Gates, Soros, Obamas – all facing military justice at Gitmo.

**The siege is shattering.** Quantum financial system online, NESARA/GESARA firing up debt wipeout, wealth floods back to patriots, silver exploding as fiat dies. But the cabal's last gasp? Hemorrhagic fevers, cyber blackouts, city riots, engineered pandemics worse than anything seen – they want civil unrest to cover their escape. Jaco says DEFCON 1 vibes everywhere; false flags of all false flags incoming to spark total meltdown.

**White Hats in total control** – Space Force secures skies, black ops teams raid underground bases, EBS prepped to blast undeniable proof: child farms raided, biolabs destroyed, election servers seized. Trump commands the shadows, plan flawless, no mercy for traitors. Tribunals broadcast, monsters hang.

**Anons, this is worse than WWI because it's spiritual warfare** – light vs. darkness, God vs. Satan. Stockpile food, water, meds, ammo, precious metals – chaos peaks in 2026 as normies wake screaming. Pray relentlessly, stay vigilant, hold the line.

**The storm is biblical**, victory is divine. God wins, cabal burns. This is the reckoning we've prayed for.

**WWG1WGA** – where we go one, we go all! Get ready – hell unleashes, then freedom dawns.

## **Voter Fraud**

**K. Thurs. 15 Jan. 2026 IT contractor, working as a DOMINION specialist at the TCF center in Michigan, in an affidavit, claims she witnessed ballots being illegally scanned numerous times, with up to 30,000+ inflated votes, NOT matching poll book entries.**

**She also described suspicious food vans** showing up to the TCF center "warehouse" were actually smuggling in tens of thousands of illicit ballots instead of meals for workers, and asserts that "everything that happened at that TCF center was fraud—every single thing."

**She claims that the "warehouse"** was used as a staging area, and as soon as Trump was ahead, they used that place to have the fake ballots delivered to, fix the ballots, and then inject the ballots into the election and is why the poll book entries didn't match and was off by at least 100,000 voters.

**L. Thurs. 15 Jan. 2026 Not a single military ballot matched a registered Michigan voter in the system. Every ballot she inspected, without exception, was marked for Joe Biden. "There wasn't a single Trump vote." ...Gitmo Now on Telegram**

**The IT contractor and poll challenger at Detroit's TCF Center**, describes processing thousands of military ballots that appeared suspiciously uniform—each one looking like an identical "Xerox copy" with no variations in paper, ink, or markings.

**She estimates handling 30,000+ ballots** that night, many of which were scanned multiple times. She alleges supervisors dismissed challenges and even threatened challengers with expulsion for questioning the process.

**According to poll challenger**, Andrew Sitto's sworn affidavit and testimony, Sitto reported vehicles with out-of-state license plates pulling up to unload boxes from the rear entrance, an unusual procedure compared to earlier deliveries.

**What followed was even more alarming.** Tens of thousands of ballots were reportedly wheeled in on eight long tables, positioned near the duplicate ballot station, observing the processing closely. "Every ballot I observed was cast for Joe Biden," Sitto states emphatically, noting no visible Trump votes in the batch he inspected.

**M. Thurs. 15 Jan. 2026 Lara Logan explains the Smartmaric electronic voting machines office in Venezuela is able to steal Americans elections, and elections in 70 different countries.** ...The Rabbit Hole on Telegram

**"You have a nation that is determining the outcomes** in elections in more than 70 countries in the world, if they have figured out, including your own, by the way, up the ballot, down the ballot — So whether it's control of the House, control of the Senate, not just control of the White House, they're installing people that they want to see in those positions, not necessarily the people the American people have chosen, because they're able to affect the outcomes of our elections on every single level

**And they can do that in more than 70 countries** in the world.

**You look at a country that isn't actually run by a government**, it's run by the most powerful criminal organization in the world that doesn't care about international conventions and

international law and so on and so on, is partnered with all of our adversaries, not just terrorist organizations, Islamic terrorist organizations, not just foreign adversaries, right? Not just other criminal cartels, but all of them together.

**So this consortium of enemies, whether it's the CCP or the North Koreans** or the Iranians, is partnered with the Venezuelans. They're able to choose leaders, you know, from Latin America to South America, by the way, also to Europe, countries like Spain, that are completely captured.

**They're able to buy off American officials**, infiltrate the government, from the National Security Council to the White House, completely infiltrated, run it by Cuban intelligence, one of the most sophisticated intelligence operations, organizations worldwide.

**How are you going to stop China's advance** when you have a country like that that's also using drug warfare to not just kill hundreds of thousands of Americans, more Americans dying from drug overdoses than ever in the history of this nation”

**N. Thurs. 15 Jan. 2026 THE SAINT GERMAIN TRUST – THE TRILLION-DOLLAR WEAPON THAT'S ABOUT TO CRUSH THE CABAL'S FIAT SLAVERY SYSTEM – NESARA/GESARA ACTIVATION IS HERE, PATRIOTS! ...The MAGA King on Telegram**

**The Saint Germain Trust** isn't some fairy tale or New Age dream — it's the most heavily guarded, multi-trillion-dollar (some say quadrillion-level) gold-backed financial fortress ever created, built specifically to shatter centuries of elite control over humanity's wealth. Hidden in plain sight, protected by unbreakable codes and loyal guardians, this trust was hijacked, suppressed, and attacked by the deep state cabal — the Federal Reserve vampires, IMF leeches, Vatican hoarders, and their intelligence puppets — because its release means their entire fiat empire dies overnight.

**But the lock is breaking right now.** In this timeline — January 2026 — the Saint Germain Trust is moving, flowing, activating. The QFS (Quantum Financial System) is syncing up, gold-backed USTN currencies are testing live, military seizures under EO 13848 are grabbing back stolen assets from BlackRock and the usual suspects, and the Vatican's dirty wealth is being clawed back piece by piece. This isn't speculation anymore — it's execution.

**What this trust really does:** It powers the full NESARA/GESARA rollout — the real laws buried and suppressed since the original push, now enforced by white hats and patriots in control.

**- Wipe out** all personal, corporate, and national debt forever — poof, gone.

- **Cancel** the illegal income tax slavery system and shut down the foreign IRS collections.
- **Deliver universal monthly stipends** and massive prosperity payments straight to the people — real restitution, not fake government handouts.
- **Fund humanitarian projects:** advanced healing tech (med beds rolling out soon), clean free energy, true education, and sovereign systems that put power back in our hands.
- **Replace the dying fiat dollar** with asset-backed currencies that can't be inflated or manipulated by the cabal.

**The elites tried everything to stop it:** infiltrations, threats to whistleblowers, buried documents, even hits on those who got too close. They failed. The trust held strong. The gold is real, the assets are secured, and the codes are in patriot hands now.

**2026 is the year it all drops.** Signs are screaming: BRICS gold systems locking in, QFS biometric wallets going live, massive elite asset forfeitures accelerating, and whispers of EBS disclosures that will broadcast the truth — Epstein lists, child rescues from DUMBs, cabal confessions — to wake the normies. Debt jubilee is imminent, prosperity funds are queued, and the fiat Ponzi scheme collapses as the people finally get paid back what was stolen for generations.

**This is financial warfare,** and we're winning big. The cabal's power is evaporating — their banks are obsolete, their control is broken, their stolen trillions are being redistributed to us. You were never meant to be debt-free, own your land outright, or live with dignity in retirement. They planned eternal slavery.

**But now you will.** Not because they handed it over — because we took it back through sheer awakening and unbreakable resolve.

**The Saint Germain Trust isn't coming** — it's here, activating, unstoppable. Get ready, patriots. The greatest wealth transfer in history is underway, and it's for the people, by the people. The deep state's fiat empire is finished. NESARA/GESARA isn't a hope — it's the final blow, and it's landing hard in 2026.

**Stay vigilant, trust the plan,** and prepare for the abundance that's been hidden from us too long. The storm is over — the golden age begins. WWG1WGA!

**O. Thurs. 15 Jan. 2026 You Control Your QFS Wallet (bank account) ...Nesara/Gesara QFS Secrets on Telegram**

**While the U.S. is locked on elections,** investigations, border chaos and “threats to democracy,” the narrative is always the same: you need more control over you to stay safe. What

I'm seeing on the QFS side is the opposite, the system is being wired so you no longer need to be controlled just to access your own value.

**In the NESARA / GESARA framework**, your QFS wallet is not just a “bank account on an app.” It's a sovereign identity.

**Your funds are tied to:**

- your biometric profile
- your unique quantum key
- your verified asset position in the ledger

**There is no branch manager** who can quietly flag or freeze you. Every move in or out is written instantly on a ledger that cannot be edited after the fact: not by a politician, not by a bank, not by an agency.

**Security works differently here.** Instead of layers of people who can interfere, there are layers of encryption that no one can bypass without your key. If someone tried to move your funds without you, the system reads it as a mismatch and rejects it automatically. That's why I keep insisting on clean data, stable details, and proper verification now, once you are locked in correctly, you are extremely hard to touch.

**Day-to-day use will feel simple on the surface:**

**You'll see balances in real time.**

**You'll be able to create sub-wallets** for projects, family, and operations.

**You'll set limits and permissions yourself** instead of asking a bank for “approval.”

**P. Thurs. 15 Jan. 2026 Trump's Strategic Play: Why Greenland Is the Key to Arctic Power**  
...Ezra A. Cohen on Telegram

**The introduction of the Greenland Annexation and Statehood Act (GASA) on January 12, 2026** signals a dramatic shift in the global balance of power. The proposal would authorize President Donald Trump to move decisively to secure Greenland—potentially as the 51st state—without waiting on foreign approval.

**This is not about symbolism** or territorial ambition. It's about control of the Arctic at the very moment it becomes the world's most valuable strategic region.

**Why Greenland Matters Now:** For decades, Greenland was seen as remote and frozen. That reality is gone. Melting ice is opening direct shipping lanes between Europe, Asia, and North America, and Greenland sits at the gateway. Whoever controls Greenland controls access to the Arctic's trade routes, resources, and military corridors.

**The island also holds vast reserves of rare earth minerals**—essential for advanced technology, defense systems, and renewable energy. As global competition intensifies, the U.S., China, and Russia all recognize that Arctic dominance will shape economic and military power for decades to come.

**The Military Equation** The Arctic is no longer a backwater. Russia has expanded its northern military infrastructure, including nuclear-capable assets. China, under the banner of research and investment, has pursued mining and strategic footholds across the region. Without firm U.S. control of Greenland, America's northern defenses remain exposed.

**From early-warning systems** to control of emerging sea lanes, Greenland is central to modern defense strategy. Securing it is not optional—it's foundational to U.S. national security.

**What the Bill Does:** GASA frames Greenland as a security imperative. Rather than outlining a single pathway, it grants the President broad authority to act—through negotiation, purchase, or other means deemed necessary. The message is clear: time is running out, and hesitation risks handing the Arctic to rival powers.

**Resistance—and Reality:** Opposition was inevitable. Denmark, which governs Greenland, has voiced objections, and Greenland's Prime Minister Jens-Frederik Nielsen has cited past referendums supporting autonomy. But those votes predate today's geopolitical reality. The Arctic's transformation has changed the stakes—and inaction now carries consequences.

**What This Means for the U.S.:** If passed, the bill would give President Trump the legal foundation to secure Greenland before China or Russia does. This marks a shift toward prioritizing sovereignty and security over slow diplomacy. The question is no longer whether Greenland is strategic—it's whether the U.S. can afford to let it slip away.

**Conclusion:** This legislation is more than a proposal. It's a declaration that the United States intends to lead in the Arctic, not react to others' moves. Control of Greenland means control of the world's next great frontier.

**The world is watching.** The decision made in the coming months could define global power for generations. The real question isn't if Greenland becomes central to U.S. strategy—it's when.
