**Judy Note: On Tues. 20 Jan. 2026** John F. Kennedy Jr. announced on Telegram that he was alive, was Vice President of our Republic under President Donald Trump under the Q Movement and has been masquerading as Juan O Savin.

**As head of the Global Military Alliance Trump and Kennedy have been working together to take down** the Satan Worshipping Child Sacrificing Pedophile Cabal worldwide. Throughout the ages Satan Worshipers have been guided by descendants of Cain through the Vatican's Khazarian Mafia.

**A brief history was put together by Julian Assange:**

**For centuries, a secret society known as the Khazarian Mafia (KM)** has shaped global events through deception, crime, and manipulation. Emerging from Khazaria (100-800 AD), this group became infamous for its criminal practices: identity theft, banditry, and murder, all while operating under the guise of religious legitimacy. Their influence has endured through history, infecting governments, economies, and societies with unparalleled corruption.

**Russia's ultimatum and the birth of a secret empire:** In 800 AD, surrounding nations demanded Khazaria adopt a formal religion to curb their depravity. The Khazarian king publicly embraced Judaism, but covertly retained Babylonian Satanism, merging its dark rituals with their new religious identity. Practices like child sacrifice and blood rituals persisted, hidden from the public eye. By 1200 AD, neighboring nations had enough. Led by Russia, an alliance dismantled Khazaria, forcing the KM underground.

**The rise of the Rothchilds - a new front:** The displaced Khazarian elite regrouped in Europe, spearheading global domination through financial control and deception. They infiltrated England, orchestrated the English Civil War, and established London as the financial capital. Adopting the name Rothschild, they created a banking empire based on usury and counterfeit wealth, consolidating their influence across Europe.

**Worldwide control through deception:** Using Babylonian money-magic, the KM expanded into international banking, narcotics trafficking, and the slave trade. They manipulated major wars, including WWI and WWII, and staged false-flag operations like 9/11, using these events to tighten their grip on governments, including the United States. Through the Federal Reserve, IRS, and propaganda networks, they enslaved populations under their financial and political control.

**A bloody legacy:** From orchestrating the Russian Revolution—murdering millions—to corrupting education, medicine, and media, the KM's tactics are insidious. They thrive on secrecy, deception, and the systematic exploitation of humanity.

**The reason why “Israel would be last”** was because the Israeli Zionist Khazarians Worldwide Government controlled Satan Operation Centers in Ukraine, Venezuela, Iran, Greenland and Israel under Satan’s false Messiah, the UN. Ukraine, Venezuela, Iran and Greenland were now pretty much under control. Now Israel would be last.

### **The Plan To Save The World:**

**Phase One:** Broadcast – Insurrection Act declared, comms secured. **Phase Two:** Military controls networks, targeted blackouts. **Phase Three:** Raids, arrests, seizures. **Phase Four:** Tribunals crimes exposed. **Phase Five:** Economic reset – QFS activates, Fed ends, IRS abolished, gold-backed currency, NESARA funds released.

**President Trump Has Given The Green Light For EBS Activation. The Great Reset Has Begun.** Fiat US Dollar Collapsing. Banks Freezing Accounts. Trump to Invoke Insurrection Act. National Guard Has Been Activated Triggering Military Lockdown, Media Blackout, Exposure of Satan-worshipping Cabal. All Flights To Be Grounded, Airspace Restricted.

**The Global Currency Reset** has crossed the point of no return, ushering in the prosperity era under NESARA/GESARA.

**Redemption appointments roll out in a 5-day window beginning Mon. 19 Jan. through Fri. 23 Jan. 2026**, with Tier 4B notifications flowing today and exchanges/Zim redemptions prioritizing humanitarian projects under the fully operational Quantum Financial System. Gold-standard rates secure asset-backed payouts, massive wealth transfer from corrupt elites to the faithful patriots—debt jubilee wipes away burdens, freeing humanity for the Golden Age.

**Med Beds were prepared for widespread activation**, healing the poisons of the cabal through holographic frequency resonance, restoring bodies from chronic illness, implants, and more.

**The QFS enforces** sovereign freedom worldwide across 209 BRICS nations, with prosperity packages, no taxes on earnings, and trillions redirected to rebuild America, end poverty, and uplift the planet.

**Redemption Centers** for the general public open under military security by early February, linked via Starlink for secure GESARA wallets.

**President Trump has green-lit the Emergency Broadcast System activation**, with the Great Reset now underway as the fiat US dollar collapses and banks begin freezing accounts.

**The Insurrection Act invoked**, National Guard deployed nationwide, triggering military lockdown, media blackout and exposure of the Satan-worshipping cabal. Under Trump's command the Global Military Alliance cleanses the nation.

**Charlie Kirk has been protected**, his wife in custody as a CIA handler exposed—truth surges forward.

**Mass arrests accelerate as thousands of children are rescued** from underground tunnels and bio-weapon labs in Ukraine by Russian forces, revealing the Zionist-Vatican child sex trafficking networks.

**The Deep State crumbles** under sealed indictments and GITMO tribunals, with elites facing exposure for adrenochrome harvesting, election fraud and Luciferian rituals.

**You are advised to stock provisions** as Seven Trumpets via Starlink will soon broadcast undeniable evidence of treason, bioweapons, and the cabal's endgame. All flights to be grounded, airspace restricted—prepare for the Ten Days of Darkness imminent, a time of truth bombardment where fake news falls silent.

**This is the final takedown**; trust in God's plan to restore our Republic and end Satan's reign. God wins.

**A. Kaitlynn Hunter Update: Please Help - write or call the below Ohio authorities and contribute to the cause:** <https://www.givesendgo.com/GDX1Z>

**At age 11 the State of Ohio CPS** took Kaitlynn from her loving home and placed her in what has turned out to be seven years of a Foster Care Prison. The excuse was that she was not in school, yet the court would not allow registered papers to be filed that proved she was being home schooled by her mother Jeannine.

**During her seven years of Foster Care** Kaitlynn was raped, twice beaten causing concussions, starved for a year where she lost 60 pounds, refused medical care, refused schooling and refused normal visitation with her mother.

**Although in Jan. 2026 the state of Ohio released Kaitlynn from foster care prison because she turned 18 last December**, they still will not allow her to return to her home because of a restraining order on her mother Jeannine.

**The restraining order was issued** because Jeannine harbored her own daughter Kaitlynn when she ran away from those seven years of an extremely abusive foster care situation where she had been raped, beaten, abused, neglected and starved for over a year and lost 60 pounds.

**The Court has placed Jeannine's filing** on inactive status while demanding another evaluation on her mental status. This could be considered "EXTORTION."

**Kaitlynn is over eighteen years of age** and the order on her mother that denies Kaitlynn's Emancipation is "UNCONSTITUTIONAL."

**Kaitlynn is alone, endangered** and in need of funds. All she asks is to be with her mother. Sadly, her grandmother Betty passed away on **Sun. 18 Jan.** without being able to reunite with her granddaughter whom she helped raise. Kaitlynn remains in need of financial assistance. Please consider helping at this website: <https://www.givesendgo.com/GDX1Z>

**Judy Note: It is my personal opinion** that the State of Ohio CPS is involved with the CIA in an international Child Sex Trafficking Ring and they were mind control grooming Kaitlynn to be involved in it. Kaitlynn and Jeannine are witnesses to that horrible torture and abuse on Kaitlynn as well as on other Ohio Foster Care children and teens.

**The below authorities were still preventing Kaitlynn from returning home. You might want to consider calling or writing them asking why they continue to abuse Kaitlynn and her family when they have done nothing wrong. They just want to be together:**

**Greenland is another strategic point where Satanists have set up camps** to commit incredible evils around the world. Underground military bases are just the surface of what's happening there.

Just like electoral interference from Venezuela was just the surface. And just like the child abuse on Epstein Island was just the surface. And just like the biological labs in Ukraine were just the surface of the evil happening in secret.

What's really happening in all those places is so horrific and terrifying that we'd be sick if we knew. Evil has no limits. He doesn't stop at anything. That's why it needs to be stopped. And that's what trump and the white hats are doing now.

**Taking Greenland will end NATO** and eliminate the nuclear threat once and for all.

**Liberating Iran will be one of the greatest possible victories for light and truth.** Iran is a massive stronghold for Satanists. It's totally controlled by Israel. They wanted to use Iran to launch a world nuclear war.

**Ukraine, Venezuela, Iran, Greenland** and so many other places are operation centers for Satan. All controlled by Israel itself, the centre of their planned Jewish Zionist government worldwide under Satan's false Messiah/UN World Instructor.

**Everything is falling apart.** Don't believe the mindless lies of idiots who know nothing and love rage. See what's really happening. Trump and the White Hats are reversing everything!.

GITMO overflowing, military tribunals grinding 24/7, forced confessions ripping open the entire global child trafficking horror show linked straight to the Vatican, DC swamp creatures, and the central banking cartel. Maduro's Venezuelan network just got cracked wide open, spilling locations of secret adrenochrome harvesting labs – the nightmare fuel for these monsters ends in 2026!

**Trump's 2026 warpath is on fire:** Mexican cartels officially branded terrorists, U.S. military greenlit for deep strikes into their lairs (he all but shouted it – "They're done running things!"). Iranian terror proxies decimated, BRICS empire crumbling under quantum financial warfare, Chinese ports quietly seized by White Hats. The storm is here, and it's biblical!

**Med Beds rolling out at warp speed** – the cabal-hoarded tech now in patriot control, healing terminal illnesses, reversing age damage, regrowing limbs like it was nothing. Free energy devices (Tesla-style zero-point) deploying to off-grid homes. Suppressed breakthroughs unleashed: anti-gravity propulsion, unlimited clean power – the future the elite stole from us is finally ours!

**Emergency Broadcast System activation locked and loaded – expect 10-12 days of orchestrated "darkness"** as cover for the final worldwide sweep of the remaining cabal rats. When the lights snap back on, the truth tsunami hits: 2020 stolen election servers dumped, bioweapon trail nailed to Fauci/Wuhan/China, mountains of fraud evidence broadcast globally. If needed, temporary martial law to restore the original Constitutional Republic – no more fake admiralty law fraud, common law returns, America First forever!

**Anons, the Great Awakening is detonating live!** The satanic pedo-elite's empire is collapsing – their adrenochrome highs exposed, blackmail rings shattered, mockingbird fake news dying in real time. The white hats are executing flawlessly, Trump at the helm, patriots rising!

**Tues. 20 Jan. 2026 California:** Independent journalist was able to gain access to a building in Los Angeles, California because the page-in system to get in was broken. What he discovered was DOZENS of home healthcare and hospice businesses IN ONE BUILDING. Some of the doors don't even have signs for the business and many of the names just sound fake. If you were running a business for hospice, you wouldn't want 20 other hospice businesses right next door for competition. California is going to be 100x the fraud of Minnesota. ...JFK The Leader on Telegram

**Tues. 20 Jan. 2026 Fox News:** The BIDEN-HARRIS administration along with Biden's own HHS engaged in the trafficking of over 500,000 children through the U.S. Southern border. They were using YOUR taxpayer dollars to pay NGOs and CIA/government contractors to escort these children directly to known child traffickers and abusers across the country. Let that really sink in for a minute. Now ask yourself why all these elites, celebrities, and politicians also seem to be involved in nefarious acts with children. It's ALWAYS been about the children.

#### **O. Tues. 20 Jan. 2026 BREAKING: TRUMP BLOCKS NATO’S GREENLAND GRAB — THE ARCTIC LAND AND MINERALS WERE THE REAL TARGET ...Ezra A. Cohen**

**President Trump has executed a decisive geopolitical move** that exposes what has really been happening behind the scenes in the Arctic. On January 18, 2026, he imposed a 10% tariff on eight European NATO-aligned countries - Denmark, Norway, Sweden, Finland, Germany, France, the UK, and the Netherlands, after confirming coordinated efforts to militarize Greenland and lock the United States out.

**This wasn’t symbolic.** It was a direct response to a covert operation aimed at securing Greenland before U.S. strategic control could be reasserted.

**WHY GREENLAND MATTERS:** Greenland is rich in rare earth minerals, uranium, and other critical resources needed for microchips, advanced weapons systems, satellites, AI infrastructure, and digital-currency hardware. Whoever controls these resources controls the backbone of the next global system.

**Over the past two years, Western corporate and financial networks quietly expanded extraction** and communications infrastructure on the island under the cover of “climate monitoring” and “arctic research.” The contracts were layered through shell companies, but the funding trails point back to major financial and foundation networks. This was never about environmental science. It was about securing the raw inputs of a post-dollar digital economy.

**THE TROOP DEPLOYMENTS WERE NOT SYMBOLIC:** When Denmark allowed NATO-aligned troops to deploy across Greenland, they weren’t observers. Satellite imagery shows forward operating bases near mineral zones, active helipads, and encrypted communications nodes already online. These were pre-positioned logistical assets, not training exercises.

**Coordination logs indicate joint planning between EU officials,** defense contractors, and Arctic institutions operating outside normal NATO command structures. The objective was clear: secure permanent access to Greenland’s mining zones before Trump could act. That plan collapsed the moment the tariffs were announced.

**THE TARIFFS WERE A COUNTERMOVE:** Trump’s 10% tariffs were not about trade policy. They were a military-economic countermeasure targeting the exact countries involved in the Arctic encirclement. There were no negotiations, no summits, and no multilateral cover—because this was no longer a multilateral game.

**NATO IS FRACTURING:** The Greenland operation forced a reckoning. The alliance lines are now exposed:

- **The U.S.** is reasserting direct control over strategic territories and resources
- **European blocs** are attempting centralized control without U.S. approval
- **The Arctic** is being militarized without transparency
- **Alliances** are being used to advance private elite agendas, not national security

**Trump is treating this as what it is:** a hostile move by compromised allies serving elite extraction and banking interests.

**WHAT COMES NEXT:** As of January 20, 2026, Arctic extraction zones are under constant orbital surveillance. Unauthorized drilling and troop movements are flagged immediately. Shipping routes tied to mineral encroachment are being screened, and economic access to U.S. trade pipelines is being cut.

**WHY THIS MATTERS:** Greenland isn’t just an island. Control of Greenland means control of the rare earth supply that powers satellites, weapons, chips, digital currency systems, and surveillance infrastructure. Lose Greenland, and the entire digital enforcement chain falls into private hands.

**That's why this fight is happening now.** That's why the tariffs landed. And that's why the stakes are this high. This wasn't diplomacy. It was exposure. And the chessboard just changed.
