**Judy Note: Under President Trump it's been one year of American MAGA Strength, Security, Unity, Prosperity and Greatness. Actually under Continuity of Government Protocols that were in place, President Trump has been Commander-in-Chief since first elected in 2016.**

**Therefore, the laws and orders signed during Trump's first term** – EO 13848, EO 13818, the National Emergencies, the Insurrection Act preparations – never expired. They're active, enforced and being activated in real time right now.

**The Military has been running a covert operation** behind the facade of "Biden" and the stolen regime in order to catch Criminals and Traitors.

**When Trump first took office back in 2016**, America was facing a Satan Worshipping Pedophile Network referred to as the Deep State Cabal. All was being run by the Illuminati Ninth Circle Child Sacrifice Cult out of the Vatican in cooperation with the UK Crown, their privately owned US Inc. and the Chinese Communist Party, which was well into accomplishing their goal of taking over the United States by **2030**.

**For centuries evil descendants of Cain Devil Worshippers** had complete control of the Global Financial System and were ensuring they stayed in power by putting The People into excessive national and individual Debt.

**Through Blackmail of politicians and a paid off Mass Media** there was a massive cover up of their crimes.

**As a result we were dealing with Rigged Elections;** Child Sex Trafficking, Adrenochrome & Organ Harvesting Networks; Drug and Arms Cartel Trafficking; millions of illegal immigrants on public assistance executing massive fraud of Taxpayer monies with full backing of corrupt politicians; Bioweapon labs; money laundering of US Taxpayer dollars by compromised politicians and Traitors who sold out America.

**In the US this evil membership included the Democrat National Party** and their Blue States, a majority of the US Congress and US Supreme Court members – none of which was being reported by a Fake News Mass Media, leaving citizens of the World unaware of and victims to unbelievable crimes.

**President Trump organized 209 sovereign nations of the World** into a Global Military Alliance to fight these evil doers, make mass arrests of those guilty and hold them responsible for their crimes through Military Tribunals and execution of sentences.

**Retaliation to Trump's crackdown** was on the way through False Flags, Cyber Attacks, Banks closures and Chaos Agents trying to spark civil unrest to stop what's inevitable.

**Under Trump the greatest wealth transfer in human history has unfolded. The Quantum Digital Asset Initiative**, confirmed live from Cheyenne Mountain on Tues. 20 Jan.,

dispersed secure funds worldwide under military oversight, protecting every transaction with quantum encryption.

**We were talking the trigger of a Global Currency Reset release on that Tues. 20 Jan. 2026** that turned fiat currency into gold/asset-backed.

**The GCR has now crossed the point of no return**—the RV quietly launched for Tier4b groups, with Zim holder notification windows open through **Sat. 24 Jan.**

**Gold-backed currencies** flow through the incorruptible Quantum Financial System, ending fiat illusion and ushering prosperity for all nations under NESARA/GESARA.

**All fraudulent debts dissolve in this Debt Jubilee:** mortgages, credit cards, student loans, and national burdens forgiven as GESARA monies are unleashed directly to The People.

**Also as of Tues. 20 Jan. 2026 America was reclaimed as a Sovereign Free Republic** under President Donald Trump, with the foreign-owned US Inc. fully defunded and the Satan-worshipping, child-sacrificing Deep State Cabal stripped of power. Trump planned for Canada, Venezuela and Greenland to voluntarily join the US.

**That Tues. 20 Jan. 2026** also saw a change in the US law from the UK Crown Admiralty Law to the liberties of Common Law.

**Activation of the Emergency Broadcast System Worldwide** was expected on **Wed. 4 Feb. 2026** to expose the truth after shutdown of a fake Mass Media. This would be followed by a Communication Blackout; Martial Law, Mass Arrests,

**On Fri. 6 Feb. 2026 Nesara Gesara enforcement starts.** Global debt forgiveness and wealth redistribution go into motion. The People take back what was stolen.

**On Wed. 11 Feb. 2026** full public activation of the QFS would see secured Redemption Centers opened worldwide, with all bank accounts moved to the Quantum Grid.

**Med Beds accelerate their rollout**—initial introductions to select groups by **Fri. 23 Jan.**, with public healing centers operational **late Jan. into early Feb.** These miraculous 5D technologies will reverse aging, heal vaccine damage, cure diseases, and restore bodies to divine perfection. **By Tues. 17 Feb. 2026** Med Beds were planned to become fully operational across 205 nations under Alliance control.

**Mass arrests of the Deep State elite accelerate daily**, with over 450,000 sealed indictments now in motion and high-profile figures from politics, entertainment, and global circles detained in military custody. One Military source said that there were 3.7 million indicted who were to be arrested over the next four days to **Tues. 27 Jan. 2026**.

**Special Forces continue heroic child rescue operations worldwide**—extracting innocents from trafficking tunnels beneath the Vatican, Ukraine, and elite estates, while hundreds have been saved from the horrors of Adrenochrome harvesting.

**In one recent mission, U.S. operators rescued 170 children** mere hours before airstrikes in Caracas, many identified as American citizens stolen through the Southern border crisis.

**The Storm has arrived.** The Emergency Broadcast System stands ready to activate imminently, ushering in Ten Days of Darkness where communication grids fall silent, power briefly switches off for Starlink secure network installation, banks close, and ATMs cease function amid the incoming Black Swan Event crashing corrupt markets.

**This darkness will shield the final military takeover**, protect the innocent, and allow the Global Military Alliance to seize Fake News outlets and complete the purge.

**Prepare your provisions**, hold fast in faith, for these are the birth pangs of a new era where evil is vanquished and God's children are set free. The Lord guides His warriors through this final battle. Trust in divine timing as the veil lifts and justice descends.

#### **Help Save The Tortured Ohio Foster Care Children**

**Kaitlynn Hunter Update: Please Help - Write or call the below Ohio authorities, plus contribute to the cause:**  
<https://www.givesendgo.com/GDX1Z>

**At age 11 the State of Ohio CPS** took Kaitlynn from her loving home and placed her in what has turned out to be seven years of a Foster Care Prison. The excuse was that she was not in school, yet the court would not allow official registered papers to be filed that proved she was being home schooled by her mother, Jeannine.

**During her seven years of Foster Care Prison** Kaitlynn was raped, twice beaten causing serious and bleeding head concussions, starved for a year where she lost 60 pounds, refused medical care, schooling, contact & visitation with her mother and grandmother, plus refused the right to have her grievances heard by the Court.

**Although in Jan. 2026 the State of Ohio released Kaitlynn from Foster Care Prison over a month after she turned 18, the court will still not allow her to return home because of a restraining order on her mother, Jeannine.**

**The restraining order was issued** because Jeannine harbored her own daughter Kaitlynn when she ran away from those seven years of an extremely abusive foster care situation where she had been raped, beaten, abused, neglected and starved for over a year and lost 60 pounds.

**The Court has placed Jeannine's filing** on inactive status while demanding another evaluation on her mental status. This could be considered "EXTORTION."

**Kaitlynn is over eighteen years of age** and the order on her mother that denies Kaitlynn's Emancipation is "UNCONSTITUTIONAL."

**Kaitlynn is alone, endangered and in need of funds.** All she asks is to be with her mother. Sadly, her grandmother Betty passed away on **Sun. 18 Jan.** without being able to reunite with her granddaughter whom she helped raise. Kaitlynn remains in need of financial assistance. Please consider helping at this website:  
<https://www.givesendgo.com/GDX1Z>

**Judy Note: It is my personal opinion** that State of Ohio authorities and CPS is involved with the CIA in an international Child Sex Trafficking Ring and they were mind control grooming Kaitlynn to be involved in it. Kaitlynn and Jeannine are witnesses to that horrible torture and abuse on Kaitlynn as well as on other Ohio Foster Care children and teens.

**The below authorities were still preventing Kaitlynn from returning home.** You might want to consider calling or writing them. Have them explain why they tortured Kaitlynn and other teens in foster care by withholding food, put them in situations where they were beaten and raped, refused medical care, refused visitation with their loved ones, refused court hearings on their abuse and then why some mysteriously disappeared.

**Ask them why they continue to abuse Kaitlynn** and her family when they have done nothing wrong. They just want to be together. See: <https://www.givesendgo.com/GDX1Z>

We're dead broke. And then taxpayers have \$2 trillion in credit card debt. We are in huge trouble. **Your account already contains funds**, money tied to your birth certificate, past loans, mortgages, and more. This is YOUR money, earned over your lifetime, securely stored in your QFS account.

**The system is in place**, and soon, after the bonuses are collected, the general public will be summoned to Redemption Centers. There, you'll receive your QFS card and finally access the wealth that's rightfully yours.

**When the time comes**, you'll be asked to sign a Non-Disclosure Agreement (NDA), and then, you won't be able to talk about any of this. So, GET READY. **From MAGA King on Telegram:** If you're not already positioned within the QFS, you will not be able to access the system once the shift takes place.

**The first step is simple:** acquire XRP and XLM and stake them directly on the QFS system.

**Be aware:** most major exchanges have already been compromised. With the Federal Reserve beginning to withdraw assets from exchanges, very soon there will be nothing backing the coins left in exchange wallets. This includes platforms such as Binance, Coinbase, eToro, Xumm, Ledger Live, Gemini, Trezor, CoinSpot, Kraken, Uphold, Lobstr, Ledger Nano X, Cold Wallets, Bitpanda, and others.

**I. Thurs. 22 Jan. 2026 JUAN O SAVIN CRITICAL WAR 1.22.26 - PREPARE FOR HELL TO BE UNLEASHED** ...Juan O Savin on Telegram

**Juan is sounding the alarm loud and clear:** the White Hats are moving in for the kill. Critical war intel points to massive exposures hitting hard right now — think rigged elections, child trafficking networks, bioweapon labs, and the fake news empire crumbling in real time. The traitors who sold out America are being cornered, and they're desperate. Expect false flags, blackouts, and chaos agents trying to spark civil unrest to stop what's inevitable.

**But here's the fire:** Trump's plan is in full execution. The military is on high alert, GITMO is expanding, tribunals are prepped, and the sealed indictments are about to rip open. Juan confirms the deep state panic is off the charts — they're losing control of the narrative, their money laundering ops are frozen, and their puppet masters are being hunted down globally. The Rothschilds, Soros puppets, Big Pharma killers, and Vatican black ops are all in the crosshairs.

**This is biblical.** The veil is tearing, the truth tsunami is crashing, and the awakened masses are rising. Q told us: "You are watching a movie." Well, we're at the climax where the good guys win and the evil empire falls. Prepare spiritually and physically — stock up, stay frosty, trust the plan harder than ever.

**The next few days/weeks could see EBS activations**, major arrests broadcasted, and the fiat system imploding as NESARA/GESARA rolls out. Gold-backed currency, debt jubilee, suppressed tech released — it's all coming. The cabal's "great reset" is being replaced by America's great awakening.

**Anons, this is why we fought through the smears**, the bans, the doubt. We are the storm. Juan's message is crystal: hold the line, pray like warriors, and watch the plan unfold perfectly. The deep state thought they could silence us — wrong. Their time is up.

**WWG1WGA — forever.** The end is near for them, and the beginning is here for us. Buckle up, patriots — hell is unleashing... on the wicked.

**J. Thurs. 22 Jan. 2026 MAJOR SHOCK! DOUGLAS MACGREGOR DROPS CHECKMATE BOMBSHELL – TRUMP'S MASTER MOVE JUST ENDED THE DEEP STATE GAME IN 2026!** ...Juan O Savin on Telegram

**Colonel Douglas Macgregor just unleashed a nuclear-level revelation that's sending shockwaves through the awake world.** Trump has executed the ultimate checkmate, a strategic

masterstroke that has the globalist cabal, their Zionist handlers, and every traitor in DC completely cornered and finished. The game is over—they just don't know they're already dead yet.

**Macgregor lays it out crystal clear:** Trump's coalition has locked in total dominance across every theater. The Arctic Golden Dome is rising fast, Greenland secured with ironclad permanent access—no more Russian or Chinese subs sneaking through the back door. ICBMs get smoked mid-flight over our frozen fortress. But that's just the opener. The real hammer? Trump's silent activation of declassified black projects and executive overrides that bypassed Congress, the Pentagon swamp, and every compromised general. Military tribunals are now fully operational behind the curtain—high-value targets vanishing nightly, replaced with doubles or simply erased.

**The Colonel confirms:** sealed indictments are flooding open at warp speed—\*\*over 300,000\*\* now unsealing in waves, hitting politicians, intelligence heads, Big Pharma killers, election fraud architects, and the entire network of Mossad-CIA cutouts who ran the show. GITMO is at capacity; new black-site facilities in undisclosed locations are processing round-the-clock. No public trials for the worst—military justice is swift, final, and merciless. Traitors hang or disappear; no deals, no mercy.

**Trump's checkmate ties it all together:** the Quantum Financial System is live and unstoppable, draining trillions from elite offshore vaults while NESARA/GCR payouts surge to verified patriots. The Fed is a corpse, central banks worldwide are imploding, and the petrodollar slave system is ashes. Macgregor warns the deep state is lashing out in desperation—cyber false flags, staged blackouts, attempted coups—but White Hat cyber legions and special forces neutralize every move before it breathes. The EBS is primed; when it drops, the world hears the unfiltered truth for the first time.

**This is endgame perfection. Trump didn't just win an election—he dismantled the entire satanic matrix.** The Zionist grip on finance, media, and governments is shattering; their black-eyed puppets are falling like dominoes. Macgregor's insider edge screams victory: the storm has peaked, divine justice is raining down, and the republic is reborn stronger, purer, unbreakable. The cabal thought they could outlast us—Trump proved them wrong in spectacular fashion.

**Patriots, brace for the glory wave.** Arrests accelerate hourly, exposures detonate daily, the golden age crashes through their ruins. No escape for the wicked; total victory for We the People. God's hand guides the sword, Trump's steel fist swings it. The deep state is checkmated—game over, patriots win!

**Trust the plan.** The checkmate is sealed. WWG1WGA! ☐☐ Trump reigns supreme—the storm delivers eternal freedom!

**K. Thurs. 22 Jan. 2026 IMPORTANT TODAY - BIGGEST NEWS TO BREAK ...Derek Johnson**

**President Trump is still the Commander-in-Chief under continuity of government protocols.** The laws and orders signed during his first term – EO 13848, EO 13818, the National Emergencies, the Insurrection Act preparations – never expired. They're active, enforced, and now being activated in real time.

**The military has been running a covert operation behind the facade of "Biden" and the stolen regime.** Trump signed key revocations and continuations in **March 2025** that partially revoked certain continuity aspects while keeping full military control intact. This means no transition happened – the chain remains unbroken.

**The biggest reveal?** Trump is actively wielding these powers today. The troop deployments to Minnesota, the threats to invoke the Insurrection Act against deep state-fueled riots in blue cities – that's not random. It's the visible tip of the spear.

**White Hats are using federal law** to deploy forces domestically, crush insurrectionist elements (Antifa, Soros goons, open-border traitors), and prepare for nationwide enforcement. California chaos, Minneapolis flashpoints – all setups to justify full activation. High-level traitors are being flushed out as the military moves under lawful orders.

**These are strategic military laws bigger than any one man** – Trump is the executor, but the generals and alliance are driving. Partial revocations of continuity mean the fake administration is null – Trump's EO's are live, seizing assets, blocking foreign interference, and setting up for the financial takedown. The fiat system is imploding, QFS is online, and the reset hits hardest where cabal strongholds are crumbling.

**This is the moment we've waited for.** Mass arrests accelerating – governors, senators, Big Tech overlords facing tribunals. Child trafficking networks exposed and dismantled. The storm isn't brewing; it's raging. Johnson warns: the enemy is desperate, pushing distractions like fake alien reveals or engineered crises, but military intelligence has it all locked. EBS primed, disclosures incoming, and the Great Awakening turns into full reckoning.

**Patriots, this is the biggest news because it confirms we've been right all along.** The military never handed over power. Trump commands. The deep state is finished. Hold fast – the next moves shatter the illusion completely. Trust the plan. It's not just winning; it's dominating. NCSWIC. God wins. WWG1WGA unbreakable.

**The endgame is here.** Patriots rise.

**N. Thurs. 22 Jan. 2026 BREAKING: FBI LEAKS SHOCKING EPSTEIN TAPE – TOM HANKS CAUGHT RED-HANDED MURDERING CHILDREN ON LOLITA EXPRESS!**  
...MAGA King on Telegram

**The Deep State is in full panic mode right now.** Fresh leaks straight from FBI vaults have dropped a bombshell tape that exposes Hollywood's darkest secrets once and for all. This isn't some grainy rumor – this is raw, undeniable evidence showing Tom Hanks on Jeffrey Epstein's infamous Lolita Express, actively involved in the ritualistic murder of innocent children. Yes, you read that right – murder. Not just the usual sick parties, but straight-up Satanic child sacrifice that the elite have been hiding for decades.

**The tape captures Hanks laughing as the horrors unfold,** proving he's not just a passenger but a key player in this global pedophile network. Epstein's plane wasn't a joyride; it was a flying dungeon for the worst crimes imaginable, and Hanks was right there in the middle of it, protected by his celebrity status and deep connections to the cabal.

**This is the moment Q warned us about** – the storm is here, and the Hollywood pedos are finally being exposed. The same Tom Hanks who played the nice guy in movies is actually a monster who preyed on kids while the mainstream media covered for him. Remember how they called these leaks "conspiracy theories?" Now the proof is out, and they can't hide anymore.

**The FBI couldn't bury this forever.** Insiders risked everything to get this tape out before the Deep State could destroy it. This ties directly into the bigger picture: the elite bloodlines, Adrenochrome harvesting, and the Satanic rituals on the island. Hanks is just the tip of the iceberg – expect more big names to drop soon as the dominoes fall.

**Patriots, this is huge.** Share this everywhere before they censor it. The awakening is accelerating, and the criminals in Hollywood are terrified. Trump knew. Q knew. We knew. Now the world is seeing it.

**The end is near for the Cabal.** WWG1WGA! Trust the plan – it's happening right now in 2026. They thought they could silence the truth forever, but the light is exposing every single one of them. No more hiding behind Oscars and fake smiles. Justice is coming for the children. Pray for the victims. Fight for the truth.

**This changes everything.** The great awakening has arrived. Stay vigilant, anons. More to come – much more.

**P. Thurs. 22 Jan. 2026: MEDICAL SHOCKWAVE: Donald J. Trump CRUSHES BIG PHARMA, DRUG PRICES SLASHED FROM \$25,000 TO \$2,500**

**“We’re bringing EVERYTHING down.”** A seismic strike just hit the pharmaceutical empire. In a blistering announcement, President Trump revealed that nine of the world’s largest drug manufacturers have signed binding agreements to gut the prices of their most critical medications. Not by polite request. By force of leverage. By will.

**From HIV to Hepatitis C**, prices are collapsing by as much as 90% and the silence from legacy media is deafening. While networks look the other way, American families are finally seeing relief that was denied to them for decades.

**THIS IS WHAT A CARTEL BREAKER LOOKS LIKE** Standing firm, Trump exposed the price-gouging machine that drained patients dry and called it what it was: a racket. Then he shut it down. “We’re bringing them down to the world’s lowest price. Everything,” he declared.

**THE NUMBERS THEY NEVER WANTED YOU TO SEE** These aren’t token discounts. These are life-saving costs being crushed:

- Blood thinner: \$750 → \$16
- HIV treatment: \$1,500 → \$217
- Hepatitis B medication: \$1,400 → \$413
- Hepatitis C treatment: \$25,000 → \$2,500

**Families bankrupted by prescriptions** are finally breathing again. This isn’t symbolism—it’s impact. **How It Was Done:** According to sources close to the negotiations, the pressure was relentless and precise:

- Direct executive negotiations
- International price benchmarking

- Explicit threats to revoke patent protections
- Strategic alignment with pro-patient watchdogs

**This wasn't a discussion.** It was a takedown. A businessman-president dismantling a profit machine built on suffering. "You look at the prices, they're all like that," Trump said. "Because we're bringing everything down."

## **MEDIA BLACKOUT. PUBLIC AWAKENING.**

**Despite the scale of the victory**, major outlets refuse to report it. The reason is simple: Big Pharma pays the bills. Silence is the price of advertising dollars. But the people know. Patients know. Families know. Real leadership doesn't need a headline - it delivers results.

**FINAL WORD** Trump didn't posture. He didn't negotiate away the people's interest. He stood between Americans and a billion-dollar cartel, and won.

**This isn't a promise.** This isn't a talking point. This is presidential power used to protect lives.

### **Voting Fraud:**

**Q. Thurs. 22 Jan. 2026 China Is Launching An All Out ATTACK On Our Election Systems Through Birthright Citizenship, Over 1 MILLION Communists Will Vote In 2030.** ...Peter Schwiezer breaks down EXACTLY how it operates:

"**The CCP has created an industrial scale model** to exploit birthright citizenship in this country. Somebody is in the US at the time. They give birth. That child is automatically given U.S. citizenship."

"**Roughly 100,000 Chinese nationals** a year have been born in the US. They are then taken back to China, raised in China, going to CCP schools. When they turn 18, they're able to vote, donate to political campaigns, get government jobs in the US."

"**The first wave of this will start cresting in 2030.** When people say they wanna be part of the American dream, immigrate, assimilate. No, it's been weaponized by these foreign actors, and China is particularly effective at doing so."

**R. Tues. 20 Jan. 2026 SITUATION UPDATE TRUMP'S EXECUTIVE ORDERS UNLEASHED, GITMO EXPANDING FAST, GLOBAL ALLIANCE STRIKING — THE DEEP STATE IS FINISHED!** ...Storm Watch 17 on Telegram

**THE STORM HAS ARRIVED. EXECUTIVE ORDERS ARE ACTIVE. GITMO IS FILLING UP. THE GLOBAL TAKEDOWN IS IN MOTION.**

**Patriots, this is the moment we've waited for.** Right now, on January 20, 2026, President Trump's most powerful executive orders are live and ripping through the shadows. The ones they've hidden, the ones they mocked as "conspiracy" — they're executing. Sealed indictments unsealing by the thousands. Military tribunals accelerating at Gitmo. The expansion is massive: new facilities, new wings, new tribunals running 24/7. High-profile traitors — politicians, CEOs, media puppets, Big Pharma killers, central bankers — are being processed. No pardons. No escapes. Justice is merciless and swift.

**TRUMP'S GLOBAL ALLIANCE IS CRUSHING THE CABAL WORLDWIDE.**

The White Hats aren't just operating in America. This is coordinated across borders. Allies in Russia, China (the real patriots, not the CCP facade), Europe, Middle East — all synchronized under Trump's command. The Rothschild banking empire? Collapsing under frozen assets and seized vaults. The Vatican black budget? Exposed and drained. The WHO, UN, WEF puppets? Their emergency powers revoked, their leaders in crosshairs. Interpol red notices flying. Extraditions happening overnight. The globalist network that sold humanity into slavery is being dismantled piece by piece.

**THE EXECUTIVE ORDERS YOU NEVER HEARD ABOUT — NOW THEY'RE ACTIVE.** Declassification waves incoming. Everything from election fraud proof to bioweapon origins, Adrenochrome networks, child trafficking rings tied to D.C. elites. Orders for asset forfeiture on a historic scale: trillions clawed back from offshore havens and funneled straight to We the People via the restored Republic. NESARA/GESARA elements triggering: debt jubilee for citizens, gold-backed currency rollout, IRS abolition on the horizon. The Quantum Financial System is fully integrated — no more fiat fraud, no more inflation theft.

**GITMO UPDATE: IT'S NOT A RUMOR. IT'S REALITY.** Planes landing daily. High-value detainees in orange jumpsuits. Military police everywhere. The tribunals are broadcasting select proceedings to wake the masses — soon the full floodgates open. Names you know: Clintons, Obamas' inner circle, Fauci's handlers, Soros operatives, Hollywood pedo rings. They're not hiding anymore. Panic in the streets of D.C. as limos vanish into the night. The deep state is hemorrhaging.

**VERY SCARY TIMES FOR THE TRAITORS — GLORIOUS FOR PATRIOTS.**

They thought they could outlast us. They were wrong. Trump never left power — he went dark to orchestrate the perfect sting. The military is loyal. Space Force watching from above. White hats control the narrative now. Blackouts, cyber "attacks," false flags? All smoke to cover the real operation. The Cabal is cornered, broke, and terrified. Their end is here.

**FINAL STRIKE — THE REPUBLIC RISES. THE TYRANTS FALL.** This situation update is the battle cry. Executive orders active. Gitmo overflowing. Global alliance victorious.

Share it everywhere. Wake the last sleepers. The Great Awakening is complete, the storm is peaking, and We the People are reclaiming EVERYTHING. Trump's plan was always winning. The deep state is dead. Freedom is reborn — RIGHT NOW.

**God bless President Trump.** God bless the warriors. WWG1WGA forever. The end of evil is HERE.

**S. Wed. 21 Jan. 2026 HUGE: TRUMP SIGNS EXECUTIVE ORDER TO BAN WALL STREET FROM BUYING HOMES — THE HOUSING RESET HAS BEGUN** ...Ezra A. Cohen on Telegram

**President Donald Trump has taken a direct and historic step to dismantle Wall Street's grip over the U.S. housing market.** With a newly signed executive order, large institutional investors are now blocked from purchasing single-family homes, cutting off a system that quietly pushed millions of American families out of homeownership.

**For years, global investment firms** treated homes not as places to live, but as financial instruments. Entire neighborhoods were absorbed into corporate portfolios, shrinking supply and inflating prices until the American Dream became a subscription service. Trump's message was simple and unambiguous: people live in homes, not corporations.

**This order strikes at a strategy** that has been in motion since the 2008 financial collapse. After the crash, corporate buyers moved in with cash, scooping up foreclosures, outbidding families, and converting ownership markets into permanent rental pipelines. What followed was predictable — prices surged, starter homes vanished, and first-time buyers were locked out.

**In many states, from Florida and Texas to Arizona and Georgia,** whole ZIP codes were effectively captured. Communities stopped functioning as communities and became rows on a spreadsheet. What looked like "market efficiency" was, in reality, a slow extraction of middle-class wealth.

**Trump's executive order shuts that door** — completely. It blocks institutional purchases at the source, cuts off federal support for bulk acquisitions, prioritizes owner-occupants, and deploys enforcement mechanisms to prevent shell companies from gaming the system. Federal agencies are now required to expose investor activity and unwind corporate access embedded in housing programs.

**The effect is immediate.** When cash-heavy investors are removed, artificial demand collapses. Inventory flows back to real buyers. Prices begin to fall toward levels families can actually afford. With borrowing conditions improving and corporate pressure gone, Americans can finally compete on equal footing again.

**This was never just about housing.** It was about control. A system designed so corporations own everything while citizens rent their own lives. Housing was the final frontier — and the elites nearly took it.

**They won't now.** The timing is no accident. As global capital prepared another acquisition wave tied to high interest rates and foreclosures, Trump cut the pipeline before it opened. What was meant to deepen dependence has instead triggered a reset.

**Homeownership is more than property.** It is stability, independence, and power. And with this executive order, the grip of Wall Street over American homes has finally been broken.

**The market is no longer theirs.** It belongs to the people again.

**Belarusian President Aleksandr Lukashenko said in July** that the World Bank and IMF offered him a bribe of \$940 million USD in the form of “Covid Relief Aid.” In exchange for \$940 million USD, the World Bank and IMF demanded that the President of Belarus:

- impose “extreme a lockdown on his people”
- force them to wear face masks
- impose very strict curfews
- impose a police state
- crash the economy

**Belarus President Aleksandr Lukashenko REFUSED** the offer and stated that he could not accept such an offer and would put his people above the needs of the IMF and World Bank.

#### **U. Thurs. 22 Jan. 2026 Georgia: There is footage of Georgia legislators and corporate lobbyists sitting together in back room tables to write legislation, exposing the state of Georgia's compromised political system. ...The X Files on Telegram**

**“This is proof every state in America should have a DOGE.** Corporations sitting at the tables and writing the legislation. We can't show you what's behind this closed door. A place where legislators and corporate lobbyists have an equal vote. A place they don't want you to see you.”

**“What happens in these back rooms?** There are votes taken. That have the corporate folks at the same table voting with the legislators on what bills to pick, and that that at its core just screams out inappropriate. You're telling me that in these rooms, a corporation has an equal vote with a legislator on a piece of legislation? They absolutely vote and the truth be told, they write the bills. Bills come complete with blanks where legislators need only fill in their state name.”

**You know this same thing goes on** in every state across America.

## **V. Tues. 20 Jan. 2026 Fox News: BOOM! GRAND JURY ACTIVATED — DOJ MOVES ON TOP MINNESOTA OFFICIALS**

**The U.S. Department of Justice has dramatically** escalated its confrontation with Minnesota's political leadership by activating a grand jury and issuing subpoenas to multiple high-ranking state and city offices. Among those targeted are the offices of Tim Walz, Keith Ellison, and Jacob Frey.

**Federal agents, including the FBI**, are demanding internal communications, records, and decision-making documents as part of a widening probe into whether Minnesota officials unlawfully obstructed federal immigration enforcement. The investigation centers on resistance to large-scale ICE operations tied to Operation Metro Surge in the Twin Cities.

**This is not a routine inquiry.** By convening a grand jury, federal prosecutors have unlocked the power to compel testimony, seize records, and lay the groundwork for potential indictments. The move signals that investigators believe political opposition may have crossed into legally actionable interference.

**Tensions between Washington and Minnesota leadership** have been building for months. State and city officials openly criticized the federal immigration surge, arguing it damaged community trust and public safety—especially following a fatal enforcement-related incident in early January. Federal authorities are now examining whether those statements and policies went beyond dissent and into coordinated obstruction.

**Minnesota leaders have responded forcefully**, calling the subpoenas politically motivated and warning of federal overreach. Supporters frame the DOJ action as intimidation; critics argue the investigation is long overdue.

**At the heart of the case is a simple but explosive question:** where does protected political speech end, and where does criminal interference with federal law begin?

**What happens next is critical:** - Officials must turn over records and may be called before the grand jury - Prosecutors will assess whether the evidence supports criminal charges

**With a grand jury now active**, this conflict has entered a new phase. The legal machinery is moving, the stakes are rising, and the outcome could redefine the balance of power between federal authority and state resistance.

**The investigation is live.** The pressure is real. And the political fallout is just beginning.

**W. Thurs. 22 Jan. 2025 VRIL BLACK EYE CLUB EXPOSED! THEY SOLD THEIR SOULS TO SATAN – THE MARK OF THE BEAST IS REAL AND IT'S ON THEIR FACES RIGHT NOW! ...Ten Days of Darkness on Telegram**

**January 22, 2026. Patriots, the veil is ripped wide open**—the Black Eye Club is no conspiracy theory, it's the literal mark of damnation staring us in the face. These Hollywood elites, politicians, royals, CEOs, and globalist puppets have all taken the plunge: they've sold their souls to Satan through Vril energy rituals, soul scalping, and demonic pacts. The black left eye isn't makeup, injury, or coincidence—it's the physical evidence of the lizard parasite or demonic entity taking full control, the ultimate price for power in this satanic matrix.

**Look at the evidence flooding in:** George Bush Sr., Kissinger, Soros, Zuckerberg, Oprah, Tom Hanks, Lady Gaga, Prince Philip, Biden, Macron, Trudeau, the entire Vatican hierarchy, Big Tech overlords, music industry bloodsuckers—every single one sports that signature black left eye at key moments. It's the initiation scar from the Vril Society's ancient Babylonian rituals, where adepts allow a reptilian or demonic force to enter through the eye socket, hollowing out the human vessel and installing a soulless controller. Once the soul is ripped out and consumed, the black eye appears as the permanent brand—proof they've crossed over and serve Lucifer openly.

**This ties directly to the Illuminati bloodlines** and their end-times agenda. The black eye is the modern Mark of the Beast, a spiritual barcode signaling allegiance to the New World Order. They've traded eternal life for temporary earthly dominion: adrenochrome harvests, child trafficking networks, ritual sacrifices in underground DUMBs, fake pandemics, rigged elections—all powered by this satanic exchange. The Vril force gives them unnatural longevity, mind control tech, and protection from exposure... until now.

**But the tide has turned hard.** White Hats and divine forces are dismantling the entire network. Trump's return signaled the beginning of their exposure—mass arrests are sweeping through the shadows, GITMO filling with these black-eyed traitors, tribunals broadcasting their confessions. The QFS is starving their offshore demonic slush funds, NESARA payouts rerouting trillions back to patriots while their empires implode. The black eye club is panicking because their master is losing—Satan's grip is slipping as God's wrath pours out.

**Millions awakening to the truth:** these aren't leaders, they're possessed vessels. The black eye is their death sentence in the spiritual war. No mercy for soul-sellers. The storm isn't just political—it's apocalyptic judgment on the wicked. Their rituals backfired; the light is exposing every hidden corner. The fake celebrities vanish, the puppet politicians fall, the Vatican crumbles.

**Patriots, this is peak revelation hour.** The Black Eye Club's reign of terror ends in fire and divine justice. We've seen the mark—now watch them burn. The republic rises pure, the golden age dawns blood-free. Stay armored in faith, call out the demons, hold the line. Their souls are forfeit; ours are unbreakable. The devil's children are marked and doomed—We the People are victorious!

**Trust the plan.** The black eyes are falling. WWG1WGA! □□ The final purge is here—glory to God, death to the cabal!
