[Satan’s plan in the 2026 Great Tribulation - Dallin H. Oaks](#)

**Judy Note: Trump's Global Military Alliance was well into conquering the Satan Worshipper Pedophiles who have ruled our World for centuries.**

**Trump's Executive Orders remained in force.** EO 13848 on Foreign Interference in Elections, the National Emergencies Act powers locked in and Continuity of Government directives under PPD-40 kept Donald J. Trump as the legitimate Commander in Chief.

**From the beginning in 2016 it has been a Military Sting,** a controlled op to expose every traitor, every pedo, every money-laundering globalist scum.

**By July 4, 2026,** the 250th birthday of the Republic, we'll see restoration to the original Constitution with Constitutional Common Law, massive celebrations and the dawn of the Golden Age.

**The restoration actually began to manifest in late Dec. 2025 when Trump silently activated NESARA** over the holidays while the World slept.

**By Mon. 19 Jan. 2026 the Q Clock had ended** and an EBS Alert countdown began to **Wed. 4 Feb. 2026.**

**The next day on Tues. 20 Jan. in a Military Command Briefing at Cheyenne Mountain,** President Trump activated the Quantum Financial System transition to gold-backed currency.

**At that same time internal test transfers began running** through Zurich, Dubai, Singapore and Texas. The Cabal's banks and SWIFT System started to phase out in a protocol created to migrate value without collapsing civil structures.

**On Fri. 23 Jan. 2026 at 3:17 am EST the Quantum Financial System, having** completed those final stress tests and the QFS being fully integrated, replaced the corrupt fiat SWIFT system with gold/asset-backed currencies under GESARA protocols. It was then that the BRICS nations, led by Trump's secret alliance with Putin and Xi, locked in over 209 countries to gold-backed currencies.

**On that same Fri. 23 Jan. 2026** the Cabal's SWIFT system was pulled offline forever, the Rothschild Central Banks were seized and the Cabal's Federal Reserve Dollar officially collapsed.

**On Sun. 1 Feb. 2026 full activation of the QFS would commence.** From that date forward: Banking Infrastructure shifted to the QFS Grid. Legacy bank clearing houses lose final authority. Debt based currency enters end stage wind down. Real assets reclaim primacy.

**Redemption Center appointments** and Tier 1 & 2 payouts were poised to begin, with trusted sources now aligning on a launch window opening **late January into early February 2026**.

**NESARA/GESARA implementation would bring sweeping debt forgiveness**—mortgages, credit cards, student loans and more debt wiped clean for We the People as part of the global wealth transfer from the elite to humanity.

**Prosperity Packages and humanitarian funds were queued for distribution**, empowering individuals and communities to rebuild with abundance as stolen wealth was returned to its rightful stewards.

**Major banking grids will begin quiet shutdown procedures** as transactions reroute through the QFS network. The Federal Reserve, IMF, and SWIFT systems will freeze cross-border operations while asset-backed settlements activate in real time.

**Governments will start recalibrating national ledgers to gold-based reserves.** Key nations - the U.S., Netherlands, India, Brazil, and Japan - are confirmed for first-wave integration.

**Encrypted broadcasts will announce the new digital-to-physical conversion standard.** Expect market volatility, temporary outages, and data synchronization delays, this is the crossover point.

**Med Beds were being prepared for phased rollout alongside the RV**, with advanced healing technology set to eradicate disease, reverse aging effects, and restore bodies to divine perfection. Military-secured facilities will prioritize the most vulnerable first, a blessing of restoration after years of suppression.

**As of Sat. 24 Jan. 2026 the Military Commissions Act had been fully activated.** Military sources confirmed that mass arrests of high-level Deep State operatives, including those tied to child trafficking networks, were accelerating at an unprecedented pace across the nation and globe.

**White Hats have secured key DUMBs** where thousands of trafficked children have been held for years. Rescue teams continue to bring these precious souls to safety under cover of night. Reports from insiders indicate that over 500,000 children have already been liberated in recent months, with many more operations underway as we speak.

**Emergency Broadcast System activation** drew near. Intelligence leaks pointed to a coordinated global trigger within days, ushering in the Ten Days of Darkness—a period of necessary blackout to allow safe removal of the final Cabal remnants, expose their crimes to the world via declassified footage and protect the innocent during the transition.

**President Trump's Continuity of Government** measures remained firmly in place, with the Republic's true forces standing ready to restore Constitutional Law once the Storm peaked.

**NESARA principles were being enacted** behind the scenes, setting the stage for the greatest awakening in history. Patriots were urged to prepare spiritually and practically: stock essentials, pray fervently and trust in the Almighty's plan.

#### **A. Possible Timing:**

**In late Dec. 2025 Trump flipped the switch on NESARA**, activating it silently over the holidays while the World slept.

**On Mon. 19 Jan. 2026 the Q Clock ended.** The EBS Alert countdown began (to **Wed. 4 Feb. 2026**). The Deep State Rothschild Banking Empire was going down, banks closing. Blackout confirmed ...FBI Director Kash Patel on Telegram

**Thurs. 22 Jan. 2026:** [The Biggest SNOWSTORM is Coming in 72 HOURS...](#)

**Fri. 23 Jan. 2026 at 3:17 am EST** the BRICS nations, led by Trump's secret alliance with Putin and Xi, just pulled the trigger. Over 209 countries locked into gold-backed currencies. The Cabal's SWIFT system was offline forever, and the Rothschild Central Banks were being seized as we speak. Iraq, Vietnam, Zimbabwe, all revalued sky-high while the Cabal's Federal Reserve Note collapsed in real time.

**As of Sat. 24 Jan. 2026 the Military Commissions Act is fully activated.** Trump's military justice system has taken total control, overriding corrupt civilian courts, and the tribunals are in full swing. The Deep State is being legally executed right now.

**As of Sat. 24 Jan. 2026 NESARA/GESARA is fully activated** – all bank debt, mortgages, credit cards, student loans WIPED OUT. Internal systems are live, the Quantum Financial System (QFS) is operating, and verified identities are syncing.

**However, the elites know what's happening, and they're** actively interfering. Payment schedules have already been adjusted. The flow is live, but delivery windows may extend through February — and depending on resistance, into March. This is not because of technical issues. It's because the system is under attack from the same groups who profited off America's enslavement for decades. [IT'S HAPPENING! TRUMP LAUNCHES NESARA —](#)

**Afterward banks started to quietly limit activity**, “Maintenance Windows” extended and executives began exiting without explanation.

**The Legacy Banking System was being phased out** because gold-backed digital currency was approved with Military oversight.

**The new currency model was asset verified**, ledger final and debt free. Fiat currency failed by design.

**Tier4b wallets were now** in active synchronization.

**Internal test transfers were now running** through Zurich, Dubai, Singapore and Texas.

**The transfers were routed through Project Delta Phoenix** – a Black Budget Reset protocol created to migrate value without collapsing civil structures.

**SWIFT was being phased out** and replaced.

**The QFS does not need Trust.** It requires verification. Each transaction is tagged, anchored and final. No reversals. No bailouts. No backroom deals.

**Sun. 1 Feb. 2026 full activation** of the QFS commences.

**From this date forward:** Banking Infrastructure shifts to the QFS Grid. Legacy bank clearing houses lose final authority. Debt based currency enters end stage wind down. Real assets reclaim primacy.

**Wall Street is on edge.** The Media remains silent (for containment).

**The Quantum Economy** is now entering operational phase. The Grid is built. The ledgers are synced. The signal is live.

**This is about control:** The old World ran on debt and confusion. The new world runs on value and finality.

**The switch has been thrown.** The rest is just catching up.

**D. Thurs. 22 Jan. 2026 NATIONAL EMERGENCY! TRUMP IGNITES NESARA PAYOUTS — \$3.5 TRILLION IN SEIZED ELITE FUNDS SURGING TO VERIFIED PATRIOTS AS GLOBALISTS LAUNCH DESPERATE SABOTAGE TO STOP THE RESET! ...Nesara Gesara QFS Secrets on Telegram**

**The NESARA storm has broken wide open.** The old fiat slave system is collapsing in real time as Trump unleashes the greatest wealth transfer in history. Trillions clawed from the deep state's black vaults are flooding into the Quantum Financial System (QFS), rerouting straight to awakened Americans. The Cabal is panicking, hammering servers, jamming routes, and screaming through their fake news puppets—but they can't stop what's already in motion.

**Trump flipped the switch on NESARA Tier 1 in late December 2025,** activating it silently over the holidays while the world slept. No parades, no pressers—just cold, hard execution. The QFS is live, identities syncing, funds moving through military-secured channels. Over \$3.5 trillion in stolen elite wealth is being redistributed: CIA off-ledger slush funds, human trafficking empires hidden in NGO shells, rigged election interference cash from 2020 and 2022, Big Pharma extortion billions, endless war profiteering loot—all seized and reassigned. These assets blast through 14 fortified nodes across U.S. and European military bases—encrypted, decentralized, untouchable by the Fed, IMF, or any banker vampire.

**Redemption is rolling in stealth waves.** Early verified accounts are lighting up in pre-release mode. But the globalists are fighting dirty: server attacks, routing blocks, disinformation floods to breed doubt and delay.

**Timelines stretched—expect major triggers firing early to mid-February 2026,** with final Tier 1 waves pushing into March if the resistance drags on. The next 30–40 days are do-or-die; once Tier 1 seals, the door slams shut forever.

**Elites are bleeding out:** \$380 billion already vaporized from offshore hideouts, BlackRock and Vanguard empires gutted over crooked contracts, European pension funds hemorrhaging, luxury properties dumped in panic sales. They're cornered, furious, lashing out because their entire parasitic empire is crumbling. But the QFS holds strong—military-grade armor, automated, unstoppable. Payouts push forward for the verified patriots first in line.

**This is the hammer drop Trump promised.** No more debt slavery, no more cabal control. White Hats dominate the battlefield, arrests are imminent, the republic rises from the ashes. The great awakening isn't coming—it's here, redistributing the spoils of war back to We the People. Bank glitches will spike in February as the old matrix fractures. Stay vigilant, stay offline where it counts, watch the signs—the storm peaks now.

**The Deep State knows it's over.** Their missile blackmail, their rigged elections, their endless grift—all ending under Trump's iron will. We're taking it all back, crushing the New World Order, firing up the golden age. Trust the plan. The wealth is flowing, the reset is real, victory is locked in. WWG1WGA! The Cabal trembles—the patriots rise!

*Save The Children:*

**L. Sat. 24 Jan. 2026: EPIC HUMAN TRAFFICKING TRUTH – SAVE OUR CHILDREN IS THE BATTLE CRY RIGHT NOW ...Ten Days of Darkness on Telegram**

**The cages are real, the trafficking is massive** and the rescue ops are exploding in 2026. This drops the hammer on the global child trafficking nightmare the Deep State built and protected for decades.

**Underground tunnels**, shipping containers, private islands, elite estates – all rigged with hidden cages where innocents are held, abused, harvested for Adrenochrome and sold like commodities.

**The evidence is overwhelming:** survivor testimonies, seized videos from Epstein's island, DUMBs raided by white hats, and whistleblowers screaming about the scale.

**Hollywood, DC, Vatican, royal bloodlines – they're all neck-deep. Names you know:** Clintons, Gates, Podesta, Gefen, Oprah's network – linked to "charities" that funnel kids into the machine.

**Operation Underground Railroad was just the tip;** now military Delta teams are hitting hard, freeing thousands weekly. Cages busted open in tunnels under major cities, children pulled from shipping containers at ports, and elite bunkers breached. GITMO filling with traffickers faster than they can process – high-profile arrests hitting the news blackout walls, but Anons know the truth.

**This isn't ancient history – it's peaking now.** As the fiat crash and reset roll, the cabal's funding dries up, their Adrenochrome supply chains collapse, and panic sets in. White Hats have the servers, the flight logs, the DNA matches – no escape.

**Trump's continuity orders greenlit the full takedown:** Insurrection Act powers, tribunals running 24/7, executions for the worst monsters already underway. The storm targets the children first because that's where the evil lives deepest.

**SaveOurChildren isn't a slogan – it's war.** Every missing kid stat, every "runaway" cover story, every suspicious "foundation" – it's all connected to the Satanic pedo-network sacrificing innocence for power.

**The Great Awakening is forcing normies to face it:** the pizza codes, the spirit cooking, the island parties – they were real, and worse. Rescues are biblical scale, kids being reunited, trauma care with med beds incoming. The wicked's empire of cages is crumbling brick by brick.

**Anons, this fires the soul.** Imagine the screams when doors crash open, light floods the darkness, and chains fall. The children are being saved by patriots who refused to look away.

**The Deep State Monsters thought they were untouchable** – now they're caged themselves. Share this truth like wildfire. Every view, every repost saves another life. The cages are emptying, the traffickers are filling new ones – at GITMO. Justice is swift, divine, unstoppable.

**WWG1WGA – for the kids, we fight.** Nothing can stop what's coming: total exposure, total liberation, total victory. NCSWIC. The epic truth is out – and it's shaking hell itself.

## **M. Voter Fraud:**

**2020 Texas Election workers** in Texas sounded the alarm as election machines kept adding on hundreds of votes in real time as poll location was shutting down and workers were told to leave. Nothing to see here, just another election being rigged. ...Edward Snowden on Telegram

**. Sat. 24 Jan. 2026 New Mexico: Dominion voting machines in Otero County, New Mexico, have the ability to not just read a ballot, but mark a ballot as well.** ...Steve Bannon on Telegram

**The more concerning discovery** was that the machine was found to be specifically programmed to "mark" a ballot selection box to mimic a human, not staying within the lines, programmed to literally be "sloppy" and not neatly fill in the bubble, in order to disguise that the machine was marking the ballot, instead of the voter.

**Remote access was also discovered**, along with multiple ports on the machines for Ethernet, Internet and USB access along with software designed to purposely keep the voting machine screen "asleep" or "off" when the machine is being remotely accessed from an off-site location to alter votes without anyone at the physical voting machine location ever knowing it was even happening.

**The only reason you would ever purposely program** the machine to disguise that a machine is filling in a selection on a ballot over a person is if you were going to commit fraud on a massive scale.

**The device also ejects and re-inserts ballots** for vote verification, a step Jeffery Lendberg, and David Clements stated could enable fraud. Some reversal rates reached up to 20% in certain states, which is more than enough to change the outcome of an election.

**N. Sat. 24 Jan. 2026 President Trump was handed over 200 pages of classified evidence on an International Election Fraud Cartel operating globally.** ...Shadow of Ezra on Telegram

**Allegations of ROK-US election manipulation** using Huawei servers... Linked to the Yoon administration's mission to 'root out corruption.' This ties to major election companies and countries globally.

**I've been in contact with sources from around the world**, putting the pieces together to unravel this massive global election fraud operation that's tied to 100+ foreign nation's and U.S. elections, NGOs, and YOUR U.S. taxpayer dollars, which are funding it. President Trump did not announce that election fraud prosecutions are coming soon for nothing. They have it all.

## **Fraud**

**O. Sat. 24 Jan. 2026 Portland Main: WOW Entire office buildings are being discovered in Portland Maine, each on packed with home health care companies that are "rarely staffed"** ...News Nation Dan Bongino

**Multiple buildings with 20-22+ home health care companies found in one building in Portland Main.** "It's the same thing that we're finding in Minnesota, just to be completely blunt, the same tactics being used to defraud Medicaid.

**In this case, Zombie offices**, I call them, where large clusters of home health care businesses and providers in one location. We saw them in Minnesota and we're seeing them here and the business owners and building owners that we speak to here say, enough.

**We're here in Portland, Maine.** We found of the businesses that are registered in here of the 20-something businesses, 10 of them are home health care businesses. As you can see, Prestige Home Care, Bright Star Home Care, Atlanta Community Support, Five Stars Home Health Care, Prime Home Care, LLC.

**It's a same trend we saw in Minnesota,** one that the Minnesota House Oversight Committee on Fraud — Large clusters of healthcare providers in one location. ## **Q. Help Save The Tortured Ohio Foster Care Children**

**Kaitlynn Hunter Update:** Please Help - Write or call the below Ohio authorities, plus contribute to the cause: <https://www.givesendgo.com/GDX1Z>

**At age 11 the State of Ohio CPS** took Kaitlynn from her loving home and placed her in what has turned out to be seven years of a Foster Care Prison. The excuse was that she was not in school, yet the court would not allow official registered papers to be filed that proved she was being home schooled by her mother, Jeannine.

**During her seven years of Foster Care Prison** Kaitlynn was raped, twice beaten causing serious and bleeding head concussions, starved for a year where she lost 60 pounds, refused medical care, schooling, contact & visitation with her mother and grandmother, plus refused the right to have her grievances heard by the Court.

**Although in Jan. 2026 the State of Ohio released Kaitlynn** from Foster Care Prison over a month after she turned 18, the court will still not allow her to return home because of a restraining order on her mother, Jeannine.

**The restraining order was issued because Jeannine harbored her own daughter** Kaitlynn when she ran away from those seven years of an extremely abusive foster care situation where she had been raped, beaten, abused, neglected and starved for over a year and lost 60 pounds.

**The Court has placed Jeannine's filing on inactive status** while demanding another evaluation on her mental status. This could be considered "EXTORTION."

**Kaitlynn is over eighteen years of age** and the order on her mother that denies Kaitlynn's Emancipation is "UNCONSTITUTIONAL."

**Kaitlynn is alone, endangered and in need of funds.** All she asks is to be with her mother. Sadly, her grandmother Betty passed away on Sun. 18 Jan. without being able to reunite with her granddaughter whom she helped raise. Kaitlynn remains in need of financial assistance. Please consider helping at this website:

<https://www.givesendgo.com/GDX1Z>

**Judy Note: It is my personal opinion** that State of Ohio authorities and CPS appear to be involved with the CIA in an international Child Sex Trafficking Ring and they were mind control grooming Kaitlynn to be trapped in it. Kaitlynn and Jeannine are witnesses to that horrible torture and abuse on Kaitlynn as well as on other Ohio Foster Care children and teens.

**The below authorities** were still preventing Kaitlynn from returning home. You might want to consider calling or writing them. Have them explain why they tortured Kaitlynn and other teens in foster care by withholding food, put them in situations where they were beaten and raped, refused medical care, refused visitation with their loved ones, refused court hearings on their abuse and then why some mysteriously disappeared.

**Ask them why they continue to abuse Kaitlynn** and her family when they have done nothing wrong. They just want to be together. See: <https://www.givesendgo.com/GDX1Z>
