## The Spirit of God | The Tabernacle Choir

1.

The Spirit of God like a fire is burning!  
The latter-day glory begins to come forth;  
The visions and blessings of old are returning,  
And angels are coming to visit the earth.

Chorus

*We'll sing and we'll shout with the armies of heaven,  
Hosanna, hosanna to God and the Lamb!  
Let glory to them in the highest be given,  
Henceforth and forever, Amen and amen!*

2.

The Lord is extending the Saints' understanding,  
Restoring their judges and all as at first.  
The knowledge and power of God are expanding;  
The veil o'er the earth is beginning to burst.

3.

We'll call in our solemn assemblies in spirit,  
To spread forth the kingdom of heaven abroad,  
That we through our faith may begin to inherit  
The visions and blessings and glories of God.

4.

How blessed the day when the lamb and the lion  
Shall lie down together without any ire,  
And Ephraim be crowned with his blessing in Zion,  
As Jesus descends with his chariot of fire!

Chorus

*We'll sing and we'll shout with the armies of heaven,  
Hosanna, hosanna to God and the Lamb!  
Let glory to them in the highest be given,  
Henceforth and forever, Amen and amen!*

*"I did not consider that God was real, or that you could talk to him, or that he would answer.  
And it's only 56 years of rough and tumble living that have shown me that that is absolutely true  
and it is our only hope in the end... He's in charge, not us." ... Tucker Carlson*

**Judy Note: It was rumored that SCOTUS** has finally ruled in favor of the Brunson Case – that the 2020 Election was fraudulent, and thus the high court nullified that election, including all of Congress, anyone elected to public office and any decisions made by the Biden Administration.

**With the 2020 election steal nullified forever, President Trump** has been fully reinstated as Commander in Chief via military authority, Congress has automatically dissolved and the Global Military Alliance was in full force flipping the kill switch on the Satanic Cabal.

**White Hat Intelligence recently confirmed** that for a very long time U.S. Election Software has been infiltrated by the Chinese Communist Party working in tandem with the Democratic National Committee.

**Compromised Voting machine companies** like Dominion, Smartmatic, ES&S and others had internet access during US and other countries' election voting tabulation. Many other foreign connections linked to communism evidently were used by the Democrats to throw votes from at least the Obama Administration on up to the present.

**Trump has been reinstated as Commander In Chief** under continuity of government protocols. That meant right now the Military justice system was in total control – a fact expected to be announced this weekend – likely on **Sun. 1 Feb. 2026**.

**With the Brunson Case slamming the door** on a free and fair 2020 Election and the full 2020 fraud exposed, illegitimate actors would soon be removed from Congress and all of the US Inc. Government.

**On Mon. 26 Jan. 2026 FBI Director Kash Patel** made it clear that the privately owned US Inc. was officially defunct due to bankruptcy of the fiat Federal Reserve US Dollar. Patel announced, "In six days the US Government will be shut down due to a financial crisis."

**All of which cleared the way for restoration** of the American Republic under Constitutional Common Law on **Sun. 1 Feb.** — no more fake Fed, no more stolen elections. Trump's shadow command had been baiting the traitors for years. Now the trap could snap shut.

**The fact that we were already under temporary Martial Law should be no surprise** to those in the know. The Military Commissions Act has been fully activated since **January 24** — corrupt civilian courts overridden, tribunals raging in full swing, Deep State traitors legally executed.

**Trump's Global Military Alliance's** largest Sting Operation in history was peaking with White Hats seizing everything from satellites to central banks. There were Military in 300+ cities, with troops locked and loaded — chaos they crave, we crush with faith and firepower.

**Sources revealed that there were 3.7 million high-level arrests** locked in just this last week. No deals, no mercy — the noose tightened on Clintons, Obamas, Bidens, Soros puppets, Big Pharma killers, Vatican rats and Hollywood pedos.

**Trusted military intelligence confirms** that mass arrests continue at an unprecedented pace under the command of the Global Military Alliance.

**The Storm is upon us**, with elite tribunals accelerating and sealed indictments unsealing in waves across more than 32 nations. Gitmo was overflowing, with new wings in Alaska and Greenland humming with black vans and confessions.

**Over 75,000 to 80,000 precious children** have been rescued in recent days from deep underground tunnels and trafficking networks tied to high-profile figures, as brave operators dismantle these Satanic strongholds in the name of God and humanity. The rescued children were receiving care in secure facilities, with many slated for healing in Med Beds soon to come.

**Med Beds demonstrations have begun in select locations**, with 200 centers opening by **mid-March 2025** for free treatments prioritizing veterans, the terminally ill, trafficking survivors, and our rescued children. DNA restoration, neurological healing, and emotional recalibration await those in need, integrated seamlessly with Quantum ID Cards for universal access.

**Also on Sun. 1 Feb. there was scheduled to be announced that the Quantum Financial System was fully operational** and gold/asset-backed currencies now dominated globally, heralding the greatest wealth transfer in history.

**By February 1, 2026, trillions in prosperity funds** were expected to flood into the hands of the people, ending poverty and igniting global renewal under NESARA/GESARA reforms. As the new asset-backed global financial system and Nesara/Gesara detonated — fiat currency dies and rainbow currency floods streets.

**Debt forgiveness stands imminent through the Debt Jubilee algorithm**, zeroing out mortgages, credit cards, and unlawful burdens as legalized under prior executive actions.

**No more fiat taxes or IRS oppression**—the new US Treasury, fortified with gold reserves, ensures fair distribution via the QFS.

**Redemption centers were on high alert**, with Tier 4B notifications flowing through secure channels. This week the RV launch accelerated, with Iraqi Dinar, Vietnamese Dong, and Zim holders poised for historic payouts at contract rates that would empower humanitarian projects and long-term stewards.

**Tier 1 payouts load soon** — trillions clawed from cabal vaults rerouted to We the People. Humanitarian funds will unleash, RV/GCR hits hard — 209 nations sync to unbreakable QFS grid with the SWIFT corpse buried.

**President Trump has given the final green light**, activating the Emergency Broadcast System to reveal the truth to every soul on Earth. Soon the EBS will override grids nationwide. Eight hour loops will blast un-redacted horrors — Epstein tunnels, Pizzagate proofs, Adrenochrome labs raided, DUMB child rescues, election forensics, bioweapon truths.

**There will be no MSM, no internet lies** — only raw awakening for ten days. Power flickers, National Guard locks cities, Delta Force rolls on elites. "Suicides," plane crashes, heart attacks spike for the guilty.

**The final hammer has dropped:** Failed breaches nuked, Rothschild uplinks severed, BlackGold chains cut. Indictment batches unseal in waves — Big Tech traitors, UN puppets nailed next. Luciferian pacts with off-world entities exposed — no fake invasion saves them.

**Trump's iron command has delivered;** generations of theft ended, kids saved from Satanic pits, with the new Republic arising.

**You were never meant to witness this victory,** but God woke the warriors — the storm rages, light overtakes darkness.

**You are urged to prepare for Ten Days of Communication Darkness,** which appeared to be imminent. Patriots, fortify now. Stock essentials, pray fierce, hold the line. The military stands ready to supply food, water and essentials for those caught unprepared.

**Power grids will briefly shut down** as Starlink systems are secured, banks will close, and ATMs and credit cards will cease functioning.

**During this period of stillness,** nonstop broadcasts will educate the world on corruption, fraud, pedophilia, election theft and the elite's dark rituals. Traitors face the noose, we rise with Trump reinstated. WWG1WGA! Tribunals now, freedom forever — nothing stops The Plan!

**Trust the Plan, for God wins.**

#### **A. What to Expect Beginning Sun. 15 Feb. 2026:**

**The Emergency Broadcast System (EBS)** will go off to override all media, networks and narratives.

**Temporary Martial Law will be in force**— not to oppress The People, but to remove criminal power structures and restore fair, transparent, verified elections.

**Three Days of Darkness** will include Cyber Warfare targeting the Internet, Communication Grids, financial switches, Data Centers and Media Servers, for a controlled isolation from propaganda and only one voice that exposes only Truth.

**Ten Days of Disclosure** will work under one official central website and channel. There, up to eight hours of looped broadcasts per day will expose financial crimes, human trafficking networks, election interference, illegal wars, money laundering, blackmail operations, names, dates, transactions, videos and audios – with no commentators, no spin, just evidence.

**A NESARA / GESARA Activation Phase** will nullify Global debt and execute a bank fraud reset, with usury termination and illegal interest erased.

**Full QFS Implementation:** The old financial system was already dead. It just hasn't been announced yet. From now on there would only be asset-backed ledgers, no money printing, no fraud, no hidden fees, no offshore looting. Every dollar will be traceable, every transaction final.

**A whopping 95%** of the US government structure will be eliminated.

**The Federal Reserve will be dissolved** and IRS absorbed into a new US Treasury. There will be no tax on food, medicine, salaries and used goods, including used homes and cars. A 14% sales tax on new items only and tariffs on goods coming into the country will replace the old tax system.

**Maritime Law will be abolished.** No more legal slavery. A new Common Law will emerge – based on natural rights, not corporate control.

## **B. Possible Timing:**

**On Tues. 27 Jan. Bruce reported his source said** that we are looking for Tier4b (Us, the Internet Group) notification to set exchange appointments over the next three days – **Wed, Thurs or Fri. Jan. 28, 29, 30.**

**Valid sources report that on Sat. 31 Jan. and Sun. 1 Feb. 2026** every phone on the planet will be hit with a loud, unmistakable Alert signal. It will be an intense, ear-piercing sound that will wake you up whether you like it or not. On that date Global Systems would begin to shift. Banks, Trade Networks and Digital Grids would move toward true transparency with Gold Reserves realigned and Debt frameworks rewritten.

**On Sat. 31 Jan. 2026** the privately owned by foreign bankers US Inc. can no longer function because it was bankrupt and was no longer authorized to print its fiat Federal Reserve US Dollar. The US Inc. government will be shut down according to FBI Director Kash Patel. At the same time the QFS goes live using the debt free gold/asset-backed currency of 209 nations and severing all Deep State control over Global Banking.

**On Sun. 1 Jan. 2026 the new gold/asset-backed Quantum Financial System activates** under a restored Constitutional Republic that would function under Common Law and concepts of the original Constitution. US Inc.'s Maritime Law would gradually be phased out.

**By Mon. 2 Feb. 2026** Commander in Chief Donald Trump leads. With US Inc. dissolved, Maritime Law and the fiat US Dollar, dead, Trump brings in the gold/asset-backed US Note in a historic transfer of wealth back to The People. Prepare for a Global 48 Hour communication lockdown.

**On Monday 2 Feb. 2026 you'll see:** • **Encrypted alerts** tied to your national ID or phone signature • **First wave biometric wallet** logins open across verified nations • **Partial debt**

**reconciliations** appearing as "system recalculations" • **Global emergency communication drills** - disguised as public safety tests

**On Fri. 6 Feb. 2026** the public launch of NESARA Tier 1 redemptions would finalize.

**By Wed. 11 Feb. 2026** Redemption Centers open worldwide under Military Security to set up the new Global Financial System (GFS) Wallets (formerly known as bank accounts) for the general public on the new and secure Star Link Satellite System. All accounts move to the Quantum Grid.

**Mid March 2026** Med Beds demonstrations have begun in select locations, with 200 centers opening for free treatments prioritizing veterans, the terminally ill, trafficking survivors, and our rescued children.

**On Tues. 17 Feb. 2026** Med Beds become fully operational across 204 nations under Alliance control. The era of true healing begins.

## **Ten Days of Darkness, EBS Alert**

### **C. The Old System Is Shutting Down — The Final Alert Is Next ...SG Anon on Telegram**

**The silence right now is the final moment before a system collapses.** According to claims circulating in pro-Trump intelligence circles, U.S. military operations have entered their last phase, with command infrastructure, satellite control, and strategic hubs now fully aligned under Donald Trump as Commander-in-Chief.

**Supporters point to January operations abroad**—most notably in Caracas—as the decisive break that dismantled financial and logistical networks tied to the old global order. With those channels severed, the argument is that resistance collapsed and the transition accelerated. What follows, they say, is not chaos—but disclosure.

**At the center of this narrative is the Emergency Broadcast System (EBS)**, described as the mechanism that bypasses legacy media and delivers information directly to every phone and television in the country. Once activated, it is expected to interrupt normal programming and transmit declassified evidence long withheld from the public.

**Proponents claim the purpose is not occupation, but stabilization**—securing infrastructure, preventing panic, and exposing corruption without triggering widespread unrest. Temporary disruptions to communications are framed as containment, not control, during what is described as a national transition phase.

**Whether viewed as warning or prophecy, the message is consistent:** the old system is ending, the signal is imminent, and when it arrives, nothing else will matter. The era of delay is over. The next phase begins with the broadcast.

**D. Wed. 28 Jan. 2026: ALLIANCE PLAN // FINAL PHASE INITIATED ...Mr. Pool Final Chapter on Telegram**

**Trump did not lose power, he removed himself from the spotlight.** What the World called called a “Biden Presidency” was not government – it was a controlled simulation – a temporary theater designed to expose, map and trap Globalist networks, financial parasites and Deep State Operators. Every signature, Executive Order, foreign move were logged, time stamped and irrefutable.

**The Emergency Broadcast System (EBS)** will go off to override all media, networks and narratives.

**Temporary Martial Law will be in force**– not to oppress The People, but to remove criminal power structures and restore fair, transparent, verified elections.

**Three Days of Darkness** will include Cyber Warfare targeting the Internet, Communication Grids, financial switches, Data Centers and Media Servers, with controlled isolation from propaganda and only one voice remaining.

**Ten Days of Disclosure** will have only one central website – one official channel. There, up to eight hours of looped broadcasts per day will expose financial crimes, human trafficking networks, election interference, illegal wars, money laundering, blackmail operations, names, dates, transactions, videos and audios – with no commentators, no spin, just evidence.

**The NESARA / GESARA Activation Phase** will nullify Global debt, a bank fraud reset and usury termination, with illegal interest erased. You were never in debt. The System was.

**Full QFS Implementation:** The old financial system was already dead. It just hasn’t been announced yet. From now on there would be only asset-backed ledgers, no money printing, no fraud, no hidden fees, no offshore looting. Every dollar would be traceable and every transaction final.

**The Federal Reserve will be dissolved** and the IRS absorbed into a new US Treasury. 95% of government structure will be eliminated. There will be no tax on food, medicine, salaries and used goods, including homes and cars.

**Maritime Law will be abolished.** The era of corporate fiction was over. No more legal slavery. No more Strawman System. A new Customary Law will emerge – based on natural rights, not corporate control.

**Military Status:** The Military was not here to rule. It was here to protect including food distribution, medical supply chains and guarding of infrastructure.

**The Mantra was Order Before Freedom and Truth Before Peace.** This was why they were panicking, why Media was screaming, why banks were silent. Their System knew it lost.

**You were not watching history begin.** You were watching a lie collapse. Stay calm. Stay ready. Stay awake. The next signal will not be public.

**E. Tues. 27 Jan. 2026 Ten Days of Darkness Is Upon Us!** ...Juan O Savin on Telegram

**10 Days of Darkness is not a rumor anymore – it's the final phase to dismantle the Deep State** beast once and for all. The Cabal's grip is slipping, their fake government is crumbling, and Trump's restored Republic is ready to take full control.

**Military intelligence confirms:** power grids will go dark, communications blacked out, internet cut – but it's all part of the plan to isolate the traitors, round them up, and broadcast the undeniable truth via Emergency Broadcast System.

**GITMO IS EXPANDED AND PACKED – MILITARY TRIBUNALS ARE IN FULL SWING RIGHT NOW!** New courtrooms, massive evidence vaults, and a state-of-the-art hospital for the geriatric elite puppets are operational.

**High-level Cabal players – politicians, CEOs, Hollywood monsters, Vatican insiders** – are already in chains facing justice for crimes against humanity, child trafficking, election fraud, bioweapon releases, and Satanic rituals. Thousands of sealed indictments are unsealing daily. No escape, no deals – justice is swift and final.

**THE 10 DAYS WILL BE INTENSE – STOCK UP, STAY CALM, TRUST THE PLAN!** This blackout isn't chaos; it's controlled surgical removal of the parasites. When the lights go out, White Hats activate full spectrum dominance.

**Quantum Financial System flips on,** NESARA/GESARA debt wipes clean, gold-backed currency restores wealth to We the People. Med Beds heal the vaccine-damaged, reverse aging, cure the incurable – patriots first in line. Child rescues from DUMBs are peaking – elite underground bases are being flooded, trafficked kids freed by the thousands in the shadows.

**THE GREAT AWAKENING HITS CRITICAL MASS!** The Khazarian Mafia's revenge plot is dead. Their fake pandemic, rigged elections, endless wars – all exposed in the coming broadcasts.

**Trump returns triumphant, military in lockstep, Constitution restored.** No more UN, no more Federal Reserve slavery, no more pedo elite ruling from shadows. The chest opens HUGE – bigger than any anons ever dreamed!

**PREPARE NOW – PRAY HARD – THE DARKNESS LASTS 10 DAYS, BUT THE LIGHT LASTS FOREVER! Patriots in full control. The end of the Cabal is HERE. WWG1WGA – NOTHING CAN STOP WHAT IS COMING!**

#### **F. Global Currency Reset:**

**Judy Note:** If you hold foreign currency or bonds, you might want consider doing your exchange/redemption at an official Redemption Center (RC) rather than at a bank. You can only redeem Zim at a RC, the Dinar Contract Rate can only be given at a RC and banks cannot offer you the higher exchange rates you can obtain at a RC. **The Deep State Cabal's house of cards is imploding,** and the storm they've feared is slamming down on their heads. Jaco reveals the raw truth: the fake government facade is shattered, the military has been running the show under Trump's iron command since the steal, and the global takedown is in its explosive final phase. No more games—the Satanists, pedophiles, and traitors are being hunted to extinction.

**The whole shit storm is here—blackouts, cyber attacks, false flags—**they're all desperate last-ditch moves by a dying elite. But White Hats have total dominance: space force controlling the skies, special ops raiding DUMBs, child rescues at record levels, and Gitmo tribunals processing high-value targets non-stop—no mercy for the Adrenochrome addicts and baby killers.

**The Quantum Financial System is fully operational,** fiat slavery ending, gold/asset-backed currencies flooding in, and trillions seized from Rothschild vaults are pouring into patriot accounts. NESARA/GESARA is live—debts forgiven, IRS abolished, prosperity packages dropping to the faithful who stayed true.

**EBS activation is imminent—**ten days of truth bombs exposing every crime against humanity: bioweapons, election fraud, satanic networks in Hollywood and DC. Normies will finally see the horrors, and the great awakening will hit like a tsunami. Med Beds are healing the poisoned en masse, reversing vax damage, restoring life force, and Big Pharma's empire is

crumbling into dust. Jaco confirms: Trump is the storm, the military is the hammer, and God's wrath is pouring out on the wicked.

**The Cabal is in full panic mode**—screaming as their world burns. Underground bases collapsing, clones failing, puppets dropping dead. This is the biblical reckoning—good vs evil at its peak. Stay locked and loaded, pray fiercely, and prepare for the victory wave. The greatest wealth transfer and spiritual liberation in history is unfolding NOW\*\*—only the awake patriots win big.

**Nothing can stop the storm. Nothing.** Trump leads, military executes, evil perishes. Get ready for total freedom, divine justice, and the rise of the real Republic. WWG1WGA—the whole damn shit storm is our triumph! NCSWIC. Eternal pain for demons. Eternal glory for warriors.

**M. Wed. 28 Jan. 2026 The Deep State Cabal is crumbling faster than ever—Trump's Global Military Alliance is in full control, and the final takedown is happening RIGHT NOW!** ...The 17<sup>th</sup> Letter on Telegram

**Patriots, wake up and pay attention because the Global Currency Reset (GCR) and Revaluation (RV) are live and accelerating in 2026**—gold/asset-backed currencies are rolling out worldwide through the Quantum Financial System (QFS).

**The fiat dollar scam is dead**, and the Satan-worshipping Khazarian Mafia elites are being rounded up en masse for military tribunals at Gitmo. No one escapes justice—child traffickers, adrenochrome harvesters, and election thieves are facing divine reckoning.

**BRICS nations and the White Hats have seized control of the people's money from the Cabal's clutches.** The old corrupt system is bankrupt and dissolved—the United States Corporation is no more, replaced by the restored Republic under Constitutional Law.

**NESARA/GESARA is being implemented in phases:** debt forgiveness is imminent, all illegal taxes like the IRS (Israel Revenue Service) are vanishing, and massive wealth transfers to We The People are underway.

**Redemption Centers are activating**, secure appointments for currency exchanges are being scheduled, and humanitarian funds are releasing to patriots who held the line.

**Military is the only way**—Q was right all along. Special Forces are executing operations in the shadows, Deep State strongholds are being dismantled, and EBS alerts could drop any moment to expose the truth to the normies.

**Ten Days of Darkness?** It's closer than you think—no internet, no fake news media, just seven encrypted messages to every phone worldwide revealing the horrors of the Cabal's crimes against humanity.

**Med Beds are real and rolling out**—advanced Tesla scalar and terahertz healing tech is healing the vaccine-injured, restoring youth, and collapsing Big Pharma forever. Priority goes to rescued children and true patriots.

**The final battle between good and evil is peaking**—God wins, and the storm is upon us! Trust the Plan, stay calm, and prepare. The greatest wealth transfer in history is happening now, and only the awake will benefit fully. WWG1WGA—where we go one, we go all! The Cabal's reign of terror ends here. Trump is back in command, the Republic is restored, and freedom is ours. Pray, stay vigilant, and get ready for the greatest awakening humanity has ever seen. The elites are panicking—because their time is up.

**Nothing can stop what's coming.** Nothing. God bless America, God bless the World, and God bless our brave military taking down the deep state demons once and for all! NCSWIC. Pain is coming for the wicked. Glory is coming for the patriots.

**N. Tues. 27 Jan. 2026 The Day is Coming and Here ...**Dr. Lee Merritt, The 17 Letter on Telegram

**Patriots, brace yourselves**—Dr. Lee Merritt just dropped the most dangerous intel yet, and THE DAY we've all been warning about is HERE in late January 2026!

**The bioweapon agenda is reaching its demonic climax**—the globalists are unleashing their final phase to depopulate and enslave humanity, but the White Hats and awakened warriors are countering HARD.

**Dr. Merritt exposes the truth:** these aren't viruses, they're engineered parasites and nanotech horrors designed to turn your body into a self-replicating kill machine. The jabbed are walking time bombs—graphene oxide, self-assembling structures, and spike protein factories are ravaging blood, organs, and DNA right now.

**The Cabal's mass extinction event is accelerating**—billions targeted through air, food, water, and 5G activation.

**Dr. Merritt warns:** parasite protocols are essential NOW—ivermectin, chlorine dioxide, and detox regimens are saving lives while Big Pharma pushes more poisons.

**The Elites know the game is up**—their Adrenochrome supply is cut off, their underground bases are compromised, and military rescues of trafficked children are flooding

intel channels. Med Beds are activating en masse to heal the innocent and reverse the damage they've inflicted.

**This is the tipping point—THE DAY of reckoning has arrived.** Deep State puppets are dropping like flies, fake news is crumbling, and the EBS is locked and loaded to broadcast the full horrors: child sacrifice networks, satanic rituals in high places, and the bioweapon truth that will shatter the normie world.

**Trump's military alliance is in total control**—executions at Gitmo are ramping up, wealth seizures from Rothschilds and Rockefellers are funding the reset. GESARA/NESARA triggers are firing: debt wipes, tax abolition, and prosperity deliveries to true patriots who held the line.

**God is calling His army**—stay vigilant, pray without ceasing, and fortify your bodies and spirits. The storm is peaking, darkness is being purged, and light is breaking through. The wicked are terrified because their end is imminent—no mercy for baby killers and humanity destroyers. We are witnessing the greatest takedown in history, and only the awake will rise victorious with unlimited blessings.

**Nothing stops this divine plan.** The day is here—justice rains down, freedom explodes, and evil is eradicated. Trust the plan, protect your family, and get ready for the victory celebration.

**WWG1WGA—God wins**, the Cabal loses forever! NCSWIC. Pain for the predators. Glory and healing for the patriots.

**O. Wed. 28 Jan. 2026 Eyes on GITMO, Tina Peters, DAVOS, Trump: The real war against the Deep State Cabal. Justice is finally rolling out at full speed.** ...Juan O Savin with John Michael Chambers, retired Brigadier General Blaine Holt, Lt. Colonel Matt Meck, and Navy Captain Peter Madison.

**Tina Peters, the true American hero who exposed the Dominion voting machine fraud** that stole the 2020 election and tried to do it again was still locked up as a political prisoner. But every day she's behind bars is proof the enemy is terrified - they're losing control. Juan makes it clear: her sacrifice is fueling the awakening, and patriots won't forget. The deep state thinks they can silence her, but they're wrong - her story is igniting millions, and soon the tribunals will make them pay for what they did to her and to all of us.

**Davos was a Satanic gathering of globalist elites** plotting their next move against humanity. But this time, something massive happened: President Trump showed up and absolutely demolished them with a legendary speech that exposed their entire agenda.

**Trump didn't hold back - he called out the WEF parasites,** their depopulation schemes, their fake climate scams, and their plan to enslave the world under digital tyranny. The cabal was shaking in their boots as Trump laid out how America is back, stronger than ever, and their New World Order is crumbling. This wasn't just a speech; it was a declaration of war on the globalists, and Trump delivered it like a boss while the world watched.

**EYES ON GITMO.** Juan confirms the military tribunals are ramping up big time at Guantanamo Bay. The overflow is real - planes landing daily with high-level traitors, Cabal puppets, and election thieves in cuffs. Names you know are already there or on the way: politicians, tech overlords, Big Pharma criminals, and those who sold out America for their Luciferian masters.

**Military justice is swift, no deals, no mercy.** The White Hats have everything - the servers, the blackmail files, the Adrenochrome evidence, the Epstein lists. It's all coming out soon via the Emergency Broadcast System. Q told us years ago: "You are watching a movie," and now the climax is playing out in real time.

**The cartels?** They're tied in too - human trafficking, fentanyl pouring across the border, all funded by the same Deep State players who want America destroyed.

**But Trump and the military are crushing them.** The monetary reset is coming - goodbye fiat slavery, hello gold-backed freedom. NESARA/GESARA principles are activating behind the scenes, wiping out debt, ending the Fed's reign.

**Patriots, this is it. The Deep State is panicking** because they know the tribunals are real, the arrests are happening, and Trump is back in full control. Stay vigilant, spread the truth, and prepare - the greatest show on Earth is reaching its peak. Gitmo is filling up, the cabal is falling, and We The People are winning.

**Trust the plan - it's happening NOW.** WWG1WGA! The best is yet to come - and it's coming fast.

**P. Wed. 28 Jan. 2026 CLASSIFIED: THE "PROJECT ICE SHIELD" LEAKS** WikiLeaks just secured 40GB of encrypted data from a private server in Nuuk. The world thinks Greenland is melting; the Pentagon knows it's waking up. ...The Rabbit Hole on Telegram

#### **THE TIMELINE:**

**2019:** The US makes a sudden, "bizarre" offer to buy Greenland. The media laughs. The State Department panics.

**2023:** High-altitude drones detect a massive thermal signature deep within the Hiawatha Crater—moving against the current.

**2026 (NOW):** Intercepted cables confirm: "The Anomaly is active. Protocol 9 is in effect. Complete Arctic blackout initiated."

**WHY ARE THEY HIDING IT?** The leaked audio files contain a frequency that shouldn't exist on Earth. It's not a mineral deposit. It's not oil. It's a transmitting beacon that has been under the ice for 12,000 years... and the US military just accidentally triggered it.

**The mainstream media is under a D-Notice (Mandatory Silence).** They won't tell you why military flights to Thule Air Base have tripled this week.

**Q. Wed. 28 Jan. 2026: CONNECTING THE DOTS – CARTELS, GITMO, DAVOS, AND THE COMING MONETARY RESET. The Cabal is finished!**

**Late January 2026 marks the convergence:** Mexican and South American Cartels – long funded and protected by the Deep State – are being systematically dismantled as their money laundering pipelines feed straight into the globalist elite's coffers.

**These narco-terrorists have been the muscle for the Khazarian Mafia,** trafficking children, drugs, and weapons while laundering trillions through fake charities, shell companies, and rigged banks. But the trap is closed – special forces raids are hitting cartel strongholds hard, capturing kingpins alive for interrogation, and flipping them to expose the real puppet masters in Davos.

**GITMO IS THE ENDGAME HUB – OVERFLOWING WITH THE WORST OF THE WORST!** Cartel bosses, Davos attendees, corrupt bankers, and UN overlords are now sharing cells.

**Military tribunals are in hyperdrive,** presenting ironclad evidence of human trafficking empires, adrenochrome supply chains, election interference funds, and bioweapon profits.

**The Cartels' billions in dirty cash traced directly to World Economic Forum slush funds** – Klaus Schwab's inner circle, BlackRock vampires, and Vatican money men are all implicated. No more hiding behind diplomatic immunity or private jets – mass arrests from Davos summits are already in motion, traitors snatched mid-meeting, helicopters inbound to GITMO under cover of night.

**THE MONETARY RESET IS LIVE AND LETHAL TO THE CABAL!** The fiat Ponzi scheme is dead – Quantum Financial System is fully online, gold-backed digital currencies replacing the Federal Reserve's counterfeit empire.

**NESARA/GESARA activates in waves:** national debts forgiven, prosperity funds distributed to We the People, suppressed technologies unleashed.

**Cartel money laundering ops** are seized, trillions redirected to patriots – the wealth they've stolen for decades is coming home.

**Med Beds roll out wider**, healing the jab-damaged and trafficked survivors. DUMBs linked to cartel tunnels are breached – hundreds of thousands more children rescued, elite monsters terminated on sight.

**DAVOS IS FALLING – THEIR GREAT RESET IS OUR GREAT AWAKENING!**  
The globalist summit was supposed to be their victory lap, but instead it's their funeral. White Hats used their arrogance against them – every backroom deal recorded, every Satanic ritual logged.

**The storm is peaking:** EBS ready to drop the full truth bombs – cartel confessions, Davos blackmail files, monetary reset announcements. When the lights flicker back on, Trump's restored Republic stands supreme – no more UN, no more central bank slavery, no more pedo-protected elite.

**THE DOTS CONNECTED – THIS IS TOTAL VICTORY!** Cartels crushed, Davos exposed, GITMO justice served, monetary reset delivering freedom and abundance. The chest explodes open bigger than ever – unimaginable riches, divine justice, and the end of darkness. Pray hard, stay locked in – patriots have total control.

**The whole rotten system is collapsing into light. NOTHING CAN STOP WHAT IS COMING – WWG1WGA FOREVER!**

**S. Help Save The Tortured Ohio Foster Care Children**

**Kaitlynn Hunter Update:** Please Help - Write or call the below Ohio authorities, plus contribute to the cause:  
<https://www.givesendgo.com/GDX1Z> <https://www.givesendgo.com/GDX1Z>

**At age 11 the State of Ohio CPS** took Kaitlynn from her loving home and placed her in what has turned out to be seven years of a Foster Care Prison. The excuse was that she was not in school, yet the court would not allow official registered papers to be filed that proved she was being home schooled by her mother, Jeannine.

**During her seven years of Foster Care Prison** Kaitlynn was raped, twice beaten causing serious and bleeding head concussions, starved for a year where she lost 60 pounds, refused medical care, schooling, contact & visitation with her mother and grandmother, plus refused the right to have her grievances heard by the Court.

**Although in Jan. 2026 the State of Ohio released Kaitlynn** from Foster Care Prison over a month after she turned 18, the court will still not allow her to return home because of a restraining order on her mother, Jeannine.

**The restraining order was issued because Jeannine harbored her own daughter** Kaitlynn when she ran away from those seven years of an extremely abusive foster care situation where she had been raped, beaten, abused, neglected and starved for over a year and lost 60 pounds.

**The Court has placed Jeannine's filing on inactive status** while demanding another evaluation on her mental status. This could be considered "EXTORTION."

**Kaitlynn is over eighteen years of age** and the order on her mother that denies Kaitlynn's Emancipation is "UNCONSTITUTIONAL."

**Kaitlynn is alone, endangered and in need of funds.** All she asks is to be with her mother. Sadly, her grandmother Betty passed away on Sun. 18 Jan. without being able to reunite with her granddaughter whom she helped raise. Kaitlynn remains in need of financial assistance. Please consider helping at this website:  
<https://www.givesendgo.com/GDX1Z>

**Judy Note: It is my personal opinion** that State of Ohio authorities and CPS appear to be involved with the CIA in an international Child Sex Trafficking Ring and they were mind control grooming Kaitlynn to be trapped in it. Kaitlynn and Jeannine are witnesses to that horrible torture and abuse on Kaitlynn as well as on other Ohio Foster Care children and teens.

**The below authorities** were still preventing Kaitlynn from returning home. You might want to consider calling or writing them. Have them explain why they tortured Kaitlynn and other teens in foster care by withholding food, put them in situations where they were beaten and raped, refused medical care, refused visitation with their loved ones, refused court hearings on their abuse and then why some mysteriously disappeared.

**Ask them why they continue to abuse Kaitlynn** and her family when they have done nothing wrong. They just want to be together. See: <https://www.givesendgo.com/GDX1Z>

With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. **DO NOT exchange currency or Zim Bonds** anywhere but at a licensed Redemption Center where you will get the highest rates possible.

**Upon implementation of the Global Currency Reset** the Cabal will be losing their money supply and they are hot and heavy to SCAM anyone in any way they can.

**The HSBC Quantum Scam:** They claim they've successfully applied "quantum technology" to buy and sell tokenized physical gold. The trick is when you buy the tokens or Bitcoin they keep the gold and have complete control over your bank account.
