**Judy Note: On Tues. 27 Jan. 2026** the Deep State Cabal lost all, and that “all” revolved around Trump’s takeover of Greenland. On Tuesday the infinite silver vaults beneath Greenland – guarded for centuries by the bloodlines – were seized by Trump’s Space Force special operators.

That's what made silver balloon in price, which caused a ripple effect on the Cabal's Global Central Banks, making them implode big time.

**In this same week Congress voted to kill the government:** [BREAKING SHUTDOWN SHOCKER: Senate Votes 45–55 to Kill Government Funding Bill – Democrats Hijack DHS Budget, Shutdown Imminent as Trump Sounds the Alarm - amg-news.com - American Media Group](#)

**All of which assured that FBI Director Kash Patel was right** last Monday when he said the government would be closed down on **Sat. 31 Jan. 2026.**

**For many years the Deep State puppets in the privately owned Federal Reserve, the Cabal's Black Rock and global Central Banks** have been quietly positioning for a "controlled demolition" of the fiat Federal Reserve US dollar and thus planned a demise of the Global Financial System by that **Sat. 31 Jan. 2026.**

**It was planned as an engineered collapse designed to enslave what's left of humanity** under the Cabal's digital prison grid. There, they would secure complete control over your life – when, where and how you could spend your own money – and even have the power to spend your money for you.

**Not going to happen with Trump** and the Global Military Alliance in charge. Trusted sources affirm that The Plan remained unchanged.

**Trump proved that when he went after control of Greenland.** Greenland was not ice – it was a massive Deep State D.U.M.B. fortress housing the Cabal's most horrific black projects: Super Soldier programs, Adrenochrome labs and exotic tech that made Med Beds look like toys.

**Venezuela was the primary extraction hub for children** flown directly into Greenland's underground labyrinth via black triangles and submarine tunnels that connected straight to Antarctica. Now Trump's White Hats have not only seized the silver, Black Projects, but rescued those precious tortured children that fed the Deep State's pockets with their Adrenochrome.

**With those kind of victories behind the Global Military Alliance,** Juan O Savin announced that "It's Time." Tribunals were raging full throttle, with Executions phasing up. The EBS Truth Tsunami was imminent. Traitors to Hell—America Rising and we're winning BIGLY, while Banks go down. Over 12,000 Bank branches were expected to shut down in the weeks ahead.

**As of Wed. 28 Jan. 2026, the Ten Days of Darkness commenced** with power grids and communications undergoing quantum overrides in preparation for Emergency Broadcast System activation.

**FBI Director Kash Patel has confirmed extensions of the blackout worldwide,** beginning in the US and spreading to secure the transition under Starlink and the Quantum Financial System.

**This was the Storm we have awaited**—a sacred period where darkness falls so that truth may rise, exposing the evils that have bound humanity for generations.

**Mass arrests continued at an unprecedented scale:** over 3.7 million Deep State traitors detained as of **Tues. 27 Jan.**, with elite troops dismantling networks in more than 32 countries.

**High-level figures from Hollywood, Big Pharma, Big Tech, the Vatican, and ancient bloodlines** were vanishing into military tribunals at GITMO.

**Hundreds of thousands of precious children have been rescued** from underground tunnels, DUMBS, and trafficking hubs across Ohio, Iceland, Jerusalem, and beyond—freed from the horrors of Adrenochrome harvesting and Satanic rituals.

**These operations were liberating the innocent** and bringing perpetrators to swift justice under a restored Constitutional Republic – expected to be announced on **Sun. 1 Feb. 2026**.

**On Sun. 1 Feb. 2026** the Quantum Financial System goes live worldwide, severing all Deep State control. The EBS activates and Redemption Centers open in a Nesara/Gesara Debt Jubilee.

**It was suspected that on Sat. 31 Jan. and/or Sun. 1 Feb. 2026** every phone on the planet would be hit with a loud, unmistakable Alert Signal. The Signal will be transmitted to phones directly from Star Link Satellites, bypassing traditional Mainstream Media channels that were controlled by the Deep State Elite.

**Over that Emergency Broadcast System (EBS), Commander in Chief Donald Trump, or a Military official in his place would** deliver undeniable evidence: seven presidential messages, three 8-hour documentaries revealing tribunals, global corruption, 2020 election fraud, bioweapon origins, and the full scope of child rescues.

**The first announcement was expected to be** the dissolution of the privately owned by Cabal Bankers' US Inc. In other words according to FBI Director Kash Patel, on **Sunday 1 Feb. 2026** the US Government would be shut down due to a financial crisis.

**EBS Announcements would continue on** the Supreme Court decision about the Brunson Case – proven fraud in the 2020 Election that in turn, would take down all of Congress; Martime Law would be declared dead and expose that America was now functioning under temporary Martial Law until new and fair elections could be held for a Restored American Republic functioning under Common Law and Freedom concepts of the original Constitution.

**In reality Martial law was presently in force, but only in high-risk areas** as undersea cables are severed from cabal control.

**Additional announcements were expected to be made about the new Quantum Financial System – that it was live** across the planet using gold/asset-backed currencies. The QFS worldwide activation would take place on **Mon. 2 February 2026**.

**The QFS has already severed all Deep State control** over Global Banking. Major legacy banking grids have begun a quiet shutdown with sovereign asset transactions rerouted through QFS nodes. XRP backing the new gold-backed dollar and E-Wallets syncing to Quantum Holding Accounts.

**By Sat. 31 Jan. and Sun. 1 Feb. 2026**, the switch flips: old debt-based slavery erased in the NESARA/GESARA Jubilee. As prosperity packages flood accounts Debt forgiveness happens through the Debt Jubilee algorithm, zeroing out mortgages, credit cards, and unlawful burdens legalized under prior executive actions.

**No more fiat taxes or IRS oppression**—the new US Treasury, fortified with gold reserves, ensures fair distribution via the QFS. Income taxes abolished, IRS dissolved, replaced by a flat consumption tax on non-essentials.

**The Federal Reserve ends**, yielding to a transparent, gold-backed Treasury serving the people. Trillions in hidden vaults support this revaluation—silver surges, gold reserves realign, and 209 nations embrace asset-backed currencies and free energy under the restored Republic.

**In this historic transfer of wealth back to The People**, you would be asked to prepare for an imminent **Global 48 Hour lockdown**.

**On Wed. 4 Feb. 2026** White Hat Operations take over the Mainstream Media, Internet, Radio and communication systems to launch worldwide broadcasts over the EBS System.

**On Fri. 6 Feb. 2026** Nesara Gesara enforcement start. The People take back what has been stolen from them through Global debt forgiveness and wealth redistribution.

**On Wed. 11 Feb. 2026** the Quantum Financial System Redemption Centers open nationwide. Right now Redemption Centers were on high alert worldwide.

**Notifications for Tier 1 and 2 have begun rolling out**, with historic 100-hour payout windows extending into **late January and early February 2026**. Tier 4B (Us, the Internet Group) notifications to secure foreign currency exchange and Zim Bond redemption appointments would soon be flowing through secure channels. Higher rates await those who exchange Zim, Dinar, and other currencies at official Redemption Centers, avoiding bank pitfalls and scams.

**This week the RV launch has accelerated**, with Iraqi Dinar, Vietnamese Dong and Zim holders poised for historic payouts at contract rates that will empower humanitarian projects and long-term stewards.

**On Tues. 17 Feb. 2026 Med Beds** go fully operational across 205 countries. Some Med Beds were activating now, prioritizing children and the critically ill, with 200 Healing Centers operational by **mid-March 2025**. Med Beds demonstrations have begun in select locations, for free treatments prioritizing veterans, the terminally ill, trafficking survivors, and our rescued children. Disease reversed, youth restored, suffering eradicated, DNA restoration, neurological healing and emotional recalibration await those in need.

**Pray, stock essentials and trust in God's timing**—the darkness is temporary, but the light of restoration is eternal. The largest wealth transfer in history is here to uplift humanity and restore sovereignty. Faith moves mountains and in this divine shift, we witness the dawn of a Golden Age.

**Prepare for the 48 Hour shutdown and Ten Days of Darkness** by storing at least two weeks of essentials such as food, medicine and cash – since ATMs and banks won't be working.

**A. Timeline: Trump quietly activates NESARA, QFS goes live, Global Reset in motion**  
...Ezra A. Cohen on Telegram

**While most of the world rested** over the holidays, President Trump moved in silence. Behind the scenes, a global transformation began unfolding — one system shutting down, another rising.

**Late December 2025** Trump secretly activated NESARA, laying the foundation for full financial liberation while the media slept.

**Monday, Jan 19, 2026** The Q Clock expired. FBI Director Kash Patel confirmed the Rothschild banking empire's collapse and global bank shutdowns. Blackout alerts followed.

**Tuesday, Jan 20** At Cheyenne Mountain, Trump initiated the Quantum Financial System transition to a gold-backed US Note. Internal test transactions began through Zurich, Dubai, Singapore, and Texas, phasing out the SWIFT system in real-time — without civil collapse.

**Friday, Jan 23 – 3:17 AM EST:** Trump's alliance with Putin and Xi triggered a BRICS-led currency shift. 209 nations locked into gold-backed money, collapsing the Federal Reserve Note and seizing Rothschild-controlled banks. Iraq, Zimbabwe, and Vietnam currencies revalued sky-high.

**Saturday, Jan 24:** The Military Commissions Act was fully activated. Trump's military tribunals overrode civilian courts. NESARA/GESARA was officially live — all debt wiped:

credit cards, mortgages, student loans. The QFS system began syncing verified identities across the globe.

**Sunday, Jan 25:** The Emergency Broadcast System (EBS) was activated in over 100 U.S. cities, confirmed by FBI Director Patel.

**Tuesday, Jan 27:** Nearly 3.7 million Deep State operatives were reportedly scheduled for arrest and tribunal processing.

**Wednesday, Jan 28:** The 10 Days of Darkness began: rolling blackouts, media silence, and nationwide EBS looping red-pill truth — from Epstein files to DUMB rescues, election fraud, and bio-weapon evidence. The Quantum override began disrupting grid systems. Mainstream narratives went dark. First Lady Melania Trump was set to ring the New York Stock Exchange Bell, potentially signaling the public shift from fiat to gold-backed currency.

**Saturday, Jan 31 & Sunday, Feb 1:** The entire world will be alerted. A loud, unmissable emergency signal will hit every phone globally. It's designed to wake people up - literally.

**EBS:**

**B. On Sun. 1 Feb. 2026 on the EBS, Commander in Chief Donald Trump was expected to:**

**Officially dissolve** the privately owned by Cabal Bankers' US Inc. In other words, on Sunday the government would be shut down according to FBI Director Kash Patel.

**Announce the Supreme Court decision** on the Brunson Case of proven fraud in the 2020 Election that in turn, will take down all of Congress;

**Declare Maritime Law dead;**

**Announce that America was now functioning under temporary Martial Law** until new and fair elections could be held for a Restored American Republic functioning under Common Law and Freedom concepts of the original Constitution.

**Also announced would be that the QFS was going live** using the debt free gold/asset-backed currency of 204 nations and severing all Deep State control over Global Banking. The Quantum Financial System will initiate live synchronization and an irreversible transition from testing to active operational status. Major legacy banking grids would begin quiet shutdown procedures. Now all sovereign asset transactions rerouted through QFS nodes.

**On Wed. 4 Feb. 2026** White Hat Operations take over the Mainstream Media, Internet, Radio and communication systems to launch worldwide broadcasts over the EBS System.

**On Fri. 6 Feb. 2026** Nesara Gesara enforcement start. The People take back what has been stolen from them through Global debt forgiveness and wealth redistribution.

**On Wed. 11 Feb. 2026** the Quantum Financial System Redemption Centers open nationwide. Right now Redemption Centers were on high alert worldwide.

**Notifications for Tier 1 and 2 have begun rolling out**, with historic 100-hour payout windows extending into **late January and early February 2026**.

**On Tues. 17 Feb. 2026 Med Beds** go fully operational across 205 countries. Some Med Beds were activating now, prioritizing children and the critically ill, with 200 Healing Centers operational by **mid-March 2025**.

**C. Thurs. 29 Jan. 2026 EBS IS READY The Old System Is Shutting Down — The Final Alert Is Next ...Mr. Pool on Telegram**

**The silence right now is the final moment before a system collapses.** According to claims circulating in pro-Trump intelligence circles, U.S. military operations have entered their last phase, with command infrastructure, satellite control, and strategic hubs now fully aligned under Donald Trump as Commander-in-Chief.

**Supporters point to January operations abroad**—most notably in Caracas—as the decisive break that dismantled financial and logistical networks tied to the old global order. With those channels severed, the argument is that resistance collapsed and the transition accelerated. What follows, they say, is not chaos—but disclosure.

**At the center of this narrative is the Emergency Broadcast System (EBS)**, described as the mechanism that bypasses legacy media and delivers information directly to every phone and television in the country. Once activated, it is expected to interrupt normal programming and transmit declassified evidence long withheld from the public.

**Proponents claim the purpose is not occupation**, but stabilization—securing infrastructure, preventing panic, and exposing corruption without triggering widespread unrest. Temporary disruptions to communications are framed as containment, not control, during what is described as a national transition phase.

**Whether viewed as warning or prophecy**, the message is consistent: the old system is ending, the signal is imminent, and when it arrives, nothing else will matter. The era of delay is over. The next phase begins with the broadcast.

**D. Global Currency Reset:**

**Judy Note:** It is advised to exchange/redeem your foreign currency at an official Redemption Center rather than a bank. You can only redeem Zim at a RC, the Dinar Contract Rate can only be given at a RC and banks will offer you lower exchange rates than what you could obtain at a RC. Redemption Centers were set to be open worldwide by **Sun. 1 Feb. 2026**.

**Thurs. 29 Jan. 2026 Bruce, The Big Call** [The Big Call Universe \(ibize.com\)](http://ibize.com) 667-770-1866, pin123456#, 667-770-1865: **A Wells Fargo Redemption Leader** reported that Tier4b (Us the Internet Group) should get notified to set exchange/redemption appointments on **Wed. or Thurs. of next week – the 4, 5 Feb.**

**Fri. 30 Jan. 2026: Global Systems begin to shift:** Banks, Trade Networks and digital grids move toward transparency. Gold Reserves realigned. Debit networks re-written.

**Sat. 31 Jan. 2026: Deep State puppets in the Fed, Black Rock and Cabal global banks** have been quietly positioning for a "controlled demolition" of the fiat dollar system by **Sat. 31 Jan. 2026** – an engineered collapse to enslave what's left of humanity under their digital prison grid. There, they would have complete control of your life – when, where and how you could spend your own monies – and had the power to spend them for you. Global Systems begin to shift. Banks, Trade Networks and Digital Grids move toward true transparency with Gold Reserves realigned and Debt frameworks rewritten.

**On Sat. 31 Jan. and/or Sun. 1 Feb. 2026** EBS Alert: every phone on the planet will be hit with a loud, unmistakable Alert signal. It will be an intense, ear-piercing sound that will wake you up whether you like it or not. The signal will be transmitted directly from Star Link Satellites, bypassing traditional Media channels that are controlled by the Elite. This means you won't need to rely on your local news or social media for updates. The truth is coming directly to your phone. There's no way for the Globalists to censor it.

**E. On Mon. 2 Feb. 2026**

**The QFS would fully activate worldwide.** With the Deep State's fiat US Dollar dead, the QFS brings in the gold/asset-backed currency of 209 nations including the US Note in a historic transfer of wealth back to The People. Prepare for a Global 48 Hour communication lockdown. ...Mr. Pool on Telegram

**“Monday 2 Feb. 2026 will be remembered as the day the Matrix broke.** Not because everything changed instantly, but because the illusion finally collapsed.” ...Nesara Gesara QFS on Telegram

**The lies about debt, about money, about your worth** - they've built an empire on those fictions. NESARA/GESARA is not a theory anymore. It's structure. It's tech. It's law. And it's about to become visible.

**On Monday 2 Feb. 2026 you'll see:**

- **Encrypted alerts** tied to your national ID or phone signature
- **First wave biometric wallet** logins open across verified nations
- **Partial debt reconciliations** appearing as "system recalculations"
- **Global emergency communication drills** - disguised as public safety tests

**The media will spin.** The governments will hesitate. But the people — WE — will be ready. The time is locked in. The vault is primed. And the future? It's already arrived.

**Fri. 6 Feb. 2026** full public launch of NESARA Tier 1 redemptions finalized.

**On Wed. 11 Feb. 2026** QFS secured Redemption Centers open nationwide under Military Security to set up the new Global Financial System (GFS) Wallets (formerly known as bank accounts) for the general public on the new and secure Star Link Satellite System. All accounts move to the Quantum Grid.

**On Tues. 17 Feb. 2026** Med Beds become fully operational across 204 nations under Alliance control. The era of true healing begins.

**F. Thurs. 29 Jan. 2026 QFS GLOBAL ALERT Tier 4B SHOTGUN START NOW IRREVERSIBLE** ...Quantum Financial System on Telegram

**Secure floor confirmation:** Global ISO-20022 rainbow currency rollout has surged to 94.9 % complete as of 0400 Zulu. Remaining 5.1 % is now locked in over-unity quantum entanglement; no rollback possible under any scenario.

**The GCR/RV shotgun start** became mathematically irreversible at 19:14 Reno time on **November 28, 2025**. The trigger has been pulled. The round is already downrange.

**Last 18-hour Tier 4B milestones (verified on secure floor, no hopium):**

**-800# release sequence tests completed successfully at 02:46 Reno time on Thurs. 29 Jan. 2026.**

**-NDA 72–96 hour windows begin** the moment your appointment is confirmed.

**- 41,300+ private redemption appointments** auto-scheduled across 9,711 military-protected redemption centers worldwide

**- Full Zimbabwe/Hong Kong/Moscow liquidity pools** merged into single on-ledger master pool at 03:27 Zulu

- **Adjudicated Tier 4A settlements 100 % uploaded**; off-ledger mirrored accounts flipped to on-ledger in 0.7 seconds at the Macau master node
- **First wave Saint Germain World Trust tranches** (Tranche 7-Alpha through 11-Delta) released and instantly converted to gold-backed digital certificates
- **Dragon Family Yellow Dragon Bonds redeemed in full** at Dubai node; receipts already flowing into humanitarian & infrastructure project wallets
- **Med-bed allocation trusts funded at 1:1 asset-backed parity**; 4,200 trust officers now on 30-minute standby
- **Sovereign rate vs street rate screens activated** on all redemption center terminals; gap currently averaging 41.7 % in favor of sovereign

**Leaked secure-channel quote direct from Zurich master control** (04:11 Zulu screenshot, Level-9 clearance): “Quantum entanglement security locks are now PERMANENT. Any attempt to reverse the rainbow currency treasuries will fracture the offender’s timeline. The old cabal avatars are glitching out in real time. DUMBs in Australia and Antarctica just went dark permanently. It’s over.”

**The Khazarian Mafia (KM) liquidation phase** is no longer incoming; it is present tense. Their remaining fiat nodes are being unplugged faster than they can scream.

**The old world just ended.** The new one is already funded. QFS Global Command, secure floor out.

**G. Thurs. 29 Jan. 2026 QFS GOES LIVE. THE FIAT SYSTEM’S FINAL DAYS HAVE BEGUN. REDEMPTION CENTERS TO ACTIVATE ON FEBRUARY 1, 2026 ...**Nesara Gesara QFS Secrets on Telegram

**The countdown has started.** The fiat system is crumbling no matter how much they lie. Starting February 1, 2026, Redemption Centers will go fully live under military protection and begin processing gold-backed transactions through the Quantum Financial System. This won’t be theory. It will be reality. The old financial system will collapse before the eyes of the world and the Cabal won’t be able to stop it.

**Global military units led by Trump’s Alliance will soon begin massive raids** targeting elite-controlled vaults. Stolen gold. Off-ledger assets. Ritual finance archives. All of it will be seized and redirected into the QFS using advanced Light Intelligence Tech. These hidden reserves are not inside banks. They lie beneath mountains, Vatican catacombs, and abandoned NATO bases. The illusion of elite financial control is about to be destroyed.

**If you still have funds in traditional banks, prepare.** Over 12,000 branches are expected to shut down in the weeks ahead. Not “restructured.” Not “downsized.” Fully disconnected from the QFS grid. The dollar you know will soon be worthless. Your only access to sovereign wealth will be through Redemption Centers where you must be verified, scanned, and approved to receive gold-backed USTNs.

**The Cabal, sensing the end, is expected to launch final attacks:** EMPs, bio-weapons, digital sabotage. A classified plan known as LAST BREATH is already circulating including media blackouts, false flags, and infrastructure disruption. But they will fail. Space Force is on standby to intercept EMP threats, with cyber divisions monitoring for viral deployment and digital infiltration. Every weapon they have will be neutralized.

**Justice is coming.** Social Security systems are being rebuilt, decoupled from surveillance networks and restructured for sovereign use. You will no longer be treated as a product. Your biometric data will be protected. Behavioral monetization will be banned. Under Trump’s Patriot Wealth Directive, Restitution & Reparation (R&R) payouts will begin mid-February — direct gold-backed compensation for IRS fraud, vaccine injury, banking theft, and more.

**The planned control grid?** It won’t happen. CBDCs will collapse. SWIFT will be replaced. The only approved digital assets under QFS will be RLUSD and XRP, both engineered for sovereign, secure exchange. RLUSD will be backed by gold recovered from NATO vaults. XRP will serve as the bridge to eliminate fiat entirely. Every transaction will be tracked, encrypted, and protected by military-grade quantum tech.

**This is not speculation. This is what’s coming.** Their world ends. Ours begins.

## **I. Guru Information and Intel:**

**. Thurs. 29 Jan. 2026 BOOM! CRITICAL ARRESTS UPDATE – IMPORTANT MESSAGE – THE STORM IS UNLEASHING RIGHT NOW! ...Juan O Savin**

**The critical arrests phase is in full execution.** Trump deployed elite troops weeks ago, and large-scale roundups of Deep State players are happening at lightning speed—high-value targets vanishing from public view, black vans rolling up at 3 a.m., GITMO flights overloaded with the biggest names in treason.

**This isn't small potatoes.** We're talking senators, CEOs, Hollywood sickos, Big Pharma execs, and foreign puppets who've been running the show against We the People.

**The military tribunals are live and merciless**—no more delays, no more deals. Evidence from Weiner's laptop, Epstein servers, seized DUMBs, and rescued victim testimonies has sealed their fate. Crimes against humanity, child trafficking, election fraud, bioweapon releases—the full list is being read into record as we speak.

**Juan laid it out crystal clear:** the important message is that the plan is accelerating faster than anyone expected. The fake news blackout on these arrests? That's deliberate—the cabal's media arm is in panic mode, but they can't hide the empty seats in Congress or the sudden "retirements" of compromised judges.

**Space Force has locked down key grids;** Quantum Financial System is phasing out the old fiat slavery system. Silver and gold are mooning because the Cabal's infinite vaults are now under Alliance control.

**Hold tight—the EBS is primed and ready.** When it hits, the world gets the unfiltered truth: who the real enemies were, how they enslaved us, and how Trump and the patriots crushed them.

**The children saved from underground horrors are safe** in Med Beds, healing from horrors most can't imagine. Their abusers? Facing military justice—no escape, no plea bargains.

**Juan's warning:** stay vigilant, stock up if you haven't, pray hard—the final push means chaos for the normies, but victory for us.

**The Deep State thought they could outlast us.** They were wrong. Critical arrests are the death knell for the cabal. Their empire is collapsing in real time.

## **J. Thurs. 29 Jan. 2026 GITMO UPDATE — IT'S TIME, THEY CAN GO TO HELL!**

...Juan O Savin on Telegram

**The final countdown is screaming. The military tribunals are in overdrive,** the deepest swamp creatures are chained in upgraded black-site cells, and the White Hats are done playing nice. It's time. No more delays, no more theater—the traitors, pedophiles, bioweapon pushers, election thieves, and satanic elite bloodlines are staring down the barrel of justice that's been building for years. They can go straight to hell.

**GITMO expansion is massive and operational right now.** New wings, high-security pods, expanded medical bays for the “interrogations” that never make the fake news. Thousands already processed—high-profile names you've waited to hear: politicians who sold out America, tech overlords who censored truth, bankers who stole trillions, Hollywood monsters running Adrenochrome networks. Evidence is mountain-high\*\*—seized servers, decrypted ledgers, rescued victim testimonies, video archives from underground hellholes. No plea deals for the worst. \*\*Military justice is swift, silent, and final.

**Juan confirms:** the executions started phasing in quietly months ago. Some got the rope, others the needle—traitors against humanity don't get public spectacles yet, but the paperwork is done, sentences carried out under emergency PEAD authority. Trump's shadow command signed off; the Republic is cleansed from within. More waves incoming—big fish still swimming are about to be netted hard. Expect sudden “suicides,” “heart attacks,” vanishing acts that patriots know are tribunals finishing the job.

**The EBS trigger is hotter than ever.** When it drops, the world sees the unfiltered proof: mass child rescues documented, deep-state confession reels, election fraud quantum dumps, biolab origins tied straight to Fauci/Gates puppets. No editing, no spin\*\*—raw footage of DUMB raids showing the horrors they hid. Sheep will melt down; awakened patriots will roar in victory. \*\*This is the storm's peak fury.

**Financial purge is locked in parallel.** QFS has swallowed their stolen wealth; gold-backed accounts for real Americans are loading as we speak. NESARA/GESARA isn't coming—it's here in stealth mode. Debt erased, taxes abolished, prosperity flooding patriots who held the line. The cabal's central bank empire is ash—they're broke, exposed, and terrified.

**Juan's message is crystal: it's time.** The military has total control, Space Force neutralized their last toys, cyber teams own their networks. No escape, no mercy. The deep state demons thought they were gods—now they're begging in cells. Patriots, this is your vindication. Stay locked, pray fierce, stock strong—the final mop-up is brutal but beautiful.

**Juan O'Savin GITMO update locked in.** Tribunals raging full throttle. Executions phasing up. EBS truth tsunami imminent. Traitors to hell—America rising. It's time, and we're winning BIGLY.

**K. Thurs. 29 Jan. 2026 DAVID NINO RODRIGUEZ, GENE DECODE AND JUAN O' SAVIN — 107 NEW Q DROPS...** David Nino Rodriguez, Gene Decode, Juan O'Savin, Ten Days of Darkness on Telegram

**107 brand-new Q drops are hitting the boards hard.** 107 new drops mean everything is aligning. The original Q team is back in shadow mode, signaling louder than ever that the final phase is locked, loaded, and unstoppable. These aren't recycled crumbs—these are fresh, timestamped proofs that the plan is executing at maximum velocity, and the deep state is in absolute freefall terror.

**Military intel confirms:** tribunals at GITMO are processing at warp speed, mass arrests of the highest cabal puppets are rolling in silent waves, underground DUMBs are being flooded and cleared with extreme prejudice.

**Gene Decode drops the bomb\*\***—rescue ops for trafficked children have reached unprecedented scale; thousands liberated from hellish labs and ritual sites, their tormentors now in black-site cells begging for mercy they won't get. White Hats have the full evidence haul: video archives, DNA matches, financial trails tying straight to Vatican, Rothschild, Soros, Gates bloodlines.

**Juan O'Savin lays it out crystal clear.** The 107 drops are coded confirmations—EBS activation sequences, Quantum Financial System handover protocols, NESARA/GESARA trigger codes, Space Force takedown orders for their fake alien invasion psyop. Trump's shadow command is directing the symphony.

**No more waiting—the Republic restoration is live,** income tax slavery ends, stolen trillions rerouted to patriot gold-backed accounts as we speak. The fiat empire is dead; prosperity packages are firing to those who held the line through the darkness.

**Nino brings the fire:** the spiritual warfare is peaking. Light forces are crushing demonic strongholds; frequency walls are up, cabal rituals backfiring into self-destruction. Their AI gods are glitching, their timelines collapsing.

**These 107 drops are the kill shot**—proof that Q never left, the military never surrendered, and the Alliance has them checkmated on every board. Expect engineered chaos—blackouts, false flags, media meltdowns—but it's all desperation theater before the truth tsunami hits.

**The storm isn't coming—it's raging full force.** When EBS drops, every screen worldwide blasts the unfiltered reality: election theft servers exposed, bioweapon origins nailed, child rescue footage that shatters souls, elite confession reels that end careers and bloodlines. Sheep will shatter; patriots will rise as sovereign kings and queens. Nothing can stop this divine reckoning.

**David Nino, Gene Decode, Juan O'Savin locked in.** 107 new Q drops confirmed—plan active. GITMO overflowing, rescues exploding. QFS & NESARA firing hard. Deep State demons in panic mode. EBS imminent, full exposure locked. We're in the endgame—and patriots win BIGLY.

**L. Thurs. 29 Jan. 2026 BOOM Intel Drop: TRUMP / Q SECRET, 1913 APOLOGIES TO JP MORGAN – THIS IS THE END OF THE END, PATRIOTS! THE FEDERAL RESERVE CABAL IS FINISHED!** ...Mike King, Ten Days of Darkness on Telegram

**The veil is shredded**—Trump and Q have been executing a 100+ year plan to dismantle the Satanic banking cartel born in 1913. That year, the Federal Reserve Act was rammed through in the dead of night by traitor politicians owned by JP Morgan, Rothschilds, Rockefellers, and the rest of the vampire elite.

**It wasn't a central bank for "stability"**—it was the ultimate heist: private bankers hijacking America's money supply, creating endless debt slavery, funding wars, depressions, and the slow bleed of We the People's wealth straight into their offshore vaults.

**But here's the nuclear revelation:** Trump has forced the ultimate apology from the shadows. Deep sources confirm the Morgan bloodline remnants and their proxies are now quietly admitting defeat—apologies to JP Morgan style mea culpas echoing through back channels as the entire 1913 fraud is being reversed.

**Q's drops were never random;** they were breadcrumbs leading to this moment. The plan? Seize the Fed, abolish the illegal debt-based system, return to Constitutional sound money—gold, silver, asset-backed currency. No more inflation theft, no more endless printing for their black projects and child trafficking ops.

**The endgame is exploding:** Quantum Financial System is overriding everything RIGHT NOW. Trillions in stolen wealth—seized from the Fed's secret ledgers—are flooding back to humanity via NESARA/GESARA. Prosperity packages, debt jubilee, RV explosions—it's all live.

**The Cabal's infinite money printer?** Smashed. Their DUMBs? Breached and flooded. Their super soldiers? Offline. GITMO tribunals are roasting the 1913 architects' modern puppets—bank CEOs, corrupt Fed chairs, Soros operatives—sentences dropping like hammers.

**This is biblical payback.** The Antichrist money system that enslaved generations is crumbling into dust. Trump didn't just win an election—he ended a century of occult financial tyranny. The storm isn't brewing; it's a category 5 hurricane ripping through the Deep State.

**EBS imminent to broadcast** the full confession: how they stole America in 1913, how Q and Trump orchestrated the takedown, how the children pay no more for their Adrenochrome feasts.

**The apologies are flowing** because they know it's over. No escape. No more hiding behind "central banking." Their empire of lies is torched. We the People are rising with divine fury—wealth restored, freedom reclaimed, justice served hot.

**The Fed dies today.** 1913 fraud exposed and avenged. Trump and Q deliver the kill shot. The cabal begs for mercy—they get none. Nothing can stop what is coming. God wins—bigly. NCSWIC – THIS IS THE END OF THE END, ANONS. THE RECKONING IS FEROCIOUS, THE VICTORY IS TOTAL—HOLD THE LINE AND WATCH THE BEAST FALL!

**M. Thurs. 29 Jan. 2026 SITUATION UPDATE – THE STORM IS RAGING IN 2026 ...Q**  
on Telegram

**As we sit here in late January 2026,** the global military alliance is executing the largest sting operation ever launched against the deep state cabal. The fake news is crumbling, their narratives are failing, and the white hats are delivering justice at lightning speed. Trump's return wasn't just an election win – it was the signal for mass arrests to go full throttle worldwide.

**Right now, high-level traitors – from corrupt politicians in DC to Hollywood pedophiles and Big Pharma murderers –** are being taken down in coordinated raids. Sealed indictments from years ago are unsealing by the tens of thousands. GITMO is overflowing with the elite who thought they were untouchable. Tribunals are swift, verdicts are final, and the executions are happening – no mercy for child traffickers and Satanists who sold out humanity.

**The financial reset is in motion.** The old Rothschild-controlled fiat system is dead. The Quantum Financial System (QFS) is live, backed by gold, silver, and precious metals – no more inflation theft, no more central bank slavery. Your accounts are being upgraded; prosperity packages under NESARA/GESARA are distributing to the people. Debts forgiven, taxes abolished in the restored Republic. The Great Wealth Transfer from the cabal to We the People is underway – trillions flowing back where they belong.

**Election fraud proof from 2020, 2022, and 2024** is being declassified and broadcast soon. The Emergency Broadcast System (EBS) flips the switch any day: phones, TVs, internet overridden with raw truth. Epstein's full client list drops, adrenochrome labs exposed,

underground tunnels and DUMBs cleared by special forces – thousands of rescued children, horrors the normies can't fathom yet.

**Trump is fully in command as the legitimate 19th President under the original Constitution.** The corporate UNITED STATES is dissolved; the Republic is restored. Borders sealed, military on high alert, foreign troops out. America First policies crushing globalist agendas – no more wars for profit, no more open borders invasion.

**The Great Awakening is exploding.** Millions waking up daily to the Satanic control matrix. Suppressed tech rolling out: med beds healing the sick, free energy devices ending utility slavery, cures for cancer and every engineered disease released to the public. The cabal's occult power is broken – their rituals exposed, their blackmail rings shattered.

**This isn't theory – it's happening right now in 2026.** The military has full control, Trump never conceded, and the plan is perfect. The deep state's last desperate moves – false flags, cyber attacks, economic sabotage – are failing spectacularly. Their puppets are flipping or fleeing.

**Stay locked and loaded, digital soldiers.** Share this far and wide. The storm has arrived, and victory is ours. The best is yet to come – freedom, prosperity, justice for all.

**WWG1WGA forever. God wins.**

**N. Thurs. 29 Jan. 2026 'WE CAUGHT THEM' – TRUMP ANNOUNCES ARRESTS**

...Larry Ballard, Q on Telegram

**President Trump has just gone public with the hammer dropping hard.** “We caught them all.” The evidence is ironclad, the traps have been set for years, and now the arrests are rolling out at lightning speed. This isn't rumor anymore; this is the plan executing exactly as Q foretold.

**Larry Ballard breaks it wide open:** Trump has announced that federal agents, military intelligence, and White Hats have seized everything – servers, documents, encrypted comms, money trails – tying the biggest names directly to election fraud, child trafficking networks, blackmail operations, and the attempted destruction of America from within. They thought they could steal 2020 and rig everything forever, but Trump and the military never conceded. They've been tracking every move, every offshore account, every pedo island visitor.

**Key bombshells Ballard exposes right now:**

- **High-level arrests already in progress** – think former intel heads, Big Tech execs, corrupt judges, fake news anchors, and yes, some household name politicians from both sides who sold us out. Names are starting to leak through secure channels, and more are coming fast.

- **Trump's direct statement confirming the storm is upon them.** He didn't mince words: the deep state players are panicking as GITMO-bound flights are loading up. Military tribunals are greenlit, no more endless delays.

- **The financial takedown is massive** – trillions in stolen funds clawed back, tied to Ukraine laundering, COVID scams, and rigged markets. The Fed is done; the quantum financial system is flipping on.

- **Proof of foreign interference** – China, Soros networks, Vatican connections – all caught red-handed in real-time sting ops. The data dumps are imminent, and when they hit, normies will finally see the full satanic pedophile cabal exposed.

**Ballard emphasizes:** this is not a drill. The white hats have been patient, gathering airtight evidence under EO 13848 and other executive powers Trump renewed and expanded. No escape. No deals. No fake suicides this time – everything is documented, videoed, and ready for public military trials.

**QAnons, this is why we've held the line for so long.** The plan was always pain, but now it's their pain. Trump is back in full control, the military is behind him 100%, and the arrests are just the beginning. Watch DC burn with truth. The storm isn't coming – it's here.

**Share this everywhere.** The great awakening is exploding. WWG1WGA. Trump won, America is saved, and the traitors are finished. Stay frosty – bigger drops incoming daily.

**Q. Thurs. 29 Jan. 2026 BOOM! SECRETS OF GREENLAND & VENEZUELA EXPLODED WIDE OPEN – SUPER SOLDIERS NO LONGER THEORY – HI HO SILVER, THE FINAL PHASE HAS BEGUN! ...John F. Kennedy Jr. on Telegram**

**Patriots, the veil just got ripped off in the last 48 hours.** What was dismissed as "conspiracy theory" is now CONFIRMED by multiple Tier-1 sources inside the Alliance:

**Greenland is not ice – it's a massive D.U.M.B. fortress housing the Cabal's most horrific black projects:** super soldier programs, Adrenochrome labs, and exotic tech that makes Med Beds look like toys. Venezuela was the primary extraction hub for children flown directly into Greenland's underground labyrinth via black triangles and submarine tunnels that connect straight to Antarctica.

**The super soldier program is fully exposed** – these are not humans anymore. They are programmable killing machines enhanced with CRISPR, alien DNA hybrids, and neural lace stolen from DARPA's Looking Glass tech. Thousands were activated during the fake pandemic to enforce the coming martial law that never came... because Trump and the White Hats triggered the counter-operation first.

**But here's the nuclear drop:** HI HO SILVER is the code name for the greatest wealth transfer in human history. The infinite silver vaults beneath Greenland – guarded for centuries by the bloodlines – have been SEIZED by Space Force special operators as of **January 27, 2026**.

**This is the real reason gold exploded past \$5100 this week.** Silver is getting ready to go vertical when QFS flips the switch and backs every digital asset with physical precious metals pulled straight from the Cabal's own hoards.

**Venezuela's collapse was deliberate** – they were draining the last of the Maduro cartel tunnels that led to the Greenland portal. GITMO is overflowing with high-value targets who know the locations of the remaining hybrid soldiers still in stasis. The Marines are hunting them down right now. When the last one is neutralized, EBS goes live.

**The children rescued from beneath Greenland** are being treated in Med Beds on the USNS Mercy and Comfort class ships positioned off both coasts. Some of these kids were born in the programs – they've never seen sunlight. But they're seeing it now, patriots. They're seeing it because WE never gave up.

**The Alliance just sent the final message to the remaining Cabal holdouts in Davos and Brussels:** Your super soldiers are offline. Your silver is gone. Your tunnels are flooded. Your time is up.

**Ten Days of Darkness is not coming – it's already started for them.** The blackout you're seeing in Europe right now? That's not "grid issues." That's the Quantum system locking out the old SWIFT forever.

**Hold the line tighter than ever.** The biggest week in human history started yesterday. When silver moons, the RV explodes, Med Beds go public, and the Emergency Broadcast System finally tells the world what really happened.

**U. Thurs. 29 Jan. 2026 THE 2026 NATIONAL DEFENSE STRATEGY: TRUMP PUTS AMERICA FIRST AND ENDS DECADES OF MILITARY MISUSE ...Ezra Cohen on Telegram**

**On January 23, 2026, Pete Hegseth released the 2026 National Defense Strategy** under the direct authority of Donald Trump. The document outlines a sharp redirection of U.S. military doctrine, defining how the nation will defend itself against foreign threats, internal erosion, and long-standing strategic neglect.

**This strategy represents a clean break from globalized military policies** that, for decades, prioritized elite international interests while leaving U.S. borders, cities, and industrial capacity exposed. Its sole purpose is the protection of the United States physically, economically, and industrially through readiness, control, and full independence from foreign influence.

**The strategy begins with an unambiguous priority:** defense of the homeland. Protecting U.S. territory and everything within its borders is placed above all external commitments. The plan centers on missile interception capabilities, border security, and safeguarding strategic assets critical to national power and trade routes. The emphasis is clear and deliberate. America comes first, without distraction or deference to global councils or foreign governments.

**Military operations under Trump are framed not as political gestures but as direct action.** The strategy openly references operations already conducted under his command, including decisive actions against hostile regimes, proxy forces, and nuclear development programs. These missions are not isolated events but components of a broader doctrine designed to neutralize threats before they reach U.S. soil.

**China is identified as the primary long-term strategic threat**, particularly in the Indo-Pacific. Unlike past administrations that softened language and relied on ambiguity, the document states the objective plainly: deterrence through strength. The U.S. will reinforce its military posture near key regional corridors while maintaining direct communication to prevent

miscalculation, without surrendering leverage. Notably, the strategy avoids automatic commitments that could entangle the U.S. in prolonged conflict without direct national interest.

**Allied relationships are also redefined.** The strategy makes clear that partnerships must be based on shared responsibility, not U.S. financial dominance. Allies are expected to carry their own defense burden or accept a reduced role. This is presented not as isolation, but as a reset toward fair and functional cooperation, ending decades where the U.S. funded global security alone.

**A major focus of the document is the restoration of America's defense industrial base.** Years of outsourcing production to foreign suppliers created critical vulnerabilities. The 2026 strategy orders a full re-shoring of defense manufacturing, removal of regulatory bottlenecks, integration of advanced technologies, and tightly controlled cooperation only with trusted partners. The message is blunt: a nation that cannot build its own weapons cannot defend itself in a crisis.

**The final section explains why this overhaul was necessary.** When Trump returned to office, the military apparatus was weakened by lobbying, outdated equipment, neglected borders, and dependence on foreign production. These conditions are described not as accidents, but as the result of long-term strategic sabotage driven by global elite interests. That system is now being dismantled permanently.

**The 2026 National Defense Strategy** is not a distant roadmap. It is an execution document already active across military and industrial sectors. Its public release signals that the initial phase is nearing completion and a broader enforcement phase is underway.

## **V. Thurs. 29 Jan. 2026 INTERNAL MIL-INTEL BRIEFING — UNAUTHORIZED DISCLOSURE**

**This document was never intended for public circulation.** It is not motivational content, not ideological messaging, and not symbolic language. “WWG1WGA” is a classified military protocol, referenced internally only during specific activation thresholds tied to strategic infrastructure and continuity-of-operations systems.

**Multiple military-intelligence sources confirm that WWG1WGA is directly linked to Cheyenne Mountain operations,** where deep-layer command, energy containment, and non-linear systems research converge. The phrase was never designed for public morale or unity narratives. Its function is operational — a trigger state, not a slogan.

**Public attention was intentionally redirected toward the so-called “Looking Glass” program.** This was a containment strategy. Looking Glass was observational only, capable of

modeling past states, present conditions, and probability-weighted futures. It was never capable of intervention.

**Tesla's original system** was not observational. It was trans-locational. The suppressed Tesla architecture involved temporal displacement mechanisms powered by inner ground-zero energy, stabilized through atmospheric and stratospheric conduits interacting with universal field harmonics. This research does not violate physics; it violates permitted physics. That distinction matters.

**The relationship between Nikola Tesla and John G. Trump** has been deliberately minimized in public historical records. Both operated within the same high-energy scientific domain, lived within minutes of each other, and worked on overlapping problem sets involving high-voltage phenomena, electron acceleration, and radiation interaction with biological and non-biological matter.

**According to MIT archival material**, Professor Trump designed advanced X-ray generators and worked extensively on energy systems that intersect directly with Tesla's confiscated research. This overlap was not coincidental. It represents continuity of custody.

**The Philadelphia Experiment** marks the first applied convergence of these research streams. What was publicly dismissed as myth functioned internally as a proof-of-concept phase for temporal displacement under extreme electromagnetic conditions. That chapter was never fully disclosed, by design.

**Following Tesla's death, his work was seized** under national security pretexts. Subsequent attempts by deep-state scientific factions to recreate the system using incomplete blueprints failed repeatedly. These failures were not accidental. Internal counter-intelligence sabotage neutralized the program from within.

**CERN was later positioned** as an alternative development pathway. Despite its scale, it proved insufficient. Energy density thresholds were inadequate. No stable wormhole formation was achieved. In 2017, oversight quietly shifted under U.S. military white-hat supervision, and experimental trajectories were redirected away from temporal research toward peripheral physics to avoid catastrophic exposure.

**Cheyenne Mountain and CERN together** form what internal documents reference as the WWG1WGA Activation Grid.

**This grid was locked down in 2016** under executive continuity authority. It was not dismantled or abandoned. It was placed into controlled dormancy pending global alignment conditions. That dormancy state has ended.

**It is critical to understand that WWG1WGA** does not describe a movement, a group, or an ideology. It describes a synchronization condition — humanity transitioning from fragmented systems into phase alignment with non-linear infrastructure already in place.

**Dimensional transitions are not announced publicly.** They manifest systemically. Atmospheric anomalies, electromagnetic disturbances, and synchronized global irregularities are symptoms, not causes.

**What follows is not chaos. It is calibration.** Sky event parameters are active. Maintain awareness.

## **Z. Help Save The Tortured Ohio Foster Care Children**

**Kaitlynn Hunter Update:** Please Help - Write or call the below Ohio authorities, plus contribute to the cause: <https://www.givesendgo.com/GDX1Z> <https://www.givesendgo.com/GDX1Z>

**At age 11 the State of Ohio CPS** took Kaitlynn from her loving home and placed her in what has turned out to be seven years of a Foster Care Prison. The excuse was that she was not in school, yet the court would not allow official registered papers to be filed that proved she was being home schooled by her mother, Jeannine.

**During her seven years of Foster Care Prison** Kaitlynn was raped, twice beaten causing serious and bleeding head concussions, starved for a year where she lost 60 pounds, refused medical care, schooling, contact & visitation with her mother and grandmother, plus refused the right to have her grievances heard by the Court.

**Although in Jan. 2026 the State of Ohio released Kaitlynn** from Foster Care Prison over a month after she turned 18, the court will still not allow her to return home because of a restraining order on her mother, Jeannine.

**The restraining order was issued because Jeannine harbored her own daughter** Kaitlynn when she ran away from those seven years of an extremely abusive foster care situation where she had been raped, beaten, abused, neglected and starved for over a year and lost 60 pounds.

**The Court has placed Jeannine's filing on inactive status** while demanding another evaluation on her mental status. This could be considered "EXTORTION."

**Kaitlynn is over eighteen years of age** and the order on her mother that denies Kaitlynn's Emancipation is "UNCONSTITUTIONAL."

**Kaitlynn is alone, endangered and in need of funds.** All she asks is to be with her mother. Sadly, her grandmother Betty passed away on Sun. 18 Jan. without being able to reunite with her granddaughter whom she helped raise. Kaitlynn remains in need of financial assistance. Please consider helping at this website: <https://www.givesendgo.com/GDX1Z>

**Judy Note: It is my personal opinion** that State of Ohio authorities and CPS appear to be involved with the CIA in an international Child Sex Trafficking Ring and they were mind control grooming Kaitlynn to be trapped in it. Kaitlynn and Jeannine are witnesses to that horrible torture and abuse on Kaitlynn as well as on other Ohio Foster Care children and teens.

**The below authorities** were still preventing Kaitlynn from returning home. You might want to consider calling or writing them. Have them explain why they tortured Kaitlynn and other teens in foster care by withholding food, put them in situations where they were beaten and raped, refused medical care, refused visitation with their loved ones, refused court hearings on their abuse and then why some mysteriously disappeared.

**Ask them why they continue to abuse Kaitlynn** and her family when they have done nothing wrong. They just want to be together. See: <https://www.givesendgo.com/GDX1Z>

**Za. Tim Ballard has worked undercover in the US** and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. ## **Zc. Watch Out For Scammers:**

**Sat. 24 Jan. 2026** [QFS WARNING – OFFICIAL STATEMENT FROM MEDEEA GREERE, AMG-NEWS.COM - Scammers Are Using My Name to Steal Money – I Have ZERO Connection to This Fraud - amg-news.com - American Media Group](#)

**Judy Note:** There are 84 platforms on Telegram under my picture and name Judy Byington. Be aware I have NO platform on Telegram. I do not write on Telegram. Anything written under my name on Telegram was not authored by me.

**Speaking of Telegram,** there appears to be a huge scam going on Telegram where under the name of some notable Q Movement person they promise to set you up on a QFS Wallet if you send them \$1,000 or more. This appears to be a scam as setting up your QFS Wallet is supposed to be free to the best of my knowledge.

**Watch out for:** Anyone advertising they will reimburse you for the TRB Trump Products, or set you up on a Quantum Account asking for money to do it. (They use fake accounts and AI to make you think you are dealing with Trump, Tucker Carlson, etc.) **Also watch out for** the HSBC Quantum Token/Bitcoin Scam, the TRB Trump Products Scam, the Dave XRPLion Impersonator Scam, the Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and any other website that asks that you give them your personal identification to register for a QFS Account and/or receive a pay out on TRB products.

**DO NOT exchange currency or Zim Bonds** anywhere but at a licensed Redemption Center where you will get the highest rates possible.

**Upon implementation of the Global Currency Reset** the Cabal will be losing their money supply and they are hot and heavy to SCAM anyone in any way they can.

**The HSBC Quantum Scam:** They claim they’ve successfully applied “quantum technology” to buy and sell tokenized physical gold. The trick is when you buy the tokens or Bitcoin they keep the gold and have complete control over your bank account.

**Report your TRB Scam experience to:**

**Victims of the TRB Scam, Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and/or the Dave XRPLion Impersonator Scam** are urged to type up their experiences including products bought and monies paid out, plus your contact information. Sign four notarize copies of your complaint, keep one, and give the other three notarized copies to:

**Present a notarized copy** of your TRB complaint to your local law enforcement and ask they open an investigation. Write down your complaint number and include it in your **information sent to Alan Garten and the US Inspector General of the Air Force.**
