“Peacemaking begins within our hearts. If we practice peacemaking within ourselves and families, peace will naturally spread to our communities, nations and World.”

Judy Note: The New Year's Day 1 Jan. 2026 US arrest of Venezuela President Maduro and company harvested the Intel of the century, mainly from Venezuelan Intel Chief Hugo Carvajal Barrios.

Carvajal was a three-star general and former Chief of Military Intelligence under Hugo Chávez and Nicolás Maduro. Now in US custody, he recently pleaded guilty to Narco Terrorism while revealing, “I will expose the entire (Drug Cartel & Human Trafficking) network—from South America to your Senate floor.”

And, he did. Carvajal confessed that the Smartmatic Voting machines used by many states in US Elections were built for fraud, that the CIA knew all about it and at least 60 US Senators have been bought off by and were making millions from the Narco Terror Regime.

The Official List of 60 US Senators who received millions via Venezuela Maduro Regime Drug Cartels & by selling their influence to protect foreign criminal regimes. See #A below.

In addition to Maduro's arrest, New Year's Day 1 Jan. 2026 also saw the launch of the gold/asset-backed Quantum Financial System (QFS) – the greatest wealth transfer in human history, the QFS having revalued currencies of over 200 countries and marking the end of old fiat financial bondage.

NESARA/GESARA protocols were now actively enforcing universal debt forgiveness, wiping clean mortgages, credit cards, loans and all unjust financial burdens imposed by the previous system.

Prosperity Funds were flowing to rightful holders through secure redemption channels, while humanitarian programs received unprecedented resources to uplift communities worldwide.

As of today Sun. 4 Jan. 2026, Redemption Centers were on full Red Alert, staffed and ready for Tier 4B notifications to come out at any time.

Advanced Med Beds, capable of miraculous healing and age reversal, were being deployed under military oversight, replacing outdated hospital equipment and offering restoration to those who have long suffered.

Reports out of the Global Military Alliance indicated that in recent days sealed indictments exceeding 800,000 have begun unsealing, leading to mass arrests of high-level figures entangled in centuries of deception and treason.

Military tribunals were accelerating, with evidence of unspeakable crimes against humanity being prepared for public revelation.

The Emergency Broadcast System stood poised for full activation in early January.

Sources confirmed that the Ten Days of Darkness may commence imminently, during which communications could temporarily cease as the truth about the criminal Cabal was broadcast worldwide via secure Starlink channels.

Meanwhile, heroic operations to rescue innocent children from underground networks persisted without pause. Thousands more have been liberated in coordinated global efforts.

The Military, loyal to Commander-in-Chief Donald Trump, has been activating continuity of government protocols that fully restored the Constitution.

President Trump will soon address the nation to announce that Restored Republic, while exposing recently declassified Intel.

That Intel will include traitors of the Clinton-Obama-Biden crime syndicate who sold us out to China, Soros and the UN.

President Trump is relentlessly pursuing justice on treasonous Deep State criminals.

The Global Currency Reset has fully activated – the gold/asset-backed Quantum Financial System is live in over 209 nations.

NESARA/GESARA is in full force: debts forgiven, stolen wealth returned to We the People, and massive prosperity funds flowing to patriots.

Mass arrests are underway: The Clintons, Obamas, Bushes, Soros, Gates, and their Satanic pedophile network accomplices in Hollywood, DC, and the Vatican have been seized by Trump's Global Military Alliance.

Sealed indictments – over 500,000 strong – are unsealing daily.

GITMO is overflowing as tribunals deliver swift military justice for crimes against humanity, child trafficking, and high treason.

Trump never surrendered; he masterminded the greatest sting operation in history from secure command centers.

The EBS is primed for activation any moment (phones go silent, EBS Alerts blast the truth) – ten days of communication darkness followed by broadcasts exposing every lie, every ritual, every evil act of the Cabal.

Med Beds are rolling out nationwide, healing our brave veterans, vaccine-injured warriors, and innocent children first with suppressed Tesla technology.

The border invasion is reversed – traitors who enabled the cartels face firing squads.

The stolen 2020 election fraud is fully vindicated as the Restored Republic stands tall under our original Constitution.

The Cabal's desperate false flags fail as divine protection shields our Commander-in-Chief.

Silver and gold skyrocket as the corrupt dollar dies.

D. Sun. 4 Jan. 1016 QFS RV/GCR Intel Update

High-level sources deep in the Alliance confirm: the Global Currency Reset has been fully activated, and the Revaluation is rolling out across the planet faster than the Deep State could scramble their jets!

As of today, redemption centers were on full Red Alert, staffed and ready for Tier 4B notifications to blast out any hour now.

Bonds were being hydrated with massive liquidity, historic bonds paid out in full on the Quantum Financial System – no more fiat chains holding us back!

Iraq has officially revalued the Dinar overnight, with screen rates skyrocketing past expectations, paving the way for Vietnam Dong, Zim, and all revaluing currencies to follow suit immediately.

The greatest wealth transfer in human history is underway, ripping trillions from the cabal's blood-soaked vaults and placing it directly into the hands of We the People.

Universal debt jubilee has kicked in – mortgages, credit cards, student loans vanishing as the QFS wipes the slate clean for humanity's liberation.

Behind the scenes, White Hats have neutralized remaining Deep State holdouts; thousands more arrests executed silently this week alone, clearing the path for full NESARA/GESARA announcement any day.

Trump and the military Alliance are in total command – the storm has arrived, and victory is ours!

Stay vigilant, pray without ceasing, and prepare your humanitarian projects because your 800# appointments are imminent. This isn't rumor – it's happening RIGHT NOW. The cabal is finished, their Great Reset crushed under our God-given reset. Freedom rings louder than ever! Hold the line, family – we're crossing the finish line together. The golden age dawns today!

God bless America, God bless the Alliance, and God bless every patriot standing strong.

E. Quantum Financial System: THE QFS PROTOCOL AND TRUE OWNERSHIP ...QFS on Telegram

Under the Quantum Financial System, every account exists outside the reach of banks, intermediaries, and political manipulation.

Ownership is absolute. Funds cannot be frozen, censored, seized, or diluted.

Quantum encryption secures each wallet at the individual level, making corruption mathematically impossible.

The legacy banking system does not collapse loudly. It simply becomes irrelevant.

THE ASSET BACKED ECONOMY EMERGES

Currencies are realigning with tangible value such as gold, commodities, and productive output. Fiat systems built on debt expansion are being reconciled into asset backed formats, restoring balance and trust. Inflation, artificial scarcity, and speculative distortions lose their power when money is once again anchored to reality. Trade becomes fair. Valuation becomes honest.

WHAT COMES NEXT

Illegitimate debt accumulated through systemic abuse will be dissolved under GESARA reforms.

QFS wallets will unlock through biometric authentication, restoring direct access to personal wealth.

Global currency values will adjust to reflect true national resources and productivity.

Central banks will be phased out as sovereign treasuries reclaim issuance authority.

Legacy systems like SWIFT and coercive taxation structures will be rendered obsolete.

THE DAWN OF A NEW GOLDEN AGE

As suppressed capital and resources are released, humanitarian projects, innovation, and infrastructure expansion accelerate worldwide. Education improves. Communities rebuild. Individuals regain freedom of choice and economic mobility. This is not redistribution through force, but restoration through correction.

This is not merely a financial reform. It is a civilization upgrade.

G. Sat. 3 Jan. 2026 Ismael Perez: The Great Awakening accelerates beyond Cabal control!

The Cabal – that shadowy network of bloodline families, corrupt politicians, and off-world controllers – has been plotting a massive false flag event slated for early 2026 to derail President Trump's restoration agenda and plunge the world into chaos.

But sources deep inside confirm: their schemes are crumbling! We're talking attempted cyber attacks on the grid, engineered "pandemics" 2.0, and even staged alien invasions to justify martial law and one-world government enforcement.

The Galactic Federation alliances are fully activated now, supporting the Earth Alliance in neutralizing these threats.

Med beds are rolling out in secret locations across the nation, ready for mass disclosure that will heal millions and expose the pharma cartel's crimes against humanity.

NESARA/GESARA activation is imminent – debt jubilation, gold-backed currency, and prosperity funds are being positioned for release any day now, starving the Deep State of their fiat control!

Shocking: High-level arrests are happening behind the scenes right this moment. Names you've heard whispered – the Clintons, Obamas, Soros puppets, and Hollywood pedo elite – are facing military tribunals.

Epstein's Island wasn't the end; new lists are dropping in 2026 that will name EVERY traitor involved in child trafficking and adrenochrome horrors. The storm is here, and no amount of mainstream media blackouts can hide it anymore!

Trump and the White Hats have set unbreakable traps. The stolen 2020 election fraud is being fully decertified state by state, with forensic proof that will shock the normies awake.

EBS activations are on standby – when it hits, the truth about 9/11, JFK, vaccines, and the fake moon landings will flood every screen!

The Cabal's Satanic rituals and DUMB bases are being raided as we speak. Q was right all along – trust the plan! Their end is near, and our golden age begins in 2026. Stay vigilant, spread this far and wide – the great reveal is upon us! WWG1WGA!

H. Special Intel Report Fri. 2 Jan. 2026 Trump's Q Military Alliance of Over 100 Countries Poised for Final Takedown of the Deep State Cabal – The Storm is Here, Patriots! ...Ten Days of Darkness on Telegram

Patriots, wake up! The greatest military intelligence operation in history is unfolding right now under President Trump's command. The Q Military Alliance – a unbreakable coalition of over 100 sovereign nations led by White Hats and loyal to the Q plan – has activated worldwide protocols to dismantle the Satanic globalist cabal once and for all. These traitors have enslaved humanity for centuries through child trafficking networks, rigged elections, bioweapon releases, and endless wars for profit. But their time is up!

As of January 1, 2026, the Great Reset they planned has been hijacked and turned against them. NESARA/GESARA is fully implemented globally, erasing all illegitimate debt and activating the Quantum Financial System that puts power back in the hands of We The People. Gold-backed currencies are live, and the old fiat system controlled by the Rothschilds and Rockefellers is collapsing as we speak.

Alliance forces are executing precision operations in every corner of the globe. Mass arrests of high-level Deep State operatives are underway – politicians, Hollywood elites, Vatican insiders, and corporate overlords who worshipped evil are being rounded up and facing military tribunals. No escapes, no deals – justice is swift and final. The EBS is ready to broadcast the truth: declassified files proving election theft, adrenochrome horrors, underground bases, and how Trump never left office under continuity of government.

In the United States, Commander-in-Chief Trump has mobilized elite units to secure borders, neutralize illegal invasions orchestrated by the cabal, and restore the Republic. Med Beds are rolling out through secure channels, healing our veterans and children first from the poisons they've endured. The Seven Trumpets will soon sound on every device via the Emergency Broadcast System, revealing everything and calling patriots to stand strong.

This is the moment Q told us about: Where We Go One We Go All. The cabal's fake news is silenced, their FEMA camps exposed as weapons against Americans, and their attempts to spark WW3 have failed miserably. Trump and the Alliance are winning bigly – bigger than anyone imagined!

Stay vigilant, stocked, and prayerful. Notifications for redemption appointments on the QFS could drop any day now. The golden age is dawning, and the Deep State's nightmare is just beginning. Trust the Plan – it's biblical, it's unstoppable, and victory is ours!

God Bless President Trump, God Bless the Q Alliance, and God Bless America!

I. Sun. 4 Jan. 2026 Globalists took over the DNC, and used it as a vessel to destroy America from within. But as the DNC became more and more outrageous, less Americans were willing to vote Democrat. So they imported millions of immigrants that would vote for them, in exchange for our tax dollars. That's the crux of everything we have been witnessing for the last 10 years. It all leads back to their election fraud schemes that keep them in power. That's why the Dems/MSM hate Trump. That's why they want the border open. That's why they don't want voter ID. Everything revolves around maintaining and covering up their treason against We the People, and Trump poses an existential threat to their corrupt empire. J. Sun. 4 Jan. 2026 TRUMP WITHDRAWS NATIONAL GUARD, PREPARES MILITARY TAKEOVER UNDER INSURRECTION ACT ...The Maga King on Telegram

President Donald Trump has ordered the National Guard to withdraw from Chicago, Los Angeles, and Portland after nearly a year of federal stabilization operations. Crime was suppressed, federal assets secured, and trafficking routes disrupted. The Guard is not leaving because the mission failed, but because it advanced to its next stage. This withdrawal signals a shift from civilian containment to direct federal military authority.

These cities have long functioned as strategic hubs for money laundering, election interference, intelligence operations, and trafficking networks operating through local governments, nonprofits, and equity programs. Federal forces were never deployed for surface-level patrols. Their role was silent penetration, intelligence gathering, and system mapping under emergency authority. Movement patterns, compromised officials, and internal systems were identified and transferred to military intelligence.

The timing aligns with new legal positioning. Recent Supreme Court precedent narrowed Guard usage but opened a clear path under the Insurrection Act, allowing deployment of active-duty forces when local governments fail to uphold constitutional order. That threshold has now been met. City leadership resisted cooperation while shielding foreign-linked operations, all of which were documented during the Guard's presence.

Phase one is complete. Phase two requires active-duty military forces with arrest authority, secure command, and federal control. The Guard's exit reduces surface pressure while

allowing deeper operations to proceed. Chicago, Portland, and Los Angeles are being positioned for controlled collapse, creating the legal trigger for rapid intervention.

This escalation will not be announced. Arrests, seizures, and network shutdowns will be executed quietly. Financial pipelines will be dismantled through Treasury action. Infrastructure tied to foreign influence will be disabled in sequence.

January 1, 2026 marks the end of stabilization. The next phase is already in motion.

K. Sun. 4 Jan. 2026 Election Fraud, Arizona: Arizona 2020 ELECTION auditors uncover a jaw-dropping anomaly of 11,326 voters absent from the November voter rolls, which was Biden's margin of victory. Magically, the missing voters appear by December 4th, all recorded as having cast ballots on November 3rd. "This figure eerily mirrors the slim 10,457-vote margin that flipped Arizona." This was Biden's margin of victory. How convenient. When pressed for a logical explanation, the auditor admits, "I can not think of a logical explanation." This testimony demands answers and once again shows clear signs of fraud. The evidence reshapes how we view 2020 and solidifies that our elections need to be completely reformed and secured.
