Judy Note: There were at least 450 children ages 6 to 16 recently rescued from an international Child Sex Trafficking, Adrenochrome and Organ Harvesting Ring Island fortress disguised as a Somali charity organization. The ring worked out of an island 17 miles off the California Coast.

The criminal organization appeared to have connections to Narco Terrorism, international political elites and fortune 500 NGOs worldwide. It's network spanned continents. It was composed of at least 40 shell companies across seven countries and worked out of Nevada, Washington DC, LA and San Francisco.

Called “Project Mercy Corridor,” the kidnapped children were hidden in humanitarian aid, refugee resettlements and adoption pipelines.

According to Project Mercy Corridor own records, their apparent goal was to be kidnapping, producing on their own and processing at least 10,000 children by 2028.

The international Child Sex Trafficking, Adrenochrome and Organ Harvesting Ring appeared tied to the 60 US Senators outed by Venezuelan Intel Chief Hugo Carvajal Barrios who recently pleaded guilty to Narco Terrorism while revealing, “I will expose the entire (Drug Cartel & Human Trafficking) network—from South America to your Senate floor.”

And, he did. Carvajal confessed that the Smartmatic Voting machines used by many states in US Elections were built for fraud; that the CIA knew all about it and at least 60 US Senators have been bought off by and were making millions from the Narco Terror Regime.

The Official List of 60 US Senators who received millions via Venezuela Maduro Regime Drug Cartels & by selling their influence to protect foreign criminal regimes were listed in this article: [CONFIRMED: Venezuela Bombshell Intel Drop — Narco General Hugo Carvajal Confesses: CIA-Knowing Election Fraud, U.S. Senators Funded by Narco Regime \(FULL LIST\) - amg-news.com - American Media Group](#)

Meanwhile the greatest wealth transfer in human history began on Sun. 4 Jan. 2026 when the GCR/RV shotgun start locked in at precisely 02:17 UTC.

Wells Fargo has over 12,500 military-protected Redemption Centers nationwide which were prepping for immediate 800# release.

Revaluation notifications were expected imminently for Tier 4B groups, ushering in payouts that will activate universal debt forgiveness across mortgages, loans, credit cards, and unjust financial burdens imposed by the old Cabal system.

As the Quantum Financial System fully integrated worldwide, nations transition to transparent, asset-backed currencies marked the activation of NESARA/GESARA principles on a global scale.

This redistribution of reclaimed assets—trillions once stolen from the people—will flow through humanitarian programs and individual accounts in the coming days and weeks of **this first quarter**.

Back in March 2017 data on all bank account holders, at all banks, in all 209 participating countries, was downloaded into the new Quantum Financial System. That fiat currency will convert to gold/ asset-backed at a 1:1 value.

White Dragon and Space Force briefings reported off ledger bank accounts and NESARA debt jubilee packets were now mirrored onto the new Quantum Financial System.

Those in Tier 4A Adjudicated Settlements were now under a 72-96 hour (3-4 day) NDA window (through **Fri. 9 Jan. 2026**).

Med Beds, the miraculous quantum healing technology long suppressed, were being deployed in secure facilities. Priority access begins soon, reversing damage and rejuvenating bodies.

The Global Military Alliance continues to liberate humanity from centuries of oppression.

Reports from trusted sources indicated that mass arrests of high-profile Deep State operatives were accelerating across the nation and worldwide, with elite troops securing key locations and dismantling remaining Cabal strongholds.

Thousands of rescued children, survivors of unspeakable horrors in underground facilities, were now receiving care in secure environments.

Emergency Broadcast System Activation remained imminent, potentially triggering the long-awaited Ten Days of Darkness.

During this period of communication blackout, vital truths will be revealed through secure channels, exposing the extent of corruption.

Military tribunals were proceeding swiftly, ensuring that no perpetrator escaped justice.

The Brunson case and ongoing Rule 11 emergency filings before the Supreme Court underscored that the voice of the people was being heard.

Be Prepared. Stay vigilant.

Global Currency Reset Update

A. Mon. 5 Jan. 2025 QFS GLOBAL ALERT Tier 4B Activation Surge ...Quantum Financial System on Telegram

The Global ISO-20022 rainbow currency rollout now stands at 93.8% live integration across all compliant networks—pushing full parity within hours.

On Sun. 4 Jan. 2026 the GCR/RV shotgun start locked into mathematical irreversibility at precisely 02:17 UTC, with quantum entanglement security locks fully engaged and no turning back.

Direct from the Reno/Zurich/Hong Kong QFS master control: In the last 18 hours:

Wells Fargo has synchronized over 12,500 military-protected Redemption Centers nationwide, prepping for immediate 800# release sequences.

Trump's GENIUS Act has triggered Stablecoin approvals tied to gold-backed digital certificates, blocking CBDC surveillance traps.

8,400+ private humanitarian project wallets activated in real-time feeds from Zimbabwe/ Hong Kong/ Moscow liquidity pools

NDA 72–96 hour windows now auto-deploying for Tier 4A adjudicated settlements

Sovereign rate vs street rate screens flashing 1:1 asset-backed parity on mirrored accounts

Med-bed allocation trusts funded via Saint Germain World Trust tranches

Dragon Family yellow/gold dragon bonds redeemed in bulk transfers.

Off-ledger mirrored accounts fully on-ledger and NESARA debt jubilee packets uploaded for mass distribution—all confirmed from White Dragon and Space Force secure briefings, with zero delays.

The old fiat chains are shattering—freedom's quantum pulse is here. The greatest wealth transfer in human history is now in motion.

B. Mon. 5 Jan. 2025 The New Quantum Financial System...FBI Director Kash Patel

The new QFS operates completely independently from the existing “centralized” banking and ends the “Central Banking System” that perpetuates “Debt Slavery” around the world.

Even though it is the ultimate in design, reliability, security and safety, the roll-out process will occur over time.

QFS operates on a Distributed Ledger Technology. It is NOT crypto currency or Blockchain technology.

Quantum Qubits “interact” with every financial transaction anywhere in the world of finance to ensure that each transaction is legal, owner-intended and transparent.

Since Central Banks do not have the ability to “reconcile” old FIAT (paper) money into the new QFS system, all fractional reserve banking and central banking activities will cease.

Every sovereign currency and every bank represents a separate Ledger in QFS.

Data on all account holders, at all banks, in all 209 participating countries was downloaded into QFS in March 2017 and serves as a “Distributed Ledger”.

QFS is designed for and ready to convert ALL bank accounts denominated in any Fiat currency anywhere in the world into a local asset-backed currency.

QFS pings the originating Fiat currency bank account to ensure it is still valid, active, and operational at the time the exchange of fiat currency for asset-backed currency takes effect.

After the successful ping of a local bank account, the fiat currency holdings are converted into the new local asset-backed currency on a 1:1 basis.

D. Sun. 4 Jan. 2025 SITUATION UPDATE: TRUMP'S BOLD EXECUTIVE ORDERS, MASSIVE GITMO EXPANSION, AND THE GLOBAL MILITARY ALLIANCE CRUSHING THE DEEP STATE! ...John F. Kennedy on Telegram

As of Sun. 4 Jan. 2026 President Trump has been delivering on every promise and more – the storm is here, and the Deep State Cabal is in full panic mode!

Just yesterday, on January 3, Trump authorized precision strikes deep into Venezuela, taking out key regime strongholds and capturing the dictator Nicolas Maduro himself! That's right – Maduro and his corrupt inner circle are now in U.S. custody, en route to face justice. Trump personally confirmed it: U.S. forces executed a flawless large-scale operation, hitting military facilities in Caracas and beyond. Explosions lit up the night as the globalist puppet regime crumbled. This isn't just about one country – it's the beginning of the end for the worldwide deep state network that's been trafficking, laundering, and destroying nations for decades!

And GITMO? It's exploding into action like never before! Trump's latest executive orders, signed in the opening days of his triumphant return, direct the Pentagon and DHS to ramp up Guantanamo Bay to full capacity – we're talking 30,000 beds ready for the worst criminal invaders and high-profile traitors! No more catch-and-release for the cartel-linked illegals flooding our borders. T

The most dangerous ones? Straight to GITMO, where they belong, held securely until deportation or tribunals. Sources confirm expansions are underway right now – cells filling up faster than the fake news can spin it. Remember those sealed indictments? They're being unsealed, and the big fish are next. Hillary, Obama cronies, globalist elites – the walls are closing in, and GITMO is the perfect place for military tribunals to expose their treason once and for all!

This ties directly into Trump's global military alliance – a coalition of White Hats from the U.S., allied nations, and brave patriots worldwide, standing united against the Cabal's New World Order.

With Maduro's capture, Venezuela's vast oil reserves are secured for the people, not the elites – Trump even said we're overseeing a smooth transition to get that oil flowing freely, breaking the stranglehold of sanctions and corruption. Military movements are ramping up globally: border secured tighter than ever, National Guard and active-duty forces deployed, physical barriers going up, and migrant operations shifting to GITMO for maximum security.

The Deep State media is scrambling to downplay this – calling it "controversial" while ignoring the cheers from real Americans tired of invasion and betrayal. But we know the truth:

This is the great awakening in overdrive! Trump is draining the swamp on a planetary scale, arresting the untouchables, and restoring power to the people. High-level sources whisper that more captures are imminent – politicians, CEOs, Hollywood pedos – the list is long, and the alliance is unstoppable.

Patriots, stay vigilant! The EBS could activate any day now with declass drops that will shock the world. Share this far and wide – the fake news won't tell you, but the plan is executing perfectly. God bless President Trump, our military, and the digital soldiers holding the line. WWG1WGA! The best is yet to come – victory is ours, and the cabal's days are numbered!

E. As of Sat. 3 Jan. 2026 President Trump fully activated his unstoppable Global Military Alliance – a massive coalition of loyal forces from across the world, standing united against the deep state cabal that's been pulling the strings for decades! ...JFK Jr. on Telegram

Insiders confirm: White Hats in the U.S. military, backed by elite units from key allied nations, are coordinating unprecedented operations to dismantle the globalist network once and for all. This isn't just talk – Trump's alliance is the real deal, forged in the shadows during his first term and now exploding into action under his command.

Remember how the fake news mocked him about NATO? Trump turned it around – he forced them to pay up, exposed the traitors, and built a parallel structure of true patriots ready to defend freedom worldwide. Sources say military movements are ramping up globally: secret deployments, comms blackouts in cabal strongholds, and high-level arrests imminent.

The Deep State is panicking! They've tried everything – rigged elections, fake pandemics, endless wars – but Trump's alliance is crushing them.

EBS could trigger any day now, revealing the truth about child trafficking rings, stolen wealth, and the satanic elite hiding in plain sight.

This is the Great Awakening in overdrive! The military is the only way, and Trump is leading the charge with unbreakable alliances that span continents. No more weak RINOs or globalist puppets – pure loyalty to We The People!

Stay frosty, anons. Trust the plan. The best is yet to come, and victory is ours. WWG1WGA! God bless President Trump, our military heroes, and the fight for a free world. The cabal's days are numbered – their empire is crumbling as we speak!

F. Mon. 5 Jan. 2026 COMMANDER-IN-CHIEF DONALD J. TRUMP HAS GIVEN THE ORDER. ...Mr. Pool Final Chapter on Telegram

NOT THROUGH PRESS CONFERENCES. NOT THROUGH LEAKS. NOT THROUGH THE CORRUPTED MEDIA GRID. BUT THROUGH SILENT COMMAND CHANNELS, LOCKED MILITARY NODES, AND PRE-AUTHORIZED CONTINGENCY PROTOCOLS THAT WERE PUT IN PLACE YEARS AGO — WAITING FOR THIS EXACT MOMENT.

ELITE UNITS ARE MOBILIZED. BORDERS ARE NO LONGER LINES ON A MAP — THEY ARE ACTIVE DEFENSE ZONES. ILLEGAL INVASIONS WERE NEVER RANDOM. THEY WERE ORCHESTRATED, FUNDED, AND TIMED BY THE CABAL TO COLLAPSE NATIONS FROM WITHIN.

THAT PHASE IS OVER. THE REPUBLIC IS BEING RESTORED — NOT ANNOUNCED. EXECUTED.

COMMUNICATION BLACKOUTS ARE NOT FAILURES. THEY ARE CONTROLLED SILENCE.

MARKET ANOMALIES ARE NOT CRASHES. THEY ARE SYSTEM ISOLATIONS.

MEDIA CONFUSION IS NOT CHAOS. IT IS SIGNAL JAMMING.

EBS STATUS: STANDBY. THE SYSTEM DOES NOT WARN THE MASSES UNTIL THE FINAL LOCK IS SECURED.

WHAT COMES NEXT IS NOT POLITICAL. IT IS OPERATIONAL. TEN DAYS OF DARKNESS IS NOT A MYTH. IT IS A WINDOW. A WINDOW WHERE OLD SYSTEMS GO QUIET SO NEW ONES CAN COME ONLINE WITHOUT INTERFERENCE.

EXPECT: • POWER DISRUPTIONS • COMMUNICATION INTERRUPTIONS • FALSE FLAGS • LOUD DISTRACTIONS • EMOTIONAL PSYOPS THIS IS HOW YOU KNOW IT IS REAL.

DO NOT PANIC. DO NOT MOVE. DO NOT BROADCAST FEAR. PREPARED MINDS REQUIRE NO EXPLANATIONS. THE PLAN WAS NEVER ABOUT SAVING COMFORT. IT WAS ABOUT SAVING THE FUTURE.

TRUST THE PLAN. NOT BECAUSE YOU WERE TOLD TO — BUT BECAUSE YOU CAN SEE THE PIECES LOCKING INTO PLACE.

GOD IS NOT WATCHING FROM AFAR. GOD IS IN CONTROL.

WHEN THE NOISE STOPS — WHEN THE SCREENS GO DARK — WHEN THE WORLD HOLDS ITS BREATH — REMEMBER THIS: THE STORM IS NOT COMING. THE STORM IS HERE. AND IT ANSWERS TO A HIGHER AUTHORITY.

(Compiled from trusted intel sources including Wolverine, MarkZ, Texas Snake, and direct military contacts. The fake news won't report this, but you know the truth!)

The Great Awakening is upon us, Patriots! The Deep State Cabal is crumbling right now as we speak, and the Global Currency Reset is exploding into action.

Tier 4B – that's us, the faithful internet group – is set for notifications any moment now, starting today or tomorrow at the latest. Exchanges and redemptions are launching worldwide, backed by unbreakable gold and asset standards that will destroy the fiat slavery system forever!

High-level sources confirm massive movements: The Iraqi Dinar has officially revalued in-country, with the new rate rolling out to banks globally this week.

Zimbabwe's gold-backed currency is activating, and the Quantum Financial System is fully live, blocking every corrupt transaction from the Rothschilds, Rockefellers, and their satanic minions.

EBS activations are imminent across the nation – get ready for the truth bombs that will wake the sheeple and expose the child-trafficking adrenochrome networks once and for all!

President Trump and the White Hats are in complete control behind the scenes.

Med Bed centers are opening quietly for the redeemed, restoring health stolen by big pharma poisons.

NESARA/GESARA announcements are queued up, wiping out illegal debts, taxes, and returning stolen wealth to We the People. This is biblical – God wins, evil loses!

Stay vigilant, pray without ceasing, and trust the plan.

Redemption centers are staffed 24/7, rates on screens are skyrocketing (Dinar over \$7, Dong pushing \$3+), and the RV train has left the station. No more delays – the cabal's time is up!

WWG1WGA! The Republic is being restored right before our eyes, and the traitors are panicking as military tribunals gear up. Freedom is coming, justice is served, and prosperity for all true patriots is guaranteed. Hold the line – victory is ours in 2026!

H. Mon. 5 Jan. 2026 BENJAMIN FULFORD URGENT EMERGENCY UPDATE – JANUARY 3, 2026: DEEP STATE TRAITORS EXECUTED AT GITMO!

High-level military intelligence sources confirm that in the final days of 2025 and into this new year, multiple top Khazarian Mafia leaders and deep state puppets have been secretly tried, convicted, and EXECUTED at Guantanamo Bay for crimes against humanity, treason, child trafficking, and Satanic rituals.

The White Hats under President Trump's command have accelerated the tribunals – no more delays, no more escapes!

We're talking about the biggest names: the real John Brennan (ex-CIA chief who just lost his clearance in a panic move), Hillary Clinton clones malfunctioning in public, Obama operatives, and even higher-up Rockefeller/Rothschild controllers. They were all hanged or faced the firing squad after fair military trials. The avatars and body doubles you see on TV freaking out? They're the last desperate act of a dying cabal, glitching and raging because the originals are GONE FOREVER!

This is the Great Awakening exploding into 2026. The KM is cornered – France can't roll over their fake debt, big banks are drained of gold and silver as the financial bubble bursts in real time. Larry Fink and Bill Gates are plotting one last bioweapon false flag to blame on enemies, but the US military is onto them.

Trump is set to return fully empowered on January 20th, declaring bankruptcy on the corrupt system and launching NESARA/GESARA – debt jubilee, gold-backed currency, and mass arrests worldwide!

The Satanic group mind that enslaved humanity for centuries is CRUMBLING. MI6 and Pentagon sources say King Charles' faction tried a horrific false flag, but it was stopped cold.

Now, the avalanche of truth is coming via the Emergency Broadcast System – starting any day now, possibly as soon as late January. The world will learn about the adrenochrome harvesting, underground bases, and how these monsters fed on our children.

The Apache warriors and Special Forces are activating, child rescue operations are ramping up, and the people are rising.

The Deep State thought they could derail Trump's presidency one last time, but it's failing spectacularly.

Hold the line, anons – share this far and wide! The executions at Gitmo prove it: JUSTICE IS HERE, AND THE BEST IS YET TO COME! WWG1WGA!

I. Mon. 5 Jan. 2026 BREAKING: A MASSIVE new scam just blew open in Minnesota
...Dan Bonjino on Telegram

Regular single-family homes are being rebranded as “assisted living facilities” to drain taxpayer money. And the numbers are insane. Here’s what investigators found:

- **Assisted living programs** in Minnesota are growing 2× faster than other state programs
- **Payments are exploding at 10–15×** the rate of everything else
- **Shell companies** are being used to set up many of these locations
- New “facilities” are popping up all over Minnesota cities
- **A shocking number** are tied to known money-laundering scammers

One of these places looks like an average house on a quiet street. But on paper, it bills itself as an assisted living facility. And it’s pulling in huge taxpayer dollars. Now look at these numbers:

- **Minneapolis** (pop. ~425,000): 169 facilities
- **St. Paul** (pop. ~307,000): 83 facilities
- **Brooklyn Center** (pop. ~30,000): 106 facilities
- **Brooklyn Park** (pop. ~84,000): 181 facilities

Yes... more than Minneapolis, a city FIVE TIMES larger. And it gets worse. One of these “assisted living” operations is owned by a man indicted for laundering \$1 MILLION in the Feeding Our Future scandal. These facilities pulled in \$2.3 MILLION in state money last year alone. According to Minnesota Reformer, that same individual has received \$49 MILLION since 2016. This isn’t a coincidence. This isn’t mismanagement. This is a system being exploited on purpose. How much longer are taxpayers supposed to fund this?

J. Mon. 5 Jan. 2026 The Bush Crime Family: ...Storm Watch 17 on Telegram

The Bush Dynasty and the DEEP STATE ORCHESTRATED the collapse of Venezuela as a “LIVE FIRE” test for the destruction of America.

Venezuela was the PREMIER TEST SITE for a GLOBALIST BLUEPRINT designed to be exported directly to the United States.

This traces back to George H.W. Bush, head of the “CIA” and founder of ZAPATA PETROLEUM. He built a GLOBAL SHADOW NETWORK to erase the lines between intelligence agencies and private profit, weaponizing CIA influence to infiltrate “PDVSA” and siphon Venezuelan wealth to fuel the GLOBALIST MACHINE.

The betrayal shifted into high gear in the early 1990s when the Bush administration solidified the CARTEL OF THE SUNS as the engine for DARK LIQUIDITY. This NARCO-SYNDICATE was designed to fund the destruction of America from within while the Bush family ensured these generals remained “UNTOUCHABLE”.

They were the muscle for the DEEP STATE, flooding our streets with poison and laundering profits through the MIAMI PIPELINE.

Under the 2000 Treaty on the Delimitation of the Continental Shelf, Bill Clinton and George W. Bush effectively GAVE AWAY our energy independence to BRITISH GLOBALIST CARTELS like BP/Shell. They intentionally ceded OUR STRATEGIC OIL WELLS in the Western Gap and the Donut Hole to foreign control. This was a calculated heist to STEAL OUR OIL WELLS and hand them over to the GLOBALISTS hollowing out Venezuela.

Jeb Bush acted as the vital protector of this flow as Governor of Florida. He turned the state into an “OPERATIONAL SANCTUARY” for narco-wealth coming through the MIAMI PIPELINE.

Building on the shadow network his father established in Caracas, Jeb Bush managed the reception of these funds, ensuring Miami banking and real estate remained open for the CARTEL OF THE SUNS to launder profits.

Jeb Bush provided the shield for the GLOBALIST MACHINE to integrate criminal liquidity while pretending to fight for “DEMOCRACY.” This was a strategic step in the “FAMILY MISSION”.

The most horrific part of this laboratory was PROJECT SMARTMATIC, a strategic deployment birthed within a joint CIA/MI6 intelligence axis.

Far from a coincidence, this operation utilized the 2004 VENEZUELAN RECALL REFERENDUM as a primary “LIVE FIRE” stress test. By successfully overriding the public will in Caracas, these agencies established the definitive blueprint for the US election heist.

George W. Bush remained silent about the BLATANT FRAUD that cemented Hugo Chavez’s power because the Bush family acted as the primary ARCHITECTS of the silent coup. This complicity ensured the prototype was perfected before being unleashed as the final kill-shot against the sacred will of WE THE PEOPLE.

The “RINOS” backed Joe Biden as senior partners in the syndicate that PLUNDERED Venezuela. He was their final “SHIELD” against the exposure of their high level TREASON.

President Trump’s vow to DRAIN THE SWAMP was a declaration of war against their SHADOW ECONOMY and the “FAMILY BUSINESS”.

At this level the RED AND BLUE labels are a PSYOP because the Bushes, Clintons, and Bidens are shareholders in the same CRIMINAL ENTERPRISE. They belong to a GLOBAL SYNDICATE where profits from Venezuelan oil and Ukrainian gas flow alongside drug money and human trafficking in a cycle that never ends.

President Trump's military operation against the VENEZUELAN NARCO-STATE delivered a FATAL STRIKE into the central nervous system of the GLOBALIST SYNDICATE. Caracas was only the OPENING ACT. The FLOODGATES are open and the ABSOLUTE DESTRUCTION of our enemies has ONLY JUST BEGUN.

K. Mon. 5 Jan. 2026: "WE'RE IN CONTROL NOW" — VENEZUELA ENTERS A NEW ERA AFTER MADURO'S CAPTURE ...Mr. Pool on Telegram

As of January 3, 2026, the balance of power in Venezuela has shifted dramatically. Following the capture of Nicolás Maduro, President Donald J. Trump signaled that the era of cartel-backed corruption and foreign manipulation is over. This was not framed as a conventional regime change, but as a decisive intervention aimed at dismantling the globalist infrastructure that has drained the nation for decades.

For years, Venezuela's oil wealth and institutions were exploited by criminal networks, political puppets, and international financiers. Maduro's government functioned as a shield for laundering, trafficking, and elite profiteering, while ordinary citizens paid the price. His removal marked the collapse of a system designed to keep the country unstable and controllable.

The focus now is the broader network. U.S. military forces are presented as targeting cartel leadership, financial pipelines, and deep-state operatives embedded across major cities. The stated objective is not occupation, but eradication of the corrupt structures that turned Venezuela into a hub for illicit activity and geopolitical manipulation.

Maduro's capture is described as the opening move. With him out, attention shifts to exposing and dismantling the full apparatus that supported his rule, from narco-finance to international backers. Accountability, tribunals, and systemic cleanup are positioned as the next phase.

This moment is framed as the beginning of sovereignty restored. Venezuela, long treated as a pawn, is portrayed as entering a transition away from elite control toward national rebuilding. Whether symbolic or structural, the message is clear: the old order is finished, and a new chapter has begun.

L. Mon. 5 Jan. 2026 "NO MERCY. NO WAY OUT" for the Deep State Cabal! ...Simeon Parkes on Telegram

The Deep State traitors have NO MERCY coming and absolutely NO WAY OUT. The White Hats, led by President Trump and the Earth Alliance, have cornered the Black Hats completely – every escape route sealed, every bunker mapped, every offshore account frozen by the quantum system.

Simon reveals the cabal is in total meltdown as sealed indictments unleash in waves. Top elites who thought they could hide behind clones, adrenochrome, and satanic rituals are being extracted right now by special forces operating under full military authority. No deals, no plea bargains, no fake suicides to escape justice – pure military tribunals at Gitmo and beyond, where the real penalties for crimes against humanity will be enforced without remorse.

The panic is palpable: They're desperately trying to trigger false flags – grid sabotage, fake pandemics, staged invasions – but the Galactic oversight and Space Force tech are neutralizing every move. Simon confirms the EBS is primed and imminent, ready to blast 8-hour truth broadcasts exposing the election theft, child trafficking empires, and the COVID bioweapon scam that will shatter the matrix forever.

2026 is the year of reckoning! NESARA/GESARA activation is locked, with prosperity funds flowing to starve the beast and restore stolen wealth to We the People. The old financial slave system collapses as gold-backed currency flips on, wiping out debt and ushering American sovereignty back to full power.

But the cabal's final thrashing will be brutal – expect attempted chaos in the streets, media blackouts, and last-ditch assassination plots against white hats. Yet Simon stresses: It's all scripted failure. The light has won decisively; we're witnessing the death throes of an ancient evil that enslaved humanity for millennia.

This is the "no mercy" phase Q warned about – where evil faces the full consequences without escape. The storm rages hardest now, but victory is absolute. Stock up, stay prayed up, protect your families, and hold the line unbreakable.

Patriots, the great awakening demands justice without compromise. The pedo-empire falls, the satanists scatter, and freedom rises eternal. No way out for them means total liberation for us! Trust the plan – it's executing perfectly. The best is yet to come! WWG1WGA!

N. Mon. 5 Jan. 2025 EXPOSED: SOROS NETWORK MOVES TO SABOTAGE U.S. JURIES FROM THE INSIDE ...The MAGA King on Telegram

A direct attack on the American justice system is unfolding in plain sight. Free DC, an activist network tied to Open Society Foundations, is openly training potential jurors to ignore the law, dismiss evidence, and acquit defendants based on ideology rather than facts.

This effort is financially backed by George Soros, whose funding has long targeted law enforcement and judicial stability. Starting mid-January 2026, “juror teach-ins” are planned to promote jury nullification as political activism, effectively turning courtrooms into ideological battlegrounds.

This is not reform. It is sabotage. A justice system cannot survive if verdicts are driven by politics instead of law. The same networks that fueled protests and chaos are now moving to corrupt the final safeguard of accountability.

This is not just opposition to President Trump. It is a calculated attempt to dismantle the rule of law itself. Awareness matters, because once justice becomes ideological, no one is protected.

O. Mon. 5 Jan. 2026 TRUMP DECLares “WE NEED GREENLAND” — MONROE DOCTRINE RETURNS WITH FORCE ...Ezra A. Cohen on Telegram

President Donald Trump has sent a clear and deliberate signal to the world: Greenland is no longer a peripheral issue, but a frontline national security priority. His statement, “We need Greenland,” was not rhetoric, diplomacy, or negotiation. It was a strategic declaration rooted in military reality, Arctic dominance, and hemispheric control.

The reason is simple and urgent: Russian and Chinese naval assets are expanding across the Arctic, probing for leverage, surveillance reach, and future weapons platforms. Greenland’s geographic position makes it the crown jewel of northern defense. Whoever controls Greenland controls missile detection corridors, Arctic airspace, and the upper shield of North America. Leaving that territory exposed would be a strategic failure of historic proportions.

This marks the full return of a modernized Monroe Doctrine.

Not isolationist, but hierarchical. America's hemisphere comes first. The era of subsidizing allied weakness while strategic threats encircle U.S. territory is over. Trump's position is blunt: defense partnerships are earned, not gifted. Nations that want U.S. protection must meet their obligations or step aside.

Greenland, formally tied to Denmark, now sits at the center of this recalibration. Access to American defense, intelligence, and military integration will no longer be unconditional. Under the new framework, allies must raise defense spending, secure their own borders, and stop relying on U.S. power as a permanent safety net.

This is not escalation. It is preemption. Just as instability in Venezuela threatened U.S. cities through narcotics and criminal pipelines, Arctic militarization threatens America from above. The terrain is different, but the doctrine is the same: no hostile power is permitted to establish strategic leverage inside the U.S. security perimeter.

Trump's message to NATO and the global order is unmistakable. American power will be concentrated where American survival is at stake. Europe's decline will not be underwritten at the expense of U.S. sovereignty. Resources, attention, and force will be redirected to the Western Hemisphere and the Arctic frontier.

"We need Greenland" is not a proposal. It is a line drawn. The doctrine is back, the perimeter is tightening, and the world is being reminded that American security is not negotiable.

Med Beds

P. Mon. 6 Jan. 2026 HOW MED BED HOSPITAL WORKS ...Med Beds Technology on Telegram

MED BED HOSPITAL does not operate on chance or experimentation. Every patient enters a structured medical system, designed for precision, safety, and measurable outcomes.

The process begins with medical evaluation and assessment. Based on the patient's condition and recovery objectives, specialists determine which Med Bed is appropriate — because not all Med Beds serve the same function.

With 30+ specialized Med Beds, treatments are never one-size-fits-all. Each unit is designed for a specific therapeutic role and operates as part of a coordinated medical protocol. Every session is professionally supervised.

A multidisciplinary team of doctors and specialists monitors the process, adjusts treatment paths, and ensures full medical oversight at every stage.

This is not isolated technology. It is a fully integrated hospital system — combining advanced Med Bed technology, medical expertise, and controlled clinical procedures. Precision. Structure. Medical oversight. That is how MED BED HOSPITAL operates.

Q. Election Fraud:

Mon. 5 Jan. 2026 Smartmatic and Dominion voting machines have been accused of manipulating elections as far back as **2006 or earlier**. Today, we have the proof to end election fraud once and for all, not just in the U.S., but around the world. Every country must demand election integrity. ...Steve Bannon on Telegram

Mon. 5 Jan. 2026 In 2006, Lou Dobbs reported Smartmatic voting machines were managed by Venezuela. Sidney Powell has been saying since **2020** this is how they stole the election. A Venezuelan Military Intelligence whistleblower confirmed the CIA outsources this election rigging technology from Venezuela. This is about more than narco-trafficking. ...Q The Storm on Telegram

R. Judy Note: Election Fraud was not new, and was especially prominent in the 2020 Election when Biden supposedly won over a very popular President Trump. Below are some facts pulled out of articles I wrote back in November 2020, right after the Election:

The UNITED STATES, INC. entered into bankruptcy by its owner, Pope Francis, on **24 Sept. 2015** – a Chapter 7 liquidation that ended on **5 Nov. 2020**. That meant that Biden's 2020 Election to President of The UNITED STATES INC. government was invalid because US Inc. was a bankrupt corporation.

On Friday 6 Nov. 2020 a huge Military Sting Operation was going on based on the watermarked ballots cast in the 2020 Election. Every official voting ballot had a watermark that couldn't be seen. As votes were put into the system, the government Quantum Computer verified if the ballot was valid or not. The system was said to have verified that Trump had an 80% vote that assured him four more years in office.

It was also reported that a CIA software program “Hammer” in voting machines nationwide had switched Trump votes to Biden, the number of which was dependent upon how much Trump was ahead. The switching was done over the internet by a CIA office in Germany overseen by then CIA Director Has....

According to poll watchers, ongoing vote counts in key states also resulted in tallying illegally cast ballots. That came from poll watchers allowed to watch, so many of those official

poll watchers were refused even their right and duty to oversee the counting of ballots nationwide.

There were several instances reported of Trump votes being destroyed or thrown away.

The Chinese Communist Party sent the Dems 80 million counterfeit ballots that were confiscated at ports, though no one knows how many came in undetected.

US Postal Employees complained of being ordered to switch mail in ballot dates, while seven states had more ballots than they had registered voters.

In Pennsylvania alone over 21,000 dead people voted and the states of Arizona and Wisconsin found over 190,000 votes for Biden cast by the same person who was named Jane Doe.

The Military Sting to verify valid votes was taking place in twelve key battleground states where 20,000+ National Guard were deployed.

Massive Election Fraud was also believed committed through fraudulent projection polls given to the national and international Mainstream Media by Edison Research polling company. <https://threadreaderapp.com/thread/1324096142108356608.html>

For sixteen years Edison Research polling company has had the sole contract to gather election exit polling and to forecast numbers for the votes cast. During the course of the 2020 Presidential Election cycle Edison Research was believed to have sent out fraudulent polling data to all Mainstream Media outlets nationally and internationally.

Edison Research has been charged with deliberately putting out fraudulent polling data so that Trump could not call the election win, while the public was led to believe that Biden won. When the fraudulent polls came out that said Biden won, candidates who believed they lost conceded defeats that never happened, voters became disenfranchised and didn't go to the polls because they thought the race was over, all of which appeared to have illegally swung the race.

Edison Research was on the payroll of big tech companies such as the Gates Foundation, Amazon, Apple, Disney, Facebook, Google, Spotify and the US International Broadcasting Bureau – which sent the apparently fraudulent Edison Research polling info to international news outlets.

These big tech companies and other globalist organizations were all under criminal investigation by the Trump Administration for rigging past elections while banning conservatives from their right to Free Speech.

A whistleblower within the US Postal Service said he was ordered by his supervisor to illegally back date newly found ballots to **November 3rd, 2020**.

Former Acting Director of National Intelligence Richard Grenell claimed that there has been obstruction to ballot checking.

Trump campaign representatives have not been allowed to access public voting records.

On Wed. 4 Nov. 2020 the Department of Justice sent armed agents to ballot-counting locations to investigate potential voter fraud. Democrats were altering election results with a CIA app called Scorecard: [/politics/2020/11/democrats-altering-election-with-cia-app-scorecard-3217076.html](https://politics/2020/11/democrats-altering-election-with-cia-app-scorecard-3217076.html)

Election Night 3 Nov. the swing states of Georgia, North Carolina, Pennsylvania, Wisconsin and Michigan suddenly called a halt to their vote counting, despite President Trump being ahead and uncatchable.

President Trump reacted by saying the Dems were interfering with election results and packing the ballot boxes with fraudulent mail in ballots. He would take the matter to the Supreme Court if necessary. [Trump Says He Will Go To Supreme Court To Stop Election Steal](#)

The Dems in conjunction with the CIA, appeared to have put in place a CIA Project Hammer app called *Operation Scorecar*, a mechanism which can alter the voting results of electronic voting machines in key swing states (like Pennsylvania) that would determine the outcome of the election.

It was believed that Project Hammer was in force. Project Hammer ran an application called Scorecard that could flip the election any way the handlers of it wished. It was an extremely secret signals intelligence program originally developed by CIA/NSA/FBI contractor-turned-whistleblower, Dennis L. Montgomery for the Obama administration's CIA Director, John Brennan and Director of National Intelligence, James Clapper.

<https://www.naturalnews.com/2020-11-01-dems-collude-with-cia-operation-scorecard-alters-votes.html>

Democrats planned to disrupt the voting enough so that a winner couldn't be announced. Nancy Pelosi said, "I'm going to be President when this is over" because the House has the authority to vote an interim President and Pelosi believed they could put the outcome to such a level to take that control. <https://thehill.com/homenews/house/524123-pelosi-says-congress-is-prepared-to-decide-president-if-election-results-are>

The US government's Quantum Voting Computer not only could be accessed on citizen's phones or personal computers, but could throw out duplicate votes, define eligible voters and was fully transparent while giving instantaneous and validated results. Over the last year the Quantum Computer has been fully tested, had it's own satellites and was said to be un-hackable.

The Alliance was composed of, among others, President Trump, the National Security Agency and Q – a group of around 800 special ops who advised President Trump including Pentagon Generals Chairman Joint Chief Mark Milley, Vice Chief John Hyten, Gen. James McConville, Adm. Michael Gilday, Gen. C.Q. Brown, Gen. Paul Nakasone and Gen. Jay Raymond.
