I see trees of green, red roses too  
I watch them bloom for me and you  
And I think to myself, what a wonderful world

I see skies of blue, clouds of white

The bright blessed day and the dark sacred night  
And I think to myself, what a wonderful world

The colors of the rainbow, so pretty in the sky  
Are also on the faces of the people passing by  
I see friends shaking hands, saying, how do you do?"  
What they're really saying is "I love you."

I hear babies cry, I watch them grow  
They'll know much more than I'll ever know  
And I think to myself: What a Wonderful World  
Yes I think to myself: What a Wonderful World

**Judy Note:** Two and a half years after deadly fires destroyed Laihana, Maui, over 5,000 resident survivors remained homeless and in desperate need. The fires were highly suspected to have been caused by deliberate DEW attacks under direction of the Deep State Cabal.

**With job losses and homes destroyed**, over 40% of survivors have left Maui and their under insured homes. Over two years later over 4,500 victims were still in need of shelter. Over 1,000 disaster victims have been living on the beach since their homes burned down.

<https://youtu.be/RoLHExBL5qU>

**After the disaster and with the financial help of religious groups**, FEMA brought in 167 units of tiny homes for survivors, but charged them high rent. Now FEMA has pulled out of all aid, plus mortgage companies were threatening foreclosure on destroyed homes. Over 2,500 survivors have been living on the beaches for the last two and a half years.

**Estimates to rebuild** were close to eight billion dollars. Of that federal assistance has only been offered for around eight and a half million, leaving close to seven billion unmet.

**Last year a four billion settlement for survivors was awarded**, but it was still stuck in legal limbo. [Maui's Deadly Firestorm \(full documentary\) | FRONTLINE](#)

**Before the disaster billionaires like Jeff Bezos**, Larry Ellison and Oprah Winfrey were buying up land on Maui. Just months before the fire, Oprah Winfrey bought 870 acres. There appeared to be a plan in motion for Global Elites to take over the valuable land.

**Hawaii's Democrat governor Josh Green**, Maui Mayor Richard Bissen and Laihana Police Chief John Pelletier (who strangely was Laihana's coroner and also at the Las Vegas shootings) were thought loyal to the Deep State in a well planned attempted takeover of valuable Native Hawaiian land for their model "Smart City" – which was designed to gain complete control over the population.

**Back in August 2023 as the massive fire raged so hot it melted tires**, Maui Police were ordered to help FEMA employees block escape routes from Lahaina, the historical capital of the Kingdom of Hawaii.

**Although over a hundred died trying to escape, those who did bypass the blockades** reported that FEMA authorities had issued an order to set up those blockades two days **before** the so-called “Wild Fires” even began. The resultant road jam imprisoned hundreds of native Hawaiians who died in their cars as the fires raged around them.

**In addition, and just like in the California fires, the government cut off the water supply** so fire fighters couldn’t contain the blazes.

**Now two and a half years after fires destroyed Lahaina Maui**, the Front Street business district remained in ruins, as did residential districts. <https://youtu.be/n9JXWsq9QW4>

**Over 2,000 homes were destroyed.** As of today only 285 were under construction, while 55 have been completed. There were 2,207 structures destroyed all together.

**After the disaster and with the financial help of religious groups**, FEMA brought in 167 units of tiny homes for survivors, but charged them high rent to occupy. Over 2,500 survivors have been living on the beaches for the last two and a half years and being fed by volunteers.

**The Red Cross helped with meals for a few months**, but that aid ended years ago. Any help from FEMA and the government was ending in 2026. Even though FEMA personnel were present before and during the disaster, survivors claimed they provided little help. Over one in six survivors say they were forced to trade sexual favors from FEMA personnel just to obtain basic supplies.

**Banks were now threatening foreclosures** on many homes – all long burnt to the ground. One woman said the government was billing her maintenance fees for her condos that no longer existed.

**On Sun. 6 Aug**, two days before the DEW Attacks, 2,500 FEMA personnel began arriving in Honolulu. Two days before the fires began? You would think they knew a disaster was about to happen.

**All then flew to Maui** and booked themselves into \$1,000+a-night luxury hotels. Two days later as Lahaina burned, most all were 100 miles away, back in Honolulu, suggesting that the diabolical agency knew that parts of Maui would be set ablaze.

**In that same two days prior to the fires**, Herman Andaya, Maui’s top emergency management official and Eric Lecky, FEMA Mission Support Associate Administrator, met in Lahaina, according to videos in possession of the White Hat Military Alliance which sent in US

Marines to get control of the situation. The footage also showed Andaya giving Lecky a tour of Lahaina and advising him where to set up barricades to keep citizens trapped in what would become a disaster zone.

**On Wed. 16 August, a week or so after the Maui disaster,** US Marines were in Lahaina. Word had come that Maui police and a National Guard infested with CIA agents, were supporting FEMA workers blockages, both by land and by sea, of food, water and needed supplies from reaching Lahaina; refusing to hand out food and water to desperate survivors; had closed down a desperately needed food station and two days before the fires began had secured a Media Blackout within a 12 mile range surrounding Lahaina that had no cell phone, or Internet coverage.

**The Marines found on Front Street in Lahaina,** a uniformed police officer shooting a pedestrian in the back for unknown reasons. The cop then spotted a bystander filming the incident on a cell phone, and shot him, too. He was the fifth cop whom Marines killed since arriving in Maui late Wednesday afternoon.

**The Marines also found bloated, bullet-riddled bodies** that floated face down in the ocean and Hawaii National Guardsmen rummaging through pockets of dead islanders and tourists. FEMA and the Red Cross were not only refusing to give out food and needed essentials, but were forbidding citizens access to nearby food, water and shelter.

**Information on over 2,000 Hawaiian children** originally missing from what was believed to be Direct Energy Weapon (DEW) Attack fires that decimated Liahana Maui on **8 Aug. 2023.** Only a handful of children's bones have been discovered in the charred remains of Liahana. Over 2,000 little ones just disappeared. I have been asked not to report on the children.

**I do know that the High School had been closed for the day** and students were loaded on buses to take them home. On Social Media there was speculation amongst the community wondering not only what happened to the students, but what happened to the school buses that picked them up. None of the buses were found – not even in the trail of burnt vehicles found on the highway and on Front St.

**Hawaii's Democrat governor Josh Green,** Maui Mayor Richard Bissen and Liahana Police Chief John Pelletier (who strangely was Liahana's coroner and also at the Las Vegas shootings) have repeatedly refused to even talk about the missing grade school children who were reportedly home alone when the fires began.

**At the time the Liahana School District** reported that 2,040 children were still unaccounted for. No news of the over 2,000 missing children has snuck past the Communication Blackout area where "Special Police" in foreign vehicles stopped people from entering the Killing Field.

**Governor Green**, Maui Mayor Bissen and Police Chief Pelletier have refused to address the missing children issue. Nor have they successfully addressed why no alarm sounded for the fire, water was turned off and emergency personnel including the fire department were a hundred miles away in Honolulu when the fire suddenly broke out.

**Of course, the Soros-owned Deep State Mainstream Media** has repeatedly downgraded or even refused to cover the story.

**The one Liahana morgue** at the hospital and a second at the police station reported only 118 dead, most of them adults.

**So where were the over 2,000 missing children?** One answer might be found in a massive human/child trafficking line that ran through Lahaina. Hawaii was the base between Australia, Taiwan, China and California for Oprah, Epstein, Zuckerberg, CIA, UN Elites and their international Child Sex Trafficking, Adrenochrome and Organ Harvesting network.

**The land of Lahaina** was considered the second most expensive real estate in the world and for years those Elites had been buying it up. Most natives refused to sell this land of their heritage, but the Elites were persistent. It was where they planned on building a Smart City where they could control the population.

**The DEW Attacks were believed developed by the Deep State government:**

- (1) **To kill several witnesses** who were set to expose an International Child Sex Trafficking, Adrenochrome and Organ Harvesting ring centered in Lahaina.
- (2) **To destroy evidence of Child Trafficking** Tunnels beneath properties owned by Oprah Winfrey, Bill Gates, Mark Zuckerberg and CIA Operation Headquarters.
- (3) **To test DEW weapons** on humans in preparation for DEW Attacks on other areas where they planned to build Smart Cities.
- (4) **To test Smart Car** explosions on a mass scale.
- (5) **To destroy Lahaina** in an ethnic cleansing in order to acquire the native Hawaiian's very valuable land via a carefully calculated land grab.
- (6) **To free Lahaina land** so it could be developed into a Smart City where residents could be trapped and wear implants that would track them and thus the Deep State could have complete control over their lives.
- (7) **The Deep State** was trying to find a place to hide and had sunk a lot of money into buying land in Maui – where natives now refused to sell.

**(8) Back in 1959** Hawaii independence had been removed by pineapple companies wanting them to be a US Inc. State as a tax source. US Inc. was now officially bankrupt and wanted Hawaii to remain a state and thus hold onto whatever monies the independent corporation could extract.

**In other news, this week President Trump activated NESARA/GESARA worldwide**—debt wiped, poverty ended, New Golden Age dawning.

**President Trump has seized over 147,000 metric tons of Deep State Cabal Global Elite gold** to back the new US economy. Over \$7 trillion has been yanked from Swiss vaults, Cayman shells, Luxembourg hideouts and Singapore slush funds – all redirected straight into the NESARA restoration pool for American citizens!

**Three million pages of the Epstein files have been released.** They torch the Clintons international Child Sex Trafficking, with Hillary's State Department "Art in Embassies" program smuggling humans in diplomatic containers. Podesta art and Hunter Biden "sales" were nothing more than international money laundering. Diddy's portside mansions facilitated busloads of kids for elite abuse rings.

**FBI Director Kash Patel has exposed** that 60 Deep State pedophile Senators and over 9,000 corrupt bankers face charges in Federal and Military courts, with sweeping arrests underway.

**Deep State operative Erika Kirk**, Charlie Kirk's widow, has been hauled into federal court for ties to Epstein, Israeli Mossad, and their Child Sex Trafficking Ring.

**In late 2025 Anthony Stephen Fauci** was convicted and sentenced to death by hanging by a GITMO Military Tribunal for Crimes Against Humanity, mass murder, bioterrorism, and treason against the United States and the entire world!

**Fauci coordinated with Gates, the WHO, and Chinese military brass** to suppress hydroxychloroquine and ivermectin while pushing deadly mRNA poisons that killed millions.

**Dr. Lee Merritt, former Navy orthopedic surgeon and spinal specialist** exposed that modern medicine isn't about healing—it's enslavement through poison, fraud, and ancient pagan rituals. **Possible Timing:**

**A. POTUS ALERT: The EBS countdown has begun.**

**The Q Clock has ended.**

**The collapse of the Rothschild banking empire is underway.**

**Banks are closing.**

**Blackout imminent.**

**It's time to begin.**

**On Sun. 1 Feb. 2026** the new gold/asset-backed Quantum Financial System went 100% live across the Globe.

**On Fri. 6 Feb. 2026** the Emergency Broadcast System activated in 100 US cities, with a Global rollout of the EBS expected soon in other areas (depending on what the Global Alliance Military is doing), along with power fluctuations, internet blackouts in select zones and cell service interruptions – all part of the controlled takedown to protect civilians during Trump's Global Military Alliance Mass Arrests.

**Sun. 8 Feb. 2026 EBS Blackout launched in select areas.** Underground D.C., London, Berlin facilities OVERTAKEN – servers seized, propaganda under military control, CEOs vanishing! Controlled outages strategic to block sabotage! EBS drops 50+ terabytes of information on WEF schemes, Underground Tunnels, Ukraine-Haiti rescues, 2020 fraud proof, pandemic biolab docs, 500+ detained, Rothschilds captured, Hollywood crumbling!

**Tues. 10 Feb. 2026 at 07:07 AM EST**, military commands in 27 countries received their last confirmation messages. TRUMP APPROVED THE GLOBAL RESTORATION ACCORD. Sovereign councils were being set up in every territory. They were backed by gold, enforced by truth and guided by consciousness.

**Wed. 11 February 11, 2026** President Trump signed an executive order that nationalized the Federal Reserve, seized all its assets, ended central bank control overnight, froze the accounts of Rothschild-linked bankers, and launched a gold-backed currency to crush the inflation from Joe Biden's fake economy.

**On Thurs. 12 Feb. 2026** as the Democrats voted to shut down the government and an EBS Alert countdown to Martial Law began. EBS test signals confirmed in multiple regions—stay vigilant for activation. No exact timeline was public, but secure briefings indicate readiness.

**At Midnight Sat. 14 Feb. 2026** the Cabal-owned US Inc. would shut down, thereby ending their debt-based control.

**Sun. 15 Feb. QFS set to become fully operational** with intense military operations against Satan Worshipping Elites – it was a Green Light moment with a Global Financial Collapse Imminent. The Quantum Computer has been activated. We are Go. DIGITAL WAR REMEMBER WHY WE STARTED. IF WE FAIL, THEN FREEDOM FAILS. ...Tier4b ISO 20022 on Telegram

**Mon. 1Feb. 2026:** Gold/asset-backed Global Currency Reset to be implemented. No more fiat currency manipulation. Monday should be a go for Tier4b (Us, the Internet Group) to set redemption/ exchange appointments according to a high up source.

**By Tues. 17 Feb. 2026** Med Beds go fully operational worldwide in 205 nations.

**On Sun. 1 March 2026** the Deep State Cabal's Federal Reserve fiat US Dollar would no longer be accepted for payment.

**Mid-March 2026** expected completion of 200+ dedicated Med Bed Healing Centers.

**April 2026:** Med Beds active in every country.

**Sun. 17 May 2026:** President Trump leads a rededication of America on the National Mall. Trump to make a formal announcement of the Constitutional Republic Restoration; that Common Law has been returned to The People and personal and national Sovereignty was installed.

**Sat. 4 July 2026** the Illuminati Deep State Cabal's fiat US Dollar system officially collapses.

**Prepare for a 48 hour Communication Blackout**, along with lockdown – no more Deep State censorship; no more fake news feeds, only documentaries expounding truth across every TV, Radio and Internet Broadcast worldwide.

**Expect ten days of media silence** as the Military now controlled communications, while spitting out Emergency broadcasts revealing EVERYTHING. This was a time of

communications reset, with cell towers neutralized as weapons, banking system froze and ATMs, Credit and Debit cards would not be working.

**B. Sun. 15 Feb. 2026 NESARA will soon be announced to the world, which will show that EVERYTHING NEW is beginning. ...ISO 20022 on Telegram**

**After NESARA is announced the Emergency Broadcast System (EBS) will activate** to make announcements over cell phones across the Globe.

**The first EBS announcement** will say that sometime in the next 5 hours or so, everyone needs to be home and a global lockdown will begin for 10 to 12 days.

**During that lockdown** it will be broadcast on every station and there will be documentaries to provide full disclosure for everyone to see everything that has been happening.

**At the end of the 12 days**, apparently there will be an 800 number that we can call to get an appointment at a official Redemption Center. There we will set up our personal money account on the new financial system.

**About 75 Cabal banks have been seized** with all their assets and accounts closed. These assets were moved to the quantum financial accounts to be returned to The People.

**It was also confirmed that all the Central Banks** have been taken over, with assets entered into the Quantum Financial System (QFS).

**Apparently everyone across the Globe** already has a sum of money in a quantum account.

**Personal bank accounts** have been mirrored onto your own quantum financial account. **All trust funds** were moved to QFS accounts. All our bank accounts, savings accounts and retirement accounts were safe on the new system.

**What has not been transferred to the Quantum System** were investments and shares on the Stock Market. All that is gone! ...so if you have an investment in the Stock Market, take it out. The stock market will crash and when it does, it will be the end of it.

**A new stock market** will be launched when the QFS indicates that it can operate. The stocks on that market will be asset backed, not like on the old system that was badly manipulated for the good of the Cabal.

**Everything in the QFS was on the ISO 20022 standard.** This is blockchain and nothing fraudulent can happen because everything is traceable - they can see where it goes. This stops corruption in its tracks. No money can be secretly moved.

**Now we are in the final steps. Over time, money will no longer be important** because everyone will have enough to live an abundant life.

**C. Sun. 15 Feb. 2026 NESARA // EBS // THE GOLDEN SWITCH ...** Web 3.0 ISO 20022 on Telegram

**Three headlines. One engine:** QFS is mapping the old grid while EBS arms the narrative cut-over.

### **WHAT THEY WON'T EXPLAIN**

- **“Maintenance” outages** at major banks → screens blank, balances flicker to zero.
- **Sudden downgrade talk on U.S. debt** → bonds wobble, pundits stutter.
- **Congress rushes a stable-coin bill at midnight** → they want your QR before the lights shift.

### **WHAT'S MOVING BEHIND THE CLOUDS**

- **Starlink heartbeat is pulsing 528 Hz** at the top of each hour. When it climbs to 741 Hz, EBS goes live.
- **Treasury mirrors have the Fed in read-only.** Any payment without a quantum handshake is sandboxed.
- **Redemption hubs received fresh metal tags;** “Red Shield” firmware pushed to nodes at dawn. That only happens when seized bullion loads onto sovereign ledgers.

### **WHEN THE SCREEN GOES GOLD**

1. **Don't drive.** Convoys get priority.
2. **If your device shows a cipher wheel** + timestamp, you're on the real feed. Anything else is a spoof.
3. **Screenshot today's balances.** Compare after the hash drop; watch liabilities shrink.
4. **Be the calm anchor for two neighbors.** Explain, don't argue. Truth needs oxygen, not volume.

### **WHAT THE BROADCAST WILL DO**

- **Cut legacy media** permanently.

- **Run tribunals**, confession reels, and archive drops on loop.
- **Trigger first-wave USTN** credits into verified wallets.
- **Open Builder Credits** for water grids, food hubs, veteran care, Q-classrooms.
- **Release Med-Bed Phase-2** scheduling for children, terminal cases, veterans.

**WHY THIS IMAGE MATTERS:** Gold isn't just metal; it's lawful frequency. EBS carries that frequency; QFS writes it into value. The soldiers? They're not invading—they're guarding the doorway while humanity walks through.

**You asked for proof the storm is here.** This is the thunder before the downpour.

**Hold the line.** Sync your wallet. Archive everything.

**NESARA is not a rumor.** It's the operating system booting under your feet.

#### **Global Currency Reset:**

**D. Sun. 15 Feb. 2026 Get ready for the Global Currency Reset (GCR), the Quantum Financial System (QFS), the Black Swan Event and the NESARA GESARA TRUMPSARA Revolution! ...Project ODIN Martial Law on Telegram**

**The National Economic Security and Reform Act, or NESARA**, is more than just an acronym - it is the genesis of an unprecedented global economic revolution. Introduced in the United States, NESARA encompasses a series of financial reforms aimed at eliminating the systemic flaws of our current economic apparatus. Imagine a world where inflation is a term consigned to the history books, where “debt” is an archaic concept, and where prosperity is not a privilege but a right. That is the world that NESARA promises to create.

**As the name suggests, this concept gained attention during the term of US President, Donald Trump.** Considered by many to be an extension or variation of NESARA, TRUMPSARA aims to implement a series of radical financial reforms on a global scale. The essence of TRUMPSARA lies in its ambition – a vision to restore financial power to the people and maintain economic justice everywhere in the world.

**As we delve deeper into NESARA and TRUMPSARA**, we discover many of their pillars. Among the most profound is the idea of a “Global Currency Reset” or GCR. This implies an economic reset that creates fiscal balance between nations, a stark contrast to the traditional power dynamics we see in the world economy today. .

**But what does all this mean for you and me?** That means we are on the brink of change – enormous and unprecedented change. NESARA and TRUMPSARA are more than just financial buzzwords; they are harbingers of a world where economic equality reigns, where wealth is not hoarded but shared, where the power of the dollar is restored and where the chain of debt is finally broken.

**Judy Note:** It is advised to exchange/redeem your foreign currency at an official Redemption Center rather than a bank. You can only redeem Zim at a RC, the Dinar Contract Rate can only be given at a RC and banks will offer you lower exchange rates than what you can obtain at a RC.

### **Restored Republic:**

**E. Sun. 15 Feb. 2026 HUGE UPDATE: THE STORM IS HERE! There is now MILITARY LAW under GESARA.** ...Emergency Broadcast System on Telegram

**57 Deep State banks have been wiped out in the last 72 hours.** Daily executions at GITMO. Troops deploying nationwide. Starlink under heavy fire from the cabal — but it's holding strong as the ultimate quantum shield.

**Trump is commanding a Global Military Alliance across 200+ countries.** This isn't politics. This is WAR — on land, sea, air, cyber, and space.

**The Quantum Financial System is LIVE.** Fiat is dying. Trillions in stolen wealth are being seized and returned to the people. Debt forgiveness. Wealth redistribution. The end of the cabal's control.

**Starlink isn't just internet — it's the battlefield grid.** Quantum-accurate targeting, defense shields, and counter-strikes that have already neutralized rogue missiles, drones, and frequency attacks from Ukraine to Antarctica.

**GITMO is a fortress of justice now.** AI courts. Quantum-encrypted trials. Biometric records. Confessions flowing. The traitors are finished.

**The last phase is unfolding.** Ten Days of Darkness incoming. The world you knew is over. **THE GREAT AWAKENING IS NOW.**

**Massive shockwaves hit as FBI Director Kash Patel exposed** that 60 Deep State pedophile Senators and over 9,000 corrupt bankers face charges in Federal and Military courts, with sweeping arrests underway.

**Patel dropped another bomb: Deep State operative Erika Kirk, Charlie Kirk’s widow, hauled into federal court for ties to Epstein, Mossad, and child sex trafficking.** Her lawsuits exposed elite names and government complicity, triggering asset freezes and warrant waves that shred “conservative” fronts hiding child exploitation. Charges reveal politicians from US, UK and beyond bought her “products”—trafficked kids to premium Adrenochrome from tortured children.

**Erika’s Romanian Angels “charity” funneled orphans** into the Cabal’s global Child Sex Trafficking, Organ, and Adrenochrome Harvesting Network, linked to Epstein’s supply chain powering Satanic rituals. Leaked 2026 CIA/FBI files and TPUSA insiders confirm she was Charlie’s Satanic Handler, controlling him to silence any threat to the Mossad-tied ring.

**Charlie’s September 2026 “assassination” in Utah screams Mossad cleanup**—or a White Hat extraction into witness protection by Trump’s Global Military Alliance. Patriots know the truth is emerging!

**Court filings unleash survivor testimony from Erika’s Romanian Angels Orphanage to the FBI. Fri. 14 Nov. 2026:** Survivor declares half of DC are pedophiles, bought through Kirk’s network masked as aid from a US base in Romania. Kids drugged, tortured, sold to politicians—tied to Ukraine and Netanyahu’s Mossad funding.

**Epstein files torch the Clintons, with Hillary's State Department** "Art in Embassies" program smuggling humans in diplomatic containers. Podesta art and Hunter Biden "sales" launder trafficking cash. Diddy's portside mansions facilitated busloads of kids for elite abuse rings.

**These charges explode now as Trump's White Hats dismantle the Vatican's Ninth Circle Satanic Cult** and its global trafficking empire—the Deep State's blood money lifeline. Epstein logs with Erika circled, victim statements naming Gates, Clintons, Hollywood scum through her pipeline will fuel the righteous fire!

**NESARA/GESARA demands this evil's end**—it's happening now. EBS activation brings temporary Martial Law while Trump's Alliance crushes over eight million Satanic Cabal members worldwide.

**Since 2026, military indicted 9,000+ bankers for treason**, money laundering, election fraud. Patel's FBI/DEA smashed the trafficking ring tied to 60 Senators—mostly Dems—facing Tribunals for pedophilia and laundering billions via shell companies.

**White Hats seized \$7 trillion stolen wealth** plus 147,000 metric tons of elite gold, redirected to NESARA. Laws activate globally: debt forgiveness, tax refunds, gold-backed reset underway.

**End of poverty. Death of debt.** Humanity's Golden Age rises! Patriots, the storm is here—victory is certain! Pray hard. Stay strong. Trust The Plan—the awakening roars!

**H. Sun. 15 Feb. 2026: URGENT EMERGENCY: THEY JUST EXPOSED EVERYTHING! THE MEDICAL MATRIX IS A PAGAN DEATH CULT – PATRIOTS, WAKE UP AND BREAK FREE!** ...Carolyn Bessette Kennedy on Telegram

**Dr. Lee Merritt, former Navy orthopedic surgeon**, spinal specialist, and true medical rebel, just dropped bombshells that shatter the entire corrupt medical system.

**Deep State lies exposed:** modern medicine isn't about healing—it's enslavement through poison, fraud, and ancient pagan rituals. The Hippocratic Oath? It swears by Apollo the Physician—aka Apollyon, the demonic destroyer from Revelation—who brings plagues and death, not cures. Asclepius was the frontman; Apollo the real god of poison and population control since Plato's eugenics playbook.

**COVID? No virus, no airborne plague**—just engineered poisoning masked as a "crowned" coronavirus myth. Apollo impregnates, murders "Coronas," performs first C-section—sound familiar? Big Pharma chains named Apollo, Corona everywhere. Doctors chant

the oath in unison like a Greek death cult ritual. Trust them at your peril—they descend from ancient poisoners.

**Darwin? Total fraud.** HMS Beagle deck logs show zero mention of him ashore in Galapagos—maximum 96 hours possible, yet he "discovered" evolution in weeks? No biology degree, plagiarized from his grandfather and others, party boy from the Gluttony Club eating rare animals. Beagle diary "lost" 20 years, returned suspiciously new with modern genetic tree drawings—impossible in 1830s. Evolution lie props eugenics, depopulation agenda from Plato to today.

**Einstein, Jenner, Heaviside**—all propped-up fakes with shady backgrounds, no real credentials matching claims. Free energy suppressed, smallpox vaccine based on nonexistent cowpox (vets call it pseudo-cowpox). Medicine's "noble lie" keeps masses enslaved.

**Root causes of disease?** Not 110,000 separate illnesses—seven: poisons (vaccines #1, seed oils, glyphosate-wheat, fluoride, bromine), parasites (cancer IS parasites), mineral deficiencies, low cell voltage (EMF attacks), etc. No viruses, no airborne contagion—Michael Yeadon confirms. Prions from poisoning. Autoimmune? Parasites + toxins. Crohn's, MS, OCD, schizophrenia—toxoplasmosis links. Vaccines non-sterile, parasite eggs inside.

**Escape the matrix:** Stop all poisons—ditch vaccines forever, eliminate wheat/gluten (addictive morphine-like), seed oils, fluoride. Mineralize daily with ancient seabed 90 essentials. Treat parasites relentlessly—fenbendazole, ivermectin, chlorine dioxide (universal antidote), wormwood, black walnut. Red light therapy, sunlight, charge cells. Detox liver with fresh beet juice. Borax + sea salt for nanotech rumors. DMSO + fenben for cysts, skin tags, Dupuytren's.

**Shedding? Body fluids, not air**—avoid close contact with jabbed. Parasite-killing keto diet starves them. No fear—White Hats expose it all. Trump's plan dismantles the death cult. Elites panic as truths flood. Stock up, grow food, garden, raise chickens (dirt birds rule!), build local sovereignty. Counties rising as Republic repopulates—power returns to We the People!

**The storm is biblical.** Medical mafia crumbling. Great Awakening nuclear. Pray hard, stay sovereign, spread fire. Nothing stops what's coming—golden age dawns, evil incinerated. Humanity liberated. WWG1WGA! Trump's shadow ops vaporize the poisoners—victory sealed, patriots eternal!

**I. Sun. 15 Feb. 2026 ECONOMIC SHOCKWAVE EXPLODING RIGHT NOW – OVER 9,000 BANKERS INDICTED BY U.S. MILITARY! NESARA FULLY ACTIVATED, 147,000 METRIC TONS OF ELITE GOLD SEIZED AND RECOVERED TO BACK THE NEW U.S. ECONOMY, GENIUS ACT ENFORCED, MILITARY TRIBUNALS ROLLING NON-STOP! ...Charlie Ward and Friends on Telegram**

**The U.S. military, under Trump's iron command**, has indicted more than 9,000 top bankers, hedge fund sharks, trust operatives, and globalist money launderers, who have been charged with treason, financial terrorism, election rigging, resource theft and straight-up economic warfare against We the People.

**These arrests kicked off massive in 2025** and are exploding into full military tribunals right now in 2026 – GITMO is packed, trials are swift, and justice is merciless. No more slaps on the wrist – these criminals who funded wars, rigged markets, pushed poison shots, censored truth, and stole trillions are facing the full weight of military law. Their offshore empires? Frozen. Their hidden accounts? Seized. Over \$7 trillion yanked from Swiss vaults, Cayman shells, Luxembourg hideouts, and Singapore slush funds – all redirected straight into the NESARA restoration pool for American citizens!

**NESARA is LIVE and unstoppable!** Trump flipped the switch – federal income tax? Gone forever. Illegal debts from fraud and manipulation? Wiped clean. Stolen wealth from decades of elite looting? Returning to verified patriots through direct payouts.

**The fiat scam is dead;** a rock-solid asset-backed system rises from the ashes. No more endless printing, no inflation traps, no banker slavery – just real value, real freedom.

**And backing it all?** A jaw-dropping 147,000 metric tons of elite gold recovered by military ops from Geneva, Zurich, Abu Dhabi, London vaults starting early 2025.

**This isn't pocket change** – it's sovereign national wealth, the largest gold haul in history, now secured under U.S. control, dwarfing China and Russia combined. Fort Knox audits confirmed, hidden foreign stashes reclaimed, new mining ramps up in Arizona, Nevada, Alaska – the gold backs the new Treasury currency, shuts down IMF/World Bank control, and funds massive infrastructure without a dime of debt. The elites' precious metal empire? Stripped bare and handed back to the people!

**Trump signed the GENIUS Act in mid-2025** – total ban on central bank digital currencies unless 1:1 backed by physical gold or U.S. cash. No programmable tracking money, no surveillance slavery, no Biden-style digital dollar nightmare. Violations? Treated as financial terrorism – straight to tribunals.

**Banks are flipping to the gold-backed layer now;** the old system collapses by July 4, 2026. Elite power tools shattered: banks shut, gold seized, accounts frozen, fiat dying. The people rise as the criminals fall!

**Trump and the White Hats have turned the tables completely.** The Deep State thought they owned the money, owned the world – wrong! Their game is over, irreversibly. Payouts loading, QFS humming, prosperity flooding to patriots who held the line. The mask is

ripped off, the tribunals roar, the gold flows back home. Justice isn't coming – it's here, roaring through the system they weaponized against us.

**Spread this wildfire – the economic reset is locked**, the elites are defeated, and the new golden age dawns for We the People! Stay vigilant, stay strong – victory is ours, and it's happening NOW!

**K. Sun. 15 Feb. 2026 BREAKING: MILITARY TRIBUNAL SENTENCES ANTHONY FAUCI TO DEATH BY HANGING — THE COVID MASS MURDERER FINALLY FACES JUSTICE IN 2026 AS TRUMP'S MILITARY COMMISSIONS UNLEASH HELL ON THE DEEP STATE BIO-TERRORISTS!** ...Juan O Savin on Telegram

**Patriots, the hammer has dropped and the noose is tightening** — right now in this blazing February 2026 firestorm! Fresh confirmations from sealed military tribunal records, cross-referenced with the latest Epstein file dumps and declassified JAG documents released under Trump's transparency blitz, prove it beyond doubt: Anthony Stephen Fauci, the smirking face of the global depopulation agenda, was convicted and sentenced to death by hanging for crimes against humanity, mass murder, bioterrorism, and treason against the United States and the entire world!

**The tribunal, held at Guantanamo Bay's high-security court in late 2025** after years of covert evidence gathering, laid it all bare. Prosecutors hammered Fauci with irrefutable proof: he knowingly funded gain-of-function research at Wuhan through EcoHealth Alliance slush funds, engineered SARS-CoV-2 as a bioweapon to crash economies, enforce digital IDs, and harvest adrenochrome from terrified children locked in lockdown hell. Emails show him coordinating with Gates, the WHO, and Chinese military brass to suppress hydroxychloroquine and ivermectin while pushing deadly mRNA poisons that killed millions and maimed generations with turbo-cancers, heart explosions, and infertility spikes.

**Witness after witness — whistleblower scientists, former CDC insiders, even captured Deep State operatives** — testified under oath that Fauci laughed off the carnage, calling the excess deaths "acceptable collateral" for the Great Reset. He personally greenlit the child vaccine mandates, knowing full well the spike proteins would shred young hearts and sterilize futures. The panel found him guilty on all counts: genocide, child endangerment, fraud,

and orchestrating a planetary false flag that murdered over 20 million worldwide while enriching Big Pharma demons to the tune of trillions.

**Sentencing came swift and merciless — death by hanging**, to be carried out publicly at Gitmo as a warning to every remaining cabal puppet. No appeals, no mercy, no deals. Insiders whisper the execution is imminent, possibly already done in shadows with the body double parades finally ending. Fauci's "retirement" charade? Pure theater. The real monster has been gone, replaced briefly to keep the narrative alive until the storm hit peak fury.

**This ties straight into the bigger picture:** Epstein files naming Fauci in island visitor logs and "vaccine research" blackmail ops, Podesta emails hinting at "pizza" parties with lab-engineered horrors, Clinton Foundation cash flowing to Wuhan, Obama-era bioweapons labs humming under his watch. The same satanic network that trafficked kids now poisoned them en masse — but Trump flipped the script! With military tribunals ramping, Maxwell rotting, bankers dropping, and NESARA/GESARA funds repatriating, the White Hats are dismantling the beast piece by piece.

**QAnons, you called it from the jump — Fauci was always the keystone criminal, the smiling angel of death.** Now the rope awaits, justice for the jabbed, the dead, the injured, the stolen childhoods! The Deep State is panicking, glitches everywhere, resignations flooding, tribunals loading up for the next wave: Gates, Schwab, Soros, the whole crew. Fear THEM — they're next! WE THE PEOPLE are awake, armed with truth, and marching to victory. The children are avenged, the tyrants swing, and GOD WINS BIGLY! Red-pill this everywhere — the hangings have begun, and the storm is glorious!

#### **R. Sun. 15 Feb. 2026 HISTORIC BOND REDEMPTION 2026: THE FORGOTTEN WEALTH THAT COULD SHAKE THE GLOBAL SYSTEM ...Ezra Cohen on Telegram**

**Buried for decades.** Discredited by design. Locked behind vault doors and silence. Historic bonds are not dusty antiques. They are sovereign promises tied to gold, land, and real reserves that were never fully honored.

**As the financial world trembles under unsustainable debt,** these instruments are being pulled back into the conversation. Not as myths. Not as collectibles. But as potential leverage against a fiat system built on expansion without backing.

## THE VAULTED TRUTH

**Before central banks dominated global finance,** nations issued handwritten certificates backed by tangible wealth. Monarchs, treasuries, and empires signed binding obligations promising repayment in gold or secured assets.

**These were the original bonds. They predate modern debt markets.** They existed before currencies became detached from intrinsic value. Many were never redeemed. Instead of repayment, the world transitioned into paper money systems that allowed credit creation without hard limits.

**The old obligations became inconvenient.** So they were sealed away, legally disputed, politically ignored, and publicly dismissed.

## WHAT ARE HISTORIC BONDS

**Historic bonds are government issued debt certificates** created decades or even centuries ago, often backed by gold or land reserves. Printed on parchment, embossed with official seals, and signed by state authorities.

**Frequently cited examples include Chinese Dragon Bonds** issued during the Qing era, German pre World War II bonds linked to reparations, Philippine Victory Notes issued after World War II, and bonds tied to post World War I restructuring agreements. They were not symbolic. They represented real value.

**WHY THEY WERE NOT HONORED:** After World War II, the Bretton Woods framework centralized financial power and gradually shifted the world toward fiat currency. Honoring massive gold linked obligations would have required transferring substantial wealth back to sovereign holders and legacy trusts. It would have exposed layers of synthetic debt stacked over unresolved sovereign promises. So the narrative changed. If it is old, it is invalid. If it is not in the digital system, it does not matter. But age alone does not cancel a contract.

**WHO HOLDS THEM:** Most people will never see a historic bond. Some remain in private safes, generational trusts, royal archives, and sovereign foundations. Certain tribal councils and legacy families claim custodianship of forgotten national wealth instruments. If

even a fraction of these claims were verified and legally enforced, the implications would ripple across global balance sheets.

**WHY THEY MATTER NOW:** Because they represent a challenge to unchecked debt expansion. Redemption of legitimate instruments could force re evaluation of sovereign liabilities, reserve disclosures, and the relationship between gold and currency. It shifts the debate from printed credit to verifiable backing. From abstraction to substance.

**FRAUD WARNING:** Where mystery exists, scams follow. Digital only certificates, unverifiable prosperity packages, and bonds with no documented chain of custody flood online spaces. No lineage. No original signatures. No embossing. No legal documentation. No value. Authenticity requires documented history, notarization, and enforceable recognition under international law.

**FINAL THOUGHT:** Historic bonds symbolize unresolved chapters of global finance. Whether they become catalysts for reform or remain locked in litigation depends on verification, law, and geopolitical will. History is not always erased. Sometimes it is sealed in vaults, waiting for the moment when someone demands that a promise backed by gold be honored.

**S. Sun. 15 Feb. 2026 IN 2009, ONE MAN TRIED TO EXPOSE EVERYTHING. His name was Alfredo Rodriguez. ...Mr. Pool Final Chapter on Telegram**

**Alfredo Rodriguez was Jeffrey Epstein's personal butler.** He had the black book — every name, every phone number, every address of every person who visited Epstein's properties. He knew what happened behind those doors. And he tried to sell it to the FBI for \$50,000.

## **THE STING**

**On a hidden camera,** Rodriguez sat across from a man he thought was a buyer. He didn't know it was an undercover FBI agent. Rodriguez told him: \_ "This book? Epstein himself created it." He called Ghislaine Maxwell \_ "a very powerful lady from England." He said the book contained names that would bring down governments.

**So what did Obama's FBI do with this information?** They arrested RODRIGUEZ. Not Epstein. Not Maxwell. Not the names in the book. The butler.

**He was sentenced to 18 months in federal prison** for obstruction of justice. Epstein? Got a massage in his private wing of a county jail. THEN RODRIGUEZ DIED. 2014. Cause of death: \_ "complications from a long illness." He was 49 years old.

**The only man willing to talk.** The only man with the book. The only man who saw EVERYTHING. Dead before he could testify. Just like Epstein — dead before trial. Just like Jean-Luc Brunel — dead in a Paris prison cell before he could name names.

**Three key witnesses.** All dead. None testified. Coincidence?

**WHAT TRUMP JUST DID: On January 31, 2026,** Trump's DOJ released the FBI sting video of Rodriguez. The video Obama's FBI buried for 17 years. The world finally saw the butler who tried to warn them.

**But Trump didn't stop there.** 3 million pages. Emails. Flight logs. The black book. Hidden camera footage from Epstein's mansion. Everything Obama hid. Everything Biden buried. Everything the Deep State swore would NEVER see daylight. Trump released ALL of it.

## **AND NOW THE WORLD IS ON FIRE**

**February 12** — Norway's former Prime Minister RAIDED. Charged with corruption.

**February 13** — Goldman Sachs top lawyer RESIGNED. She called Epstein \_"Uncle Jeff."\_ She was Obama's White House Counsel.

**February 14** — France announced a SPECIAL INVESTIGATION TEAM to probe French nationals in the files. Reopening the Brunel case.

**UK — Prince Andrew** under police investigation.

**Norway** — Criminal probe expanding.

**France** — Special team formed TODAY.

**Slovakia** — Security adviser gone.

**Sweden** — UN official resigned.

**7 countries. 15+ resignations. 3 criminal investigations.** All because ONE president had the courage to open the files. Rodriguez tried to warn us in 2009. They silenced him. Trump made sure his sacrifice wasn't in vain.
