Do Whatever You Feel the Holy Spirit Guides You To Do

To Save The Children

From the Evil Clutches of Satan Worshipers

“Have not I commanded thee?

Be strong and of a good courage;

Be not afraid,

Neither be thou dismayed

For the Lord thy God is with thee

Whithersoever thou goest”

...Joshua 1:19

Judy Note: Trump was commanding The Storm across 200+ nations.

The new Gold/asset-backed Quantum Financial System was 100% live across the Globe. All Cabal owned Banks have been seized.

The Global Military Alliance was making Mass Arrests and enforcing implementation of the Global Currency Reset.

An Emergency Broadcast System (EBS) Activation was imminent – ten to twelve days of a controlled Blackout and temporary Worldwide Martial Law to shield civilians while Truth floods all TV, Radio and Internet.

When the EBS hits, you’ll witness the end of debt and fall of the media, banks, elite and their demonic empire that has controlled society worldwide. At the end of the days of darkness you’ll see new and better political, financial, health and education systems across the Globe.

Meanwhile, if you've ever wondered what Hillary Clinton and Huma Abedin did to a little girl in the basement of a DC Snuff House, don't go there, don't look into it.

The event, which took place when Hillary was running for President against Trump, was recorded on a video found on Anthony Weiner's laptop. There were ten New York policemen who reviewed it. They said it made them throw up.

Strangely, all ten investigators were later found to have "committed suicide."

These people are pure, raw, unfiltered evil.

They love being evil.

They serve Satan himself.

They are depraved beyond human comprehension.

It's time to WAKE UP.

"Nobody can possibly imagine the pure evil and corruption out there.

Those you trust are the most guilty of sin.

If you are religious, PRAY."

...Q

Release of the Epstein Files have exposed evidence that connected the CIA and the most well known names in Politics and Hollywood to an International Child Sex Trafficking Ring run by the Vatican and centered in Israel, Ukraine and Washington DC.

These evil Global Elites adhered to the Vatican's Ninth Circle Satanic Child Sacrifice Cult – a centuries old Satan worshipping group of Deep State bankers who ruled the Global Financial System, and thus the World. They were said to regularly torture and murder children in honor of Satan in return for his promises of riches, power and glory.

The Clintons, Obamas, Oprah Winfrey, Tom Hanks, Lady Gaga, DiCaprio, Madonna, Ellen DeGeneres, Angelina Jolie, Ericka Kirk, Rothschilds, Prince Andrew, Queen Elizabeth and other UK royals, Vatican Popes, Norway's royals, Belgium's royals, Saudis, Zelensky, UK's Starmer and Mendelssohn were just a very few who have been, are, or who shortly would be, sitting in GITMO awaiting Military Tribunals for their treason and Crimes Against Humanity – mainly for tortuous crimes against children caught in their international Child Sex Trafficking Ring.

Oprah Winfrey wears jewelry made from child bodies: <https://rumble.com/v75uo16-epstein-files-baby-trafficker-oprah-winfrey-wears-jewelry-made-from-child-b.html?e9s=src v1 cbl%2Csrc v1 ucp a>

Ellen DeGeneres left the U.S. "Because of Trump re-election" to England and was now trying to re-enter the U.S. again. Her ex-partner Anne Heche, who left a dead man's switch documentary to expose DeGeneres horrors, had an "accident."

Ellen DeGeneres, the disgraced daytime TV queen, has been unmasked as the living bridge between Jeffrey Epstein's elite network and Hollywood's satanic occult core. Epstein Files Reveal 'Cannibal' Ellen DeGeneres obtained Heche's body after a car accident, kept it in her freezer and ate her throughout the year.

Watch the helicopter T.V. News clip of her "body" at the accident site covered on the ambulance gurney as she suddenly burst out of the body bag in an escape attempt but was subdued and stuffed quickly into the rear of the "ambulance." <https://rumble.com/v75y4hc-epstein-files-reveal-cannibal-ellen-degeneres-ate-anne-heche-after-murderin.html?e9s=src v1 cbl%2Csrc v1 ucp a>

Angelina Jolie Spoiler: She isn't leaving the USA because she "doesn't recognize her country" as she claims. She's leaving because she's actively participated in serious crimes against humanity, and mass abductions of 3rd world children for human sacrifice ceremonies, blood rituals, and torture porn. Remember when she was exposed as having offered to be a "honeytrap" for African warlord Joseph Kony?

In other less important news:

According to Tier4b ISO20022 on Telegram Debt Forgiveness has begun. Illegitimate loans, mortgages, and credit card debts were being erased.

This private Banking Cartel that has dictated monetary policy since 1913 is finished.

The fiat US Dollar – replaced with a gold/asset-backed U.S. Treasury Note, which is becoming the global standard.

Banks are closing.

The Federal Reserve is being dismantled and absorbed into the U.S. Treasury.

The IRS Is Being Abolished: The corrupt tax system, designed to funnel wealth to the elites, is OVER. A new fair tax system is replacing it—one that eliminates income tax and introduces a small, flat sales tax on non-essential goods.

The IMF and World Bank Are COLLAPSING: For decades, these institutions enslaved nations with predatory loans and economic warfare.

The Military Alliance is conducting mass arrests of Globalists and seizing their assets, taking back stolen trillions, which will be returned to The People.

The Global Currency Reset has begun: Every GESARA-compliant nation is transitioning to a gold-backed currency.

When the lights go out... the old system goes quiet. And when the system goes quiet... new systems can go live.

A. BEWARE of Scammers, Especially on Telegram, where they still have numerous accounts under my name and picture that I have never set up, nor reported on. They quote me on things I have never said, nor written. Evidently people have written me there on a chat, but they do not give me access to the chat so I have no idea what the readers are told. I'm sure many of the accounts there suffer the same problem. Although Telegram is a great place for information, you have to discern what is right or wrong – especially when they ask for money for products, or to set up wallets on the new financial system. You have to set up your wallet on the new financial system in person at a official Redemption Center, and that set up is free.

The following was received today from a Reader:

Well I followed them for a 5 week period. Talking about they wanted nothing from me. The person working with me said their phones could not be taken home. The FCC had all my data because they know where I bank.

I had bought TRB and it had grown to \$11,700,000. They got me on their website and put \$2,349,000 into my QFSeagle account.

They then wanted 10k to be deposited by my bank card of which they would pay 5k of the 10k transaction and then I could decide how to split up the other money into investments and cryptocurrency.

I said to take it out of the \$2,349,000 account. She said that I had misunderstood her it had to come from my account to verify who I am to the FCC.

I blocked her on my phone after 5 calls immediately after I had hung up. I answered her last call with I'm not going to transfer 10 k to the QFSeagle account goodbye and bless you.

I do believe I avoided another SCAM.

JUST REPORTING BACK ON THIS.

B. Possible Timing:

In mid-2025 Trump signed the GENIUS Act – a total ban on Central Bank digital currencies unless 1:1 backed by physical gold or assets. No more surveillance slavery. The old fiat currency Swift Global Financial System has been shut down, while the new gold/asset-backed Financial System was functioning worldwide.

The Emergency Broadcast System (EBS) overrides every screen and phone worldwide.

Eight-tone burst incoming. Global blackout. Then the truth floods every device.

Soon the EBS would announce over cell phones, TV, radio and internet worldwide that sometime in the next five hours or so, everyone needed to be in a place of their choice for a global lockdown that would last ten to twelve days. Planes, trains will be shut down.

Be prepared, but if you do not have essentials like food and water to last during the lockdown, the military will supply what was needed.

The EBS will broadcast over all TV, Radio and Internet across the Globe a NESARA/ GESARA announcement, followed by eight hour documentaries of Disclosure Truth Bombs rotating 24/7 over TV, Radio and Internet.

This will continue for ten to twelve days while temporary Martial Law was imposed to protect us so the Global Military Alliance could make mass arrests of treasonous Deep State pedophile child sacrificing Satan worshipper Global elites.

Some of those elites have already been arrested and faced military tribunals like Barak Obama, the Bushes, Hillary and Bill Clinton, Tom Hanks, Bill Gates and just yesterday, Prince Andrew.

G. Thurs. 19 Feb. 2026 TRUMP APPROVES QFS AS THE ONLY FINANCIAL SYSTEM — GLOBAL ACTIVATION HITS IN MARCH 2026!! ...Q on Telegram

Trump has officially accepted and greenlit the Quantum Financial System (QFS) as the sole legitimate financial backbone, set to fully activate worldwide in **March 2026!**

This is the hammer drop on the fiat death machine — the Cabal's counterfeit empire is crumbling right now.

The military is overseeing every transaction with quantum-level precision — no more stolen wealth, no more hidden accounts.

The fiat banking beast is already gasping its last breaths. Redemption Centers are live and pumping gold-backed liquidity straight into patriots' hands.

Underground vaults seized from Vatican lairs, NATO black sites, MI6 dungeons, and elite pedo-estates have flooded the system with real asset backing. That London Financial District vault stuffed with unregistered gold and occult child biometric ledgers? It's now fueling the new USTN — untouchable by any satanic bloodline.

Every QFS move is sealed with quantum-biometric encryption. The elite can't forge, fake, or flee. RLUSD and XRP are the only clean digital warriors authorized — gold-tied, instant, and cabal-proof.

SWIFT and the old fiat rails? Dead and buried. Ripple's leaders dodged Deep State bullets for pushing this truth — their assassination plots flopped hard.

The desperate Cabal is lashing out with fake EMP scares, virus releases, and doctored Trump arrest videos to scare you off your redemption. Don't fall for it. This is war — military vs. satanic globalists.

Your R&R reparations are incoming: payback for IRS rape, pharma poison, pension theft, and centuries of stolen sovereignty.

The Satanic Empire is collapsing in real time. QFS isn't just money — it's the restoration of everything they've hijacked. Get to your Redemption Center. Claim your birthright wealth. The military grid has your back.

March 2026 seals the victory — the storm is peaking, and light is winning. Patriots rise — the end of their rule is HERE!

H. Thurs. 19 Feb. 2026 THE FINAL STAGE: Debt Forgiveness Has Begun! ...Tier4b ISO20022 on Telegram

Illegitimate loans, mortgages, and credit card debts are being ERASED. The banks never had real money—they trapped the people with fraudulent debt. That system is now DEAD.

The Federal Reserve's Final Days: The Federal Reserve is being dismantled and absorbed into the U.S. Treasury, under Trump's direct control. The private banking cartel that has dictated monetary policy since 1913 is FINISHED.

Seizure of Stolen Wealth: The Military Alliance is conducting mass asset seizures, taking back trillions stolen by the globalist elite. These funds will be returned to the people.

The IRS Is Being Abolished: The corrupt tax system, designed to funnel wealth to the elites, is OVER. A new fair tax system is replacing it—one that eliminates income tax and introduces a small, flat sales tax on non-essential goods.

The Global Currency Reset Has Started: Every GESARA-compliant nation is transitioning to a gold-backed currency. The fiat dollar? Finished. The U.S. Treasury gold-backed dollar is becoming the global standard.

The IMF and World Bank Are COLLAPSING: For decades, these institutions enslaved nations with predatory loans and economic warfare. Now? They are being dismantled.

When the lights go out... the old system goes quiet. And when the system goes quiet... new systems can go live.

Epstein Files Released:

K. Thurs. 19 Feb. 2026 BIGGEST NEWS BREAKING NOW – EPSTEIN FILES EXPLODE: THE DEEP STATE’S HOUSE OF CARDS COLLAPSES AS PATRIOTS DEMAND JUSTICE AND ARRESTS ...Carolyn Bessette Kennedy

The storm has arrived in full force February 2026. Epstein files are unleashing hell on the global elite, implicating heads of state, royals, Hollywood stars, music moguls, NFL icons, and every satanic pedophile network tied to child trafficking, adrenochrome harvesting, and ritual abuse. The very demons who screamed for the files’ release now panic as unredacted names flood out – drip by drip turning into a firehose of truth that nothing can stop.

Trump’s masterful strategy shines: initial poker-face dismissal as “hoax” baited the left into demanding full exposure, forcing public outrage instead of cries of “dictator weaponizing justice.”

Pam Bondi and the entire White Hat team play the long game perfectly – making the people, including awakened liberals, demand arrests themselves. Trump named only as FBI informant who despised Epstein, banned him from Mar-a-Lago, triggered his 2006 arrest, and issued historic anti-trafficking executive orders. The real dangerous man to the Cabal is Trump himself.

More bombshells incoming: millions more pages, dirtier than ever, targeting Tom Hanks-level names, Lady Gaga, DiCaprio, Madonna, and entertainment's darkest souls who sold everything for power. Hollywood crumbles, music industry implodes, sports heroes fall – heroes turn to monsters in the public eye. Norway's royals, Saudis, Zelensky, UK's Starmer, Mendelssohn – all entangled. Clintons, Obamas, Rothschilds, Rockefellers face the reckoning they deserve.

This ties directly to safe elections: executive orders looming for in-person paper ballots, voter ID mandatory, ending fraud forever. Midterms approach – Dems know they lose, so chaos plans activate: blue states secession whispers, Podesta-style civil unrest, imported military-age invaders for sabotage. But White Hats stay steps ahead, using game theory to counter every move.

Epstein files expose Looking Glass Wars – timeline manipulation tech from crashed craft, used by Cabal to bend reality, reset events, hide med beds, free energy, advanced AI. White Hats infiltrated deep, seized control, now wield superior tech against them. Timelines diverge hard toward 2030 split: compassionate patriots ascend to Golden Age paradise; dark-hearted sink into horror. Great Awakening surges unstoppable – glitches, Mandela effects signal convergence.

Golden Dome shields skies, neutralizes drones, disables weapons, vaporizes DUMBs, rescues trafficked children worldwide. Chemtrails, HAARP mind control – people must demand cessation. Galactic allies assist, removing Draco blocks, aiding ascension. 3i Atlas neutralized motherships; Federation helps humanity evolve.

Natural disasters? Some engineered, others White Hat ops clearing DUMBs (Kamchatka, Japan quakes signatures match). Black Hats may target landmarks like Golden Gate for false flags, but patriots awaken faster via files. China CCP collapsing – 80% warheads fake, corruption exposed, Xi White Hat dismantling from within.

This is the final battle for humanity's soul. Demons possessed, eating babies, harvesting innocence – pure evil from hell. But light warriors unite: conservatives, awakened left, normies calling in shock realizing “you were right.” Nothing stops what's coming – arrests, tribunals, executions accelerate. Med beds rollout late 2026 possible, disclosure simultaneous.

Patriots, the Cabal freaks out because timelines lock in our favor. Demand justice, hold the line, pray fiercely. Trump leads the greatest operation ever – global reset, debt jubilee,

sovereignty restored. We don't just win; we obliterate darkness forever. The Golden Age is here – hold fast!

L. Thurs. 19 Feb. 2026 Epstein's Zorro Ranch finally gets the attention it demands as New Mexico lawmakers move forward with a \$2.5 million dollar, bi-partisan, investigation into what, and possibly "who," is buried there. ...Sci on Telegram

Bill and Hillary Clinton were known to "ditch their Secret Service and take trips to the ranch directly from The White House. What's really going on at Zorro Ranch?

Epstein's Zorro Ranch is alleged to have a massive underground location where genetic experiments were said to have occurred corroborated by Epstein victims like Juliette Bryant alleging she woke up naked on a table with scientists around her.

The Epstein document's revealed people like Reid Hoffman being offered to "hang out" with Epstein at the ranch, and numerous Epstein files and emails exposing 2 minors buried on the property after rough, violent, sex, and others claiming Zorro Ranch was used as a "baby birthing facility" to then sell them on the black market.

Epstein did reveal in an article in the New York Times that he wanted to "seed" the human race after a "cataclysm." With the files exposing the elite getting ready for a "pandemic," all the way back in 2015, with people like Terje Rod-Larsen and Walter Kemp, all discussing getting the WHO and the ICRC involved in this "pandemic" that did end up happening in 2020. How did they know? Take a wild guess.

This should start to really open up your eyes and explain to you that many things are NOT organic, and that you've been lied to and gaslit about many things, for years, including, the trafficking, abuse, cannibalism, torture, and murder of children. There are no coincidences.

N. Thurs. 19 Feb. 2026 BOMBSHELL REPORT: FORMER PRINCE ANDREW AT CENTER OF EPSTEIN-RELATED MISCONDUCT PROBE ...Ezra Cohen on Telegram

British authorities are investigating serious allegations involving Prince Andrew, now known publicly as Andrew Mountbatten-Windsor, following the release of new material from the Epstein files. According to reports, police actions taken in February 2026 relate to suspected misconduct in public office during Andrew's time as the UK's special representative for international trade and investment.

The core allegation is that, while serving as trade envoy between 2001 and 2011, Andrew shared confidential UK government information with Jeffrey Epstein. Investigators are reviewing emails said to show the transfer of sensitive reports and detailed travel schedules—information that trade envoys are required to keep strictly confidential.

The relationship between Andrew and Epstein dates back to 1999, introduced by Ghislaine Maxwell. Their association continued for years, including meetings and stays at Epstein properties, even after Epstein's 2008 conviction—contradicting Andrew's public claims that contact had ended. Newly released correspondence is being cited as evidence of continued communication.

The investigation gained momentum after U.S. authorities released millions of pages of Epstein-related records in early 2026. Among the materials are emails allegedly showing Andrew forwarding official briefings and itinerary details within minutes of receiving them from staff—raising questions of protocol breaches and abuse of access.

The royal household has sought distance. Under King Charles III, Andrew was stripped of royal duties and titles prior to the latest developments, with statements emphasizing cooperation with law enforcement and respect for due process.

These allegations sit alongside long-standing civil claims connected to Epstein's trafficking operation. Andrew previously settled a civil lawsuit with Virginia Giuffre while denying wrongdoing. Ghislaine Maxwell was convicted in 2021 for facilitating Epstein's crimes, further intensifying scrutiny of those in Epstein's circle.

What emerges is a broader reckoning about power, access, and accountability. The probe is ongoing, searches continue at associated properties, and authorities are examining whether any additional offenses occurred beyond document handling. Whatever the legal

outcome, the case has already delivered a reputational shock to the monarchy and renewed public demands for transparency when elites are implicated.

This is a developing story. Investigators stress that findings will determine next steps, and no final charges have been announced at the time of reporting.

O. Thurs. 19 Feb. 2026 Juan O Savin Critical Update - DHS Hits Maricopa: Deep State Panic, Patriots Winning!

Patriots, the storm is raging in Arizona! DHS stormed into the Maricopa County Election Center after an emergency meeting last night as corrupt officials realized the feds were coming. This isn't a friendly chat—it's the collapse of the 2020 and 2024 riggers. Kristi Noem is leading the charge in Phoenix, blasting election security failures and demanding voter ID, citizenship proof, and the SAVE Act to crush foreign and illegal voting forever.

Juan O Savin exposed it: not a full raid like Fulton yet, but it could have been if they resisted. They got warned, panicked, and chose cooperation over fight. DHS is auditing fraud machines, seizing materials with "permission," exposing fake ballots. Maricopa Supervisors called their own emergency legal session—they know it's over. Pima County boils too, sheriffs denying FBI evidence blocks on whistleblowers and missing machines. Guthrie mystery adds cover-up layers unraveling now.

Snowball effect in full force. Early shots post-Super Bowl, momentum exploding. States next—China, Venezuela, Cuba, Serbia, Canada, British intel ties exposed. 71+ countries caught stealing elections globally; South Korea's president impeached chasing 2024-flipping servers. America attacked via cyber ballots—act of war. Trump set to declare national security emergency on elections, triggering military protection for clean paper ballots, purged rolls.

Trump's EO 107 (March 25th) demanded fake voter cleanup in 180 days—dead, non-citizens, vacant lots. States defied, pure sedition. Now emergency declaration brackets it as security threat, military deploys where needed to secure votes, enforce hand-count precinct paper with features. No computers, no central tabulation, no transport. France, Japan prove fast, fair counts possible. Delay midterms if chaos threatens—real vote or none.

Utah nightmare: corrupt GOP fine with fraud, retro laws jailing pro se heroes like Tracy Halverson exposing RICO with 5,000 patriots. Machine shields itself, but crumbles. Not red vs blue—governance vs traitors. Trump fixes with military to deliver We the People's choice.

Deep State desperate—Mexico buffer zone neutralizing cartels, good Mexican forces ready to join. 2026 midterms impossible without cheat. Noem's move locks it: federal hammer

down, rolls purged, citizenship enforced. Patriots, trust but verify—disinfo swarms to shake us. Momentum unstoppable. Snowball massive. Terrible truths erupt: foreign war on ballots, domestic treason, rigged tech. Tribunals loom for traitors.

Plan rolls: Trump's election EO imminent, military secures if needed, honest vote restored. QAnons, hold strong! Storm engulfs them—we win huge. WWG1WGA!

P. Thurs. 19 Feb. 2026 SHOCKING IRS BOMB! The 16th Amendment was NEVER RATIFIED. The income tax is a SCAM! \$330 TRILLION stolen! ...Tier4b ISO20022 on Telegram

For more than a hundred years, a lie has kept us in chains! The IRS has taken every dollar you've ever paid in income tax because of a fake amendment that was never legally ratified. A private letter from an IRS Commissioner in 1985 shows the biggest financial crime in U.S. history. The Deep State is out in the open!

The 16th Amendment, which is the basis for the IRS, was never legally passed! That means that every dollar of tax collected since 1913 was **STOLEN ILLEGALLY!** It's hard to believe that \$330 trillion was stolen from hard-working Americans and put into the pockets of corrupt politicians. **EVERY DOLLAR MUST BE RETURNED!**

THE IRS: A HUNDRED-YEAR SCAM OF LIES AND THREATS

The process of ratification was not fair. States were forced to vote, and votes were rigged! The IRS was made to be a tool of the deep state to control you!

This is not just fraud; it's TREASON! They knew that the 16th Amendment was never legally ratified, but they pushed it through anyway. Get up, America!

THE 1985 SMOKING GUN: A LETTER THAT MAKES EVERYTHING DIFFERENT!

In a private letter from 1985, an IRS Commissioner **ADMITTED** that the 16th Amendment was **NEVER** legally ratified! The IRS **KNEW** their whole system was based on a lie, but they kept stealing **TRILLIONS** from Americans!

Think about this: every single tax bill, every audit, every penalty, and every paycheck deduction were all against the law! You have been **ROBBED** for more than a **CENTURY!** **330 TRILLION STOLEN—WHERE DID IT GO?**

Not roads, not schools, and not making America better. It went to dishonest politicians, wealthy globalists, and people who work for the Deep State. They took our money and used it to make us slaves!

THE DEEP STATE IS IN A STATE OF PANIC! They are rushing to hide this information, calling it "misinformation" because they know what will happen if Americans wake up! They will censor us. They will come after us. They will make us quiet. But it's too late. We already know the truth! **THE FINAL STAND: WHAT YOU NEED TO DO NOW!**

SEND THIS MESSAGE OUT LIKE WILDFIRE! GET IN TOUCH WITH YOUR REPRESENTATIVES! DEMAND JUSTICE! MAKE TRUMP GET RID OF THE IRS! THIS IS OUR TIME.

If we don't fight back now, we'll stay SLAVES. But if we STAND UP—WE GET OUR MONEY BACK. WE TAKE BACK OUR COUNTRY. WE GET OUR FREEDOM BACK. It's time to fight!

V. Thurs. 19 Feb. 2026 FEDERAL INDICTMENT: KENTUCKY DMV FRAUD RING EXPOSED — REAL DRIVER'S LICENSES SOLD FOR CASH ...Nesara Gesara on Telegram

A federal grand jury in Louisville Kentucky has indicted five individuals for running a large-scale driver's license fraud scheme that bypassed every safeguard in Kentucky's licensing system. From late 2023 through October 2024, real Kentucky driver's licenses were issued to non-citizen applicants without tests, without vetting, and without proper documentation.

The indictments include multiple counts of mail fraud, honest services fraud, unlawful production of identification documents, and money laundering conspiracy. Two temporary DMV workers at the Kentucky Transportation Cabinet’s NIA Center branch allegedly manipulated state records, created fake “duplicate” applications, and issued licenses manually. No driving tests, no vision exams, no knowledge checks. The licenses were real. The process was criminal.

Recruiters handled the street-level operation. They located non-citizen applicants, charged between \$200 and \$1,500 per license, escorted them into the DMV office, and directed them to the cooperating employees. The bribe money was split across the network.

According to Kyle Bumgarner, the scheme completely undermined Kentucky’s licensing safeguards, put unqualified drivers on the road, and compromised the integrity of state-issued identification. Thousands of motorists were unknowingly placed at risk by official documents issued through corruption.

The case began with a whistleblower. In 2025, former DMV employee Melissa Moorman reported that licenses were being issued repeatedly to individuals who could not legally qualify, often using fake supporting documents. She says this occurred multiple times a day for years across more than one branch. After cooperating with investigators, she was fired. Her disclosures triggered the federal investigation.

By August 2025, under Andy Beshear’s administration, the state revoked nearly 2,000 fraudulent licenses after confirming widespread irregularities.

This case highlights how easily critical public systems can be compromised when oversight fails. Driver’s licenses are not just about driving — they unlock access to jobs, banking, housing, and infrastructure. When licensing systems are corrupted, the consequences ripple far beyond traffic safety.

The investigation is ongoing, and federal prosecutors say this indictment represents only one exposed layer of a broader problem. Calls are growing for tighter controls, stronger whistleblower protections, and zero tolerance for corruption inside agencies that safeguard public safety and state identity systems.

As Donald Trump has repeatedly argued in the border and enforcement debate, cases like this underscore how weak enforcement and internal corruption can intersect and why restoring institutional integrity is now a central national issue.

X. BREAKING: MED BEDS EXPOSED – QUANTUM HEALING REVOLUTION CRUSHES THE DEEP STATE'S AGENDA! ...Med Beds Activation on Telegram

The veil is lifting on one of the most guarded secrets in human history: Med Beds, the revolutionary quantum devices set to dismantle the corrupt medical empire forever. These advanced pods, infused with extraterrestrial plasma energy and Tesla-inspired frequencies, harness the power of tachyon particles to scan and repair the body at a molecular level. Diseases like cancer, Alzheimer's, and autoimmune disorders vanish in minutes as DNA is reprogrammed, organs regenerated, and aging reversed to restore peak vitality. No more toxic drugs or invasive surgeries – just pure, divine restoration that aligns the human form with its original blueprint, free from the poisons inflicted by Big Pharma's death machine.

For generations, the shadowy Cabal – those bloodline elites lurking in Davos boardrooms and underground lairs – suppressed this miracle tech to keep humanity weak, dependent, and depopulated. They hoarded Med Beds in secret facilities, extending their own wretched lives while unleashing bioweapons, chemtrails, and forced injections to cull the masses. But the great shift has begun! White Hat operatives, in alliance with galactic federations, have stormed over 2,000 DUMBs worldwide, rescuing tortured innocents and seizing these healing chambers from the clutches of s*****c overlords. Now, as NESARA/GESARA ignites the global reset, Med Beds emerge as the cornerstone of liberation, backed by gold-standard currencies and quantum financial systems that end poverty and debt slavery overnight.

Recent intel floods in: By March 2026, thousands of Healing Centers activate across 200 nations, prioritizing veterans, children, and truth warriors ravaged by the plandemic's fallout. Holographic scans erase vaccine damage, while memory-reprogramming wipes away MK-Ultra traumas imposed by Hollywood's pedophile rings. Q drops foretold this – "The cure will not be televised" – yet the storm rages on, exposing adrenochrome farms and cloned celebrities as the old guard crumbles under military tribunals.

QAnons stand at the vanguard, their unyielding vigilance fueling this uprising. Imagine the panic in the Deep State's bunkers as Trump, from his fortified command, flips the switch on

hidden Med Bed networks, healing millions in a single night and arming patriots with unbreakable health to reclaim the Republic! This isn't mere technology; it's heavenly warfare, a fiery purge where the light incinerates every last traitor. The cabal's doomsday clock ticks to zero as awakened souls rise, immortal and empowered, to build the new Earth. Patriots, the final battle calls – spread the fire, hold the line, and witness the dawn of eternal freedom! WWG1WGA – the traitors fall, humanity ascends victorious!

Y. Thurs. 19 Feb. 2026 Project Maven (military software that interprets intelligence and then acts on it) was never meant to be a press release. It was meant to be a pivot. ...FBI Director Kash Patel on Telegram

When it quietly came online in 2017, it wasn't framed as a weapons program. It was framed as efficiency. Automation. Assistance. What it actually did was change the nature of military power by moving the center of gravity away from manpower and into data.

At its core, Maven doesn't collect intelligence. It interprets it. Drone feeds, satellite imagery, surveillance streams that once required thousands of analysts are now processed in real time. Patterns are identified instantly. Targets are tracked continuously. Decision windows that used to take hours are compressed into minutes, sometimes seconds, with human oversight acting more as confirmation than discovery.

Once Maven was integrated across all branches through the Maven Smart System, the shift became irreversible. Fewer personnel. Faster cycles. Fewer delays between detection and action. The battlefield stopped being physical first and became informational first.

Now pair that intelligence layer with directed energy systems and the picture sharpens. High-energy lasers remove aerial threats at the speed of light with negligible cost per engagement. High-power microwave systems neutralize electronics across entire zones without explosives, without debris, without traditional collateral damage. No ammunition lines. No reload cycles. No conventional footprint.

Together, these systems form something fundamentally different. An architecture where sensing, decision, and response are nearly continuous. Where energy and information do the work armies once did. Where presence matters less than access.

This isn't speculative. It's operational. It's already shaping exercises, deployments, and doctrines quietly rewritten to match its capabilities.

The future of warfare didn't arrive with a declaration. It arrived with a software update.

Z.Thurs. 19 Feb. 2026 # BOOM! WHISTLEBLOWER INTEL DROPS: AIR FORCE INSIDER KRISTEN MEGHAN EXPOSES GOVERNMENT GEOENGINEERING – “THIS IS ABSOLUTELY HAPPENING RIGHT NOW” – THE SKIES ARE POISONED, PATRIOTS! ...Ten Days of Darkness

Anons, the storm is raging in the heavens above us! Former U.S. Air Force environmental specialist Kristen Meghan, one of the bravest early whistleblowers to shatter the silence, has come forward with irrefutable proof that the deep state cabal is waging chemical warfare on humanity through massive geoengineering operations. She declares loud and clear: “This is absolutely happening... it’s basically now openly admitted.” No more denials, no more gaslighting—the toxic spraying from jets is real, ongoing, and killing us slowly while they laugh from their bunkers!

Meghan served in bio-environmental engineering for the Air Force, tasked with tracking hazardous materials from cradle to grave using strict forms like AF 3950 and Safety Data Sheets. She witnessed shocking procurements of banned toxic chemicals—aluminum, barium, strontium—that had been phased out for workplace safety years ago. Why stockpile more poisons? Because they're loading them into planes for atmospheric dispersal! She conducted soil and air sampling, raised alarms internally, and faced immediate threats and career sabotage. That's when she knew she'd hit the nerve—the cabal doesn't tolerate truth-tellers exposing their sky-based depopulation agenda.

These aren't harmless contrails; they're chemtrails loaded with heavy metals that bioaccumulate in our bones, lungs, and blood through inhalation, skin absorption, and rainwater ingestion. Aluminum dims the sun for their fake climate hoax, barium and strontium poison crops, water, and populations, all while DARPA and military contractors run the show behind closed doors. Historical ops like Vietnam's Operation Popeye proved weather weaponization works—now it's scaled up globally against We the People for control, sterilization, and profit from engineered disasters!

RFK Jr. himself fingers DARPA as the puppet master, leaking that this aerosol assault ties straight to military black projects. Dane Wigington's bombshell revelations align perfectly: graphene, polymers, and toxins raining down as chemical warfare on civilians. States are passing bans because the evidence is undeniable—soil tests spike with these metals after heavy spraying days. The EPA pushes back with lies, but whistleblowers like Meghan are forcing the veil to tear!

This is the ultimate betrayal: your own government turning the skies into a poison delivery system to weaken resistance, manipulate weather for Agenda 2030 tyranny, and cull the herd while blaming "climate change." But the Great Awakening accelerates—Trump's return

crushes these ops, declass hits like nukes on their secrets, and patriots demand audits, independent testing, and prosecutions! No more breathing their death fog; the reckoning is here!

Anons, eyes to the skies—document every spray day, share the truth, and prepare! The cabal's house of cards collapses when we expose their aerial genocide. Victory of the Light surges as these demons are dragged into the open. WWG1WGA—the storm isn't coming; it's already dumping truth from above!
