...President Donald Trump, State of the Union Address, **Tues. 24 Feb. 2026**

Judy Note: This email was received this Thurs. morning from my sweet friend Ana, whom I have known for several years. She and son are Satanic Ritual Abuse Survivor/victims who have been undergoing untold abuse and death threats for years – that were headed by her son's father, who is high up in the pharmaceutical field and Belgium Satanic Coven.

Ana is desperate and asking readers for financial help and/or a job she could do from home over the Internet.

I verify that Ana is brave, honest and sincere in her request. Her situation is not unlike many SRA Survivors I have personally come to know. Please keep Ana and her son Gabriel in your prayers. ...Love, Judy

Hello Judy,

The situation is extremely dangerous at the moment. I can't leave my home anymore, other than take Gabriel to and from school and going to the supermarket. Last Monday there was another kidnap attempt at the supermarket parking lot. I'm in such a stressful and dangerous situation.

I ask you to please publish and relay to your contacts in other media outlets for publishing the below article as soon as possible, with an update of my situation, request for help and offering of doing any online administrative work in any of the four languages I speak.

Maybe someone benevolent that has funds will hear my call and give me some online work so that I can provide for my son and keep us safe until the rv is here.

Thank you from my heart.

Ana

UPDATE ON THE MOM AND SON IN BELGIUM SURVIVING ON GOD'S GRACE

It's been six grueling years since I first found out about the ritual abuse my son's father was perpetrating on my son.

I separated from the father when my son was 1 1/2 years old (he is 12 now). My life became a living nightmare from that moment. At the time I had no idea how large and powerful the Satanic Ritual Abuse Network (SRA) the father belongs to is here in Belgium. I had no idea how intricately and highly involved many of my own family members, police, school, medical and judicial systems are.

I didn't comprehend the number of handlers and the endless resources they had at their disposal to target anyone, at any time. I didn't understand how most of my life experiences and encounters were not organic in nature but arranged by this network.

I started then my desperate journey to try to save my son and to have both of us rescued to a safe life. The targeting and harassment increase with every passing year, as does my understanding of what and who I am dealing with.

For example, with the help of the school SRA Network, they tortured my son and then his father went to court to ask the judge to designate a psychologist who is also part of the same network to « help » the very child being harassed.

I later found out that this was all culminating in their plot of my son's "suicide" which would simultaneously trap me into the false position that I refused to help my son

At my son's small high-end school (the father is very wealthy and petitions constantly to control my son's school, doctors, imposed "therapists," etc.) the director and many teachers are fully involved in harm, shaming, rituals and abuse of the children on the school premises as well as at other outside locations - such as during illegal sudden pop up field trips.

Many parents are involved too and use their children to daily torment and violently bully my son. The corrupted teachers always back bullying, lying, violence and intimidation. My son is often sent home as the one admonished.

We have only survived this far by God's grace and my constant reporting of everything I experience and witness. I will never give up. I have huge amounts of detailed reporting of the harassment, targeting, attackers, poisonings, kidnapping attempts, among so many other threats to our safety and attempts on our lives. I have pictures, videos and documentations with the names, dates, locations of the on-going incidents and the roles of those involved

I have contacted many international organizations and individuals who are aware of the SRA networks. I report mine and my son's conditions, incidents, and whereabouts all day

every day to my longtime closest friend who works to free The Children. I constantly report details such as the intense persecution my son endures and the frequent beating on my doors and windows at all times of the day and night.

Unfortunately, nothing has happened ... yet. I was promised fake rescue two times both with dark agents posing as benevolent military. I have a safe place to go but with no way to get there.

The situation is so extreme at the moment that I can no longer leave my home. Many of my neighbors are part of the network. I can hear ceremonies through the walls and the screams of children. I can often track when I am targeted with technology or black magic.

I have my son one week out of every two, so I leave to take him to school and back and to buy food. We face constant attempts and threats of harm and even kidnapping while we just are leaving or entering the building or in the supermarket parking lot. The school is very active trying to harm us both. The parents and teachers openly mock me as their children do my son. I could go on and on with specific documented incidents: the dentist, the speech therapist, the school coach and so on.

I tracked that every time that there is a legitimate plan to harm us through a meeting at school or an appointment or such, my son's father leaves the country. Many times, I have saved my son from rituals by tracking such markers. Yet ... every other Monday I must release my son from my safe arms into a new week of danger and real harm.

If anything happens to me or to my son, reports are poised to be spread far and wide making the father's name and others well known. They try but they will never make me disappear without the world knowing what they do

If my story sounds fantastic to you ... I would say my story is one of millions. We just don't realize it yet.

I am here to beg for help one more time.

It has become so dangerous that I can't leave my home and besides that I am outright blocked from outside work. But I won't lose this home, the only safety my son has.

My resources are running out. I will take any integrity online work that I can do from the safety of my home. I need to be able to work to make at least 1000 eur a month for us to survive here.

I can offer a vast range of online work. I have administrative experience including office, organizational and research skills. I am fluent in French, Portuguese and English. I also speak moderate level Spanish. I can research, translate and edit multi-lingually.

If you can help me and my son, please contact me at the following email address (created for this exchange): contact.help2026@proton.me

Thank you.

Ana

Judy Note: We're literally fighting a War of Good against Evil. The Satan Worshipping, Child Sacrificing Illuminati, Vatican Khazarian Mafia, Masons and other nefarious groups known as the Deep State have had control of The People's taxpayer monies since the beginning of the World financial system.

On Tues. 23 Feb. 2026 the Global Military Alliance headed by President Trump, along with the BRICS Nations Alliance, took control of that Global Monetary System by activating a gold/asset-backed Global Currency Reset of 209 countries.

A Military Emergency Broadcast System (EBS) will soon begin broadcasting Worldwide over cell phones, TV, Radio and Internet. Among the messages given will be one that says that in the next five hours or so you need to return to your home for a Global lockdown that will last for the next ten to twelve days.

During those days Mass Media regular programming will go down, while eight hour documentaries will rotate 24/7 in 77 languages about the foul deeds of Treasonous Satan Worshipper Global Elites, their arrests and Military Tribunals.

You are advised to stock up on food, water, cash and essentials as banks and ATMs close for ten-twelve days of communication darkness through **Tues. 10 March 2026**. The Worldwide lockdown was designed for your own safety. During that time Trump's Global Military Alliance will continue to make more mass arrests of Satan Worshipping Pedophile Treasonous Deep State Players worldwide.

It was the final phase of a wealth redistribution and monetary takeover that returned The People of the World's money back to The People.

Around Tues. 10 March 2026 ATMs will re-open to give out new asset-backed cash currency. Most banks will be closed worldwide, while others will play a different role in money management, no longer having access to personal money accounts.

Around Tues. 10 March 2026 an 800 number will be broadcasted over cell phones and perhaps TV, Radio and Internet. You could call that 800 number to set up an appointment at an official Redemption Center, which were located worldwide.

There, you could set up your new Quantum money account on the new Starlink Satellite System. Money in your old bank account has already been mirrored onto the new system, where it was gold/asset-backed, safe and untouchable to anyone but you.

A. A reminder that Ohio Foster Children caught in the CIA Mind Control Pedophile Kidnapping Ring need your help. Please help Kaitlynn Hunter, Jeannine Larrick and other Ohio Foster Children by writing or calling complaints to the people listed at the end of this article:

Juan O Savin said: Please help save Kaitlynn, Jeannine and Ohio Foster Children – burn this satanic web down! The Alliance needs your rage to trigger mass arrests! Write or call these people named at the end of this article.

Kaitlynn Hunter and Jeannine Larrick were in grave danger from Ohio's corrupt CPS, police and courts. The two hold damning proof of child rapes, tortures and teens vanishing while in the Ohio foster system. Their evidence could lock up Guernsey County Ohio demons for Crimes Against Humanity.

A Feb 23, 2026 police raid silenced Jeannine.

In Nov 2025 the Ohio Child Protective Service (CPS) stole Kaitlynn from her loving home and placed the eleven year-old into 7 years of hell – rapes, beatings, starvation, no medical care. She escaped at 16, but they eventually found her living at home and dragged her back to danger.

Her mother Jeannine was hit with fake psych holds, no-contact orders, plus was forced-drugged.

Grandmother Betty was medically murdered in **Jan. 2026** – denied meds, sepsis in filth, skull hole from head drop. Coroner lied that she died of “natural causes.”

Ohio CPS, Courts, UK Crown, CIA, American Bar were believed to be in cahoots with each other to traffic kids for cash.

Ohio Judge David Bennett appeared to be in the process of stealing Betty's land, even though it was sold prior to her death to a private entity.

Ohio Court Clerk Jennifer Johnson regularly grabs millions in trusts.

D. BEWARE of Scammers, Especially on Telegram, where they still have numerous accounts under my name and picture that I have never set up, nor reported on. They quote me on things I have never said, nor written. Evidently people have written me there on a chat, but they do not give me access to the chat so I have no idea what the readers are told. I'm sure many of the accounts there suffer the same problem. Although Telegram is a great place for information, you have to discern what is right or wrong – especially when they ask for money for products, or to set up wallets on the new financial system. It is my understanding that you have to set up your wallet on the new financial system in person at a official Redemption Center, and that set up is free.

Seizure of Stolen Wealth: The Military Alliance is conducting mass asset seizures, taking back trillions stolen by the globalist elite. These funds will be returned to the people.

The IRS Is Being Abolished: The corrupt tax system, designed to funnel wealth to the elites, is OVER. A new fair tax system is replacing it—one that eliminates income tax and introduces a small, flat sales tax on non-essential goods.

The Global Currency Reset Has Started: Every GESARA-compliant nation is transitioning to a gold-backed currency. The fiat dollar? Finished. The U.S. Treasury gold-backed dollar is becoming the global standard.

The IMF and World Bank Are COLLAPSING: For decades, these institutions enslaved nations with predatory loans and economic warfare. Now? They are being dismantled.

L. “Ken and Barbie vs. Goliath IRS” Update:

Ken Cromar presently sits in prison having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar’s favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living.

February 24, 2026 Day #909 - behind enemy lines

Re: “Ken and Barbie vs. Goliath IRS”

Dear Pro-America Friends and Family,

Good news update: We fixed the minor technical tweaks requested by the Supreme Court Clerk on my filing made a week ago and shipped it out immediately. Apparently due to the "Cyclone Blast" snow storm pounding the East coast it took a full week to get there. I'm happy to tell you it was picked up by SCOTUS staff from their Post Office in Washington DC at 7:40 this morning. Thanks, your prayers have worked. Hallelujah!

My case should be docketed as an official case for consideration by the Supreme Court of the United States by Friday, assuming all goes according to normal procedure and barring any unforeseen surprises.

As previously explained, SCOTUS's next step is their private "Conference" where all the Justices vote on which cases they may consider officially hearing under a Writ of Certiorari. If four or more Justices vote in favor of hearing my case then it will be presented in open court before all nine Justices -- and the world. I wonder if they would let me out of prison to attend my own Supreme Court hearing?

What are our chances of my case being heard? Not very good at all.

The odds are only one in a hundred! So, that's pretty much the definition of "impossible". And, when you add on top of that, that this case strikes at the heart of the evil Deep State's funding mechanism via the IRS and the Fed, they use to grease "the machine" of controlling this country and the world -- the odds against my winning at the Supreme Court go up steeply.

A guess of one-thousand-to-one doesn't even come close. Not even a-million-to-one. What's the national debt? \$33 trillion? Well, there's the likely betting odds. So, if you take my case's chance of winning to oddsmakers in Vegas, you'll probably be able to place a bet on "Paul Kenneth Cromar to win" at 33,000,000,000,000-to-one!! With God, nothing is impossible. If you are a gambler (I'm not), and make that bet, you could be rich!!!

This means we're talking about a genuine "Moses-parting-the-Red-Sea" level of MIRACLE needed to win at the Supreme Court. PERFECT! It's absolutely and unequivocally "impossible" to beat the IRS at the Supreme Court, which makes it a perfect opportunity for a miracle. I LOVE it. We've got 'em right where we want 'em!

"For our struggle is not against flesh and blood, but against principalities, against the rulers, against the authorities, against the powers of this dark world, and against the spiritual forces of evil in the heavenly realms. And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep praying for all the Lord's people." (Ephesians 6:12,18 NIV)

I need your help please? I'm now in a major prayer mode asking -- no pleading -- to be able to pray for a "God-sized" miracle. Will you please consider joining Barbara and I and continue praying for this God-sized miracle?

People have said, "Ken, aren't you just a lying tax cheat & tax protestor?" Not at all. The exact opposite. I believe that taxes are necessary to run lawful government. But, Barbara & I have made a stand that we pay every lawful Constitutional tax, but we do not pay un-Constitutional federal income tax as illegally imposed by the IRS. At trial, the prosecution went to great pains to prove that the IRS has not received our federal income tax filings for 30+ years. That does not hurt our position, but instead helps us!

The law requires that either we (Barbara & I) or the Commissioner of the IRS (or his designee) sign the tax liability to make it legitimate and legal. We didn't sign, and the Commissioner of the IRS has never signed one -- because he won't take on the liability for something he knows is not lawful!

Barbara and I have stood on principle and the Law of the Land which is the Constitution -- and now we pray that at least 5 of the 9 Supreme Court Justice will, against incredible pressure and the forces of darkness -- do the same.

TEASER: People wonder how we can possibly save our country from these "Principalities ...rulers ...authorities...powers of this dark world...and the spiritual forces in the heavenly realms"? It's impossible, right?

No! It is possible. In my next email I will explain what would happen if SCOTUS were to use Barbie & Ken to push aside the IRS and return to a Constitutional "federal income tax" replacement. I think you will be surprised. Goliath needs to go down. Stay tuned.

May God Bless America and Make Her Free and Great Again!

O. Juan O Savin on Telegram BREAKING: JUAN O SAVIN UPDATE – MEXICO BUFFER ZONE ACTIVATED, CARTELS CRUMBLING UNDER TRUMP'S IRON FIST AS WORLD CUP 2026 LOOMS! ...Juan O Savin on Telegram

The storm is raging south of the border, patriots, and Juan O Savin just dropped the hammer on what's really unfolding in Mexico right now in late February 2026.

Claudia Sheinbaum has flipped – she's no longer playing games with the cartels, China, Cuba, or the Deep State puppets pulling strings.

Negotiations are locked in for a massive buffer zone stretching 10 to 30 miles deep into Mexican territory from the U.S. border, a no-go area where American and cooperating Mexican forces will crush the narco-terrorists once and for all. This isn't invasion – it's liberation with full permission, intel sharing, and boots ready to roll if Mexico needs the extra muscle to finish the job.

Sheinbaum was airlifted out for her safety as the pressure mounted – cartels threatened her life, China and Cuba pulled levers, but Trump's resolve forced her to pick a side. And she chose the patriots.

Mexican police and military, long infiltrated, are now turning on the cartels with stunning raids. They knew exactly where El Mencho was hiding for years, but now the heads are rolling.

The Jalisco New Generation Cartel and Sinaloa scum are getting hammered, fentanyl pipelines severed, and thousands of deaths – both Mexican citizens and Americans poisoned by Chinese-supplied poison – will finally stop. This is biblical justice unfolding before our eyes.

The grip of communist narco-states is breaking everywhere – Venezuela's monsters neutralized after Trump's precision strikes, Cuba's massive embassy

influence in Mexico City exposed and dismantled, even South Africa's white farmer killings spotlighted as the racial genocide it truly is.

No more denial from fake news like Anderson Cooper.

The same evil networks run through L.A. County, with Mayor Bass as a Cuban puppet tied to election fraud – watch her empire unravel as the communist stronghold in America crumbles next.

Threats remain on U.S. soil – subs with nukes, buried devices from Cold War rumors, cargo ships smuggling horrors – but the White Hats have neutralized the big organizers first. Raids here cut off cartel backers, ensuring no retaliation as we push south. The cartels are terrified; they know Blackhawks, Apaches, and elite teams are coming if they don't surrender. No mercy for those poisoning our kids with fentanyl – hundreds of thousands dead, but Trump won't let it continue.

This all ties to the 2026 World Cup in Mexico – it will happen, secured under a cleaned-up grid system dividing the country into zones for policing.

Northern border hotspots like Juarez will heat up, but with U.S. assistance, cartels get wiped out.

Innocent casualties are gamed in, but letting these demons rule forever is no option. Trump tightened screws on Venezuela, Iran carrier groups in place – same playbook crushes Mexico's evil.

The Deep State, Epstein blackmail rings, honey traps in high office – it's all connected.

Patriots, the Republic rises as this narco-communist web gets torn apart. Trump's will makes it happen where others failed.

Stay vigilant, stock up, pray – the Great Awakening accelerates, cartels fall, freedom wins. The storm is here, and victory is near. Where we go one, we go all!

P. Thurs. 26 Feb. 2026 BREAKING: CARTELS IN CHAOS AFTER EL MENCHO TAKEDOWN – MEXICO ON FIRE, BUFFER ZONE ACTIVATED, DEEP STATE PUPPETS EXPOSED AS TRUMP'S PLAN UNFOLDS! ...Juan O Savin on Telegram

The storm has hit Mexico hard, Patriots! Just days ago, the Mexican military, backed by razor-sharp U.S. intelligence straight from the Trump administration, took down the untouchable cartel kingpin Nemesio "El Mencho" Oseguera Cervantes, head of the Jalisco New Generation Cartel (CJNG). This monster, responsible for flooding America with fentanyl poison

and slaughtering thousands, met his end in a fierce dawn raid. He was fatally wounded and died en route for treatment – a massive victory for justice that the fake news barely whispers about!

But the cartels aren't going quietly. In retaliation, CJNG thugs unleashed hell: burning trucks and vehicles on highways, blocking major roads with flaming barricades, turning cities into war zones. Puerto Vallarta, once a peaceful tourist haven, became a ghost town overnight. Citizens report no police or military in sight at first, everyone ordered to shelter in place – don't go out, it's not safe! Families frantic as loved ones stuck on errands can't get home because roads are sealed off with torched semis parked sideways. Businesses shut early, schools canceled all the way through university level, no taxis, no transport – pure Mad Max scenes on the streets of Jalisco and beyond!

This is no random flare-up. It's the death rattle of a narco-empire crumbling under pressure. President Claudia Sheinbaum, long accused of cartel ties and deep communist leanings, has flipped under Trump's iron grip. She's negotiating a buffer zone – 10 to 30 miles deep into Mexico from the U.S. border – where American tech and intel will help crush labs and operations. No invasion needed; just permission granted because the evidence Trump holds is overwhelming. Sheinbaum was reportedly whisked away on an air force flight for safety as the heat turned up – proof she's in a vice between cartels, China, Cuba, and now real American power!

The Deep State puppets are panicking. Cuba's massive embassy in Mexico City, a hub for communist control over the region, is losing its grip. Venezuela's Maduro extraction set the template – now Mexico follows. China's fentanyl precursors? Cut off. The cartels grew fat under Biden's open borders, doubling in tech, drones, armored vehicles – but Trump's superiority in warfare and intel changed everything. U.S. assets didn't even need boots on the ground; just precise data handed over, and Mexico executed.

Watch for escalation: narco-blockades spreading, desperate attacks on border areas like Tijuana and Juarez. Cartels threatening drone strikes, showing off in front of U.S. cameras to intimidate. But they're vulnerable now – leaderless wasps buzzing after the nest got smashed. Infighting brewing, with pretenders like "Yogurt" popping up in videos claiming control, bold but doomed.

This is the awakening Patriots have prayed for! The communist grip on LA County, Mayor Bass puppets, South Africa's white farmer killings – all linked in the global cabal web. Trump is dismantling it piece by piece. No more narco-states tolerated on our doorstep. The buffer zone is going live, cartels pushed back, sovereignty reclaimed.

Q Anons, stay vigilant – the storm is here, but light is breaking through. Trump promised to end this poison flow, and he's delivering. The white hats are winning big! Pray, prepare, and watch the dominoes fall. The best is yet to come – tribunals next?

Q. Thurs. 26 Feb. 2026 CHECKMATE!!! The Black Swan Event: Financial Collapse, Blackout & a Radical Reset ...Ezra Cohen on Telegram

A looming Black Swan Event could trigger a massive financial collapse, wiping out the stock market, Bitcoin, and cryptocurrencies alike. The fallout may extend beyond finance, disrupting critical infrastructure — even the power grid. As panic spreads, the Emergency Broadcast System (EBS) could signal a dramatic turning point, marking the end of the old financial order and the beginning of a new era.

Financial Collapse on the Horizon. This wouldn't be a normal correction. With soaring debt, heavy central bank intervention, and fragile markets, the system stands on unstable ground. If it unravels, both traditional markets and digital assets could crash simultaneously, shaking global economies and confidence worldwide. The ripple effects could disrupt trade, banking, and daily life.

A Global Blackout & System Reset In this scenario, infrastructure failures could lead to widespread blackouts, symbolizing the collapse of outdated systems. Supporters of this theory believe the crisis would clear the way for a total reset — not just financially, but energetically.

The New Era Following the chaos, a transformation could emerge, shifting from conventional energy systems toward advanced technologies such as quantum-based power concepts. Proponents claim this reset would reshape global power structures and economic systems.

R. Thurs. 26 Feb. 2026 Trump Commands the Last Storm: Mass Arrests Explode, Q Plan Unleashes, EBS Imminent – Cabal Crumbles Now ...Project Odin Martial Law on Telegram

The storm is raging with full force, patriots. In late February 2026, President Donald J. Trump leads the charge to restore the Republic through the unbreakable Q Plan, which will destroy the Satanic Deep State for good.

The Quantum Financial System, which is backed by gold, went live in 209 countries, ending fiat debt slavery. Banks that don't follow the rules will close down. No more fake money printing or controlling people's lives through debt. Accounts are safely mirrored in the QFS blockchain, can be traced back to their source, and are ready for the biggest transfer of wealth in history.

A lot of people were arrested. The global military alliance led by Trump raided Rome, Brussels, London, and DC. More than 500,000 members of the Satanic Network were arrested overnight, bringing the total number of arrests to more than 8 million as sealed indictments were made public.

Epstein's terrible things came out: cloning kids at Zorro Ranch, adrenochrome from kids who were tortured, and blackmail empires falling apart.

Elites, Hollywood stars, and political puppets are all facing Gitmo trials. Executions are speeding up, and justice is being served for the crimes of humanity.

Children got their revenge—there was no mercy for monsters who fed on fear to stay alive.

The shift is protected by the 10–12 day global blackout and martial law. EBS starts up through Starlink, taking over media satellites.

Ten countries show truth videos in 55 languages about things like saving children, bio labs, election fraud, and courts—raw exposure.

Stay home and pray. This 10-day movie marathon wakes people up while the good guys get rid of evil.

Starting now, darkness will sync with the 48-hour GCR/GESARA wealth blackout.

There are redemption centers close by. You can only get contract rates for Zim, Dinar, and VND at official sites. Banks will cheat you.

Tier 4b prosperity packages are ready, and rates are going up.

Med Beds will be available in mid-March 2026. They will heal everyone for free, regardless of wealth or location, and get rid of cabal poisons and cancers.

Trump's State of the Union speech starts a war—no Congress needed. Explosive drops: live Cabal layers are shown, big names are named, evidence drops, and a republic is declared against Biden's remnants.

Deep state is in a panic: rats are running away, files are being burned, and paths are being blocked.

The Mar-a-Lago plot failed, the cartel king El Mencho was killed, and the Iran plots were stopped.

The Supreme Court traitors were exposed, tariffs went up, the dollar crashed, and gold, silver, and other commodities skyrocketed.

Adrenochrome hell ends—an elite black market for tortured kids, linked to trafficking, Mossad media, and rituals.

Military technology exposed pedophiles and made them give up. Clones and doubles fall.

Election fraud floods: a lot of illegal people registered, ballots were backdated, and votes were stolen in 2020. Trump became the real leader.

Biblical judgment. The empire of Satanic pedophiles dies in the bright light. Money disappears, debt is wiped out, and abundance grows.

Keep cash on hand, get ready, and trust the plan. God wins.

Fireworks are bigger than July 4th. We all go where we go. We have won now!

The Great Awakening just smashed Europe like a thunderbolt. Days ago former Prince Andrew was reportedly detained, then Peter Mandelson – untouchable Labor titan, Rothschild yacht companion, Epstein intel conduit – arrested for passing classified government secrets.

Next day, Norway's ex-PM Thorbjørn Jagland, Nobel architect who gifted Obama the prize mid-drone spree, charged with Epstein-linked corruption and now hospitalized after alleged suicide attempt.

Three untouchables down in a week. This isn't about girls anymore. It's classified intel flowing to Epstein's network – blackmail, extortion, global control via Five Eyes + Mossad. The old pedo-island script is dead. The real monster is emerging.

Mandelson: communist roots, Ghislaine circle, Deripaska deals, Jewish Chronicle lineage. Jagland: Socialist International boss, EU fanatic, Nobel puppet-master. Teflon demons until the shield vanished.

Q Drop 916 rings true: “We are saving Israel for last.” Europe's stage is perfect – Trump stays neutral, hands clean, while Democrats and globalists howl for full Epstein release. Poland launches government task force, declares files a national security threat. More nations joining. Cure spreading worldwide exactly as foretold.

Israel in crosshairs. When it breaks here, it's demanded justice, not politics.

Anons, the storm isn't approaching – it's raging. Europe ablaze, clowns exposed, swamp draining globally. Trump directs from shadows while the world chants his name. The endgame is live. Buckle up patriots – judgment day accelerates.

Upon implementation of the Global Currency Reset the Cabal will be losing their money supply and they are hot and heavy to SCAM anyone in any way they can.

Judy Note: There are 84 platforms on Telegram under my picture and name Judy Byington. Be aware I have NO platform on Telegram. I do not write on Telegram. Anything written under my name on Telegram was not authored by me.

Speaking of Telegram, there appears to be a huge scam going on Telegram where under the name of some notable Q Movement person they promise to set you up on a QFS Wallet if you send them around \$2,000 or more. This appears to be a scam as setting up your QFS Wallet is supposed to be free to the best of my knowledge.

Watch out for: Anyone advertising they will reimburse you for the TRB Trump Products, or set you up on a Quantum Account asking for money to do it. (They use fake accounts and AI to make you think you are dealing with Trump, Tucker Carlson, etc.)

Also watch out for the HSBC Quantum Token/Bitcoin Scam, the TRB Trump Products Scam, the Dave XRPLion Impersonator Scam, the Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and any other website that asks that you give them your personal identification to register for a QFS Account and/or receive a pay out on TRB products.

DO NOT exchange currency or Zim Bonds anywhere but at a licensed Redemption Center where you will get the highest rates possible.

The HSBC Quantum Scam: They claim they've successfully applied "quantum technology" to buy and sell tokenized physical gold. The trick is when you buy the tokens or Bitcoin they keep the gold and have complete control over your bank account.

Report your TRB Scam experience to:
