***“Freedom always cost someone something. Thank you to those who gave everything for ours.”***

...President Donald J. Trump

**Judy Note: On Fri. 6 Feb. 2026 FBI Director Kash Patel announced,** *“We are near – so close I can already see you on the other side. It is no longer a question of if or when. There will be events occurring shortly, but you are ready. We are about to enter a wormhole that will alter the Global Political and Economic Systems forever. The Storm is upon us. The time has come – time to shock the World. **Green Light tonight at midnight 11:11: The Great Reset.**”*

**Last week on Sun. 1 Feb. 2026 President Trump restored the Constitutional Republic under Common Law** and welcomed in the Greatest Wealth Transfer in History by activating the Quantum Financial System (QFS) across the Globe – 100% live gold/asset-backed currencies confirmed in 209 nations. The Global Currency Reset (GCR) has begun.

**President Trump, true Commander-in-Chief under emergency powers,** did it all by activating the full Q Global Military Alliance Sting Operation that's been planned since Lincoln to “Save The World.” The Plan was rock solid. Cheyenne Mountain, Raven Rock, Site R – all synced for the first time in decades.

**Trump elite Special Forces teams** were raiding nationwide and worldwide, zip-tying high-value Deep State targets — politicians who rigged elections, Hollywood sickos, Big Pharma poison pushers, Vatican pedo networks, Soros puppets, fake news tyrants, and child traffickers — no mercy, no escapes, straight to expanded Guantanamo tribunals roaring day and night!

**This restoration has been decades in the making. Back in 2018** Cabal Deep State Banks began losing control of their monies when the privately owned-by-foreign bankers Federal Reserve finalized their bankruptcy of the fiat US Dollar. The affair was covered up as a “Mortgage Crisis” and then a blackmailed Congress approved billions more of US Taxpayer dollars to bail everyone out.

**Now the reign of the Satan Worshipping Cabal was ending. They are out of money.** In the last few days Banks like America First and Chase have begun freezing personal bank accounts. Get your money out NOW. You may need cash to survive the 72 Hour, or Ten Days of Darkness (we don't know which at this point).

**With the QFS online,** Satan Worshipper's Deep State's assets were being frozen. There would be no more fiat slavery. The Cabal's fiat Federal Dollar was set to officially die on **Sun. 1 March 2026.**

**The formerly privately owned Federal Reserve will now be government owned under the US Treasury.** Trump has announced no more income tax. The Internal Revenue Service (IRS) was turning into the External Revenue Service (ERS). Trump has sent IRS agents

to investigate fraud found by the DOGE Audit . The government will be financed through tariffs and a 14% tax on purchase of new items only. No taxes on food, or medicine.

**With the Global Currency Reset came** many other ways The People of the World would experience freedom. One was freedom from health problems with Med Bed centers fully operational in 205 nations by **mid-Feb.**

**Another was suppressed tech releases** – all dropping post-EBS.

**The most significant was The People's freedom from debt.** Trump's mantra was to take from the rich that which had been stolen and give it back to the poor who had earned it in the first place. NESARA/GESARA would be fully executed. Debt forgiveness, prosperity packages funds would give The People back that money and it would automatically be deposited in personal QFS wallets (formerly known as bank accounts).

**With Redemption centers guarded by Special Forces** – Tier 4b (Us, the Internet Group who hold foreign currency and Zim Bonds) notifications could hit your inbox at any moment to set exchange/redemption appointments.

**The old SWIFT Banking system? Expired and buried.** Bankers who resisted were vanishing – over 700 licenses revoked already. Whistleblowers were cashing massive payouts while the Cabal's assets were being seized for The People.

**Who was at fault for the fall of the Cabal's Federal Dollar? Just about all of Congress, federal judges including most of the Supreme Court and their NGOs.** In the last 90 days alone 47 Congress members announced that they won't seek re-election. Federal judges were stepping down in droves "for personal reasons."

**Fake News Mainstream Media Anchors** were also disappearing without explanation. Government Agency directors and CEOs were silently taking unexplained early retirement. These same people were suspected to be part of the massive fraud schemes uncovered by DOGE Audits. Some believed blackmailed by the Epstein pedophile network, were now suddenly retiring with "health issues," selling their homes, liquidating assets and moving other unreported assets offshore. They were re-locating in non-extradition countries; hiring criminal defense attorneys and always on the way out, attacking Trump.

**Why Trump?** Because as head of the White Hat Global Military Alliance he was acting on over 500,000 federal indictments compiled by special investigators and taken to state Grand Juries since he first took office in 2016. Multiple high level sources confirm that the final sequence of The Plan has activated and mass arrests were occurring worldwide of Satan Worshipping traitors.

**There were 20,000+ troops,** plus foreign allies in position across 360 cities. They were carrying out arrests of thousands of Satan Worshipping, Pedophile Child Sacrificing Traitor

Deep State Global Elites. Covert raids hitting minor and major cities including DC, London and the Vatican.

**Sealed indictments were ripping open**, C-130s landing under cover of night loaded with operators. Predator drones circling cartel strongholds 24/7. All of which were filling fast GITMO's expanded wings with the biggest names in child trafficking and treason.

**Mexican generals received Trump's ultimatum:** flip or disappear – half already turned. This was the hammer Q promised.

**The Military White Hats and Space Force were now in full control.** The Musk Starlink constellation satellites were locked and loaded for a ten day Truth Drop. Within hours Mainstream Media satellites would be offline. Media towers would be silenced.

**On Fri. 6 Feb. 2026 this Emergency Broadcast System activated** in 100 US cities, with a Global rollout of the EBS expected within 72 hours.

**Expect power fluctuations**, internet blackouts in select zones, cell service interruptions – all part of the controlled takedown to protect civilians during Trump's Mass Arrests.

**Prepare for a 48 hour communication blackout**, along with lockdown – no more Deep State censorship, no more fake news feeds, only documentaries expounding truth across every TV, Radio and Internet Broadcasts worldwide.

**Expect ten days of media silence** as the Military controlled communications and spit out Emergency broadcasts revealing EVERYTHING: The crimes. The networks. The names – all played on loop for the world to see.

**When the lights come back on**, the world will be different. The cabal will be gone. The system will be new. YOU will be free.

#### **A. Possible Timing**

**On Sun. 1 Feb. 2026** the new gold/asset-backed Quantum Financial System went 100% live across the Globe. The QFS was now the only operational financial system on the planet. Legacy banks were ghosts – empty shells with no power.

**Thurs. 5 Feb. 2026:** EBS Activated. The White House triggered the final phase. EBS signals went live across Starlink – Military overriding all Mainstream narratives as appropriate. **As of 00.01 Thurs. 5 Feb. 2026**, the Quantum Financial System fully synchronized with Nesara Gesara protocols.

**Mon. 9 Feb. 2026:** Gold/asset-backed Global Currency Reset goes live and implemented. No more fiat currency manipulation

**On Sun. 15 Feb. 2026** Mass QFS on-boarding for the General Public would begin.

**On Sun. 1 March 2026** the Deep State Cabal's Federal Reserve fiat US Dollar no longer accepted for payment.

**Mid-March 2026** expected completion of 200+ dedicated Med Bed Healing Centers worldwide.

**April 2026:** Med Beds accessible in EVERY country, prioritizing children, veterans, trafficking survivors, and the critically ill first.

## **Global Currency Reset:**

### **B. Fri. 6 Feb. 2026 What you need to know about the Global Currency Reset:**

**Reclamation:** The return to a better state. This is about more than just land or money; it's about restoring what was taken by the elites through their criminal systems. NESARA will do that for U.S. citizens.

**Restitution/Reparation:** Compensating for the years of illegal taxes, loans and the financial enslavement we've suffered. The income taxes, mortgages and credit cards? They've been used to keep us as chattel, with bonds taken out against our very lives from birth certificates to social security numbers.

**Who's Eligible? Those aged 24 to 61+** are in line for massive lump sums depending on their age group: • 61+: Up to \$61 million • 45-60: Up to \$38 million • 24-44: Up to \$23 million. This payout is reparation for the wrongs committed against us.

**NESARA & QFS Plan:** The Process of RV Redemption Started, Actual Signature Forms like NDA and Post-Redemption Plan Documents – Inside the Exclusive World of Redemption Centers!

**The process of RV redemption is unfolding**, and it's about more than just money. This is about reclaiming what's been stolen from us by the cabal, Deep State, and banksters. Redemption Centers are where we take back control, where NESARA/GESARA protocols are in full effect. At these centers, we the people will receive higher exchange rates, QPhones, QLaptops, and even Rainbow Currency. If you've prepared your Humanitarian Initiative Trust, you're in prime position to benefit. This isn't just a financial reset-it's God's plan, working through us to help humanity.

### **Redemption Types:**

**Currency Exchange:** For those with ZIM bonds, dinar, and dong, you're looking at double-digit rates at Redemption Centers, with gold-backed values. The ZIM bond is 1:1 to the new USTN dollar. You'll be asked to allocate a portion of your funds for humanitarian projects-we're not just saving ourselves; we're saving the world.

**XRP Buyback:** There's a \$1 million per token value on XRP set by the QFS, already mirrored into Quantum Accounts. This buyback is part of a larger strategy to stabilize global markets and root out the evil.

**This is About More Than Money.** This is about justice, about freedom, and about taking back what's ours. The deep state's grip is slipping, and this process is the path to redemption. The time is now, Patriots-we must stand ready to rebuild and restore.

**C. Fri. 6 Feb. 2026 Worldwide EBS, 72 Hour Blackout, GCR Rollout.** ...FBI Director Kash Patel

**On Sun. 15 Feb Mass QFS on-boarding for the General Public would begin.** Based on internal comms from secure servers, EBS (Emergency Broadcast System) or a parallel encrypted alert system may go live to inform the public of their next steps. Texts. Emails. Push notifications. Everything is set to go.

**Each citizen will receive:** • A one-time secure code

**Instructions for wallet activation** • Confirmation of debt wipe status • Access to the sovereign fund dashboard.

**I (FBI Director Kash Patel) will be walking everyone through the process** when the alerts begin. I've tested the system. It works. And the interface is beyond anything we've used before.

**We are just days away** from the global financial reset we've all been preparing for.

**.. Fri. 6 Feb. 2026 CONFIRMATIONS JUST IN: FINAL TRIGGERS ACTIVATED!**

...Tier4b ISO 20022 on Telegram

**High-level banking insiders report** that [TIER 4B] notifications are already being prepared for release within HOURS.

- **The system is moving** at an unprecedented speed, with historic transactions now confirmed in Hong Kong, London, and Dubai.

- **This is the moment** we've all been waiting for, the full-scale transition to the gold-backed financial system is now irreversible.

### **GLOBAL MARKETS IN PANIC MODE!**

**The old fiat system is collapsing in real time.** Multiple major banks are seeing liquidity shortages as large transfers are being redirected into the new system. Sources from inside the IMF confirm urgent, behind-closed-doors meetings, they know their control is slipping.

**The end of the Central Banking Cabal** is unfolding before our eyes!

### **BANK SCREENS LIGHT UP WITH FINAL RATES!**

**VND: \$5.12** – Holding but expected to surge post-announcement.

### **ZIM & OTHER CURRENCIES: FINAL ADJUSTMENTS IN PROCESS!**

**D. Fri. 6 Feb. 2026 ATTENTION: PAYMASTERS REPORT FULL RELEASES!** ...Tier4b ISO 20022 on Telegram

**Private transaction platforms in Reno and Zurich** have received direct confirmations that Tier 1 & Tier 2 payouts are FINALIZED.

**Tier 3 & [TIER 4B] are next.** If you're part of the private groups, GET READY NOW!

### **MILITARY MOVEMENTS CONFIRMED – SECURING THE TRANSITION!**

- **Intel sources confirm** heightened security around key financial hubs.

- **Private security details** have been activated in Reno, Zurich, and Dubai. Special Ops teams are ensuring that NO foreign interference disrupts this monumental shift in global power.

**THE FINAL PHASE IS UNDERWAY!** The pieces are falling into place faster than anticipated. The old world is crumbling, and the new financial era is about to rise from the ashes.

**Judy Note:** It is advised to exchange/redeem your foreign currency at an official Redemption Center (RC) rather than a bank. You can only redeem Zim at a RC, the Dinar Contract Rate can only be given at a RC and banks will offer you lower exchange rates (such as above) than what you can obtain at a RC.

### **Restored Republic:**

**E. Fri. 6 Feb. 2026 My fellow Americans, This is John F. Kennedy Jr.** speaking to you after years of silence. I was forced underground for your protection—and for mine. But now the truth must come out. The same corrupt families who assassinated my father... who rigged your elections... who trafficked your children... still rule your world from the shadows. I've spent the last two decades gathering evidence, working with patriots, military insiders, and whistleblowers from around the globe. What we've uncovered is darker than anything you've been allowed to imagine. Human sacrifice. Bio-warfare. Underground facilities. Fake wars. Staged events. It all leads to one Cabal. And yes—we have the names. Yes—we have the documents. Yes—we have the video. I am now preparing to go live and reveal EVERYTHING. But time is short, and they are trying to block this message before it spreads.

**Sealed indictments unsealing by the avalanche** — thousands per hour! Over 3.7 million traitors already detained in recent waves, more vanishing hourly as black vans roll at 3 a.m., DUMBs breached, adrenochrome horrors destroyed, black budget ops seized. Trump's dire

warnings are real: surrender or face military justice swinging hard — the look in his eyes says it's over for them. Juan O Savin echoes it loud: the 2020 steal declared National Election Emergency, Constitution enforced by military authority, fake regime crumbling at warp speed!

**. Fri. 6 Feb. 2026 BREAKING BOMBHELL: JUAN O SAVIN & DAVID NINO RODRIGUEZ DROP THE HAMMER – HILLARY CLINTON TRIED CALLING TRUMP'S BLUFF AND GOT EXPOSED IN REAL TIME!** ...David Nino, Juan O Savin on Telegram

**Patriots, wake up and pay attention** because the storm is raging harder than ever right now on February 6, 2026! In this fresh drop from the front lines, Juan O Savin teams up with David Nino Rodriguez to unleash pure fire on the deep state's crumbling empire. The big headline? Crooked Hillary Clinton just made a desperate move—she tried calling Trump's bluff, thinking she could still pull strings from the shadows. Big mistake. HUGE!

**Juan lays it out crystal clear:** the witch from Arkansas is panicking as the noose tightens around the entire cabal. She's watching her old tricks fail one by one—blackmail,

threats, fake leaks—and now she's scrambling to negotiate or intimidate. But Trump and the white hats aren't playing games anymore. Military intelligence has everything locked down, and the bluff-calling backfired spectacularly. Hillary's attempt only proves how terrified they are of what's coming next: mass exposures, sealed indictments flipping to public executions of justice, and the final takedown of the pedo-elite network she's been neck-deep in for decades.

**Nino brings the heat too**, connecting the dots on how this ties straight into the ongoing civil war inside the government. The white hats are in full control behind the scenes, prepping for the big reveal that will shake the world. EBS alerts are primed, alliances with foreign patriots are solidifying, and the deep state's house of cards is collapsing faster than you can say "lock her up." Juan hints strongly: expect fireworks soon—names dropping, arrests rolling, and the public finally seeing the real Epstein files unredacted, with Hillary's fingerprints all over them.

**This isn't just talk, anons.** It's confirmation that Trump's second term is the cleanup operation we've prayed for. The plan never stopped. The military is moving pieces we can't even see yet, and every desperate act from these demons—like Hillary's pathetic bluff call—only accelerates their doom. The Great Awakening is hitting critical mass!

**. Fri. 6 Feb. 2026 BREAKING NEWS: CHASE IS TARGETING BTCOINERS AND BLOCKING BANK ACCOUNTS ...The Silent Majority on Telegram**

**Chase Bank Story WTF: This actually happened to (an anonymous me) today.**

**My bank account was blocked and is now scheduled to be terminated.** I literally don't have access to my own money, not even to buy food. Chase told me they will mail all my money back to me in a paper check, which will arrive in about 4 to 5 weeks (business days). That check can only be deposited into another bank account in my name in the USA. And here's the fuck up part: I cannot open another bank account right now because they placed an OBS flag on my Social Security Number.

**What triggered all of this?** I tried to liquidate 68% of my fiat savings to buy Bitcoin. Today is February 5. Bitcoin dropped to \$65,000 per coin. I normally buy BTC calmly: monitor the market via my own node and wire money from Chase to Strike.

**I usually move about 10% of my paycheck** each month to buy BTC... I've been doing this since August and no problem. But today was different. Instead of 10% of my paycheck, I wired almost 68% of my entire savings account. Two hours later, I received a text from Chase (see the 3 screenshot below) telling me to call them. I did. They asked me many questions. I answered them. At the end of the call, they said: "The wire will not proceed because you answered one question incorrectly."

**I replied:** "Impossible. Which question?"

**They said:** "We cannot tell you. Your account is now blocked and will proceed to termination within 10 business days." Then he hung up.

**I immediately run to Chase** branch where I originally opened the account; with the same employee, to find out that is going on. He reviewed everything, called Chase Fraud himself, spoke to them directly...and still couldn't resolve it. I made a writing complaint to have some answer, otherwise I will take legal actions.

**Here's the insane part:** Chase refused to tell even their own employee why my account was blocked. They refused to explain and told that in 10 business days, they will decide whether to terminate it !?

**The employee apologized** and told me something alarming: "This has been happening to a lot of people recently, especially those trying to buy Bitcoin."

**I asked why.** He said he didn't know.

**Now the real night fucking mare:** In 10 business days (2 weeks), Chase will decide if my account is terminated. If it is terminated it will take another 10 business days (another 2 weeks) to receive all my savings by paper check on mail. But wait; here's the catch:

- That check can ONLY be deposited** into a U.S. bank account in my name

- I cannot open a new account** because of the OBS flag on my SSN

•**I cannot deposit** the check into my husband's account

•**And my paycheck** from Norwegian is linked to this blocked Chase account

**This is a Catch-22.**

**Thank God I still have my Norwegian DNB bank account.** I can't buy BTC with it, Ok..., but I have a literally \$2k there to survive while Chase motherfuckes holds my money hostage. I also have a Norwegian credit card,... I do hate credit card. I only use cash because I refuse to help those parasites... that credit card is only for emergency, like today

**My husband, who doesn't believe in Bitcoin,** refused to lend me some money until I resolve the Chase issue. He said: "Sell some Bitcoin if you really need cash. You put yourself in this situation...get yourself out of it.

**I told him, ok, I have \$2k in Norwegian account,** when that runs out, I'll sell my watch, then my gold chain, and if I need I will sell my old pussy, until I get paid...But I will never sell my Bitcoin

**If your money is in a bank,** it is not yours. It never was. And it never will be. Chase is doing this on purpose, targeting BitCoiners who self-custody and run nodes (like me), making it harder on us, so we need to liquidate our BTCs just to survive.. I Register In QFS.

## **. Voter Fraud**

**Fri. 6 Feb. 2027:** Massive voter registration fraud exposed in Pennsylvania during the 2020 election. All the voter registration applications contained the same handwriting, contained the same date with unknown signatures not matching anything contained on file. ...Q The Storm on Telegram

**Fri. 6 Feb. 2027:** Director of National Intelligence Tulsi Gabbard led an investigation into Puerto Rico's voting machines last May, according to a new Reuters report. Citing similar voting infrastructure across the United States, her office said the Office of the Director of National Intelligence identified "extremely concerning cybersecurity and operational deployment practices that pose a significant risk to U.S. elections." ODNI said some vulnerabilities in Puerto Rico's voting machines stemmed from the use of insecure cellular technology, along with software flaws that could allow hackers deep access into critical election systems. "Given ODNI's broad statutory authority to coordinate, integrate, and analyze intelligence related to election security and our known work on understanding vulnerabilities to foreign and other malign interference, ODNI conducted an examination of electronic voting systems used in Puerto Rico's elections," an ODNI spokesperson said. In April 2025, Gabbard told a Cabinet meeting that her office had obtained evidence showing U.S. electronic voting systems have long

been vulnerable to hacking. "We have evidence of how these electronic voting systems have been vulnerable to hackers and vulnerable to exploitation to manipulate the results of the votes being cast," she said, adding that this supports the push for nationwide paper ballots so voters can trust the integrity of U.S. elections. ...Dan Bongino on Telegram

## **Epstein Files:**

**. Fri. 6 Feb. 2026: FULL DISCLOSURE! DERSHOWITZ CONFIRMS HE HAS EPSTEIN'S CLIENT LIST — FEDERAL JUDGES BLOCKING RELEASE TO SHIELD ROYALTY, BILLIONAIRES, AND THE GLOBAL BLACKMAIL EMPIRE!** ...Nesara Gesara Master Client List on Telegram

**Alan Dershowitz just dropped the ultimate red pill:** He possesses the full, sealed Epstein client list and explosive files, but three corrupt federal judges in New York are deliberately suppressing everything to protect the elite pedo blackmail network. On recent shows with Sean Spicer and Piers Morgan, Dershowitz declared, "I know what's in those documents. I know something you don't know." He knows the names, why they're hidden, and who's doing the hiding — but judicial gag orders bind him. This isn't justice; it's a cover-up for the cabal.

**The Epstein operation** was never just a pervert's playground — it was a state-sponsored intelligence blackmail machine. Hidden cameras in every room, signed contracts on underage girls, guest logs, flight records, offshore money trails through Virgin Islands, Switzerland, Israel. Elites got entrapped, then controlled: votes rigged, policies twisted at U.N., WHO, IMF, Federal Reserve. Virginia Giuffre's sealed deposition names codenames, transaction amounts, specific abuse acts tied to intelligence operatives. Release it and governments fall.

**DOJ dumped 3 million pages**, including 20,000 estate records — but media distracts with Prince Andrew, Bill Gates. Real bombshells stay sealed. Epstein emails mentioning Trump?

Selective Democrat leaks to smear him before midterms. Trump never participated — he “never got a massage,” and as “the dog that hasn’t barked,” he refused to play ball with the operation.

**Judges have deep ties:** Clinton donors, Harvard Law network, private intel firms. They're executing delays to save royalty like Prince Andrew, billionaires, tech CEOs (West Coast founder visited island 2015, then election algorithms flipped), pharma lobbyists cashing vaccine contracts via shells post-2020, global bankers funneling cash through Deutsche Bank.

**Why the panic now?** Trump controls DOJ and courts in his second term. He’s forcing transparency the deep state fears. Dershowitz demands full release — judges block it to protect the guilty. The list includes untouchables: royals, CEOs, politicians, scientists all compromised.

**Trump is dismantling the machine.** Fake smears won't stick — he's the outsider who never bowed. Mass exposure incoming. The blackmail empire crumbles when names drop. These demons trafficked kids for leverage over the world — now justice hunts them.

**Patriots, the storm intensifies.** Q was right: The list exists, the cover-up is real, Trump is the wrecking ball. NCSWIC. Nothing stops what's coming. The elite are terrified — their global control system ends here. Stay strong — full disclosure is imminent, and hell comes with it.

**. Fri. 6 Feb. 2026 HUGE WIN FOR THE PATRIOTS! US MILITARY JUST ARRESTED DOZENS OF ROTHSCHILD AND ROCKEFELLER BANKERS — PRESIDENT TRUMP PERSONALLY ORDERED THE RAIDS THAT SEIZED TRILLIONS FROM THEIR SECRET GLOBAL ACCOUNTS! ...Carolyn Bessette Kennedy**

**In early 2026, elite US military teams struck fast across Europe and America, capturing dozens of top Rothschild and Rockefeller bankers** who've enslaved humanity via rigged central banks, fake debt, and hidden offshore trillions stolen from We the People. President Donald J. Trump signed the classified orders himself, unleashing White Hats to shatter the Cabal's financial empire and reclaim the wealth!

**These bloodlines rigged currencies,** forced endless national debt, and hoarded secret gold while the world suffered. Raids hammered Frankfurt, Berlin, Switzerland, Brussels, Dubai, and US soil — smashing laundering networks and exposing IMF fraud, crypto scams, and LIBRA malware aimed at hacking the Quantum Financial System and stealing patriot data. Key names nabbed: Jean-Pierre Lemoine, Marijke Van Hoof, Sergio Andrada — all linked to child trafficking funding, illegal pharma, and Deep State ops. Tribunals at expanded Guantanamo churn through evidence nonstop.

**Trump's 2017 alliances created a parallel military command** now fully active, bypassing traitors. February 2026 executive orders froze assets of politicians, media elites, and

foreign agents. Old bloodline pacts expired January 25, 2026, leaving Orsini, Windsor, and others naked. Epstein files — forced out by Trump — expose Beijing's cash pipelines via Wang Qishan to these monsters.

**Quantum Financial System is live**, gold-backed, unstoppable. BIS reserves drained, IMF empty, Fed dying. Banco Master Brazil collapsed, owner arrested for trillions in fraud — one of many. Davos 2026 turned into a trap, snaring Rockefeller and Li operatives as Swiss vaults exposed Vatican-Wall Street ties.

**50,000+ troops ready in 27 states**, vehicles positioned, Cheyenne Mountain alive under Trump and loyal generals. Russia, Brazil, allies hunting. Iran-Hezbollah cash cut, Maduro gone January 3, 2026, oil reclaimed. Cabal sabotage from M-Alpha-1999 declassified, malware crushed, planes grounded.

**The globalist coffin is nailed shut!** Old world dies now, Republic rises with gold, freedom, justice. Trump dismantles their rule forever — patriots win, traitors lose it all. Stay sharp, spread truth, claim your share. The Great Awakening triumphs — WWG1WGA!

**Such child trafficking in an International Child Sex Ring** was known to be funded by US tax payer dollars funneled through the CIA's Black Budget to Queen Elizabeth's City of London, and then on to an office at the Vatican.

**Both the Queen and Popes have been litigated** through the International Common Law Court of Justice in Brussels and found guilty of organizing Satanic child sacrifice rites on a regular basis – especially using as victims, native children in Canada – where over 50,000 have gone missing from mainly Catholic residential schools. **Barnett's court document revealed child trafficking connections to the White House and even Watergate.** “Retired NYPD Detective James Rothstein was appointed to the first US taskforce to investigate this child trafficking operation which, he found, went all the way up to the Whitehouse,” the court document read. “Rothstein, who arrested the key Watergate perpetrator, said Watergate solely concerned this human compromise racket, and specifically was an attempt to obtain a list of compromised pedophile VIPs and their proclivities that was held at the Democratic National Headquarters”

**Evidently Detective Rothstein found that the CIA was behind a blackmail operation** in which child prostitutes were used to honeytrap and compromise politicians, military brass, top businessmen, and key government officials – which both Carter and Barnett were subjected to from birth, throughout childhood and on through their teenage years.

**Ally claimed that as a child and later in foster care,** she was raped and trafficked by celebrities and politicians. She discussed how California Child Protective Services trafficked her in underground tunnels to Buckingham Palace and under the Getty Museum. Child Services, FBI, schools and law enforcement were involved in the cover up of the abuse of her and other children.

**Most alarming, both Ally and Fiona claimed that the Satanic Ritual Abuse and sex trafficking of children was not only still going on throughout the nation and globe,** but involved millions of tortured and abused children who were often raped and killed in global elite Satanic Child Sacrifice rites in honor of Satan. [Military Continues Child Rescue Out of Underground Tunnels Across the Globe | Politics | Before It's News](#)

**“Child trafficking is run as a single integrated world operation coordinated by the CIA in collaboration with British and Australian intelligence services,”** Barnett claimed. “I spoke with Rothstein who said he knew of an identical VIP pedophile ring that existed here in

Australia, and that an Australian intelligence officer named Peter Osborne knew the details of this.”

**The Australian Satanic child sacrifice rite** connection to Queen Elizabeth has long been hidden and well covered up, though information was now leaking out through testimonies of surviving Satanic Ritually Abused children.

**For instance, I once talked to a Ritual Abuse Survivor who**, right before Queen Elizabeth’s coronation, witnessed her kill a baby in a Satanic rite held on an Australian military base.
