In the quiet misty morning  
When the moon has gone to bed,  
When the sparrows stop their singing

And the sky is clear and red,  
When the summer's ceased its gleaming  
When the corn is past its prime,  
When adventure's lost its meaning -  
I'll be homeward bound in time  
Bind me not to the pasture  
Chain me not to the plow  
Set me free to find my calling  
And I'll return to you somehow

**Judy Note: In this short video Glenn Beck** exposes his calling in the war to conquer Satan in this War of Good Against Evil: [Was Glenn's dream actually a VISION for our future? \(youtube.com\)](#)

**Like Glenn said,** you have to know who you serve if you want to help in this battle of Good Against Evil and help *Save the Children*. You have to get back to a place where you are attuned to the Spirit, and then follow His promptings.

**For all of us, including myself,** exposing Satan's influence in our lives is basic to fighting this war of Good Against Evil. For over thirty years I have researched the Satanic Ritual Abuse of Children. I find the most difficult aspect of my journey presents itself when people deny Satanic Ritual Abuse of children is actually going on. And, our own CIA has been utilizing Satan Worship in their Mind Control Program paid for by US Taxpayers.

[CIA Mind Control program eventually known as MK-ULTRA](#) consisted of 149 sub-projects, plus another 33 closely related programs. There were 80 participating US and Canadian institutions including 44 colleges and universities – all funded by US taxpayers through a CIA Black Budget not subject to review.

**The CIA has been known to work hand in hand** with the Vatican's Satanic Ninth Circle Child Sacrifice Cult to run an International Child Trafficking and Drug/Gun Running Ring.

**In her biography "Twenty-Two Faces" Jenny Hill** claimed she was tortured and made to watch the Human Sacrifice of another six-year-old child, later identified as Kathleen Shea. Evidently Shea had been kidnapped from Tyrone Pennsylvania several months prior and appeared starved and emaciated before her Summer Solstice death by the Satanic Coven."

**The purpose of CIA Mind Control Programming** was to secure life-long power over an individual in order to create Super Spies, Terrorists, Assassins and/or have life-long control over a victim for whatever devious purpose. Mind Control Programming was based on the Satanic Worship Practices of Rape, Torture and Human Sacrifice. Young victims were sold into the program by their Multi-Generational Satanic families.

**The preferred victim was a young child** subjected to prolonged trauma. It was found that the developing brain of a child under repeated rape and torture would permanently separate their thinking patterns into Multiple Personalities that could be controlled by their perpetrator

throughout the victim's life. The most effective programming would begin at a very early age and even in the womb through electroshock treatments for the mother.

**In 1964 after a successful lawsuit** by Mind-Control Survivor Linda McDonald (of the McDonald's Hamburger Franchise Multi-Generational Satanic Family), Congressional inquiries supposedly ended MK ULTRA – not true. MK-ULTRA RESEARCH continued but was curtailed in 1967 and thought extinct by 1973 after MKULTRA documents were destroyed by CIA Director Richard Helms prior to his resignation and another Congressional inquiry – that went nowhere.

**In President John F. Kennedy's speech on April 27, 1961**, delivered just months after his inauguration and shortly before the birth of Barack Obama, Kennedy presented a message that has puzzled historians, speechwriters, and politicians for decades.

**Some believe that Kennedy's words** were not meant solely for his time but were intended as a warning for a future generation-the final generation. Kennedy spoke not just of "secret societies," but of a "monolithic and ruthless conspiracy." He understood that the problem extended far beyond individual secret groups like the Freemasons, Jesuits, or Zionists. He perceived a single entity, an "umbrella" corporation with several interconnected groups working together towards a common, ominous goal.

**The Monolith: A Unified Conspiracy:** Most people focus on isolated parts of this conspiracy, failing to grasp how these pieces fit together and what the overarching ambition truly is. According to Kennedy, they are constructing a monolith-a large, single structure that serves as a pillar or monument, representing the completion of a unified agenda. This monolith is symbolized by a pyramid and its capstone, a structure foretold to be completed by 2016. That time is now upon us, and it is crucial to understand: the capstone is not a person but the finishing touch of the "Great Work." Freemasons believe they are descendants of the original builder, Nimrod-the first Freemason-who will return when the Great Work is complete.

**The New World Order: A Vision Realized:** The groundwork for a New World Order (NWO) has been laid over many years, but it was President Obama who openly declared this vision to the world. In a powerful speech at the United Nations, Obama expressed his commitment to international law and global integration, effectively signaling his intention to subordinate U.S. national sovereignty to the UN. He called for unity under a One World Global Order, a vision that received enthusiastic support from the media and other global leaders. During this time, Obama's approval ratings among Americans were among the highest of his presidency.

**A Hidden Cabal: The Pyramid's Builders:** Kennedy's 1961 speech sheds light on the very events unfolding today. Many influential figures in politics, Hollywood, business, communications, religion, and entertainment are part of this unified cabal-a single pyramid striving to place the final piece atop the monolith. This ambition is shared by prominent figures such as Pope Francis, George H.W. Bush, Barack Obama, Hillary Clinton, and George W. Bush.

All have boldly declared the phrase “peace and security,” a mantra of the cabal signifying the completion of their work.

**The Capstone: A Symbol of Completion:** The phrase “peace and security” is not new. It was used by Paul in the book of 1 Thessalonians, where he associated it with sudden destruction. The Cabal believes that true peace and security will be achieved when the capstone is finally placed, marking the completion of their agenda. However, this seemingly positive vision masks a more sinister intent, as the ultimate fulfillment of the monolith will bring not peace, but a sudden and catastrophic upheaval.

**The Urgency of Awareness:** As we reflect on Kennedy’s words and the events of today, it becomes clear that his warnings were not just about the past, but a prophetic insight into our present reality. The intricate web of conspiracies, secret societies, and global ambitions he alluded to are now in full view. The capstone is not a mere symbol-it represents the culmination of a long-held plan for global domination and the suppression of individual freedoms. The time to be vigilant and discerning is now, as the pieces of this ancient puzzle come together before our eyes.

**Trump’s Global Military Alliance** is now ready to conquer this evil – but they have a hard road ahead and can’t do it without us Patriots. Pray and figure out what your role will be in the battle forward.

**G. Sat. 7 Feb. 2026 The financial system you were born into is officially dead.** ...Mr. Pool – final chapter on Telegram

**On November 22, 2025, the old SWIFT MT messaging system was permanently taken offline.** This was not a simple software update. This was the controlled demolition of the financial architecture that has enslaved the planet for over 50 years. Every single bank on Earth was forced to migrate to one unified standard: ISO 20022.

**Why? Because the old system was designed to HIDE money.** To move trillions through dark pools, offshore accounts, and shell corporations without a trace. ISO 20022 is the end of all of that. Every transaction now carries a full data package. Origin. Destination. Purpose. Beneficiary. Every single dollar, euro, and yuan is now tracked from source to settlement on an immutable ledger. This is not about banking efficiency. This is about TOTAL CONTROL OF THE GRID.

**THE ASSETS OF THE NEW WORLD:** The assets that will power this new grid have already been chosen:

- **XRP:** Bridge currency for real-time cross-border settlement. Ripple's legal battles were a strategic delay to allow the infrastructure to be put in place.
- **XLM:** Peer-to-peer payments for the unbanked. Stellar's partnerships with the IMF and World Bank were not a coincidence.
- **QNT:** The universal interoperability layer. Quant's Overledger connects every blockchain to every legacy system.
- **HBAR:** Enterprise-grade distributed ledger. Hedera's council includes Google, IBM, and Boeing. These are the architects.
- **ALGO:** Pure proof-of-stake. Chosen by multiple nations for CBDC development.

**THE GEOPOLITICAL SHIFT: BRICS** confirmed over 40 nations ready to integrate with their gold-backed settlement system. Gold is moving from West to East at unprecedented

speed. Central banks are stockpiling physical gold, not dollars. This is the financial arm of a global military operation.

**THE QUANTUM LEAP:** The Quantum Financial System is the backend. The unhackable, satellite-based ledger that connects ISO 20022, blockchain settlement, and gold-backed verification into one transparent global network. TIER 4B is the final phase. The public exchange window.

**The media calls it conspiracy.** The bankers call it migration. The military calls it operational. We call it THE GREAT RESET.

**You were not meant to find this information.** But you did. The clock is not ticking. The clock has already stopped. The new one is running. The signal is live.

## **H. Fri. 6 Feb. 2026 PATEL FIRES ELEVEN FBI TRAITORS – DEEP STATE RATS EXPOSED AND BOOTED! ...Carolyn Besette Kennedy**

**In a quiet but ruthless purge last week, FBI Director Kash Patel personally axed 11 special agents – filthy traitors** caught red-handed using official FBI emails and government-issued cell phones to spew venom against President Trump, ICE, and key administration figures. These weren't minor gripes – these were outright acts of disloyalty and sedition on taxpayer dime!

**A high-level bureau insider spilled the truth:** Patel ramped up random audits through the Office of Professional Responsibility – audits that have skyrocketed under his watch to finally dismantle the Biden-era weaponization and root out every last disloyal snake. The insider declared, “Biden’s systemic corruption made this necessary. We’re using every tool to purge the disloyal – and we’re just getting started!”

**Take the Chicago trio – three field agents so arrogant they installed Signal Chat on their work phones** (a blatant violation of federal record-keeping laws) to rant in a private group chat filled with pure hatred. They called Trump trash, mocked Kristi Noem as a “cosplay queen,” dreamed of Democrats regaining power to throw Trump and Patel in jail, and wished for the return of their puppet-master Chris Wray. One raged, “To hell with Patel – they’ll impeach him and Trump, and we’ll get a real leader back!” They even slung vile insults at Patel’s girlfriend Alexis Wilkins and our beautiful First Lady Melania Trump, spreading disgusting rumors and lies. Forensics recovered their deleted garbage – and boom, immediate termination, benefits stripped! Obvious Deep Staters – good riddance!

**But it didn’t stop there. Eight more agents in California, D.C., and New York** got the axe for identical treasonous chatter on government devices. These fools thought they could plot

against the President using FBI property? Trump Derangement Syndrome made them sloppy – using work phones instead of burners. How dumb can you get?

**The insider hit hard:** “If we’re catching these conspiring idiots dumb enough to talk treason on FBI gear, imagine how many more are whispering the same filth in person or on personal devices? We may have to expand the scope – big time!”

**This builds on the 2025 expulsions – Patel is systematically draining the swamp,** one traitor at a time. The Deep State is panicking as loyalty to President Trump and the Constitution replaces blind obedience to the cabal. These firings send a crystal-clear message: No more hiding behind badges while stabbing America in the back!

**Patriots, the storm is raging – Kash Patel is the warrior** we prayed for, purging the rot so the FBI can finally serve We the People again. The end for the Deep State is near – justice is coming fast, and it’s glorious! Stay vigilant, spread the word, and watch the rats scatter! NCSWIC! WWG1WGA!

**I. Sat. 7 Feb. 2026 And here is the part they never explain on the mainstream channel because once you see it, you can’t un-see it. What happens after redemption is where the real transformation begins.** ...Med Beds Live on Telegram

**Once funds are released into Quantum Accounts,** the old rules no longer apply. No predatory taxation. No asset seizures. No centralized banking control. Every transaction is transparent, instant, and backed by real value. The QFS doesn’t just move money - it protects sovereignty. Fraud becomes impossible. Corruption has nowhere to hide.

**This is why silence has been enforced for so long.** Each redeemed individual becomes a custodian of restoration, not a consumer of debt. Your funds are not meant for reckless spending, but for rebuilding families, communities, infrastructure, and truth-based systems. Housing resets. Medical cures released. Energy technologies unsealed. Education rewritten without indoctrination. This is the Great Awakening expressed through action.

**Humanitarian Mandate Activation:** Upon redemption, participants will be guided to designate humanitarian objectives - clean water, food security, orphan care, veteran restoration, debt relief, and technological upliftment. This is not optional. This is the moral cornerstone of NESARA/GESARA. Wealth without purpose was the weapon of the old system. Wealth with conscience is the foundation of the new one.

**Why Timing Matters:** Everything is synchronized. Military protection. Legal dissolution of corrupt structures. Financial release. Information disclosure. Nothing is random. Nothing is rushed. The delay was never denial - it was alignment. When the switch flips, it flips globally.

**Those who prepared quietly will move first.** Those who mocked will watch. Those who resisted will be forced to adapt.

**This is the end of survival mode.** This is the return of lawful money. This is the restoration of mankind's birthright. Stay calm. Stay grounded. Stay ready.

**The system is live.** The plan is irreversible. And history is about to remember who stood firm when the world changed.
