Mine eyes have seen the glory of the coming of the Lord;
He is trampling out the vintage where the grapes of wrath are stored;
He hath loosed the fateful lightning of His terrible swift sword;
His truth is marching on.

Glory! Glory! Hallelujah! Glory! Glory! Hallelujah!
Glory! Glory! Hallelujah! While God is marching on.

I have seen Him in the watch fires of a hundred circling camps
They have builded Him an altar in the evening dews and damps;
I can read His righteous sentence by the dim and flaring lamps;
His day is marching on.

In the beauty of the lilies Christ was born across the sea,
With a glory in His bosom that transfigures you and me:
As He died to make men holy, let us live to make men free;
[originally ...let us die to make men free]
While God is marching on.

Glory! Glory! Hallelujah! Glory! Glory! Hallelujah!
Glory! Glory! Hallelujah! While God is marching on.

Judy Note: On Mon. 9 March 2026 the White House in Washington DC was blanketed in red light – signifying that within 24 hours, the Military Emergency Broadcast System would activate, plus that Global Military Alliance mass arrests led by President Trump, were already in motion.

I say it's about time. The mass slaughter of millions of children caught up in international Child Sex Trafficking Rings funded by US taxpayer dollars money laundered by the Deep State and run by the Vatican has been going on for decades undetected by the Mass Media.

Deep State Satan worshippers in our political system have made sure of that. It's time we did something about *saving the children*.

Back on April 10 2008 a press release disclosed locations of 32 child mass grave sites where some 50,000 missing native Canadian children were believed buried on the grounds of mainly Catholic-run Indian Residential Schools across Canada.

In April 2018 over a million people – mainly children – were slaughtered at the Catholic-run Jasenovac death camp in Croatia.

However, President Trump has encountered years of massive resistance to this Q Movement's Plan To Save The World.

On Mon. 9 March 2026 the United States government issued an official national alert confirming that a massive cyber attack was pending. Internally, officials have classified the threat as an engineered Black Swan event.

This alert originated directly from the White House under President Donald Trump, who has spent his second term systematically dismantling the networks now launching this strike. The global elites and their Deep State operators embedded inside the CIA and NASA executed the authorization through secure command channels at Langley and Fort Meade.

The target was total paralysis of the continental United States: Power Grids feeding California, Texas and the Midwest industrial belt. Financial Clearing Systems: Anchored in New York and Chicago. Communications Backbone: Servers clustered in Virginia and Colorado.

Zero-day exploits combined with pre-installed persistent backdoors will trigger in coordinated waves to kill electricity, freeze every banking transaction, and sever internet and cellular networks simultaneously. This is the operational reality of how the machine works when President Trump gets too close to exposing it all.

Catholic Run Child Death Camps in Croatia and Canada

In April 2018 over a million people – mainly children – were slaughtered at the Catholic-run Jasenovac death camp in Croatia. An eyewitness to the Jasenovac atrocities Dr. Srboľjub Zivanovic, has led a campaign to uncover the mass graves at the camp and bring the Catholic criminals to justice. Although, it was doubtful he would be successful in making the Vatican responsible for their crimes against humanity.

Back on April 10 2008 a press release disclosed locations of 32 child mass grave sites where some 50,000 missing native children were believed buried on the grounds of mainly Catholic-run Indian Residential Schools across Canada. For ten years continuous requests for excavation have been refused by the Catholic, Anglican, United Church of Canada and Canadian government, all of which operated the schools and hospitals where these mass graves were located. [28 Mass graves of Indian Children in Canada...](#)

In 2013 the International Common Law Court of Justice (ICLCJ) in Brussels began prosecuting global elites for these and other crimes against children. That included finding Catholic Pope Francis guilty for trafficking 300,000 children during the Dirty War in Argentina. Witnesses stated that some of those children ended up in mass graves in Spain.

Another Catholic mass child grave site was uncovered in Tuam Ireland. Close to 800 children's bodies were found buried in a Irish Nuns' septic tank. The bodies were said to have been ritually abused – meaning organs and body parts were missing, likely a result of being used in Satanic child sacrifice rites. [Tuam children's bodies: Catholic Church 'has no records' - BBC News](#)

The ritual abuse evidence of babies bodies wasn't published in the press, yet the Catholic Tuam home was only one of ten institutions in Ireland where it was thought that approximately 35,000 unmarried, pregnant women were sent – with no accounting as to where their babies ended up. As with the Catholic mass grave sites filled with mutilated children's bodies in Spain and Canada, coverage of the Irish child mass grave site septic tank filled with almost 800 Satanic ritually-mutilated babies' bodies, has been non-existent in the mainstream media.

The problem of Vatican connections to child rape, torture and murder was brought before the ICLCJ Court in Brussels by the International Tribunal into Crimes of Church and State led by Kevin Annette.

Eyewitness-survivors of native residential schools in Canada and the US, kidnap victims and those who had the misfortune of being born into global elite families of the Vatican-run Ninth Circle Satanic Cult claimed that as young as infants or even in the womb, they were subjected to, plus witnessed other children electro-shocked, given illegal drugs, raped, prostituted, beaten, starved, isolated for days in the dark without food or water, infected with life threatening diseases, water-boarded and watched priests and nuns beat children to death, or throw them off buildings, or into incinerators while still alive.

See this video of Irene Favel's eyewitness to the incineration of a newborn baby by a priest at Muscowegan Catholic Indian school, Saskatchewan, 1944. [Witness to murder at Indian Residential School](#)

Some reporters have dug deep and verified that eight years ago back in 2018 there were over 10,077,574 child abuse/sex crimes committed by the Catholic Church. The statistics and research disappeared from the Internet after that, as did intelligence on the mass graves.

On Sept.1 2014 the ICLCJ Court set up a Permanent Commission into Child Trafficking and Ritual Sacrifice where licensed investigators from several countries continued their probe into activities on a growing list of suspected global elite pedophile perpetrators.

The child abuse and homicide cases included 34 child mass grave sites thought to hold at least 350,800 missing indigent children and those of political prisoners who disappeared out of Catholic orphanages, schools and hospitals, plus well more than 10,077,574 cases of Catholic Priest child sex crimes that have hit courts across the globe.

Back in 2018 Dr. Zivanovic was interviewed on his eyewitness to the millions slaughtered at the Catholic-run Jasenovac death camp on Here We Stand radio: [Here We Stand on BBS Radio TV www.bbsradio.com/herewestand](http://www.bbsradio.com/herewestand).

C. Mon. 9 March 2026 BREAKING: FIRST WAVE OF NESARA/GESARA ACTIVATION REPORTED ...The MAGA King on Telegram

UNITED STATES, CANADA, UNITED KINGDOM, GERMANY, AND AUSTRALIA are now being reported as the first nations entering the initial phase of the NESARA/GESARA transition.

As of 04:00 EET, multiple channels claim that gold and asset-backed currencies have been activated, signaling the beginning of a major shift in the global financial architecture.

☐ **Quantum Financial System (QFS)** interfaces are said to be updating in real time.

- **Legacy fiat structures** are reportedly being phased out.
- **Rainbow currencies and asset-backed units** are appearing across internal banking displays.
- **Personal financial profiles** are synchronizing with the new ledger, while illegitimate debts are being cleared from the system.

Financial observers describe this moment as the opening stage of a worldwide monetary reset, where transparency, asset backing, and quantum-secured transactions replace the legacy banking framework.

THE TRANSITION HAS BEGUN. THE GOLDEN AGE ERA IS NOW UNFOLDING.

Judy Note: It is advised to exchange/redeem your foreign currency at an official Redemption Center rather than a bank. You can only redeem Zim at a RC, the Dinar Contract Rate can only be given at a RC and banks will offer you lower exchange rates than what you can obtain at a RC.

Over \$1 trillion in taxpayer money is stolen each year — and the Deep State is orchestrating it. The money vanishes into terrorism, child trafficking, and luxury for criminals, while hardworking Americans foot the bill. This is treason hidden in plain sight.

THE DEEP STATE ENGINE BEHIND THE FRAUD You want to know how \$1 trillion disappears every year without triggering full-blown revolt? Simple. Because the system that's stealing it was built to be untraceable.

The **Deep State isn't a theory. It's an operational machine** embedded across federal agencies, third-party contractors, intelligence-linked NGOs and digital ghost identities.

They don't need to "hack" the system — they are the system. They exploit chaos. They design complexity. And every dollar stolen funds their next move: power, silence, and control. This isn't just fraud. It's an infrastructure of criminal sovereignty.

THE BIGGEST HEIST IN HUMAN HISTORY: Every single year, \$1 trillion in U.S. taxpayer money is lost to fraud. That's not a typo. That's: \$115 million every hour, \$1.9 million every minute and \$32,000 every second

And where does it go? Terrorism. Child trafficking. Luxury homes. Designer bags. Drugs. Yachts. NGO front groups. Not to the American people. Not to roads. Not to vets. It funds the enemy. And it robs the working class blind.

This isn't negligence. This is a coordinated, systemic financial rape of the American public.

F. Mon. 9 March 2026 THE WAR ISN'T ABOUT IRAN. IT NEVER WAS. ...Mr. Pool
Final Chapter on Telegram

They named Khamenei's son. Mojtaba Khamenei — the man Trump said was unacceptable — is now the Supreme Leader of Iran. Israel responded in 14 minutes: “We will pursue the successor. Consider yourselves warned.”

But here's what no one is asking. Why did Trump let them choose him? Why is the most powerful military on earth watching 88 old men in a bunker pick a dead man's son — and doing nothing? Because Trump doesn't care who sits on that throne. He cares about what's underneath it. \$127 BILLION IN GOLD. BURIED UNDER 4 IRANIAN CITIES.

Iran's Central Bank holds one of the largest undeclared gold reserves on earth. \$127 billion. Stored in underground vaults beneath Tehran, Isfahan, Shiraz, and Mashhad.

This gold was never Iran's. It was moved there between 2009 and 2016 — during the Obama administration — through Swiss intermediaries, Chinese state banks, and the same shell companies that laundered money for the Clinton Foundation.

The Iran Nuclear Deal wasn't about nuclear weapons. It was about creating a vault. A place to hide the Deep State's gold outside the reach of US auditors.

Obama's \$1.7 billion “ransom payment” on pallets? That wasn't ransom. That was a deposit receipt. They were paying Iran to hold their gold.

GOLD JUST HIT \$5,100. ASK YOURSELF WHY. One year ago — \$2,600. Today — \$5,105. Doubled. In a straight line up — starting the exact week Trump took office.

Gold has now overtaken the US dollar as the world's largest reserve asset. First time since 1971. Analysts project \$6,250 by December. But the classified Treasury briefing delivered to Trump on February 28 projects \$8,400 by Q1 2027. Because by then, the Federal Reserve will no longer exist.

G. Mon. 9 March 2026 EXECUTIVE ORDER 14312 — “THE AMERICAN GOLD STANDARD ACT” March 6, 2026 — the same day Soros was placed under house arrest — Trump signed EO 14312. No press conference.

Page 112 of the Federal Register. Title: “Restoring Sound Money and Establishing the American Gold Standard.”

The order directs the Treasury to audit all US gold reserves at Fort Knox, West Point, and the NY Fed within 90 days. Prepare a framework for gold-backed digital currency by September 2026. Freeze all Federal Reserve open market operations pending the audit. Establish a Quantum Financial System integration task force under the Department of Defense. The QFS isn't coming. It's already being built.

WHY THE WAR. WHY NOW. WHY IRAN. Trump isn't bombing Iran to stop missiles. He's bombing Iran to repatriate the gold. Operation Black Sky — the classified order signed on the flight from Dover — isn't about destroying banks. It's about opening the vaults.

Every F-35 sortie over Isfahan and Shiraz isn't hitting military targets. They're hitting access points. Tunnel networks. Elevator shafts leading to the deepest vaults in the Middle East.

When those vaults open, the world will see what was hidden. Not just gold. Ledgers. Names. Transactions. Every dollar the Deep State moved for 20 years.

Soros. Clinton. Obama. The Federal Reserve. All connected. All funded through Tehran. All about to be exposed.

The war ends when the gold comes home. And the gold is almost home.

J. Sun. 8 March 2026 Terrifying Warning: The Deep State PANICS as Trump EXPOSES the Iran Puppet Masters and Their Leash on America! ...Q on Telegram

The storm rages in the Middle East, patriots—truth bombs falling faster than Iranian missiles. As of March 2026, President Trump launched Operation Epic Fury, a crushing U.S.-Israel assault starting February 28 with nearly 900 strikes in 12 hours, wiping out Iran's missile sites, air defenses, nuclear facilities, and even the supreme leader. Trump demands unconditional surrender—no talks, no mercy—vowing to strip Iran of any threat to America or Israel forever. Mullahs crumbling, drone/missile attacks down 90%, navy sunk, command shattered. Israel hammers Tehran deep, hitting Revolutionary Guard oil sites, while U.S. forces own the skies.

Red-pill truth the fake news hides: this isn't just nukes. Insiders expose Trump still leashed by mega-donors who don't eat pork, pulling strings from shadows. They pushed this conflict to spike oil, crash economies, drag America into endless war—distracting from the home fight. Trump boasts forcing Israel in, but the base sees: gas over \$3/gallon, trucking halting, food shelves three days from empty. Prices soaring, people raging.

The old Iran “deal” was never power—it was scummy cash-narcotics pallets, billions flown in, linked to black ops and Epstein files buried in Iran, Switzerland, Langley, Greenland. Blackmail gold controlling leaders, keeping the cabal alive. Now, with Iran reeling, those files could explode, outing BlackRock, JP Morgan, the useful giants rigging everything.

U.S. arsenal depleted from Ukraine waste and proxy wars. THAAD, Patriots low after days of ops, production years behind. Contractors ordered to surge missiles/shells 4-5x—we're on the brink. USS Abraham Lincoln a sitting duck in the Gulf, crew furious from endless tours. Blowback looms—sleeper cells waking, ports targeted, war hitting U.S. soil. Austin attacks with “Property of Allah” tags? Just the start. Shia vengeance doctrine runs deep.

America First? Fort Knox audit vanished. DOGE cuts killed by RINOs. Tariff cash funneled to wars, not people. SoftBank yanked \$200B after tariff clubs—no carrot for

factories/jobs. H-1B flood rolls, 30M illegals free, no mass deportations. Sanctuary cities exposed, no jails. USAID fraud uncovered, cronies walk.

Trump eyes Iran regime change, Kurds from Iraq, people rising—but unarmed masses mowed down before, celebrating mullah deaths yet powerless. Cuba next? Maduro gone, narco evidence flowing, oil cut, regime collapsing soon—laundering hub exposed. Trump pushes capitalism, free elections, but D.C. communists resist.

War serves Satan—ugly, messy, endless domino blowback. Deep state panics: exposure nears, XRP mooning as giants profit, patriots rise. Rural America armed to teeth, rednecks itching—bring it, globalists. The leash snaps, truth surges. Pray hard, stay vigilant—good vs. evil, white hats advancing. The awakening is unstoppable!

L. Sat. 7 March 2026 Trump Commands the Last Storm: Mass Arrests Explode, Q Plan Unleashes, EBS Imminent – Cabal Crumbles Now ... Juan O Savin on Telegram

The storm is raging with full force, patriots. In late February 2026, President Donald J. Trump leads the charge to restore the Republic through the unbreakable Q Plan, which will destroy the Satanic Deep State for good.

The Quantum Financial System, which is backed by gold, went live in 209 countries, ending fiat debt slavery. Banks that don't follow the rules will close down. No more fake money printing or controlling people's lives through debt. Accounts are safely mirrored in the QFS blockchain, can be traced back to their source, and are ready for the biggest transfer of wealth in history.

The Global Military Alliance led by Trump raided Rome, Brussels, London, and DC. More than 500,000 members of the S*****c Network were arrested overnight, bringing the total number of arrests to more than 8 million as sealed indictments were made public.

The shift is protected by the 10–12 day global blackout and martial law. EBS starts up through Starlink, taking over media satellites. Ten countries show truth videos in 55 languages about things like saving children, bio labs, election fraud, and courts—raw exposure. Stay home and pray. This 10-day movie marathon wakes people up while the good guys get rid of evil. Starting now, darkness will sync with the 48-hour GCR/GESARA wealth blackout.

Trump's State of the Union speech starts a war—no Congress needed. Explosive drops: live cabal layers are shown, big names are named, evidence drops, and a republic is declared against Biden's remnants.

Deep State is in a panic: rats are running away, files are being burned, and paths are being blocked. The Mar-a-Lago plot failed, the cartel king El Mencho was k*****d, and the Iran plots were stopped. The Supreme Court traitors were exposed, tariffs went up, the dollar crashed, and gold, silver, and other commodities skyrocketed.

Biblical judgment. The empire of Satanic pedophiles dies in the bright light. Money disappears, debt is wiped out, and abundance grows. Keep cash on hand, get ready, and trust the plan. God wins. Fireworks are bigger than July 4th. We all go where we go. We have won now!

M. Mon. 9 March 2026 Juan O' Savin Big Update It's Go Time. All Hell is Breaking Loose in 48 Hours (Wed. Afternoon 11 March 2026). ...Juan O Savin on Telegram

The deconstruction is underway, patriots. That old building coming down piece by piece—methodical, no debris hitting the new structures. Globalist cabal's facade is collapsing, interiors gutted, wires yanked, sorted and hauled away. Trump and white hats planned this for decades, gaming every deep state countermove.

Banks on high alert for cyber attacks as Iran war escalates after al-Khamenei airstrike last weekend. Mainstream screams Iran—but it's cover. Real target: globalista empire behind City of London, Rothschilds, Davos, Vatican burning Epstein records in massive fires. They funnel dirty money through oil, terror, pushing one-world goo under Luciferian control—no nations, no families, just controlled sludge.

Trump severed Iran's dollar access last fall, sparked banking crisis, forced their hand. Covert war dismantled lifelines long ago. Leadership headless—Khamenei gone, successor conclave exploded, shoulders and chest taken out. Now we hit the guts. Military cleanup nearly done; power unplugged, strike-back gutted.

They'll attempt cyber on banks, blame Iran for Great Reset. But we've anticipated it. Deep state bankers pull plug—not Iran. Trump has them surrounded: fenced Treasury, attacked Powell, blasts banks on Truth Social for sabotaging Genius Act and Clarity Act. "Banks undermining Genius Act—unacceptable! Crypto agenda stays here, not China. Americans earn more on money. Get Market Structure done ASAP!"

Bond fraud racket exposed—school districts, stadiums loaded with stolen billions. Post-2008, banks forced to hold 60%+ "safe" bonds. Titanic redux—cascading collapse engineered. Bush warned: act or worldwide crash in 24 hours. Planned for Hillary, digital currency. Didn't happen. Nuke plots, fentanyl busts stopped. We gutted their machine.

Mexico cartels finished. Trump ultimatum: take them out or no trade. President cooperated; Green Berets, SEALs assist. Drones, satellites, infiltrations—leaders talking or dead. Draining before World Cup 2026 makes Mexico tourist heaven.

Elections? Cheating in primaries, late polls in Dallas, Utah ops—surfacing fast. If 2026 can't validate secure, full stop, national emergency, executive order coming. Trump won't allow another steal. 80%+ see fraud. Restart if needed, fraudsters gone.

Spain blocked bases for Iran strikes—Trump cut trade. Ties to Mexican elites? Spanish intel, Knights of Malta. LA superintendent raid—illegal since 17, bond racker. Spanish plant? McAfee vanished to Spain—dead man walking.

Casino Royale for Earth. Vice crushing us—Iran one side, banking other. Iran taken; other weakens. Deconstruction hits Vatican, Rome, London, DC's occult penis of Osiris layout. Baal, Moloch worshippers exposed via Epstein.

Patriots, building's down. No mercy. Trump's team mapped every move. Storm hits—48 hours unleashes hell on cabal. Stay vigilant. Republic rises. WWG1WGA!

Over \$23 million, went to at least seven groups that are doing things that meet the FBI's definition of domestic terrorism

George Soros linked to training terrorists on American soil. “The Center for Third World Organizing, for example, is an organization that has a hub that fuse together several, really extreme organizations. We found \$400,000 going to them and they openly boast of the fact that they threw down during the uprisings in Minnesota, obviously referring to the rioting and boasting of how many thousands of people they helped train. Y. Judy Note: Satanic Ritual Abuse Survivor-Victims Ana and Gabriel need your help. I have known them for several years. They have been undergoing untold abuse and death threats – that were headed by her son’s father, who is high up in the pharmaceutical field and Belgium Satanic Coven.

Ana is desperate and asking readers for financial help and/or a job she could do from home over the Internet. **I verify that Ana is brave**, honest and sincere in her request. Her situation is not unlike many SRA Survivors I have personally come to know. Please keep Ana and her son Gabriel in your prayers. ...Love, Judy

Hello Judy,

The situation is extremely dangerous at the moment. I can’t leave my home anymore, other than take Gabriel to and from school and going to the supermarket. Last Monday there was another kidnap attempt at the supermarket parking lot. I’m in such a stressful and dangerous situation.

I ask you to please publish and relay to your contacts in other media outlets for publishing the below article as soon as possible, with an update of my situation, request for help and offering of doing any online administrative work in any of the four languages I speak.

Maybe someone benevolent that has funds will hear my call and give me some online work so that I can provide for my son and keep us safe until the rv is here.

Thank you from my heart.

UPDATE ON THE MOM AND SON IN BELGIUM SURVIVING ON GOD'S GRACE

It's been six grueling years since I first found out about the ritual abuse my son's father was perpetrating on my son.

I separated from the father when my son was 1 1/2 years old (he is 12 now). My life became a living nightmare from that moment. At the time I had no idea how large and powerful the Satanic Ritual Abuse Network (SRA) the father belongs to is here in Belgium. I had no idea how intricately and highly involved many of my own family members, police, school, medical and judicial systems are.

I didn't comprehend the number of handlers and the endless resources they had at their disposal to target anyone, at any time. I didn't understand how most of my life experiences and encounters were not organic in nature but arranged by this network.

I started then my desperate journey to try to save my son and to have both of us rescued to a safe life. The targeting and harassment increase with every passing year, as does my understanding of what and who I am dealing with.

For example, with the help of the school SRA Network, they tortured my son and then his father went to court to ask the judge to designate a psychologist who is also part of the same network to « help » the very child being harassed.

I later found out that this was all culminating in their plot of my son's "suicide" which would simultaneously trap me into the false position that I refused to help my son.

At my son's small high-end school (the father is very wealthy and petitions constantly to control my son's school, doctors, imposed "therapists," etc.) the director and many teachers are fully involved in harm, shaming, rituals and abuse of the children on the school premises as well as at other outside locations - such as during illegal sudden pop up field trips.

Many parents are involved too and use their children to daily torment and violently bully my son. The corrupted teachers always back bullying, lying, violence and intimidation. My son is often sent home as the one admonished.

We have only survived this far by God's grace and my constant reporting of everything I experience and witness. I will never give up. I have huge amounts of detailed reporting of the harassment, targeting, attackers, poisonings, kidnapping attempts, among so many other threats to our safety and attempts on our lives. I have pictures, videos and documentations with the names, dates, locations of the on-going incidents and the roles of those involved.

I have contacted many international organizations and individuals who are aware of the SRA networks. I report mine and my son's conditions, incidents, and whereabouts all day every day to my longtime closest friend who works to free The Children. I constantly report details such as the intense persecution my son endures and the frequent beating on my doors and windows at all times of the day and night.

Unfortunately, nothing has happened ... yet. I was promised fake rescue two times both with dark agents posing as benevolent military. I have a safe place to go but with no way to get there.

The situation is so extreme at the moment that I can no longer leave my home. Many of my neighbors are part of the network. I can hear ceremonies through the walls and the screams of children. I can often track when I am targeted with technology or black magic.

I have my son one week out of every two, so I leave to take him to school and back and to buy food. We face constant attempts and threats of harm and even kidnapping while we just are leaving or entering the building or in the supermarket parking lot. The school is very active trying to harm us both. The parents and teachers openly mock me as their children do my son. I could go on and on with specific documented incidents: the dentist, the speech therapist, the school coach and so on.

I tracked that every time that there is a legitimate plan to harm us through a meeting at school or an appointment or such, my son's father leaves the country. Many times, I have saved my son from rituals by tracking such markers. Yet ... every other Monday I must release my son from my safe arms into a new week of danger and real harm.

If anything happens to me or to my son, reports are poised to be spread far and wide making the father's name and others well known. They try but they will never make me disappear without the world knowing what they do.

If my story sounds fantastic to you ... I would say my story is one of millions. We just don't realize it yet.

I am here to beg for help one more time.

It has become so dangerous that I can't leave my home and besides that I am outright blocked from outside work. But I won't lose this home, the only safety my son has.

My resources are running out. I will take any integrity online work that I can do from the safety of my home. I need to be able to work to make at least 1000 eur a month for us to survive here.

I can offer a vast range of online work. I have administrative experience including office, organizational and research skills. I am fluent in French, Portuguese and English. I also speak moderate level Spanish. I can research, translate and edit multi-lingually.

If you can help me and my son, please contact me at the following email address (created for this exchange): contact.help2026@proton.me

Thank you.
