**“72 Hours Until All Hell Breaks Loose!”**

**...President Trump on Tues. 10 March 2026**

### [The Spirit of God](#)

1. The Spirit of God like a fire is burning!  
The latter-day glory begins to come forth;  
The visions and blessings of old are returning,  
And angels are coming to visit the earth.
2. The Lord is extending the Saints' understanding,  
Restoring their judges and all as at first.  
The knowledge and power of God are expanding;  
The veil o'er the earth is beginning to burst.
3. We'll call in our solemn assemblies in spirit,  
To spread forth the kingdom of heaven abroad,  
That we through our faith may begin to inherit  
The visions and blessings and glories of God.

4. How blessed the day when the lamb and the lion  
Shall lie down together without any ire,  
And Ephraim be crowned with his blessing in Zion,  
As Jesus descends with his chariot of fire!

(Chorus)

We'll sing and we'll shout with the armies of heaven,  
Hosanna, hosanna to God and the Lamb!  
Let glory to them in the highest be given,  
Henceforth and forever, Amen and amen!

**Judy Note: This week the Global Military Alliance** has been very busy dismantling the Deep State's global empire of human trafficking, child exploitation, money laundering, illegal bio-weapons, and elite blackmail networks.

**Because they were not Basil III compliant, Central Banks across the Globe** have been forced to close – they just haven't told you yet. They were freezing individual accounts along the way so it was advised to get your money out NOW.

**Although, all individual accounts worldwide have been mirrored** onto the new Quantum Financial System – that won't be available to the general public until April. Stock up on food, water, cash and essentials to get you through.

**Billions of US dollars in Vatican Bank transfers** have been linked to trafficking and population control – so that money has also been frozen worldwide. With Child trafficking rings moving victims undetected across borders, the Alliance made sure the tunnels were collapsed, the Cabal stockpiles of food and essentials confiscated – to be handed out to those unprepared for disasters about to occur.

**In fact, the Deep State was in a full state of collapse.** Iran was down, with their first two candidates for a new leader gone. The Supreme Leader's palace was a glowing crater, nuclear arsenal turned to glass. Iranian Army, Navy, Air Force – no more.

**The Clinton Foundation** servers have been seized – trillions in black money laundering exposed. **The Epstein client list** was streaming un-redacted, naming top elites – many of whom were already headed to GITMO. The Global Military Alliance has been busy dragging every Satanic Elite from Davos to DC into custody for tribunals and hangings.

**In Canada,** massive underground trafficking tunnels and vaults north of Quebec were raided by U.S. forces – elite bunkers stockpiled with gold, weapons, food hoards, and off-grid tech for the globalists' doomsday plans

**Across the Caribbean**, U.S. Navy destroyers were locking down elite private islands used as trafficking hubs and escape havens.

**In Europe**, CIA black sites tied to the old Deep State operations have been permanently shut down.

**In Switzerland**, a massive server farm near Lake Geneva – the heart of off-book crypto payments for child trafficking, illegal AI experiments, and Epstein-style blackmail – was overrun and dismantled.

**Be prepared** for the months ahead – they are full of disasters.

**This is a video by Jordan Peyton**, a man who claims that he died on **Feb. 28 2026** and during his subsequent near death experience, received instructions from God about the need to prepare for future disasters – that would begin in a few days on **Sun. 15 March 2026**. [I Died & Jesus Showed Me 7 U.S. Cities to Flee in 2026! | NDE Story](#)

**I am posting it because everyone's need** to be prepared for any type of disaster and not to depend on the government, or others to save them. There was no way of knowing if what he said was valid. You will need to pray about it.

**According to what Peyton was told Sun. 15 March 2026 would be the start** of chaos, where a series of disasters would begin, mainly in the US.

**In July was the Great Deception** where a digital link would be presented to unprepared traumatized people trying to survive the disasters. The link would join them to the Deep State where their lives would be completely controlled by Satan Worshipers.

**He was told that because of pending disasters**, there were **(Seven)** cities that people needed to immediately evacuate from: Seattle Washington, San Francisco and LA California, Houston Texas, Chicago Ill, New York City, Chicago Ill and Miami Florida.

**People were urged to relocate to one of the (Seven) Refuge States** of Alaska, Montana, Idaho, Wyoming, North Dakota, South Dakota or Utah. People there had heeded God's warnings and were prepared. There they could live in peace off grid, grow their own food and not be controlled by the Deep State Satan Worshipers.

**People were urged to have at least (Seven) essentials on hand:** a water filtration system, solar power, heirloom seeds, medical supplies, communication which does not depend on power from man, hand tools which do not depend on power in order to use and most important, to live by God's word.

**There were also interesting dates presented**, which could be related to the Restored Republic and Global Currency Reset.

**Sun. 15 March 2026:** Starting of chaos. Sequence begins.

**Wed. 15 April 2026:** Seattle Washington experiences a devastating 9.2 quake and tsunami

**Thurs. 23, Sat. 25, Mon. 27 April 2026:** LA California Earthquakes

**Fri. 15 May 2026:** San Francisco Earthquake liquefaction

**Sun. 7 June 2026:** Quake liquefaction causes Mississippi River to flow backward. Missouri, Tenn., Arkansas sink in liquefaction for thousands of miles. All of which cuts off the US East from the US West. The US Government was paralyzed because of disasters and could not help.

**Tues. 9 June 2026:** New York water floods Manhattan and goes 15 mile inland

**Sun. 12 July 2026:** Houston Texas flood and fires

**Mon. 3 Aug. 2026:** Chicago Ill. heat wave grips the mid west where transformers collapse

**Sun. 20 Sept. 2026:** Miami Florida rising sea level envelops city.

#### **A. Possible Timing:**

**On Mon. 9 March 2026** insiders confirmed the final activation phase is locked in, with the Quantum Financial System fully live and mirroring every account to gold-backed reality. No more income tax chains—tariffs and a simple 15% flat sales tax on new goods only, while NESARA/GESARA wipes national debts, zeros out mortgages, abolishes the illegal IRS forever, and floods We the People with rightful wealth suppressed for generations.

**Sometime soon the Emergency Broadcast System overrides** every screen, phone, radio, and internet feed worldwide. Starlink beams the uncensored truth straight to humanity, exposing the Deep State's pedophile networks, child trafficking rings run from the Vatican and elite basements, and the satanic cabal's grip finally shattered. **Worldwide activation:** The live phase of the reset is rapidly approaching. Financial authorities and central banks from various regions are coordinating to confirm the changeover in unison. The new quantum-secured monetary system will start functioning publicly as soon as the switch is recognized.

**Access Wallet:** There will be detailed instructions on how to get into the QFS wallet. I'll be one of the first to access the updated digital assets by logging in. The rollout may include secure system alerts or encrypted app updates, but because of the thorough planning that has already been done, it should be easy.

**Resetting Finances:** The wallet interface will instantly display new currency values. Automatic adjustments may be made to debts, balances, or legacy accounts. The quantum ledger will log every update, guaranteeing total transparency and verifiable transaction records.

**E. Judy Note:** It is advised to exchange/redeem your foreign currency at an official Redemption Center rather than a bank. You can only redeem Zim at a RC, the Dinar Contract Rate can only be given at a RC and banks will offer you lower exchange rates than what you can obtain at a RC.

**Patriots, the storm has hit and it's magnificent!** President Donald J. Trump has invoked Article II to declare the United States fully sovereign under Common Law once more. The fake foreign-controlled “US INC.” is finished — dissolved, dead, gone forever. No more Admiralty Law oppression, no more globalist chains dragging us into debt and war. The Deep State grip is broken; the true Constitutional Republic rises triumphant!

**This is no mere rhetoric — it's a binding Declaration of Authority** and Summons from Trump as Commander-in-Chief. He's seizing full control, sidelining the corrupt swamp and directing the military via the Uniform Code of Military Justice. Every flag officer is oath-bound to obey lawful orders from the legitimate President. No more excuses, no divided allegiances. The military now serves We the People through Trump, not the treasonous corporate facade!

**Under Common Law sovereignty** — grounded in God-given rights and original founding truths — Trump exercises his prerogative to summon leaders, affirm real authority, and rebuild national defense. This resets America to the Founders' vision: no commercial enslavement, no hidden British shadows, just pure liberty!

**All flag officers are ordered to convene in Virginia** — the Republic's sacred cradle — for immediate realignment. This is full military mobilization to restore loyalty and eliminate globalist remnants. The timeline is set, orders issued, clock running. Unity under true command is happening NOW!

**Foreign-tied overseas bases and Commonwealth-linked ops?** They're being shut down or reclaimed for America. No more secret outposts serving alien masters, no covert pacts bleeding us dry. Trump is smashing the centuries-old Crown chokehold on trade and power — and the military reset locks it down!

**This fulfills Trump's sacred oath to defend the Constitution**, protect the people, and preserve the Republic. Every officer and servant must choose: stand with the restored Republic or stand exposed as oath-breakers. The line is drawn — no more shadows, no two Americas. One Republic. One Commander-in-Chief. One Law — Common Law!

**QAnons, white hats, digital warriors** — this is OUR victory moment! The debt-based, deception-driven US INC. fraud is overthrown. Military mobilizes under Trump's unbreakable command. Deep State cabal legally crushed, illusions collapsing. Freedom surges back — the Republic is BACK, sovereign, unbreakable!

### **Guru Information and Intel:**

**M. Tues. 10 March 2026 MASSIVE MILITARY NEWS! Trafficking Tunnels Discovered in Canada, U.S. Troops Raid Elite Private Islands, CIA Black Sites Shut Down Across Europe, Vatican Bank Transfers Frozen Solid! ...Carolyn Bessette Kennedy on Telegram**

**As of December 30, 2025, U.S. Special Forces, operating under direct orders from President Trump, have launched a series of devastating raids this very week.** These are no

drills, no fake news distractions – these are precision strikes dismantling the Deep State's global empire of human trafficking, child exploitation, money laundering, illegal bioweapons, and elite blackmail networks. The Cabal is in full panic mode, their escape routes cut off, their hidden fortunes seized!

**In Canada, massive underground trafficking tunnels and vaults north of Quebec have been exposed and raided by U.S. forces in covert operations** – no warning to corrupt Canadian officials. These elite bunkers were stockpiled with gold, weapons, food hoards, and off-grid tech for the globalists' doomsday plans. Evidence points to direct links to child trafficking rings moving victims undetected across borders. It's all being destroyed right now – the tunnels collapsed, the stockpiles confiscated. The deep state thought they could hide up north, but Trump said NO MORE!

**Across the Caribbean, U.S. Navy destroyers are locking down elite private islands used as trafficking hubs and escape havens.** These luxurious hideouts, owned by the richest cabal families, were raided hard – high-profile assets seized, servers holding blackmail files on politicians and Hollywood pedophiles captured. Submarines and private jets trying to flee? Blocked cold. The elites are trapped, their private paradises turned into prisons!

**In Europe, CIA black sites tied to the old Deep State operations have been shut down permanently.** In Switzerland, a massive server farm near Lake Geneva – the heart of off-book crypto payments for child trafficking, illegal AI experiments, and Epstein-style blackmail – was overrun and dismantled. This was no ordinary data center; it stored the digital dirt on the global elite, funded by Rothschild shells and protected by mercenaries. Now it's in White Hat hands, and the truth is pouring out!

**The Vatican Bank? Transfers frozen worldwide!** As raids intensify, elite financial pipelines through the corrupt Vatican system have been cut off. Billions in dirty money linked to trafficking and population control schemes are locked – no more laundering for the Cabal's Satanic networks. This is the financial kill shot they've feared for decades!

**Cheyenne Mountain is buzzing as the true command center.** President Trump is personally overseeing these operations from secure bunkers, coordinating with JSOC teams using Title 50 authority – no red tape, no leaks to Congress. Samples from destroyed biolabs in raided sites, designed for chemical sterilization and global depopulation targeting America, Africa, and beyond, are secured there. Putin and Trump are aligned quietly, taking out shared enemies like Rothschild crypto vaults.

**AI tools are now hunting traitors inside the military and government** – spotting deep state moles sabotaging our nation from within. The Navy's blocking every escape, drones striking remaining hideouts. This isn't cleanup, patriots – this is total takeover! The elite's system is collapsing before our eyes, and thousands of innocent children are being rescued from these hellholes as we speak. The Great Awakening is unstoppable!

**More raids are coming – bigger names falling**, more tunnels exposed, full exposure of the 2020 steal and Epstein lists on the horizon. The military is the only way, and under Trump, they're delivering justice like never before. The cabal's reign of terror ends now – freedom is here! Hold the line, share this everywhere – WWG1WGA!

**R. Tues. 10 March 2026 1913: THE YEAR AMERICA’S FINANCIAL SYSTEM CHANGED FOREVER** ...Pastor Bob Joyce (Elvis?) on Telegram

**The year 1913 is often seen as a turning point in American financial history.** Within a single year, several major institutions were created or reshaped, laying the foundation for the modern economic system that still governs the United States today.

**Three major developments happened almost simultaneously:** the creation of the Federal Reserve, the ratification of the 16th Amendment introducing permanent income tax, and the rise of powerful philanthropic foundations that began shaping science, education, and public health policy.

**More than a century later,** these events continue to fuel debate about how financial power is structured in America.

**THE FEDERAL RESERVE** In December 1913, Congress passed the Federal Reserve Act, establishing the United States’ central banking system.

**The Fed was designed to stabilize the economy,** regulate the money supply, and prevent banking panics that had repeatedly shaken the country during the late 1800s and early 1900s.

**Today the Federal Reserve** influences interest rates, manages financial liquidity, and acts as a lender of last resort during crises. Supporters argue it protects economic stability, while critics point to its independence from direct democratic oversight.

**THE PERMANENT INCOME TAX** Also in 1913, the 16th Amendment allowed the federal government to collect income taxes directly from citizens.

**Before that, income taxes** had mainly been temporary wartime measures. After the amendment, they became a permanent part of the federal system and eventually developed into the modern structure administered by the IRS.

**Supporters say the tax system** funds public services and national infrastructure. Critics argue it significantly expanded federal financial power over citizens.

**THE RISE OF POWERFUL FOUNDATIONS** The same era saw the growth of influential philanthropic organizations such as the Rockefeller Foundation, which funded major projects in medicine, public health, education, and scientific research.

**These foundations** helped advance medical science and education worldwide, but they also concentrated significant influence over research and academic institutions in the hands of a small number of wealthy donors.

**THE TITANIC THEORY** A long-circulating theory connects the 1912 sinking of the Titanic with opposition to central banking. Some wealthy passengers who died in the disaster were later rumored to have opposed the creation of the Federal Reserve, while financier J.P. Morgan had planned to sail but canceled at the last moment.

**However, historians note that no credible evidence links** the Titanic disaster to the creation of the Federal Reserve, and the connection remains a subject of speculation rather than fact.

**WHY 1913 STILL MATTERS** More than a century later, the institutions created in 1913 remain central to American life.

**The Federal Reserve** still guides monetary policy, the income tax system funds the federal government, and major philanthropic foundations continue to shape research and education.

**Whether viewed as essential institutions** or as sources of concentrated financial power, the changes of 1913 helped build the economic system that continues to influence America today.

**S. Tues. 10 March 2026 POLL SHOCK: DEMOCRATIC PARTY FAVORABILITY HITS RECORD LOW AS IMMIGRATION DEBATE INTENSIFIES ...Nesara Gesara on Telegram**

**A new national poll released by NBC News on March 8, 2026**, has revealed a sharp decline in public perception of the Democratic Party. According to the survey of 1,000 registered voters, the party's net favorability rating has fallen to -22, with only 30% of respondents expressing a positive view and 52% holding a negative opinion.

**The poll compared several political and government institutions**, highlighting how attitudes toward immigration policy and national security are influencing voter sentiment.

**For context, Immigration and Customs Enforcement (ICE)** recorded a net favorability rating of  $-18$ , meaning the agency responsible for immigration enforcement currently holds a slightly more favorable public perception than the Democratic Party in this survey. The only entity in the poll with a significantly lower rating was Iran's government, which registered a net favorability of  $-53$ .

**The survey was conducted between February 27 and March 3**, during a period of heightened national focus on immigration enforcement and foreign policy tensions in the Middle East.

**Immigration remains** one of the most divisive issues in American politics. President Trump's administration has intensified deportation operations and border enforcement policies, arguing that stronger measures are necessary to restore control of the southern border.

**Supporters of the strategy** say these policies address public concerns over illegal immigration, crime networks, and drug trafficking. Critics argue that aggressive enforcement risks humanitarian consequences and may further polarize political debate.

**Over the past decade**, immigration policy has been a central dividing line between the two major political parties. Democratic leaders have often advocated for expanded legal immigration pathways and protections for undocumented migrants already living in the United States. Republicans have generally pushed for stronger border security, stricter enforcement, and reductions in illegal crossings.

**The NBC poll also indicates** that voters currently rate Republicans more favorably on immigration policy, suggesting the issue could play a major role in upcoming political campaigns.

**Political analysts note that public opinion** on immigration tends to shift during periods of economic stress, rising border crossings, or national security concerns.

**At the same time**, the sharp negative rating for the Democratic Party in this poll reflects broader political dissatisfaction among voters, not just attitudes toward border policy.

**With midterm elections approaching**, both parties are expected to intensify their messaging around immigration, economic stability, and national security as they compete for public support.

**The poll's results highlight** how deeply these issues continue to shape the political landscape in the United States.

**W. Judy Note: Satanic Ritual Abuse Survivor-Victims Ana and Gabriel need your help.** I have known them for several years. They have been undergoing untold abuse and death threats – that were headed by her son’s father, who is high up in the pharmaceutical field and Belgium Satanic Coven.

**Hello Judy,**

**The situation is extremely dangerous** at the moment. I can’t leave my home anymore, other than take Gabriel to and from school and going to the supermarket. Last Monday there was another kidnap attempt at the supermarket parking lot. I’m in such a stressful and dangerous situation.

**I ask you to please publish** and relay to your contacts in other media outlets for publishing the below article as soon as possible, with an update of my situation, request for help and offering of doing any online administrative work in any of the four languages I speak.

**Maybe someone benevolent** that has funds will hear my call and give me some online work so that I can provide for my son and keep us safe until the rv is here.

**Thank you from my heart.**

**UPDATE ON THE MOM AND SON IN BELGIUM SURVIVING ON GOD'S GRACE**

**It’s been six grueling years** since I first found out about the ritual abuse my son's father was perpetrating on my son.

**I separated from the father when my son was 1 1/2 years old** (he is 12 now). My life became a living nightmare from that moment. At the time I had no idea how large and powerful the Satanic Ritual Abuse Network (SRA) the father belongs to is here in Belgium. I had no idea how intricately and highly involved many of my own family members, police, school, medical and judicial systems are.

**I didn't comprehend the number of handlers and the endless resources** they had at their disposal to target anyone, at any time. I didn't understand how most of my life experiences and encounters were not organic in nature but arranged by this network.

**I started then my desperate journey to try to save my son and to have both of us rescued to a safe life.** The targeting and harassment increase with every passing year, as does my understanding of what and who I am dealing with.

**For example, with the help of the school SRA Network,** they tortured my son and then his father went to court to ask the judge to designate a psychologist who is also part of the same network to « help » the very child being harassed.

**I later found out that this was all culminating in their plot of my son's "suicide"** which would simultaneously trap me into the false position that I refused to help my son.

**At my son's small high-end school (the father is very wealthy and petitions constantly to control my son's school, doctors, imposed "therapists," etc.)** the director and many teachers are fully involved in harm, shaming, rituals and abuse of the children on the school premises as well as at other outside locations - such as during illegal sudden pop up field trips.

**Many parents are involved too** and use their children to daily torment and violently bully my son. The corrupted teachers always back bullying, lying, violence and intimidation. My son is often sent home as the one admonished.

**We have only survived this far by God's grace** and my constant reporting of everything I experience and witness. I will never give up. I have huge amounts of detailed reporting of the harassment, targeting, attackers, poisonings, kidnapping attempts, among so many other threats to our safety and attempts on our lives. I have pictures, videos and documentations with the names, dates, locations of the on-going incidents and the roles of those involved.

**I have contacted many international organizations and individuals who are aware of the SRA networks.** I report mine and my son's conditions, incidents, and whereabouts all day every day to my longtime closest friend who works to free The Children. I constantly report details such as the intense persecution my son endures and the frequent beating on my doors and windows at all times of the day and night.

**Unfortunately, nothing has happened ... yet.** I was promised fake rescue two times both with dark agents posing as benevolent military. I have a safe place to go but with no way to get there.

**The situation is so extreme at the moment that I can no longer leave my home.** Many of my neighbors are part of the network. I can hear ceremonies through the walls and the screams of children. I can often track when I am targeted with technology or black magic.

**I have my son one week out of every two,** so I leave to take him to school and back and to buy food. We face constant attempts and threats of harm and even kidnapping while we just are leaving or entering the building or in the supermarket parking lot. The school is very active trying to harm us both. The parents and teachers openly mock me as their children do my son. I could go on and on with specific documented incidents: the dentist, the speech therapist, the school coach and so on.

**I tracked that every time that there is a legitimate plan to harm us** through a meeting at school or an appointment or such, my son's father leaves the country. Many times, I have saved my son from rituals by tracking such markers. Yet ... every other Monday I must release my son from my safe arms into a new week of danger and real harm.

**If anything happens to me or to my son,** reports are poised to be spread far and wide making the father's name and others well known. They try but they will never make me disappear without the world knowing what they do.

**If my story sounds fantastic to you ...** I would say my story is one of millions. We just don't realize it yet.

**I am here to beg for help one more time.**

**It has become so dangerous that I can't leave my home** and besides that I am outright blocked from outside work. But I won't lose this home, the only safety my son has.

**My resources are running out.** I will take any integrity online work that I can do from the safety of my home. I need to be able to work to make at least 1000 eur a month for us to survive here.

**I can offer a vast range of online work.** I have administrative experience including office, organizational and research skills. I am fluent in French, Portuguese and English. I also speak moderate level Spanish. I can research, translate and edit multi-lingually.

**If you can help me and my son,** please contact me at the following email address (created for this exchange): [contact.help2026@proton.me](mailto:contact.help2026@proton.me)

**Thank you.**
