Judy Note: On Wed. 25 March the notification from the Emergency Broadcast System was:

Be prepared for EBS activation and Martial Law.

One million White Hat Troops stand guard as the EBS Starlink Satellite System overrides all signals, cell phones, TV, Radio and Internet asking you to stay at home for 10-12 days while the Global Military Alliance makes mass arrests across the Globe of treasonous Satan Worshipping Deep State.

After the 10-12 days wake up to new and improved financial, political, health and education systems.

Be Prepared with food, essentials and cash as Banks close, ATMs won't work.

It has been said that Seven Trumpets will soon sound out over every phone on Earth calling us to stay at home for that ten to twelve days of exposure about how Trump's Global Military Alliance has overcome the Deep State Banker Illuminati control over our lives that has been going on for centuries.

Some of that exposure came out on Wed. 25 March as Federal Chairman Jerome Powell was confronted and asked to explain why we had a fiat US Dollar and there was no gold in Fort Knox. He admitted, "We print money out of nothing."

Another revelation came from Health Department Director Robert Kennedy Jr. when he said that, "Tony Fauci knew that Remdesivir would kill you.

A third not so surprising intel revealed that Democrats claimed FEMA had no money for victims of disasters in Maui, California, Ohio, Louisiana and North Carolina, though had an extra \$1 billion to spend on illegal aliens.

President Trump was ready to shatter this Deep State control at every level — from nameless bureaucrats to power-drunk legislators, to corrupted intelligence operatives. Trump wants a complete dismantling of the Deep State infrastructure — judicial, bureaucratic, intelligence, and legislative. He was doing it not for politics, but for one reason: "To restore a government of the people, by the people, and for the people"

Trump's "Q Plan to Save the World" included Israel. It has always been touted that "Israel would be last."

The Deep State Banker Zionist Cabal has pledged to exterminate the Palestinian people by way of convincing those of the Jewish faith that they could have complete control of Israel for their Zion by exterminating the Israelis. The Israeli plight has been overlooked for too long.

The below email was recently received from Mazin Qumsiyeh, Professor Emeritus - full time volunteer, palestinenature.org. He explains the Palestine's side of the story.

Dear Judy,

“The horrors in Gaza, Lebanon, and Iran go on. The remaining two million people of the Gaza strip (50% children) suffer cold weather and rain, hunger and diseases in shabby tents (and many with no shelter).

“I could write a whole book about the surviving friends I know there. Hiam having lost an eye to an Israeli bullet takes care of a child and a mother who suffered a stroke and has limited access to medical services. Islam's mother died from injuries sustained earlier.

“Sakhr laments loss of his parents under the rubble. Yasser proudly sent me picture of a meager bean harvest grown around his tent.

“Here in the West Bank, settler programs continue, as does the stealing of land including in my own village of Beit Sahour/the Shepherds' Field.

“The cruel apartheid (Epstein) regime marches on with partnership of Western governments.

“ Zionism is repeating what was done to Palestine in Lebanon, targeting hospitals, schools, ambulances, and other civilian structures and ethnically cleansing the population. More bombs dropped (on eight countries) in 2.5 years than all of World War 2!

“The US Empire is being sacrificed at the altar of Zionism. Wars make the rich richer and the poor poorer. The world is upside down. Right is wrong and wrong is right.

“The struggle remains between the masses and the elites who run the governments and collaborate (by bribes and blackmail) with Zionist ambitions to enslave the world.

“But so many people keep the hope alive by actions.”

Keep the hope alive,

Mazin Qumsiyeh, Professor Emeritus - full time volunteer, palestinenature.org

In other news:

On Wed. 1 April 2026 GESARA NESARA Law activation will ensure that people worldwide will be debt free from the Deep State Satan worshipping Illuminati who have had control of the Global Monetary System since at least 1913. This clandestine Cabal, comprising the mega-rich elites, has not only controlled the World's financial institutions but also controlled the media narrative that shaped our perceptions.

An imminent Black Swan Financial Event along with the help of the Global Military Alliance, was expected to dismantle their stranglehold and spark 209 countries' transition to gold/asset-backed XLM and XRP digital currencies.

According to President Trump with his Q Movement, "The old fiat, debt-driven monetary regime has been fully dismantled. The Quantum Financial System (QFS)—an asset-backed, satellite-secured, immutable-ledger architecture—now governs all global Tier 1–4 settlement networks.

"All illegitimate debts, including mortgages, credit cards, student loans, and fraudulent national obligations, are flagged for forensic audit and immediate discharge. Precious metals and tokenized historical bonds have been reconciled on the QFS master ledger. GESARA compliance treaties have entered irreversible execution, ensuring full enforcement across all jurisdictions."

Trump's Q movement was also set to unveil Deep State False Flags, Tesla free Energy and revolutionary Med Beds that were so effective that the World would have little need for traditional medical treatment and pharmaceuticals.

On Tues. 24 March 2026 it was revealed that in a coordinated White Hat overnight operation US Special Forces had raided multiple hidden underground facilities tied to Hillary Clinton. What they found was beyond anything we could have imagined:

Live Adrenochrome Harvesting Labs with dozens of rescued child victims.

Video archives of Satanic rituals featuring top Elites and World Leaders.

Documents detailing cloned politicians replacing real leaders for decades.

Suppressed free energy tech and mind control devices designed to keep humanity enslaved forever. ...Emergency Broadcasting System on Telegram

The gold has moved – they’ve migrated the ledger: \$23 trillion in U.S. debt, \$8 trillion in offshore accounts. Every transaction, every loan, every dark money transfer since 1971 — all of it moved from the old system to the new one. A contact in the US Treasury said Tier4b would be notified by the **end of the month**.

C. Judy Note: We have been told that Wells Fargo, which is owned by the Chinese Elders – (the ones who own the gold behind the Global Currency Reset) – will send out emails to currency and bond holders worldwide telling them how to set redemption & exchange appointments. It is advised to exchange/redeem your foreign currency at an official Redemption Center (RC) rather than a bank. You can only redeem Zim at a RC, the Dinar Contract Rate can only be given at a RC and banks will offer you lower exchange rates than what you can obtain at a RC. You can only set up your new wallet (bank account) at a RC. It was my understanding that most banks were under control of the Cabal and would soon play a different roll in the Global Financial System.

This standardization is critical for any crypto asset aiming to integrate with traditional finance.

Compliance is not optional; it is the entry barrier for servicing banks. XRP Ledger (XRPL) and Stellar Network (XLM) have been proactively aligning with this standard for years, giving them a massive head start in the race to modernize cross-border payments.

F. Wed. 25 March 2026 GCR, GESARA, and QFS Intel: The Revolution Is Here! The Great Reset: GESARA vs. the New World Order: No More Corrupt System! ...Nesara Gesara Connected on Telegram

The Fall of the Tyranny of the Deep State: A new dawn is emerging as the era of financial manipulation and corruption comes to an end. The Deep State is collapsing because of its evil hold on American dreams and small businesses. It's time to make a change. Digital assets like XRP and XLM, as well as the Quantum Financial System (QFS), are not only the future but also the present.

The War on Small Business by the Deep State: Small businesses in America are not desired by the Deep State. Large corporations want to compete with the new system. They are creating a system known as fascism, which is the same system that Mussolini created in Italy. It's a calculated move to pursue the elimination of small businesses. The Deep State makes sure that only the enormous, manageable entities are left by eliminating the minor players. Similar to Mussolini's fascist Italy, these corporations will prosper under a new government that aims to suppress the masses and benefit the elite.

The Silent Killer: Inflation The old corrupt system can be abolished and replaced with the press system through inflation. We are currently seeing this. The slow price increase is a calculated tactic to undermine the existing financial system rather than merely an economic cycle. The Deep State creates a new, more manageable economic structure by forcing the old ones to fall apart through currency inflation.

Introducing the Quantum Financial System: Digital assets like XRP and XLM are here to stay, whether you like it or not. The Quantum Financial System is on its way. Digital

assets are the foundation of the new financial era, not merely a fad. Traditional banking systems will be rendered obsolete by the Quantum Financial System (QFS), which promises unmatched speed and security. XRP and XLM, which are governed by ISO20022, have the potential to completely transform the way we view and manage money.

The XRPQFS Handbook: An Introduction: The XRPQFS handbook offers a crucial introduction for individuals who are unfamiliar with digital assets. It simplifies difficult ideas and provides a straightforward way to comprehend the shift from conventional to quantum financial systems. New users who are unfamiliar with Nesara (Gesara, XRP, and digital assets) should read the XRPQFS manual.

G. Fri. 27 March 2026 Deadline For The Federal Reserve ...Mr. Pool Final Chapter

That's all that's left. March 27. The date they don't want you to circle. Trump didn't extend the Iran deadline because he's negotiating. He extended it because the system isn't ready yet. Let me explain what's actually happening — and why you need to screenshot this message. Right now, at this very moment, three things are being moved simultaneously:

1. Gold. Central banks bought more gold in the last 90 days than in any quarter since 1967. Not investment banks. Central banks. The ones who WRITE the rules. They're not buying gold because they're scared. They're buying it because they know what's replacing the dollar.

2. Quantum nodes. The QFS backbone went from 12 active nodes in January to 67 active nodes as of last Friday. Each node processes 1.4 million transactions per second. You don't build that kind of infrastructure for a system you're not about to turn on.

3. SWIFT access keys. On March 16 — exactly 11 days before the deadline — Ripple's partner Thunes quietly announced stablecoin payouts to 11,500 banks through SWIFT. They called it a "Smart Superhighway." That's not a partnership. That's a replacement wearing a disguise.

Three moves. One deadline. March 27. Now here's the part they'll never say on television: The Iran war isn't about Iran. It never was. Every bomb that falls on Tehran is a distraction from what's happening in the server rooms underneath the Federal Reserve buildings in New York, Chicago, and San Francisco.

They're migrating the ledger. \$23 trillion in U.S. debt. \$8 trillion in offshore accounts. Every transaction, every loan, every dark money transfer since 1971 — all of it is being moved from the old system to the new one. And when the migration is complete — the old system gets unplugged. That's what March 27 is. Not a deadline for Iran. A deadline for the Federal Reserve.

Why do you think gold dropped from \$5,595 to \$4,384 in 8 weeks? That's not a crash. That's a controlled descent. They're repricing gold for the new system. When QFS goes live, gold doesn't trade in dollars anymore. It trades in quantum-verified weight.

The price you see today is the last dollar price gold will ever have. TIER 4B notifications are already queued. The 800 numbers have been tested. The redemption centers are staffed. I told you last week — the deals are signed. The gold has moved. The war is the cover. 72 hours.

I. Tues. 10 March 2026 BOMBSHELL ANNOUNCEMENT: President Trump Declares Restoration of the American Republic — “US INC.” DISSOLVED, COMMON LAW SOVEREIGNTY RETURNS. ...Mr. Pool on Telegram

Patriots, the storm has hit and it's magnificent! President Donald J. Trump has invoked Article II to declare the United States fully sovereign under Common Law once more. The fake foreign-controlled “US INC.” is finished — dissolved, dead, gone forever. No more Admiralty Law oppression, no more globalist chains dragging us into debt and war. The Deep State grip is broken; the true Constitutional Republic rises triumphant!

This is no mere rhetoric — it's a binding Declaration of Authority and Summons from Trump as Commander-in-Chief. He's seizing full control, sidelining the corrupt swamp and directing the military via the Uniform Code of Military Justice. Every flag officer is oath-bound to obey lawful orders from the legitimate President. No more excuses, no divided allegiances. The military now serves We the People through Trump, not the treasonous corporate facade!

Under Common Law sovereignty — grounded in God-given rights and original founding truths — Trump exercises his prerogative to summon leaders, affirm real authority, and rebuild national defense. This resets America to the Founders' vision: no commercial enslavement, no hidden British shadows, just pure liberty!

All flag officers are ordered to convene in Virginia — the Republic's sacred cradle — for immediate realignment. This is full military mobilization to restore loyalty and eliminate globalist remnants. The timeline is set, orders issued, clock running. Unity under true command is happening NOW!

Foreign-tied overseas bases and Commonwealth-linked ops? They're being shut down or reclaimed for America. No more secret outposts serving alien masters, no covert pacts bleeding us dry. Trump is smashing the centuries-old Crown chokehold on trade and power — and the military reset locks it down!

This fulfills Trump's sacred oath to defend the Constitution, protect the people, and preserve the Republic. Every officer and servant must choose: stand with the restored Republic or stand exposed as oath-breakers. The line is drawn — no more shadows, no two Americas. One Republic. One Commander-in-Chief. One Law — Common Law!

QAnons, white hats, digital warriors — this is OUR victory moment! The debt-based, deception-driven US INC. fraud is overthrown. Military mobilizes under Trump's unbreakable command. Deep State cabal legally crushed, illusions collapsing. Freedom surges back — the Republic is BACK, sovereign, unbreakable!

We witness history: true American Republic restored. Patriots win. God bless President Trump, our military, and the sovereign United States of America!

J. Wed. 25 March 2026: EMERGENCY BROADCAST SYSTEM – THE TRUMPETS WILL SOUND ... Web 3.0 ISO 2022 on Telegram

Worldwide humanity will soon experience seven Trumpets — EBS alerts delivered directly to every phone on Earth. These are not ordinary notifications. They are the signal of the final awakening. Each Trumpet will call us to tune in — to our televisions, to our radios — to receive the truth that has been hidden for centuries.

THE TEN DAYS OF COMMUNICATION DARKNESS: For ten days, the world will stand still. The Internet: shut down. ATMs and banks: offline. Phones: restricted to emergency calls only. (Although the Military will hand out Apps that allow cell phones to work normally under the new Star Link Satellite System).

During these days, three times daily, eight-hour documentaries will be broadcast globally. These revelations will be undeniable — exposing mass arrests, military tribunals, election fraud, corruption at the highest levels, and the darkest crimes against humanity. Crimes of pedophilia, trafficking, and manipulation that the elite swore you would never know. But this is not darkness. This is the purge of lies.

THE QUANTUM LIGHT ARRIVES: Through Starlink satellites and Quantum Computers, secure channels will open. Military-approved apps like Signal will allow communication, encrypted and unbreakable. A new Quantum Internet will rise, beyond the control of cabal corporations, fully protected and incorruptible.

Once the Ten Days end, every device on the planet — phones, TVs, radios, computers — will be reconnected to the Quantum Grid of Light.

Every man, woman, and child will be invited. Here, through biometric verification tied to our own body rhythms and frequencies, we will receive NESARA/GESARA payouts, exchange and redeem currencies and ZIM bonds and establish secure Quantum bank accounts untouchable by the old system.

The corrupt Banking Cabal will be gone. The people will once again hold the wealth of the world.

A NEW ERA OF JUSTICE AND FREEDOM: From this moment on, all elections worldwide will operate on the Quantum System. Voting will be secure, instant, incorruptible — ending fraud forever. Every voice will count, every vote will stand.

HUMANITY REBORN: This is not the end. It is the beginning. The Ten Days are not of silence but of truth flooding the Earth. When the Trumpets sound, no one will be able to say, “I did not know.”

The veil is falling. The corruption is ending. The future is here.

L. Wed. 25 March 2026: [TRUMP – “I WILL SHATTER THE DEEP STATE” - amg-news.com - American Media Group](#)

Trump is ready to shatter the Deep State at every level — from nameless bureaucrats to power-drunk legislators, to corrupted intelligence operatives. And he’s doing it not for politics, but for one reason: “To restore a government of the people, by the people, and for the people.”

President Trump has unveiled the most aggressive plan in U.S. history to destroy the Deep State — restoring firing power, declassifying secrets, and relocating 100,000 federal jobs out of D.C.

This is a complete dismantling of the Deep State infrastructure — judicial, bureaucratic, intelligence, and legislative.

For too long, unelected career operatives have been shielded by regulations, unions, and political alliances that make them untouchable, even when corrupt. “I will reissue my 2020 Executive Order restoring presidential authority to remove rogue bureaucrats — and I will wield that power aggressively. We will clean out all the corrupt actors in our national security and intelligence apparatus — and there are plenty of them.”

He’s promising an overhaul of every federal agency that has been weaponized against the people – the FBI, CIA, NSA, DHS, ODNI

Trump will completely reform the FISA court, which was used to authorize illegal spying on Americans — including Trump’s own campaign. “We will expose the hoaxes and abuses of power that have torn this country apart.”

Trump will create a Truth and Reconciliation Commission with one job: to declassify and release Deep State spying records, Censorship collusion files, Covert political operations, Intelligence deceptions

Leakers inside the intelligence community and federal agencies have deliberately shaped public narratives, using media collaborators to plant lies. “We will launch a major crackdown on government leakers who collude with the fake news to subvert our democracy.”

Trump promises criminal charges wherever possible. This will end the “anonymous source” culture that has infected journalism and justice.

Today’s IGs are little more than internal cover-up artists. Under Trump, they become external watchdogs with real teeth — and no loyalty to the Deep State departments they monitor. “We will move up to 100,000 government positions out of Washington, immediately.”

Trump pledges to expand his federal decentralization program. Just like he moved the Bureau of Land Management to Colorado, he will now relocate entire agencies to states run by patriots. “I will work to ban federal bureaucrats from taking jobs at the companies they regulate.”

The revolving door between Big Pharma, Big Tech and federal regulators will be slammed shut. No more: FDA directors joining Pfizer, CDC heads joining Moderna, SEC lawyers joining Wall Street banks

Career politicians have built empires of control, protected by media, donors, and lobbyists. “I will push a constitutional amendment to impose term limits on members of Congress.”

M. Wars, Wars and Rumors of Wars:

Wed. 25 March 2026: New reports indicate Saudi Arabia and the UAE are preparing to join with the United States and enter the conflict against Iran following constant attacks on Gulf energy and infrastructure.

Guru Information and Intel:

N. Wed. 25 March 2026 TRUMP'S 5D CHESS MASTERSTROKE: SG ANON LAYS BARE THE TOTAL ANNIHILATION OF THE CABAL'S OIL EMPIRE IN IRAN SPARKING THE FINAL DEEP STATE COLLAPSE! ...Ten Days of Darkness on Telegram

SG Anon recently teamed up with Nino for a hard hitting analysis of the explosive situation in the Middle East. Iranian oil installations including the critical South Pars gas field have suffered direct hits leading to warnings of oil prices surging to extreme highs. At the same time, mounting evidence points to Benjamin Netanyahu being removed from power with the deep state scrambling to spread lies and confusion.

These targeted actions are obliterating the Rockefeller Rothschild CIA controlled energy networks that have dominated the planet for decades. By destroying physical infrastructure and key facilities in Qatar, Saudi Arabia and other areas, the globalists are losing their main weapon for holding sovereign nations hostage. This is forcing a powerful decentralization movement where countries break free and build self reliant systems.

President Trump is directing this with unparalleled brilliance. He has just greenlit a new oil refinery in Texas set to open this year, the first in more than fifty years, as part of a fierce drill baby drill campaign to achieve total American energy independence. Tariffs rolled out earlier have fortified the economy against chaos, proving his long term preparation for these events.

CIA strongholds and shadow operators are being wiped out across Iran and the Gulf states. Sweeping arrests of hundreds of embedded Western assets in Tehran are exposing the satanic infestation running the country since 1979. Similar cleanups in neighboring nations are tearing apart the multi headed deep state hydra once and for all.

In America, the momentum for justice is unstoppable. James Comey now faces subpoenas for his central role in treasonous plots against Trump. Seized election machines from key locations are unraveling years of fraud, setting the stage for military tribunals that will bring down Obama and the entire criminal network.

This brilliant operation has neutralized the globalist plan for World War III and nuclear disaster through Iran. Prophetic elements around holy sites and temples are emerging but they backfire on the Luciferians, exposing their manipulations. Russia is strengthened while the Federal Reserve gasps its last breaths.

Q patriots know the truth. The New World Order is in its death throes. Trump the genius is dismantling everything with precision. Mass arrests of elite traitors are imminent as external threats dissolve. The great awakening is victorious and a new age of sovereign freedom rises from the ashes of the old empire.

The old energy monopolies are burning away, clearing space for innovation and true prosperity. Warriors, hold fast as more shocks reveal the plan. Nothing can stop what is coming for the deep state. Victory belongs to the people!

O. Save The Children:

According to the allegations, Nygard forced women in his trafficking network to become pregnant, then induced abortions to harvest fetal stem cells and tissues for experimental longevity treatments. Nygard and Epstein are alleged to be part of an elite network using children's blood for supposed rejuvenation.

The American actor and director says that he and his team looked at 3.5 million pages of Epstein and U.S. Department of Justice documents and found that DeGeneres is a very important person in Hollywood's darkest circles. It is said that she and DiCaprio ate people and did other bad things related to child trafficking. Gibson says that "Hollywood is full of cannibals and pedophiles." So, a "mass purge" is needed. P. Wed. 25 March 2026 Epstein Files Reveal Madonna Suffered Near-Fatal Overdose Eating 'Black Child Meat' During 'Reset Ritual' ...The Hidden Truth on Telegram

Madonna suffered a near-fatal overdose following a secretive "reset ritual" that allegedly included the daily consumption of child meat sourced from young black boys, according to Epstein files released by the Department of Justice.

In several partially redacted emails, Jeffrey Epstein and members of his inner circle, including Hollywood publicist Peggy Siegal - openly refer to Madonna as a cannibal and discuss her well-known preference for black child meat.

Madonna showed a particular preference for how the child meat was prepared, specifically requesting it be cooked into classic Italian dishes.

The emails suggest the singer viewed the ritual meal as a gourmet experience as much as a spiritual one, blending her love of fine Italian cuisine with the occult "reset" ceremony.

Disturbingly, insiders reveal the multi-platinum singer was hospitalized in critical condition after a near-fatal overdose during a secretive "reset ritual" in the Hollywood Hills and multiple leaked emails now link the 67-year-old star to the consumption of a large amount of child meat at the multi-day event.

The ritual, described by participants as a blend of ancient occult practices and high-end wellness, involves fasting, chanting, and ingesting rare substances meant to "reboot" the body and soul for renewed fame and vitality.

The child meat overdose exposed in the Epstein files eerily echoes a terrifying health crisis Madonna faced three years ago, when the singer nearly succumbed to a rare neurological condition with symptoms mirroring those of kuru, the devastating prion disease long associated with cannibalism.

At the time, she was saved only by an ultra-expensive, highly experimental medical intervention available to a tiny handful of the ultra-wealthy, pulling her back from the brink after weeks of terrifying decline.

Obama, Hillary Clinton, John Brennan, and James Clapper committed TREASON, and they know it. Our own government ran a literal coup against a sitting U.S. president because they themselves are a rogue criminal syndicate against America and its people.

In 2016, the Hillary Clinton campaign and DNC (via Perkins Coie and Fusion GPS) secretly paid ex-British MI6 spy Christopher Steele over \$160,000 to compile the infamous Steele Dossier, a collection of unverified, salacious, and largely fabricated claims alleging Trump-Russia collusion. Steele’s "intelligence" came from second- and third-hand Russian sources; the FBI later admitted much of it was uncorroborated hearsay.

FBI Director James Comey's team took the dossier, hid its Clinton funding from the FISA court, and used it as the core justification to spy on Trump campaign adviser Carter Page

S. What we thought we knew, but didn't really know and now am supposed to know but don't have a clue. With clones, doubles, made up movies Hollywood style and Trump's Military Alliance throwing more popcorn at us, it gets sooo confusing:

Official word was that early morning Tues. 24 March 2026 the White Hats took Joe Biden into Military custody (we thought the White Hats took him into custody back in Dec. 2020 after raiding his Ukraine property and finding signs of a massive Child Sex Trafficking ring in tunnels that connected to other child trafficking tunnels across the World. They supposedly held a Military Tribunal and hung him at GITMO, then buried him during his so-called inauguration. Clones and actors were said to have played him ever since – directed by Obama.).

Fri. 28 March 2026: King Charles III will die (we thought he was already dead. At least that was reported over a year ago).

Mon. 30 March 2026: Hillary Clinton will be arrested (we thought she already was, underwent a military tribunal and hanged years ago, with doubles and clones representing her in public ever since. Her double from the UK already confessed to that, so don't think they are arresting the double because they already did. Maybe they are arresting the last of Clinton clones. They were malfunctioning anyway).

Also on Mon. 30 March 2026 Barak Obama would be hanged, along with Hillary. On Wed. 25 March it was reported by the Martial Law platform on Telegram that “Obama was arrested – the Antichrist vessel is in chains. Raid teams recovered original 1963 documents in his hands. EBS footage live: he confessed on camera. Arrest complete. Trial tomorrow. Public hanging at GITMO March 30 – same day as Hillary.” (Previous reports from GITMO stated that Obama had been arrested and taken care of years ago, while his clones were still out there. So what’s the truth? So much game playing going on it’s hard to tell).

It’s more than just the fresh air—it’s physics. We are bio-electrical beings living on a planet that carries a subtle, natural electric charge. In our modern world, surrounded by insulating materials like rubber soles and synthetic floors, we often become “unplugged” from this primordial energy source.

This disconnection can lead to a buildup of positive charge in the body, often manifesting as inflammation, fatigue, and stress.

The Copper Connection: Copper is one of nature’s most efficient conductors. By placing copper into the earth while maintaining a physical grip, you create a high-fidelity bridge between your body and the ground. This process—often called Earthing or Grounding—allows a flow of antioxidant-rich electrons to transfer from the Earth’s surface into your system, neutralizing free radicals and helping to return your internal environment to a state of homeostasis.

Why Grounding Matters:

- **Reduced Inflammation:** Helps neutralize the “electrical noise” that triggers inflammatory responses.
- **Improved Sleep:** Regulates cortisol levels to align with the Earth’s natural circadian rhythms.
- **Enhanced Vitality:** Boosts cellular energy by optimizing the electrical potential of our membranes.

In a world full of wireless signals and digital static, sometimes the most high-tech thing you can do for your health is go back to the most “low-tech” element of all: The Earth beneath your feet.

Y. Judy Note: Satanic Ritual Abuse Survivor-Victims Ana and Gabriel need your help.

I have known Ana and Gabriel for several years. They have been undergoing untold abuse and death threats – that were headed by her son's father, who is high up in the pharmaceutical field and Belgium Satanic Coven.

Ana is desperate and asking readers for financial help and/or a job she could do from home over the Internet. **I verify that Ana is brave**, honest and sincere in her request. Her situation is not unlike many SRA Survivors I have personally come to know. Please keep Ana and her son Gabriel in your prayers. ...Love, Judy

Hello Judy,

The situation is extremely dangerous at the moment. I can't leave my home anymore, other than take Gabriel to and from school and going to the supermarket. Last Monday there was another kidnap attempt at the supermarket parking lot. I'm in such a stressful and dangerous situation.

I ask you to please publish and relay to your contacts in other media outlets for publishing the below article as soon as possible, with an update of my situation, request for help and offering of doing any online administrative work in any of the four languages I speak.

Maybe someone benevolent that has funds will hear my call and give me some online work so that I can provide for my son and keep us safe until the rv is here.

Thank you from my heart.

UPDATE ON THE MOM AND SON IN BELGIUM SURVIVING ON GOD'S GRACE

It's been six grueling years since I first found out about the ritual abuse my son's father was perpetrating on my son.

I separated from the father when my son was 1 1/2 years old (he is 12 now). My life became a living nightmare from that moment. At the time I had no idea how large and powerful the Satanic Ritual Abuse Network (SRA) the father belongs to is here in Belgium. I had no idea how intricately and highly involved many of my own family members, police, school, medical and judicial systems are.

I didn't comprehend the number of handlers and the endless resources they had at their disposal to target anyone, at any time. I didn't understand how most of my life experiences and encounters were not organic in nature but arranged by this network.

I started then my desperate journey to try to save my son and to have both of us rescued to a safe life. The targeting and harassment increase with every passing year, as does my understanding of what and who I am dealing with.

For example, with the help of the school SRA Network, they tortured my son and then his father went to court to ask the judge to designate a psychologist who is also part of the same network to « help » the very child being harassed.

I later found out that this was all culminating in their plot of my son's "suicide" which would simultaneously trap me into the false position that I refused to help my son.

At my son's small high-end school (the father is very wealthy and petitions constantly to control my son's school, doctors, imposed "therapists," etc.) the director and many teachers are fully involved in harm, shaming, rituals and abuse of the children on the school premises as well as at other outside locations - such as during illegal sudden pop up field trips.

Many parents are involved too and use their children to daily torment and violently bully my son. The corrupted teachers always back bullying, lying, violence and intimidation. My son is often sent home as the one admonished.

We have only survived this far by God's grace and my constant reporting of everything I experience and witness. I will never give up. I have huge amounts of detailed reporting of the harassment, targeting, attackers, poisonings, kidnapping attempts, among so many other threats to our safety and attempts on our lives. I have pictures, videos and documentations with the names, dates, locations of the on-going incidents and the roles of those involved.

I have contacted many international organizations and individuals who are aware of the SRA networks. I report mine and my son's conditions, incidents, and whereabouts all day every day to my longtime closest friend who works to free The Children. I constantly report details such as the intense persecution my son endures and the frequent beating on my doors and windows at all times of the day and night.

Unfortunately, nothing has happened ... yet. I was promised fake rescue two times both with dark agents posing as benevolent military. I have a safe place to go but with no way to get there.

The situation is so extreme at the moment that I can no longer leave my home. Many of my neighbors are part of the network. I can hear ceremonies through the walls and the screams of children. I can often track when I am targeted with technology or black magic.

I have my son one week out of every two, so I leave to take him to school and back and to buy food. We face constant attempts and threats of harm and even kidnapping while we just are leaving or entering the building or in the supermarket parking lot. The school is very active trying to harm us both. The parents and teachers openly

mock me as their children do my son. I could go on and on with specific documented incidents: the dentist, the speech therapist, the school coach and so on.

I tracked that every time that there is a legitimate plan to harm us through a meeting at school or an appointment or such, my son's father leaves the country. Many times, I have saved my son from rituals by tracking such markers. Yet ... every other Monday I must release my son from my safe arms into a new week of danger and real harm.

If anything happens to me or to my son, reports are poised to be spread far and wide making the father's name and others well known. They try but they will never make me disappear without the world knowing what they do.

If my story sounds fantastic to you ... I would say my story is one of millions. We just don't realize it yet. **I am here to beg for help one more time.**

It has become so dangerous that I can't leave my home and besides that I am outright blocked from outside work. But I won't lose this home, the only safety my son has.

My resources are running out. I will take any integrity online work that I can do from the safety of my home. I need to be able to work to make at least 1000 eur a month for us to survive here.

I can offer a vast range of online work. I have administrative experience including office, organizational and research skills. I am fluent in French, Portuguese and English. I also speak moderate level Spanish. I can research, translate and edit multi-lingually.

If you can help me and my son, please contact me at the following email address (created for this exchange): contact.help2026@proton.me

Thank you.

Z. Tim Ballard: A hero rescuing children from Child Trafficking Rings

Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Za. "Ken and Barbie vs. Goliath IRS":

Ken Cromar presently sits in prison having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living.

Update for Sat. 13 March 2026

Dear Judy,

I'm writing here now to alert you and your readers to our "miracle in progress" filing to SCOTUS and opportunity to help support us. Barbara & I are hoping that you might consider sharing the following mini-article with your audience:

Is It Time to Kill the IRS, and Free America?

"Aren't you & Barbara just lying tax cheats?" and, "What makes you think you're so special? Why don't you just pay your fair share like the rest of us?" And, "How could we pay for our government without federal income tax?"

Barbara & I have heard it all. The exact opposite is true. And, we're finally now at the Supreme Court where we hope we'll be allowed to prove it! Our case "United States vs. Cromar" is official and docketed at the Supreme Court. Now we wait for "Conference" where the Justices decide which cases they want to hear in their court. The odds are about 100 to 1 against us that our "Barbie & Ken vs Goliath IRS" case may be selected, -- but with God nothing is impossible.

You can read & share our important filing for FREE on the Supreme Court's website here:
<https://www.supremecourt.gov/search.aspx?filename=/docket/docketfiles/html/public/25-6931.html>

But, for a small donation of only \$30 we would love to mail you YOUR OWN copy of our landmark case. It will be in the bound booklet form as officially used by the Supreme Court, complete with the official SCOTUS court stamp on the cover. Your kind donation will also help support Barbara & I financially survive this prison "adventure" we're suffering through while we pursue JUSTICE for all *We the People*. We believe it will become a HISTORIC collector's item!

We'll also include a BONUS pocket Constitution in celebration of the 250th Anniversary of the 1776 Declaration of Independence -- also included inside the booklet.

DONATE here NOW! <https://www.fatfreecartpro.com/i/14nca?card>

Barbara & I agree with President Trump that this 250th Anniversary of the birth of America is the PERFECT TIME to re-enact the Revolution of 1776 by killing the IRS, and return to using tariffs to cover the cost of running the federal government -- just like we successfully did until 1913 when the illegitimate IRS was born.

Trump is trying to kill the IRS his way with tariffs. And Barbara & I are trying to kill federal income taxes with the Constitution & Supreme Court.

Please pray we both win! We're both fighting to free YOU and all the American people from slavery -- by using the Constitution to save the Constitution.

Could YOU play a part in a historic victory? Don't forget to pray!

DONATE here NOW! <https://www.fatfreecartpro.com/i/14nca?card>

Gratefully,
Ken & Barbara Cromar

Zb. Judy Note HIGH ALERT: The below is a plea from mother of a foster child in London England who was pleading for the White Hats to rescue her daughter Alana Martin and reunite her with her family.

Alana's story was much like that of Kaitlynn Hunters here in the US where the child was taken for no apparent reason other than to be placed in a suspected Child Sex Trafficking Ring. The parents had been exposing grooming gangs and drug / children trafficking in London England.

Hi, this is Alana-Linda Martin's mother, Janine Linehan,

I have further serious whistle blowing information concerning the grooming gangs and county line drug / children trafficking in London England.

My daughter remains a hostage that I haven't seen or spoke to in 8 months. Newham Council will not let her talk to me her mother or her father. Her grandmother has also been blocked from contact for mentioning her parents to Alana.

Alana is not allowed to hear that her mother and father love her and that we are fighting for her. She is being treated like a hostage by Newham Council.

My family has been terrorized for 3 years due to exposing evidence of Child Trafficking.

I, her mother, remain living without a digital foot print and away from home due to fear for our lives.

I would really appreciate someone helping bring my daughter home safe and sound and being placed into witness protection to be able to speak further on all we know.

Every Court date to bring my daughter home has been moved and vacated. She is currently held hostage to date.

The criminals remain free, whilst the innocent remain hostages and on the run, from home, for safety.

I spoke up to save others and it has now cost me my daughter's freedom as well as my families for the last 8 months. We miss out daily on watching her grow. We remain terrorized and suffering.

The Court dates are constantly being vacated and moved back, leaving my daughter held captive. Our next court date with a new Judge called Robert Roger Peel, is now the 4th Judge taking over this case now in the Royal Courts of Justice, which is on the 23rd and 24th of March 2026.

This now takes her past her 11th birthday which is on the 18th of March 2026. All contact is still denied, our whole family remains tortured whilst we wait for Justice to be served.

Maxim in Law Justice Delayed is Justice Denied.

Thank you for your time. Her father Matthew-Dean Martin and I her mother, hope to go home with my daughter soon.

Love and Light,

Janine Linehan,
