I Will Follow God's Plan

My life is a gift. My life has a plan. My life has a purpose, in heav'n it began. My choice was to come to this lovely home on earth and seek for God's light to direct me from birth. I will follow God's plan for me. Holding fast to his word and his love, I will work and I will pray. I will always walk in his way. Then I will be happy on earth and in my home above.

Judy Note: Thurs. 5 March 2026 “US INC.” has been dissolved, Common Law Sovereignty returned.

In a move that will go down in American history, President Donald J. Trump has officially invoked the authority vested in him under Article II of the U.S. Constitution, declaring the United States a sovereign nation under Common Law — no longer under the foreign-controlled corporate structure known as “US Inc.”

This Declaration of Authority and Summons, issued and signed directly by Trump, marks the end of Admiralty Law rule and the rebirth of the Constitutional Republic.

[BOMBSHELL ANNOUNCEMENT: President Trump Declares the Restoration of the American Republic — “US INC.” DISSOLVED, COMMON LAW SOVEREIGNTY RETURNS - amg-news.com - American Media Group](#)

On Thurs. 5 March 2026 a Mossad insider warned that there would be a False Flag in America that would be worse than 9/11 and would hand Israel full control of the US Military.

Evidently Israel was planning a dirty bomb false flag on U.S. soil, synchronized with a total cyber and communications blackout. The plan was to ignite the bomb, then pin it all on Iran and blow nations across the Globe into World War III – all with the support of the Mainstream Media.

I'm sure Trump and the Global Military Alliance were well aware of the situation and had other plans in motion. Though, the scenario reminded me of what Lahaina Maui has been going through for the last two and a half years with 0 support from the mainstream Media.

On Tues. 8 Aug. 2023 the capitol of the Sovereign Nation of Hawaii in Lahaina Maui was destroyed by what was now believed to be hot fires caused by deliberate Direct Energy Weapon (DEW) attacks. The DEW fires were believed started in a deliberate attempt to burn down the capitol city so it could be taken over as a SMART city where the government had complete control over the residents.

Deep State Laser Weapons (DEWs) were believed to have targeted the historical capitol of the Kingdom of Hawaii in Liahana – the Hawaiian Native inhabitants of which were refusing to sell this land of their inheritance for a Smart City development, plus had long planned to leave the US in order to once again become their own sovereign nation of the Kingdom of Hawaii.

Hundreds of men, women and children were presumed dead. Over two thousand children went missing. At least 5,000 native residents were displaced. Most concerning was that for close to a month after the fires still no Mainstream Media were investigating the massacre of residents, missing children, nor even covered the story.

Almost a month later after the Maui Massacre a Communication Blackout still surrounded Lahaina with no reporters or even residents let in, no internet or phone service, while “Special Police” in foreign vehicles stopped people from entering the Killing Field surrounded by a 12 mile long black fence.

Now two and a half years later over 1,500 homeless natives were still living on the beaches with little or aid from their Democratic government. The few temporary homes provided by volunteer aid and donations were rented out by the Democratic Government to residents at high rental fees. Only a handful of residents have been able to begin to rebuild their home.

As bad as the disaster was, it’s even more horrendous what happened after the Maui fires. [We Investigated The Maui Fires and The Cover-Up is Worse Than We Thought | Redacted](#)

The Democratic government in Hawaii was now pushing through bills to take over the land in their wish to create a SMART Cities. Hawaiian Democratic government passing laws for sweeping emergency management to quarantine private properties, enter private property without consent destroy your property, suspend laws even after emergency, taking over and operate weapons, governor sole judge. https://youtu.be/dPZV_VPCLHs

Two and a half years later there were still lingering questions. The official story was that the fires were started by electrical problems. The Cabal’s Blackrock holds ownership of Maui’s electric companies.

The first fire started at 6:34 am was put out. Secondary fires started at the same time in almost perfect circles. While Lahina was burning down, the mayor went on air saying everything was fine.

They blamed the new fires on wind from Hurricane Dora, which was hundreds of miles away. The fires actually went against the wind. At the time Fire Department personnel were on another island, was not even aware the fire began. The water was turned off so couldn’t fight fires.

Police did not go to emergency management center. The Emergency warning system was not turned on. No warning was given to residents. When they finally became aware because of the smoke hundreds of residents died when they were blocked by police from leaving the area. They were told that electricity poles were down, yet there were no poles down.

There were 3,001 students enrolled in school prior to the fire. After the fire 2,025 children did not re-enroll and their records were not requested from other schools. That leaves the possibility that either the schools were fraudulent in their reporting of children enrolled in schools, or 2, 025 children died in the fires, or no information was being release on the children because of ongoing investigations.

On the day the fires began Tues. 8 Aug. 2023 vans pulled up to Lahaina Maui resident homes where children were alone – the grade school having been cancelled. Fireballs soon suspiciously following the vans quick exit from the tourist community.

Also on the day of the fires on Tues. 8 Aug. high school classes were cancelled shortly after they began. High School students were loaded onto buses to take them home. Then, all disappeared. Almost a month later there was still no trace of the school busses, white vans, or bodies of over 2,000 children. The 118 body count in two Lahaina morgues were mainly adults.

Ongoing investigations have prohibited any information coming out about the children, although there were reports they were safe.

Prior to the fires the Alliance Special Forces had planned on charging and arresting certain authorities and elites in Maui for their participation in an international Child Sex Trafficking Ring centered in Liahana. A Lahaina Shell Gas Station perhaps showing a DEW Attack:
<https://www.facebook.com/alvinjh/posts/3482882868603116/>

Days prior to the DEW Attacks preparation for them appeared to begin. Strangely, three weeks before the fires started in Maui Hawaii Governor Josh Green issued an Emergency Proclamation.

On Sat. 5 Aug, three days before the DEW Attacks, 2,500 FEMA personnel began arriving in Honolulu. All then flew to Maui and booked themselves into \$1,000+a-night luxury hotels. Immediately after those FEMA employees began barricading exits to Lahaina on order of FEMA's Mission Support Associate Administrator Eric Lecky according to those Lahaina residents who escaped the barricades. <https://m.beforeitsnews.com/opinion-conservative/2023/09/fema-top-guy-in-maui-3-days-before-the-fire-started-maui-military-occupation-with-jim-price-amp-news-3671710.html>

After the so-called "Wild Fires" began Maui Police were ordered to help FEMA employees block those escape routes from Lahaina. The orders not only came from Maui Police Chief Pelletier in cooperation with Lecky, but in consultation with Maui's top emergency management official Herman Andaya. The resultant road jam authorities purposefully created imprisoned close to a hundred native Hawaiians who died in their cars as fires so hot it melted tires, raged around them.

Hawaii Democrat Governor Josh Green, Maui Mayor Richard Bissen and Lahaina Police Chief John Pelletier have refused to talk about the missing children. Nor have they successfully addressed as to why no alarm sounded for the fire, the city water was turned off and emergency personnel including the fire department were a hundred miles away in Honolulu when the fires broke out.

In that same two days prior to the fires, Andaya and Lecky met together in Lahaina, according to videos in possession of the White Hat Military Alliance which sent in US Marines to get control of the situation. The footage also showed Andaya giving Lecky a tour of Lahaina and advising him where to set up barricades to keep citizens trapped in what would become a disaster zone.

Two days later as Lahaina burned, most all FEMA employees were 100 miles away, back in Honolulu, suggesting that the diabolical agency knew that parts of Maui would soon be set ablaze. In a conference with them were the Lahaina Fire Department and emergency personnel.

Another item of concern was that hours before the fires began Hawaii Electric shut off power to Lahaina. Water was also shut off, but with Lahaina emergency personnel 100 miles away in Honolulu, there was no one to fight the fires anyway.

Also in that two days before the fires FEMA employees began building a 12 mile black fence to surround Lahaina, plus secured a Media Blackout within that fence that had no cell phone, or Internet coverage.

On Wed. 16 August, a week or so after the Maui disaster, US Marines were investigating accusations that Maui police and a National Guard infested with CIA agents, were supporting FEMA workers blockages, both by land and by sea, of food, water and needed

supplies from reaching Lahaina and refusing to hand out food and water to desperate survivors, plus had closed down a desperately needed food station.

The Marines found on Front Street in Lahaina, a uniformed police officer shooting a pedestrian in the back for unknown reasons. The cop then spotted a bystander filming the incident on a cell phone, and shot him, too. He was the fifth cop whom Marines killed since arriving in Maui late Wednesday afternoon.

The Marines also found bloated, bullet-riddled bodies that floated face down in the ocean and Hawaii National Guardsmen rummaging through pockets of dead islanders and tourists. FEMA and the Red Cross were not only refusing to give out food and needed essentials, but were forbidding citizens access to nearby food, water and shelter.

Only humble Native resident homes and buildings burned – in a straight even line – while foliage and mansions owned by the Elites were left untouched. Survivors suspect it was the government’s Direct Energy Weapons that made hits from government satellites.

Why? For centuries Native Hawaiians had refused to sell the land of their heritage, and it was worth a load of money to developers who were working with the Democratic Governor Josh Green to build a model SMART City – where the Cabal could completely control the population.

As the wildfires spread, tourists were efficiently bussed to waiting planes, while fleeing Native residents were blocked from leaving the area. No alarm sounded, emergency services suddenly unavailable, water turned off. Governor Green, no comment.

The Mainstream Media reported that over a hundred died. What they don’t talk about were the over thousand still missing – most of them women and children.

They also don’t mention that in the charred aftermath FEMA provided little if any help, Hawaiian Native residents who had lost everything were told by insurance companies they couldn’t be helped and payment on government loans offered were financially out of reach for them. Though, they could sell their precious land inherited from their forefathers – land that they had resisted selling for centuries to the urban developers.

Volunteers with food and essential items were turned away and not allowed in the War Zone where Maui Cops and National Guardsmen were observed shooting survivors – and making waste of those who dared take pictures of the assassinations.

“We don’t know how many casualties resulted from these shootings because nobody is helping us volunteers who are trying to help the survivors” said a member of the Kingdom of Akua Foundation which has snuck past the road blocks to provide meals for victims. “We are moving targets just because we are providing humanitarian support to Lahaina survivors. So we don’t trust FEMA, the Red Cross, Governor Green, the Mayor, nor the National Guard. Maui and the rest of the Hawaiian Islands are under siege.”

Eight days later by Wed. 16 Aug. 2023 the already devastated city of Lahaina had turned into a War Zone. United States Marine reinforcements were dismantling a Deep State blockade and forcing FEMA and National Guard insurgents into a disorganized retreat that saw the murderous felons fleeing for their lives. The Marines had burst into Governor Green's empty mansion – where lay the architect drawings of his SMART city.

The Cabal's Direct Energy Attack that started fires in a straight line across the Hawaiian Islands was the same as happened a year prior in Oregon and California forest fires, appeared to be the same as the DEW attacks seen in recent China floods and Australian fires and hit California again in the Palisades fires.

HIGH ALERT: Gabriel is being severely raped and abused. We have received death threats. He and I remain in extreme danger for our lives. Please keep us in your prayers. If you can be of help, please contact Ana at the following email address: contact.help2026@proton.me

Judy Note: HIGH ALERT: Ana is again reaching out to the Global Military Alliance for rescue of herself and son Gabriel, and to readers for funding and an in-home job she could do on the computer.

I have known Ana for many years. She is a Satanic Ritual Abuse Survivor from a multigenerational Satanic family. Gabriel's father is in pharmacy and high in the Satanic Network. They have shared custody of Gabriel, but the father has made it impossible for Gabriel to leave Brussels. Where they live and where Gabriel attends school, they are surrounded by Satan worshippers.

Ana knows Gabriel is being ritually abused at least every other week when he is with his father – and has been since a very young age. The below is an email received today. Evidently Gabriel was now being raped by teachers at his school – as were other children.

Ana has escaped several murder attempts – which were increasing each day.

You can be of help to Ana and Gabriel by keeping them in your prayers, and contacting Ana to contribute funds or leads to an online job she could do at home:

Thurs. 5 March 2026

Dear Judy,

I'm trying to stay steady in the middle of my anger and pain. The gym teacher abused Gabriel and another smaller kid yesterday.

The entire school is on a week-long school trip and since Gabriel was very bullied on last year's trip, he did not want to go. The school said that he had to go to school anyway, even though there are no classes.

The only three kids that didn't go to the trip is a girl from his class and the small brother of a boy from his class. Both parents from both children are in the Satanic Ritual Abuse network without a doubt.

Under these circumstances I knew Gabriel would be extremely vulnerable.

Gabriel is at his father's home. I talked to him and he said that the second PE teacher took him and the little boy out of school for a supposed "walk." He said he is sore all over his body and extremely tired.

PE classes are the most common way they abuse the children. His main PE teacher is one of the main teachers taking part on the abuse. I didn't know anything about the second PE teacher, unfortunately I do now.

Next week March 11th (my week) Gabriel's father made him an appointment with the dentist I mentioned who is part of the SRA network. I fear for our safety and lives.

Anything anyone could do would be greatly appreciated. If anyone reading this has a contact with the Global Military Alliance, please refer this writing to them.

Gabriel is being severely raped and abused. We have received death threats. He and I remain in extreme danger for our lives.

Thank you. Ana

J. Thurs. 5 March 2026 EXPOSED! IRAN'S \$100 BILLION EUROPEAN EMPIRE AND GLOBALIST NETWORKS FUNDING TERRORISM—HERE'S WHAT YOU DIDN'T KNOW! ...The MAGA King on Telegram

Patriots, wake up—this is the bombshell the Deep State never wanted you to see. While the fake news distracts with their lies, President Trump is unleashing financial Armageddon on the Iranian regime and their globalist puppets who've been bleeding the world dry to fund pure evil. The kinetic hits on Tehran were just the opening salvo. Now, Trump's Treasury is dropping the real nuke: dismantling the shadow empire that's funneled billions into terrorism while European elites looked the other way—or worse, profited.

For decades, Iran's Central Bank (CBI) ran a massive laundering machine, dodging SWIFT with shadow tanker fleets and front companies in Turkey, UAE, and right in the heart of Europe. They've built a secret \$100 billion offshore fortune—stolen from their own starving people—to bankroll Hamas, Hezbollah, and every proxy terrorist cell plotting against freedom-loving nations. But Trump changed the game forever.

Just days ago, on February 27, 2026, OFAC slammed the hammer on two UK-registered crypto scams—Zedcex and Zedxion—blacklisted for washing over \$1 billion in IRGC dirty money. That's right, the regime was stockpiling \$507 million in Tether (USDT) to prop up their collapsing rial and activate sleeper cells for chaos across the West. Trump froze those digital escape routes overnight—boom, plan destroyed. The Swiss dark bank Mbaer got cut off too, after funneling \$37 million in smuggled oil profits straight to the terrorists while globalists cashed in at American gas pumps.

But here's the part that will make your blood boil: Iran wasn't just arming jihadists—they were quietly buying up Europe like it was on sale. Exposed now is Ali Ansari, the IRGC-linked crook behind the collapsed Ayandeh Bank, sitting on a €400 million luxury empire—golf resorts in Mallorca, ski palaces in the Alps across Austria and Germany. These weren't investments; they were safe houses, slush funds, and bolt-holes for Ayatollah elites ready to flee when the reckoning came. Laundered through European shell companies, protected by gutless EU bureaucrats who ignored UK sanctions until Trump's 2026 executive orders forced their hand. The Deep State buried this truth for years, letting the mullahs build a real estate fortress on stolen wealth while patriots fought their wars.

Trump's masterstroke? The 25% "Globalist Tax." Any nation or bank cozying up to Tehran's blood money—think failed INSTEX schemes beloved by German and French sellouts—now faces crushing tariffs on everything they ship to America. No more two-faced games. Choose Tehran or Washington—most are scrambling to pick the winner.

Timeline of the purge hits hard: September 2025, Trump snaps back UN sanctions, blindsiding the elites. January 2026, FinCEN's Project Ghost Signal maps CBI's digital tentacles across Europe. Then February 28, 2026—as missiles rain on Tehran—global freeze-and-seize orders lock down that \$100 billion war chest. The regime's offshore lifeline? Severed.

This isn't just about Iran. It's the death knell for the globalist middlemen who've sold out America for decades. Trump isn't winning one war—he's reclaiming financial sovereignty for patriots everywhere. The corrupt system is collapsing, the Ayatollahs are panicking, and their European enablers are next. The storm is here, anon. Stay vigilant—the best is yet to come as we watch the whole rotten network burn. WWG1WGA!

K. Thurs. 5 March 2026 IRAN'S SECRET PLAN TO ATTACK AMERICA EXPOSED — 3,500 MISSILES, 2,000 DRONES AND SLEEPER AGENTS ...The Hidden Truth on Telegram

Newly captured intelligence files from Iranian military computers reveal a large-scale war plan targeting U.S. forces and infrastructure. The documents describe a coordinated attack involving ballistic missiles, drones, cyber warfare, and sleeper agents positioned inside the United States.

According to the files, the plan began on January 12, 2026, when Iran's Supreme Leader Ali Khamenei reportedly ordered the Islamic Revolutionary Guard Corps (IRGC) to prepare for war. The IRGC controls Iran's missile systems, drone forces, and foreign military operations.

MISSILES AND DRONES PREPARED FOR STRIKE Operational command was reportedly assigned to Quds Force commander Esmail Qaani together with IRGC aerospace chief Amir Ali Hajizadeh.

Their forces moved approximately 3,500 ballistic missiles and 2,000 attack drones to hidden launch sites in western Iran, with additional weapons placed in Iraq and Syria. Primary targets included U.S. military bases at Al Asad (Iraq), Al Tanf (Syria), and naval facilities in Bahrain and Qatar.

SLEEPER AGENTS AND CYBER ATTACKS Leaked intelligence also claims Iranian networks activated sleeper agents inside the United States, reportedly connected to Hezbollah-linked groups operating through Venezuela and areas near the U.S.–Mexico border.

At the same time, cyber units in Bandar Abbas tested malware designed to attack U.S. power grids and banking systems. The goal was to trigger blackouts and financial disruptions during the missile strike to slow the American response.

FOREIGN SUPPORT AND FUNDING Financial records recovered from the computers show that the operation was heavily funded through international channels.

Between December 2025 and February 2026, around \$1.8 billion allegedly moved from Chinese-linked banks through Qatar, helping Iran purchase advanced missile guidance systems from North Korea.

Intelligence reports also indicate Russian advisors assisted Iran with methods to conceal missile launches from satellite detection.

OPERATION EPIC FURY The war plan was reportedly discovered after U.S. forces seized Iranian command data during Operation Epic Fury.

On February 28, 2026, U.S. B-2 bombers and drone units launched coordinated strikes against 17 missile storage sites across Iran. Special operations teams simultaneously targeted senior Quds Force commanders.

Key nuclear infrastructure at Natanz and Fordow was also struck, while U.S. naval forces engaged Iranian vessels near Bandar Abbas. Military sources state the operation lasted less than 12 hours and significantly damaged Iran's missile capabilities.

CURRENT STATUS As of March 5, 2026, follow-up operations are ongoing to locate remaining missile stockpiles connected to the original attack plan.

According to the captured files, the strike against U.S. forces was scheduled to begin in late February 2026, but the operation was disrupted before any missiles were launched.

L. Thurs. 5 March 2026 TRUMP'S DARKEST GENIUS PLAY UNLEASHED – THE GREATEST PRESIDENT THEY NEVER SAW COMING – THEY FELL RIGHT INTO THE TRAP ...Juan O Savin on Telegram

The storm has arrived patriots. What the sleeping world calls “chaos” in Iran is actually the most brilliant, multi-layered exposure operation ever executed by the White Hats. President Trump didn't start a war—he forced the hand of the Israeli deep state, dragged their blackmail network into daylight, and turned every black-pilled voice into unwitting amplifiers of the final red-pill wave.

Look at the pattern. Tucker Carlson drops bombs: “Netanyahu decided, not Washington.” Marjorie Taylor Greene goes nuclear: “This isn't the Trump I supported—new war, troops dying, who the hell is this for?” Both figures, deeply embedded in MAGA inner circles during the pause, suddenly appear to “turn.” Coincidence? No. Controlled narrative detonation. The same psychological warfare playbook that protected Jeff Sessions now protects the mission: let trusted right-wing voices scream betrayal so normies actually listen instead of reflexively dismissing “leftist talking points.”

The goal isn't division—it's mass awakening. Millions who refused to question Israeli influence are now typing “Israel controls Trump” into search bars. The Overton Window just got nuked open. Q said “We're saving Israel for last.” That wasn't poetry. It was operational sequencing. You don't expose the kingpin until every pawn has been removed and the public has been softened by visible “controversy.” Gaza, fake as it was, softened the ground. Iran strike theater is pouring gasoline.

Epstein files exploding globally—former Nobel head arrested, Prince Andrew in cuffs, Peter Mandelson gone, Asia and Scandinavia in meltdown. Crimes against humanity, UN experts now say, tied to “supremacist beliefs” and “racism.” Read between the lines: Jewish supremacism, Mossad blackmail empire finally cracking wide open. Front page New York Times screaming Israel demanded the Iran action. Same paper floating Trump-Epstein rumors again. They’re not hiding it anymore—they’re telegraphing the script.

Trump himself slips the truth: “I might have forced Israel’s hand.” Translation: I made them show their cards first. He’s taking the slings and arrows on purpose—blackmail optics, “new war” backlash—because the military knows exactly how this boomerangs. Two million temporarily disillusioned patriots today become twenty million who see the full Israeli deep-state control picture tomorrow when the “war” evaporates, casualties proven fake, and tribunals begin.

International military tribunals under a cleansed United Nations (yes, the QN) now look inevitable. Epstein’s web is worldwide—Europe first, Asia next. Optics perfect: not “fascist American takeover,” but “global justice” led by the “angelic” UN institution normies were raised to worship. Melania presiding over Security Council? Not random. Symbolic handover. Nuremberg 2.0 arrives wearing international credibility.

And the fake war itself? Pure theater. AI explosions, crisis actors, 17s everywhere (17th wave, 17 injured, 17 killed, 1700 strikes—Q confirmation codes screaming). Andrew Tate dancing in Dubai streets while media screams “Iran hitting UAE.” Oil stays at \$74. No Strait of Hormuz closure. Russia and China barely blink—because they’re on the same team. Putin lays flowers for the “dead” Ayatollah. Scripted. Movie.

Trump is not starting wars—he’s ending the deep state forever. The black-pill is the bait. The rage is the delivery system. Every “Trump sold out” post, every “Israel runs him” rant, every MTG meltdown, every Tucker monologue is dropping truth seeds into audiences that would never accept it from “our side” otherwise.

Judgment Day is here. The storm isn’t coming—it’s already inside the castle walls. They thought they controlled the narrative. They walked straight into the trap. The greatest President America ever had just checkmated the entire cabal in plain sight.

Patriots, hold the line. The reveal is imminent. Trust the plan. WWG1WGA.

M. Thurs. 5 March 2026 EVERYTHING WILL BE SHAKEN – THE FINAL TAKEDOWN IS HERE ... Juan O Savin on Telegram

Patriots, the veil is tearing wide open right now. The Deep State shadow empire that enslaved the world for centuries crumbles under divine wrath and unstoppable military force.

President Trump, God's anointed warrior, commands the battlefield while the enemy within panics and flees.

Frontline revelations expose the fraud: the "State of Israel" is no holy land—it's a Rothschild-engineered corporation, re-registered every February in London. Truman marked it provisional because the stench was unbearable. True Israel is God's scattered remnant, not a war-triggering puppet state built to fake prophecies.

Buckingham Palace stands sealed—not renovations—King Charles holds zero authority. Trump inspected the guard; Charles trailed like a lost dog. The Queen surrendered with her white glove on her wrist. British redcoats marched to YMCA blasts—coded capitulation for the world to see.

The 2017 capitulation tour launched it all. Trump exited WHO, WEF, exposed NATO's scam: billions spent bombing our troops and rebuilding foes while America rotted. Now the "Washington Military District" reclaims stolen ground. The old corporate UNITED STATES is dead.

Assange's first WikiLeaks drop nailed Ericsson (Sweden's satanic three-line symbol) controlling global comms. Loretta Lynch locked shadow contracts for Hillary's dynasty. The internal enemy is vicious, embedded—but bleeding out fast.

Trump roared: no timetables, no troop counts leaked. "Enemies must never know our plans... but attack we will." Conditions dictate. They can't wait us out anymore. Bunkers echo with fear.

Global militaries synchronized in historic ten-day ops—mapping, testing, prepping the final blow. Advanced tech and heavenly backup make defiance impossible. "Gas leaks" detonate Iran sites. Gaza hosts unbreakable U.S. ports—biggest dog planted in the hottest zone. Mexican cartels fracture. Cuba's Venezuela strings snap.

Brunson exposes oath fraud: Congress, judges circling "so help me God" in red, refusing to cure. FOIA confirms dark oaths—Skull & Bones 322, Guidestones on 3/22. Their 19 power fails; 20 spells recycle unto death.

Trump paraded true militia, swearing to the Republic. Capitol flag processed—corporate death. Knight delivered it to Queen: checkmate, knight shields king. Game over.

Social Security funds ghosts—centuries-old, unborn with future dates. Illegals flood, green cards swapped for passports, bypassing oaths. Replacement accelerates.

Yet glory surges! Ninety percent good, ten percent evil screams loudest via captured media, faking dominance. Trump's moves manufacture consent, shame traitors, awaken masses.

God trains His warriors with miracles—tickets appear, provision from \$5. Trust Him, impossible unfolds.

Chaos shatters programming. From ashes rises a generation possibly spared death. Raw fellowship with the Creator returns.

White Hats track every play. Ops live. Weekend strike imminent—markets closed, world watches. Iran, Gaza, Latin America—all final theaters.

Discernment floods. Angels encamp. Truth liberates. Enemy within falls. God's kingdom manifests.

Everything shakes—so only the unshakable remains.

WWG1WGA! The storm rages. Victory is ours in the Almighty.

N. Thurs. 5 March 2026: EMERGENCY PROTOCOL INITIATED! TRUMP AND SPACE FORCE READY TO ACTIVATE EBS AS IRAN COLLAPSES — EVERY PHONE AND TV OVERRIDDEN, SHOCKING CONFESSIONS AND CLASSIFIED ARREST FOOTAGE SET FOR RELEASE — SYRIA NEXT IN THE MILITARY CLEANSE! ...Charlie Ward and Friends on Telegram

Patriots, the storm is here and it's biblical! Leaked intel straight from Cheyenne Mountain and Peterson Space Force Base confirms it: President Trump has greenlit the final phase. With Operation Epic Fury crushing the Iranian regime — Ayatollah Khamenei already taken out in precision CENTCOM strikes — the Emergency Broadcast System is locked and loaded for immediate activation. This isn't a drill. Space Force satellites are primed to seize total control: every TV, radio, cellphone, and internet device worldwide will be overridden in one massive military takedown. No escape, no mainstream media spin — just raw truth blasting into every home.

Trump signed Executive Order 2026-47 weeks ago, authorizing this nuclear-level override for national security. Triple authentication from Trump himself, General Dan Caine, and Space Force Commander General Chance Saltzman is all that's needed to flip the switch. The EBS will unleash pre-recorded bombshells exposing the globalist cabal's treason, dark financial trails leading straight to Soros, Rothschild banks, Gates Foundation bioweapon labs, and Vatican slush funds. Captured Iranian generals have already cracked under military tribunals, spilling everything on Assad's secret facilities and how Deep State puppets funneled billions through Swiss accounts to fuel endless proxy wars.

Iran falls in four weeks or less — Trump confirmed it himself: “IT’LL TAKE FOUR WEEKS, OR LESS” — FULL LOCK-IN NOW! The regime is crumbling fast, key figures

eliminated, nuclear dreams obliterated. And Syria? It's next. Operation Silent Storm is staging right now — Delta Force and Marine units in Jordan ready to storm Damascus and wipe out Assad's Iranian-backed terror hubs. No more bioweapons, no more child trafficking networks hidden in underground bases. The White Hats have purged 23 flag officers, thwarted CIA sabotage plots, and seized assets to fund the whole reset.

This is the Great Awakening in real time! The EBS will drop live arrest footage, forced confessions from high-level traitors, and undeniable proof that the Deep State planned to enslave humanity forever. Obama-era operatives like Evelyn Farkas? Already tribunal'd and gone. Seven CIA saboteurs arrested mid-plot. Quantum-resistant DARPA encryption ensures nothing stops the broadcast — not blackouts, not hacks, not even their last desperate EMP attempts.

QAnons, hold the line — the military is in full control. The elites are panicking as their proxy empires collapse. Iran was just the start; Syria seals the Middle East cleanse. Then the floodgates open globally: EU terror financing exposed, endless wars ended, trillions clawed back for the people. Trump leads from Mar-a-Lago, Raven Rock switch flipped, mobile units in every state. The final reset is imminent — freedom, prosperity, and justice for all who fought in the shadows.

The Deep State thought they could hide forever. They were wrong. The storm has arrived, and it's taking no prisoners. WWG1WGA! Stay vigilant, patriots — the broadcast changes everything.

Epstein Files

O. Thurs. 5 March 2026: 50,000 EPSTEIN FILES WERE “MISSING.” THEY JUST FOUND THEM. AND NOW BONDI HAS BEEN SUBPOENAED. ...Mr. Pool Final Chapter

The House Oversight Committee just voted to subpoena Attorney General Pam Bondi. Under oath. Before Congress. The reason? 49,718 documents that the DOJ claimed were “missing” from the Epstein investigation. They weren't missing. They were hidden.

WHAT WAS IN THE “MISSING” FILES? When the DOJ released the Epstein operational files on March 1, researchers noticed gaps. Entire sections referenced documents that weren't included. Page numbers skipped. Exhibits cited files that didn't exist in the release. 49,718 pages. Gone.

Until a whistleblower inside the DOJ contacted the House Oversight Committee with a flash drive. The files had been moved to a classified server — not by Bondi's team, but by holdovers from the Biden administration who were still embedded in the DOJ's records division. They didn't delete them. They reclassified them. Buried them under national security

designations that would have kept them sealed for 75 years. The same trick they used with the JFK files. The same playbook. Different crime.

WHAT THE FILES CONTAIN According to the whistleblower's sworn affidavit:

— **Financial records linking 14 sitting members of Congress to Epstein-connected PACs**

— **Travel manifests from 3 private airlines** — not just Epstein's jet — that transported VIPs to the island

— **Communication intercepts between Ghislaine Maxwell** and senior intelligence officials from 2008 to 2019

— **Medical records from the island's clinic** — documenting injuries consistent with trafficking victims

This isn't about what happened on the island anymore. This is about who helped cover it up — inside the US government — for 20 years.

BONDI'S RESPONSE Bondi released a statement within an hour: "I welcome the subpoena. I have nothing to hide. The people who reclassified these documents do."

She's not fighting it. She's using it. The subpoena gives Bondi a public platform to name the officials who buried the files. Under oath. On camera. In front of the world. Trump's DOJ isn't blocking the investigation. The Deep State inside the DOJ is.

And now they've been caught. 50,000 files. 75 years of silence. One whistleblower changed everything. Share this before they try again.

U. Thurs. 5 March 2026: HISTORIC 9-0 RULING! SUPREME COURT HANDS TRUMP TOTAL POWER TO DEPORT MILLIONS — APPEALS COURTS ORDERED TO STAND DOWN IMMEDIATELY! ...Ten Days of Darkness on Telegram

Patriots, the hammer just dropped in March 2026 — in a unanimous 9-0 thunderclap, the United States Supreme Court has delivered the knockout blow the deep state never saw coming!

President Donald J. Trump now holds absolute, unchecked executive authority to deport millions of illegal invaders who flooded our borders under the Biden regime’s open-door treason. Lower appeals courts? Silenced. Nationwide injunctions? Dead. Activist judges? Muzzled for good!

The ruling, handed down this week, obliterates every legal roadblock erected by globalist puppets and Soros-funded NGOs. The Court declared that immigration enforcement is a core Article II presidential power — plenary, exclusive, and non-reviewable by rogue district judges or circuit courts playing politics. No more waiting for endless appeals, no more sanctuary city shields, no more catch-and-release loopholes. Trump's mass deportation machine is now fully green-lit and unstoppable!

This isn't just about numbers — it's biblical-level justice against the cabal's deliberate demographic replacement scheme. Millions of military-age males funneled in to destabilize America, vote fraud rings built on fake identities, human trafficking networks protected by deep state handlers — all of it exposed and now targeted for swift removal. ICE, Border Patrol, and newly deputized state militias are mobilizing at warp speed under Trump's direct command, with military logistics already in play to transport deportees en masse!

Key flashpoints: California's governor screaming in panic as deportation flights ramp up from LAX and San Diego; New York's mayor begging for federal mercy while buses roll out; Chicago and Denver sanctuary strongholds cracking under pressure as local law enforcement finally stands aside. The Court's order is crystal clear — any attempt to obstruct faces immediate contempt charges, asset freezes, and potential treason probes for officials who defy the ruling!

White Hats inside the DOJ and FBI are purging the last holdouts, ensuring full compliance. Trump's team has the lists: gang members, cartel operatives, terror watchlist hits, welfare fraudsters, and chain-migration exploiters — all prioritized. Planes are fueling, detention centers expanding, and international agreements with origin countries locked in for rapid repatriation. The Deep State's dream of turning America into a borderless third-world vassal state? Shattered in one historic morning!

This is the Republic reborn — sovereignty restored, citizens protected, traitors on notice. The awakened patriots who fought through the steal, the lockdowns, the poison jabs — we're witnessing the payoff. Trump didn't just win an election; he reclaimed the nation from enemy occupation. The storm has arrived, the invaders are leaving, and the greatest comeback in history is in full swing!

Feel that fire in your soul? This is what victory looks like — raw, righteous, and relentless. Spread this truth everywhere, stay locked in, keep your frequency elevated, and watch the deep state's empire collapse under the weight of justice. WWG1WGA — Trump is delivering, the Republic rises, and NOTHING can stop what's coming next!

V. Thurs. 5 March 2026 Iran ... Dr. Keyan Zomorodi explain what's really happened in Iran

“You know when you hear us Persians say that we've been foreign occupied by Islam, what we mean is genuinely the people that have taken us over, these guys are right here. (He shows Iran leaders) They are not even Iranian, they are not even Persian. These are Arab Islamists who have come into our country, taken us over and forced our people to follow their rules.

Look at the flag that they replaced ours with. (Shown in video) Can you see the small letters embedded within the flag? These are Arabic letters. Our own people can't even read the flag. This is the level of foreign occupation we're talking about, and I think not many people are aware of the situation.

So it's important to spread this message so you guys understand what we are going through here and why we're so passionate about getting our land back”

So where to get valid information on this Iran War?

Unfortunately, it's not easy. You have to read many individual sources but look for those who are not profiting from war: independent analysts: not paid by governments or "intelligence" agencies or working for mainstream media).

Also look for those who compile information such as [Electronic Intifada](#), [Democracy Now](#), [Middle East Monitor](#) and [IMEMCNews](#). It takes time but you can always skim the information to get the big picture and why it matters (a danger to all of us and our planet).

More importantly to act. I have shared analysis and data sources weekly during the accelerated genocide in Palestine sometimes with action ideas (for more action ideas see What you Can Do [link with 74 actions](#)).

Here are some more compilation for today wit insights you won't find in mainstream media:

X. Thurs. 5 March 2027 United States Press Secretary Karoline Claire Leavitt on Obama conspired to overthrow the United States Government in 2016 ...Dan Bongino on Telegram

US Press Secretary Karoline Leavitt: “Now, nearly ten years later, thanks to the declassification of documents by the Director of National Intelligence, Gabbard, the truth has finally come to light — and it vindicates President Trump and his family.”

Barack Hussein Obama, along with his entire administration, conspired to overthrow the United States government in 2016.

PressSec: “While pretending to engage in a peaceful transfer of power, Barack Hussein Obama, in private, went to great and nefarious lengths to sow discord among the public and sabotage his successor, President Trump.

The new evidence released by the Director of National Intelligence confirms that the Obama administration manufactured and politicized intelligence, which was later used as justification for baseless smears against President Trump — an effort to delegitimize his victory before he even took the oath of office.

The truth is that President Trump never had anything to do with Russia, and the Russia collusion hoax was a massive fraud perpetrated on the American people from the very beginning. The worst part is that Obama knew the truth, as did all the other officials involved, including former CIA Director John Brennan, former Director of National Intelligence James Clapper, former FBI Director James Comey, former Deputy Director Andrew McCabe, and many others.”

Hillary Clinton, Susan Rice, Loretta Lynch, Sally Yates, Lisa Monaco, Adam Schiff, Peter did Lisa, Lisa did Peter, Bruce Whore, Nellie Whore, Robert Mueller, Rod Rosenstein, Andrew Weissmann, Valerie Jarrett, Ben Rhodes, John Carlin, Mary McCord, James Baker, Jonathan Moffa, Michael Kortan, David Laufman, Samantha Power, John Kerry, Denis McDonough, Jim Rybicki, Bill Priestap, Christopher Steele, Richard Dearlove, Alexander Downer, Stefan Halper, Joseph Mifsud, Sergei Millian, Sidney Blumenthal, Cody Shearer, Terry McAuliffe, Jonathan Winer, John Podesta, Huma Abedin, Anthony Weiner, Cheryl Mills, Heather Samuelson, Jake Sullivan, Robbie Mook, Debbie Wasserman Schultz, Peter Kadzik, Rachel Brand, Matthew Axelrod, Mary Jacoby, Preet Bharara, Josh Campbell, Jennifer Palmieri, Sir Andrew Wood, Robert Hannigan, Alexandra Chalupa, Michael Sussmann, Dmitri Alperovitch, and officials from the DNC, CrowdStrike, and Fusion GPS — including Glenn Simpson — as well as Perkins Coie, including Marc Elias, falsified intelligence as part of a seditious conspiracy with the sole intent of toppling the United States government during the 2016 presidential election. And Christopher Wray!!

PressSec “The Director of National Intelligence Gabbard’s report further confirms what we already knew: there was no collusion, no corruption, except on the part of Barack

Obama and the weaponized intelligence agencies at the time. The Russia hoax was a blatant lie, all ginned up by Democrat political operatives that were signed off on by Barack Obama and leaked to the news media to launch a years-long witch hunt against President Trump and his first administration. Allies of the president, including his own son Donald Trump Jr., were disgustingly smeared as Russian assets, and some even had their lives destroyed because of this vicious lie.”

Her mother Jeannine was hit with fake psych holds, no-contact orders, plus was forced-drugged.

Grandmother Betty was medically murdered in **Jan. 2026** – denied meds, sepsis in filth, skull hole from head drop. Coroner lied that she died of “natural causes.”

Ohio CPS, Courts, UK Crown, CIA, American Bar were believed to be in cahoots with each other to traffic kids for cash.

Ohio Judge David Bennett appeared to be in the process of stealing Betty's land, even though it was sold prior to her death to a private entity.

Ohio Court Clerk Jennifer Johnson regularly grabs millions in trusts.

Za. Judy Note: Satanic Ritual Abuse Survivor-Victims Ana and Gabriel need your help. I have known them for several years. They have been undergoing untold abuse and death threats – that were headed by her son's father, who is high up in the pharmaceutical field and Belgium Satanic Coven.

Ana is desperate and asking readers for financial help and/or a job she could do from home over the Internet. **I verify that Ana is brave**, honest and sincere in her request. Her situation is not unlike many SRA Survivors I have personally come to know. Please keep Ana and her son Gabriel in your prayers. ...Love, Judy

Hello Judy,

The situation is extremely dangerous at the moment. I can't leave my home anymore, other than take Gabriel to and from school and going to the supermarket. Last Monday there was another kidnap attempt at the supermarket parking lot. I'm in such a stressful and dangerous situation.

I ask you to please publish and relay to your contacts in other media outlets for publishing the below article as soon as possible, with an update of my situation, request for help and offering of doing any online administrative work in any of the four languages I speak.

Maybe someone benevolent that has funds will hear my call and give me some online work so that I can provide for my son and keep us safe until the rv is here.

Thank you from my heart.

Ana

UPDATE ON THE MOM AND SON IN BELGIUM SURVIVING ON GOD'S GRACE

It's been six grueling years since I first found out about the ritual abuse my son's father was perpetrating on my son.

I separated from the father when my son was 1 1/2 years old (he is 12 now). My life became a living nightmare from that moment. At the time I had no idea how large and powerful the Satanic Ritual Abuse Network (SRA) the father belongs to is here in Belgium. I had no idea how intricately and highly involved many of my own family members, police, school, medical and judicial systems are.

I didn't comprehend the number of handlers and the endless resources they had at their disposal to target anyone, at any time. I didn't understand how most of my life experiences and encounters were not organic in nature but arranged by this network.

I started then my desperate journey to try to save my son and to have both of us rescued to a safe life. The targeting and harassment increase with every passing year, as does my understanding of what and who I am dealing with.

For example, with the help of the school SRA Network, they tortured my son and then his father went to court to ask the judge to designate a psychologist who is also part of the same network to « help » the very child being harassed.

I later found out that this was all culminating in their plot of my son's "suicide" which would simultaneously trap me into the false position that I refused to help my son.

At my son's small high-end school (the father is very wealthy and petitions constantly to control my son's school, doctors, imposed "therapists," etc.) the director and many teachers are fully involved in harm, shaming, rituals and abuse of the children on the school premises as well as at other outside locations - such as during illegal sudden pop up field trips.

Many parents are involved too and use their children to daily torment and violently bully my son. The corrupted teachers always back bullying, lying, violence and intimidation. My son is often sent home as the one admonished.

We have only survived this far by God's grace and my constant reporting of everything I experience and witness. I will never give up. I have huge amounts of detailed reporting of the harassment, targeting, attackers, poisonings, kidnapping attempts, among so many other threats to our safety and attempts on our lives. I have pictures, videos and documentations with the names, dates, locations of the on-going incidents and the roles of those involved.

I have contacted many international organizations and individuals who are aware of the SRA networks. I report mine and my son's conditions, incidents, and whereabouts all day every day to my longtime closest friend who works to free The Children. I constantly report details such as the intense persecution my son endures and the frequent beating on my doors and windows at all times of the day and night.

Unfortunately, nothing has happened ... yet. I was promised fake rescue two times both with dark agents posing as benevolent military. I have a safe place to go but with no way to get there.

The situation is so extreme at the moment that I can no longer leave my home. Many of my neighbors are part of the network. I can hear ceremonies through the walls and the screams of children. I can often track when I am targeted with technology or black magic.

I have my son one week out of every two, so I leave to take him to school and back and to buy food. We face constant attempts and threats of harm and even kidnapping while we just are leaving or entering the building or in the supermarket parking lot. The school is very active trying to harm us both. The parents and teachers openly mock me as their children do my son. I could go on and on with specific documented incidents: the dentist, the speech therapist, the school coach and so on.

I tracked that every time that there is a legitimate plan to harm us through a meeting at school or an appointment or such, my son's father leaves the country. Many times, I have saved my son from rituals by tracking such markers. Yet ... every other Monday I must release my son from my safe arms into a new week of danger and real harm.

If anything happens to me or to my son, reports are poised to be spread far and wide making the father's name and others well known. They try but they will never make me disappear without the world knowing what they do.

If my story sounds fantastic to you ... I would say my story is one of millions. We just don't realize it yet.

I am here to beg for help one more time.

It has become so dangerous that I can't leave my home and besides that I am outright blocked from outside work. But I won't lose this home, the only safety my son has.

My resources are running out. I will take any integrity online work that I can do from the safety of my home. I need to be able to work to make at least 1000 eur a month for us to survive here.

I can offer a vast range of online work. I have administrative experience including office, organizational and research skills. I am fluent in French, Portuguese and English. I also speak moderate level Spanish. I can research, translate and edit multi-lingually.

If you can help me and my son, please contact me at the following email address (created for this exchange): contact.help2026@proton.me

Thank you.

Zb. Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Zd. Watch Out For Scammers:

Upon implementation of the Global Currency Reset the Cabal will be losing their money supply and they are hot and heavy to SCAM anyone in any way they can.

Judy Note: There are 84 platforms on Telegram under my picture and name Judy Byington. Be aware I have NO platform on Telegram. I do not write on Telegram. Anything written under my name on Telegram was not authored by me.

Speaking of Telegram, there appears to be a huge scam going on Telegram where under the name of some notable Q Movement person they promise to set you up on a QFS Wallet if you send them around \$2,000 or more. This appears to be a scam as setting up your QFS Wallet is supposed to be free to the best of my knowledge.

Watch out for: Anyone advertising they will reimburse you for the TRB Trump Products, or set you up on a Quantum Account asking for money to do it. (They use fake accounts and AI to make you think you are dealing with Trump, Tucker Carlson, etc.)

Also watch out for the HSBC Quantum Token/Bitcoin Scam, the TRB Trump Products Scam, the Dave XRPLion Impersonator Scam, the Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and any other website that asks that you give them your personal identification to register for a QFS Account and/or receive a pay out on TRB products.

DO NOT exchange currency or Zim Bonds anywhere but at a licensed Redemption Center where you will get the highest rates possible.

The HSBC Quantum Scam: They claim they've successfully applied "quantum technology" to buy and sell tokenized physical gold. The trick is when you buy the tokens or Bitcoin they keep the gold and have complete control over your bank account.

Report your TRB Scam experience to:

Victims of the TRB Scam, Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and/or the Dave XRPLion Impersonator Scam are urged to type up their experiences including products bought and monies paid out, plus your contact information.
