Judy Note: Even though it appeared that the **Global Currency Reset** has been rolling out and Trump has secretly installed America into the new Constitutional Republic under Common Law, this was not goodbye. This was “See you on the other side.”

There was still much to do to correct the evil in our World. It is my prayer we can stick together for years to come with a common goal to *Save The Children* from the Satanic ritualized abuse and pedophilia all around us.

There was multiple evidence that the Vatican’s own Ninth Circle Satanic Cult was hosting regular Child Sacrifice Rites in the extensive tunnel system that lay beneath the Vatican and ran for thousands of miles to major cities across the Earth. **Tues. 14 April 2026:** [WTPN SITUATION UPDATE FEATURING RESTORED REPUBLIC 4/14/26](#)

In addition, President Trump’s audits of the Federal Reserve have found that the Vatican Bank has been money laundering billions of US Taxpayer monies through shell accounts in Malta, Luxembourg and the Cayman Islands, with destinations unknown, recipients classified.

Meanwhile the fiat US Dollar was dying, while the entire Deep State Empire was melting down in real time.

Last Tues. 7 April 2026 Trump released the Global Currency Reset, fully igniting the gold-backed Quantum Financial System across 209 nations.

President Trump has not only seized full control over the corrupt Federal Reserve Cabal, but established a sovereign gold-backed US Treasury Note System.

That has resulted in no more income taxes – only tariffs and a simple 14% sales tax on new goods.

That Satan Worshipping Empire badly needed to be stripped of their power. Satan's minions were still in high government positions where they could rake in billions of US Taxpayer dollars while hiding their real agenda – Pedophile parties including Child Sacrifice to appease their God Satan.

It's been six years (in 2020) since a Rabbi reported that the wildly popular fast food franchise McDonald's was using human parts in their "beef." And as of today, they still were going strong nationwide and across the World from what I could tell.

On the below video the Rabbi claimed human/child meat was sold to fast food outlets and McDonalds was the number one buyer. Although the below video dismissed that possibility of murdering children to use their flesh in hamburgers, the Rabbi's testimony has been verified by Satanic Ritual Abuse Survivors who have grown up in the Satan worshipping system. **Thurs. 26 Aug. 2021:** [Antisemitic Video of "Rabbi" Speaking About Putting Human Parts into McDonalds Beef is Fake - Radical Truth Telling](#)

Strangely that year of 2020 when the video came out, there was a rash of McDonald's closures in Walmart stores across the nation and globe – that were blamed on Covid. **By 2021** the McDonalds chain appeared to be closing down globally. **Thurs. 26 Aug. 2021** [McDonalds Chain Closing Globally: Human Meat, Body Parts Found in Food? | Crime All-Stars | Before It's News](#)

Yet, the unthinkable story of Americans – and people throughout the World – eating children's bodies through hamburgers in a popular food chain has been covered up by the Mainstream Media – until, perhaps, now.

In April of 2026 McDonalds was accused of having a rash of toxic ingredients in their American franchises' French Fries, while their European fries lacked the health degrading chemicals. **Tues. 14 April 2026 Toxic McDonalds French Fries?:** <https://youtube.com/shorts/MIXMi0zLTcg?si=Vv65zgAzahAstTlb>

McDonalds was believed owned by the Satan Worshipping Khazarian Mafia, which was known by Satanic Ritual Abuse Survivors to be high rollers in the Illuminati – members of whom have been reported to practice Human Sacrifice to their God Satan, mainly of innocent children.

Back in 1977 a Satanic Ritual Abuse Survivor Linda McDonald, won a lawsuit against the American Psychiatric Association which led to Congressional Hearings on the CIA

Satanic Ritual Abuse Mind Control program. It was brought out in court that Linda McDonald was a descendant of the McDonald multigenerational Satanic family that owned McDonald's franchises and practiced human sacrifice.

McDonalds processes their "meat" in a central location in the US, and then shipped it throughout the World.

Since 2015 children's teeth have been found in McDonald's sausages, potatoes and pancakes in various Japanese cities.

In 2015 Kushiro Hokkaido children's teeth were found in McDonald's hamburgers. <https://www.news24.jp/articles/2018/11/08/07408779.html> - (link taken down)

In 2015 Kawachi Nagano Osaka children's teeth were found in hash potatoes. <https://www.news24.jp/articles/2015/01/09/07266917.html> (link taken down)

In 2018 Kanazawa Ishikawa kids teeth were found in a sausage muffin. <http://kimito39gmailcom.blog.fc2.com/blog-entry-6987.html?sp> (link taken down)

At the time McDonald's Japan held press conferences, though did not mention the causes of the human remains that were traced to children's teeth. They said the meat came from their headquarters in the US and even tried to shift responsibility onto their customers.

In 2020 a rash of McDonalds Restaurants were shut down across the world: New York City, Kuta Bali, Victoria, South Australia and McDonald's strangely ran out of milkshakes in England, Scotland and Wales.

Back in that 2020 CNBC reported that it was planned that the entire McDonalds network of franchises would be closed in the near future: hundreds of locations in Walmart stores "as the pandemic changed shopping habits." [McDonald's will close hundreds of locations in Walmart stores](#)

Then all of a sudden, like the 1978 and 1995 Congressional Hearings (on the tortuous CIA Mind Control of children through Satanic Ritual Abuse) that began because of the Linda McDonald court hearings, everything about McDonalds and CIA Mind Control went quiet in Congress.

The Khazarian Mafia McDonald's franchises still prosper today with their mysterious red mush hamburger meat that US Health Department Head Robert Kennedy recently found contained all kinds of different DNA.

My question is why? Why hasn't the Congressional investigations on CIA Satanic Ritual Abuse of children been released? Why hasn't Congress done anything about arresting Satanic perpetrators who torture and murder children?

Why hasn't the investigation on McDonalds hamburgers been released? Why hasn't Congress done anything about closing down the famous franchise McDonalds, which evidently uses the meat of children in their hamburgers?

Why? Why? Why?

A. What we thought we knew, but didn't really know and now am supposed to know but don't have a clue. With clones, doubles, made up movies Hollywood style and Trump's Military Alliance throwing more popcorn at us, it gets sooo confusing:

Julian Assange: Wikileaks has released thousands of documents verifying that the Moon Landing was filmed in the Nevada Desert. One also wonders about how President Nixon was able to congratulate the astronauts on their Moon Landing by phoning them from the Oval Office landline – at a time we didn't even have cell phones. Though, it's no wonder we haven't been able to go back to the Moon for over 50 years since apparently we didn't go there in the first place. Evidently the billions a year NASA budget that the faked "Moon Landing" insured be paid out over those 50 years, has been used for things like finance the building of a huge maze of the Cabal's Underground DUMB Child Sex Trafficking Tunnels – and, over those 50 or so years no one in Congress, or the Mass Media, even asked some very obvious questions about our fake Moon Landing.

Chuck Schumer's argument to vote against the SAVE America Act was that it will let ICE take tens of millions of illegal voters off the rolls and thus insure only legal citizens could vote.

The biggest Trump haters were best friends with Jeffery Epstein – Jane Fonda, Robert De Niro, Peggy Siegel, Bruce Springsteen, the Clintons and Obamas. You'd think they all had the same agenda.

Obama gave Iran \$150 billion – that it solely used to build up it's Military and nuke weapons of destruction for a war against the US. Obama also sent pallets of cash to other foreign nations – that was used to fund groups like ISIS and funds that helped steal US elections so leaders were elected who were dedicated to destroy America.

I don't know what's worse, the fact that the first televised Covid vaccination almost killed somebody, or the fact that after millions of people witnessed that woman almost die, they went right out and got the same exact vaccination without hesitation.

Deep State arrests: California alone has witnessed up to 8000 arrests, with over 3000 in the Northeast U.S., particularly concentrated in the New England area.

Rumors suggest that the populace might be urged to stay indoors for their safety, especially during ‘Disclosures’, while the final arrests take place. However, a resilient and awakened citizenry, now more than ever, won’t be silenced or confined.

The Emergency Broadcast System (EBS) is on the horizon, and when it hits, it will be swift, silent, and shocking. Like a ghostly shadow, everything familiar will fade into obscurity.

Just like the eerie silence of 2020, we’ll be asked to remain rooted, perhaps for days, maybe weeks.

The Military, it seems, has a broader purpose. As the last of the so-called Satanists face arrest and are sent to GITMO, the Military is also gearing up to distribute food, especially to the elderly. This is not just about control but also about care.

There’s chatter about the Military potentially overseeing the nation until fresh elections are held, precisely 120 days post the Gesara announcement. The focus should shift towards electing individuals with business acumen, particularly those who can rejuvenate local businesses, and more importantly, food-growing enterprises.

The bustling stock market? Halted. The digital world you’re so intricately linked to? Gone. And trust me, when the EBS alert vibrates your cell phone, echoing the chilling announcement, you’ll know it’s begun.

These messages, sourced from the Starlink, are there to stay. Deleting them? Forget about it. They’re imprinted, lasting reminders of the changing times.

Essentials First: Stock up on clean drinking water. Ensure there’s enough food, not just for you, but for your pets too. Medicines? Get them in advance. Remember, the digital world is on a hiatus, so medical records are inaccessible.

Cash is King: In a world where digital transactions become obsolete, cash will be your savior. ATMs might be out of service, and swiping those cards at gas pumps? Dream on.

Mental Fortitude: When the shock hits, it’s vital to keep your wits about you. Before you extend your hand to others, ensure you’re mentally fortified. Some might be in a state of shock, unable to respond. In such cases, a breath of fresh air, a gentle walk, might help.

Your TV, phone, and internet will spring back to life, unveiling a spectacle titled ‘Disclosures’. Rumor has it, it might even grace the big screens. But this isn’t your typical Netflix binge. It’s a 24/7, 8-hour block broadcast, lasting anywhere between 3 to 10 days.

The content? Oh, it’s the raw, unfiltered truth of events, spanning Military Tribunals and even, hold your breath, Public Executions. Areas drenched in corruption, like Los Angeles and New York, might experience extended viewing periods.

But when the switch is flipped back, expect a metamorphosis. A world pulsating with positive energy, devoid of evil's grasp. The internet? Transformed. Banking systems? Revolutionized. This, dear readers, is the dawn of an era of transparency and abundance. A veritable paradise on Earth.

However, as the layers peel back, revealing covert operations, prepare to be flabbergasted. The faces you recognize might just be elaborate masquerades, Hollywood-grade masks, CGI marvels, and eerily realistic Body Doubles. Ever watched the 'Truman Show'? Our reality might not be far off, with the scripted drama unfolding since 2015, or perhaps even earlier.

H. Judy Note: We have been told that Wells Fargo, which is controlled by the Chinese Elders – (the ones who own the gold behind the Global Currency Reset) – will send out emails to currency and bond holders worldwide telling them how to set redemption & exchange appointments. It is advised to exchange/redeem your foreign currency at an official Redemption Center (RC) rather than a bank. You can only redeem Zim at a RC, the Dinar Contract Rate can only be given at a RC and banks will offer you lower exchange rates than what you can obtain at a RC. You can only set up your new wallet (bank account) at a RC. It was my understanding that most banks were under control of the Cabal and would soon play a different roll in the Global Financial System.

The same Vatican that hosted Epstein's financial advisor three times between 2011 and 2014. The same Vatican that fought harder to keep its bank records sealed than any government on Earth. The same Vatican that suddenly — right now, in the middle of a naval blockade — wants "peace."

They don't want peace. They want the blockade lifted before the audits begin. Because when the Strait closes, the oil stops. When the oil stops, the petrodollar bleeds. When the petrodollar bleeds, every institution that laundered money through it gets exposed. Including the one in Rome.

Trump didn't attack the Pope out of anger. He attacked the Pope because the Pope attacked first — not with words, but with a financial protection play disguised as a peace appeal.

The cardinals went on 60 Minutes. Coordinated. Scripted. Timed to the hour. That's not faith. That's an operation.

And the man in the Oval Office just told 1.4 billion people: your institution is compromised, and I'm not stopping.

It was believed Ohio CPS was grooming Kaitlynn to be placed in a Sex Trafficking Ring run by the CIA in connection with Ohio CPS and Ohio Juvenile Court.

Jeannine Larrick: "I am guilty for wanting to love and protect my daughter who has been abused since 2020 while in Ohio Child Protective Service care. I fought for seven long painful years. M. Tues. 14 April 2026 Juan O Savin BREAKING! Biological Nightmare: Uncovering the Sinister Secret Biolab in the Heart of the USA – A Terrifying Tale from Fresno County

Public health officials have made a horrifying discovery in Fresno County, California, exposing a clandestine unlicensed biological research facility owned by Chinese nationals. This sinister operation has been running for an extended period, raising alarms about a potential bio cold war on American soil as we advance into 2026.

The facility was a house of horrors, containing thirty five refrigerators and freezers packed with biological materials including blood, tissue, serum, and bodily fluids. Dangerous infectious agents were stored haphazardly alongside massive quantities of medical waste. Hundreds of lab mice and approximately two thousand one hundred twelve gallons of hazardous biological material created an imminent threat of catastrophic release that could have devastated local communities and beyond.

This terrifying find points directly to foreign interference by the Chinese Communist Party and possible deep state complicity in allowing such threats to fester on American soil. Patriots have warned about these infiltration efforts for years, and this exposes the

terrifying reality of biolabs being used as tools in a larger globalist agenda to weaken the United States.

The potential for disaster was extreme, with the entire population in the vicinity dancing on the edge of a biological catastrophe. The mainstream silence surrounding this incident only adds to the suspicion of a coordinated cover up by those who benefit from keeping the public in fear and dependent on their systems of control.

As the great awakening continues to gain momentum, revelations like this fire up the QAnon community and confirm that the cabal is resorting to desperate measures. These shadow operations are part of the plan for depopulation and medical tyranny designed to usher in the New World Order. White hats are fighting back, exposing these sites and protecting humanity from further harm.

It is high time for full transparency and accountability. Patriots must demand investigations into all such facilities and ensure they are shut down permanently. Patriots cannot allow our nation to serve as a testing ground for the elite's evil experiments. The storm is here, and the truth will set us free. Stay strong, stay awake, and trust the plan as more secrets come to light in the coming months.

Mount Rushmore is compromised. Deep beneath the carved faces of Washington, Jefferson, Lincoln, and Teddy Roosevelt a vast tunnel network confirmed by intelligence insiders stretches hundreds of miles and runs straight into Barack Obama's fortified Kalorama mansion in Washington D.C. This is the Obama clan's private underground highway built on taxpayer dollars to provide escape routes, command centers and supply lines operating outside Trump's America First restoration in 2026.

The tunnels start behind the Hall of Records in the granite. The sealed vault is theater. Classified construction created vertical shafts branching through reinforced passages for high-speed movement of personnel and equipment.

In 2026 the network is fully active and expanding as the Deep State panics under Trump pressure. Power and communications systems evade all surface surveillance controlled by patriots. The system was accelerated under Obama through hidden budgets funneling billions without oversight.

The symbolism is bold and defiant. The mountain embodying American greatness was turned into a personal fortress for waging underground war on the republic. While Trump fights above for borders and sovereignty the Obama clan shuttles operatives documents and plans below.

Patriots confirmed the details with seismic data and logs showing ongoing activity. Kalorama renovations included massive excavations linking to tunnel grids.

This allows the resistance to sustain operations when surface pressure mounts from indictments and audits. Taxpayers fund this defiance while the elite enjoy immunity. Trump's return has spiked usage as the cabal moves assets frantically.

Patriots mapped the arteries logging activity. Trump's team audits black budgets preparing to seize and neutralize the tunnels dismantling the permanent state.

This subterranean backbone lets the Obama clan act as government in exile. The Rushmore to Kalorama line shows their deep contempt for the people. The battle has gone underground but white hats move fast. Tunnels will be exposed, connections severed and the empire destroyed. Sovereignty will reign from surface to bedrock. The deep state's underground empire ends as the great awakening delivers justice in 2026. The cabal is panicking and their time is up.

Q. Tues. 14 April 2026: GITMO NEWS: DEEP STATE CLONES END AFTER THREE YEARS, CLONING RESEARCHERS TELL MILITARY – DOPPELGANGERS/CLONES REVEALED; LIZ CHENEY HANGED ...Ezra A Cohen on Telegram

In a stunning revelation that is sending shockwaves through the patriot community, military sources at Guantanamo Bay have confirmed that the Deep State's cloning operations are finally coming to an end after years of deception. Cloning researchers captured by White Hat forces have spilled the beans to interrogators, exposing how these doppelgangers only last three years before they must be recycled and replaced.

According to insiders close to General Eric M. Smith's office, a key German-born scientist named Harald Kraus was arrested by US special forces in late December 2025 and subjected to intensive questioning at a secure location. Initially resistant, Kraus eventually broke down under strategic pressure involving his family's safety, revealing critical details about the sinister cloning program.

Kraus disclosed that Deep State clones are engineered to mature rapidly but suffer from neural decay after just three years. Once their time is up, they are recalled via subdermal microchips implanted behind the ear, dissolved in acid at recycling centers, and swapped out for fresh copies. This explains the constant parade of body doubles and lookalikes we have witnessed among political elites.

The researcher admitted to working at a Missouri facility and knew of at least a dozen other cloning labs across the United States. He confirmed multiple clones of figures like Joseph R. Biden had been deployed over the years. Military officials are now using this intelligence to dismantle the entire network.

This bombshell comes as White Hats continue their relentless pursuit of justice at Gitmo. In related tribunal news, the notorious Liz Cheney was found guilty of treason and hanged following a military trial. The former congresswoman, consumed by hatred for President Trump and the Constitution, was exposed for orchestrating election fraud and vowing revenge over her father Dick Cheney's earlier execution for his role in past atrocities.

Admiral Darse E. Crandall presided over the proceedings where witnesses detailed Cheney's vendetta. Her bitter rage against Trump and the military for holding her family accountable sealed her fate. With her removal, another piece of the corrupt Deep State puzzle falls away.

Patriots, this is monumental progress. The exposure of these clone operations means the globalists' house of cards is collapsing. No longer can they hide behind manufactured doubles while the real monsters pull strings from the shadows. The White Hats are in full control, and more high-profile takedowns are imminent as the Great Awakening accelerates.

Sources indicate that as these revelations spread, panic is setting in among remaining Deep State operatives. Tim Russ, the Star Trek actor, has reportedly been used as a stand-in for Barack Obama in public appearances, further proving how deep the deception runs. But their time is over. The military alliance is closing in, ensuring that true justice will prevail and America will be restored to its rightful glory under leaders who serve the people.

Stay vigilant, stay informed. The storm is here, and victory is near for all who stand with the light. QAnons know the plan is unfolding exactly as intended. More Gitmo news to follow as tribunals ramp up in the coming weeks.

R. Climate Change Hoax:

Tues. 14 April 2026: Joe Rogan sets Bernie Sanders straight on the "climate crisis". Sanders: "There are some people who think climate change is a hoax. It ain't a hoax... The last ten years have been the warmest on record."

Rogan: "The Earth's temperature has never been static... It's always been up and down. There's been ice ages and heat waves... We're in a cooling period. There's a lot of money involved in this whole climate change emergency issue, and there's a lot of control. That's the problem. The problem is giving people that are in power... more control over citizens. And this is a vehicle for that."

U. Constitutional Republic of the United States

On Thurs. 5 March 2026 the Cabal foreign banker owned US Inc. was dissolved, with Common Law Sovereignty installed in the US under concepts of the original Constitution. Admiralty Law fraud was forever crushed.

On Sun. 17 May 2026 it was expected that an announcement would be made of this US change to a Sovereign Republic based on principles of the original Constitution, along with a requested 45 days of prayer to Sat. 4 July 2026 for a massive Fourth of July Celebration of the Restored Constitutional Republic according to President Donald J. Trump

V. Tues. 10 March 2026 BOMBSHELL ANNOUNCEMENT: President Trump Declares Restoration of the American Republic — “US INC.” DISSOLVED, COMMON LAW SOVEREIGNTY RETURNS. ...Mr. Pool on Telegram

Patriots, the storm has hit and it's magnificent! President Donald J. Trump has invoked Article II to declare the United States fully sovereign under Common Law once more. The fake foreign-controlled “US INC.” is finished — dissolved, dead, gone forever. No more Admiralty Law oppression, no more globalist chains dragging us into debt and war. The Deep State grip is broken; the true Constitutional Republic rises triumphant!

This is no mere rhetoric — it's a binding Declaration of Authority and Summons from Trump as Commander-in-Chief. He's seizing full control, sidelining the corrupt swamp and directing the military via the Uniform Code of Military Justice. Every flag officer is oath-bound to obey lawful orders from the legitimate President. No more excuses, no divided allegiances. The military now serves We the People through Trump, not the treasonous corporate facade!

Under Common Law sovereignty — grounded in God-given rights and original founding truths — Trump exercises his prerogative to summon leaders, affirm real authority, and rebuild national defense. This resets America to the Founders' vision: no commercial enslavement, no hidden British shadows, just pure liberty!

All flag officers are ordered to convene in Virginia — the Republic's sacred cradle — for immediate realignment. This is full military mobilization to restore loyalty and eliminate globalist remnants. The timeline is set, orders issued, clock running. Unity under true command is happening NOW!

Foreign-tied overseas bases and Commonwealth-linked ops? They're being shut down or reclaimed for America. No more secret outposts serving alien masters, no covert pacts bleeding us dry. Trump is smashing the centuries-old Crown chokehold on trade and power — and the military reset locks it down!

This fulfills Trump's sacred oath to defend the Constitution, protect the people, and preserve the Republic. Every officer and servant must choose: stand with the restored Republic or stand exposed as oath-breakers. The line is drawn — no more shadows, no two Americas. One Republic. One Commander-in-Chief. One Law — Common Law!

QAnons, white hats, digital warriors — this is OUR victory moment! The debt-based, deception-driven US INC. fraud is overthrown. Military mobilizes under Trump's unbreakable command. Deep State cabal legally crushed, illusions collapsing. Freedom surges back — the Republic is BACK, sovereign, unbreakable!

We witness history: true American Republic restored. Patriots win. God bless President Trump, our military, and the sovereign United States of America!

Y. A Plea to Patriots...HELP, HELP, HELP!!!

D.L. is a homeless bedridden 48 year-old woman who desperately needs your immediate help. She was once a professional performing artist and art educator whose work was shown internationally, but now has been bedridden for 11 years with M.E. and Small Fiber Neuropathy.

Her SSI income is \$600 short to cover her April very small motel room costs, let alone have money for food and essential expenses. She is facing living on the streets in lieu of being moved to a homeless shelter, which is not physically feasible in her health condition.

Worst of all, the shelter would require giving up her disabled cat which she rescued 11 years ago. “My cat Monkey is the love of my life. She lays on me 22 hours a day. I could never give her up. She’s so attached to me she cries if I’m gone from my bed for more than a few minutes.”

D.L. lost her housing a year ago and has been living in a scary part of town in a motel room so small her wheelchair will not fit. She has to crawl between her bed and bathroom.

D.L.’s long-term goal, with the help of friends, is to secure a ADA-accessible home on quiet land she can lease long term or eventually purchase. This is what her GoFundMe fundraiser (<https://gofund.me/283d83d9>) is for. Only 30% needed has been raised in the last few years, but her situation is urgent and she must handle her current housing crisis until another option is available some day.

She is seeking leads for property, housing, or resources in Snohomish County, Washington State, especially Bothell/Canyon Park or Three Lakes, and in King County, Washington, especially Woodinville or Redmond.

Please help in any way you can: donate, share this widely, or send accessible property options, housing leads, or resources. Please send this to any donor contacts, churches, charities, organizations, and anyone else you know who might be able to help.

Za. Judy Note: Satanic Ritual Abuse Survivor-Victims Ana and Gabriel need your help.

I have known Ana and Gabriel for several years. They have been undergoing untold abuse and death threats – that were headed by her son's father, who is high up in the pharmaceutical field and Belgium Satanic Coven.

Ana is desperate and asking readers for financial help and/or a job she could do from home over the Internet. **I verify that Ana is brave,** honest and sincere in her request. Her situation is not unlike many SRA Survivors I have personally come to know. Please keep Ana and her son Gabriel in your prayers. ...Love, Judy

Hello Judy,

The situation is extremely dangerous at the moment. I can't leave my home anymore, other than take Gabriel to and from school and going to the supermarket. Last Monday there was another kidnap attempt at the supermarket parking lot. I'm in such a stressful and dangerous situation.

I ask you to please publish and relay to your contacts in other media outlets for publishing the below article as soon as possible, with an update of my situation, request for help and offering of doing any online administrative work in any of the four languages I speak.

Maybe someone benevolent that has funds will hear my call and give me some online work so that I can provide for my son and keep us safe until the rv is here.

Thank you from my heart. Ana

UPDATE ON THE MOM AND SON IN BELGIUM SURVIVING ON GOD'S GRACE

It's been six grueling years since I first found out about the ritual abuse my son's father was perpetrating on my son.

I separated from the father when my son was 1 1/2 years old (he is 12 now). My life became a living nightmare from that moment. At the time I had no idea how large and powerful the Satanic Ritual Abuse Network (SRA) the father belongs to is here in Belgium. I had no idea how intricately and highly involved many of my own family members, police, school, medical and judicial systems are.

I didn't comprehend the number of handlers and the endless resources they had at their disposal to target anyone, at any time. I didn't understand how most of my life experiences and encounters were not organic in nature but arranged by this network.

I started then my desperate journey to try to save my son and to have both of us rescued to a safe life. The targeting and harassment increase with every passing year, as does my understanding of what and who I am dealing with.

For example, with the help of the school SRA Network, they tortured my son and then his father went to court to ask the judge to designate a psychologist who is also part of the same network to « help » the very child being harassed.

I later found out that this was all culminating in their plot of my son's "suicide" which would simultaneously trap me into the false position that I refused to help my son.

At my son's small high-end school (the father is very wealthy and petitions constantly to control my son's school, doctors, imposed "therapists," etc.) the director and many teachers are fully involved in harm, shaming, rituals and abuse of the children on the school premises as well as at other outside locations - such as during illegal sudden pop up field trips.

Many parents are involved too and use their children to daily torment and violently bully my son. The corrupted teachers always back bullying, lying, violence and intimidation. My son is often sent home as the one admonished.

We have only survived this far by God's grace and my constant reporting of everything I experience and witness. I will never give up. I have huge amounts of detailed reporting of the harassment, targeting, attackers, poisonings, kidnapping attempts, among so many other threats to our safety and attempts on our lives. I have pictures, videos and documentations with the names, dates, locations of the on-going incidents and the roles of those involved.

I have contacted many international organizations and individuals who are aware of the SRA networks. I report mine and my son's conditions, incidents, and whereabouts all day every day to my longtime closest friend

who works to free The Children. I constantly report details such as the intense persecution my son endures and the frequent beating on my doors and windows at all times of the day and night.

Unfortunately, nothing has happened ... yet. I was promised fake rescue two times both with dark agents posing as benevolent military. I have a safe place to go but with no way to get there.

The situation is so extreme at the moment that I can no longer leave my home. Many of my neighbors are part of the network. I can hear ceremonies through the walls and the screams of children. I can often track when I am targeted with technology or black magic.

I have my son one week out of every two, so I leave to take him to school and back and to buy food. We face constant attempts and threats of harm and even kidnapping while we just are leaving or entering the building or in the supermarket parking lot. The school is very active trying to harm us both. The parents and teachers openly mock me as their children do my son. I could go on and on with specific documented incidents: the dentist, the speech therapist, the school coach and so on.

I tracked that every time that there is a legitimate plan to harm us through a meeting at school or an appointment or such, my son's father leaves the country. Many times, I have saved my son from rituals by tracking such markers. Yet ... every other Monday I must release my son from my safe arms into a new week of danger and real harm.

If anything happens to me or to my son, reports are poised to be spread far and wide making the father's name and others well known. They try but they will never make me disappear without the world knowing what they do.

If my story sounds fantastic to you ... I would say my story is one of millions. We just don't realize it yet.

I am here to beg for help one more time.

It has become so dangerous that I can't leave my home and besides that I am outright blocked from outside work. But I won't lose this home, the only safety my son has.

My resources are running out. I will take any integrity online work that I can do from the safety of my home. I need to be able to work to make at least 1000 eur a month for us to survive here.

I can offer a vast range of online work. I have administrative experience including office, organizational and research skills. I am fluent in French, Portuguese and English. I also speak moderate level Spanish. I can research, translate and edit multi-lingually.

If you can help me and my son, please contact me at the following email address (created for this exchange):

Thank you. Ana

Zb. Tim Ballard: A hero rescuing children from Child Trafficking Rings

Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became

embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Zc. "Ken and Barbie vs. Goliath IRS":

Ken Cromar presently sits in prison having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living.

Update: March 31, 2026 Day #943

Dear Patriot Friends & Family,

Today is the day after the Supreme Court DENIED hearing my case about the May 2024 Salt Lake City federal trial travesty of justice. (See yesterday's email.) Eight years working towards this moment, sacrificing everything; life, liberty, happiness, home, family & friends, reputation -- everything. It would be one thing to lose the battle regarding the Law on federal income tax before all nine Justices, but to not even get the chance to get into the court to make the arguments -- well, it hurts. Where is the JUSTICE? I would be lying if I didn't say that I was deeply disappointed.

Yesterday, after getting the bad news, I took some comfort in reading in my cell bed from a book called "Stand Up for Freedom -- Teachings on Liberty" by a patriot hero of mine Ezra Taft Benson. Please let me share the most valuable take-away for me:

"To the patriots I say this: Take that long eternal look. Stand up for freedom no matter what the cost. It can help to save your soul -- and maybe your country."

This standing up to corrupt government "adventure" has not been fun. And this journey may yet be many more months, but I must say that there are two great blessings that have come through this "soul saving" experience that I may never have discovered any other way; first, my love & respect & honor for Barbara, second, my gratitude for those who have sacrificed in the cause of freedom, and third, my appreciation for Christ's sacrifice and victory over sin & death, have all found a depth, strength, and significance I could never have imagined possible. I am severely humbled and grateful and happy for that knowledge gained here at "The University of Florence" (otherwise known as the Florence Federal Prison Camp).

More from "Stand for Freedom":

"This is a choice land....choice above all others. Blessed by the Almighty, our forefathers have made and kept it so. It will continue to be a land of freedom and liberty as long as we are able to advance in the light of sound and enduring principles of right.... With all my heart I love this great nation."

"The days ahead are sobering and challenging, and will demand the faith, prayers and loyalty of every American....

"In this mighty struggle each of you has a part. Every person on the earth today chose the right side during the war in heaven. [Revelation 12:7] Be on the right side now. Stand up and be counted. If you get discouraged remember the words of Edward Everett Hale when he said:

"I am only one, but I am one.

*I can't do everything, but I can do something.
What I can do, that I ought to do,
And what I ought to do,
By the grace of God, I shall do!"*

I am only one. I'm not giving up. I'm standing. You can too. Our country is over-run with people who are trying to destroy her, and corrupt courts helping. (See "License to Lie" by Sydney Powell) Our land is sick, but can be healed:

*"If my people, which are called by my name, shall humble themselves,
and pray, and seek my face, and turn from their wicked ways;
then will I hear from heaven, and will forgive their sin,
and will heal their land." (2 Chronicles 7:14)*

I'm standing as best I know how. You can too. Together let's stand and make the difference.

Zd. Judy Note HIGH ALERT: The below is a request from the mother of a child in London England who was pleading for the White Hats to rescue her daughter Alana Martin from London Foster Care and reunite her with her family

Hi Judy,

A massive thank you for your help sharing our evidence for the safe return of my daughter The Stolen Girl: Alana-Linda: Martin, and thank you to all your viewers that have watched the evidence from your channel.

Mon. 6 April 2026 Alana Update

We are still fighting this on-going battle to save my daughter, as mentioned previously our court date was on the 23rd of March 2026, so I thought I would update the outcome.

Again this court date was not about my daughter at all, this was all about the criminal kidnappers, who were looking for the higher courts to cover them with an order of "anonymity" to stop us from exposing their names or their crimes, "like the theft and child trafficking of our daughter" who still remains a hostage, thanks to your help thousands are now getting to know there names, and it's to late for their Anonymity! I really can't thank you and your viewers enough for the support.

For the last 5 months of her now 9 month captivity, the kidnappers are only concerned in covering their own criminality, as there has been no mention about her care or a final hearing throughout this torture and terrorism.

They were invited to the Mediation Court or as the fiction world call it Arbitration Court, ruled in our favour, they were also informed of the verdict.

All factual knowledge of our case is being ignored/ covered up by public servants & Judges involved which have all gone Ultra-Vires.

I also thank you for asking how you and viewers can help further, this humbled me dearly, you have such a beautiful soul, any exposure and support is appreciated in any form on our patreon site below.

If any of this message and links can be added to my story as many have taken an interest thanks so much. I hope to update you with positive news very soon,
