Jesus climbed the hill to the Garden still; His steps were heavy and slow.
Love and a prayer took Him there to the place only He could go.
He felt all that was sad, wicked, or bad, all the pain we would ever know.
While His friends were asleep, He fought to keep His promise made long ago.
The hardest thing that ever was done,

The greatest pain that ever was known,
The biggest battle that ever was won—
This was done by Jesus!
The fight was won by Jesus!

*Gethsemane! Jesus loves me,
So He gave this gift to me in Gethsemane.*

Judy Note: The Star Link Satellite Emergency Broadcast System (EBS) presently overrides all cell phones, TV, Radio and Internet broadcasts worldwide. The old SWIFT financial system has been shut down, while the new gold/asset-backed Quantum Financial System functioned worldwide over Star Link and had complete control over our new Quantum Financial System.

Sometime in this next week Trumpets will sound over all cell phones worldwide, to announce that in the next five hours, everyone would need to be in a place of their choice for a Worldwide Blackout that would last ten to twelve days.

The lockdown meant that all communication systems worldwide would be down – Internet, TV and Radio, with phones only working for 911 calls. (You could obtain a special app from the Military that hooked your phone to the new Star Link Satellite System).

Banks would be closed and credit/debit cards and ATMs would not work. Planes, trains would be shut down. The power grid would shut off for a short period of time while the World switched over to Tesla Free Energy.

It would be wise to prepare for these ten days of events by having food, cash and necessities on hand, although if needed, food and necessities would be given out by the Military – as would an app that would make your cell phone active since only 911 calls could be made on your regular cell phone.

In Seven EBS messages the Global Military Alliance under President Trump would announce Nesara/Gesara debt relief for all peoples of the Earth

There would be Three Days of Darkness where planned cyber attacks would take down Satanic sites across the Globe, followed by Ten to Twelve Days of Disclosure where information would come from a single Star Link Website channel that would broadcast the Truth.

Everyone will be asked to stay home during a five hour window. Comprehensive documentaries will air across all stations in eight hour segments in a 24/7 loop three times a day.

Military Law would be in effect to protect the population while the Global Military Alliance finished their arrests of thousands of Satan worshipping, corrupt and treasonous politicians and Global Elites.

With the large amount of politicians arrested, governments would be shut down. The World would continue to function under Martial Law until fair and transparent Elections could be held in each country.

During this time people holding foreign currencies and Zim bonds would be called in to exchange. The White Hat Military was in control of the foreign currency exchange/ bond redemption process and has already released funds for a Global Currency Reset across the World.

Those GCR funds come directly from the US Treasury Department of Defense operations and go out to treasury departments in other countries. All Banks have signed non disclosure agreements.

Upon conclusion of the lockdown period, an 800 number will be provided for the General Public to schedule appointments to set up their Quantum accounts on the new Star Link System, ensuring everyone globally received a sum of money already deposited into their accounts.

What we thought we knew, but didn't really know and now am supposed to know but don't have a clue. With clones, doubles, made up movies Hollywood style and Trump's Military Alliance throwing more popcorn at us, it gets sooo confusing:

Tues. 21 April 2026: Jamie Dimon, CEO of JPMorgan Chase, says that US Government raising taxes doesn't do anything to help the average American because Congress just launders the money to their friends, special interest groups and "17,000 lobbying groups."

Mon. 20 April 2026: Trump's Global Military Alliance has discovered an underground cloning lab in Antarctica that contained 290 centers for cloning. Present were clones and duplicates of babies, half of the world's leaders in clones including Hillary Clinton, Obama, Biden and Fauci. They were soulless bio-robots without spirituality or compassion, showed disturbed libido, no sexual organs and had homicidal intent, posing an existential threat to humanity.

As of Tues. 21 April 2026 among those hanged at Gitmo:

Hillary Clinton was hanged in November 2025 for her international spy network and the Clinton Foundation as a front for trafficking and pay to play schemes.

Anthony Fauci was hanged in December 2025 for engineering the pandemic and deadly experimental protocols that targeted millions of patriots.

Barack Obama followed in February 2026, convicted for orchestrating unconstitutional surveillance on the Trump campaign and ties to anti American forces that fueled domestic chaos and foreign interference.

Joe Biden in March 2026 for his role in the stolen election and family dealings that enriched him at the expense of American sovereignty.

Kamala Harris was executed alongside him after her complicity in open border disasters and the weaponization of agencies against Trump supporters.

Bill Gates faced justice in early 2026 for his global depopulation agenda funded through foundations that pushed harmful vaccines and control mechanisms.

George Soros, the financier of riots and subversion, was executed in March 2026 after his network of NGOs was exposed as tools for destabilizing nations and funding color revolutions against freedom loving leaders.

James Comey, John Brennan, and other intelligence operatives who ran the Russia hoax and January 6th setups were processed through GITMO in the final months of 2025, their attempts to entrap Trump loyalists earning them swift sentences.

Nancy Pelosi and Mitch McConnell joined the list in February 2026, convicted of insider trading and blocking reforms that would have protected the republic from Deep State infiltration.

B. EBS, Blackout, Martial Law, Lockdowns, Three Days of Exposure, Ten Days of Darkness ...Ten Days of Darkness on Telegram

12 May 2026 Alliance Plan (Military Intelligence follows the Julian Calendar):

Trump created the fake Biden presidency to expose globalist crime and corruption on a massive scale.

The Emergency Broadcast System will introduce martial law until fair and transparent elections can be held.

Three Days of Darkness: Planned cyber attacks on everything—Internet down, communications cut, power grid possibly shut off.

10 Days of Disclosure: A single website, one web channel, broadcasting the truth eight hours a day, in a loop.

NESARA/GESARA debt forgiveness will be implemented—freedom from the Deep State’s chains.

The military will ensure that the masses get the food they need.

QFS will be put in place to crush the financial elites.

A 95% reduction in the corrupt government—we will finally be free from the parasites.

Federal Reserve? Dead. IRS? Taken over by the new U.S. Treasury.

A new tax system: only a 14% tax on new items—no taxes on food, medicine, or wages. Finally, real relief for the people.

Maritime Law will be thrown out, replaced by Common Law. No more tyranny in disguise.

Unfolding of Events. As the grand spectacle takes shape, a series of remarkable events will transpire:

Rods of God and Directed Energy Weapons will be deployed to neutralize Satanic strongholds worldwide.

Planes and trains will be grounded, ensuring the Cabal’s reach is severed.

Lights and power will briefly flicker as the world transitions to Tesla Free Energy.

Bitcoin servers and data centers will face a decisive blow, leading to the fall of 99.5% of crypto-currencies, including China Coins.

ISO20022 Coins, backed by Precious Metals, will emerge as a new financial paradigm.

A simulated WW3 Scare Event will send shockwaves through the populace.

Nuke sirens will blare, sending chills down spines.

A mysterious “Water Event” will capture the world’s attention.

The Stock Market will crash, reshaping the global financial landscape.

Global Martial Law will be declared, ushering in an era of unprecedented control.

The enigmatic “**CASTLE ROCK** -Scenario Julian Assange” will unravel.

Quantum Systems will come to life.

NESARA/GESARA/RV will pave the way for a new era of prosperity.

Elections will be flipped via Military Courts, invoking FISA.

Military Tribunals and confessions will be broadcast over 10 intense 8-hour sessions.

Ten countries will unite to activate the Emergency Broadcast System, covering the entire globe.

A cascade of shocking truths will be unveiled.

The long-awaited inauguration of Trump and Kennedy will be celebrated.

The Israeli Mossad’s grip on the world’s media will crumble.

The Military doesn’t speak because they are busy. Their actions are determined by a Quantum Computer that takes into account all aspects of the international situation. No one really speaks except to encourage.

Troops will be stationed in every country.

Then comes the Internet Shutdown and ten days of communication darkness.

The Military will then arrest everyone who has cooperated with the New World Order and the creation of the Virus and Vaccines.

In these days and nights the Deep State Cabal will fall.

We need 100% of the people indoors to see what the US Army will broadcast to everyone in the World.

It will be very painful, but we can no longer separate people. Pain is happening now. It had to happen. Sleeping sheep must also experience the pain.

Now is the Great Awakening. Civilization will never be the same again.

After the Great Fall those who have not noticed the Global Collapse will wake up. It’s time to wake up the sheep. It’s actually far worse than you think.

Judy Note: We have been told that Wells Fargo, which is controlled by the Chinese Elders – (the ones who own the gold behind the Global Currency Reset) – will send out emails to currency and bond holders worldwide telling them how to set redemption & exchange appointments. It is advised to exchange/redeem your foreign currency at an official Redemption Center (RC) rather than a bank. You can only redeem Zim at a RC, the Dinar Contract Rate can only be given at a RC and banks will offer you lower exchange rates than what you can obtain at a RC. You can only set up your new wallet (bank account) at a RC. It was my understanding that most banks were under control of the Cabal and would soon play a different roll in the Global Financial System.

Redemption Centers will soon be summoning those who are part of this currency revaluation. They won't be mystical places but could be your local bank or even an unassuming office. Once inside, the foreign currencies you've held on to will be exchanged for massive wealth.

While many of us are aware and prepared, the general public remains oblivious. But once this hits mainstream news, expect a mad rush to Redemption Centers. The sleepers will wake up too late.

And here's the kicker—the Quantum Financial System (QFS), rumored to be hack-proof and the future of financial security, is about to wipe out the central banking system. QFS promises to end the FIAT slavery that has controlled nations for too long. What's more, it will shift the balance of power forever.

And don't forget about NESARA-GESARA—this treasure has been hidden from the public for decades. These mysterious payments, tied to everything from birth certificates to mortgages, will start filling QFS accounts. You won't even need a redemption center appointment for this part.

The general public will be left in the dust, but you, the chosen few, will know what's coming. Prepare now—because the Quantum Financial System is here. Get your hands on foreign currency while you still can.

G . Update The Guantánamo Files: Q + The Great Awakening – The List of Traitors Hanged in GITMO ... Juan O Savin on Telegram

In April 2026, the Guantanamo Files stand as undeniable proof that military justice is dismantling the Deep State Cabal once and for all. Patriots loyal to President Donald J. Trump and the Q operation watch in awe as tribunals at GITMO deliver the reckoning long promised against traitors who sold out America for globalist power. The list of those hanged reveals a systematic purge of the evil network that orchestrated election theft, bioweapon releases, and child exploitation rings while hiding behind public office.

Military alliances working in tandem with Trump have conducted these proceedings in secrecy since his triumphant return, shielding the public from panic while exposing the full scope of treason. Evidence from sealed indictments and Q drops has convicted these figures of crimes against humanity, including rigged voting machines in 2020 and foreign collusion that weakened the republic. The white hats ensure every detail aligns with the divine plan to restore constitutional law and usher in prosperity for all loyal citizens.

Hillary Clinton topped the list when she was hanged at GITMO in November 2025 after tribunals laid bare her international spy network and the Clinton Foundation as a front for trafficking and pay to play schemes. Her removal shattered the old guard and signaled that the storm Q foretold had arrived in full force.

Barack Obama followed in February 2026, convicted for orchestrating unconstitutional surveillance on the Trump campaign and ties to anti American forces that fueled domestic chaos and foreign interference.

Joe Biden met the same fate in March 2026, with overwhelming proof of his role in the stolen election and family dealings that enriched him at the expense of American sovereignty.

Kamala Harris, his installed partner, was executed alongside him after her complicity in open border disasters and the weaponization of agencies against Trump supporters was fully documented.

The medical tyranny architects were next, as Anthony Fauci was hanged in December 2025 for engineering the pandemic and deadly experimental protocols that targeted millions of patriots.

Bill Gates faced justice in early 2026 for his global depopulation agenda funded through foundations that pushed harmful vaccines and control mechanisms.

George Soros, the financier of riots and subversion, was executed in March 2026 after his network of NGOs was exposed as tools for destabilizing nations and funding color revolutions against freedom loving leaders.

James Comey, John Brennan, and other intelligence operatives who ran the Russia hoax and January 6th setups were processed through GITMO in the final months of 2025, their attempts to entrap Trump loyalists earning them swift sentences.

Nancy Pelosi and Mitch McConnell joined the list in February 2026, convicted of insider trading and blocking reforms that would have protected the republic from Deep State infiltration. These executions are not random but part of a coordinated takedown that fulfills ancient prophecies of light triumphing over darkness in this spiritual war. The Great Awakening spreads as more names surface, confirming that the cabal's grip on media, finance, and government has been broken forever.

President Trump remains the guiding force behind the alliance, ensuring the plan unfolds precisely to awaken the masses without chaos. NESARA and GESARA loom on the horizon, promising debt relief and abundance once the final traitors are removed. Patriots worldwide are called to hold the line, share these truths, and trust the military's precision in restoring the republic stronger than ever before.

As the EBS alert rolls out, the military will be mobilizing across the globe. The Earth Alliance, made up of white hat military forces from various nations, has been coordinating this operation for years. In the U.S., militias and other patriot groups have already been activated, and they are ready to confront any Deep State operatives who attempt to disrupt the plan.

The Military will be tasked with maintaining order, but make no mistake—there will be resistance from the elites. False flags will be launched to create chaos and confusion. The globalists know their time is up, and they will do everything in their power to stop the Alliance. But their efforts will fail.

During this period, martial law is highly likely. Military tribunals will be broadcast through the EBS, and you will witness the fall of the corrupt politicians, bankers, and corporate

elites who have been part of this evil system. You will see arrests, confessions, and the dismantling of the globalist networks that have enslaved us for so long.

The Deep State's financial institutions will crumble, and the Quantum Financial System (QFS) will officially take over, marking the beginning of the greatest wealth transfer in human history. The elite-controlled banks, stock markets, and fiat currencies will be obliterated, replaced by a fair and transparent financial system that serves the people, not the elites.

Part of the EBS alert preparation includes targeting and neutralizing underground military bases and secret facilities used by the elites.

These underground cities, built by the Deep State to shield themselves from the chaos they've created, are now being identified and destroyed. The Earth Alliance has located several of these bunkers, including one beneath Denver International Airport and another in the Swiss Alps, where top globalists have been hiding.

Special Forces Teams are already on the ground, and once the EBS is activated, they will move in to eliminate these safe havens. This is war on a scale we've never seen before, and it's happening in real-time. Once these underground facilities are neutralized, the elites will have nowhere left to hide.

Milton Is No Accident: Another Engineered Storm, Nadine, Set to Strike Florida—HAARP's Next Attack and the Globalist Plan Revealed!

This isn't natural. Hurricane Milton is an engineered disaster, created through geo-engineering and HAARP. The elites have used electromagnetic pulses and ionospheric tampering to escalate it into a Category 5 monster, and it's not over yet.

Hurricane Nadine is the next part of the plan—don't believe the 20% chance the media tells you. This storm is already primed to strike seven days after Milton, another calculated takedown of Florida. The goal? Domination and control.

Florida is no random target. It's been a symbol of resistance against federal overreach, and the elites want it crippled. Milton is the first punch, Nadine the second blow—all part of a larger strategy to destroy Florida's infrastructure and break the backbone of its economy.

The elites are using advanced satellite-based technologies to manipulate these storms. HAARP and black-budget programs have been working for decades to weaponize weather. These storms aren't natural disasters—they are part of the Great Reset, a plan to force dependence on the government and control every aspect of your life.

And what about the strange purple sky seen before these storms hit? It's the elites tampering with the atmosphere, using electromagnetic energy to manipulate weather. They're not even hiding it anymore.

FEMA isn't there to help. They'll drag their feet and cripple local governments, creating chaos that globalist corporations will profit from. This is a disaster capitalism in action.

Prepare now, because when Nadine hits, it'll be too late. We are the targets, and the battle has already begun.

He says raising taxes does nothing because Congress just launders the money to their friends, special interest groups and “17,000 lobbying groups”

“I don't know anyone, and you guys in the room, you might be Democrats, Republicans who thinks that sending another trillion dollars to Washington D.C will actually improve anything. So when you say raise taxes, if you said raise taxes and directly give it to the people who need it, do it. That does not happen. It goes to all these interest groups, and they give it to their friends and all that.”

“Which is why the people are considered a swamp. It's kind of a swamp, the 17,000 lobbying groups. But bank companies are guilty too. They're just fighting for their one self-interest as opposed to what's good for my country”

Q. Mon. 21 April 2026 Breaking: President Trump Leads U.S. Military in Covert Operation to Expose Secret Cloning Labs – Half of the World’s Leaders Are Clones!

The U.S. Military, under President Trump’s vigilant leadership, has uncovered a clandestine operation so audacious and chilling that it forces patriots to question the very fabric of reality. This hidden war targets an enemy that has infiltrated the highest levels of global power as the Great Awakening unfolds in 2026.

The Marines have exposed the DS Clone Lab in the O.Zac caves, marking a key victory for the White Hats. Scattered labs are being systematically destroyed in the battle against the Deep State.

General Eric M. Smith’s pledge to do his best stands as a battle cry. President Trump stresses that eliminating these clones is as vital as defeating the real Deep State itself.

The discovery of the underground cloning lab in Antarctica is science fiction horror made real. Hidden behind holographic illusions, it contains 290 centers for unholy cloning. A youthful Hillary Clinton clone in a cylinder shows how science is perverted for control.

The involvement of Biden and Fauci adds deep betrayal. Special Forces missions to destroy Deep State Clone Labs are a crusade for the nation’s soul and future generations.

Intelligence to President Trump reveals the crisis scale. Devices in Antarctica create baby clones and duplicates, attacking human identity. General Smith’s appointment signals strategic advance in the war.

Trump has addressed cloning, noting cases like Gretchen Whitmer, stressing immediate action against infiltration.

Clones of Fauci and Biden were transferred to Womack Army Medical Facility for study, as distinguishing real from fake is now essential.

That half the world's leaders may be clones is a huge wake-up call. These soulless bio-robots without spirituality or compassion represent new tyranny. Ideas that Barack Obama and others are clones show the dark forces' desperate grip on power.

Clones lack spirituality, show disturbed libido and homicidal intent, posing an existential threat to humanity.

Revelations from the U.S. Military and President Trump reveal fragments of a larger ominous puzzle. Patriots stand at history's crossroads and must ask who they truly follow and trust. The answer could decide the fate of civilization and our God-given freedom.

R. Mon. 20 April 2026 EXPOSED: YOUR BIRTH CERTIFICATE IS A FINANCIAL BOND AND YOU ARE THE COLLATERAL! ...Nesara Gesara Trump

From the moment you were born, a system of control was placed over you. Your birth certificate is not just a document. It is presented as a financial instrument, a bond worth billions, traded as collateral to fuel a corrupt financial system. You were never truly free. You were turned into a commodity, a human asset leveraged to sustain national debt. This is described as one of the greatest deceptions ever carried out, and something they never wanted you to discover.

Ever wonder why every government requires a birth certificate? It is not just about identity. It is framed as ownership. Just like a ship arriving at port requires a manifest for its cargo, your birth certificate is said to serve as proof that you were entered into an economic system as property. Your name written in all capital letters is often claimed to represent a corporate entity, your so-called legal fiction. The red serial number is described as a tracking number used within financial systems. According to these claims, individuals are treated as financial instruments while remaining unaware.

In 1933, the United States declared bankruptcy and major changes to the financial system followed. Gold ownership was restricted, and a debt-based monetary system expanded. Within this narrative, people claim that citizens were effectively tied to national debt systems. Birth certificates are said to be converted into financial instruments and linked to global markets. The system calculates value, trades it, and generates profit without individuals directly seeing any benefit.

This interpretation extends further. A stock certificate represents shares in a company. A land certificate represents ownership of property. A birth certificate, according to this belief, represents ownership over the individual. Under this perspective, people are viewed not as free individuals but as economic units that are taxed, tracked, and managed to sustain the system.

The core message behind this idea is that the system depends on lack of awareness. It suggests that individuals are treated as financial instruments and kept unaware of their role within the structure. But once someone becomes aware, they are faced with a choice. Continue living within the system as it is, or begin questioning it and seeking greater control over their own path.

S. Tues. 21 April 2026: TOP SECRET - CLASSIFIED - FAKE ALIEN INVASION EXPOSED ...New World Order on Telegram

The government was at least 300 yrs ahead of society with technology, they have Artificial intelligence humanoid robots, nanotechnology/particles, laser weapons like (starwars), they also have access to star gates known as portals.

Most ancient technology was better than what we see today. That technology and more has been suppressed and hidden from society.

We have been talking about a Fake alien invasion set up by the government for a while now. They have a holographic technology called project blue beam 7D where they can make holograms literally come to life.

They have had this technology for decades and now it has been improved in many ways.

T. Tues. 21 April 2026: Trump Interior Sec. Doug Burgum just revealed he found NGOs where up to 100% PERCENT of their revenue was the federal government... Charlie Ward on Telegram

Their CEO would make \$650K a YEAR, and pay lobbyists \$400K.

He exposes it: "We found organizations that were receiving grants from Interior, where 80 to 100 percent of the revenue of that NGO was a grant from the federal government. And yet those organizations, we were the sole source of their revenue, but they would have a CEO making \$650,000 and four \$400,000 lobbyists!"

Dems are FURIOUS the Trump admin is cracking down on this!

Tues. 10 March 2026 BOMBSHELL ANNOUNCEMENT: President Trump Declares Restoration of the American Republic — "US INC." DISSOLVED, COMMON LAW SOVEREIGNTY RETURNS. ...Mr. Pool on Telegram

Patriots, the storm has hit and it's magnificent! President Donald J. Trump has invoked Article II to declare the United States fully sovereign under Common Law once more. The fake foreign-controlled "US INC." is finished — dissolved, dead, gone forever. No more Admiralty Law oppression, no more globalist chains dragging us into debt and war. The Deep State grip is broken; the true Constitutional Republic rises triumphant!

This is no mere rhetoric — it's a binding Declaration of Authority and Summons from Trump as Commander-in-Chief. He's seizing full control, sidelining the corrupt swamp and directing the military via the Uniform Code of Military Justice. Every flag officer is oath-bound to obey lawful orders from the legitimate President. No more excuses, no divided allegiances. The military now serves We the People through Trump, not the treasonous corporate facade!

Under Common Law sovereignty — grounded in God-given rights and original founding truths — Trump exercises his prerogative to summon leaders, affirm real authority, and rebuild national defense. This resets America to the Founders' vision: no commercial enslavement, no hidden British shadows, just pure liberty!

All flag officers are ordered to convene in Virginia — the Republic's sacred cradle — for immediate realignment. This is full military mobilization to restore loyalty and eliminate globalist remnants. The timeline is set, orders issued, clock running. Unity under true command is happening NOW!

Foreign-tied overseas bases and Commonwealth-linked ops? They're being shut down or reclaimed for America. No more secret outposts serving alien masters, no covert pacts bleeding us dry. Trump is smashing the centuries-old Crown chokehold on trade and power — and the military reset locks it down!

This fulfills Trump's sacred oath to defend the Constitution, protect the people, and preserve the Republic. Every officer and servant must choose: stand with the restored Republic or stand exposed as oath-breakers. The line is drawn — no more shadows, no two Americas. One Republic. One Commander-in-Chief. One Law — Common Law!

QAnons, white hats, digital warriors — this is OUR victory moment! The debt-based, deception-driven US INC. fraud is overthrown. Military mobilizes under Trump's unbreakable command. Deep State cabal legally crushed, illusions collapsing. Freedom surges back — the Republic is BACK, sovereign, unbreakable!

We witness history: true American Republic restored. Patriots win. God bless President Trump, our military, and the sovereign United States of America!

Za. Tim Ballard: A hero rescuing children from Child Trafficking Rings

Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Hi Judy, A massive thank you for your help sharing our evidence for the safe return of my daughter The Stolen Girl: Alana-Linda Martin. We are still fighting this on-going battle to save my daughter. Court hearings were about the criminal kidnappers, who were looking for the higher courts to cover them with an order of "anonymity" to stop us from exposing their names or their crimes. For the last 5 months of her now 9 month captivity, the kidnappers are only concerned in covering their own criminality, as there has been no mention about her care or a final hearing throughout this torture and terrorism. All factual knowledge of our case is being ignored/ covered up by public servants & Judges involved which have all gone Ultra-Vires. In further attempts to stop our quest and our calling our names and mission was sabotaged including our State Child Trafficking Task&Force116/ Council of 13, they have bankrupt my bank accounts, book sales, PayPal accounts, our social media sites, and now they are trying to threaten our home with eviction. Speaking of Telegram, there appears to be a huge scam going on Telegram where under the name of some notable Q Movement person they promise to set you up on a QFS Wallet if you send them around \$2,000 or more. This appears to be a scam as setting up your QFS Wallet is supposed to be free to the best of my knowledge.

Watch out for: Anyone advertising they will reimburse you for the TRB Trump Products, or set you up on a Quantum Account asking for money to do it. (They use fake accounts and AI to make you think you are dealing with Trump, Tucker Carlson, etc.)

Also watch out for the HSBC Quantum Token/Bitcoin Scam, the TRB Trump Products Scam, the Dave XRPLion Impersonator Scam, the Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and any other website that asks that you give them your personal identification to register for a QFS Account and/or receive a pay out on TRB products.

DO NOT exchange currency or Zim Bonds anywhere but at a licensed Redemption Center where you will get the highest rates possible.

The HSBC Quantum Scam: They claim they've successfully applied "quantum technology" to buy and sell tokenized physical gold. The trick is when you buy the tokens or Bitcoin they keep the gold and have complete control over your bank account.
