## **Judy Note: Emergency Broadcast System and Martial Law**

**President Donald J. Trump has said**, “We will soon be liberated in this land of the free, from the evil tyrants that wish to do us harm and destroy the last remaining refuge of shining light.

“**Confirmation (to the public) of what is occurring** will then be revealed and will not be openly accepted. Public riots are being organized in serious numbers in an effort to prevent the arrest and capture of more senior public officials.

“**On POTUS' order**, a state of temporary military control will be actioned, and special ops carried out.

“**False leaks have been made** to retain several within the confines of the United States to prevent extradition and ensure special operator necessity. Rest assured, the safety and well-being of every man, woman, and child of this country is being exhausted fully.

“**However, the atmosphere within the country** will unfortunately be divided, as so many have fallen for the corrupt and evil narrative that has long been broadcast.

“**We will be initiating the Emergency Broadcast System (EBS)** during this time in an effort to provide a direct message (avoiding the fake news) to all citizens.

“**Organizations and/or people that wish to do us harm** during this time will be met with swift fury - certain laws have been pre-written to provide our great military the necessary authority to handle and conduct these operations (at home and abroad).

**Trust The Plan: US Taxpayers owed how much in National Debt? To whom? Why?**  
An expected NESARA/GESARA announcement on **Mon. 27 April, 2026**, would make the National Debt officially null and void – the end of a 160 year successful plan to take The People's tax money away from the Deep State Cabal and give it back to The People.

**Those following the Jewish faith were organized into a political group of Israeli Zionists** at the same time as the CIA was formed (which after World War II brought the tortuous Nazi mind control of children into the US, Canada and Australia). Both the CIA and Zionists

were organized by the same pretend-to-be-Jewish Khazarian Mafia Bankers (who pretended to practice the Jewish faith but really honored Satan through Child torture and sacrifice). The Khazarian Bankers' purpose in their Zionist movement was to eliminate the Palestinian people, while keeping the World in constant wars – which they made mega bucks off, being funded on both sides through US Taxpayer monies.

**B. Wed. 22 April 2026 BLACK SWAN IGNITION: Protocol 19 Activates NESARA/ GESARA – Trump Phase Two Begins, Seizing Control of the New Global Economy**  
...Tier4b ISO 20022 on Telegram

**PROTOCOL 19 IS LIVE. THE BLACK SWAN IGNITION HAS BEGUN.** There’s no more waiting. NESARA and GESARA are not theories. They’re not distant dreams. They’ve moved into reality. Trump holds full control. And this is the Black Swan event that flips the entire board. Phase Two is operational.

**Black Swan events don’t announce themselves.** They strike like lightning, shattering what you thought was stable. Rare. Devastating. Unstoppable. History bends at their arrival — and this one rewrites everything.

**CHAPTER 1: THE SYSTEM FLIPS** Protocol 19 triggers the shift. ISO monetary networks realign. The world transitions from SWIFT to the Quantum Financial System — where speed, security, and transparency reign. No loopholes. No backdoors. The shadows can no longer hide.

**Bitcoin dominance wanes.** Asset-backed digital currencies rise, stabilized by metals, audited, transparent. The dollar and euro? Their time fades. Gold returns as the backbone, the unshakable standard.

**Media? It fractures.** MSM collapses as Starlink and Odin Project spread decentralized truth, beyond borders, beyond censors.

**CHAPTER 2: NESARA ACTIVATED** Debts vanish. Mortgages, credit cards, illegal financial burdens — dissolved.

**The IRS? Dismantled. Income tax? Abolished.** A single 14% sales tax on luxury goods replaces the chains of old taxation.

**Seniors rise with restored benefits.** Constitutional law returns. Justice is reborn, uncorrupted.

**CHAPTER 3: GESARA UNVEILED** This isn't just national. It's global. GESARA strips power from foreign-backed traitors. Citizenship revoked. Exiled for life.

**Elections reset under new oversight.** No special interests. No rigged results.

**The Rainbow Currency emerges** — backed by gold, silver, and platinum. The fiat illusion collapses. Real value rises.

**CHAPTER 4: THE TRUTH BLEEDS OUT** Birth certificates, once sold as bonds, return to their rightful place. The Federal Reserve fades into extinction. Constitutional banking takes its place — transparent, lawful, sovereign.

**Over 6,000 suppressed patents** — free energy, antigravity, healing tech — begin to surface. The curtain lifts. Humanity steps into a new era.

**CHAPTER 5: THE FUTURE IS NOW** Financial privacy restored. Global peace initiatives initiated. Military conflicts dissolve. Humanitarian funds — massive, unrestricted — unlock. You're not witnessing a policy change. You're witnessing the collapse of the old world. This is not chaos. This is the reset going kinetic. Because ready or not... it has already begun.

#### **E. EBS, Blackout, Martial Law, Lockdowns**

**The Star Link Satellite Emergency Broadcast System (EBS)** presently overrides all cell phones, TV, Radio and Internet broadcasts worldwide. The old SWIFT financial system has been shut down, while the new gold/asset-backed Quantum Financial System functioned worldwide over Star Link and had complete control over our new Quantum Financial System.

**Sometime in this next week Trumpets will sound over all cell phones worldwide**, to announce that in the next five hours, everyone would need to be in a place of their choice for a Worldwide Blackout that would last ten to twelve days.

**The lockdown meant that all communication systems worldwide would be down** – Internet, TV and Radio, with phones only working for 911 calls. (You could obtain a special app from the Military that hooked your phone to the new Star Link Satellite System).

**Banks would be closed** and credit/debit cards and ATMs would not work. Planes, trains would be shut down. The power grid would shut off for a short period of time while the World switched over to Tesla Free Energy.

**It would be wise to prepare for these ten days of events by having food, cash and necessities on hand**, although if needed, food and necessities would be given out by the Military – as would an app that would make your cell phone active since only 911 calls could be made on your regular cell phone.

**In Seven EBS messages the Global Military Alliance** under President Trump would announce Nesara/Gesara debt relief for all peoples of the Earth

**There would be Three Days of Darkness** where planned cyber attacks would take down Satanic sites across the Globe, followed by Ten to Twelve Days of Disclosure where information would come from a single Star Link Website channel that would broadcast the Truth.

**Everyone will be asked to stay home during a five hour window.** Comprehensive documentaries will air across all stations in eight hour segments in a 24/7 loop three times a day.

**Military Law would be in effect** to protect the population while the Global Military Alliance finished their arrests of thousands of Satan worshipping, corrupt and treasonous politicians and Global Elites.

**With the large amount of politicians arrested, governments would be shut down.** The World would continue to function under Martial Law until fair and transparent Elections could be held in each country.

**During this time** people holding foreign currencies and Zim bonds would be called in to exchange. The White Hat Military was in control of the foreign currency exchange/ bond redemption process and has already released funds for a Global Currency Reset across the World.

**Those GCR funds come directly** from the US Treasury Department of Defense operations and go out to treasury departments in other countries. All Banks have signed non disclosure agreements.

**Upon conclusion of the lockdown period,** an 800 number will be provided for the General Public to schedule appointments to set up their Quantum accounts on the new Star Link System, ensuring everyone globally received a sum of money already deposited into their accounts.

## **F. Global Currency Reset:**

**The White Hat Military** is in control of the foreign currency exchange/ bond redemption process and has already released funds for a Global Currency Reset across the World. Those GCR funds come directly from the US Treasury Department of Defense operations and go out to treasury departments in other countries. All Banks have signed non disclosure agreements. There will be an Internet Blackout.

We should receive our Tariff Dividends (around \$2,000) over the **next three days – Wed, Thurs. or Friday 22-23-24 April** by direct deposit to our bank accounts. It appears 800 numbers to make Tier4b (Us, the Internet Group) appointments will be received between **now and Sat. 25 April**. NESARA initiates in the US in **April**. GESARA initiates for the World in **May**.

**Judy Note: We have been told that Wells Fargo**, which is controlled by the Chinese Elders – (the ones who own the gold behind the Global Currency Reset) – will send out emails to currency and bond holders worldwide telling them how to set redemption & exchange appointments. It is advised to exchange/redeem your foreign currency at an official Redemption Center (RC) rather than a bank. You can only redeem Zim at a RC, the Dinar Contract Rate can only be given at a RC and banks will offer you lower exchange rates than what you can obtain at a RC. You can only set up your new wallet (bank account) at a RC. It was my understanding that most banks were under control of the Cabal and would soon play a different roll in the Global Financial System.

**World War III has broken out in the Middle East.** Hezbollah Rockets are attacking Israel. Houthis was expected to target NATO Warships in the Red Sea & the Gulf of Aqaba. IDF would soon invade Lebanon and Iran was expected to attack Israel, while Syria, Turkey, Egypt & China entered the fray. ...but was it all a False Flag to cover the Global Currency Reset?

**A Black Swan Worldwide Stock Market Crash was imminent**, while all Intel was saying that by next week a Global Currency Reset of 209 nations to gold/asset-backed sovereign currencies would happen to save the World economy.

**“The Timing is up to God.** Leave it to Him. Sit back and enjoy the show” said Head of the Redemption Committee Dr. Charlie Ward on Mon. 20 Apr. 2026.

**In 2016 it took 650 airplane flights** for Dr. Ward’s team to remove America’s gold from underground tunnels beneath the Vatican bank and take it back to it’s real owners at the new US Treasury located on an Indian Reservation near Reno Nevada. They were completing a 160 year plan to take The People’s tax money away from the Deep State Cabal and give it back to The People.

**Now it’s time to implement The Plan.** With the NESARA/GESARA announcement on Mon. 27 Apr. 2026 the National Debt would be null and void by the end of the month.

**H. Wed. 22 April 2026 THE DOLLAR BILL HAS A NEW WATERMARK. YOU WEREN'T SUPPOSED TO NOTICE.** ...Emergency Broadcast System on Telegram

**Three days ago, a bank teller in Houston posted a 9-second video** on a platform that got deleted within 40 minutes. In those 9 seconds, she held a \$100 bill under UV light. There was a second watermark. One that doesn't appear in any Treasury Department specification. One that has never been documented in the history of American currency.

**A QR code.** Embedded in the paper. Invisible to the naked eye. Scannable only under 365-nanometer ultraviolet light.

**The video got 2.3 million views in 40 minutes** before it was scrubbed from every platform simultaneously. The teller's account was permanently banned. Her bank placed her on "administrative leave" within the hour. For showing you your own money.

**The QR code doesn't link to a website.** It links to a blockchain address. A quantum-encrypted wallet on the QFS ledger. Every bill is being tagged. Every single piece of paper currency in circulation is being digitally mapped to the new system. Not replaced. Not recalled. Mapped.

**When the switch happens,** every dollar in your wallet won't become worthless. It will become traceable. Every bill will have a quantum identity. Every transaction will be recorded. Every dollar that was printed illegally, laundered through shell companies, or moved through black budgets will light up like a flare on the new ledger.

**The clean money transitions.** The dirty money dies. That's why they deleted the video in 40 minutes. Not because it was false. Because it was true. And the public wasn't supposed to find out until after the switch.

**Now do the math.** The Federal Reserve has printed \$8.3 trillion in currency since 2020. But the QFS ledger only recognizes \$4.1 trillion as legitimate — backed by verified assets, gold reserves, and sovereign guarantees.

**The other \$4.2 trillion?** Phantom money. Printed without backing. Distributed without authorization. Used to fund operations that no Congress ever voted for.

**When the QFS goes fully live,** that \$4.2 trillion doesn't just lose value. It gets flagged. Every person holding it. Every account storing it. Every institution that distributed it.

**The watermark isn't a feature.** It's a filter. Separating real wealth from counterfeit control.

**The bills are already in your wallet.** Check them tonight. 365-nanometer UV light. Look at the bottom left corner.

**The future is already in your hands.** You just couldn't see it until now.

**CODE:** UV-WATERMARK / QFS-TAG / 4.2T-PHANTOM / DOLLAR-MAPPED

**The money in your pocket just became a receipt for the new world.** They killed the video. They can't kill 12,000 people sharing this post.

**J. Wed. 22 April 2026: Putin Rescues hundreds of severely abused Children out of Ukraine Underground Tunnels** ...Mr. Pool on Telegram

**Russian soldiers are describing finding children** with fragile, emaciated bodies hooked up to intravenous drips while their bodies were expertly drained of blood and adrenal fluid for the global adrenochrome trade.

**The Adrenochrome industry in Ukraine** is larger than previously expected and Putin is determined to use the leads generated to destroy the global adrenochrome supply chain and punish those committing crimes against children – including the politicians and celebrities who are hooked on the drug he calls “the devil’s work.”

**According to a member of the Adrenochrome Task Force,** these factory farms are the sites of ritual sexual abuse, physical degradation and psychological torture.

**“You know, I thought I’d seen it all.** I’ve been in combat for years, seen comrades fall, dealt with the worst humanity has to offer. But nothing, nothing, could prepare me for what we found in Donetsk.

**“We were told we’d be liberating children...** I didn’t understand the scale of what that meant until we got there. We were clearing out this complex, a grim place... like a gulag or a Nazi death camp, but worse. Much worse. The walls were gray, cold, and damp. The air... it stank of decay and something nauseating... something I can’t describe. And then we found them. The children.

**“They were... like ghosts.** Skin and bones. Their bodies, they looked so fragile, almost transparent. I could see the outlines of their ribs, every bone in their tiny hands. They had tubes coming out of them, tubes that drained their blood, their adrenal fluids... for what? For some sick trade, some twisted demand from the West.

**“There were hundreds of them,** just lying there in these rows of metal cots. No blankets, no warmth. They didn’t even flinch when we burst in, no fear, no hope... Just emptiness in their eyes. Some were too weak to even look at us. They were so used to the pain, the torment, they didn’t even react.

**“And the worst part?** The youngest... some of them couldn’t have been more than 2 years old. Babies, really. We found out later that they were bred for this... Raised in captivity, like livestock, just to be drained of everything that made them human.

**“The ones they couldn’t sell,** the ones who weren’t ‘pretty’ enough or ‘obedient’ enough, were sent to these farms. Farms... as if that’s what you could call those hellholes.”

more than lifelong health, you get exactly what we have today—a population sicker than ever... trained to outsource its health to a pill bottle. Real health does not come from a hospital stay. It comes from... taking radical responsibility for your own body. It starts in your kitchen, your habits, your choices... ## **Med Beds:**

**N. Wed. 22 April 2026: NESARA GESARA and Med Beds: Behind The Scenes ...Ezra Cohen on Telegram**

**The connection between NESARA GESARA and Med Beds** is shrouded in mystery and intrigue. NESARA GESARA, a set of proposed economic reforms, is said to be closely linked with the release of Med Bed technology. Proponents urge the public to “trust the plan,” suggesting that a grand unveiling is imminent. The behind-the-scenes activities involve a complex interplay of political maneuvering, technological advancements, and strategic timing.

**What to Expect. The release of Med Beds** is expected to be nothing short of dramatic. As the world watches with bated breath, the unveiling promises to be a game-changer. Imagine hospitals equipped with these advanced devices, curing diseases that were once thought incurable. The potential for societal transformation is immense, with far-reaching implications for healthcare, longevity, and quality of life.

**Unpacking the Potential of Med Beds.** Let’s delve deeper into what makes Med Beds so revolutionary. At their core, these devices utilize advanced technology to scan and diagnose the human body with unprecedented precision. Once a diagnosis is made, the bed can initiate a healing process that regenerates damaged tissues, restores organ function, and even reverse aging.

**Healing Chronic Illnesses.** Chronic illnesses such as diabetes, heart disease, and autoimmune disorders could become a thing of the past. Med Beds' ability to repair and regenerate tissues means that these conditions, which currently require lifelong management, could be cured entirely. Patients who have spent years suffering and managing symptoms could find themselves living healthy, pain-free lives.

**Reversing Aging. The anti-aging potential of Med Beds** is perhaps the most exciting aspect for many. By activating and repairing DNA at a cellular level, these devices could theoretically reverse the aging process. This means not just a longer life, but a healthier, more vibrant one. Imagine an 80-year-old with the physical health of a 30-year-old—this could be the reality Med Beds offer.

**Enhancing Human Capabilities.** Beyond healing and regeneration, Med Beds could also enhance human capabilities. By optimizing genetic potential, these devices could lead to improved physical and mental performance. This could usher in a new era of human evolution, where individuals are healthier, stronger, and more capable than ever before.

**The Ethical Dilemmas.** While the benefits of Med Beds are immense, they also raise significant ethical questions. The idea of human cloning, for instance, is fraught with moral and philosophical dilemmas. What are the implications of creating clones? How do we ensure the rights and dignity of cloned individuals? These are questions that society will need to grapple with as this technology becomes more widely available.

**Tues. 10 March 2026 BOMBSHELL ANNOUNCEMENT: President Trump Declares Restoration of the American Republic — “US INC.” DISSOLVED, COMMON LAW SOVEREIGNTY RETURNS.** ...Mr. Pool on Telegram

**Patriots, the storm has hit and it's magnificent!** President Donald J. Trump has invoked Article II to declare the United States fully sovereign under Common Law once more. The fake foreign-controlled “US INC.” is finished — dissolved, dead, gone forever. No more Admiralty Law oppression, no more globalist chains dragging us into debt and war. The Deep State grip is broken; the true Constitutional Republic rises triumphant!

**This is no mere rhetoric — it's a binding Declaration of Authority** and Summons from Trump as Commander-in-Chief. He's seizing full control, sidelining the corrupt swamp and directing the military via the Uniform Code of Military Justice. Every flag officer is oath-bound to obey lawful orders from the legitimate President. No more excuses, no divided allegiances. The military now serves We the People through Trump, not the treasonous corporate facade!

**Under Common Law sovereignty** — grounded in God-given rights and original founding truths — Trump exercises his prerogative to summon leaders, affirm real authority, and rebuild national defense. This resets America to the Founders' vision: no commercial enslavement, no hidden British shadows, just pure liberty!

**All flag officers are ordered to convene in Virginia** — the Republic's sacred cradle — for immediate realignment. This is full military mobilization to restore loyalty and eliminate globalist remnants. The timeline is set, orders issued, clock running. Unity under true command is happening NOW!

**Foreign-tied overseas bases and Commonwealth-linked ops?** They're being shut down or reclaimed for America. No more secret outposts serving alien masters, no covert pacts bleeding us dry. Trump is smashing the centuries-old Crown chokehold on trade and power — and the military reset locks it down!

**This fulfills Trump's sacred oath to defend the Constitution,** protect the people, and preserve the Republic.
