“I’ve talked to young girls as young as nine years old who were raped multiple times by members of the Cartel to pay for passage to come into the United States. When you get on your knees and you talk to a nine-year-old little girl, and you look in her eyes and see that everything in her is dead as she feels her life is ruined forever, your heart breaks.”

Judy Note: The war in Iran was not between two countries – it was not between the United States and Iran. It was a war between Good and Evil: President Trump against the entire Satan Worshipping, Child Sacrificing, Pedophile Deep State Illuminati Masonic Cabal.

President Trump’s Global Military Alliance was in the process of arresting thousands of Deep State Cabal Global Elites and charging them with serious offenses such as Treason, Child Sex Trafficking and Pedophilia.

Which meant that all of Congress would be taken down, US Government closed – as would other nation’s governments.

Which meant Trump was activating Martial Law Worldwide.

Which meant Trump was forming a Restored Republic that would abide by concepts of the original Constitution and encouraging other nations to do the same.

Which meant having free and fair elections – that in the US were expected by **July 4 2026**.

Which meant forming a Global gold/asset-backed economy. So on Sat. 2 May 2026 all Banks Worldwide were scheduled to switch from the Deep State Cabal’s fiat currency SWIFT System to the gold/asset-backed Quantum Financial System.

Which would take away the Cabal’s stolen money supply.

Which would take down the Deep State Cabal.

Which meant Trump could and would give The People’s monies back to The People. We would be free from debt.

Which meant that by July 1 2026 all 6,129 Hospitals in the nation and those across the World, would be performing free Med Bed Treatments.

Which meant that the People of the World would be healthy and free from the Deep State Cabal’s drugs, debt and control.

To accomplish all that, right before the 2020 Election, President Trump secretly signed an Executive Order declaring the nation to be under Martial Law. The purpose was to create a fake Biden Presidency to expose Globalist crime and corruption on a massive scale.

Trump actually won the 2020 Election by an over 80% margin according to a Military count of official watermarked ballots that traced which votes were valid, or not.

Before Trump left office in 2021 he not only had extensive proof of 2020 Election Fraud, but as Commander in Chief of the US Military and Global Military Alliance, he had gathered thousands of indictments ruled upon by Grand Juries in various states, against Global and political elites mainly charged with Treason, Pedophilia and Human Trafficking.

Trump has begun making mass arrests of those elites including 80% of Congress.

In Dec. 2020 with the nation under Martial Law, Biden was arrested, charged, convicted in a Military Tribunal and executed for Sedition and Treason. Biden's so-called presidential inauguration was actually his funeral that was partially filmed on a Hollywood Movie set and in a fake White House built for the purpose.

Now with most of Congress already arrested and facing tribunals, that movie played by actors and clones for six years since 2020, was coming to an end.

Soon an Emergency Broadcast System will introduce all including Martial Law to the public until fair and transparent elections can be held.

The EBS will also ask the public to stay in a place of their choice for Three Days of Darkness when planned cyber attacks will decimate Satanic sites around the World.

Planes and trains will be grounded across the Globe. Communications will be cut, TV, Radio and the Internet down and cell phones only work for 911 calls, or with a special app the Military will hand out to the public.

A partial worldwide lockdown will continue for ten days, where a single website and web channel will broadcast disclosure of events eight hours a day in a loop.

In the middle of it all on Sat. 2 May 2026 the Worldwide gold/asset-backed Quantum Financial System will replace the Deep State Cabal's fiat currency SWIFT system. President Trump has arranged for citizens Worldwide to be reimbursed monies taken by the Cabal.

Be prepared for a Worldwide Lockdown with food, essentials and cash for ten to twelve days as banks will be closed, plus credit/debit cards and ATMs won't work.

Judy Note: Speaking of food, the large international franchise of McDonald's Hamburgers was recently found to have a variety of different DNA in their meat. The meat, known as "pink sludge" was shipped across the World from a central location in the US.

Way back eleven years ago in 2015, children's teeth were found in McDonald's sausages, potatoes and hamburgers in three different Japanese cities. Children's teeth were found in McDonald's hamburgers in Kushiro Hokkaido, in McDonald's hash potatoes in Kawachi Nagano Osaka and in **2018** children's teeth were found in McDonald's sausage muffins in Kanazawa Ishikawa.

At the time McDonald's Japan held press conferences, saying the meat came from their headquarters in the US and even tried to shift responsibility onto their customers.

By 2020 a Rabbi was claiming that human/child meat was sold to fast food outlets and McDonalds was the number one buyer. This has been verified by Satanic Ritual Abuse (SRA) Survivors to whom I have personally spoken. [Antisemitic Video of "Rabbi" Speaking About Putting Human Parts into McDonalds Beef is Fake - Radical Truth Telling Aug. 26 2021](#)
[McDonalds Chain Closing Globally: Human Meat, Body Parts Found in Food?](#)

The McDonald's Founder Raymond Albert Kroc was a 33° Freemason. That's how he obtained the money to start his business. A prominent Literary Agent once told me that he himself went through the Royal Arch to become a 33rd Degree Mason. It involved killing a child in a Satanic rite. He resigned from the Masons after that – and mysteriously died within months after discussing the vile practice with me.

McDonalds was known to be owned and run by members of the Satan Worshipping Khazarian Mafia, which SRA Survivors claimed to be high rollers in the Illuminati – members of whom have been reported to practice Human Sacrifice to their God Satan, mainly of innocent children.

They say the McDonald's Clown was a symbol of the Red Shoe Club – a Global Elite Satanic organization whose members proudly wore red shoes made out of the blood-dyed skin of children they have sacrificed in Satanic rites to honor Satan.

The McDonald's M Logo was from the book of Black Magic and the letter 'M' in the Logo was a 'Sigil.'

Way back in the 1970s SRA Survivor Linda McDonald of the multigenerational Satanic McDonald's Clan, won a lawsuit against the American Psychiatric Association (believed organized and run by Satan worshippers to control mind controlled victims).

Findings of the court from the McDonald Lawsuit gave cause for two Congressional Hearings on the CIA MKUltra Program. MKUltra was a CIA Mind Control program involving the ritual abuse of children through rape, torture and murder – results of which were never

released to the public, evidence destroyed, witnesses died of mysterious causes, though caused the CIA MKUltra program to be supposedly shut down – which SRA Survivors of MKUltra claimed never was and still going on today.

...As was McDonalds.

A. What we thought we knew, but didn't really know and now am supposed to know but don't have a clue. With clones, doubles, made up movies Hollywood style and Trump's Military Alliance throwing more popcorn at us, it gets sooo confusing:

The White House next step was MARS (Military Auxiliary Radio System).

Starlink will have total dominance – Cabal back doors eliminated. All screens, all channels around the World will carry one broadcast in all major languages.

The EBS will give out 7 messages from President Trump and urge us to tune into our TVs, Radio and Internet, where full disclosure will be shown in sequenced 8 hour documentaries, three times a day for ten days, to awaken the masses.

A temporary Global Lockdown Window was being prepared to secure the broadcast phase. A 10 Days of Darkness window will open with the Communications Blackout to install secure systems.

During that ten days the Internet and ATMs will not work. Banks will be closed. All TV and Radio programming will be taken over worldwide by Global Military Alliance broadcasts. Phones will only work for 911 calls worldwide, but we can obtain a signal app from the Military which will secure the phones for regular use through the new Star Link Satellite System and Quantum computer.

During this period, the truth will be delivered without interruption: Election Fraud proof, Child Trafficking exposures, bio-weapon crimes, Fort Knox Audit bombshells.

E. Sat. 25 April 2026 BREAKING NOW! US MILITARY UNITS IN HIGH GEAR ON EBS TRAINING: FULL CONTROL OF TV, PHONES, AND INTERNET BEING PREPARED NOW! ...Nesara Gesara on Telegram

Military units at key installations have pushed Emergency Broadcasting System drills into high gear right now in April 2026. Loyal Pentagon commanders coordinate with

Northern Command, Space Force, and National Guard to prepare the override for military control of all phones, TVs, radios, and internet in America.

President Trump is central to this effort. Since his January 2025 inauguration, executive orders have reformed communications, secured Starlink, and eliminated propaganda funding. He signed the readiness directive in early 2026. Training now finalizes protocols for perfect activation.

Long ago Global Elites created a shadow power structure using banks, organizations, and captured agencies to funnel tax dollars into black budgets for bioweapons, election interference, and anti-patriot surveillance. The 2020 steal tied directly to these networks behind open borders and mandates.

After Trump's 2024 landslide, deep state sabotage failed against military placements in key nodes and Space Force satellite oversight exposing the full fraud.

Financial schemes, wars, debt, border crises with fentanyl, health lab funding, treatment suppression, injection pushes, and energy sabotage all connect to the same elite rackets and political payoffs.

Ten days of control are ready. Networks go dark for military broadcasts and text alerts revealing Russia collusion, lawfare on supporters, and child exploitation protections.

Starlink hardened signals prevent sabotage as the EBS severs the control grid threatened by Trump. Citizens will see the truth about debt slavery, divisions, and replacement agendas.

Trump directs from the White House focusing on sovereignty in April 2026 as drills complete. This arms patriots to defund agencies and rebuild America. April 2026 training is the final step before truths flood the nation unfiltered. The Republic reclaims its soul. Sovereignty returns. Control ends.

Before the 250th Anniversary on July 4, 2026 and economic reset, secure the official Trump 250th Anniversary Badge now. Marked "In God We Trust" and "250th Anniversary," it grants access to NESARA and QFS payouts. More badges secure higher tiers, larger transfers, and priority. Holders connect via Redemption Centers. Without one, patriots may miss distributions.

F. Sat. 25 April 2026 EBS ACTIVATED - NATIONWIDE BLACKOUT IN PROGRESS
...Tier4b Martial Law on Telegram

The storm is upon us. In a dramatic turn of events shaking the foundations of power in Washington D.C., multiple high-profile figures from what many are calling the "Deep State Cabal" are reportedly being taken into custody as part of a sweeping operation.

Sources close to the situation claim that the Emergency Broadcast System (EBS) has been activated, signaling the beginning of a nationwide event as justice is served against those allegedly involved in long-standing corruption, election interference, and other serious allegations.

LIVE ARREST SCENES: Images circulating show former President Barack Obama in handcuffs, escorted by federal tactical officers. Former Vice President Kamala Harris and former President Joe Biden are also seen being led away under heavy security in what appears to be a coordinated mass arrest operation.

Those overseeing and witnessing the historic moment: President Donald J. Trump, JD Vance, Tulsi Gabbard (or key ally figure), RFK Jr. and a high-ranking military official accompanied by law enforcement vehicles with lights flashing in the background.

The Message Echoing Across the Nation: "The Deep State Cabal is being dismantled. Justice is being served. The Great Awakening is now."

This development has sent shockwaves through social media and alternative news channels, with many users describing it as the fulfillment of years of predictions about accountability at the highest levels of government.

What we know so far: Mass arrests of alleged Deep State Cabal members are underway. Dramatic scenes of high-profile individuals in custody. Claims of a nationwide blackout or major communication event tied to the EBS activation

Public reactions range from celebration to skepticism, with calls for transparency and due process. Stay tuned to this developing story. As more information emerges from official channels and eyewitness accounts, we will continue to provide updates. This is being hailed by some as the dawn of a new era in American politics — one where accountability replaces impunity, and "We the People" reclaim control from entrenched interests.

K. Fri. 24 April 2026 ATTENTION: CRUCIAL ANNOUNCEMENT ...Tier4b ISO 20022
on Telegram

The Tier 4 B Internet Group is officially active. This is the beginning of a new era! The revolutionary ideas and the concept of NESARA are taking the final form of execution and implementation. It is our great honor to announce the launch of the Tier 4 B Internet Group.

Sun. 26 Apr. 2026 QFS set to become fully operational with intense military operations against Satan Worshipping Elites.

Mon. 27 Apr. 2026 should be a go for Tier4b (Us, the Internet Group) according to a high up source.

It was rumored that the Chinese Elders, who were backing the Global Currency Reset with their gold, had bought all the Cabal's Central Banks across the World. Those banks had long been bankrupt and running on fiat monies that their leader, US Inc, printed at their convenience. Those international Banks were now merging with the QFS and taking a different role – they would no longer have access to individual bank accounts. All banks were converting to XRP Ripple digital gold/asset-backed currency.

L. Sun. 26 April 2026 CONFIRMED INTEL: The Tier 4B protocol is now in use. What was once laughed at as rumor and fantasy is now being carried out in a controlled way. Iraq, Vietnam, and Zimbabwe are quietly leading a change in the economy that is happening outside of public markets. This change is happening because of structure, security, and silence. It is no longer just a guess that the IQD, VND, and ZIM will be worth more. It is a fact of life. ...Tier4b ISO 20022 on Telegram

For years, people who owned these currencies were made fun of, but institutions quietly got ready behind closed doors. Now, what started as rumors have become real bank appointments, tiered access structures, and private exchange processes that run through U.S. banking channels. The Global Currency Reset is now in the execution phase, and Tier 4B is where the public finally comes into contact with it.

This is not a public forex event. It is a controlled, secret restructuring that follows a strict tiered framework. Tier 1 includes central banks and governments that are independent. Tier 2 includes multinational companies and top-tier financial trusts. Tier 3 includes wealthy people and businesses that have already agreed on contracts. Tier 4B is where private citizens who have legally gotten their money are turned on. This is the door for those who waited and stayed quiet, and Tier 4B is now open.

The biggest banks in the U.S. have already moved. In a quiet way. Only by appointment. Private exchange centers are up and running, using better security, identity checks, proof-of-purchase checks, NDAs, and wealth structuring after the exchange. This isn't a theory, and it's not for the public. It is controlled execution in the dark.

There is one simple rule for Tier 4B: no walk-ins, no leaks, and no show. People who want to join are checked out. There are limits on devices. There are records of consultations. You must use discretion. This is not a public rollout; it is a monitored operation meant to keep the market from being shocked and the system from being disrupted.

The exchange rates for IQD and VND are already showing up in internal banking systems at levels that the public can't see. Public forex platforms are behind because they are not on this track. Tier 4B works on its own and is already moving money.

This reset starts with Iraq. The sanctions that kept the dinar down for decades are no longer in place. Digital banking systems that follow international standards are up and running. The UN and US oversight has officially ended, giving back full sovereignty. Internal anti-corruption operations have gotten back stolen property and turned it into revaluation leverage. Iraq is no longer limited. It is turned on.

Vietnam and Zimbabwe are next, with resource-backed frameworks already in place. Gold-backed structures and project-based valuation models are coming together for a phased integration that will last until 2025 and into 2026.

The rollout is planned. The first round of internal testing is over. First, high-volume holders are given priority, then mid-tier participants, and finally, more people will be able to access the service in the coming weeks. Every step needs identification, proof, compliance with the NDA, and complete secrecy.

This isn't a lot of talk. It is the end of a long-planned restructuring of the money system. The reset didn't come with a lot of noise. It got there on time.

Tier 4B is up and running. The quietness is on purpose. The system is moving.

O. Sun. 26 April 2026: The US has been lying about it's gold for 50 years. ...Mr. Pool on Telegram

They opened the vault. For the first time since 1974 — someone walked into Fort Knox and looked. What they found will collapse the system. Only 17% of the gold meets international purity standards. The rest? Low-grade ingots. Impure bars. Metal that no central bank on Earth would accept.

They told you 4,580 metric tons sat in that vault. Worth over \$400 billion. The backbone of the dollar. It was a lie. Trump knew. Musk knew. That's why they pushed the audit. Not to "check the books." To EXPOSE THE FRAUD.

And now the dominoes are falling. Germany — withdrawing its gold from U.S. vaults. Saudi Arabia — withdrawing. France — withdrawing. They're pulling their reserves OUT of America. Because they know what the audit found. THE VAULT IS EMPTY. THE DOLLAR IS NAKED.

Now ask yourself — who built this system? 1913. Jekyll Island. Seven men. One secret meeting. They created the Federal Reserve — a PRIVATE bank that prints America's money and charges interest on every dollar. Not government-owned. Not audited. PRIVATE. For 113 years they printed. They inflated. They enslaved every American with debt designed to never be repaid. And no president dared touch them.

Kennedy tried. Executive Order 11110. He authorized the Treasury to print silver-backed currency — bypassing the Fed. 5 months later he was dead. NO PRESIDENT SIGNED A SIMILAR ORDER SINCE. Until now.

Gold just hit \$5,589 — all-time record. JP Morgan projects \$6,300 by December. The smart money isn't buying stocks. It's buying metal. They know what's coming.

BRICS just launched BRICS Pay — bypassing SWIFT entirely. Russia. China. India. Brazil. Saudi Arabia. All moving to gold-backed trade. The dollar's share of global reserves: 57%. The lowest in recorded history.

The old system is dying. And the man in the White House is letting it die. Because what replaces it changes everything. QFS. Quantum Financial System. Asset-backed. Unhackable. Traceable. No more printing. No more inflation. No more invisible debt.

They told you it was a conspiracy theory. They told you the same about the gold being gone. BOTH WERE TRUE.

The Fed is cornered. The vaults are exposed. The world is pulling its gold. A new system is being built right now — while they tell you everything is fine. IT'S NOT FINE. IT'S OVER. The 113-year reign of the Federal Reserve is ending.

And the man who ended it survived everything they threw at him.

Judy Note: We have been told that Wells Fargo, which is controlled by the Chinese Elders – (the ones who own the gold behind the Global Currency Reset) – will send out emails to currency and bond holders worldwide telling them how to set redemption & exchange appointments. It is advised to exchange/redeem your foreign currency at an official Redemption Center (RC) rather than a bank. You can only redeem Zim at a RC, the Dinar Contract Rate can only be given at a RC and banks will offer you lower exchange rates than what you can obtain at a RC. You can only set up your new wallet (bank account) at a RC. It was my understanding that most banks were under control of the Cabal and would soon play a different roll in the Global Financial System.

When you get on your knees and you talk to a nine-year-old little girl, and you look in her eyes and everything in her is dead, her life is ruined forever. Your heart breaks."

Homan began crying real tears talking about his own children. "I've stood on the back of a tractor trailer when 19 dead aliens that died baked to death, including a five-year-old little boy that baked to death and begged his father not to let him die... And when I went to that crime scene, I had a five-year-old son at the time. That little boy was wearing the same underwear my little boy had. That messed me up for a while."

This is why Tom Homan accepted the job as Border Czar. The left calls him evil — but he has a heart of gold. The reason he's so tough on border security is because he's seen firsthand the horror an open border creates — and how securing it saves thousands of innocent lives.

S. Sun. 26 April 2026 BOOM! The BIGGEST DRUG TRAFFICKERS in the World Were the Royal Family and the Vatican ...MAGA Intel Hub on Telegram

A chilling tale connects the British Royal Family, Vatican and the global drug trade. In politics nothing happens by accident. If it happens it was planned that way. A complex web links royal halls, Vatican chambers, and Asian opium dens in a conspiracy dance with shadows.

The Opium Wars were no simple economic battle but an elite strategy for control. 2025 revelations indicate the British Royals had active interest in opium as a tool to subdue nations. Royalty allegedly profited from this dark trade with shadows persisting today.

The Vatican's role shocks further. The Holy See allegedly engaged in drug trade to finance secret missions. Testimonies point to unholy interests beneath spiritual facades tied to the Golden Triangle.

Myanmar's Golden Triangle serves as an illicit trade hub. True control may lie with royal and Vatican puppeteers using secret envoys and operations.

Daring claims link the Vatican Mafia with the British Royal Family in opium and heroin networks. The CIA joins this intrigue routing drugs through the Golden Crescent and Golden Triangle. Poppy fields in Afghanistan Pakistan fuel worldwide addiction.

The Golden Triangle in Myanmar remains a center for opium and meth drawing trafficking attention. Shifts noted in 2026 suggest changes but skepticism rules as truths hide.

Prince Andrew and King Charles feature in royal intrigue at Buckingham Palace. Andrew's isolation and allegations along with Charles' enigmatic position fuel theories of deeper power plays.

These stories blend drama and secrets questioning real power holders. Discernment is vital separating fact from fiction as Trump supporters fight the deep state.

The Vatican and Royals' alleged drug trade involvement creates a narrative of alliances and control. Caution and evidence guide the quest for truth amid elite manipulation whispers. Patriots must stay vigilant against these hidden forces as the great awakening advances transparency over cabal control.

Sat. 25 April all 6,129 US hospitals are now mandated to have free Med Bed Treatments available to the general public by July 2026. Hospital contracts with Pharmaceutical drug & medical supply companies were being cancelled since there would be no need for them. All major US hospitals have been bought out by the Department of Defense and were now part of the Quantum Medical System

As of Mon. 27 April 2026 every hospital administrator in the United States — all 6,129 of them – have received instructions from the Department of Defense that:

By July 2026 Med Beds will replace health care in hospitals across the nation at no cost to the patient.

Hospitals must immediately suspend pharmaceutical company contracts for both drug and medical supplies.

A new federal medical supply chain operating under military logistics command will be supplying all hospitals with Med Beds.

Every doctor, nurse and technician must undergo mandatory 72 hour certification in what has been labeled as "Quantum Medical Systems."

Over the next 90 days all patient billing through private insurance carriers will have to be "phased to zero." No more co-pays. Hospital funding would now be through a Quantum Financial System medical allocation — a pre-funded, asset-backed account assigned to every US citizen at birth.

V. Sat. 25 April 2026 EVERY HOSPITAL IN AMERICA JUST RECEIVED A SEALED ENVELOPE FROM THE DOD. ...Paul White
<https://x.com/paulgoldeagle/status/2047979314357125179?s=48>

As of Monday morning 9:00 AM sharp every hospital administrator in the United States — all 6,129 of them — received a hand-delivered envelope marked "DEPARTMENT OF DEFENSE — MEDICAL DIRECTIVE 2026-04 — EYES ONLY." Not emailed. Not faxed. Hand-delivered by uniformed military personnel who waited in the lobby until the administrator signed for it personally.

No hospital has publicly disclosed what's inside. But four administrators broke silence on an encrypted forum within hours. Their posts were identical in tone: "Everything is about to change."

The directive is 11 pages. The first page contains a single instruction: "Effective immediately, all pharmaceutical procurement contracts with the following entities are suspended pending federal review."

The list contains 31 companies. Every major pharmaceutical manufacturer on Earth. Pfizer. Moderna. Johnson & Johnson. Merck. AstraZeneca. Novartis. Roche. All of them. Suspended. Not renegotiated. Not amended. Suspended.

Page two introduces the replacement: a new federal medical supply chain operating under military logistics command. The supplies aren't coming from pharmaceutical labs. They're coming from facilities that have been operating under DOD classification since 2021. Facilities that produce frequency-based healing devices. Bio-regenerative compounds. Cellular restoration technology. Equipment that hospital staff have never seen, never trained on, and never knew existed.

Pages three through eight are training protocols. Every doctor. Every nurse. Every technician. Mandatory 72-hour certification in what the directive calls "Quantum Medical Systems." Not optional. Not voluntary. Mandatory.

Page nine is the one that made administrators go silent. It states that all patient billing through private insurance carriers will be "phased to zero" over 90 days. No more copays. No

more deductibles. No more \$47 aspirin tablets. No more \$300,000 cancer treatments that don't cure cancer.

The funding model shifts entirely to the QFS medical allocation — a pre-funded, asset-backed account assigned to every citizen at birth. An account you were never told about. An account that has been accumulating value since the day your birth certificate was filed.

Your birth certificate wasn't just a record. It was a bond. Traded on the stock market. Valued in the millions. The profits went to the corporation that owned the system. That corporation no longer owns the system.

The 90-day countdown has begun. By July, the hospital you walk into will not look like the hospital you remember. The pills will be gone. The machines will be different. The bill will be zero.

They kept you sick because healthy people don't generate revenue. That business model just received its termination notice. Hand-delivered. CODE: DOD-MED-2026 / 6129-HOSPITALS / PHARMA-SUSPENDED / QFS-HEALTH

The sick care system is dead. The healthcare system just arrived.

W. Sat. 25 April 2026 HE WON THE NOBEL PRIZE TWICE. THEN HE SAID VITAMIN C CURES CANCER. THEY DESTROYED HIS REPUTATION OVERNIGHT. ...Med Beds Technology on Telegram

Dr. Linus Pauling is the only person in history to win two unshared Nobel Prizes. The first in Chemistry. The second the Nobel Peace Prize. He is considered one of the most brilliant scientists who ever lived. He founded molecular biology. He mapped the structure of proteins. He changed the course of modern science.

Then in 1970, he published a book claiming that high-dose vitamin C could prevent and treat cancer.

The medical establishment turned on him within weeks.

The same institutions that had celebrated him for decades called him a quack. The American Medical Association publicly ridiculed him. Journals that had published his work for 40 years refused to print his research. Funding was cut. Colleagues distanced themselves. The media ran headlines calling him senile.

He was 69 years old. He had two Nobel Prizes. And they erased him from credibility because he threatened a trillion-dollar industry with a vitamin that costs pennies.

Pauling's research showed that intravenous vitamin C in doses of 10 grams or more per day could selectively kill cancer cells while leaving healthy cells untouched. He published

clinical trials with Dr. Ewan Cameron showing that terminal cancer patients given high-dose vitamin C lived on average four times longer than those on conventional treatment.

The Mayo Clinic ran two studies claiming to "debunk" him. But they used oral vitamin C instead of intravenous. Oral doses cannot achieve the blood plasma concentrations needed to kill cancer cells. They knew this. They designed the studies to fail. Then they published the results as proof that Pauling was wrong.

In 2005, the National Institutes of Health finally confirmed what Pauling said 35 years earlier. High-dose intravenous vitamin C is selectively toxic to cancer cells. Published in the Proceedings of the National Academy of Sciences.

They proved him right. After he was dead. After they had already destroyed his name.

A two-time Nobel laureate told the world that a natural molecule could fight cancer. They buried him for it. Then they quietly confirmed his work when no one was paying attention.

The cure was never the problem. The price was.

X. Sat. 25 April 2026 BEFORE 1920, HOSPITALS LOOKED LIKE TEMPLES. THEN THEY TORE THEM DOWN. ...Mr. Pool Final Chapter on Telegram

Go look at any hospital built before 1920. They had domed ceilings, massive arched windows, marble floors, and courtyards with fountains. They looked like palaces designed to heal you just by walking inside.

Now look at any hospital built after 1960. Concrete boxes with fluorescent lights, windowless hallways, and plastic chairs. They look and feel like prisons.

You have been told this is progress. That modern hospitals are more efficient. That we traded beauty for function.

That is a lie. The old hospitals were engineered for healing. The domed ceilings created acoustic resonance chambers that promoted cellular repair. The massive windows flooded rooms with natural sunlight—the most powerful disinfectant and healing agent known to science. The marble floors grounded patients to the Earth's electromagnetic field.

Every single element was a healing technology disguised as architecture.

Then they tore them down. They replaced sunlight with flickering fluorescent tubes that cause anxiety. They replaced acoustic healing with the constant beeping of machines.

They did not upgrade healthcare. They destroyed healing architecture and replaced it with a pharmaceutical delivery system.

The building is the medicine. They knew that. And they made sure you forgot.

Y. Sun. 26 April 2026: CHOLESTEROL WAS NEVER THE ENEMY. IT WAS THE RESCUE TEAM.

For 60 years, you have been told that cholesterol clogs your arteries and causes heart attacks. You have been told to avoid eggs, butter, and red meat. You have been put on statin drugs that generate \$29 billion per year in global sales.

Every word of it was a lie built on one fraudulent study.

In 1958, a physiologist named Ancel Keys published the Seven Countries Study. He claimed to prove that dietary fat and cholesterol caused heart disease. What he did not tell you is that he had data from 22 countries. He deliberately excluded the 15 countries that contradicted his theory. The countries with the highest fat consumption and the lowest heart disease were thrown out.

He hand-picked the data to match his conclusion. And the entire Western medical system built its dietary guidelines on that fraud.

Here is what cholesterol actually does. It is the raw material your body uses to produce every steroid hormone you have — testosterone, estrogen, cortisol, vitamin D. Without cholesterol, your body cannot build cell membranes. Your brain is 25% cholesterol. Your nervous system is wrapped in it. It is not a toxin. It is the most essential building material in your biology.

When your arteries are damaged by inflammation — caused by sugar, seed oils, and stress — your liver sends cholesterol to the injury site to REPAIR the damage. Cholesterol is the bandage. Blaming cholesterol for heart disease is like blaming firefighters for the fire because they are always found at the scene.

Statin drugs lower cholesterol by blocking the enzyme your liver uses to produce it. Side effects include muscle destruction, memory loss, liver damage, increased risk of diabetes, and a documented increase in depression and suicidal thoughts. You are being given a drug that destroys your body's repair system and shuts down hormone production.

They did not lower heart disease deaths. They created a \$29 billion annual subscription to a drug that makes you weaker, slower, and sicker.

Your body makes cholesterol on purpose. It is trying to save you. Stop fighting it.

Z. Sat. 25 April 2026: APPLE'S SHOCKING PATENT EXPOSED: AIRPODS THAT CAN READ YOUR THOUGHTS AND MONITOR YOUR BRAIN IN REAL TIME!

Apple has filed patent US20230225659A1 for revolutionary ear buds loaded with hidden electrodes that slide deep into your ear canal. These devices are designed to measure electrical brain activity through EEG, along with muscle movements, eye movements, heart rate, and far more bio-signals than anyone expected.

Not bulky lab equipment on your scalp. These sensors sit quietly inside and around the outer ear for superior accuracy with almost zero visible hardware and no annoying movement. The patent openly admits this setup delivers cleaner, more reliable brainwave data than ever before.

Picture this: While you listen to music, take calls, or scroll in silence, your Air Pods are secretly mapping your brain activity. Every thought pattern, stress spike, focus level, emotional shift, and subconscious reaction could be captured and sent straight to Apple's servers.

They will market it as helpful features like seizure alerts or advanced sleep tracking. But this technology opens the door to total neuro-surveillance on a global scale. Your most private mental data harvested 24/7 under the guise of a simple pair of earbuds. Who really gets access to your brain signals? Apple? Their business partners? Governments? Or anyone willing to pay in the exploding neuro-data market? Full patent details are posted in the comments below. Read it before the narrative changes.

What are they truly building with your mind? Stay awake. Your ears may be the front line in the war for mental freedom.

A Deep State gunman breached the Washington Hilton ballroom checkpoint on April 25, 2026, and opened fire on Secret Service agents protecting President Donald Trump at the White House Correspondents' Dinner.

On Sat. evening 25 April 2026 Cole Tomas Allen, a 31-year-old teacher and video game developer from Torrance, California, walked straight up to the metal detector outside the main ballroom of DC's Hilton Hotel packed with Trump, First Lady Melania Trump, Vice President JD Vance, the full Cabinet, and every major regime media figure. He carried a shotgun, a handgun, and multiple knives.

He raised the shotgun and started blasting at point-blank range. One Secret Service agent took a direct hit to the chest, but the vest stopped the round and kept him alive. Allen kept firing until agents tackled him to the ground and cuffed him alive

Allen arrived on foot carrying a backpack. He cleared initial outer screening then hit the inner checkpoint right as Trump began remarks inside. Surveillance feeds caught him adjusting the shotgun under his jacket. No one stopped him.

Senior Department of Homeland Security (DHS) holdovers had overruled requests for full magnetometer coverage on every single entrance and limited the counter-assault footprint to avoid bad optics at a black-tie press event.

Radio traffic between local DC police and federal agents shows warnings about a suspicious male with a heavy bag that got ignored in the command post. The exact same communications blackout that happened in Butler and at the Florida golf course. This was a stand-down executed by the same bureaucracy Trump is purging right now.

Allen did not act alone. He had encrypted apps on his phone pinging overseas servers and prior travel to known deep state-adjacent activist hubs. His social media history shows nonstop hatred for Trump's mass deportation orders and tariff walls. He posted about "stopping the dictator" weeks before the dinner.

Federal agents seized everything within minutes, yet the same agencies that leak anti-Trump dirt every day suddenly claim they need months to analyze it. This is the third deep state attempt since Trump took office in January 2025. Butler in 2024, the golf course two months later, and now the Hilton. Each time the security plan came from the identical chain of command still riddled with Obama-Biden holdovers who answer to the permanent intelligence apparatus.

Zc. Sat. 25 April 2026 UPDATE! ALCATRAZ BECOMES THE NEW GITMO — MILITARY PREPARES ISLAND, PRISON PLANS REVEALED ...Project Odin, Martial Law on Telegram

Military teams are preparing to move onto Alcatraz Island in the coming weeks to transform the old prison into a high security detention center. This establishes the new Gitmo on American soil. President Trump signed the order funding the full project from construction to operation.

Cell blocks will hold up to 500 people with thick reinforced concrete, electronic locks, cameras everywhere, and biometric scanners on doors. Isolation units with separate air and sound controls target global elites who destroyed American jobs, opened borders, and pushed damaging policies on citizens.

Military tribunal rooms in the main building will host judges for treason, election interference, and economic sabotage cases. Advanced security ensures fast proceedings under Pentagon rules away from civilian courts.

The island features top security including razor wire fences with sensors, nonstop Coast Guard boat patrols, and drones monitoring miles of airspace. Only authorized military enter while the bay location prevents escapes and rescues by elite protectors.

Funding begins with 152 million dollars redirected from foreign aid and wasteful spending. This uses taxpayer dollars to lock up those responsible for higher energy bills, factory closures, and community crime.

Upcoming arrests target elites from finance, tech, and politics who backed open borders and offshored jobs. They arrive guarded at Alcatraz for asset seizure with proceeds returning to Americans, breaking deep state power.

Work starts clearing tourist buildings, fixing structures, and adding wings. Self sufficient power generators and water systems plus medical areas keep it independent. Initial cells open soon with tribunals following.

The project dismantles the two tier justice system that shielded rich globalists. Families hurt by bad policies now see accountability as border areas gain safety from the strong deterrent.

Federal authority pushes the timeline forward without delays. It integrates with America First priorities like secure borders and domestic energy. First cases are set for this summer.

Military equipment loads as teams train and funding flows steadily. The elites confront the end of impunity. Trump has delivered with Alcatraz as the new Gitmo. Those trying to break America will face justice within its walls as the republic prevails.

Zd. Sun. 26 April 2026: EVERYONE THINKS THIS WAR IS ABOUT IRAN. IT'S NOT. IT'S ABOUT PALANTIR.

Nobody is talking about the most terrifying development of this entire conflict. And it has nothing to do with missiles, bombs, or troops. The Pentagon is using Palantir's Maven AI to run the kill chain in Iran. Let me explain what that actually means.

- **An AI system** analyzes satellite imagery, intercepts, and sensor data
- **It identifies targets** — military, infrastructure, leadership
- **It builds a "kill board"** — a digital map of everything to destroy
- **Commanders look at the board.** The AI already picked the targets.
- **A human "approves."** But the AI decided.
- **Project Maven** has identified over 5,500 targets in Iran
- **What used to require 2,000** intelligence analysts now takes 20
- **The AI processes targeting** data faster than any human team in history
- **Google QUIT** the project in 2018 over ethics concerns
- **Palantir and Anthropic** happily took their place

Do you understand what just happened? This is the **FIRST** war in human history where artificial intelligence is deciding what gets bombed. Not advising. **DECIDING**. The human at the end is a rubber stamp. The AI already ran the numbers, picked the coordinates, calculated the blast radius, and estimated "acceptable" civilian casualties.

In every previous war, humans picked targets. Humans made mistakes. Humans hesitated. AI doesn't hesitate.

The media is showing you fighter jets and explosions. They're NOT showing you that a Silicon Valley algorithm is building the kill list. If this AI works in Iran — it becomes the template for EVERY future war. Every country. Every conflict. Every target selected by machine learning, not human judgment.

Tues. 10 March 2026 BOMBSHELL ANNOUNCEMENT: President Trump Declares Restoration of the American Republic — “US INC.” DISSOLVED, COMMON LAW SOVEREIGNTY RETURNS. ...Mr. Pool on Telegram

Patriots, the storm has hit and it's magnificent! President Donald J. Trump has invoked Article II to declare the United States fully sovereign under Common Law once more. The fake foreign-controlled “US INC.” is finished — dissolved, dead, gone forever. No more Admiralty Law oppression, no more globalist chains dragging us into debt and war. The Deep State grip is broken; the true Constitutional Republic rises triumphant!

This is no mere rhetoric — it’s a binding Declaration of Authority and Summons from Trump as Commander-in-Chief. He’s seizing full control, sidelining the corrupt swamp and directing the military via the Uniform Code of Military Justice. Every flag officer is oath-bound to obey lawful orders from the legitimate President. No more excuses, no divided allegiances. The military now serves We the People through Trump, not the treasonous corporate facade!

Under Common Law sovereignty — grounded in God-given rights and original founding truths — Trump exercises his prerogative to summon leaders, affirm real authority, and rebuild national defense. This resets America to the Founders' vision: no commercial enslavement, no hidden British shadows, just pure liberty!

All flag officers are ordered to convene in Virginia — the Republic's sacred cradle — for immediate realignment. This is full military mobilization to restore loyalty and eliminate globalist remnants. The timeline is set, orders issued, clock running. Unity under true command is happening NOW!

Foreign-tied overseas bases and Commonwealth-linked ops? They're being shut down or reclaimed for America. No more secret outposts serving alien masters, no covert pacts bleeding us dry. Trump is smashing the centuries-old Crown chokehold on trade and power — and the military reset locks it down!

This fulfills Trump's sacred oath to defend the Constitution, protect the people, and preserve the Republic. Every officer and servant must choose: stand with the restored Republic or stand exposed as oath-breakers. The line is drawn — no more shadows, no two Americas. One Republic. One Commander-in-Chief. One Law — Common Law!

QAnons, white hats, digital warriors — this is OUR victory moment! The debt-based, deception-driven US INC. fraud is overthrown. Military mobilizes under Trump's unbreakable command. Deep State cabal legally crushed, illusions collapsing. Freedom surges back — the Republic is BACK, sovereign, unbreakable!

We witness history: true American Republic restored. Patriots win. God bless President Trump, our military, and the sovereign United States of America!

D.L. is a homeless bedridden 48 year-old woman who desperately needs your immediate help. Her SSI income is \$600 short to cover her rent of a very small motel room in a scary part of town (that does not accommodate a wheelchair, so she has to crawl on the floor), let alone have money for food and essential expenses. She is facing living on the streets in lieu of being moved to a homeless shelter, which is not physically feasible in her health condition. The shelter would require giving up her disabled cat. “My cat Monkey is the love of my life. She lays on me 22 hours a day. I could never give her up. She’s so attached to me she cries if I’m gone from my bed for more than a few minutes.” D.L.’s long-term goal is to secure a ADA-accessible home. She is seeking leads for property, housing, or resources in Snohomish County, Washington State, especially Bothell/Canyon Park or Three Lakes, and in King County, Washington, especially Woodinville or Redmond. Zm. Tim Ballard: A hero rescuing children from Child Trafficking Rings

Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World’s Children. Just as a film about Ballard’s work, “Sound of Freedom,” was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like to support Ballard’s unjust persecution, contribute here:

April 26, 2026

Dear Patriot Friends & Family,

The most we've ever had come to an LDS/Mormon Church meeting was 18, making us the envy of the Christian group who would average around 7-10 at their meetings.

I started going to the Christian Group meetings 1 or 2 times a week to support and encourage them, despite some, including the two leaders being anti-Mormons. In time their numbers grew, and the largest number they ever had was about 20 which pretty much filled up our little multi-faith chapel.

In time I befriended many of them and on Wednesday the 23rd I was finally allowed to offer the sermon -- "Just so long as you don't use any Mormon scripture and only use the Bible, OK?" "No problem," I replied.

After 5 months of writing, rewriting, and more rewriting -- without word processing -- puzzling over various chopped up email printouts, I created it. Not easy. But when the two leaders read it -- I'm not aware of any other speaker having had their talks reviewed first -- they seemed to really like it and my night for the sermon was set.

I "cashed in every chip" with friends, Christians and non-believers alike, inviting people I felt impressed to invite to come hear me speak on Forgiveness.

When I began my sermon, "The Miracle of Christ's TOTAL FORGIVENESS", every seat was filled, and the place was beyond pack with people standing in the foyer listening -- a total of 40!

As you might imagine, the subject of "forgiveness", both the giving and receiving, takes on special meaning with a room full of prison inmates, some down for as much 12+ years. The Spirit was there and all seemed riveted to their seats, listening intently to the 45-minute sermon. All were edified. And when it was over many shook my hand, hugged me, and expressed their gratitude saying they were uplifted and that much positive thinking was provoked about a very hard subject many were struggling with. Wow, now that is a triumph!

Later I learned that at least one person was turned away and left when he couldn't get in the building, maybe more. I am so deeply grateful, humbled and thrilled to have been able to listen and act on the inspiration to give the talk -- and then see that it was so well received. A number asked if they could read the talk, too.

Speaking of which, I will be sharing the entire talk, "The Miracle of Christ's TOTAL FORGIVENESS", with you in my next update, after I can impose on my sweet daughter Maddie's kind help again, in transcribing all my tweaks. I learned soooo much doing this, and I think you will too. Be watching!!

Thankfully,

Ken Cromar

Ken is able to receive regular mail now -- envelopes. Remember that all mail is opened and read by a prison employee. Please send to: Paul Kenneth Cromar #13871081 FCI Federal Prison Camp PO Box 6000 Florence, CO 81226-6000

Zn. Judy Note HIGH ALERT: The below is a request from the mother of a child in London England who was pleading for the White Hats to rescue her daughter Alana Martin from London Foster Care and reunite her with her family.

Alana-Linda: Martin. Update Fri. 24 April 2026

Hi Judy,

This is Janine Linehan, captain of the State Trafficking Task&Force116, with a little update of my daughter the Stolen Girl: Alana-Linda: Martin.

Thank you and your viewers so much for all the coverage you have given on my daughters kidnap story, for those new to this story I have added the link below in which Judy so kindly has exposed via this video:

<https://rumble.com/v70zluu-for-the-stolen-girl-alana-linda-martin..html>

I would like to expose more information on her case of Kidnap by Newham Social Services, Police, and Courts in London England.

At the last court date 23rd March 2026, we was told we would have a new Court date and an answer by the 24th March 2026, like I said previously the last 5 months have been about the criminals looking for their names to be protected in their crimes of Kidnap asking the higher courts for anonymity and has not been about my daughters case at all, we have still not heard anything concerning another court date for my daughters case a month later, again further breaches are made as we was informed we would here the outcome and have another court date the day after, we are now a month later and still waiting... My daughter remains held captive as a hostage against her will and her rights to freedom.

Her Father Matthew-Dean Martin tried to expose and shut down a child trafficking Court and spent a year falsely imprisoned along with Mark-kishon: Christopher who is still currently held captive in prison.

This harassment, gang stalking, false imprisonment has been going on since 20th April 2023, 3 years on we are still getting attacked, which has resulted in now my daughter being kidnapped.

With no forward date or signs of letting her go, we call for help with any outside agency and ask for witness protection ASAP, we have so much information on the Grooming Gangs, Trafficking rings and County lines via all the evidence we hold in our court of Records.

In the meantime Newham Councils Public Servants are playing mind games with my daughter, her father and I, we still have not had any contact in any shape or form with our little girl in 9 months and counting, my son informed me on his last video call that Alana my daughter is confused as she was told she was going home one week, and then she was told she isn't going home, causing her alot of stress and heartache, I feel the damage that is being done to her heart and spirit whilst held captive.

The torment and cruelty is unreal, we are fighting a huge monster alone, I would appreciate any help from white hats, galactic alliance, military intervention, the pain is so horrific its hell on Earth.

We are now also being threatened with our home, with threats of Eviction by the same council, any support over at our Children-Trafficking-Task&Force116 is really appreciated as we have been attacked from every angle.

This is the best place to contact me as I am still operating off grid so that I am not falsely imprisoned. My family would all love to go home together safely as soon as possible.

https://www.patreon.com/TaskandForce116301?utm_campaign=creatorshare_creator

We have already held an Arbitration Court with 23 members of a jury of my peers, 3 judges and 1 clerk, = 26 witnesses awarding my daughter to be returned and compensation to be paid, so the work is already done, we are just looking for the right agent to enforce this verdict.

We are currently looking for an Admiralty Marshall to take on this case, and collect our daughter and the compensation we are claiming for the damages caused.

The link below is the video evidence with all paperwork are on this link below. <https://rumble.com/v76j250-mediation-court-27february2026..html>

Anyone can view this case and the paperwork via the links attached.

Thank you again Judy your heart is pure gold and I really can't thank you enough for exposing this to your viewers, I really look forward to updating you that she has been safely returned.

Love and Light always to you and your viewers.

Janine Linehan Captain State-Child-Trafficking-Task&Force116.

Zo. Watch Out For Scammers:

Upon implementation of the Global Currency Reset the Cabal will be losing their money supply and they are hot and heavy to SCAM anyone in any way they can.

Judy Note: There are 84 platforms on Telegram under my picture and name Judy Byington. Be aware I have NO platform on Telegram. I do not write on Telegram. Anything written under my name on Telegram was not authored by me.

Speaking of Telegram, there appears to be a huge scam going on Telegram where under the name of some notable Q Movement person they promise to set you up on a QFS Wallet if you send them around \$2,000 or more. This appears to be a scam as setting up your QFS Wallet is supposed to be free to the best of my knowledge.

Watch out for: Anyone advertising they will reimburse you for the TRB Trump Products, or set you up on a Quantum Account asking for money to do it. (They use fake accounts and AI to make you think you are dealing with Trump, Tucker Carlson, etc.)

Also watch out for the HSBC Quantum Token/Bitcoin Scam, the TRB Trump Products Scam, the Dave XRPLion Impersonator Scam, the Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and any other website that asks that you give them your personal identification to register for a QFS Account and/or receive a pay out on TRB products.

DO NOT exchange currency or Zim Bonds anywhere but at a licensed Redemption Center where you will get the highest rates possible.

The HSBC Quantum Scam: They claim they've successfully applied "quantum technology" to buy and sell tokenized physical gold. The trick is when you buy the tokens or Bitcoin they keep the gold and have complete control over your bank account.

Report your TRB Scam experience to:

Victims of the TRB Scam, Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and/or the Dave XRPLion Impersonator Scam are urged to type up their experiences including products bought and monies paid

out, plus your contact information. Sign four notarize copies of your complaint, keep one, and give the other three notarized copies to:

Present a notarized copy of your TRB complaint to your local law enforcement and ask they open an investigation. Write down your complaint number and include it in your **information sent to Alan Garten and the US Inspector General of the Air Force.**
