“Ask not what your country can do for you—ask what you can do for your country.”

– President John F. Kennedy

Judy Note: Not a prediction. Not a theory. A timeline. Friday May 1st 2026 The Event: EBS Live, QFS Loaded, Med Beds Public, Tier4b Active ...AXIOS4B on Telegram:
<https://t.me/AXIOS4B>

They've been testing the system for months. Quiet. Off the radar. Military frequencies. Encrypted channels. Satellite repositioning that nobody was supposed to notice. But we noticed.

The Emergency Broadcast System goes live on Thursday 30 May 2026.

Not a test. Not a drill. A full-scale presidential activation. Every screen. Every phone. Every signal goes dark — then ONE voice comes through.

You were told this day would come. You were laughed at. Called crazy. Lost friends. Lost family. They said "nothing is happening."

EVERYTHING IS HAPPENING. ALL AT ONCE. IN THE NEXT 48 HOURS.

Here's what they don't want you to connect:

Thurs. April 30 — MedBed technology global broadcast launch. The frequency healing devices they've suppressed for 70 years. The ones Tesla designed. The ones the military has used since 2014 in underground bases. Going PUBLIC. Tomorrow.

Friday May 1 — EBS activation. Presidential address. Not through CNN. Not through Fox. DIRECTLY to every citizen. Unfiltered. Unedited. No media spin.

Friday May 1 — QFS goes fully operational. Quantum Financial System. Gold-backed. Blockchain-secured. Every corrupt transaction from the old SWIFT system — FLAGGED. Every stolen dollar — TRACED. Every dirty politician's offshore account — FROZEN.

They told you Crypto was the future. They lied. Gold/asset-backed Crypto on the QFS IS the future. And it's already loaded.

Tier4b notifications are going out RIGHT NOW. Check your email. Check your bank portal. The 800 numbers are being distributed through secure channels as we speak.

Why do you think they tried to kill him Saturday night? A man with a shotgun at the Correspondents' Dinner — 48 hours before the biggest broadcast in American history?

BECAUSE THEY KNOW WHAT MAY 1ST IS.

They couldn't stop it in Pennsylvania. Couldn't stop it in Palm Beach. Couldn't stop it Saturday. And they won't stop it Thursday.

This is not a drill. This is THE EVENT. The one we've been waiting for. The one they said was a conspiracy. The one that's about to prove every single one of us RIGHT.

After Thursday — the world will never look the same.

Judy Note: The World badly needs to change – and one big category is in the Medical Cabal:

The modern medical profession did not appear designed to heal the human body, only to make as much money as possible on sick patients while protecting the medical establishment from lawsuits.

Doctors were trained not to look for the root cause of chronic illness, but were well informed about drugs and use of a flowchart called “Standard of Care” created by insurance companies and pharmaceutical boards to push their drugs.

“Standard of Care” meant prescribing a chemical to suppress symptoms of illness. If that chemical caused a new symptom, Standard of Care dictated prescribing a second chemical to suppress the side effect of the first.

Long-term prescription drug use isn't just managing symptoms; it's actively destroying you from the inside out. Shocking new data reveals a 47% increase in mitochondrial degradation across every single major organ in those subjected to years of pharmaceutical "care."

The drugs fit globalist plans to centralize medical power and favor patented drugs creating dependency over natural options.

Doctors could actually lose their license to practice if they stepped outside that flowchart, or didn't prescribe medications (that didn't cure, but only covered up the problem), while using natural foods to boost the patient's immune system, allowing the body to naturally heal itself.

If they stayed inside the flowchart and the patient remained sick, it warranted more office visits and more expensive prescription drugs – (drugs that covered up the problem, with some actually contributing to the sickness), the doctor, medical profession and pharmaceutical industry made more money.

A typical example was Dr. Royal Raymond Rife who, back in 1932, found out how to destroy living viruses that caused Cancer. He was destroyed himself by the American Medical Association, as was any doctor exposing his successful Cancer treatments who had their license removed.

Another example was Dr. Stanislaw Burzynski who in 1976 discovered human peptides attacked Cancer at the genetic level, restored the body's natural defenses and stopped tumor growth. The medical establishment struck back, as they did with Dr. Rife, with raids on his facilities and seizure of records. Ongoing Court battles exhausted both doctor's resources.

The human body did not have a pharmaceutical deficiency. It had a toxicity and frequency problem, with a self-healing, self-regulating electrical system. But a doctor cannot bill an insurance company for telling you to stop eating poison, get in the sun, and fix your cellular voltage. They could only bill for the pill.

In 1976 Dr. Stanislaw Burzynski discovered human peptides that attacked Cancer at the genetic level. These compounds restored the body's natural defenses and stopped tumor growth. Studies of blood and urine revealed Cancer patients lacked key peptides abundant in healthy people. Burzynski synthesized them into antineoplastons that corrected the switches, allowing cancer proliferation.

With release of his findings, the medical establishment struck back with raids on his facilities and seizure of records. As with Dr. Rife, Court battles exhausted his resources. Medical officials demanded trials rigged for failure to safeguard their lucrative chemotherapy industry that harmed healthy tissue. Foreign pharma influenced policies to sideline this work. Injunctions limited access, shielding costly traditional treatments.

All the while Burzynski's targeted peptides caused fewer side effects. Patients regained vitality as tumors shrank, but regulators blocked approval and confined use.

Dr. Royal Raymond Rife built a microscope in 1932 that could see living viruses at 60,000x magnification. No one has matched it since. The modern electron microscope kills the specimen before observation. Rife's machine watched them alive. Moving. Replicating. And dying — when he hit them with the right frequency.

Every organism has a resonant frequency. A specific electromagnetic vibration at which its structure becomes unstable. Like a singer shattering glass with the right note. Rife discovered that cancer cells, bacteria and viruses each have a unique frequency — and that transmitting that exact frequency into the body destroys them without damaging a single healthy cell.

He called it the Beam Ray Machine. And in 1934, he proved it worked through a clinical trial at the University of Southern California. They appointed a Special Medical Research Committee to oversee a clinical trial of Rife's technology treating 16 terminal cancer patients. All diagnosed as incurable. All given less than 90 days to live.

After 90 days of frequency treatment 14 of 16 patients were declared completely cancer-free. The remaining two were declared cancer-free after an additional four weeks of adjusted treatment

Dr. Milbank Johnson, who led the committee, planned a press conference to announce the results to the world. He died the night before the announcement. His papers vanished from his office. The cause of death was listed as "natural causes." He was in perfect health.

As with Burzynski's lab 42 years later in 1976, in 1934 Rife's laboratory was broken into and his research notes were stolen. The Beam Ray Machine prototype was vandalized beyond repair. Rife's lab was burned. His microscopes were confiscated. His funding was cut. He was dragged through fraudulent lawsuits until he was bankrupt.

He died in 1971, broken and forgotten, from a so-called "accidental" overdose of Valium and alcohol at a hospital. Dr. Arthur Kendall, Rife's research partner, was given \$250,000 by the AMA to retire to Mexico and never speak publicly again.

As with what happened to Burzynski, every physician who participated in the trial received a visit from the AMA threatening the revocation of their medical license if they discussed the successful results.

They burned Rife and Burzynski's labs. They stole their notes. They killed and threatened colleagues with loss of the medical licenses if they discussed the cures for Cancer.

In 1934, the cancer industry did not exist. Today it generates \$286 billion per year globally. Chemotherapy drugs alone account for \$84 billion. Radiation therapy: \$22 billion. Oncology consultations, hospital stays, diagnostic imaging — a quarter-trillion-dollar machine that depends on one thing: cancer must never be cured. Only treated. Endlessly. Expensively. Until you die, or your money runs out.

A frequency machine costs \$2,000 to build. A single course of chemotherapy costs \$150,000. They did not suppress Burzynski's and Rife's cures because they didn't work. They suppressed them because they worked too well. And cost too little.

They tried to erase their findings from medical history. But they could not erase the human peptides that attacked Cancer at the genetic level. They could not erase the frequency that killed Cancer viruses — because the frequency is physics. And physics does not care who tries to suppress it.

President Trump saw the corruption in the medical community and championed deregulation and patient rights. His leadership revealed agencies prioritizing special interests. The America First Bill seeks to end bureaucratic control and restore health freedom.

Trump's war on the administrative state includes freeing captured agencies. This discovery helps dismantle the Deep State medical machine.

The Deep State dreads independent medicine empowering citizens. The establishment buried the cure for dominance. The America First push crumbles their hold. Real data proves it works. Full release approaches as the deep state weakens.

The MedBed technology that is being disclosed operates on the same principle Rife proved 92 years ago. Specific frequencies targeted at specific cellular abnormalities. No drugs. No radiation. No side effects. The body heals itself when given the right signal.

Trump has secured rule over the big hospital chains in America and has ordered that they stock hospitals with Med Beds, cancel contracts with Big Pharma and train staff on Med Bed treatment in time for the big July 4 celebrations of the nations 250th year.

By July 4 2026 free Med Bed treatments will be available to the general public.

A. Tues. 28 April 2026 Dr. Rachell: YES, The Existence of Med Beds is a Confirmed Fact – Med Beds in The USA: Why the Silence?Nesara Gesara Trump on Telegram

Dr. Rachell states that the existence of Med Beds is a confirmed fact. In the USA, the ongoing silence about these advanced healing devices continues to spark curiosity among those seeking the truth.

With 2026 underway, a major shift in healthcare emerges from the shadows. Med Beds use sophisticated technology based on original DNA codes to restore bodies to perfect health. This breakthrough could replace the profit driven disease model of Big Pharma with genuine wellness for everyone.

The technology, safe and effective for over fifty years in the Secret Space Program, is now being prepared for public use by the White Hat Military. Treatment centers will operate outside the old system, fully funded by alliance forces, offering free access to all. Big Pharma's influence is expected to wane as hospitals transition away from treating illness toward prevention and healing.

Rollout begins under military supervision to avoid abuse. Central centers will manage bookings through consultations, medical reviews and quantum computer analysis prioritization. Urgent cases and unvaccinated individuals receive preference, with humanitarian outreach ensuring the homeless and needy are cared for first. No societal status grants special treatment.

Sessions involve scans, gowns, and gentle sedation for comfort while the bed works. Most conditions heal in one visit, with complex ones needing up to three. Benefits include organ and limb regeneration, instant bone healing, reversal of heart disease, addiction cures, allergy

elimination, restored senses, scar removal, and dental regeneration. They also repair vaccine and chemo damage, address mental issues like depression, and support autism treatment.

B. What we thought we knew, but didn't really know and now am supposed to know but don't have a clue. With clones, doubles, made up movies Hollywood style and Trump's Military Alliance throwing more popcorn at us, it gets sooo confusing:

On Tues. 28 April President Trump welcomed what was believed to be a fake King Charles (who died in March 2026) to the White House to celebrate the 250th Anniversary of America's so-called "independence" from Great Britain. The UK Crown, along with the Vatican, has been stealing US Taxpayer monies since 1913 when the Deep State Cabal made sure the Constitution got changed and created their privately owned Federal Reserve and IRS. Trump just cut off the Cabal's money laundering with the gold/asset-backed currency Global Currency Reset and return to concepts of the original Constitution in a Restored Republic – which was set to be announced on **July 4 2026**.

"The Deep State continues to be dismantled through a meticulously planned operation known as "The Movie," complete with hundreds of actors, body doubles and clones." ...Carolyn Bessette Kennedy, spouse of JFK Jr, Restored Republic VP

Wed. 29 April 2026 Benjamin Fulford: The actor who ended up playing Joe Biden's body double for nearly two years will turn state's evidence to avoid jail time, according to sources close to the FBI's investigation. "The suspect was hired to stand in one place for ten minutes," said a Special Agent. "That's how it began." Before he knew it, the subject was sitting behind the Resolute Desk and taking calls from foreign leaders."A birthday party impressionist ended up the leader of the free world, if only for a few minutes here and there." Dozens of West Wing staffers were complicit in pulling off the ruse."The whole building had to be in on it."

Three days after an attempted assassination on President Trump, former FBI Head James Comey received an indictment for threatening to kill the President. The charge came from the present FBI Head Kash Patel.

Federal Reserve Financial Accounts say NGOs held a total of over \$14.12 TRILLION in assets in 2025, the laundered US Taxpayer monies all going toward destroying America and implementing communism and Marxist ideologies.

Wed. 29 April 2026 Russian President Vladimir Putin has declassified Tartaria archives, unearthing a colossal empire that was systematically ERASED from global memory. Tartaria was the largest empire on Earth, spanning from the Urals to Alaska, New Earth to Tibet. Its people were spiritually advanced, morally grounded, and technologically ahead of their time. They lived by virtue, honor, and ancestral power. Blue-eyed, red-haired warriors who valued

family, justice, and the sacred bloodline. It was erased from history because the people stood against the control systems of the Vatican, the Romanovs, the global banking dynasties, and the Cabal that would later shape the West.

EBS, Blackout, Martial Law, Lockdowns

D. Emergency Broadcast System Alert: Everything is about to change

Official End of the old debt-ridden control system and start of the new System

On cell phones worldwide seven trumpets will sound, alerting us to Global Martial Law being declared and introducing EBS text messages and urging us to tune into our TV, Radio and/or Internet.

A temporary Global Lockdown window will secure the broadcast phase. You will have five hours to get to a place of your choice where you will stay for ten days.

Worldwide on those TVs, Radios and the Internet on all channels and screens one broadcast of the EBS will play eight hour documentaries announcing Nesara/Gesara debt relief to peoples of the World; exposing crimes of the Cabal, Military Tribunals and confessions that play in rotation three times a day for ten days to wake up the masses.

During those ten days across the Globe, banks will be closed, ATMs and credit/debit cards will not work in preparation for migration into the new Quantum Financial System.

Phones will only work for 911 calls, but the Military will make available a Signal App which will secure regular cell phone use through the new Star Link Satellite System and Quantum Computer.

Planes and trains will be grounded, ensuring the mass arrests.

Lights and power will briefly flicker as the World transitions to Tesla Free Energy.

The Military will ensure that the masses get the food they need.

The Quantum Finance System would already be active in the background. Central Banks will have been migrated, with ISO 20022 live.

Global Trust Funds and seized Cabal assets have been moved into Quantum Ledgers for return to The People.

After the ten days the general public will be called into Redemption Centers to set up their personal wallets (bank accounts) with their accounts mirrored onto the new system, where all transactions would be traceable.

E. Global Currency Reset:

Judy Note: With Emergency Broadcast System and Quantum Financial System activation on **Friday 1 May**; the banks switching from the SWIFT System to the Quantum Financial System on **Sat 2 May** and the Bond people receiving access to their funds on **Tues. 5 April**, it is my opinion that Tier4b will begin appointments by **Tues. 5 April**.

Wed. 28 April 2026 MarkZ: There were some Bond Holders had their appointments, know what is in their accounts and will receive access to those funds next **Tues. 5 April 2026.**

Tues. 28 April 2026 Bruce, The Big Call [The Big Call Universe \(ibize.com\)](http://TheBigCallUniverse.com) 667-770-1866, pin123456#: **A Bond Paymaster** said Bond Holders were to receive an email Thurs. afternoon telling them what was in their account and telling them when they could access those funds. **800 numbers** could be received by Tier4b (us, the Internet Group) on **Thurs. 30 April 2026. Redemption Center leaders** are going into work on **Thurs. 30 April morning 2026. It was Bruce's opinion** Tier4b would start exchange appointments on **Fri. 1 May 2026. Bruce** feels we will get access to our new accounts on **Fri. 1 May 2026.**

Wed. 29 April 2026 Redemption Center on Telegram

Bond funds delivered to paymasters was coming in so fast everyone was is in awe from the amount.

Private appointments are being made now.

Get your plans/projects together and don't wait around for this to happen without being ready.

No straight cash will be given at the Redemption Center

You are in charge of your funds and can place funds in different accounts.

Advisers will be there to assist you with your funds and will help guide you in your projects or choosing one on the list.

Everything is going well, still some that do not want this to happen, but all is safe.

You can take to your appointment: advisors/bank contacts (if you have already spoken to a specific person)/ friend/any person/s you want to assist you

Zim Cap information is changing daily but as of now they are paying as follows :

NO projects = 15 million no matter amount you might hold

With projects = First 2 bond notes are 1 to 1 after this 25 million (per 100T) up to 30 bond notes. To negotiate further you will need to return.

Safe link will be released closer to go date. Rates are EXTREMELY high! We are almost at the end of the road. All intel is saying "Next Week"

Judy Note: We have been told that Wells Fargo, which is controlled by the Chinese Elders – (the ones who own the gold behind the Global Currency Reset) – will send out emails to currency and bond holders worldwide

telling them how to set redemption & exchange appointments. It is advised to exchange/redeem your foreign currency at an official Redemption Center (RC) rather than a bank. You can only redeem Zim at a RC, the Dinar Contract Rate can only be given at a RC and banks will offer you lower exchange rates than what you can obtain at a RC. You can only set up your new wallet (bank account) at a RC. It was my understanding that most banks were under control of the Cabal and would soon play a different roll in the Global Financial System.

G. Wed. 29 April 2026: SHOCKWAVE! US MILITARY ARRESTS TOP BANKERS IN GLOBAL RAIDS — FILES EXPOSE 100 YEARS OF ROTHSCHILD AND ROCKEFELLER CONTROL, TRILLIONS SEIZED! ... Ten Days of Darkness on Telegram

US military forces launched sweeping raids in early April 2026, arresting dozens of senior bankers linked to the Rothschild and Rockefeller empires in operations spanning Manhattan, Washington, Europe, and offshore sites. Seized materials include servers and documents exposing a century of controlled wealth extraction from Americans. This marks a decisive strike against the longstanding banking cabal.

The families consolidated power via central banks, foundations, and ties to pharma and energy sectors through marriages and shared ventures. Their debt system directed worker earnings upward while suppressing wages and inflating costs.

Uncovered records tie them to historical crises from the 1913 Federal Reserve creation for endless debt, backing opposing sides in past wars, Bretton Woods and petrodollar arrangements, to engineering the 2008 meltdown for consolidation and trillions in gains via quantitative easing.

Recent intelligence shows continued ties to foreign proxies, market manipulation against defense, and support for policies on borders, climate, and health that benefit their interests. Connections to Epstein involve Ariane de Rothschild receiving advisory services for substantial fees. US April raids built upon March French actions to uncover more.

Following the 2024 election mandate, late 2025 plans for induced volatility aimed to restart debt cycles. April raids intercepted this, securing assets like gold and crypto from years of rigging and profiteering.

Over seventeen trillion in household debt, eroded savings, and inaccessible housing stem from their engineered policies and crisis to extraction formula. Foundations shaped regulators to maintain the system.

Ongoing efforts target additional figures as trillions in hidden assets are cataloged. These resources, derived from American productivity, will now support national recovery instead of elite agendas eroding sovereignty.

With President Trump's authorization to protect the republic, the global financial elite has suffered a crippling loss. The era of debt slavery and dependency ends as military oversight exposes the networks and sovereignty is restored through monetary reform and reclaimed control.

I.Wed. 29 April 2026 107 UNVEILS TRUMP'S MASTER PLAN: MASSIVE ARRESTS LOOM, GLOBAL ELECTION RIGGING EXPOSED, AND AMERICA'S SPIRITUAL REAWAKENING BEGINS. ...Juan O Savin on Telegram

In an exclusive interview, insider 107 joined Larry to break down the strategic moves by President Trump against the global cabal. Instead of chasing hourly headlines, 107 emphasized looking at the long-term plan where distractions are removed to safeguard key objectives.

Trump's top priorities are securing honest elections and neutralizing threats that could undermine them. Major arrests are coming soon. John Brennan is anticipated as one of the first significant takedowns, followed by others including Barack Obama. Hillary Clinton could face justice in October.

Details emerged on how the 2020 election theft involved global players. Testimonies from individuals previously based in Serbia reveal operations run from Venezuela that interfered in 71 countries, placing false leaders in power against the people's wishes. The recent ousting of Maduro in Venezuela led to joyous celebrations as citizens welcomed freedom from oppressive forces.

In Iran, the population is thankful for interventions against a brutal regime responsible for tens of thousands of deaths. Trump is cutting funding to globalist programs like USAID and biased media early in his term.

Iran's reach extends to Italy with its largest embassy, the Congo where millions have perished, and South Africa with military ties. Shutting down Iranian propaganda hubs has already decreased fake news online.

Spiritually, Trump calls for Americans to assemble in Washington D.C. on May 17th to rededicate the nation to God, mirroring the Mayflower Compact. This begins a 49-day journey to the Fourth of July, tying into Jubilee themes during America's 250th year for national restoration and renewal.

Plans involve using Guantanamo Bay for traitors after stabilizing Cuba. Government will shrink by half, with the IRS shifting focus via tariffs. Efforts target unelected bureaucracies like Brussels.

With evidence mounting from grand juries on past interferences and Biden-era irregularities, accountability is near. Patriots must prepare for serious challenges ahead by uniting in prayer and faith. Trump's actions methodically eliminate the cabal's tentacles to bring justice back to America.

K.Wed. 29 April 2026: DEVELOPING! WHITE HAT RAIDS IN UKRAINE AND DELAWARE FIND ANOTHER CHILD TRAFFICKING NETWORK — EVIDENCE POINTS TO HUNTER BIDEN AND ZELENSKY ...Trump Revolution on Telegram

White Hat forces have recently carried out synchronized raids on sites in Ukraine and Delaware, hitting a major child trafficking network exploiting minors for elite circles. Evidence strongly ties Hunter Biden to logistics coordination and Volodymyr Zelensky to shielding the racket.

Delaware locations associated with Hunter Biden acted as entry hubs for trafficked children via Ukrainian channels. Seized records, payments, manifests, and communications center him in the operation. The network utilized diplomatic protections, NGO covers, and private jets to avoid detection. Teams recovered drives, ledgers, and witness statements outlining the path from conflict zones to elite clients.

Government facilities under Zelensky functioned as staging points for selecting and moving children from orphanages and displaced groups. Raids uncovered secure communications linking Kiev to Hunter Biden associates for approvals. Ukrainian turmoil provided profit opportunities masked by American aid flows and military support.

The ring connected to wider global systems supplying influential donors, business elites, and operatives controlling officials. Seizures confirm growth during the last administration's Ukraine engagements. Actions advance the America First agenda while President Trump exposes border crises and corruption. Delaware evidence links to Biden family compounds matching Hunter's travel.

Reinforced Ukrainian sites held medical tools for victim prep. White Hats overcame embedded loyal units. Detainees disclose senior figures and money launderers using Hunter Biden fronted contracts.

Dozens of victims were extracted and evaluated for legal efforts dismantling protections. Extravagant habits of key figures match illicit revenues. Synchronized hits saved crucial proof for cross-referencing data from both countries.

Millions passed through Hunter Biden shells noted in aid documents. Trump's return opened doors for these operations on suppressed intelligence. Biden-Zelensky ties represented criminal use of U.S. power against American children. Evidence proceeds to tribunals.

Deep State infrastructure built over decades now crumbles quickly under analysis of records and data. The enterprise ends now.

...Juan O Savin on Telegram

President Trump moves swiftly to dismantle Planned Parenthood's baby organ selling operation. As of April 29, 2026, federal agents swarm their buildings. They grab computers, shipping records, price lists, and bank transfers. Trump directed the action, with DOJ sealed indictments ready for the top baby butchering executives.

Recent raids targeted major facilities in California and New Jersey. Agents uncovered coolers filled with baby hearts, livers, brains, and lungs. Documents listed prices like brains over twenty thousand dollars and livers nearly three thousand. Sales went to universities and China-linked drug firms.

Taxpayer dollars to Planned Parenthood funded bonuses for doctors preserving organs during abortions. Parts shipped interstate and abroad. Evidence shows this profit scheme defined the organization.

Globalists designed it to slash American births for open borders and cheap migrant labor. Planned Parenthood enabled abortions and organ cash. Gates and big pharma money sustained it all. Trump severs these links completely.

Loyal forces in DOJ, HHS, and FBI execute without hesitation or cover-up. All funding halts, grants end, Medicaid abortion payments block. Customs patrols airports and roads to halt baby part exports.

Deep State panic grips Planned Parenthood leaders fleeing with assets. Trump freezes accounts and bans travel for principals. His judges accelerate prosecutions.

The effort links to border security. Elites crave low birth rates and migrant floods to weaken America. Trump counters by sealing the border and safeguarding unborn citizens. Control returns to patriots.

Raids revealed pricing software adjusting for lab demands, brains surging with grants. Babies became menu commodities.

Trump pursues buyers too. Universities lose federal aid, drug companies get audited. Agents press on in facilities as lawyers file and Trump oversees.

Baby butchers deemed themselves invincible. Wrong. President Trump terminates their enterprise. Clinic closures mean living American babies. Funding cuts cripple elites despising citizens.

This showdown decides America's future. Trump reclaims power from baby body part profiteers. The raid unfolds now, crushing Planned Parenthood's trafficking network for good.

M. An international child trafficking ring run by the Vatican and funded by the CIA with US Taxpayer dollars appeared to account for thousands of children who went missing every year in the US.

Most of the little ones appeared to vanish from society by way of a vast Satanic Worshipping Global Elite Underground Tunnel Network that ran throughout the US, Canada, Mexico, South America and under the sea to Europe, Asia and Australia.

Children were stolen, or produced by kidnapped teens to the order of global and political elites in both the US and UK. The system utilized well known organizations including some state Protective Services, namely in Arizona, Ohio and California. UNICEF, NATO, the Red Cross, children's charities in Africa and those out of Hollywood were believed to help in the kidnap and torture of children.

An Underground Tunnel buried deep beneath the Vatican: In March 2020 the Global Military Alliance repatriated to the US Treasury, 650 plane loads of gold, cash and precious artifacts including books containing a hidden history of earth from the Vatican tunnel. The tunnel was buried 5 miles underground and ran for 150 miles to connect with Cabal headquarters in Israel and Switzerland.

The military also arrested 13-demon-bloodline families, Mafia heads, the Pope and 350 personnel in the Vatican.

The Vatican, which runs the International Child Sex Trafficking Ring, has refused requests for excavation of over 40 child mass grave sites believed filled with the mutilated bodies of over 50,000 Canadian Native Children who went missing from the Anglican, United Church of Canada, though mainly 80 Catholic native residential schools across Canada.

Underground Tunnels beneath White House, Washington DC: In early 2021 Marines carried out of a sophisticated network of Underground Tunnels beneath Washington DC and the White House, traumatized children, some of whom have never seen the light of day, pregnant preteens, deformed babies, piles of little corpses whose bodies were apparently used for organ harvesting, children locked in cages, electro-shocked and traumatized in order to harvest their blood – Adrenochrome for the elites to drink.

“I’m a survivor of tax-funded torture, enslavement, human trafficking and mind control, including sexual abuse,” said a woman from California in a **2013** petition titled [Request for a Congressional investigation, CIA mind-control of children. Petition · Request Congressional Investigation: CIA Mind-control of Children · Change.org](#) “Two additional members of my immediate family are in recovery for these crimes including one who is still a minor. These programs must be stopped, corruption routed out of our government and nation, and the truth be revealed.”

“I am a survivor with two terminal diagnoses that are a direct result from torture, electric-shock, a receiver encased in my right sphenoid bone causing brain cells to die every day and drug experiments,” said another Satanic Ritual Abuse Survivor in the petition that requested an investigation of the US CIA’s mind-control program. “My country owes me truth and compensation!”

Is the CIA torturing children in their Mind Control Program? Evidently since 1953 the CIA torture and human sacrifice of children in Satanic Rites has been going on in secret and even survived 1964 Congressional Hearings on the subject – that were never allowed to be made public. Videos of victim testimony at the hearings were scrubbed from the Internet. To this day we may never find out where the CIA \$14.7 billion dollar per year Black Budget was being spent.

Survivors of the government mind-control techniques say they don’t remember this extreme childhood abuse until many years after the events, making a quest for justice difficult.

Were the CIA and FBI really that corrupt? Others thought so. On **November 2013** CBS *Face the Nation* respected Watergate Scandal [Journalist Bob Woodward claimed,](#) “You run into this rat’s nest of concealment (by the FBI and CIA) both then and now.”

In 1953 the CIA imported Nazi mind-control experts from Hitler’s Germany for the purpose of developing “assassins and super spies.” The CIA program was found to have close ties to the International Satanic Ninth Circle Child Sacrifice Cult run by the Vatican. Hitler was a fully paid up member – as were other Global and political Elites, both then and now.

The CIA MKULTRA Mind Control Program utilized 149 subprojects and 33 related programs done in 80 US and Canadian institutions, including 44 colleges and universities.

MKULTRA was composed of illegal human experimentation that centered on torturing the developing brains of children beginning even before birth to around age six. The torture, overseen by the victim’s “Handlers” continued throughout their lives. And, it didn’t just happen in the US – the experiments on children were international in scope and utilized the power of Global Elites and the Ndrangheta Mafia.

The wife of the Satanic Ninth Circle Child Sacrifice Cult Ndrangheta Mafia boss Blijenburgh claimed in a hearing of the International Common Law Court of Justice in Brussels that, “By order of Dutch Queen Beatrix the Ndrangheta Mafia worked from 1960 through today organizing the murder, torture and rape of children of Netherlands youth detention centers. I have been taken to their ceremonies three times and seen a child killed each time.”

In 1964 CIA Director Richard Helms claimed he shut down the MKULTRA Mind Control program. Survivor respondents to the [2007 Extreme Abuse Survey](#) disagreed. There were 257 who said secret government sponsored mind-control experiments were performed on them as children. Many were born after 1964.

It was also found that in 1964 the Ninth Circle Satanic Child Sacrifice Cult run by the Vatican was still in full swing. The ICLCJ International Court Judges ruled that on Oct. 10 1964 Queen Elizabeth and Prince Phillip took ten children, all around the age of ten, from the Catholic Kamloops native Residential School in British Columbia. Their parents haven’t seen them since. There were two eyewitnesses to the kidnapping who died of mysterious causes prior to their testimonies before the ICLCJ Court.

A year later on June 21 1965 six year old’s Jenny Hill and Kathleen Shea were subjects of a Satanic Child Sacrifice of the CIA program. Being made to view or participate in the murder of children was a common mind-control method.

Mind-control survivor Jenny Hill exposed her witness to Kathleen Shea’s murder in a Satanic Child Sacrifice Rite on June 21 1965 in Garden Grove California in her biography “Twenty Two Faces: Inside the Extraordinary Life of Jenny Hill and Her Twenty-Two Multiple Personalities.” <http://www.youtube.com/watch?v=F626Lsrdwg4>

Hill’s and Shea’s Satanic rite was overseen by a infamous master mind-control programmer Dr. Green – the same Green discussed by Satanic Ritual Abuse Survivors in **1995** Congressional hearings on the subject. According to Hill’s biography’s foreword by Psychiatrist Colin A. Ross, MD, Green was brought into the US as part of the CIA’s **1950’s** Operation Paperclip.

By 1977 CIA Director Richard Helms had destroyed all CIA MKULTRA documents. A MKULTRA Survivor DeNicola named CIA Director Richard Helms as one of her childhood perpetrators during a 1977 Congressional Inquiry. The pending Congressional inquiry had prompted Helms to destroy all MKULTRA documents prior to his resignation.

Even though in their testimonies before Congress Therapist Wolf and SRA Survivors DeNicola and Mullen pled for another Congressional investigation of the CIA program, none was done, no charges were brought against anyone including Helms, and Congress voted not to release results of their inquiry.

Later Wolf, DeNicola and Mullen all died under mysterious circumstances.

In 1932 Dr. Royal Raymond Rife found out how to destroy living viruses found to cause Cancer. There were 16 terminally ill Cancer patients with only months to live who received his treatment and within four months all were cancer free. The Deep State American Medical Association (AMA) offered Rife a buyout. When he refused, they destroyed him and threaten to take away licenses of doctors who revealed his successful study. Today Cancer treatments that don't work generate \$286 billion per year for doctors and the pharmacy industry.

In 1976 Dr. Stanislaw Burzynski discovered human peptides attacked cancer at the genetic level, restored the body's natural defenses and stopped tumor growth. The establishment struck back with raids on facilities and seizure of records. Court battles exhausted resources and denied access to struggling Americans. Officials demanded trials rigged for failure to safeguard the lucrative chemotherapy industry that harms healthy tissue. Regulators blocked approval and confined use. This fits globalist plans to centralize medical power and favor patented drugs creating dependency over natural options. The peptides threatened pharma profits. President Trump saw the corruption and was championing deregulation and patient rights.

The modern medical system is not designed to heal you. It's designed to protect them from lawsuits. A doctor's Standard of Care written by their insurance company, means prescribing a chemical to suppress your symptom. If that chemical causes a new symptom, Standard of Care dictates prescribing a second chemical to suppress the side effect of the first. Your body is a self-healing, self-regulating electrical system. It does not have a pharmaceutical deficiency. It has a toxicity and frequency problem. But a doctor cannot bill an insurance company for telling you to stop eating poison, get in the sun, and fix your cellular voltage.

Q. Wed. 29 April 2026 The Dark Money Funding America's Chaos with Soros, Rockefeller, Obama, Clintons, USAID, SPLC, & Other Corrupt NGOs Behind it All ...Gitmo TV

Federal Reserve Financial Accounts say NGOs held a total of over \$14.12 TRILLION in assets in 2025.

\$3+ billion combined annual revenues of around 500 left-wing activist groups, including socialist communist organizations coordinating major protests like the No Kings and other protests per year.

Around \$1.5+ billion annual revenue and spending by Arabella Advisors dark-money network, progressive advocacy, protests, activism per year.

Hundreds of millions in cumulative grants from George Soros/Open Society Foundations and Swiss billionaire Hansjörg Wyss to dozens of U.S. protest-linked groups, \$293M+ from Wyss, \$72M+ from Soros to No Kings-related orgs, multi-year but ongoing annual flow amounts.

On top of all of this one of the most concerning aspects is the amount of money dumped into swaying and fixing elections from these same billionaires and NGOs. This alone is a MAJOR part of these regime change operations being conducted on U.S. soil and around the globe.

The "follow the money" trail leads straight to the usual suspects... globalist billionaires and their corrupt NGO empire. This isn't isolated to campus protests. It's a global operation of radical-left violence and societal breakdown that runs real operations and agendas to destroy America and any conservative movement globally. Violence mixed with propaganda and psychological operations are being funded by YOUR own taxpayer dollars for your own demise.

Domestic Extremists/Civil Unrest Advocates: \$61M

Arabella: \$7,821,930

Buffett: \$ 8,557,500

Ford: \$10,110,825

Rockefeller: \$9,819,959

Singham: \$610,000

Soros: \$5,755,308

Tides: \$18,765,690

Pro-Hamas/ Radical Islam: \$98M

Arabella: \$3,253,604

Buffett: \$12,025,074

Ford: \$30,757,185

Foreign Influence: \$87,040

Rockefeller: \$6,535,906

Soros: \$33,307,474

Tides: \$12,300,750

USAID supported independent media in over 30 countries, but the full harm to global media is hard to assess since organizations hesitate to speak out, fearing loss of funding or political attacks. Per a now-offline 2023 fact sheet, it aided 6,200 journalists, 707 non-state outlets, and 279 media CSOs. The 2025 budget allocates \$268,376,000 for independent media and free information flow.

George Soros and his Open Society Foundations have poured hundreds of millions more through dark money pipelines into groups like the Open Society, Tides, Indivisible, Jewish Voice for Peace, US Campaign for Palestinian Rights, and Education for Just Peace in the Middle East. These aren't "peaceful protesters," they're paid organizers turning student activism into organized disruption, property damage, and chaos. Soros has admitted he wants to "remake" societies... and America's streets are his latest lab experiment.

The Rockefeller Brothers Fund is right there with him, dumping over half a million into the same networks fueling these anti-Israel radicals. Old money meets new radicalism, funding the very groups turning college quads into battlegrounds.

Obama and the Clintons built the machine and structured the government side of the operations to funnel taxpayer dollars through corrupt NGOs that then get distributed to hundreds of smaller NGOs. Their foundations, allies, and post-White House networks overlap with these funders. Obama-era policies and Clinton-linked orgs funneled influence through the same progressive infrastructure that's now weaponized for division.

Federal Reserve Financial Accounts say NGOs held a total of over \$14.12 TRILLION in assets in 2025, all going to destroy America and implement communism and Marxist ideologies.

The Government Accountability Institute (GAI) analysis presented directly to the Trump administration, mapped over \$159.7 million in grants from major left-wing donor networks straight into organizations categorized as "Domestic Extremists and/or Civil Unrest Advocates."

These aren't random donations. They're strategic investments in what GAI calls the 'protest industrial complex.' A web of fiscal sponsors, dark-money pass-throughs, and activist

NGOs that turn ideology into street action, campus disruption, narrative control, violence, propaganda, psychological operations, and political pressure, mostly funded by YOUR taxpayer dollars funneled through grants and organizations like USAID and corrupt NGOs to destroy America and turn it into a 3rd world, Marxist garbage dump of a country.

S. Wed. 29 April 2026 James Comey just got indicted. Again. Let that hit you for a second. The man who opened a fake investigation into a sitting president. The man who leaked classified memos to the press. The man who stood in front of cameras and lied to 330 million Americans about "Russian collusion" that never existed. Indicted. ...Mr. Pool – final Chapter

And you know what the charge is? Threatening to kill the President. A photo of seashells arranged to spell "86" — which means eliminate. Posted on Instagram. While smiling.

This is the former Director of the FBI. The most powerful law enforcement officer in America. And he posted a coded death threat against a sitting president on social media like a teenager.

First indictment — lying under oath to the Senate. Second indictment — threatening the President's life. THE HUNTER BECAME THE HUNTED.

Remember 2017? Comey sat in that hearing room looking smug. Thought he was untouchable. Had the media behind him. Had the deep state behind him. Had every network calling him a "hero." Where are they now?

Meanwhile — Kash Patel sits in Comey's old chair. The same office. The same desk. And last week he walked into Congress and dropped Epstein names that made senators go pale.

The man they put in charge to destroy Trump... is being destroyed. The man Trump put in charge to replace him... is exposing everything.

Saturday night they sent a shooter. His manifesto named Kash Patel. Think about that. They're not just going after Trump anymore. They're going after everyone around him.

And it's not working. Comey — indicted. The shooter — failed. Iran — begging. The dollar — record high. Epstein names — dropping. One by one. Piece by piece. The old guard is falling.

And the man they tried to destroy 91 times is still standing in the Oval Office running the world.

T.Wed. 29 April 2026 Obama's Secret Stay Behind Army ...Edward Snowden on Telegram

Obama literally created "The Department of The Deep State" at the flick of a pen. The Senior Executive Service, or "SES" was created on September 19, 1979 during the Carter administration.

It was originally formed to professionalize career civil service, while attracting the nation's best and brightest in an effort to improve and moderate the management of the federal bureaucracy.

A position within the "SES" is considered the equivalent to general officer or the flag officer ranks in the U.S. Armed Forces. For that reason, they are often referred to as our "civilian generals."

The SES was to be a corps of non-partisan, career managers who serve as the executive management of federal agencies. Their job being to implement policy, not create it. At least it was until then President Obama changed that with a mere flick of his pen, making SES members nearly impossible to fire, once hired.

To say Obama's transformation of the SES into an army of political operatives was effective would be a gross understatement.

There are more than 2 million federal employees. And at the top of that pyramid are approximately 8,000 SES (Senior Executive Service) employees who service as the professional managerial class linking our political leaders to the civil service rank and file.

And Barack Obama as president, replaced more than 6,000 members of the 8,000-member SES during his 2 terms, assembling what became a stay-behind army of political operatives.

Here's a list of the number of SES employees that were embedded in the following government agencies at the end of Obama's 2nd term in 2016:

Department of Education – 86

Department of Housing & Urban Development – 115

Department of the Air Force – 182

Department of Labor – 200

Department of State – 204

Department of Transportation – 231

Department of Interior – 258

Department of the Army – 261
Department of the Navy – 326
Department of Veterans Affairs – 357
Department of Agriculture – 361
Department of Commerce – 425
Department of the Treasury – 458
Department of Health & Human Services – 468
Department of Defense – 478
Department of Energy – 490
Department of Homeland Security – 639
Department of Justice – 821
All Other Agencies (non-Cabinet agencies) – 1,796

And it wasn't just a purge of patriots from governmental agencies. Obama's purge of the military was especially damaging to our national security, as he literally gutted the command structure of the U.S. military.

Cleaning out the filth from decades of infiltration and then Obama's embedded political operatives has been a long uphill battle in taking back our country and restoring our republic to making America great again.

All roads lead to Obama.

U. Wed. 29 April, 2026: TARTARIA REVEALED: PUTIN UNLEASHES THE FORBIDDEN EMPIRE ...JD Vance on Telegram

The world just changed forever. Russian President Vladimir Putin has declassified explosive Tartaria archives, unearthing a colossal empire that was systematically ERASED from global memory. The moment this happened, Western historians went silent — and for good reason.

Tartaria wasn't a myth. It was the largest empire on Earth, spanning from the Urals to Alaska, New Earth to Tibet. Its people weren't savages — they were spiritually advanced, morally grounded, and technologically ahead of their time. They lived by virtue, honor, and

ancestral power. Blue-eyed, red-haired warriors who valued family, justice, and the sacred bloodline. These were not primitive tribes. They were Slavic-Aryan titans. And now, their memory is being restored.

The first edition of Encyclopedia Britannica (1771) called Tartaria a dominant force in northern Asia. But after the 18th century? It vanished — not by accident, but by design. Later editions wiped Tartaria clean. The greatest historical cover-up in human history.

Why was it erased? Because Tartaria stood against the control systems of the Vatican, the Romanovs, the global banking dynasties, and the cabal that would later shape the West. Tartaria was FREE — self-sufficient, non-centralized, rooted in ancestral energy. That's the one thing the Deep State fears most.

Putin's move to resurrect Tartaria is more than historical correction. It's a strike against the globalist script. Russia is now rewriting its entire history curriculum, purging Western distortions and restoring its true legacy. This is a paradigm shift — a cultural nuke detonated in plain sight.

The release of Tartaria documents isn't just for scholars — it's a clarion call for spiritual war. The world's timeline is being shattered. The illusion is collapsing. And with it, the old guard's grip on our past.

V. Wed. 29 April 2026 FLASHBACK 2011 : Navy SEAL Team Six operator Matt Bissonnette exposed the truth that Obama personally delayed the bin Laden mission by 24 hours purely so he could attend the 2011 White House Correspondents' Dinner. ... Ten Days of Darkness on Telegram

The operation was locked in for a moonless night with perfect weather and air density. At Obama's direction, it was pushed back one day. Temperatures spiked, lift dropped, and one of the stealth Black Hawks crashed inside the compound, exactly the risk the original timeline had been engineered to avoid.

Bissonnette put it bluntly, Because Obama needed to hit the White House Correspondents' Dinner.

The team already had razor-thin prep time after receiving the tip. That vanity-driven delay forced them to fly in suboptimal conditions, all so Obama could deliver cheap shots at Trump and play Lion King clips while operators risked everything.

Mission success came despite the politics, not because of them. Bissonnette's account lays bare the cost of putting Washington optics above warrior safety.

Tues. 10 March 2026 BOMBHELL ANNOUNCEMENT: President Trump Declares Restoration of the American Republic — “US INC.” DISSOLVED, COMMON LAW SOVEREIGNTY RETURNS. ...Mr. Pool on Telegram

Patriots, the storm has hit and it's magnificent! President Donald J. Trump has invoked Article II to declare the United States fully sovereign under Common Law once more. The fake foreign-controlled “US INC.” is finished — dissolved, dead, gone forever. No more Admiralty Law oppression, no more globalist chains dragging us into debt and war. The Deep State grip is broken; the true Constitutional Republic rises triumphant!

This is no mere rhetoric — it's a binding Declaration of Authority and Summons from Trump as Commander-in-Chief. He's seizing full control, sidelining the corrupt swamp and directing the military via the Uniform Code of Military Justice. Every flag officer is oath-bound to obey lawful orders from the legitimate President. No more excuses, no divided allegiances. The military now serves We the People through Trump, not the treasonous corporate facade!

Under Common Law sovereignty — grounded in God-given rights and original founding truths — Trump exercises his prerogative to summon leaders, affirm real authority, and rebuild national defense. This resets America to the Founders' vision: no commercial enslavement, no hidden British shadows, just pure liberty!

All flag officers are ordered to convene in Virginia — the Republic's sacred cradle — for immediate realignment. This is full military mobilization to restore loyalty and eliminate globalist remnants. The timeline is set, orders issued, clock running. Unity under true command is happening NOW!

Foreign-tied overseas bases and Commonwealth-linked ops? They're being shut down or reclaimed for America. No more secret outposts serving alien masters, no covert pacts bleeding us dry. Trump is smashing the centuries-old Crown chokehold on trade and power — and the military reset locks it down!

This fulfills Trump's sacred oath to defend the Constitution, protect the people, and preserve the Republic. Every officer and servant must choose: stand with the restored Republic or stand exposed as oath-breakers. The line is drawn — no more shadows, no two Americas. One Republic. One Commander-in-Chief. One Law — Common Law!

The Re-inhabited Republic for the United States of America is the actual de jure government that our founding fathers gave us, and which was abandoned in 1871 when a corporation took over Washington DC and eventually every level of government in the country. Tues. 10 March 2026 BOMBSHELL ANNOUNCEMENT: President Trump Declares Restoration of the American Republic — “US INC.” DISSOLVED, COMMON LAW SOVEREIGNTY RETURNS. ...Mr. Pool on Telegram

Patriots, the storm has hit and it's magnificent! President Donald J. Trump has invoked Article II to declare the United States fully sovereign under Common Law once more. The fake foreign-controlled “US INC.” is finished — dissolved, dead, gone forever. No more Admiralty Law oppression, no more globalist chains dragging us into debt and war. The Deep State grip is broken; the true Constitutional Republic rises triumphant!

This is no mere rhetoric — it’s a binding Declaration of Authority and Summons from Trump as Commander-in-Chief. He’s seizing full control, sidelining the corrupt swamp and directing the military via the Uniform Code of Military Justice. Every flag officer is oath-bound to obey lawful orders from the legitimate President. No more excuses, no divided allegiances. The military now serves We the People through Trump, not the treasonous corporate facade!

Under Common Law sovereignty — grounded in God-given rights and original founding truths — Trump exercises his prerogative to summon leaders, affirm real authority, and rebuild national defense. This resets America to the Founders’ vision: no commercial enslavement, no hidden British shadows, just pure liberty!

All flag officers are ordered to convene in Virginia — the Republic’s sacred cradle — for immediate realignment. This is full military mobilization to restore loyalty and eliminate globalist remnants. The timeline is set, orders issued, clock running. Unity under true command is happening NOW!

Foreign-tied overseas bases and Commonwealth-linked ops? They’re being shut down or reclaimed for America. No more secret outposts serving alien masters, no covert pacts bleeding us dry. Trump is smashing the centuries-old Crown chokehold on trade and power — and the military reset locks it down!

This fulfills Trump’s sacred oath to defend the Constitution, protect the people, and preserve the Republic. Every officer and servant must choose: stand with the restored Republic or stand exposed as oath-

breakers. The line is drawn — no more shadows, no two Americas. One Republic. One Commander-in-Chief. One Law — Common Law!

QAnons, white hats, digital warriors — this is OUR victory moment! The debt-based, deception-driven US INC. fraud is overthrown. Military mobilizes under Trump's unbreakable command. Deep State cabal legally crushed, illusions collapsing. Freedom surges back — the Republic is BACK, sovereign, unbreakable!

We witness history: true American Republic restored. Patriots win. God bless President Trump, our military, and the sovereign United States of America!

Za. A Plea to Patriots...HELP, HELP, HELP!!!

D.L. is a homeless bedridden 48 year-old woman who desperately needs your immediate help. Her SSI income is \$600 short to cover her rent of a very small motel room in a scary part of town (that does not accommodate a wheelchair, so she has to crawl on the floor), let alone have money for food and essential expenses. She is facing living on the streets in lieu of being moved to a homeless shelter, which is not physically feasible in her health condition. The shelter would require giving up her disabled cat. "My cat Monkey is the love of my life. She lays on me 22 hours a day. I could never give her up. She's so attached to me she cries if I'm gone from my bed for more than a few minutes." D.L.'s long-term goal is to secure a ADA-accessible home. She is seeking leads for property, housing, or resources in Snohomish County, Washington State, especially Bothell/Canyon Park or Three Lakes, and in King County, Washington, especially Woodinville or Redmond. Please help in any way you can. **Venmo and PayPal are preferred because GoFundMe takes a fee.** <https://gofund.me/283d83d9> [Venmo](#) [PayPal](#) [More info/contact](#) [GoFundMe](#)

Mother Jeannine Larrick: "I am guilty for wanting to love and protect my daughter who has been abused since 2020 while in Ohio Child Protective Service care. I fought for seven long painful years. Zd. Tim Ballard: A hero rescuing children from Child Trafficking Rings

Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like to support Ballard's unjust persecution, contribute here: [Ballard Family Defense Fund GiveSendGo | Ballard Family Fund](#)

Zf. Judy Note HIGH ALERT: The below is a request from the mother of a child in London England who was pleading for the White Hats to rescue her daughter Alana Martin from London Foster Care and reunite her with her family.

Hi Judy, A massive thank you for your help sharing our evidence for the safe return of my daughter The Stolen Girl: Alana-Linda Martin. We are still fighting this on-going battle to save my daughter. Court hearings were about the criminal kidnapers, who were looking for the higher courts to cover them with an order of "anonymity" to stop us from exposing their names or their crimes. For the last 5 months of her now 9 month captivity, the kidnapers are only concerned in covering their own criminality, as there has been no mention about her care or a final hearing throughout this torture and terrorism. All factual knowledge of our case is being ignored/ covered up by public servants & Judges involved which have all gone Ultra-Vires. In further attempts to stop our quest and our calling our names and mission was sabotaged including our State Child Trafficking Task&Force116/ Council of 13, they have bankrupt my bank accounts, book sales, PayPal accounts, our social media sites, and now they are trying to threaten our home with eviction. Zg. Watch Out For Scammers:

Upon implementation of the Global Currency Reset the Cabal will be losing their money supply and they are hot and heavy to SCAM anyone in any way they can.

Judy Note: There are 84 platforms on Telegram under my picture and name Judy Byington. Be aware I have NO platform on Telegram. I do not write on Telegram. Anything written under my name on Telegram was not authored by me.

Speaking of Telegram, there appears to be a huge scam going on Telegram where under the name of some notable Q Movement person they promise to set you up on a QFS Wallet if you send them around \$2,000 or more. This appears to be a scam as setting up your QFS Wallet is supposed to be free to the best of my knowledge.

Watch out for: Anyone advertising they will reimburse you for the TRB Trump Products, or set you up on a Quantum Account asking for money to do it. (They use fake accounts and AI to make you think you are dealing with Trump, Tucker Carlson, etc.)

Also watch out for the HSBC Quantum Token/Bitcoin Scam, the TRB Trump Products Scam, the Dave XRPLion Impersonator Scam, the Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and any other website that asks that you give them your personal identification to register for a QFS Account and/or receive a pay out on TRB products.

DO NOT exchange currency or Zim Bonds anywhere but at a licensed Redemption Center where you will get the highest rates possible.

The HSBC Quantum Scam: They claim they've successfully applied "quantum technology" to buy and sell tokenized physical gold. The trick is when you buy the tokens or Bitcoin they keep the gold and have complete control over your bank account.

Report your TRB Scam experience to:

Victims of the TRB Scam, Ezra A.
