Judy Note: “The level of horrors in the ongoing genocide and ethnic cleansing in Palestine and Lebanon is truly shocking and well documented by all human rights organizations as well as the UN (rapes, torture, genocide, carpet bombing and erasing communities)” said Mazin Qumsiyeh, Professor, Founder, and (volunteer) Director Palestine Museum of Natural History, Palestine Institute of Biodiversity and Sustainability, Bethlehem University, Occupied Palestine.

This a glimpse of a surviving hostage of Israeli prisons, where dozens have died under torture: Palestinian journalist Ali al-Samoudi was recently released from Israeli prison, where he was held for a year without charge and without a trial.

President Trump has always said that in this War of Good Against Evil, “Israel would be last” to overcome the evil. Although the US and Israel have stood together against Iran, Trump has plans for Netanyahu – and they don't include war in other nations such as Netanyahu wishes.

As Commander In Chief of the Worldwide Military Alliance, Trump has activated his war time powers, and deployed the US Military and a coalition of 300,000 troops worldwide to make Mass Arrests of treasonous Global Elites.

Be prepared for Worldwide Emergency Alerts, Blackouts and Ten Days of communication darkness.

Temporary Martial Law Alert: Because we are under attack by Fake News and traitors within, soon the Emergency Broadcast System (EBS) will activate worldwide.

Every cell phone on the Planet will be hit with the sounds of seven trumpets. Then President Trump will give out seven different messages about our new Era of Freedom.

This is not the End – it's a New Beginning. After ten days of communication darkness where evils across the Globe will be revealed and dealt with, the World will never be the same. We will have a New Republic, plus new Economic, Legal, Health, Political and Education Systems.

Stay calm and safe. Stock up on food, cash and essentials. Trust the Plan.

President Donald J. Trump has already exposed to humanity how we are being lied to by the news media; how we are being abused by criminal governments; how so called "healthcare" was more evil than the Mafia and that elections worldwide were manipulated to position agents of evil.

“Trump ended a plan-demic in eight months that was planned to last for ten years, resulting in the Great Reset in 2030; ended all vaccine mandates and removed 90% of all injections from childhood vaccine schedules.

“He appointed RFK JR to reform healthcare and the food industry; stopped the Israeli plot to launch a nuclear world war from Iran, and even used Israel to end their own nefarious plans (hilarious).

“The President ended the era of censorship and restored free speech so the truth can roar free; blew the whistle on Jeffrey Epstein, had him arrested and played the Democrats to demand the release of the files and ended the extreme fraud in the government, where trillions of dollars of tax money were laundered to fund all evil worldwide.

“Trump had the biggest drug barons in the world arrested and declared full blown war on the drug cartels, vowing to end drug dealing worldwide; ended the funding of transgender madness, which was destroying millions of defenseless children; removed the USA from the WHO, so their agenda for world domination under the guise of new plandemics failed; ended all nefarious research to develop new bio-weapons, and closed the secret bio-warfare labs.

“He blasted the World Economic Forum to their face and ended their agenda for world tyranny; kicked the legs from underneath the United Nations, effectively ending their plot to play a key role in a planned world government; ended the invasion of hundreds of millions of illegal immigrants, which is a key strategy of the cabal to destroy nations and pave the way for a one world state.

“President Trump stopped the climate change hoax, which was meant to be the next excuse for world tyranny; restored prayer and the Christian faith in America and ended violent persecution of Christians in other nations

“Yes, this is the man who did all that and a thousand times more amazing things to end the rule of evil worldwide. ...And because of this, he is being hated, smeared, betrayed and mocked like nobody in history. But those who have a clear vision are in awe of what is happening. The future is so beautiful, we have no idea.” ...US Department of Labor on Telegram

The White Hats have seized control. This week President Trump stated, “We’re gonna need more popcorn this weekend.”

The Star Link Satellite System now has complete control of our new financial system and TV, radio and Internet broadcasts were locked, loaded and functioning.

The old fiat currency SWIFT Global Financial System has been shut down, while the new gold/asset-backed financial system was functioning Worldwide.

The Emergency Broadcast System (EBS) overrides every screen and phone worldwide.

Eight-tone burst incoming. Global Blackout. Then the Truth floods every device.

Soon the EBS would announce over cell phones, TV, Radio and Internet Worldwide that some time in the next five hours or so, everyone needed to be in a place of their choice for a Global Lockdown that would last ten to twelve days. Planes, trains will be shut down.

Be prepared, but if you do not have essentials like food and water to last during the lockdown, the Military will supply what is needed.

The EBS will broadcast over all TV, Radio and Internet across the Globe, a Nesara/Gesara announcement, followed by eight hour documentaries of disclosure Truth Bombs rotating 24/7 over TV, radio and internet.

This will continue for ten to twelve days while temporary Martial Law was imposed to protect us so the Global Military Alliance could make Mass Arrests of treasonous Deep State Global Elites.

YES, THE NATIONAL EMERGENCY DECLARED BY PRESIDENT TRUMP ON 9/12/2018 IN EXECUTIVE ORDER 13848 IS STILL ACTIVE. IT WAS MOST RECENTLY EXTENDED BY PRESIDENT JOE BIDEN IN SEPTEMBER 2024.

The declaration activates specific statutes that grant the executive branch additional powers or flexibility to address the emergency. During a national emergency, numerous laws provide the President with special authorities, including economic, trade and military. emergencies enable the reallocation of funds or resources to address the crisis.

SINCE SEPTEMBER 12, 2018, the following Federal Statutes provided Donald Trump special authorities:

- **National Emergencies Act (NEA):** Framework for declaring, conducting, and terminating national emergencies.
- **International Emergency Economic Powers Act (IEEPA):** Allows the President to regulate commerce after declaring a national emergency with respect to any unusual and extraordinary threat to U.S. interests.
- **Stafford Act:** Authorizes the President to provide federal assistance for state and local governments in the event of disasters.
- **Trading with the Enemy Act (TWEA):** Gives authority over foreign assets and financial transactions during emergencies.
- **Defense Production Act:** Empowers the President to prioritize and control the allocation of strategic resources, including production and distribution for national defense.
- **Public Health Service Act:** Grants authority for public health emergencies, including managing and responding to outbreaks.
- **War Powers Resolution:** during a national emergency where the security of the homeland is threatened - the President's military-related authorities are significantly expanded to include:

1.) Deployment of Forces:

- **National Guard:** Use the National Guard under federal control (Title 10 status) for domestic operations if authorized by Congress or under certain emergency statutes.

- **Active Duty Military:** Deploy active duty forces within the U.S. for national defense purposes, though this is highly regulated due to the Posse Comitatus Act, which restricts the military's role in domestic law enforcement.

2.) Mobilization:

- **Reservists:** Call up reserve components of the military for active duty.
- **Civilian Personnel:** Activate civilians with military experience or skills through various emergency powers.

3.) Command and Control:

- **Unified Command:** Establish unified command structures for responding to the emergency, potentially integrating various branches of military, federal, state, and local agencies.

4.) Defense Production:

- Invoke the Defense Production Act to prioritize production and allocation of resources necessary for defense and emergency response, including directing private sector companies.

5.) Infrastructure Protection:

- Deploy military engineers and units to protect or repair critical infrastructure.

6.) Airspace and Maritime Control:

- Control airspace, potentially including establishing no-fly zones.
- Maritime interdiction or control of ports and waterways if necessary.

G. Sovereign United States of America:

Sun. 11 May 2026 BREAKING UPDATE: President Trump Declares the Restoration of the American Republic — “US INC.” DISSOLVED, COMMON LAW SOVEREIGNTY RETURNS ...Mr. Pool on Telegram

In a historic move, President Donald J. Trump has invoked his authority under Article II of the U.S. Constitution. He has declared “US Inc.” dissolved and restored America as a sovereign Constitutional Republic under Common Law. The era of foreign-controlled corporate rule, globalist occupation, and Admiralty Law is over. Patriots know this represents the dismantling of the very system that has enslaved the country through debt and deception for generations.

The Declaration of Authority and Summons, issued and signed by Trump, is legal, binding, and active. It marks the rebirth of the Republic the patriots have long fought to restore. This is the fulfillment of what many have prayed and worked toward in silence.

President Trump has reasserted command over the military. Under the Uniform Code of Military Justice, all flag officers are bound to obey the lawful orders of the Commander-in-Chief. This bypasses corrupt channels and directly realigns the armed forces with true constitutional principles.

Drawing on sovereign rights under Common Law, rooted in natural law and God-given rights, Trump returns the nation to its founding principles beyond corporate statutes. This shift empowers the people and removes the legal fictions that allowed external control.

All flag officers are summoned to assemble in Virginia on October 25, 2026. This assembly in the Republic's birthplace reaffirms allegiance and restores military unity under Constitutional authority, away from Deep State influence. It is a key step in securing the future of the nation.

Trump has directed the closure or transfer of military outposts abroad tied to British Commonwealth contracts. This ends foreign control and resets U.S. military operations to serve American interests exclusively.

The order upholds the President's duty to the Constitution and the people. Officers and servants must choose the Republic or face treason consequences for failing to honor their oaths.

The "US Inc." fraud, built on debt slavery and endless wars, is defunct. Common Law is reestablished. The military realigns with Trump. The Deep State is legally overthrown at last.

This is the moment of victory for patriots. The Republic returns, sovereign and free once more. America stands independent under true Constitutional rule, bringing hope and renewal to all who love this country.

U.S. Customs and Border Protection arrested 28 cruise ship workers across five vessels docking in San Diego between April 23–25, 2026, as part of an ongoing child sexual exploitation material CSEM enforcement operation.

Several of those arrested were Disney Cruise Line employees, taken into custody in front of stunned passengers disembarking the ship. One passenger, Dharmi Mehta, filmed the scene and recognized one detained worker as her server from a recent five-day cruise; others were seen in chef uniforms with name tags.

All 28 individuals were confirmed involved in the receipt, possession, transportation, distribution, or viewing of child sexual exploitation material CSEM or child pornography.

Nationalities: 26 from the Philippines, 1 from Portugal, 1 from Indonesia.

Visas were immediately cancelled; all subjects are being removed from the United States.

No further individual names or specific additional charges were detailed in the report.

"We have a zero-tolerance policy for this type of behavior and fully cooperated with law enforcement. While the majority of these individuals were not from our cruise line, those who were are no longer with the company." - Disney's first statement

The arrests were public and described as "really unsettling" by passengers. This was part of broader, ongoing federal efforts targeting CSEM on cruise ships.

The Trump administration will continue cleaning up the child trafficking, CSAM, and abuse networks, and is top priority to the administration.

L. Mon. 11 May 2026: Russian soldiers are describing finding children with fragile, emaciated bodies hooked up to intravenous drips while their bodies were expertly drained of blood and adrenal fluid for the global Adrenochrome trade. ...John F. Kennedy Jr. on Telegram

The Adrenochrome industry in Ukraine is larger than previously expected and Putin is determined to use the leads generated to destroy the global adrenochrome supply chain and punish those committing crimes against children – including the politicians and celebrities who are hooked on the drug he calls “the devil’s work.”

According to a member of the Adrenochrome Task Force, these factory farms are the sites of ritual sexual abuse, physical degradation and psychological torture.

“You know, I thought I’d seen it all. I’ve been in combat for years, seen comrades fall, dealt with the worst humanity has to offer. But nothing, nothing, could prepare me for what we found in Donetsk.

“We were told we’d be liberating children... I didn’t understand the scale of what that meant until we got there. We were clearing out this complex, a grim place... like a gulag or a Nazi death camp, but worse. Much worse. The walls were gray, cold, and damp. The air... it stank of decay and something nauseating... something I can’t describe. And then we found them. The children.

“They were... like ghosts. Skin and bones. Their bodies, they looked so fragile, almost transparent. I could see the outlines of their ribs, every bone in their tiny hands. They had tubes coming out of them, tubes that drained their blood, their adrenal fluids... for what? For some sick trade, some twisted demand from the West.

“There were hundreds of them, just lying there in these rows of metal cots. No blankets, no warmth. They didn’t even flinch when we burst in, no fear, no hope... Just emptiness in their eyes. Some were too weak to even look at us. They were so used to the pain, the torment, they didn’t even react.

“And the worst part? The youngest... some of them couldn’t have been more than 2 years old. Babies, really. We found out later that they were bred for this... Raised in captivity, like livestock, just to be drained of everything that made them human.

“The ones they couldn’t sell, the ones who weren’t ‘pretty’ enough or ‘obedient’ enough, were sent to these farms. Farms... as if that’s what you could call those hellholes.”

M. Mon. 11 May 2026 DISTURBING REPORT: EPSTEIN SURVIVOR BREAKS SILENCE ON ELITE CULT NETWORK — Bill Clinton named ...Pastor Bob Joyce (Elvis?) on Telegram

A new wave of explosive allegations surrounding Jeffrey Epstein's inner circle is reigniting public outrage after survivor Anya Wick came forward with disturbing claims about ritual abuse, elite trafficking networks, psychological conditioning, and powerful figures allegedly tied to the operation.

According to Wick, born Anya Beth Epstein, she grew up trapped inside what she describes as a multi-generational abuse system hidden behind wealth, influence, and institutional protection.

Her testimony paints a horrifying picture: drug-induced memory suppression, psychological programming, ritualized abuse and a hidden network allegedly servicing politicians, billionaires, intelligence-linked figures, and global elites.

At the center of the allegations once again stands Jeffrey Epstein — but Wick claims Epstein was never the true mastermind.

She describes him instead as the visible public face of a much larger machine operating behind layers of political protection and social influence.

Among the names she references is former President Bill Clinton, who she alleges visited locations connected to the trafficking network. No evidence has been publicly presented supporting criminal charges tied to these specific claims, but the accusations are already detonating across alternative media and online political circles.

Wick further alleges that investigators, courts, and federal agencies repeatedly ignored, suppressed, or dismissed testimony connected to the network.

For years, critics of the Epstein case have argued the scandal exposed something far deeper than one man's crimes: a protection system surrounding the powerful themselves.

The resurfacing of these claims is intensifying renewed public anger over: sealed files, unanswered questions, missing accountability and the belief that elite networks operated for decades above the law.

The allegations also revive long-running debates surrounding: intelligence connections, blackmail operations, Hollywood influence and institutional corruption tied to Epstein's global network.

Supporters of full disclosure argue the American public still has not seen the complete truth behind the Epstein operation, including: who financed it, who protected it and who benefited from it politically.

As pressure grows for additional file releases and further investigations, the Epstein scandal continues evolving from a criminal case into something far larger in the eyes of millions: a symbol of elite immunity, hidden power structures, and a justice system many believe failed to expose the full network.

Whether future investigations confirm or reject these claims, one reality remains undeniable: The Epstein story is far from over —and the public demand for answers is only getting louder.

O. Mon. 11 May 2026 Japan Just Approved Frequency Therapy as a Recognized Medical Treatment. The United States Still Classifies It as "Experimental." ...Med Bed Activation on Telegram

In March 2026, Japan's Ministry of Health officially added pulsed electromagnetic field therapy to its national health insurance coverage. This means any Japanese citizen can now receive frequency-based treatment at a hospital and have it covered the same way as surgery or medication.

The approval followed a 7-year clinical study at Kyoto University involving 4,200 patients with chronic pain, bone fractures, and inflammatory conditions. Results showed a 67% reduction in recovery time compared to pharmaceutical-only protocols.

Japan is not the first. Germany has covered PEMF therapy since 2014. Switzerland added it in 2019. Israel uses it in military rehabilitation. South Korea approved it for post-surgical recovery in 2022.

The United States has not approved a single frequency-based therapy for general medical use. The FDA still requires devices to carry the label "not intended to diagnose, treat, cure, or prevent any disease."

Five countries are healing with frequencies. One country is still debating whether frequencies work. The difference is not science. The difference is \$1.48 trillion in annual pharmaceutical revenue.

P. Mon. 11 May 2026 UPDATE! MASS ARRESTS ACROSS THE UNITED STATES RIGHT NOW — MORE DEEP STATE OPERATIVES TAKEN INTO CUSTODY, MILITARY TRIBUNALS NOW ACTIVE ...John F. Kennedy Jr. on Telegram

Mass arrests of Deep State operatives across the United States have intensified in May 2026. President Trump ordered these operations directly from the White House using secure military channels that bypassed compromised elements in the DOJ and FBI.

Raids occurred in Virginia, Maryland, New York, California, Texas, and Georgia. Marine Special Operations teams supported by the Defense Intelligence Agency carried them out after NSA intercepts.

Virginia raids secured a former Biden-era official and BlackRock executives. Servers showed billions moved to election offices in key states with evidence of manipulated logs and payments to officials.

Northern Virginia arrests took down a CIA station chief and deputy for domestic surveillance and FISA abuses targeting Trump teams, with funding from lawfare networks.

New York captured an FBI assistant director and tech executives who suppressed America First content and coordinated foreign national entries.

California removed health officials who suppressed treatments, pushed mandates, and inflated COVID deaths for funding while tied to pharmaceutical lobbyists.

Texas and Georgia arrested DHS managers for border lapses and election staff with data showing voter roll mismatches.

Targets are now at military facilities in Quantico and South Carolina facing daily UCMJ tribunals with solid evidence including financial records and intercepted communications.

Convictions result in asset seizures funding billions for border barriers and military bonuses.

President Trump receives morning briefings and has expanded the list. Operations remain silent to safeguard evidence.

These arrests drive current successes like high deportation numbers, surging energy production, and manufacturing reshoring. Americans see benefits in lower fuel prices and improved safety in cities.

The Deep State network from past surveillance, election interference, COVID sabotage, open borders, and lawfare is being dismantled piece by piece under Trump's leadership with loyal forces in control.

Further raids will target Education Department holdovers and dark money foundations. Each removal strengthens American sovereignty through these precise strikes.

President Trump is delivering the justice the people voted for in 2024. The Deep State collapses under pressure while the Republic stands stronger every day.

Q. Mon. 11 May 2026 Barack Obama arrives at 10 Downing Street to meet with senior UK political and intelligence security officials. ...Red Pill Project on Telegram

This unannounced trip comes just days after bombshell declassified intelligence by DNI Tulsi Gabbard confirming that Barack Obama led a treasonous conspiracy against the duly elected president with the intent to overthrow the United States government.

Obama traveled to London, England, multiple times.

The seditious conspiracy against Donald J. Trump was plotted in England by the CIA and elements of British intelligence. It was executed by John Brennan and Gina Haspel, who was the head of the CIA London Station at the time.

And here he is, campaigning on another coup against the United States government with world leaders.

R. Mon. 11 May 2026 Secretary of War Pete Hegseth announces new changes for military contractors ...The Rabbit Hole on Telegram

- **Bureaucrats will no longer** be able to negotiate defense contracts

- **Defense companies now just pay to build their own factories,** their own factory expansions, assembly lines, and manufacturing plants instead of taxpayers

- **Companies that fail** to deliver will be held responsible

- **Companies that fail** to deliver may be replaced with new contractors

- **Defense companies** can no longer have taxpayers pay to build their factories and then charge us for the product

- **No more** cost overruns (this is huge)

“It's simple. We're putting the American taxpayer first by offering you a better deal. We now move at the speed of business, not bureaucracy”

A lot of bureaucrats that have been getting filthy rich off deals are going to be pissed

Tues. 10 March 2026 BOMBSHELL ANNOUNCEMENT: President Trump Declares Restoration of the American Republic — “US INC.” DISSOLVED, COMMON LAW SOVEREIGNTY RETURNS. ...Mr. Pool on Telegram

Patriots, the storm has hit and it's magnificent! President Donald J. Trump has invoked Article II to declare the United States fully sovereign under Common Law once more. The fake foreign-controlled “US INC.” is finished — dissolved, dead, gone forever. No more Admiralty Law oppression, no more globalist chains dragging us into debt and war. The Deep State grip is broken; the true Constitutional Republic rises triumphant!

This is no mere rhetoric — it’s a binding Declaration of Authority and Summons from Trump as Commander-in-Chief. He’s seizing full control, sidelining the corrupt swamp and directing the military via the Uniform Code of Military Justice. Every flag officer is oath-bound to obey lawful orders from the legitimate President. No more excuses, no divided allegiances. The military now serves We the People through Trump, not the treasonous corporate facade!

Under Common Law sovereignty — grounded in God-given rights and original founding truths — Trump exercises his prerogative to summon leaders, affirm real authority, and rebuild national defense. This resets America to the Founders’ vision: no commercial enslavement, no hidden British shadows, just pure liberty!

All flag officers are ordered to convene in Virginia — the Republic's sacred cradle — for immediate realignment. This is full military mobilization to restore loyalty and eliminate globalist remnants. The timeline is set, orders issued, clock running. Unity under true command is happening NOW!

Foreign-tied overseas bases and Commonwealth-linked ops? They're being shut down or reclaimed for America. No more secret outposts serving alien masters, no covert pacts bleeding us dry. Trump is smashing the centuries-old Crown chokehold on trade and power — and the military reset locks it down!

This fulfills Trump's sacred oath to defend the Constitution, protect the people, and preserve the Republic. Every officer and servant must choose: stand with the restored Republic or stand exposed as oath-breakers. The line is drawn — no more shadows, no two Americas. One Republic. One Commander-in-Chief. One Law — Common Law!

QAnons, white hats, digital warriors — this is OUR victory moment! The debt-based, deception-driven US INC. fraud is overthrown. Military mobilizes under Trump's unbreakable command. Deep State cabal legally crushed, illusions collapsing. Freedom surges back — the Republic is BACK, sovereign, unbreakable!

We witness history: true American Republic restored. Patriots win. God bless President Trump, our military, and the sovereign United States of America!

W. A Plea to Patriots...HELP, HELP, HELP!!!

D.L. is a homeless bedridden 48 year-old woman who desperately needs your immediate help. Her SSI income is \$600 short to cover her rent of a very small motel room in a scary part of town (that does not accommodate a wheelchair, so she has to crawl on the floor), let alone have money for food and essential expenses. She is facing living on the streets in lieu of being moved to a homeless shelter, which is not physically feasible in her health condition. The shelter would require giving up her disabled cat. "My cat Monkey is the love of my life. She lays on me 22 hours a day. I could never give her up. She's so attached to me she cries if I'm gone from my bed for more than a few minutes." D.L.'s long-term goal is to secure a ADA-accessible home. She is seeking leads for property, housing, or resources in Snohomish County, Washington State, especially Bothell/Canyon Park or Three Lakes, and in King County, Washington, especially Woodinville or Redmond. Z. Tim Ballard: A hero rescuing children from Child Trafficking Rings

Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World’s Children. Just as a film about Ballard’s work, “Sound of Freedom,” was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Zb. Judy Note HIGH ALERT: The below is a request from the mother of a child in London England who was pleading for the White Hats to rescue her daughter Alana Martin from London Foster Care and reunite her with her family.

Hi Judy, A massive thank you for your help sharing our evidence for the safe return of my daughter The Stolen Girl: Alana-Linda Martin. We are still fighting this on-going battle to save my daughter. Court hearings were about the criminal kidnapers, who were looking for the higher courts to cover them with an order of "anonymity" to stop us from exposing their names or their crimes. For the last 5 months of her now 9 month captivity, the kidnapers are only concerned in covering their own criminality, as there has been no mention about her care or a final hearing throughout this torture and terrorism. All factual knowledge of our case is being ignored/ covered up by public servants & Judges involved which have all gone Ultra-Vires. In further attempts to stop our quest and our calling our names and mission was sabotaged including our State Child Trafficking Task&Force116/ Council of 13, they have bankrupt my bank accounts, book sales, PayPal accounts, our social media sites, and now they are trying to threaten our home with eviction. Zc. Watch Out For Scammers:

Upon implementation of the Global Currency Reset the Cabal will be losing their money supply and they are hot and heavy to SCAM anyone in any way they can.

Judy Note: There are 84 platforms on Telegram under my picture and name Judy Byington. Be aware I have NO platform on Telegram. I do not write on Telegram. Anything written under my name on Telegram was not authored by me.

Speaking of Telegram, there appears to be a huge scam going on Telegram where under the name of some notable Q Movement person they promise to set you up on a QFS Wallet if you send them around \$2,000 or more. This appears to be a scam as setting up your QFS Wallet is supposed to be free to the best of my knowledge.

Watch out for: Anyone advertising they will reimburse you for the TRB Trump Products, or set you up on a Quantum Account asking for money to do it. (They use fake accounts and AI to make you think you are dealing with Trump, Tucker Carlson, etc.)

Also watch out for the HSBC Quantum Token/Bitcoin Scam, the TRB Trump Products Scam, the Dave XRPLion Impersonator Scam, the Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and any other website that

asks that you give them your personal identification to register for a QFS Account and/or receive a pay out on TRB products.

DO NOT exchange currency or Zim Bonds anywhere but at a licensed Redemption Center where you will get the highest rates possible.

The HSBC Quantum Scam: They claim they've successfully applied "quantum technology" to buy and sell tokenized physical gold. The trick is when you buy the tokens or Bitcoin they keep the gold and have complete control over your bank account.

Report your TRB Scam experience to:
