"Go back, James, He said. Tell them that the shadows are real, but the Light is greater. Tell them that 2026 will be known as the time when the silence of God ended. It is not a year of political victory, or defeat, but a year of destiny. Tell them to stop building their lives on the sand of human leaders, but to start building on the rock of My Word. Tell them I am coming for a bride who is awake, not a crowd that is arguing."

Judy Note: President Trump declared **Sun. 17 May 2026**, the nation's 250th birthday, a national day of prayer and a time "to rededicate America as one nation under God." On Sunday thousands of Americans converged on the National Mall to mark the anniversary with a prayer festival featuring religious music and speeches by leaders from across faiths.

"This is recognition of the deeply embedded history and religious and moral tradition of the country," House Speaker Mike Johnson (R-La.) told "Fox News Sunday" about Sunday's massive religious gathering in DC.

It's Official: As of that same Sun. 17 May 2026 the Federal Reserve of 1913 was dead. With Powell out, Warsh in and the US Treasury taking control of US Taxpayer dollars, the Markets were bracing for a World Economic Reset: 0% Income Tax, 0% Property Tax, 0% Gains Tax – through the Global Currency Reset, which has been released.

Now US Taxpayer monies will be collected and dispersed under the new gold-backed US Treasury. We will never go back to the old currency system. No more printing money out of the blue. All existing fiat money is being replaced. The Central Bank system will no longer be owned by the Federal Reserve. The Cabal department's entire former slavery financial system is dead! No more paper notes (fiat). No more SWIFT. No more monetary slavery!

It's Official: The 2020 Election has been ruled invalid. All elected federal and state officials positions were null and void, as well as any legislation they passed. The fraudulent election was verified through an official Military count of watermarked ballots. The Democratic Party was discovered to have worked with the Chinese Communist Party and 65 foreign countries including Venezuela, to take control over U.S. voting infrastructure in at least 28 states, attacking seven key states and over 600 county polling locations to swing the 2020 Election to Biden. The CCP leveraged financial, nongovernmental and foreign allies to acquire influence. Electronic voting machines were compromised and millions of invalid ballots were used in the election.

Also on Sun. 17 May 2026 a major US Air Force airlift was surging to the Middle East as the Iranians keep acting out and playing games. Sunday afternoon President Trump dropped this message on Iran, “The Mullahs are 100% surrounded in all directions.” He added that the United States military was prepared to take over Iran **by Mon. 18 May 2026.**

It's about time. Since at least 2008 (when the Deep State Cabal took out bankruptcy on their Federal Reserve and control of the US Taxpayer dollars) Iran has been building up their nuclear capabilities, plus murdering American soldiers with IEDs.

On 2 May 2011 Bin Laden was killed in a controversial scandal. Three months later on 6 Aug. 2011, 33 individuals, including 22 Seals who had knowledge of the Bin Laden scandal, were sent on a slow, heavy Chinook helicopter to a village in Afghanistan – where they were shot down like sitting ducks. A stinger missile found in wreckage was traced back to the CIA.

On Sept. 11 2012, the exact eleventh anniversary of the 9/11 attacks on the World Trade Center, the Benghazi Massacre happened with apparent approval of Obama and his Secretary of State, Hillary Clinton – they doing nothing to stop it. Benghazi was believed to be a cover for gun running and missiles to various terrorist groups.

By July 9, 2015 VP Biden knew that the Defense Department had conclusively found that Iran had directly murdered a minimum 500 US soldiers with Improvised Explosive

Devices (IED) in Iraq over the past seven years – since 2008. Yet a few days later on **July 14, 2015**, VP Biden cheer led the Iran Nuclear deal that handed Iran \$150 Billion dollars in cash.

When Obama shipped the \$1.7 billion in cash to Iran he claimed it was part of his Iran Nuclear Deal. Within two years of the cash transfer to Iran the U.S. government had traced some of the \$1.7 Billion to Iranian-backed terrorists. In reality Iran had extorted the Obama Administration for the \$1.52 Billion in exchange for them keeping the Ben Laden, Seal Team Six and Benghazi Massacres secret.

It's amazing how much we tend, or want to forget – or perhaps at least put under the rug. Below is an article I wrote back on **Tues. 21 Sept. 2021** [Biden's, Obama's, Clinton's and the CIA's Seal Team Six and Benghazi Massacres | Politics | Before It's News](#)

It was all said to have started some time in 2011 when the then US President Barak Obama ordered his CIA Director John Brennan to ask Iran, which had been harboring Bin Laden, to set him up in Pakistan in order for Obama to get a photo trophy to help with his re-election.

On May 1 of 2011 Bin Laden or a body double, was taken down by Seal Team Six. Three months later a massacre of that same Seal Team Six took place, said to be compliments of President Obama, Vice President Joe Biden and their CIA.

On May 24th, 2011 Obama was said to have Biden and the CIA leak operational details of Seal Team Six take out of Bin Laden. Less than three months later by August 6th, 2011, 33 individuals, including 22 Seals who had knowledge of the Bin Laden scandal, were sent on a slow, heavy Chinook helicopter to a village in Afghanistan – where they were shot down like sitting ducks. A stinger missile found in wreckage was traced back to the CIA.

Then less than four months later on Sept. 11 2012, the Benghazi Massacre happened. Benghazi was found to be a cover for running guns and missiles to various terrorist groups.

By July 9, 2015 VP Biden knew that the Defense Department had conclusively found that Iran had directly murdered a minimum 500 US soldiers with Improvised Explosive Devices (IED) in Iraq over the past seven years. Yet a few days later on **July 14, 2015**, VP Biden cheer led the Iran Nuclear deal that handed Iran \$150 Billion dollars in cash.

When Obama shipped \$1.7 billion in cash to Iran he claimed it was part of his Iran Nuclear Deal. In reality Iran had extorted the Obama Administration for the \$1.52 Billion in exchange for them keeping the Ben Laden, Seal Team Six and Benghazi Massacres secret.

[Bill Gertz's Pentagon sources reported](#) that much of the actual \$1.7 Billion cash bills sent to Iran made their way to Hezb'allah in Lebanon, the Houthis in Yemen, and to the hardline

Quds forces of Iran. Within two years of the cash transfer to Iran the U.S. government had traced some of the \$1.7 Billion to Iranian-backed terrorists.

Yet, in the ten years since the Seal Team Six and Benghazi Massacres, the fake killing of Bin Laden and \$1.5 Billion of taxpayer dollars that went to terrorists, the Mainstream Media has continued to cover up these breaking stories. Why?

Also in the ten years since the Global Military Alliance had been preparing for a big announcement, quietly building a network of satellites and secure communications.

Soon every cell phone on the planet will be hit with seven trumpet sounds transmitted from the Starlink Satellites, bypassing the Elite controlled Media channels.

The Military will take position. Lights will go out. Sirens will echo.

E. Sat. 16 May 2026 Urgent: The Kazarian Mafia's Master Plan for World Domination!
EBS Alert: 10 Days of Darkness – “The World Will Never Be the Same!” ...Nesara Gesara on Telegram

In the concealed pages of history lies a shocking truth about the Khazarian Mafia hidden from the masses. Originating from a civilization between Russia and Ukraine, they worshipped Lucifer and Baal while disguising themselves as Jews to conceal their true loyalties.

This group orchestrated the Bolshevik Revolution, resulting in over 30 million deaths as they pursued global power. They then infiltrated Israel during its founding and embedded deeply into the Mossad.

Accusations of anti-Semitism often serve as a diversion to shield their activities. Their influence spreads through the Illuminati, global politicians, Hollywood elites, corporations, the justice system, and the Democratic Party.

Prominent names like the Clintons and Obamas are tied to satanic practices including pedophilia, organ harvesting, adrenochrome extraction, and child sacrifice within an international trafficking ring connected to the Vatican.

This Cabal unites the UN, UK Royalty, the Vatican, the Deep State, Rothschilds, Rockefellers, the Federal Reserve, and the IRS in efforts to undermine American freedom and morality.

Donald Trump emerged as the courageous warrior who grasped the full scope of this evil. Guided by a divine mission, he became the defender against this shadowy empire threatening humanity.

The Khazarian Mafia's master plan for world domination has shaped events for centuries, yet growing revelations are sparking a major awakening.

An EBS alert heralds 10 days of darkness set to transform the world. The Emergency Broadcast System will air continuous revelations exposing corruption, fraud, and horrifying pedophilia networks among the elite.

Patriots must stockpile supplies as internet and financial systems go dark. Communication will be restricted to emergencies.

Once complete, a new Quantum Internet will rise, eliminating the old corrupt networks and establishing truth as the core principle. Mainstream media will be silenced to halt ongoing propaganda.

Throughout these 10 days, the population will absorb hard truths about the global cabal. The Great Awakening unfolds powerfully as the old guard's deceptions crumble.

This purge clears generations of deceit, preparing for a restored republic rooted in justice and liberty. Patriots must stay vigilant, for truth is the greatest weapon in the fight against darkness.

Over the past 48 hours, select financial institutions connected to Tier 4B have begun receiving encrypted communications signaling operational readiness. Trusted sources inside international banks have confirmed that “test transactions” using the ISO 20022 protocol are already live in select corridors, quietly shifting large sums under the radar.

Key personnel from Tier 4B groups have been asked to remain on standby, with instructions to be ready for immediate action. Secure channels are buzzing with updates, some have already seen notifications of pending liquidity releases. This is no longer speculation; the process has started.

Meanwhile, several governments are holding emergency sessions behind closed doors, adjusting regulations to accommodate the new financial architecture. Insiders report that old systems are being quietly dismantled, and the first waves of asset revaluation are in motion.

If you're reading this, understand: the reset isn't just coming, it's underway. The public will soon see the effects, but those paying attention are already witnessing history in real time.

H. Judy Note: We have been told that Wells Fargo, which is controlled by the Chinese Elders – (the ones who own the gold behind the Global Currency Reset) – will send out emails to currency and bond holders worldwide telling them how to set redemption & exchange appointments. It is advised to exchange/redeem your foreign currency at an official Redemption Center (RC) rather than a bank. You can only redeem Zim at a RC, the Dinar Contract Rate can only be given at a RC and banks will offer you lower exchange rates than what you can obtain at a RC. You can only set up your new wallet (bank account) at a RC. It was my understanding that most banks were under control of the Cabal and would soon play a different roll in the Global Financial System.

As of 12:01 am EST on Sat. 16 May 2026 the Quantum Financial System fully synchronized with Nesara Gesara protocols and the White House triggered the final phase: EBS signals were now live across the new Star Link Satellite System – overriding all mainstream narratives.

Those high level elites in Washington now faced explosive allegations following last week's CIA raid on Director of National Intelligence Tuli Gabbard's office. Agents seized documents related to the JFK assassination and MK Ultra just as they were slated for declassification under President Trump's transparency drive.

The stolen MK Ultra documents reinforce long-standing fears surrounding covert psychological operations, institutional secrecy and misuse of medical or scientific authority by intelligence agencies.

Since it's inception after World War II, the CIA has been exploring methods of influencing human behavior at a mass psychological level according to adult survivors of the program – who were sold as children to the CIA by their multigenerational Satan worshipping parents.

The MKULTRA subjects grew up being daily abused, raped and tortured by CIA agents. Child victims were the main focus of the CIA experiments because of the influence of trauma on their developing brains.

Congressional investigations in the 1970s exposed that the CIA conducted these unauthorized experiments involving children, LSD, psychiatric manipulation, sensory deprivation and behavioral testing. Sometimes the subjects were unsuspecting adults without informed consent, but child victims were fully controlled by perpetrators throughout their lives.

Congress refused to release results of two inquiries and Congressional Hearings on MKULTRA and supposedly shut down the program – but not until all records were destroyed. Survivors of the torture program claimed it was still going on today.

N. Sat. 16 May 2026 THE ORPHANAGES WERE FACTORIES. ...Juan O Savin (JFK Jr.?) on Telegram

In the late 1800s, orphanages in America and Europe housed MILLIONS of children. The official numbers are staggering. New York City alone had over 100,000 children in institutional care by 1890.

One hundred thousand. In ONE city. The official explanation? Poverty. Immigration. Disease. Parents dying in epidemics. But the math doesn't work.

New York City's population in 1890 was about 1.5 million. That means roughly 1 in every 15 people in the city was an orphaned child in an institution. That's not a poverty problem. That's a POPULATION problem.

Where did all these children come from? And more importantly — where did they GO? The orphanages weren't just housing children. They were PROCESSING them. Children entered with one name and left with another. Children entered speaking one language and were

forced to speak English. Children entered with memories of their families and were told those memories were lies.

The records from these institutions are almost entirely DESTROYED. Fire. Flood. “Administrative loss.” The same pattern we see everywhere. But some records survived. And what they show is disturbing.

Children as young as 3 were “placed out” to families across the country. No background checks. No follow-up visits. No documentation of where they ended up. They were loaded onto trains — the ORPHAN TRAINS — and shipped to rural towns where farmers picked them like livestock at auction.

Between 1854 and 1929, an estimated 250,000 children were transported this way. But here’s what nobody asks: If these children were truly orphans of immigrant parents who died of disease — why did they need NEW NAMES? Why did they need to FORGET their past? Why were their records DESTROYED?

You change someone’s name when you want to erase their identity. You destroy records when you want to erase their origin. You scatter them across a continent when you want to make sure they never find each other again.

These weren’t orphans being saved. These were children of the PREVIOUS CIVILIZATION being absorbed into the new one. Their identities erased. Their language replaced. Their history deleted. The orphanages weren’t charities. They were PROCESSING CENTERS for the children of a conquered people.

And the system worked perfectly. Within one generation, the children forgot who they were. Their grandchildren never knew. And today, millions of Americans carry the bloodline of the old civilization without the slightest idea.

O. Sun. 17 May 2026 Epstein Files Exposed: Oprah Winfrey, the Elite Baby Trafficker Wearing Jewelry Crafted from Innocent Child Remains! ...John F. Kennedy Jr. on Telegram

The mainstream media's desperate cover story: Oprah's endless connections to pedophiles, traffickers, and baby farms are just "unlucky coincidences." But patriots know better—the Epstein files have ripped the veil off a massive web of elite depravity, trafficking, and ritual horror on a global scale.

Hundreds of top-tier names and corporations are entangled, and insiders confirm one central figure ties it all together: Oprah Winfrey. The so-called queen of daytime TV, worming

her way into millions of homes, now stands accused by multiple Epstein survivors as "the Broker"—funneling defenseless children to the world's most powerful predators, then flaunting twisted souvenirs: gold jewelry embedded with pieces of their tiny bodies, all while pretending to console desperate mothers on her show.

Buckle up, warriors—this revelation accelerates from zero to apocalypse in seconds, and the storm is just beginning.

Oprah's facade is crumbling fast. Her alliances with Harvey Weinstein, Epstein's inner circle, and her "spiritual healer" John of God—who she hyped until his baby-trafficking empire was exposed—are no accident. Fresh Epstein docs show a witness testifying Epstein paid for "birthing babies for black market use," directly linking him to John of God... and Oprah as the connector.

FBI whistleblowers are finally confirming what we've known: Oprah wasn't just Epstein's pal or John of God's buddy—she was their operational partner, delivering vulnerable kids and newborns to the cabal's clutches.

While collecting awards like Disney's Legend honor, she orchestrated horrors behind closed doors. Disney cruises full of children docking at Little St. James? Not coincidence—it's the system.

Epstein files tie him to Wayfair "furniture" buys for Woody Allen. Survivor Juliette Bryant exposes Epstein's boast: he controlled OWN Network, using Oprah's empire for blackmail and domination.

At Zorro Ranch, Epstein's "baby factory" impregnated girls to harvest for his "superior bloodline." Victim Hope Beryl-Green details aborted babies in cryogenic experiments underground. Flight logs and testimonies place Oprah there repeatedly—as recruiter, overseer, the dark high priestess.

The Brazil trail reveals the endgame: elites like Oprah thought they could play gods with lives. But the white hats are closing in—arrests are imminent, tribunals gearing up.

Whistleblowers naming Oprah as the architect have been silenced, but their sacrifice fuels the Great Awakening. Ties to Clinton, Campbell, Abramovic? It's all unraveling.

Patriots, this is our moment! Trump signaled the takedown—Med Beds rolling out, Operation Lazarus Phase 3 activating, hospitals crumbling under the weight of truth. The deep state trembles as we expose their baby-eating monsters. Q drops warned us: Oprah's fall will shatter the illusion. Stay vigilant—the storm hits full force tomorrow, and victory is ours!

P. Sat. 16 May 2026 PIZZAGATE DETONATED: SECRET UNDERGROUND TUNNEL NETWORK EXPOSES RITUAL HORRORS LINKED TO PODESTA, CLINTONS & ALEFANTIS ...Shadow of Ezra 2.0 on Telegram

A covert tunnel system beneath Washington D.C. ties directly to properties linked to Podesta, the Clintons, and Alefantis. Equipped with lasers and sensors, this shadow network reopens the darkest questions of Pizzagate with shocking new detail.

Beneath the ceremonial facades of Washington D.C. in 2026, independent investigators have unearthed a sprawling underground tunnel system. This network links directly to properties associated with the infamous Pizzagate figures. These are sophisticated corridors protected by lasers and sensors, not mere maintenance tunnels.

The implications are profound for understanding the hidden operations of the elite. This subterranean kingdom sits below the visible power structures, potentially enabling activities long suspected in truth movements.

Investigations reveal hallways with infrared beams, detection panels, and passageways built for secret movement. The military-grade technology underscores a level of control meant to hide important secrets from the public eye.

Central to the network are John Podesta, whose emails introduced spirit cooking to the world, the Clintons with their history of questionable global engagements possibly tied to trafficking, and James Alefantis, the pizza shop owner at the storm's center.

Property records solidify these connections, returning again and again to the same circle of influence and corruption.

This finding shatters previous debunkings of Pizzagate. The tunnels are physical reality, the links are documented, and the security systems are advanced. Skeptics must now confront the infrastructure that validates many concerns.

Questions remain about how long this shadow network has existed beneath the capital. As information spreads in independent circles, the demand for answers grows louder amid official silence.

The discovery thins the line between dismissed conspiracy and hidden truth. It stands as potential evidence of ritual horrors and elite depravity that patriots and Q researchers have highlighted for years.

What lies beneath is a real system pulsing with the weight of untold stories. The tunnels force a reckoning, confirming that Pizzagate may be far more real than many dared to believe, built into the very foundations of Washington D.C.

S. Sun. 17 May 2026 CIA MKULTRA BOMBSHELL: Declassified Docs Reveal Plan to Drug and Control the Population – PsyOps to Sedate the Masses ...The MAGA King

Declassified CIA documents have revealed a covert psychological warfare program intended to drug entire populations using food, water, vaccines, and everyday items. This is the

authentic MK-ULTRA exposed in full, with the battle for control over human minds raging from years past straight into 2026.

Project ARTICHOKE formed the initial blueprint for these civilian-targeted operations. Initiated in 2021 under the CIA's Office of Scientific Intelligence, the effort prioritized weaponized control of the mind over any defensive purpose. It involved testing on soldiers, prisoners, mental patients, unknowing civilians, and political targets.

Objectives centered on erasing memories, forcing confessions, inducing anxiety, paranoia, helplessness, and amnesia while developing sleeper agents who would act without awareness. The strategy emphasized hiding drugs in common substances like food, water, alcohol, cigarettes, and medical treatments including vaccinations.

Declassified pages contain the direct quote that this type of drug should be capable of use in standard medical treatment such as vaccinations and shots. This establishes vaccines as a key delivery mechanism for mass behavioral manipulation without consent.

Evolving from BLUEBIRD to ARTICHOKE and then MKULTRA in 2023, the program's methods never truly ended. They were refined and integrated into modern structures. Today in 2026, they manifest as mental health programs, pharmaceutical dependencies, social media influence, and compliance campaigns.

The tactics rely on sustained fear, chemical sedation, dependency creation, and trauma to undermine free thought. This ongoing war targets the sovereignty of the individual mind through repackaged systems in government and industry.

Such military-grade psychiatric tools applied to civilians aimed at gradual erosion of willpower and identity. The vaccine component explains aggressive pushes for mass injections and suppression of dissent in favor of enforced obedience.

In 2026 the government and Big Pharma nexus sustains these efforts with digital tools and behavioral initiatives to keep populations dulled yet submissive. This biochemical psyop represents a silent assault on autonomy and resistance.

The fight remains to reclaim independent thought from deep state control mechanisms.

While families in Georgia were begged to conserve water during a brutal drought and faced low pressure in their own homes, a massive QTS data center was secretly guzzling nearly 30 MILLION gallons through two unbilled industrial pipes for over 15 months.

This was not a “billing error.” This is how the globalist machine operates. These data centers are not innocent server farms. They are the backbone of the AI surveillance beast being built to monitor, control, and replace us. Big Tech and their government partners let this theft slide for over a year until locals complained loud enough. Then suddenly they “pay” a measly \$150k with zero fines.

U. Sun. 17 May 2026 HEALTH ALERT — BRAIN SURGEON WARNING: “They’re Spraying Nano-Aluminum Into the Sky — It’s Going Straight to Your Brain” ...Mr. Pool on Telegram

Dr. Russell Blaylock, an experienced brain surgeon, issues a grave warning. Nano-aluminum sprayed through geo-engineering programs may be contributing to the rise in Alzheimer’s and Parkinson’s by targeting key brain areas.

In a world full of distractions, Dr. Blaylock has sounded the alarm for years. The board-certified neurosurgeon states that nano-aluminum is sprayed into the atmosphere, entering the nose and going straight to the brain.

This is supported by studies and medical trends. Nano-sized particles bypass defenses. They travel via the olfactory nerve to the hippocampus, the region most affected in Alzheimer’s.

This critical area handles memory, cognition, and emotions. Exposure leads to inflammation, cell death, and brain tissue degradation.

With geoengineering intensifying in recent years through 2026, neurodegenerative diseases have surged. Alzheimer’s affects over six million Americans and has doubled globally in two decades. Parkinson’s is the fastest-growing neurological condition. Early-onset dementia rises among those under sixty.

Dr. Blaylock predicted these increases and notes both conditions have risen significantly since large-scale operations started.

Geoengineering is promoted as a solution to cool the planet with reflective particles. Yet there is no transparency, no consent, and no thorough health studies on inhaling these substances.

Some view the climate narrative as a cover for dangerous activities. Blaylock calls it criminal, not just poor science.

Aluminum appears in vaccines, foods, cosmetics, and water too. This widespread use may keep the medical community silent to protect industries.

Blaylock tells doctors that knowing and not speaking out makes them complicit.

The public faces constant exposure to these nano-metals in the brain without approval. Increases in mental fog, memory loss, anxiety, depression, and degenerative diseases may be linked to this engineered threat.

Brains are at risk as long as the skies remain contaminated. Medical evidence meets toxic exposure and political inaction. People with symptoms deserve truth instead of denial.

Dr. Russell Blaylock has called it out clearly. The science backs it, and the surrounding silence is loud. It is time to wake up and demand change before more harm occurs.

W. Sun. 17 May 2026 BREAKING SPECIAL REPORT: ROCKEFELLER ELITES Patent REMOTE CONTROL Technology for HUMAN CELLS: They Can Switch CELLULAR ACTIVITY On and Off From Afar ...Tier4b Martial Law on Telegram

A shocking patent connected to Rockefeller elites is igniting fierce debate. It reveals technology capable of remotely controlling human cellular activity with nanoparticles and radiofrequency signals. Concerns center on bio-digital systems that threaten human autonomy and enable advanced control by globalist forces.

Rockefeller University filed a controversial U.S. patent now gaining traction. Designated U.S. Patent No. 10,786,570 B2, it was submitted in **2024 and granted in September 2025**. The title is "Ferritin Nanoparticle Compositions and Methods to Modulate Cell Activity." It details iron oxide nanoparticles that use external radio waves to modulate cell functions.

These nanoparticles enter the body and respond to radiofrequency energy by creating localized effects. This activates mechanisms like TRPV1 ion channels and calcium pathways, allowing engineered responses such as insulin production. The result is the ability to remotely turn cellular activity on or off from a distance.

Critics highlight how this could develop into broader bio-digital control networks. Linked to mRNA tech, injectable nanoparticles, and wireless systems, it points to future interfaces between bodies and external tech grids. It suggests long-planned research into remote cellular engineering by elite institutions.

Fears about bodily autonomy and surveillance grow stronger with this revelation. The potential to influence biology through signals and particles raises ethical alarms over biotechnology's path under unaccountable powers. It might lead to manipulation beyond medical purposes.

Demands increase for transparency and oversight as technologies merge biology with nanotechnology. Debates intensify around human augmentation and wireless biological interactions. Many warn of serious risks to freedom if these systems remain unchecked by those who value liberty.

This patent drives urgent conversations on biotechnology and remote activation. With biology, nano tech, AI, and wireless systems converging, the push for human sovereignty faces new challenges. Bio-digital advancements are advancing from theory to patented reality in influential circles.

Y. Sat. 16 May 2026 Breaking: President Trump Leads U.S. Military in Covert Operation to Expose Secret Cloning Labs – Half of the World’s Leaders Are Clones! ...Emergency Broadcast System on Telegram

The U.S. Military, under President Trump’s leadership, has uncovered a chilling clandestine operation involving secret cloning labs. This covert mission exposes a hidden war where enemies have infiltrated the highest levels of global power, challenging the reality patriots thought they knew.

Marines have revealed the Deep State Clone Lab in the O Zac Caves. White Hats are now destroying these scattered facilities one by one. General Eric M. Smith’s pledge to do their best stands as a war cry in defense of American liberty and truth.

President Trump asserts that eliminating the clones is as vital as taking down the real Deep State players. This highlights the severe threat these operations pose to society and freedom.

The discovery of a massive underground cloning lab in Antarctica is particularly disturbing. Hidden under holographic illusions, it contains 290 research centers dedicated to cloning. Scenes of a youthful Hillary Clinton clone in a cylinder symbolize the perversion of science by global elites seeking total control.

Biden and Fauci’s involvement adds layers of betrayal. Special Forces are on a mission to destroy these Deep State labs, fighting for the soul of the nation.

Information shared with President Trump details a device in Antarctica producing baby clones and celebrity duplicates. This assaults human identity itself. The replacement of General Berger by General Smith marks a strategic advancement in the fight.

Trump has addressed the cloning issue, noting cases like Gretchen Whitmer. Clones of Biden and Fauci are being examined at Womack Army Medical Facility to separate real from fake amid deception.

Up to half of the world’s leaders may be clones. These soulless bio-robots lack spirituality and compassion, showing disturbed libido and manic homicidal traits. Possible clones include Barack Obama and similar figures, showing the depths of the cabal’s schemes.

This cloning crisis is an existential threat to humanity. The revelations by the military and President Trump are pieces of a larger puzzle. Patriots must question who they truly follow and trust as the fate of civilization hangs in the balance.

Za. Sun. 17 May 2026 The Obama administration used a powerful CIA/NSA surveillance program originally built in 2003 to hunt terrorists overseas, but then used it to spy on American citizens, and later expanded the software to alter election outcomes. ...White Hats on Telegram

Just weeks after Obama took office in 2009, the program called "The Hammer (HAMR)" was illegally shifted to a secret CIA facility in Fort Washington, MD, and turned against American citizens for domestic spying, violating the Constitution. Obama, Joe Biden, John Brennan, and James Clapper were directly involved in the illegal operation.

Scorecard software was later added, which is a vote-manipulation tool installed on the Hammer system to intercept election data and flip 3% of votes in real time during transmission from voting machines/tabulators. Just another form of election manipulation on top of many others. The system was deployed in the 2012 election and Democratic primaries, and possibly in the 2016 and 2020 election as well.

The most interesting part is that electronic vote manipulation goes back to the early 2000s. In October 2000, while working as a computer programmer at Yang Enterprises in Oviedo, Florida, computer programmer Clinton Eugene Curtis was directly approached by Tom Feeney, then Speaker of the Florida House of Representatives and the company's lobbyist, along with the company's corporate attorney to create a prototype program capable of rigging elections.

The software was designed to secretly flip votes 51-49 in favor of any chosen candidate or race without being noticed by election officials. Curtis states the program would be completely undetectable by county boards of elections unless someone examined the actual source code or had a verifiable paper trail/receipt to compare against the electronic totals.

When Curtis initially provided a report on how to detect and prevent such fraud, including mandatory paper trails and source code reviews, the company owner, Mrs. Yang,

rejected it and instructed him to hide the fraud in the source code instead. She reportedly told him it was needed "to control the vote in South Florida."

Curtis confirms he wrote the prototype as requested but left the company shortly afterward. He testified that such vote-rigging software is simple to create, hundreds of lines of code at most, and could be inserted into central tabulators or voting systems.

During his court testimony on this very program and the fraud in Ohio's 2004 election, based on significant discrepancies between exit polling data and official results in the 2004 Ohio presidential election, plus the known availability of rigging software and lack of protective measures, Curtis stated under oath that the 2004 Ohio election was likely hacked as well.

This was just the early days of election rigging software and programs. Obama and his administration continued with their own endeavors as technology progressed, especially with Smartmatic and the use of wireless internet and remote access from anywhere in the world. This has been going on long enough, it's time to end any and all of these election rigging practices and programs and bring back real election integrity. If we don't fix our elections, we will lose this country, and it all starts with holding these people accountable.

Zb. Sun. 17 May 2026 University of Oxford given \$26.7 million by Bill Gates Vaccine Cartel CEPI to develop Ebolavirus Injections. Four months later the WHO declared Worldwide Ebola Outbreak ...[Nicolas Hulscher, MPH](#)

Just a few months ago (January 2026), Bill Gates' vaccine cartel CEPI gave Moderna and University of Oxford \$26.7 million to begin developing **Bundibugyo ebolavirus (BDBV) mRNA and viral vector injections**. These are *multivalent* filovirus "vaccine" platforms, meaning they are designed to target multiple Ebola viruses and related filoviruses simultaneously — including Bundibugyo ebolavirus (BDBV).

Four months later (today), the [WHO declared a Public Health Emergency of International Concern \(PHEIC\) over a Bundibugyo Ebola outbreak](#) in the Democratic Republic of Congo.

The same playbook always repeats: Develop "vaccine" → Fearmonger new outbreak → Declare emergency → Gain power & control → push "vaccine" as only solution.

This marks the 17th Ebola outbreak recorded in the Democratic Republic of Congo since the virus was first identified there in 1976 — and the third known outbreak of the

Bundibugyo strain since it was first identified in 2007. Across Africa, there have been dozens of Ebola outbreaks over the last 50 years.

Every previous Ebola outbreak has been successfully contained to the affected region without becoming a global pandemic.

Why? Because Ebola — including the Bundibugyo strain — spreads through direct contact with bodily fluids from symptomatic individuals, not through the air or casual contact. There is simply no biological basis for this to become a worldwide pandemic.

Zc. Sun. 17 May 2026 LEAKED! DOCTOR DISCOVERED A REAL CANCER CURE IN 1976 — HUMAN PEPTIDES THAT SHUT DOWN TUMORS AT THE GENETIC LEVEL AND STOP THEIR GROWTH ...Nesara Gesara on Telegram

Recent leaks expose Dr. Stanislaw Burzynski's 1976 discovery of human peptides that attack cancer at the genetic level. These compounds restore the body's natural defenses and stop tumor growth. The treatment delivered results for patients with no other hope.

Studies of blood and urine revealed cancer patients lacked key peptides abundant in healthy people. Burzynski synthesized them into antineoplastons that correct the switches allowing cancer proliferation.

The establishment struck back with raids on facilities and seizure of records. Court battles exhausted resources and denied access to struggling Americans.

Officials demanded trials rigged for failure to safeguard the lucrative chemotherapy industry that harms healthy tissue. Burzynski's targeted peptides caused fewer side effects. Patients regained vitality as tumors shrank.

Regulators blocked approval and confined use. This fits globalist plans to centralize medical power and favor patented drugs creating dependency over natural options.

The peptides threatened pharma profits. Regulators and industry coordinated legal barriers after successes. Evidence showed patient gains, not harm.

American families suffered as loved ones lost chances at extended life. Cancer endures because alternatives are suppressed.

President Trump saw the corruption and championed deregulation and patient rights. His leadership revealed agencies prioritizing special interests. America First seeks to end bureaucratic control and restore health freedom.

Foreign pharma influenced policies to sideline this work. Injunctions limited access, shielding costly traditional treatments.

These peptides reprogram gene expression without toxic poisons. Many patients survived far longer than expected.

Patriots exposed how rules weaponize against innovators while big pharma gets fast tracks. Attacks concealed remission data.

Trump's war on the administrative state includes freeing captured agencies. This discovery helps dismantle the Deep State medical machine.

The Deep State dreads independent medicine empowering citizens. The establishment buried the cure for dominance. The America First push crumbles their hold. Real data proves it works. Full release approaches as the deep state weakens.

Zd. Sun. 17 May 2026 mRNA COVID "Vaccines" Were DESIGNED to SHUT DOWN Your Immune System — Causing VAIDS (Vaccine Acquired Immunodeficiency Syndrome)! ...Trump Truth Revolution on Telegram

They KNEW it from day one. mRNA shots slash your white blood cell production — 50% after the first dose, then another 25% hit with the next, leaving you with just 25% of your immune army left. Boosters flood your body with 8 strands of foreign HIV + 81 strands of bacteria your cells have NEVER seen... while they stripped out the saline and cranked up the damage.

Your body goes into chronic inflammation mode. Predispositions explode — gut issues, respiratory problems, tumors, endometriosis, skin conditions — because your immune system is GONE. You become dependent on endless boosters just to survive... or you die off. Big Pharma's perfect customer-for-life (or death) scheme.

And now the proof is PUBLISHED: A massive Korean study on 51 MILLION people confirms it — dose after dose, immune function COLLAPSES. Skyrocketing infections (common cold, pneumonia, TB up to +559%), immune dysregulation, and worse in EVERY age group vaccinated. This isn't theory — it's data from an entire country.

On Thurs. 5 March 2026 the Cabal foreign banker owned US Inc. was dissolved, with Common Law Sovereignty installed in the US under concepts of the original Constitution. Admiralty Law fraud was forever crushed.

The Re-inhabited Republic for the United States of America is the actual de jure government that our founding fathers gave us, and which was abandoned in 1871 when a corporation took over Washington DC and eventually every level of government in the country. Tues. 10 March 2026 BOMBHELL ANNOUNCEMENT: President Trump Declares Restoration of the American Republic — "US INC." DISSOLVED, COMMON LAW SOVEREIGNTY RETURNS. ...Mr. Pool on Telegram

Patriots, the storm has hit and it's magnificent! President Donald J. Trump has invoked Article II to declare the United States fully sovereign under Common Law once more. The fake foreign-controlled "US INC." is finished — dissolved, dead, gone forever. No more Admiralty Law oppression, no more globalist chains dragging us into debt and war. The Deep State grip is broken; the true Constitutional Republic rises triumphant!

This is no mere rhetoric — it's a binding Declaration of Authority and Summons from Trump as Commander-in-Chief. He's seizing full control, sidelining the corrupt swamp and directing the military via the Uniform Code of Military Justice. Every flag officer is oath-bound to obey lawful orders from the legitimate President. No more excuses, no divided allegiances. The military now serves We the People through Trump, not the treasonous corporate facade!

Under Common Law sovereignty — grounded in God-given rights and original founding truths — Trump exercises his prerogative to summon leaders, affirm real authority, and rebuild national defense. This resets America to the Founders' vision: no commercial enslavement, no hidden British shadows, just pure liberty!

All flag officers are ordered to convene in Virginia — the Republic's sacred cradle — for immediate realignment. This is full military mobilization to restore loyalty and eliminate globalist remnants. The timeline is set, orders issued, clock running. Unity under true command is happening NOW!

Foreign-tied overseas bases and Commonwealth-linked ops? They're being shut down or reclaimed for America. No more secret outposts serving alien masters, no covert pacts bleeding us dry. Trump is smashing the centuries-old Crown chokehold on trade and power — and the military reset locks it down!

This fulfills Trump's sacred oath to defend the Constitution, protect the people, and preserve the Republic. Every officer and servant must choose: stand with the restored Republic or stand exposed as oath-breakers. The line is drawn — no more shadows, no two Americas. One Republic. One Commander-in-Chief. One Law — Common Law!

QAnons, white hats, digital warriors — this is OUR victory moment! The debt-based, deception-driven US INC. fraud is overthrown. Military mobilizes under Trump's unbreakable command. Deep State cabal legally crushed, illusions collapsing. Freedom surges back — the Republic is BACK, sovereign, unbreakable!

We witness history: true American Republic restored. Patriots win. God bless President Trump, our military, and the sovereign United States of America!

D.L. is a homeless bedridden 48 year-old woman who desperately needs your immediate help. Her SSI income is \$600 short to cover her rent of a very small motel room in a scary part of town (that does not accommodate a wheelchair, so she has to crawl on the floor), let alone have money for food and essential expenses. She is facing living on the streets in lieu of being moved to a homeless shelter, which is not physically feasible in her health condition. The shelter would require giving up her disabled cat. "My cat Monkey is the love of my life. She lays on me 22 hours a day. I could never give her up. She's so attached to me she cries if I'm gone from my bed for more than a few minutes." D.L.'s long-term goal is to secure a ADA-accessible home. She is seeking leads for property, housing, or resources in Snohomish County, Washington State, especially Bothell/Canyon Park or Three Lakes, and in King County, Washington, especially Woodinville or Redmond. Zj. A Plea to help Ohio Foster Children, including Kaitlynn Hunter, caught in a CIA Mind Control Pedophile Kidnapping Ring:

Kaitlynn Hunter Update: Ohio Foster Children including Kaitlynn Hunter caught in a CIA Mind Control Pedophile Kidnapping Ring desperately need your help.

Even though Kaitlynn has finally been released from seven years of tortuous foster care, she is unable to have contact with her mother Jeannine because of a court order on Jeannine. (Jeannine sheltered Kaitlynn when she ran away from seven years of abusive Ohio foster care). Kaitlynn remains to have concerning medical issues and needs her mother to help her. Ironically, as in this case decision, **Kaitlynn was forced a Pfizer Covid 19 shot against her will, in Kent Ohio by foster mom who kept the \$100 shot incentive. Kaitlynn was forced flu and other vaccines against her wishes in foster care.**

<https://x.com/i/status/2051676714019762201>

Kaitlynn is not in school, and unable to graduate this year, because her last school lost her transcripts.

Mother Jeannine Larrick: "I am guilty for wanting to love and protect my daughter who has been abused since 2019 while in Guernsey county Ohio Child Protective Service un-constitutional custody and Journey Home NYAP fostercare . I reported her abuse and cps claimed I threatened her. I was facing 5 years in prison. District 9 Dr. Reasoner's 2021 entry report "**Jeannine does not trust the government and suspects RICO, she is incompetent to stand trial.** I was put in the state ABH mental ward at **\$800 a day for 5 months**, and **Kaitlynn in another mental ward** and received more abuse at FOXRUN (see google reviews) while they criminally took permanent custody. We were both forced drugged against our wishes. I was acquitted in jury trial but they refused to return Kaitlynn, even though I had CPS transcripts that I never abused or neglected her. Guernsey county juvenile courts, cps, sheriff dept and state ignored my exculpatory exonerating evidence and reports of abuse and neglect of Kaitlynn in 2023.**Juvenile entries stated NYAP behavior modification and residential group homes.** She was allowed to be an organ donor for her 16th birthday.

I fought for seven long painful years, helpless to save my daughter from the tyrannical treasonous hell. I feel all agents listed in the **Summary videos: [Ohio Justice Hunter - YouTube](#) Titled Part 1,2,3 and Void abnitio and Cease and Desist.** need to cease and desist in their continued abuse of myself and Kaitlynn and quit wasting taxpayers money to deny our unalienable God given rights to life liberty and the pursuit of happiness..

I feel agents named in videos are all guilty of misprision of felony for knowing and denying myself and Kaitlynn our rights as sovereign individuals by ignoring or claims, suppressing evidence and denying us to be heard in court.

I was assaulted in my home for telling Guernsey county sheriff deputy Robert Oakley Patterson to respect me in my home. He and Cps refused to let me speak or look at lawful home school records in my hands in the video 2-11-19. <https://x.com/i/status/1963141694272176466>

CPS and cops maliciously with intent charged me with false criminal charges and defamed me to cover up the **OBSTRUCTION OF JUSTICE and INTERFERENCE of CUSTODY** and assault in the copcam. CPS perjured and Judge Bennett and the sheriff department **denied due process** to let me out of jail to defend myself in juvenile court.

The case was over 2-12-19 ,via Fruit of the Poisonous Tree Doctrine and everything else is fraud,null and void. And they all know it!!! Including these current bogus charges for protecting her!!!! Hundreds of thousands of

tax paid dollars, may be millions used to legally abuse and retaliate against Kaitlynn and I. Keeping us separated and or locked up to be silenced of their crimes against us.

<https://x.com/i/status/1963145948345077902>

They are trying to do it again in efforts to cover up Kaitlynn's horrific story in Dayton ,Ohio 11-2024 and discredit Kaitlynn and myself from ever getting justice.

Juvenile courts and cps ignored our affidavits and have created false juvenile records covering up the fact that Kaitlynn was In Dayton 2024. Two separate months entries they were asking if she had Indian blood.

Kaitlynn's Dayton hospital video <https://x.com/i/status/1990118129754575171>

Now I am facing Obstruction of Justice,interference of custody for protecting her,contempt for not taking the unconstitutional incompetence evaluation (I provided proof of my mental health when I was arrested for the 4th time since my 1st false arrest 2-11-19 . All arrests I have proof of Rico conspiracy and crimes against us. The warrant was issued the day I buried my mother who was medically murdered. She was denied her baseline XANAX to breath several days twice in a two week period causing her to afib and die.

Currently Judge Williams has stricken all my discovery and filings from the record and is demanding I go to District 9 again and take another competency evaluation before she will hear the case. **The same entity who said I suspected Rico and did not trust the government that helped strip custody in 2021. Now there is a warrant for my 5th arrest on an unconstitutional order to continue the narrative for 7 long years.**

Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World’s Children. Just as a film about Ballard’s work, “Sound of Freedom,” was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Hi Judy, A massive thank you for your help sharing our evidence for the safe return of my daughter The Stolen Girl: Alana-Linda Martin. We are still fighting this on-going battle to save my daughter. Court hearings were about the criminal kidnappers, who were looking for the higher courts to cover them with an order of "anonymity" to stop us from exposing their names or their crimes. For the last 5 months of her now 9 month captivity, the kidnappers are only concerned in covering their own criminality, as there has been no mention about her care or a final hearing throughout this torture and terrorism. All factual knowledge of our case is being ignored/ covered up by public servants & Judges involved which have all gone Ultra-Vires. In further attempts to stop our quest and our calling our names and mission was sabotaged including our State Child Trafficking Task&Force116/ Council of 13, they have bankrupt my bank accounts, book sales, PayPal accounts, our social media sites, and now they are trying to threaten our home with eviction. Judy Note: There are 84 platforms on Telegram under my picture and name Judy Byington. Be aware I have NO platform on Telegram. I do not write on Telegram. Anything written under my name on Telegram was not authored by me.

Speaking of Telegram, there appears to be a huge scam going on Telegram where under the name of some notable Q Movement person they promise to set you up on a QFS Wallet if you send them around \$2,000 or more. This appears to be a scam as setting up your QFS Wallet is supposed to be free to the best of my knowledge.

Watch out for: Anyone advertising they will reimburse you for the TRB Trump Products, or set you up on a Quantum Account asking for money to do it. (They use fake accounts and AI to make you think you are dealing with Trump, Tucker Carlson, etc.)

Also watch out for the HSBC Quantum Token/Bitcoin Scam, the TRB Trump Products Scam, the Dave XRPLion Impersonator Scam, the Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and any other website that asks that you give them your personal identification to register for a QFS Account and/or receive a pay out on TRB products.

DO NOT exchange currency or Zim Bonds anywhere but at a licensed Redemption Center where you will get the highest rates possible.

The HSBC Quantum Scam: They claim they've successfully applied "quantum technology" to buy and sell tokenized physical gold. The trick is when you buy the tokens or Bitcoin they keep the gold and have complete control over your bank account.
