Judy Note: “The Loy Brunson Supreme Court case has become one of the most talked-about constitutional challenges in America First and pro-Constitution circles. The lawsuit centers around the certification of the 2020 presidential election and the actions of hundreds of elected officials who allegedly failed to uphold their oath to defend the Constitution.

“**What makes the Brunson case extraordinary** is not only its political implications, but the path it took to reach the nation’s highest court. The Brunson brothers pursued the case pro se, meaning without attorneys, navigating one of the most complex legal systems in the world largely on their own.

“**According to Brunson**, the case initially faced major resistance inside the federal court system, including repeated procedural obstacles and attempts to block filings. In response, the Brunsons launched legal action against the Federal Court of Utah and the 10th Circuit Court of Appeals themselves, forcing the issue further into the legal spotlight.

“**The case ultimately reached the Supreme Court through Rule 11**, a rare constitutional mechanism allowing the Court to bypass standard appellate procedures when a matter is considered to carry exceptional national importance. Brunson believes this may be one of the only personal damage claims against government officials ever brought to SCOTUS through Rule 11 in American history.

“**The case names 387 defendants including:** Joe Biden, Kamala Harris, Mike Pence and hundreds of members of Congress. According to Brunson, approximately 145 members of Congress, led by Senator Ted Cruz, requested a 10-day delay to investigate allegations of election irregularities before the electoral vote certification proceeded.

“**The lawsuit argues that refusing to investigate** those concerns before certifying the election represented a violation of the constitutional oath of office sworn by federal officials.”

“**For Brunson and his supporters**, this is not merely a political disagreement. It is a constitutional crisis. This case represents far more than one election cycle. It represents a battle over: Constitutional accountability, government power, election integrity and whether public officials remain bound by the Constitution itself.

“**Loy Brunson’s fight has become part legal battle**, part constitutional movement, and part cultural awakening for Americans demanding greater transparency from their government.

For Brunson and his supporters, the mission is simple: Restore accountability; Restore constitutional order; Restore the promise that no public official stands above the law.

“And in today’s America, that message is resonating with millions of people who believe the country is standing at a historic crossroads. [BOMBSHELL SPECIAL REPORT: A DIFFERENT BATTLE Has Begun — Loy Brunson’s EXPLOSIVE Constitutional Showdown Could ROCK Washington and EXPOSE 387 Members of Congress \[VIDEO\] - amg-news.com - American Media Group](#)

Judy Note: If the Supreme Court rules in favor of Brunson, it automatically dissolves the entire US Administration and all of Congress, both on the state and federal levels – leaving nothing but Martial Law to rule until new and fair elections can be held.

This demand by citizens for more transparency was made even more important in the present CIA Mind Control program that has been seeping US Taxpayer dollars in a CIA Black Budget accountable to no one but the Cabal since the end of World War II – tax payer monies used to mind control The People.

Declassified CIA documents have revealed a covert psychological warfare program intended to drug entire populations using food, water, vaccines, and everyday items. This is the authentic MK-ULTRA battle for control over human minds.

Project ARTICHOKE formed the initial blueprint for these civilian-targeted operations. The program later became known as MK Ultra.

As of Mon. 18 May 2026, 85% of the CIA MK Ultra Mind Control Programming files had been destroyed by the CIA. The 15% that weren’t destroyed were supposed to be released per an executive order by Trump. But last week the CIA took those files back from the Department of Justice. If this 15% was so bad that they defied a POTUS order, imagine how bad the other 85% was.

It’s been a while – like 56 years – since we heard about what happened in those CIA illegal human experiments, mainly of children. During the 1970s revelations of that tortuous MKULTRA Mind Control Programming was first revealed in two Congressional Hearings. Three Satanic Ritual Abuse Survivors testified before Congress. These were women who as children, were made to endure MKULTRA torture programming their entire childhoods.

The CIA program involved rape, torture and child sacrifices in Satanic rites. Evidently thousands of children had been kidnapped, or sold into the CIA program by their multigenerational Satan worshipping parents.

Unlike Hollywood depictions of mind control such as found in the hit film “Manchurian Candidate,” children, not adults, were the favored victims. It was found from

experiments on children in Nazi Concentration Camps that torturing the developing brain of a child could permanently separate their thinking patterns and create multiple personalities. Those alter personalities could then be controlled throughout the victim's life by their perpetrator handlers, or by anyone familiar with Satanic Mind Control techniques.

Results of the 1970s Congressional hearings were sealed and never released to the public. What little bit of victim-survivor testimonies placed on the Internet, has been erased. The three witnesses died mysterious deaths. The program was supposed to have been shut down. Although adult survivors claimed it was still going on today.

Perhaps they were correct. Initiated in 2021 under the CIA's Office of Scientific Intelligence, there was an effort to prioritize weaponized control of the mind over any defensive purpose. It involved testing on soldiers, prisoners, mental patients, unknowing civilians, and political targets.

Evolving from BLUEBIRD to ARTICHOKE and then MKULTRA in 2023, the program's methods never truly ended. They were refined and integrated into modern structures. Today in 2026, they manifest as mental health programs, pharmaceutical dependencies, social media influence, and compliance campaigns.

Objectives centered on erasing memories, forcing confessions, inducing anxiety, paranoia, helplessness, and amnesia while developing sleeper agents who would act without awareness. The strategy emphasized hiding drugs in common substances like food, water, alcohol, cigarettes, and medical treatments including vaccines as a key delivery mechanism for mass behavioral manipulation without consent.

Such military-grade psychiatric tools applied to civilians aimed at gradual erosion of willpower and identity. The tactics rely on sustained fear, chemical sedation, dependency creation, and trauma to undermine free thought. This ongoing war targets the sovereignty of the individual mind.

One type of modern CIA Mind Control was through Nano-aluminum that is sprayed into the atmosphere, entering the nose and going straight to the brain, traveling via the olfactory nerve to the hippocampus that handles memory, cognition, and emotions. Exposure leads to inflammation, cell death, and brain tissue degradation.

The most encompassing CIA Mind Control has evolved into AI Data Centers where through geo-engineering the Cabal can have remote control of your brain. Rockefeller Elites have patent remote control technology where they can switch human cellular activity on and off from afar. There was more about AI Data Centers in this video: [Restored Republic, mushroom cloud over Israel, Data Centers/mind control & more.](#)

Tucker Carlson revealed that elites were building, against the will of the people in the area, the largest AI data center in the United States in Utah. The AI data center will use twice the

amount of power as the entire state of Utah and will cause pollution and massive water consumption. - 40,000 acres - 62 square miles - Will use 9 gigawatts of power. ...Shadow of Ezra on Telegram

In 2026 the government and Big Pharma nexus sustains these efforts with digital tools and behavioral initiatives to keep populations dulled yet submissive.

MKULTRA represented thousands of child victims. Jenny Hill was one who underwent tortuous mind control by the head of the CIA Program, a Dr. Green. Green was a Jewish turncoat brought out of Nazi Germany by the CIA. Jenny explained her sophisticated programming in her biography “Twenty Two Faces”:

<http://www.youtube.com/watch?v=F626Lsrdwg4>

One hundred percent of the proceeds off the sale of “Twenty Two Faces” has been dedicated to helping to save Satanic Ritually Abused children across the Globe while exposing their horrendous abuse. Trump has demanded immediate peace negotiations to end the Ukraine-Russia War – in reality it's a declaration of war on the Deep State. Secret talks between Ukrainian generals and Russia hint at a peace deal already made that bypasses NATO entirely.

While Zelensky is a puppet of the Deep State's push for continuous wars, Russia's position has always been clear: recognition of annexed territories, Ukraine's neutrality, and the dismantling of U.S.-funded bio-weapon labs exposed earlier this year. Russian soldiers have rescued thousands of tortured children (thousands more bodies of children discovered) in Ukraine Underground Tunnel-Cabal run bio-weapon labs.

This conflict was a proxy war crafted by Globalists, using Zelensky as a puppet and Putin as a scapegoat to advance their Deep State Agenda: Economic collapse through inflation, energy crises and food shortages. Digital IDs and biometric tracking systems secure their control over the population. The staggering death toll of war is no accident while leading to destabilization, depopulation, and total control – a cornerstone of the elite's plan to reset the world. The longer it continued, the more chaos they unleashed.

currency at an official Redemption Center (RC) rather than a bank. You can only redeem Zim at a RC, the Dinar Contract Rate can only be given at a RC and banks will offer you lower exchange rates than what you can obtain at a RC. You can only set up your new wallet (bank account) at a RC. 300,000 children crossed the border alone between 2021 and 2024. The government handed them to "sponsors" — people who claimed to be relatives. Many were not. Some had paid smugglers to bring the children in. Some had criminal records. Some had child sexual abuse material on their phones. Some were running labor operations.

The government never checked. Never visited. Never called. 291,000 of them never even received a court date. They were handed over and FORGOTTEN.

When DHS finally went looking — in February 2025, under direct orders from President Trump — they found what no one wanted to say out loud.

Girls. Pregnant. By their "sponsors." Children working overnight shifts in slaughterhouses. Twelve-year-olds cleaning industrial equipment at 3 AM. Kids who hadn't been

to school in two years. Kids who didn't know what city they were in. Kids who had been SOLD — not once, but multiple times.

Sponsors with records for aggravated assault. Drug trafficking. Attempted murder. And they were given CHILDREN.

The previous administration knew. HHS knew. ORR knew. The Inspector General told them in 2023 — they had lost contact with 85,000 children in just TWO YEARS.

The response? Nothing. No task force. No investigation. No rescue operation. They buried the report and kept processing.

519,000 unaccompanied children were encountered at the border under that administration. More than DOUBLE the previous four years. It wasn't a failure. It was a pipeline. We fed a pipeline of tender-aged children into sex trafficking and slave labor into our country." That's not a conspiracy theory. That's congressional testimony. Under oath. July 2025.

Trump stood before the United Nations on September 23 and said what no president has ever said: "Any system that results in the mass trafficking of children is inherently evil."

His administration has now rescued more than 60,000 of those children. Reunited 30,000 with their families. Mothers opening doors with tears in their eyes, seeing sons and daughters they thought they'd never see again.

60,000 found. 30,000 home. Where are the other 240,000?

In a stunning early-morning blitz across 12 states, federal agents dismantled Southwest Logistics — a trusted trucking giant used by Walmart and Costco — exposing how the Sinaloa cartel had hijacked America's supply chains for years.

Agents intercepted 250 trucks equipped with hidden compartments, seizing 52 tons of methamphetamine cleverly concealed beneath produce crates and inside trailer walls. The operation arrested 273 suspects, including executives, mechanics, and complicit drivers who turned legitimate freight routes into a deadly cross-country drug pipeline.

What looked like normal American logistics was actually a sophisticated cartel operation that moved tons of poison nationwide while maintaining a flawless public safety record as cover. They weaponized everyday trucking to flood the country with meth.

Federal agents just took the highways back. 273 arrests. 52 tons of meth off the roads. A \$2 billion criminal empire shattered.

The largest cartel infiltration of U.S. logistics ever uncovered is now in ruins. The road of death just got shut down — hard.

P. Israel is Last

Mon. 18 May 2026 Thomas Massie says his election will decide whether Israel can continue buying off future American politicians. Israel is now expected to spend nearly \$20 million to destroy Massie politically after he exposed the Epstein files. Massie warns that Israel has become one of the biggest threats to American politics and says the influence must be stopped immediately. "They get our tax dollars."

Q. Election Fraud:

Mon. 18 May 2026 Arizona: After the 2020 Arizona election, Republicans were granted access to examine duplicate ballots and found that 2% off all ballots examined were switched from Trump to Biden or just taken away from Trump all together for no reason. The Biden electors then called a special emergency hearing with the judge in an attempt to only have their attorneys examine the ballots and be kept secret from the public. This ridiculous request tells you everything you need to know. The 2020 election was stolen.

R. Mon. 18 May 2026 Jovan Pulitzer drops all the data & evidence of foreign election interference in the 2020 election. ...Edward Snowden on Telegram

- **65 foreign countries participated in attacking 7 key states** and over 600 county polling locations.

- **The Chinese Communist Party (CCP)** systematically gained control over the U.S. election system, described as a national security emergency.

- **The CCP leveraged financial, nongovernmental, and foreign allies, including Venezuela,** to acquire influence and control over U.S. voting infrastructure in at least 28 states.

- **Electronic voting machines** were compromised and cannot be trusted to provide an accurate vote count.

- **Millions of invalid ballots** were inserted into the election.

- **Voting irregularities and fraud occurred in eight states:** Michigan, Pennsylvania, Wisconsin, Minnesota, Georgia, Nevada, Arizona, and New Mexico.

- **Media-reported "hand counts"** are not real hand counts and are easily subverted.

- **Removing the invalid ballots** and forensically auditing the paper ballots would change the certified 2020 election outcomes at all levels, President, Senators, Congressional Representatives.

- **The only way to determine** the real winners and restore confidence is a forensic audit of the paper ballots, the public's property, required to be held for 22 months.

Pulitzer worked with Col. Phil Waldron's team on this vetted data. The full report was released in January 2021 and is more than enough evidence to understand that our elections are compromised and that the 2020 election was stolen.

S. Mon. 18 May 2026: THE HUMAN BODY PRODUCES ITS OWN PAINKILLERS. THEY ARE 40 TIMES STRONGER THAN MORPHINE. THE PHARMACEUTICAL INDUSTRY HAS SPENT 50 YEARS MAKING SURE YOU NEVER LEARN HOW TO ACTIVATE THEM. ...Med Bed Technology on Telegram

In 1975, researchers John Hughes and Hans Kosterlitz at the University of Aberdeen discovered endorphins — molecules produced by your own pituitary gland that bind to the same receptors as morphine and heroin. Identical receptors. Same mechanism. But endorphins are 40 times more potent.

Your body is a pharmacy. It produces painkillers stronger than anything Pfizer has ever synthesized. And it does it for free.

But there is a problem. A \$530 billion problem. The global pain management industry — opioids, NSAIDs, nerve blocks, surgeries — depends entirely on you believing that pain relief comes from outside your body. That you need their molecule. Their prescription. Their refill.

In 2004, neuroscientist Jon-Kar Zubieta at the University of Michigan used PET scans to show that the brain releases massive endorphin floods during specific breathing patterns. Deep, rhythmic, sustained breathing for 15 minutes activated the mu-opioid system at levels comparable to a 10mg morphine injection.

Breathing. Not a pill. Not an IV. Breathing.

In 2013, Wim Hof — a Dutch man with no medical degree — demonstrated under laboratory conditions at Radboud University that his breathing technique could suppress inflammatory markers by 50% and increase endorphin production by 200%. The researchers published in PNAS. The results were undeniable.

The medical establishment responded by calling him an "anomaly." They did not fund follow-up studies. They did not integrate the findings into pain management protocols. They did not tell the 50 million Americans living with chronic pain that they could produce their own morphine by breathing.

It gets worse. In 2019, Stanford neuroscientist Andrew Huberman demonstrated that cold exposure for 2 minutes triggers a 250% increase in norepinephrine and a sustained endorphin release lasting 3-5 hours. Two minutes of cold water. Five hours of natural pain relief.

The opioid crisis killed 80,000 Americans last year. Every one of them was seeking pain relief that their own body could have produced — if anyone had taught them how.

But you cannot patent a breathing pattern. You cannot charge \$300 per month for cold water. You cannot build a \$530 billion industry on something that is free.

So they buried it. Not in a vault. Not behind a classification. They buried it in plain sight — by never mentioning it. By never funding it. By never teaching it in medical school. By making sure that when you feel pain, your first thought is "I need a pill" and never "I need to breathe."

15 minutes of deep rhythmic breathing. 2 minutes of cold exposure. Your body will produce painkillers that make morphine look like aspirin.

They didn't hide the cure in a lab. They hid it in your own biology. And they spent 50 years making sure you never looked there.

T. Mon. 18 May 2026 John Christie Electric Generator – Generates 24 Kilowatts Of Free Electricity ...Emergency Broadcast System on Telegram

The John Christie Electric Generator was shown to the world in 2001 – a device capable of generating a full 24 kilowatts of electricity. In this article, I will tell you about John Christie, the inventor, and how he and his friend, Lou Brits, came up with the generator. I will also explain to you how free electricity works and how you too can generate your own electricity at home too.

John Christie And Lou Brits

Australian mechanical engineer, John Christie, and his electrician friend, Lou Brits, worked hard through the 90s to come up with their own version of the magnetic generator. In 2001, they launched it to the public as the Lutec 1000, a device capable of generating 24 kilowatts of electricity (enough to power a few houses).

The main claim to fame at the time was that the Lutec 1000 was “the first free energy machine to be developed to commercial stage anywhere in the world”. This was perhaps an exaggeration as, although the device worked, it was far from being full tested and developed to the point where you could buy one off the shelf in the marketplace.

How Does “Free Energy” Work?

Part of the problem lies in the name. “Free energy” sounds almost impossible to believe, I prefer to call this concept “zero point” as it is known in physics.

Zero point is an area of physics that has been studied for over one hundred years. Nikola Tesla, the man who is called by some the “grandfather of electricity”, dedicated half of his life to studying zero point. He even published his work and it met with great approval. Unfortunately, his legacy in this area did not live on after his death due to existing commercial interests using their power to bury it.

Zero point speaks of obtaining energy without fuel, from a source that is not widely acknowledged in conventional physics. It does this via the use of strategically placed magnets.

Fast forward around a century later and there has been a resurgence of interest in this area, especially in the last year or two. While Christie and Brits may have been a little premature with their “commercial” launch, real working generators are now being built by enthusiasts in their garages, right across the world, numbering somewhere in the tens of thousands and possibly more.

How Can You Generate Your Own Electricity?

The average home does not need 24 kilowatts. In fact, a basic motor is easily constructed for next to nothing that can generate a good 7 kilowatts of power which is more than enough for most households.

The basic electric generator is a rotor, some magnets and some electrical wiring. John Christie and Lou Brits made their own version but I suggest you keep things very simple. In fact, I strongly recommend that you spend a nominal amount of around 50 dollars on a good set of plans which will give you diagrams and step by step instructions on building your magnetic motor generator. Or you can try to do it for “free” which will see you spending several months on your motor, all the while still paying your monthly bill to the power company.

V. Mon. 18 May 2026: Senator Tommy Tuberville says Barack Obama mass imported Somalis into Minnesota with the purpose of taking over the local government. ...Great Awakening Now on Telegram

He says this is how Ilhan Omar got elected and the plan was to import so many more foreigners they could take over the federal government.

“First of all, why would President Obama be allowed to bring in 80,000 people from Somalia and put them in one area in Minnesota, which is Minneapolis? And it was all done by plan. It's a third world country. Not assimilate, to build their own neighborhoods, to overtake the local, state, and then federal government with Ilhan Omar.

She's not even a citizen, but she's in Congress. I can't figure out how we've allowed this to happen. People that are non-US citizens to be in Congress, to be help making laws and voting on things.”

You know how we can easily fix these things from happening almost immediately, I'll tell you. No one that's foreign born should be allowed to run for federal office in America. Make immigrants be here at least a full generation before being allowed to serve

Take it even further. No one foreign born should be allowed to serve at any level in American government. Also mandatory English

W. Mon. 18 May 2026 IT'S GO TIME 2.16.26 – THE DEEP STATE IS CRUMBLING AS TRUTH WARRIORS ARE ATTACKED LIKE NEVER BEFORE! ...Carolyn Bessette Kennedy on Telegram

Dr. David Cartland has just been obliterated by the corrupt medical cartel for daring to expose the deadly COVID lies that murdered millions. Struck off, banned from work, flagged on criminal databases with zero crimes, suspended from his lifelong passion of refereeing football, and now children's services are circling his family—even though no children were ever involved. This is pure evil in action, patriots—the same demonic forces that hunted down Dr. Judy Mikovits, imprisoned her for revealing the truth, murdered Dr. Rashid Buttar, and assaulted Dr. Sherri Tenpenny from every angle. These white-hat heroes exposed the bioweapon agenda, and the cabal responded with total destruction.

Dr. Cartland called out mainstream doctors pushing 100% safe pregnancy jabs—aggressively, because babies were dying. He helped desperate people escape forced injections during the height of the madness. For that, the GMC fabricated "harassment" charges from anonymous troll armies (the same ones targeting every truth-teller), accused him of falsifying notes without ever producing evidence, and erased his career. Meanwhile, rapist doctors walk free, child-mutilators get wrist-slaps, and adulterous anesthesiologists keep their licenses. The two-tier justice system screams: protect the narrative, crush the awake.

Now the attacks escalate—DBS blacklisting him as if he harmed kids (he didn't), ending any hope of employment anywhere public-facing. Football authorities at Wembley suspended him from playing, refereeing, even admin—no DBS needed for amateur games, but they ban him anyway. Human rights shredded. Family threatened. This isn't justice; this is communist-style persecution to silence anyone who questions the poison jab genocide.

Charlie Ward, a veteran of these battles, knows the playbook—they shut down his banks, socials, Uber, Airbnb, even showed up at his door. It's war: good versus absolute evil. The deep state is desperate because the Great Awakening is unstoppable. Trump's plan is rolling, military tribunals loom, and these doctors' suffering proves the storm is here—white hats are exposing the pedo-satanic elite one layer at a time.

Patriots, this is your call to arms! Sign Dr. Cartland's petition NOW—link below. Flood it with millions of digital soldiers. Support him on socials, grab his book "Do No Harm" on Amazon, watch his YouTube interviews with vaccine-injured heroes and NHS whistleblowers. Show the cabal we stand unbreakable. No more fence-sitting—this is the line in the sand. The white hats are winning, the deep state is panicking, and every signature accelerates their fall. WWG1WGA!

Tues. 10 March 2026 BOMBSHELL ANNOUNCEMENT: President Trump Declares Restoration of the American Republic — “US INC.” DISSOLVED, COMMON LAW SOVEREIGNTY RETURNS. ...Mr. Pool on Telegram

Patriots, the storm has hit and it's magnificent! President Donald J. Trump has invoked Article II to declare the United States fully sovereign under Common Law once more. The fake foreign-controlled “US INC.” is finished — dissolved, dead, gone forever. No more Admiralty Law oppression, no more globalist chains dragging us into debt and war. The Deep State grip is broken; the true Constitutional Republic rises triumphant!

This is no mere rhetoric — it's a binding Declaration of Authority and Summons from Trump as Commander-in-Chief. He's seizing full control, sidelining the corrupt swamp and directing the military via the Uniform Code of Military Justice. Every flag officer is oath-bound to obey lawful orders from the legitimate President. No more excuses, no divided allegiances. The military now serves We the People through Trump, not the treasonous corporate facade!

Under Common Law sovereignty — grounded in God-given rights and original founding truths — Trump exercises his prerogative to summon leaders, affirm real authority, and rebuild national defense. This resets America to the Founders' vision: no commercial enslavement, no hidden British shadows, just pure liberty!

All flag officers are ordered to convene in Virginia — the Republic's sacred cradle — for immediate realignment. This is full military mobilization to restore loyalty and eliminate globalist remnants. The timeline is set, orders issued, clock running. Unity under true command is happening NOW!

Foreign-tied overseas bases and Commonwealth-linked ops? They're being shut down or reclaimed for America. No more secret outposts serving alien masters, no covert pacts bleeding us dry. Trump is smashing the centuries-old Crown chokehold on trade and power — and the military reset locks it down!

This fulfills Trump's sacred oath to defend the Constitution, protect the people, and preserve the Republic. Every officer and servant must choose: stand with the restored Republic or stand exposed as oath-breakers. The line is drawn — no more shadows, no two Americas. One Republic. One Commander-in-Chief. One Law — Common Law!

QAnons, white hats, digital warriors — this is OUR victory moment! The debt-based, deception-driven US INC. fraud is overthrown. Military mobilizes under Trump's unbreakable command. Deep State cabal legally crushed, illusions collapsing. Freedom surges back — the Republic is BACK, sovereign, unbreakable!

Zc. A Plea to help Ohio Foster Children, including Kaitlynn Hunter, caught in a CIA Mind Control Pedophile Kidnapping Ring:

Kaitlynn Hunter Update: Ohio Foster Children including Kaitlynn Hunter caught in a CIA Mind Control Pedophile Kidnapping Ring desperately need your help.

Even though Kaitlynn has finally been released from seven years of tortuous foster care, she is unable to have contact with her mother Jeannine because of a court order on Jeannine. (Jeannine sheltered Kaitlynn when she ran away from seven years of abusive Ohio foster care). Kaitlynn remains to have concerning medical issues and needs her mother to help her. Ironically, as in this case decision, **Kaitlynn was forced a Pfizer Covid 19 shot against her will, in Kent Ohio by foster mom who kept the \$100 shot incentive. Kaitlynn was forced flu and other vaccines against her wishes in foster care.**
<https://x.com/i/status/2051676714019762201>

Kaitlynn is not in school, and unable to graduate this year, because her last school lost her transcripts.

Mother Jeannine Larrick: "I am guilty for wanting to love and protect my daughter who has been abused since 2019 while in Guernsey county Ohio Child Protective Service un-constitutional custody and Journey Home NYAP fostercare. I reported her abuse and cps claimed I threatened her. I was facing 5 years in prison. to stand trial. I was put in the state ABH mental ward at **\$800 a day for 5 months**, and **Kaitlynn in another mental ward** and received more abuse at FOXRUN (see google reviews) while they criminally took permanent custody. We were both forced drugged against our wishes. I was acquitted in jury trial but they refused to return Kaitlynn, even though I had CPS transcripts that I never abused or neglected her. Guernsey county juvenile courts, cps, sheriff dept and state ignored my exculpatory exonerating evidence and reports of abuse and neglect of Kaitlynn in 2023. **Juvenile entries stated NYAP behavior modification and residential group homes.** She was allowed to be an organ donor for her 16th birthday.

I fought for seven long painful years, helpless to save my daughter from the tyrannical treasonous hell. I feel all agents listed in the **Summary videos: Ohio Justice Hunter - YouTube Titled Part 1,2,3 and Void abnitio and Cease and Desist.** need to **cease and desist in their continued abuse of myself and Kaitlynn and quit wasting taxpayers money to deny our unalienable God given rights to life liberty and the pursuit of happiness..**

I feel agents named in videos are all guilty of misprision of felony for knowing and denying myself and Kaitlynn our rights as sovereign individuals by ignoring or claims, suppressing evidence and denying us to be heard in court.

I was assaulted in my home for telling Guernsey county sheriff deputy Robert Oakley Patterson to respect me in my home. He and Cps refused to let me speak or look at lawful home school records in my hands in the video 2-11-19. <https://x.com/i/status/1963141694272176466>

CPS and cops maliciously with intent charged me with false criminal charges and defamed me to cover up the **OBSTRUCTION OF JUSTICE and INTERFERENCE of CUSTODY** and assault in the copcam. CPS perjured and Judge Bennett and the sheriff department **denied due process** to let me out of jail to defend myself in juvenile court.

The case was over 2-12-19 ,via **Fruit of the Poisonous Tree Doctrine and everything else is fraud,null and void.** And they all know it!!! Including these current bogus charges for protecting her!!!! Hundreds of thousands of tax paid dollars,may be millions used to legally abuse and retaliate against Kaitlynn and I.Keeping us separated and or locked up to be silenced of their crimes against us.

They are trying to do it again in efforts to cover up Kaitlynn's horrific story in Dayton ,Ohio 11-2024 and discredit Kaitlynn and myself from ever getting justice.

Juvenile courts and cps ignored our affidavits and have created false juvenile records covering up the fact that Kaitlynn was In Dayton 2024. Two separate months entries they were asking if she had Indian blood.

Now I am facing Obstruction of Justice,interference of custody for protecting her,contempt for not taking the unconstitutional incompetence evaluation (I provided proof of my mental health when I was arrested for the 4th time since my 1st false arrest 2-11-19 . All arrests I have proof of Rico conspiracy and crimes against us. The warrant was issued the day I buried my mother who was medically murdered. Exactly what they are doing in our case: <https://x.com/i/status/2052338118615810527>

I was diagnosed with Legal abuse syndrome by a federally certified ADA advocate due to the years of tax paid government agents who knowingly, willingly with malicious intent covered up the cop assault

Our case and government agents are all complicit. Please tell these entities named below to stand down, cease and desist!!!!

Juan O Savin said, “Please help save Kaitlynn, Jeannine and Ohio Foster Children – burn this satanic web down! Kaitlynn Hunter and Jeannine Larrick were in grave danger from Ohio's corrupt CPS, sheriff department and courts. The two hold damning proof. Their evidence could lock up Guernsey County Ohio demons for Crimes Against Humanity and Depravation of Rights. The Alliance needs your rage to trigger mass arrests!

Please help Kaitlynn, Jeannine and other Ohio Foster Children by writing or calling complaints into the following:

-State of Ohio Atty General Dave Yost Email: AGOCARES@OhioAGO.gov

-Forced court Atty Jack Blakeslee, Email: Blakesleejack@yahoo.com In my Jury trial he was not allowed to do or say Jack shit to assist me. As with all court appointed attorneys in our case, exculpatory exonerating evidence was suppressed and ignored. It has been difficult to find a lawyer to go up against the agents in our case.

Last Monday there was another kidnap attempt at the supermarket parking lot. I’m in such a stressful and dangerous situation. I ask you to please publish and relay to your contacts in other media outlets for publishing the below article as soon as possible, with an update of my situation, request for help and offering of doing any online administrative work in any of the four languages I speak. Ze. Tim Ballard: A hero rescuing children from Child Trafficking Rings

Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World’s Children. Just as a film about Ballard’s work, “Sound of Freedom,” was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like to support Ballard’s unjust persecution, contribute here: [Ballard Family Defense Fund GiveSendGo | Ballard Family Fund](#)

Ken Cromar presently sits in prison having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar’s favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. **Ken (& Barbara) Cromar**

Zg. Judy Note HIGH ALERT: The below is a request from the mother of a child in London England who was pleading for the White Hats to rescue her daughter Alana Martin from London Foster Care and reunite her with her family.

Hi Judy, A massive thank you for your help sharing our evidence for the safe return of my daughter The Stolen Girl: Alana-Linda Martin. We are still fighting this on-going battle to save my daughter. Court hearings were about the criminal kidnappers, who were looking for the higher courts to cover them with an order of "anonymity" to stop us from exposing their names or their crimes. For the last 5 months of her now 9 month captivity, the kidnappers are only concerned in covering their own criminality, as there has been no mention about her care or a final hearing throughout this torture and terrorism. All factual knowledge of our case is being ignored/ covered up by public servants & Judges involved which have all gone Ultra-Vires. In further attempts to stop our quest and our calling our names and mission was sabotaged including our State Child Trafficking Task&Force116/ Council of 13, they have bankrupt my bank accounts, book sales, PayPal accounts, our social media sites, and now they are trying to threaten our home with eviction. Janine Linehan, Captain, State-Child-Trafficking-Task&Force116, and from the Council of 13. WWG1WGA.

Zh. Watch Out For Scammers:

Upon implementation of the Global Currency Reset the Cabal will be losing their money supply and they are hot and heavy to SCAM anyone in any way they can.

Judy Note: There are 84 platforms on Telegram under my picture and name Judy Byington. Be aware I have NO platform on Telegram. I do not write on Telegram. Anything written under my name on Telegram was not authored by me.

Speaking of Telegram, there appears to be a huge scam going on Telegram where under the name of some notable Q Movement person they promise to set you up on a QFS Wallet if you send them around \$2,000 or more. This appears to be a scam as setting up your QFS Wallet is supposed to be free to the best of my knowledge.

Watch out for: Anyone advertising they will reimburse you for the TRB Trump Products, or set you up on a Quantum Account asking for money to do it. (They use fake accounts and AI to make you think you are dealing with Trump, Tucker Carlson, etc.)

Also watch out for the HSBC Quantum Token/Bitcoin Scam, the TRB Trump Products Scam, the Dave XRPLion Impersonator Scam, the Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and any other website that asks that you give them your personal identification to register for a QFS Account and/or receive a pay out on TRB products.

DO NOT exchange currency or Zim Bonds anywhere but at a licensed Redemption Center where you will get the highest rates possible.

The HSBC Quantum Scam: They claim they've successfully applied "quantum technology" to buy and sell tokenized physical gold. The trick is when you buy the tokens or Bitcoin they keep the gold and have complete control over your bank account.

Report your TRB Scam experience to:

Victims of the TRB Scam, Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and/or the Dave XRPLion Impersonator Scam are urged to type up their experiences including products bought and monies paid

out, plus your contact information. Sign four notarized copies of your complaint, keep one, and give the other three notarized copies to:

Present a notarized copy of your TRB complaint to your local law enforcement and ask they open an investigation. Write down your complaint number and include it in your **information sent to Alan Garten and the US Inspector General of the Air Force.**
