*“Freedom is never more than one generation away from extinction. We didn't pass it to our children in the bloodstream. It must be fought for, protected and handed on for them to do the same.”*

...President Ronald Reagan

**Judy Note: Evidently between 2009 and 2018 China, Russia and America worked together to build a city** that doesn't exist on any map – that is electronically, thermally invisible and electromagnetically silent. Presently two million people live in western China in skyscrapers with transit systems, hospitals and a Power grid that produces no signal detectable by Western surveillance. ...Ten Days of Darkness on Telegram

**It has free energy, no financial system based on debt,** no surveillance grid and no pharmaceutical dependency. The city operates on technology that doesn't exist in any public market: Magnetic levitation transit with no visible track; buildings with no external power connections — self-sustaining through an energy source that produces no emissions and requires no fuel delivery. It has communication systems that emit no detectable radio frequency.

**Why? Because when the old world collapses,** financial system resets and EBS activates, the transition was expected to create temporary chaos. At that point we need to understand how our new world operates – have every problem worked out before eight billion people make the switch.

**We are almost there.** The privately owned by Satan Worshipping Cabal Deep State Banker's IRS is gone and their Federal Reserve has been absorbed into The People owned US Treasury. The once fiat Dollar is backed by gold.

**Big Pharma is being held accountable** with massive legal consequences. The Oil monopoly is being dismantled. The health care system will actually heal using light and sound frequencies, not pills.

**Constitutional Common Law is returning to America,** a form of that Constitutional Common Law will be set up in all nations participating in the Global Currency Reset. No nation could be at war if they wanted to be part of the new gold/ asset-backed Global Financial System. The Chinese Communist Party has officially collapsed.

**America and Peoples of the World** were becoming sovereign, free and governed by We the People. The Great Awakening is here.

**This was not the New World Order** that the Satan worshipping Illuminati Deep State Cabal had long planned.

**Deep State King Charles (perhaps Clone Charles?) recently announced digital ID** – a money system of the Mark of the Beast backed by gold, but the Deep State keeps the gold in a total enslavement of The People. **Government Digital ID is the final chain** in their dystopian master plan. Total surveillance, social credit scoring, and locking you out of society if you dare question the narrative.

**You only represent a barcode** with movements tracked, thoughts flagged, the Globalist system that wants you owning nothing in their digital prison where they have control over your ability to buy food, travel and even breath.

*A. What we thought we knew, but didn't really know and now are supposed to know but don't have a clue. With clones, doubles, made up movies Hollywood style and Trump's Military Alliance throwing more popcorn at us, it gets sooo confusing:*

**The Obama administration used a powerful CIA/NSA surveillance program** originally built in 2003 to hunt terrorists overseas, but then used it to spy on American citizens, and later expanded the software to alter election outcomes. Just weeks after Obama took office in 2009, the program called "The Hammer (HAMR)" was illegally shifted to a secret CIA facility in Fort Washington, MD, and turned against American citizens for domestic spying, violating the Constitution. **D. Possible Timing:** ...Med Bed Activation on Telegram

**On Sun. 17 May 2026** the long awaited Med Beds revolution surged forward as White Hat Patriots under President Donald J. Trump finalized preparations for the global rollout of this life changing technology. Suppressed for decades by the Deep State Cabal and their Big Pharma accomplices who profited from keeping humanity sick, these quantum healing beds are ready to deliver miraculous recoveries. Veterans suffering from wars, t-----d children damaged by elite rituals and everyday patriots poisoned by injections and chemical laced food will soon experience complete regeneration. **On Tues. 19 May 2026 White Hat sources** under President Trump released the updated Med Beds global activation schedule accelerating beyond all expectations:

**On Tues. 19 May 2026:** . 48-hour blackout allows safe GESARA deployment and Med Bed integration with gold-backed QFS in 209 nations. Patriots stock essentials as banks transition to QFS. Fiat dies. Starlink secures all. At 04:17 UTC, military tracking channels detected the first escorted convoy entering a secured corridor east of the Strait of Hormuz. The cargo vessels carried classified bullion reserves that overnight had been approved for movement between U.S. Central Command and allied regional forces. In a blackout the convoy advanced nearly 90 nautical miles through “the silent corridor,” while multiple banks across Europe and Asia received compliance alerts, with liquidity set to begin once the reserves officially reached U.S. control.

**E. Tues. 19 May 2026 Bruce, The Big Call** [The Big Call Universe \(ibize.com\)](http://TheBigCallUniverse.com) 667-770-1866, pin123456#, 667-770-1865:

**Zim Holders will likely be the only ones in the currency exchanges** who will have to sign an NDA. It could be anywhere from 30 day to 120 day NDA.

**At your exchange you have to show** proof of where you live, a photo ID and organized currency.

**Official emails to set your exchange appointments** have not yet gone out.

**17,500 emails went out to people** about redemption centers, exchanges etc. and was bogus. They have arrested the person who sent them out.

**Humanitarian Projects** should have longevity and emphasize the creation of jobs and employment opportunities.

**Approximately two million trafficked children** rescued from underground tunnels across the World have gone through Med Bed treatments.

**Redemption Centers** are used for exchanges, not banks.

**On Wed. afternoon 20 May 2026** we will have new rates on Redemption Center screens.

**Exchanges for Tier4b** (us, the Internet Group) will begin **Wed, Thurs. and Friday 20, 21, 22 of May 2026.**

**Zim Holders are Sovereigns** and will be notified first and will be able to redeem first. It is possible for Zim Holders to receive their notifications to exchange by **Wed. 20 May 2026.**

**Call Centers are AI** and will give you the number to call to talk to a person at a Redemption Center to obtain your appointment.

**Physical and financial freedom came to Iran today Tues. 19 May.** The Iranian Rial is trading on the Forex.

**F. Judy Note: We have been told that Wells Fargo**, which is controlled by the Chinese Elders – (the ones who own the gold behind the Global Currency Reset) – will send out emails to currency and bond holders worldwide telling them how to set redemption & exchange appointments. It is advised to exchange/redeem your foreign currency at an official Redemption Center (RC) rather than a bank. You can only redeem Zim at a RC, the Dinar Contract Rate can only be given at a RC and banks will offer you lower exchange rates than what you can obtain at a RC. You can only set up your new wallet (bank account) at a RC. It was my understanding that most banks were under control of the Cabal and would soon play a different roll in the Global Financial System.

**G. Tues. 19 May 2026 UPDATE: PHASE-II ACTIVE / GOLD-CONVOY / QFS-TRANSITION THE SHIPS HAVE STARTED MOVING.** ...Mr. Pool on Telegram

**At 04:17 UTC, military tracking channels detected the first escorted convoy** entering the secured corridor east of the Strait of Hormuz. No mainstream outlet reported it. But satellite watchers noticed something unusual immediately: every commercial vessel in the convoy was surrounded by layered naval protection unlike anything seen in civilian shipping operations before. Destroyers ahead. Submarines below. Air surveillance above.

**This is no ordinary transport mission. Sources connected to Gulf port authorities claim the cargo vessels carrying the classified bullion reserves** were finally cleared for movement after an emergency security protocol was approved overnight between U.S. Central Command and allied regional forces.

**Then came the blackout. For exactly 11 minutes, multiple maritime tracking systems experienced synchronized signal interruptions** across the Hormuz region. Public vessel data disappeared. Radar feeds froze. Independent observers lost visual positioning.

**When the systems returned online**, the convoy had advanced nearly 90 nautical miles. Military analysts are calling it “the silent corridor.” The gold reserves aboard those ships were

linked to the activation phase of a parallel settlement infrastructure designed to bypass the collapsing debt-based global banking system.

**Now the bigger question begins:** Why would the United States deploy this level of protection for civilian cargo unless the shipment itself was tied to something far beyond oil?

**This is where the story changes completely.** Insiders now claim the gold reserves aboard those ships are linked to the activation phase of a parallel settlement infrastructure designed to bypass the collapsing debt-based global banking system. Not future plans. Not theory. Activation phase.

**Multiple banking insiders across Europe and Asia** have reportedly received restricted compliance alerts connected to liquidity restructuring protocols set to begin once the reserves officially reach U.S. control.

**Meanwhile, unusual activity is exploding across financial networks:**

- **Emergency meetings** between central banks
- **Sudden liquidity freezes** in smaller institutions
- **Quiet transfer delays** appearing across international wires
- **High-volume movement** into physical assets and commodities

**None of this is random.** The old system is under pressure. The transition phase has already started. And while the public is distracted with headlines about oil and regional conflict, something much bigger is happening underneath the surface.

**The convoy continues moving tonight.** The markets are watching. The banks are watching. Military command is watching.

**Question is: Are you watching closely enough?** PHASE-II ACTIVE / GOLD-CONVOY / QFS-TRANSITION

## **J. Tues. 19 May 2026 Update on Israeli Crimes, Mazin Qumsiyeh**

**The Israeli crimes against humanity continue.** Since declaring "ceasefire" in Lebanon and the Gaza ghetto/concentration camp, over 1500 civilians were murdered by the Israeli apartheid regime.

**In the past three days alone**, dozens were murdered including a person with Down syndrome, many children, medics and a journalist.

**The ethnic cleansing and programs** by the colonial settlers aided by IOF soldiers continue here in the occupied West Bank.

**The regime's navy also just pirated 22 additional ships** (total 41 ships, ten still sailing) in International waters - total peace activists kidnapped 337 see <https://globalsumudflotilla.org/> .

**The Western Zionist dominated media and governments** are silent on these continuing crimes against humanity and on political dramatic changes that will impact cost of living and their pockets.

**Even our own Palestinian supposed leaders** and media say and do very little if not outright shield people from facts. The same Western governments that supported genocide pressured the Palestinian authority to have elections, but on Israeli terms.

**You will not be allowed to run for elections** if you support full equality, or a secular democratic state. Only if you support the Oslo surrender agreements and perhaps a fictional two state (which Israel does not accept), will you be allowed to run.

**These same governments** also formally say they are against corruption but know clearly that corruption runs deep in their own circle, in the apartheid system, and in the existing Palestinian leadership and body politics.

**I have been compiling a book on the subject** to be published after I am gone. Yet, what is remarkable is the proliferation of good people willing to act on their conviction. From the

Sumud flotilla to hundreds of millions of people of good faith who took to the streets to commemorate the ongoing Nakba, Palestine will live.

**In other good news** the ICC Prosecutor Seeks Warrants for Ben-Gvir, Smotrich and other Israeli Officials; Israeli military outposts in Iraqi desert exposed; Chinese and Russian and other BRICS leaders have already built a new world order to replace the horrific order led by US imperialism (itself led by the Zionist lobbies).

**Q. Tues. 19 May 2026 CHINA JUST REVEALED A CITY THAT DOESN'T EXIST ON ANY MAP. POPULATION: 2 MILLION..** ...Ten Days of Darkness on Telegram

**Satellite imagery from May 1st** shows a fully operational metropolis in western China — 140 kilometers from the nearest known settlement. Skyscrapers. Transit systems. Hospitals. Power grid. All functional. All populated. It doesn't appear on any map.

**China didn't build it alone.** The architectural signatures match designs found in Russian classified patents and American DOD research from the 1990s. Three nations. One project. Hidden in plain sight in a desert that satellites were programmed to show as empty.

**Why? Because when the old world collapses** — when the financial system resets, when the EBS activates, when the transition creates temporary chaos — someone needs to already be living in the new world. Testing it. Proving it works. Working out every problem before 8 billion people make the switch.

**Project 天命 isn't a Chinese military base. It's a prototype.** A functioning model of post-reset civilization. Free energy. No financial system based on debt. No surveillance grid. No pharmaceutical dependency.

**Intelligence sources confirm it was built between 2009 and 2018.** Nine years of construction. 2 million residents relocated. An entire civilization assembled in secret while the world watched China build islands in the South China Sea as a distraction.

**The city operates on technology that doesn't exist in any public market.** Magnetic levitation transit with no visible track. Buildings with no external power connections — self-sustaining through an energy source that produces no emissions and requires no fuel delivery. Communication systems that emit no detectable radio frequency.

**A city that is electronically invisible.** Thermally invisible. Electromagnetically silent. Two million people living in a place that produces no signal detectable by Western surveillance.

**The 4-second broadcast wasn't an accident.** It was a signal. To the people watching. To the Alliance. To the world.

## **S. Voter Fraud:**

**Mon. 18 May 2026: WE ARE GOING TO FIND OUT THAT PRESIDENT TRUMP ACTUALLY WON MANY OF THE STATES HE 'LOST' IN 2020, I MEAN.** Once ballots in the 2020 election are counted that remain un-certifiable it should show that Trump won Arizona, Georgia, Pen, Wisconsin, Mississippi and Nevada, and likely a lot more. This massive bluff was foisted onto the country for six plus years (including the four years Biden was in the White House) was because a coordinated hidden shadow election network spanning several states entered into a criminal conspiracy to pretend they had legally certified millions of ballots that were un-certifiable according to state and federal election laws. ...The Storm is here on Telegram

**Tues. 19 May 2026: HOLY CRAP! CALIFORNIA ELECTION FRAUDSTER PLEADS GUILTY IN SKID ROW SIGNATURE SCHEME** A California woman exposed in an investigation tied to ballot petition fraud has pleaded guilty after allegedly collecting voter registrations and signatures from homeless individuals in Skid Row using false addresses and incentives such as cash, cigarettes, and phone cards. Assistant Attorney General Harmeet Dhillon said the conduct highlights how easily voter rolls can be manipulated under California law, noting that individuals registered with fake addresses could still receive ballots for state and federal elections. The scheme reportedly involved using stacks of registration forms and

directing individuals to sign petitions under improper conditions, raising concerns about election integrity and enforcement gaps. ...A State of Power on Telegram

**Tues. 19 May 2026 Voter Fraud Michigan:** All the adjudication logs in the Michigan 2020 election were missing, because of a MASSIVE 68.05% error rate in Antrim County's tabulation logs, vs. the federal maximum allowed of 0.0008%. They literally just made as many ballots as they needed to steal the 2020 election from Trump and then deleted the adjudication logs, security logs, and event logs, and zeroed out results to prove the votes. In Central Lake Township alone, 81.96% of ballots, 1,222 out of 1,491, were rejected and sent for adjudication. He even tried to warn the government before the 2020 election and CISA ignored him. ...The Schiff on Telegram

**T. Tues. 19 May 2026 The Obama administration used a powerful CIA/NSA surveillance program originally built in 2003 to hunt terrorists overseas, but then used it to spy on American citizens, and later expanded the software to alter election outcomes.** ...Edward Snowden on Telegram

**Just weeks after Obama took office in 2009**, the program called "The Hammer (HAMR)" was illegally shifted to a secret CIA facility in Fort Washington, MD, and turned against American citizens for domestic spying, violating the Constitution. Obama, Joe Biden, John Brennan, and James Clapper were directly involved in the illegal operation.

**Scorecard software was later added**, which is a vote-manipulation tool installed on the Hammer system to intercept election data and flip 3% of votes in real time during transmission from voting machines/tabulators. Just another form of election manipulation on top of many others. The system was deployed in the 2012 election and Democratic primaries, and possibly in the 2016 and 2020 election as well.

**The most interesting part is that electronic vote manipulation** goes back to the early 2000s. In October 2000, while working as a computer programmer at Yang Enterprises in Oviedo, Florida, computer programmer Clinton Eugene Curtis was directly approached by Tom Feeney, then Speaker of the Florida House of Representatives and the company's lobbyist, along with the company's corporate attorney to create a prototype program capable of rigging elections.

**The software was designed to secretly flip votes 51-49** in favor of any chosen candidate or race without being noticed by election officials. Curtis states the program would be completely undetectable by county boards of elections unless someone examined the actual source code or had a verifiable paper trail/receipt to compare against the electronic totals.

**When Curtis initially provided a report** on how to detect and prevent such fraud, including mandatory paper trails and source code reviews, the company owner, Mrs. Yang,

rejected it and instructed him to hide the fraud in the source code instead. She reportedly told him it was needed "to control the vote in South Florida."

**Curtis confirms he wrote the prototype** as requested but left the company shortly afterward. He testified that such vote-rigging software is simple to create, hundreds of lines of code at most, and could be inserted into central tabulators or voting systems.

**During his court testimony on this very program** and the fraud in Ohio's 2004 election, based on significant discrepancies between exit polling data and official results in the 2004 Ohio presidential election, plus the known availability of rigging software and lack of protective measures, Curtis stated under oath that the 2004 Ohio election was likely hacked as well.

**This was just the early days of election rigging software and programs.** Obama and his administration continued with their own endeavors as technology progressed, especially with Smartmatic and the use of wireless internet and remote access from anywhere in the world. This has been going on long enough, it's time to end any and all of these election rigging practices and programs and bring back real election integrity. If we don't fix our elections, we will lose this country, and it all starts with holding these people accountable.

**U. Tues. 19 May 2026 It took 50 years to expose the Kennedy Assassination, but the truth is finally out. The Warren Commission lied. The government covered it up. ...EBS Live on Telegram**

**JFK's assassination was not the act of a lone gunman** — it was a full-blown military intelligence coup. SCREW YOU, LBJ. I always smelled a Rat, and you were the Big one.

**JFK had signed The Tonkin Act**, effecting pulling all troops out of Southeast Asia- (Vietnam). Lady Byrd Johnson owned control and interest in Kellogg/ Brown & Root, later merge KBR, INC, Halliburton, Inc. who made most of the munitions the United States Military used to fight the Vietnam War. Just one small piece of the puzzle.

**Part - The Military Industrial Complex.** The day after JFK was assassinated, President Lyndon Baines Johnson rescinded the Tonkin Act, giving President Lyndon Baines Johnson authority to increase involvement in the war between North and South Vietnam.

**Declassified documents released January 30, 2025**, expose what many of us have long suspected: JFK was murdered by the very system he tried to dismantle.

**He challenged the Federal Reserve, the CIA**, and the shadow elite. He signed Executive Order 11110 to return to sound money. Within months, he was dead. And what followed was decades of lies, cover-ups, and silencing of truth.

**The files reveal CIA death squads** (Operation Execute), a “JFK hit memo” from the Federal Reserve, and names like E. Howard Hunt, David Atlee Phillips, and even George H.W. Bush linked to that dark day in Dallas.

**Even more chilling** — JFK knew they were coming for him. A newly surfaced audio tape confirms it. “They’ll come for me soon... But if I fall, let history know I tried to warn them.”

**Remind you of anyone???** The parallels to President Donald J. Trump are right in front of us. Two men, decades apart, both targeted by the same Deep State machine. Both tried to return power to the people. Both exposed the lies of the industrial and financial slavery system. And both paid — or are paying — the price for defying the system.

**JFK’s death was the day America lost its innocence.** But January 30, 2025, was the day the veil was finally lifted. History isn’t just repeating — it’s screaming at us. The question is: are we listening now???

**Patriots, the storm has hit and it's magnificent!** President Donald J. Trump has invoked Article II to declare the United States fully sovereign under Common Law once more. The fake foreign-controlled “US INC.” is finished — dissolved, dead, gone forever. No more Admiralty Law oppression, no more globalist chains dragging us into debt and war. The Deep State grip is broken; the true Constitutional Republic rises triumphant!

**This is no mere rhetoric — it’s a binding Declaration of Authority** and Summons from Trump as Commander-in-Chief. He’s seizing full control, sidelining the corrupt swamp and directing the military via the Uniform Code of Military Justice. Every flag officer is oath-bound to obey lawful orders from the legitimate President. No more excuses, no divided allegiances. The military now serves We the People through Trump, not the treasonous corporate facade!

**Under Common Law sovereignty** — grounded in God-given rights and original founding truths — Trump exercises his prerogative to summon leaders, affirm real authority, and rebuild national defense. This resets America to the Founders’ vision: no commercial enslavement, no hidden British shadows, just pure liberty!

**All flag officers are ordered to convene in Virginia** — the Republic’s sacred cradle — for immediate realignment. This is full military mobilization to restore loyalty and eliminate globalist remnants. The timeline is set, orders issued, clock running. Unity under true command is happening NOW!

**Foreign-tied overseas bases and Commonwealth-linked ops?** They’re being shut down or reclaimed for America. No more secret outposts serving alien masters, no covert pacts bleeding us dry. **Hi Judy,** A massive thank you for your help sharing our evidence for the safe return of my daughter The Stolen Girl: Alana-Linda Martin. We are still fighting this on-going battle to save my daughter. Court hearings were about the criminal kidnappers, who were looking for the higher courts to cover them with an order of "anonymity" to stop us from exposing their names or their crimes. For the last 5 months of her now 9 month captivity, the kidnappers are only concerned in covering their own criminality, as there has been no mention about her care or a final hearing throughout this torture and terrorism. All factual knowledge of our case is being ignored/ covered up by public servants & Judges involved which have all gone Ultra-Vires. In further attempts to stop our quest and our calling our names and mission was sabotaged including our State Child Trafficking Task&Force116/ Council of 13, they have bankrupt my bank accounts, book sales, PayPal accounts, our social media sites, and now they are trying to threaten our home with eviction. Janine Linehan, Captain, State-Child-Trafficking-Task&Force116, and from the Council of 13. WWG1WGA.

### **Zf. Watch Out For Scammers:**

**Upon implementation of the Global Currency Reset** the Cabal will be losing their money supply and they are hot and heavy to SCAM anyone in any way they can.

**Judy Note:** There are 84 platforms on Telegram under my picture and name Judy Byington. Be aware I have NO platform on Telegram. I do not write on Telegram. Anything written under my name on Telegram was not authored by me.

**Speaking of Telegram,** there appears to be a huge scam going on Telegram where under the name of some notable Q Movement person they promise to set you up on a QFS Wallet if you send them around \$2,000 or more. This appears to be a scam as setting up your QFS Wallet is supposed to be free to the best of my knowledge.

**Watch out for:** Anyone advertising they will reimburse you for the TRB Trump Products, or set you up on a Quantum Account asking for money to do it. (They use fake accounts and AI to make you think you are dealing with Trump, Tucker Carlson, etc.)

**Also watch out for** the HSBC Quantum Token/Bitcoin Scam, the TRB Trump Products Scam, the Dave XRPLion Impersonator Scam, the Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and any other website that asks that you give them your personal identification to register for a QFS Account and/or receive a pay out on TRB products.

**DO NOT exchange currency or Zim Bonds** anywhere but at a licensed Redemption Center where you will get the highest rates possible.

**The HSBC Quantum Scam:** They claim they've successfully applied "quantum technology" to buy and sell tokenized physical gold. The trick is when you buy the tokens or Bitcoin they keep the gold and have complete control over your bank account.

**Report your TRB Scam experience to:**

**Victims of the TRB Scam, Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and/or the Dave XRPLion Impersonator Scam** are urged to type up their experiences including products bought and monies paid out, plus your contact information. Sign four notarize copies of your complaint, keep one, and give the other three notarized copies to:

**Present a notarized copy** of your TRB complaint to your local law enforcement and ask they open an investigation. Write down your complaint number and include it in your **information sent to Alan Garten and the US Inspector General of the Air Force.**

**Alan Garten, General Counsel** to the Trump Organization so they can refer such on to their FBI, Secret Service and New York PD investigations. The Trump Organization 725 Fifth Avenue, 26th Fl. New York NY 10022-2519 United States.

**Inspector General of the Air Force's Office**, so our Spec Ops people can pay a call on such criminals. Email: [saf.ighotline@us.af.mil](mailto:saf.ighotline@us.af.mil)
