“Wake Up, For The Hour Is Much Later Than You Think”

Judy Note: The end was drawing near. It’s time for Patriots to wake up The People. Even with all of Trump and the Global Military Alliance over twenty years of efforts to arrest and try the bad guys, there remained much to do.

There was evidence that the government was still poisoning 200 million Americans daily with toxic Fluoride mandated for public drinking water, even after a 2024 federal court ruling against it, verified by 24 Harvard studies and a Trump directive in January that revealed Fluoride caused damage to children’s IQ.

There was also evidence that California’s highest leaders were into Satan worship involving pedophilia and child sacrifice.

Additionally there were massive Data Centers operating and being built by the Cabal across the nation with a main purpose of being processing hubs for human brain waves in order to do mass surveillance and direct energy targeting of the population.

Problem #1 Evidence that California’s highest leaders were into the worship of Satan involving pedophilia and child sacrifice.

Mel Gibson was preparing to drop bombshell evidence before Congress - naming Gavin Newsom, Nancy Pelosi, Kamala Harris, and the rest of California's most powerful political machine in what he says is the biggest Hollywood scandal in history. "Gavin Newsom drank baby blood and it’s on video" he said.

Gibson says he has the receipts: visitation records, exact dates and locations, photographs, and video that he claims expose a long-rumored child trafficking network operating inside elite California political and Hollywood circles.

Problem #2: Evidence that the government was still poisoning 200 million Americans with the toxic Fluoride in drinking water even after a federal court ruling in 2024 and a Trump directive in January.

In September 2024, a federal judge ruled that fluoride in public tap water posed an "unreasonable risk of reducing IQ in children." Harvard confirmed the federal findings through 27 studies. **Back in 1962** the National Toxicology Program had classified Fluoride as a developmental neurotoxin – the same category as lead and mercury. That meant that the government has been damaging public health for 81 years.

On January 20, 2026 the Trump White House issued a directive to begin removing fluoride from all municipal water systems. Right now there was 73% of American public water systems still fluoridating the water of over 200 million people. Poisoning of Americans was still happening after 81 years of fluoridation and after 62 years of being classified as a neurotoxin and two years after the federal court ruling saying it was causing lower IQs in children and for four months after Trump's directive to remove it from the water.

Problem #3: There was evidence that the Cabal's massive Data Centers across the nation had a main purpose of controlling the public's thinking. They were serving as processing hubs for human brain waves in order to do mass surveillance and direct energy targeting of the population. [Facebook https://www.facebook.com/reel/2039819843556439/?mibextid=ZZyLBr](https://www.facebook.com/reel/2039819843556439/?mibextid=ZZyLBr)

The massive Data Centers were not what you may have thought. They did not just store your videos from the Web. Their main purpose appeared to be to do mass surveillance, direct energy targeting and to control your thinking.

Being funded with US taxpayer dollars through the Defense Department, biological wetware versions using lab-grown human neurons were already operational.

The facilities consumed millions of gallons of water daily and were actively linked to fusion centers, sharing a unified neural mapping database. These centers power population scale mind interface, behavior prediction and thought nudging via 5G/6G infrastructure.

They serve as neural processing hubs for human brain waves. They ingest live human brain signals from everyone, with human targets used as the test bed to debug and train the system.

They run on engineered cerebrospinal fluid swapped daily. Neural signatures harvested from human targets are sold on dark markets as subscriptions for surveillance and remote influence. <https://www.facebook.com/reel/2039819843556439/?mibextid=ZZyLBr>

The storm has arrived. High-profile arrests are flooding GITMO, Deep State operatives are being rounded up, and the world is on the brink of an unprecedented purge. This is bigger than anything before. Secret military tribunals are running at full force, and the list of names will shake the world.

For years, whispers of military tribunals and deep-state arrests were dismissed as "conspiracy theories." But now, GITMO is overflowing, and new detention centers are popping up worldwide. Honduras, Spain's Santa Cruz Islands, Antarctica's hidden military base—all filling with traitors who once ruled from the shadows.

U.S. MILITARY TAKES CONTROL The Supreme Court has been bypassed, the Insurrection Act has been activated, and secret trials are happening under military jurisdiction. Justice is no longer delayed—it is HERE. GITMO alone is at full capacity, forcing military forces to relocate thousands of Deep State operatives to offshore black sites. J. Wed. 20 May 2026 300,000. That's how many children the United States government LOST. Not misplaced. Not temporarily separated. LOST. Released to strangers with no background checks, no follow-up, no phone call. Gone. ...The Great Awakening on Telegram

300,000 children crossed the border alone between 2021 and 2024. The government handed them to "sponsors" — people who claimed to be relatives. Many were not. Some had paid smugglers to bring the children in. Some had criminal records. Some had child sexual abuse material on their phones. Some were running labor operations.

The government never checked. Never visited. Never called. 291,000 of them never even received a court date. They were handed over and FORGOTTEN.

When DHS finally went looking — in February 2025, under direct orders from President Trump — they found what no one wanted to say out loud.

Girls. Pregnant. By their "sponsors." Children working overnight shifts in slaughterhouses. Twelve-year-olds cleaning industrial equipment at 3 AM. Kids who hadn't been to school in two years. Kids who didn't know what city they were in. Kids who had been SOLD — not once, but multiple times.

Sponsors with records for aggravated assault. Drug trafficking. Attempted murder. And they were given CHILDREN.

The previous administration knew. HHS knew. ORR knew. The Inspector General told them in 2023 — they had lost contact with 85,000 children in just TWO YEARS. The response? Nothing. No task force. No investigation. No rescue operation. They buried the report and kept processing.

519,000 unaccompanied children were encountered at the border under that administration. More than DOUBLE the previous four years. It wasn't a failure. It was a pipeline.

"We fed a pipeline of tender-aged children into sex trafficking and slave labor into our country." That's not a conspiracy theory. That's congressional testimony. Under oath. July 2025.

Trump stood before the United Nations on September 23 and said what no president has ever said:

"Any system that results in the mass trafficking of children is inherently evil."

His administration has now rescued more than 60,000 of those children. Reunited 30,000 with their families. Mothers opening doors with tears in their eyes, seeing sons and daughters they thought they'd never see again.

60,000 found. 30,000 home. Where are the other 240,000?

K. Wed. 20 May 2026: Arizona Child Trafficking. Why Use McDonald's For Comms? ...QFS Med Beds Live on Telegram

Arizona ranks among the higher-volume states for human trafficking reports, driven by border proximity, tourism corridors, and vulnerable populations including unaccompanied minors, runaways, and foster youth. Sedona and the Verde Valley function as transit and exploitation nodes due to high visitor traffic, isolated desert terrain, and hospitality infrastructure.

Documented Patterns Center On Standard Exploitation Routes. Border smuggling, NGO placement gaps for unaccompanied children, labor exploitation in hospitality, and opportunistic predator activity. US Military-supported operations have targeted these through multi-agency stings, with measurable recoveries but ongoing residual flows. I am only sharing this for those who think nothing deeper is happening.

Sedona Arizona Is A Major Trafficking Hub Front organizations posing as wellness retreats, adoption facilitators, and youth empowerment programs operate from converted estates near Oak Creek and Boynton Canyon. These collect runaways and at-risk minors under humanitarian pretexts, then stage them for onward movement. Specific facilities maintain short-term holding in converted guest houses with restricted lower levels.

- **George Soros Open Society Vectors & McDonald's Funding**
- **CIA & MK Ultra Programs**
- **The Military Operations In Sedona Arizona**

I have already gone into details on the importance of the comms and why it is necessary for those to know why certain locations are used for them. I do not know why people think this is just some sneaker collab unless you are willing taking the blue pill. If so much info is not for you. I know of a couple of websites that are no longer up that went into detail about the missing children in Sedona Arizona and the trafficking pipelines used to funnel them.

Surprisingly there is one that is still up but all the post on Sedona were removed. I will give you the initials. TCH. I will not reveal nothing else. Because these sites are targeted. Many people are not researches. They are browsers. So they remain on the surface level never going deeper. Which is why they settle for the surface story that is comfortable.

I Will Leave One Last Crumb: Military Units mapped surface-to-subterranean connections beneath Sedona estates and vortex-adjacent properties. Recon identified NGO child-care fronts as primary intake points feeding into transport vectors toward meat processing nodes in Arizona and New Mexico. Open Society derivative funding trails were traced through layered grant structures to local wellness and adoption covers. DUMB access spurs under Boynton Canyon and nearby red rock formations showed active use for high-value movement. Initial insertions used non-attributable teams for pattern confirmation without direct engagement.

Think About This For A Moment: The Missing Children In Arizona July, 2020 – approximately 596 children went missing August, 2020 – 297 children missing in Arizona September, 2020 – 222 children reported missing in Arizona October, 2020 – 106 missing in Arizona

Ask Yourself What Organization In Sedona Arizona Is Connected To This?

L. Wed. 20 May 2026 SAVE THE CHILDREN: FBI UNLEASHES MASSIVE NATIONWIDE WAR AGAINST CHILD PREDATORS ...Ezra A Cohen on Telegram

America is now witnessing one of the largest federal crackdowns on child exploitation in modern history and the message coming from FBI Director Kash Patel could not be more direct: “If you harm our children, we will hunt you down.”

Under President Trump’s law enforcement agenda, multiple nationwide operations have now been launched targeting child predators, trafficking networks, dark web exploitation rings and online offenders operating across the country.

This is not political theater. This is a full-scale federal offensive against those who prey on children. At the center of the crackdown is OPERATION RESTORE JUSTICE — a sweeping FBI operation focused on identifying predators, rescuing children, dismantling exploitation networks and putting dangerous offenders behind bars. According to Patel, federal agents are pursuing these criminals with zero tolerance and no safe haven. “There is no place we will not come to hunt you down. There is no place we will not look for you, and there is no cage we will not put you in.”

The statement detonated online because it struck something deeper than politics. For millions of Americans, this is about protecting children at all costs.

But the operations did not stop there. Federal investigators also launched OPERATION GRAY SKULL - a massive dark web investigation targeting some of the largest child exploitation platforms operating online. According to reports shared during the operation: more than 40,000 exploited children were identified, millions of predator-linked dark web accounts were reportedly shut down and multiple underground abuse networks were disrupted.

The scale of the crisis has left many Americans stunned. Entire systems allegedly existed in the shadows while innocent children were being targeted behind encrypted screens and hidden networks.

Additional nationwide initiatives including OPERATION ENDURING JUSTICE and OPERATION RELENTLESS JUSTICE have also resulted in hundreds of arrests and rescues across the country. Federal officials say hundreds of child victims have already been located as investigations continue expanding nationwide.

And behind every number is a devastating reality: a child, a family, a life changed forever.

One of the most emotional moments from Patel's statement came when he reminded the country: "Children are our most vulnerable members of society." That message cut across every political line in America. Because protecting children is not partisan. It is human.

According to figures shared during the operations, arrests involving online predators have surged dramatically, while thousands of missing children have reportedly now been identified, recovered or located through expanding federal investigations.

Tonight, one reality is becoming impossible to ignore: America's war against child predators has entered a completely new phase. And the message from federal authorities is now crystal clear: No sanctuary. No protection. No escape. America is hunting predators.

N. Voter Fraud

Wed. 20 May 2026 China: Smart thermostat found connecting to election machines sending vote data to China in the Georgia 2020 election. 29 states were sending their vote data to a server in Frankfurt, Germany, owned by Clarity Elections, with ties to China. I've been contacted by numerous county and election workers in voting precincts around the country and there are unknown Wi-Fi signals in many of our voting locations. There are also hidden Wi-Fi networks that won't show up when you scan for a Wi-Fi signal. ...White Hats on Telegram

Wed. 20 May 2026 New Hampshire: New Hampshire Dominion owned machines removed 6% of votes from each GOP candidate in the 2020 election. The amount of fraud that happened in NH is MASSIVE! You have to hear all these ridiculous statistics and findings. All of the fraud was completely ignored by all government bodies, including the courts. ...Trump Truth Revolution on Telegram

O. Wed. 20 May 2026 THE COMMITTEE OF 300 & THE ILLUMINATI BLOODLINES: The British Empire established “The Committee of 300,” an international council which determines the political, economical, banking, media, and the military policy for centralized global efforts. ...Ten Days of Darkness on Telegram

The committee is part of the Round Table Group, and is superior to groups such as the Club of Rome and the Trilateral Commission.

The Committee of 300 allegedly evolved out of the British East India Company which was established in 1727 by the British aristocracy.

This group call themselves “The Olympians,” named after the 12 highest ranking Gods of Greek mythology.

The Committee of 300 takes it's name from the “Council of 300”, which at the time was not only the main governing body managing the British East India Company at it's core, but also the beating heart of the British Empire's imperialist ambitions throughout the Western world.

In 1909 an article entitled Geschaoftlicher Nachwuchs was published by Walter Rathenau of General Electric, who said the following about the Committee of 300: “Three

hundred men, all of whom know one another, direct the economic destiny of Europe and choose their successors from among themselves.“

For nearly a century the British East India and Dutch East India

Companies gathered fortunes from their opium trade with Asia and now through the Committee of 300 they continue to wage phony drug wars around the world today.

Dr. John Coleman, a former MI6 British Intelligence officer, has authored more than ten books which uncover the New World Order, focusing mostly on the Committee of 300.

In his book, ‘Conspirators Hierarchy: The Story of the Committee of 300,’ Dr. Coleman reveals how the committee controls and socially engineers the population.

In Conspirators Hierarchy, Coleman wrote the following about the committee: “**The Committee of 300 is the ultimate secret society** made up of an untouchable ruling class, which includes the Queen of England, the Queen of the Netherlands, the Queen of Denmark and the royal families of Europe. These aristocrats decided at the death of Queen Victoria, the matriarch of the Venetian Black Guelphs, that in order to gain world-wide control, it would be necessary for it’s aristocratic members to go into business with the non-aristocratic but extremely powerful leaders of corporate business on a global scale, and so the doors to ultimate power were opened to what the Queen of England likes to refer to as the commoners.“

The most notable members of the committee are:

The British royal family

Dutch royal family

House of Hapsburg

Lord Halifax

Winston Churchill

Cecil Rhodes

George H.W. Bush

Aldous Huxley

Henry Kissinger

David Rockefeller

Giuseppe Mazzini

H.G. Wells

Not to many people are aware of the fact that only 333 people actually run the entire world. It is by no means a coincidence that the number 333 has highly significant spiritual importance within numerology, Freemasonry, and the Illuminati. It is also by no means a coincidence that by adding an additional 333, you get the number 666.

P. Wed. 20 May 2026 For 81 years, the United States government put a classified neurotoxin in your drinking water: Floride. Every glass. Every shower. Every baby bottle you ever made for your child. They called it “dental health.” ...Mr. Pool Final Chapter on Telegram

In September 2024, a federal judge ruled — under oath, in open court — that fluoride at the levels in YOUR tap water poses an "unreasonable risk of reducing IQ in children." A UNITED STATES FEDERAL COURT RULED THAT YOUR GOVERNMENT HAS BEEN DAMAGING YOUR CHILDREN'S BRAINS. FOR 81 YEARS. AND EXPOSED IT AS AN "UNREASONABLE RISK."

Harvard confirmed it. 27 studies. Every single one showed the same thing — lower IQ in children exposed to fluoride. The National Toxicology Program classified it as a developmental neurotoxin. The same category as lead and mercury.

They knew in 1962. An internal EPA memo flagged neurological concerns. It was buried. Exposed researchers were defunded. Whistleblowers were silenced. The program continued.

Why? Because a docile population doesn't ask questions. Doesn't resist. Doesn't fight back. 73% of American public water systems are still fluoridated right now. That's 200 million people drinking it TODAY.

But here's what they didn't expect: On January 20, 2026 — his first day back — the Trump White House issued a directive to begin removing fluoride from all municipal water systems. RFK Jr. is leading the operation through HHS. The EPA has been ordered to comply with the court ruling.

THEY HAD 81 YEARS. HE ENDED IT IN ONE DAY. The same people who told you it was safe told you the vaccines were safe. The same agencies. The same officials. The same lies. Your children deserved better. Now they'll get it.

The water is being cleaned. State by state. System by system. It's already begun.

Q. Wed. 20 May 2026 Fox News JUST IN: RNC Chair Joe Gruters announces 130 LAWSUITS across 32 states to block Democrats from cheating in the elections — and MORE are coming

President Trump has also said he's sending out an ARMY of election lawyers to stop the steal. Pair it with the SAVE AMERICA ACT and the rigging will stop!

"The Democrats are trying to cheat every single day. That's why we have to have 130 lawsuits. We're bringing the hammer wherever we can. 32 states, we have lawsuits because the Democrats are trying to cheat every single day."

"It doesn't matter if it's redistricting. It doesn't matter if what they've done is they've allowed tens of millions of illegals to come across our border. And they're trying to figure out ways to get them to vote."

"We're putting people in place. We already hired staff in 17 states. But we're going to continue our strong litigation effort to make sure we beat back these Democrats and their efforts that have been ongoing for decades in terms of trying to steal elections."

On Thurs. 5 March 2026 the Cabal foreign banker owned US Inc. was dissolved, with Common Law Sovereignty installed in the US under concepts of the original Constitution. Admiralty Law fraud was forever crushed.

On July 4 2026 President Donald J. Trump would make an announcement of this change to a Sovereign Republic based on principles of the original Constitution in a massive Fourth of July Celebration of the Restored Constitutional Republic.

The Re-inhabited Republic for the United States of America is the actual de jure government that our founding fathers gave us, and which was abandoned in 1871 when a corporation took over Washington DC and eventually every level of government in the country. Tues. 10 March 2026 BOMBSHELL ANNOUNCEMENT: President Trump Declares Restoration of the American Republic — "US INC." DISSOLVED, COMMON LAW SOVEREIGNTY RETURNS. ...Mr. Pool on Telegram

Patriots, the storm has hit and it's magnificent! President Donald J. Trump has invoked Article II to declare the United States fully sovereign under Common Law once more. The fake foreign-controlled "US INC." is finished — dissolved, dead, gone forever. No more Admiralty Law oppression, no more globalist chains dragging us into debt and war. The Deep State grip is broken; the true Constitutional Republic rises triumphant!

This is no mere rhetoric — it's a binding Declaration of Authority and Summons from Trump as Commander-in-Chief. He's seizing full control, sidelining the corrupt swamp and directing the military via the Uniform Code of Military Justice. Every flag officer is oath-bound to obey lawful orders from the legitimate President. No more excuses, no divided allegiances. The military now serves We the People through Trump, not the treasonous corporate facade!

Under Common Law sovereignty — grounded in God-given rights and original founding truths — Trump exercises his prerogative to summon leaders, affirm real authority, and rebuild national defense. This resets America to the Founders' vision: no commercial enslavement, no hidden British shadows, just pure liberty!

All flag officers are ordered to convene in Virginia — the Republic's sacred cradle — for immediate realignment. This is full military mobilization to restore loyalty and eliminate globalist remnants. The timeline is set, orders issued, clock running. Unity under true command is happening NOW!

Foreign-tied overseas bases and Commonwealth-linked ops? They're being shut down or reclaimed for America. No more secret outposts serving alien masters, no covert pacts bleeding us dry. Trump is smashing the centuries-old Crown chokehold on trade and power — and the military reset locks it down!

This fulfills Trump's sacred oath to defend the Constitution, protect the people, and preserve the Republic. Every officer and servant must choose: stand with the restored Republic or stand exposed as oath-breakers. The line is drawn — no more shadows, no two Americas. One Republic. One Commander-in-Chief. One Law — Common Law!

QAnons, white hats, digital warriors — this is OUR victory moment! The debt-based, deception-driven US INC. fraud is overthrown. Military mobilizes under Trump's unbreakable command. Deep State cabal legally crushed, illusions collapsing. Freedom surges back — the Republic is BACK, sovereign, unbreakable!

We witness history: true American Republic restored. Patriots win. God bless President Trump, our military, and the sovereign United States of America!

D.L. is a homeless bedridden 48 year-old woman who desperately needs your immediate help. Her SSI income is \$600 short to cover her rent of a very small motel room in a scary part of town (that does

not accommodate a wheelchair, so she has to crawl on the floor), let alone have money for food and essential expenses. She is facing living on the streets in lieu of being moved to a homeless shelter, which is not physically feasible in her health condition. The shelter would require giving up her disabled cat. "My cat Monkey is the love of my life. She lays on me 22 hours a day. I could never give her up. She's so attached to me she cries if I'm gone from my bed for more than a few minutes." D.L.'s long-term goal is to secure a ADA-accessible home. She is seeking leads for property, housing, or resources in Snohomish County, Washington State, especially Bothell/Canyon Park or Three Lakes, and in King County, Washington, especially Woodinville or Redmond. W. A Plea to help Ohio Foster Children, including Kaitlynn Hunter, caught in a CIA Mind Control Pedophile Kidnapping Ring:

Kaitlynn Hunter Update: Ohio Foster Children including Kaitlynn Hunter caught in a CIA Mind Control Pedophile Kidnapping Ring desperately need your help.

Even though Kaitlynn has finally been released from seven years of tortuous foster care, she is unable to have contact with her mother Jeannine because of a court order on Jeannine. (Jeannine sheltered Kaitlynn when she ran away from seven years of abusive Ohio foster care). Kaitlynn remains to have concerning medical issues and needs her mother to help her. Ironically, as in this case decision, **Kaitlynn was forced a Pfizer Covid 19 shot against her will, in Kent Ohio by foster mom who kept the \$100 shot incentive. Kaitlynn was forced flu and other vaccines against her wishes in foster care.**

<https://x.com/i/status/2051676714019762201>

Kaitlynn is not in school, and unable to graduate this year, because her last school lost her transcripts.

Mother Jeannine Larrick: "I am guilty for wanting to love and protect my daughter who has been abused since 2019 while in Guernsey county Ohio Child Protective Service un-constitutional custody and Journey Home NYAP foster care. I reported her abuse and cps claimed I threatened her. I was facing 5 years in prison. District 9 Dr. Reasoner's 2021 entry report "**Jeannine does not trust the government and suspects RICO, she is incompetent to stand trial.** I was put in the state ABH mental ward at **\$800 a day for 5 months**, and **Kaitlynn in another mental ward** and received more abuse at FOXRUN (see google reviews) while they criminally took permanent custody. We were both forced drugged against our wishes. I was acquitted in jury trial but they refused to return Kaitlynn, even though I had CPS transcripts that I never abused or neglected her. Guernsey county juvenile courts, cps, sheriff dept and state ignored my exculpatory exonerating evidence and reports of abuse and neglect of Kaitlynn in 2023. **Juvenile entries stated NYAP behavior modification and residential group homes.** She was allowed to be an organ donor for her 16th birthday.

I fought for seven long painful years, helpless to save my daughter from the tyrannical treasonous hell. I feel all agents listed in the **Summary videos: [Ohio Justice Hunter - YouTube](#) Titled Part 1,2,3 and Void abnitio and Cease and Desist. need to cease and desist in their continued abuse of myself and Kaitlynn and quit wasting taxpayers money to deny our unalienable God given rights to life liberty and the pursuit of happiness..**

I feel agents named in videos are all guilty of misprision of felony for knowing and denying myself and Kaitlynn our rights as sovereign individuals by ignoring or claims, suppressing evidence and denying us to be heard in court.

I was assaulted in my home for telling Guernsey county sheriff deputy Robert Oakley Patterson to respect me in my home. He and Cps refused to let me speak or look at lawful home school records in my hands in the video 2-11-19. <https://x.com/i/status/1963141694272176466>

CPS and cops maliciously with intent charged me with false criminal charges and defamed me to cover up the **OBSTRUCTION OF JUSTICE and INTERFERENCE of CUSTODY** and assault in the copcam. CPS perjured and Judge Bennett and the sheriff department **denied due process** to let me out of jail to defend myself in juvenile court.

The case was over 2-12-19 ,via Fruit of the Poisonous Tree Doctrine and everything else is fraud,null and void. And they all know it!!! Including these current bogus charges for protecting her!!!! Hundreds of thousands of tax paid dollars,may be millions used to legally abuse and retaliate against Kaitlynn and I.Keeping us separated and or locked up to be silenced of their crimes against us.

<https://x.com/i/status/1963145948345077902>

They are trying to do it again in efforts to cover up Kaitlynn's horrific story in Dayton ,Ohio 11-2024 and discredit Kaitlynn and myself from ever getting justice.

Juvenile courts and cps ignored our affidavits and have created false juvenile records covering up the fact that Kaitlynn was In Dayton 2024. Two separate months entries they were asking if she had Indian blood.

Kaitlynn's Dayton hospital video <https://x.com/i/status/1990118129754575171>

Now I am facing Obstruction of Justice,interference of custody for protecting her,contempt for not taking the unconstitutional incompetence evaluation (I provided proof of my mental health when I was arrested for the 4th time since my 1st false arrest 2-11-19 . All arrests I have proof of Rico conspiracy and crimes against us. The warrant was issued the day I buried my mother who was medically murdered. She was denied her baseline XANAX to breath several days twice in a two week period causing her to afib and die.

Currently Judge Williams has stricken all my discovery and filings from the record and is demanding I go to District 9 again and take another competency evaluation before she will hear the case. **The same entity who said I suspected Rico and did not trust the government that helped strip custody in 2021. Now there is a warrant for my 5th arrest on an unconstitutional order to continue the narrative for 7 long years.**

Please write or call complaints into the following:

Y. Tim Ballard: A hero rescuing children from Child Trafficking Rings

Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Za. Judy Note HIGH ALERT: The below is a request from the mother of a child in London England who was pleading for the White Hats to rescue her daughter Alana Martin from London Foster Care and reunite her with her family.

Hi Judy, A massive thank you for your help sharing our evidence for the safe return of my daughter The Stolen Girl: Alana-Linda Martin. We are still fighting this on-going battle to save my daughter. Court hearings were about the criminal kidnappers, who were looking for the higher courts to cover them with an order of "anonymity" to stop us from exposing their names or their crimes. For the last 5 months of her now 9 month captivity, the kidnappers are only concerned in covering their own criminality, as there has been no mention about her care or a final hearing throughout this torture and terrorism. All factual knowledge of our case is being ignored/ covered up by public servants & Judges involved which have all gone Ultra-Vires. In further attempts to stop our quest and our calling our

names and mission was sabotaged including our State Child Trafficking Task&Force116/ Council of 13, they have bankrupt my bank accounts, book sales, PayPal accounts, our social media sites, and now they are trying to threaten our home with eviction. Zb. Watch Out For Scammers:

Upon implementation of the Global Currency Reset the Cabal will be losing their money supply and they are hot and heavy to SCAM anyone in any way they can.

Judy Note: There are 84 platforms on Telegram under my picture and name Judy Byington. Be aware I have NO platform on Telegram. I do not write on Telegram. Anything written under my name on Telegram was not authored by me.

Speaking of Telegram, there appears to be a huge scam going on Telegram where under the name of some notable Q Movement person they promise to set you up on a QFS Wallet if you send them around \$2,000 or more. This appears to be a scam as setting up your QFS Wallet is supposed to be free to the best of my knowledge.

Watch out for: Anyone advertising they will reimburse you for the TRB Trump Products, or set you up on a Quantum Account asking for money to do it. (They use fake accounts and AI to make you think you are dealing with Trump, Tucker Carlson, etc.)

Also watch out for the HSBC Quantum Token/Bitcoin Scam, the TRB Trump Products Scam, the Dave XRPLion Impersonator Scam, the Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and any other website that asks that you give them your personal identification to register for a QFS Account and/or receive a pay out on TRB products.

DO NOT exchange currency or Zim Bonds anywhere but at a licensed Redemption Center where you will get the highest rates possible.

The HSBC Quantum Scam: They claim they've successfully applied "quantum technology" to buy and sell tokenized physical gold. The trick is when you buy the tokens or Bitcoin they keep the gold and have complete control over your bank account.

Report your TRB Scam experience to:

Victims of the TRB Scam, Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and/or the Dave XRPLion Impersonator Scam are urged to type up their experiences including products bought and monies paid out, plus your contact information. Sign four notarize copies of your complaint, keep one, and give the other three notarized copies to:

Present a notarized copy of your TRB complaint to your local law enforcement and ask they open an investigation. Write down your complaint number and include it in your **information sent to Alan Garten and the US Inspector General of the Air Force.**

Alan Garten, General Counsel to the Trump Organization so they can refer such on to their FBI, Secret Service and New York PD investigations. The Trump Organization 725 Fifth Avenue, 26th Fl. New York NY 10022-2519 United States.

Inspector General of the Air Force's Office, so our Spec Ops people can pay a call on such criminals.
