Israel, Israel, God is calling,  
Calling thee from lands of woe.  
Babylon the great is falling;  
God shall all her tow'rs o'erthrow.  
Come to Zion, come to Zion  
Ere his floods of anger flow.  
Come to Zion, come to Zion  
Ere his floods of anger flow.

[2]

Israel, Israel, God is speaking.  
Hear your great Deliv'rer's voice!  
Now a glorious morn is breaking  
For the people of his choice.  
Come to Zion, come to Zion,  
And within her walls rejoice.  
Come to Zion, come to Zion,  
And within her walls rejoice.

[3]

Israel, angels are descending  
From celestial worlds on high,  
And to man their pow'r extending,  
That the Saints may homeward fly.  
Come to Zion, come to Zion,  
For your coming Lord is nigh.  
Come to Zion, come to Zion,  
For your coming Lord is nigh.

**Judy Note: Over centuries Deep State Globalist Elites** of the Rothschilds, Rockefellers, DuPonts and other Illuminati families, have worked with the Vatican, UK Crown and US Inc. to form their own private banking system that stretched across the Globe.

**Their sole Agenda** was to seek total control over the population's financial system through debt to themselves, the Satan worshipping Illuminati.

**Central to their control of money was use of an international child sex trafficking, Adrenochrome, Organ Harvesting, drug and gun running Ring run by the Vatican.** Using this dark system they produced victims for regularly scheduled pedophilia and child sacrifice rites in honor of Satan across the Globe. They believed by doing so, Satan would reward them with riches, power and glory.

**They used recordings of regularly held Satanic pedophile rites** to blackmail politicians to do their bidding and gain more power. They proceeded to control other countries' governments and financial systems through use of this international Human Trafficking Ring that was enforced by various mafias.

**By 1910 the Satan worshipping bankers** were able to influence use of US taxpayer monies through JP Morgan, Rockefeller and Kuhn, Loeb & Company Bank agreements made at Jekyll Island Georgia.

**Seven years later by 1917 they gained complete legal control of US finances** by forming their privately owned Federal Reserve and IRS. After manipulating Congress to pass the bills, the Satan worshipping bankers' privately owned Federal Reserve and IRS alone had the power to collect US taxes.

**It was a perfect system – for the Cabal. The IRS sent the US Taxpayer monies to their privately owned UK Crown Bank of London**, which sent the monies on to the Vatican and their privately owned Central Banks across the World – all using and abusing the monies along the way. About a month later when the funds arrived back in a Cabal-owned New York bank, US Taxpayers were charged interest to use their own monies.

**The Rothschilds and their enforcement arm** – the descendants of Cain Satan worshipping Khazarian Mafia – worked with the UK Crown to form the “Zionist Movement.” These Satanists turned the sacred call of the Lord for all people to come enjoy Him and peace in “Zion,” to convince the Jewish People that only they could inhabit Palestine, thus ensuring continuous war among nations and abuse of the Palestinian peoples.

**The evil bankers made lots of money from funding both sides of war.** Israel was their prime target to control since it was the command center for this Banking Dynasty and it's international Child Sex Trafficking Ring.

**The Vatican's Child Sex Trafficking** was housed in sophisticated Underground Tunnels beneath Palestine, the Vatican, Washington DC and Ukraine. Then it stretched for thousands of miles, under seas and continents across the Globe. The tunnels were connected to every major city on earth, even lay beneath Capitol Hill and the White House. They were equipped with rail systems, living quarters and illegal bio-weapon labs.

**Global Child Trafficking Rail Network funded ties to defense contractors and NATO.** The military has confirmed existence of this vast, high-speed subterranean rail network used for trafficking. Built during the Cold War under Continuity of Government operations, this network was never shut down—it was privatized and handed to globalist handlers.

**These tunnels connect Washington D.C.,** Los Angeles, Denver, Rome, Tel Aviv, Geneva, and even lead to Antarctic strongholds. The infrastructure was equipped with EMF shielding, AI-routing systems, and drone surveillance.

**The Satan Worshipping Zionist elite bankers,** using the Satan worshipping Khazarian Mafia and child trafficking tunnels, were in complete control of the Global financial system.

**Through their Federal Reserve, Zionists** have shaped policies, manipulated economies, and kept entire nations in check. Controlling everything from media narratives to economic policies, they have ensnared the entire planet.

**As Israel's grip tightened,** the World was being pushed towards a controlled collapse, where the old financial systems would crumble, and a New World Order would rise from the ashes. The conflict with Iran was a calculated move by the Zionists to ignite a global crisis that would force nations to submit to this new, centralized order.

**As the old systems crumbled,** a new world was being constructed—one where cryptocurrencies and blockchain technology would be used not for freedom, but for control. Israel and its allies were setting the stage for a World where every move would be monitored, every transaction tracked, and every dissenting voice, silenced.

**That's where Trump came in.** Netanyahu figured their relationship and joint problems with Iran would keep the World in continuous war. Trump had other plans.

**In the making since Lincoln's assassination,** now Trump/Kennedy's Q Movement, BRICS Alliance and Trump's Global Military Alliance was making these evil Satan Worshipping pedophile perpetrators take responsibility for their Crimes Against Children and Humanity.

**Trump's Global Military Alliance** has been directing Special Forces from 22 nations in the largest military operation in human history to put an end to Child Trafficking. **Beginning in Oct. 2019** and ongoing even today, the Alliance has held coordinated raids on the massive network of tunnels and bio-weapon labs across the World to rescue child victims.

**On Wed. 16 Oct. 2019** an unbelievable 2,100 children being held in cages in underground tunnels at the California China Lake Military facility in California were rescued by 10,000 Navy Seals and US Marines. The children and teens were said to have been sexually abused, tortured and killed to collect their Adrenaline.

**By March 30 2020** the hospital ships USNS Comfort and USNS Mercy had been deployed to New York and Los Angeles. Central Park in New York City had a field hospital erected overnight. Nurses and doctors confessed the hospital was for disoriented, tortured,

abused and malnourished children brought up from the tunnels beneath New York and LA. Many had never seen sunlight.

**At the same time as the raids earthquakes were reported in areas** with no seismic history. 2.5 to 4.0 magnitude tremors in Virginia, New York, Colorado, and beneath the White House itself. The so-called earthquakes were said to be the Alliance destroying the tunnels.

**Nevada Facility Raid confirmed:** Over 1,200 children freed from DUMB Network linked to Area 51. Pedophile Task Force Teams stormed a massive Deep Underground Military Base (DUMB) beneath Nevada camouflaged as a decommissioned mining site. Surveillance footage confirms that over 1,200 children were held in cages, many subjected to MK-Ultra reprogramming, organ extraction, and genetic modification procedures. What makes this site even more disturbing is its direct tunnel access to Area 51.

**On Sat. 21 June 2025 President Trump activated Operation Liberty Shield, the largest military liberation campaign in modern history.** Over 20,000 elite forces, including Navy SEALs, Delta units, Marines, and international White Hats, were executing raids against an elite trafficking network buried deep inside DUMBs, biotech labs, and government installations across the globe.

**On 28 April 2025 Navy SEALs stormed a Nevada DUMB facility masked as a mining site,** linked directly to Area 51. They rescued 1,200 children found in cages, subjected to trauma programs, organ harvesting, and DNA manipulation.

**Military sources confirmed a subterranean EMF-shielded rail system** connecting D.C., L.A., Denver, Geneva, Rome, and Antarctica.

**On 30 April 2025** inside the Vatican catacombs, operators found vaults with ceremonial tools, blood-soaked robes, and encrypted ledgers listing payments tied to child rituals. European royals, Hollywood figures, and WEF elites were all named. DARPA, BlackRock, and NGO-run biotech labs. The same defense contractors building weapons — Raytheon, Lockheed, Boeing — were also building trafficking routes beneath our feet. Zuckerberg, Bezos, and Gates funneled crypto to child procurement operations masked as “educational grants” and “AI research.” Ethereum-based contracts linked to live auctions on the dark web were traced to Clinton Foundation shells, GAVI networks, and WEF biotech fronts.

**On 1 June 2025, elite forces breached a facility beneath Antarctica’s ice,** once hidden as a “climate station.” Inside: cloning labs, stasis chambers, hormone extraction units. DNA logs tied to Big Pharma execs, Google scientists, and UN diplomatic networks.

**Military sources confirmed a subterranean EMF-shielded rail system** connecting D.C., L.A., Denver, Geneva, Rome, and Antarctica.

**Raids in NYC and Atlanta exposed Operation Obscura** — a media control program with bribe trails to CNN, BBC, and Reuters. Direct orders included: discredit Trump, deny the raids, bury the survivors. Child abuse footage was used for blackmail at every level.

**In May 2025** the recently arrested Satan worshipping “Jeffrey Epstein of Hollywood” P Diddy, was exposed by his daughter Ally Carter. Ally was a survivor of pedophilia and human trafficking. She dropped a bombshell: “There’s an entire network of tunnels that spans across the United States, connecting cities like beneath the White House in Washington DC and Disney World Florida.” These tunnels, Carter claims, are being used to traffic humans, mainly children. <https://beforeitsnews.com/prophecy/2024/10/diddys-daughter-breaks-the-silence-on-the-abuse-they-experienced-he-is-evil-2556951.html>

**Trump’s Global Military Alliance JAG Corps** has also been presiding over thousands of charges, arrests and Military tribunals being held worldwide that were authorized under the Military Commissions Act of 2006. With the type and scope of justice that needed to be served, civilian courts were irrelevant—this was a badly needed battlefield of law where judgment was swift and absolute.

**Military Tribunals were secret**, speedy, brutal, unstoppable, and crushing Satan worshipping pedophile perpetrators with ruthless efficiency and total control. There was no safe haven from them, no escape, mercy, nor second chances.

**The tribunals were not only being held at Camp Justice at Guantánamo Bay**, but at Camp Thunder Cove, Diego Garcia’s Camp Blaz, the Indo-Pacific enforcer located in Guam, Ushuaia Naval Base in Venezuela, plus on floating courts, prison barges and at secret Arctic outposts.

It is advised to exchange/redeem your foreign currency at an official Redemption Center (RC) rather than a bank. You can only redeem Zim at a RC, the Dinar Contract Rate can only be given at a RC and banks will offer you lower exchange rates than what you can obtain at a RC. You can only set up your new wallet (bank account) at a RC. It was my understanding that most banks were under control of the Cabal and would soon play a different roll in the Global Financial System.

## **Guru Information and Intel:**

**F. Fri. 22 May 2026 Israel is Last Unveiling the Truth: Israel's Dark Hand in the Global Conspiracy ...**Juan O Savin (JFK Jr.?) on Telegram

**Israel is the command center for an agenda that seeks total control over everyone:**  
In a world where chaos is the norm, one truth is emerging that shakes the very foundations of everything we've been told. Israel, far from being just another nation, is the command center for a global agenda that seeks nothing less than total control over humanity. This isn't just another conspiracy theory—it's a reality hidden in plain sight, waiting for those with courage to see it.

**Why Israel? Why Now? Israel is not merely a country but a fortress for the Rothschild banking dynasty,** a well-oiled machine driving the global financial system. Its influence stretches from the Federal Reserve to the heart of Washington, D.C., shaping policies, manipulating economies, and keeping entire nations in check. This tiny nation wields power far beyond its size, acting as the epicenter of a web of control that ensnares the entire planet.

**The Chain Reaction Has Begun:** The world stands on the brink of a catastrophic chain reaction, one that will tear down the old systems and pave the way for something far more sinister. Iran's retaliation is not just another Middle Eastern conflict; it's the trigger for a global upheaval designed to dismantle centralized power structures. As Israel's grip tightens, the world is being pushed towards a controlled collapse, where the old financial systems will crumble, and a New World Order will rise from the ashes.

**A Biblical Prophecy Unfolding:** For centuries, scriptures have foretold Israel's role in the end times. What we are witnessing today is the fulfillment of those prophecies, manipulated by the Zionist elite to serve their dark agenda. Israel is not just the battleground but the harbinger of a new era, where the forces of darkness aim to establish an unchallenged global regime.

**The Illusion Shatters:** The world you know is a carefully crafted illusion. Israel, backed by the Zionist elite and the Khazarian Mafia, is at the heart of this grand deception. They've spun a web of lies, controlling everything from media narratives to economic policies, all while hiding in the shadows. But the illusion is starting to crack, and the truth is coming to light.

**The Engineered Chaos:** Every conflict, every economic crisis, is part of a meticulously planned strategy by Israel and its backers. They thrive on chaos because it allows them to consolidate power. The conflict with Iran? It's no coincidence—it's a calculated move to ignite a global crisis that will force nations to submit to a new, centralized order. The endgame? A world where freedom is an illusion, and control is absolute.

**The New World Rising:** As the old systems crumble, a new world is being constructed—one where cryptocurrencies and blockchain technology will be used not for freedom, but for control. Israel and its allies are setting the stage for a world where every move is monitored, every transaction is tracked, and every dissenting voice is silenced. This is the dystopian future they are building, and it's happening right before our eyes.

**The Call to Action:** This is not a time for complacency. Israel, the Rothschilds, and their shadowy allies are pushing the world towards an irreversible darkness. But we can resist. We must question everything, expose the lies, and fight for the truth. The future is in our hands, and we cannot afford to let it slip away.

**Stand vigilant, stand informed,** and above all, stand defiant. The battle for our world has begun, and it's a battle we must win. The storm is here—are you ready to face it?

**According to U.S. Rep. Melanie Stansbury (D-NM),** a male survivor described being lured to the ranch, drugged, and forced to watch multiple young men get raped right in front of him. "A man actually claims that he met Jeffrey Epstein and was brought to the ranch, he was drugged. He describes in detail a scene in which multiple young men were raped at the ranch in front of him after he was drugged."

**"Jeffrey Epstein and Ghislaine Maxwell** were serial abusers, they really were super predators, and it was just how they lived their lives."And the horror doesn't end with the men.

Epstein accuser Chauntae Davies paints Zorro Ranch as an eerie, isolated trap, "giant and quiet... in the middle of nowhere, miles and miles of just mountains and dirt."

**She says "massages" turned into full-on forced sexual rape**, girls woke up after mysterious medical procedures with doctors hovering over them, and she overheard plans to engineer a "perfect baby from the perfect gene pool." Davies even claims a baby was born at the ranch... and Ghislaine Maxwell took it.

**Add in resurfaced 2019 claims that Epstein and Maxwell allegedly strangled women** during "rough fetish sex" and buried the bodies on the property. The ranch was never properly searched after Epstein's 2019 death because feds said there wasn't "probable cause."

**Now? New Mexico authorities have launched a full investigation in 2026**, the first real probe since the suicide, fueled by fresh FBI file drops. Stansbury is on a mission: "I intend to make 'Epstein files into Epstein trials.'"

**This isn't ancient history.** These are new details about a place where the worst accusations, trafficking, rape, forced pregnancies, and possible murder, allegedly unfolded in plain sight. The elite's favorite predator may be gone, "allegedly," but the ranch's secrets are finally crawling into the light. Will we finally get justice, or will it get buried? People deserve the truth.

**Fri. 22 May 2026** Climate engineering researcher Dane Wigington claims that the planet's atmosphere, soil systems, crops, and human health were being systematically contaminated through large-scale geo-engineering operations. Tens of millions of tons of toxic nano-particles were being dispersed into the atmosphere globally, with aluminum contamination, soil sterilization, crop degradation, atmospheric disruption and long-term respiratory exposure affecting human health. These particles damage soil micro-biomes and root systems while interfering with the atmosphere's natural moisture balance through what is known as Vapor Pressure Deficit (VPD) — a condition that can prevent plants from properly absorbing carbon dioxide and releasing oxygen. In simple terms: plants begin shutting down their own respiratory systems. The effects are now visible in collapsing agricultural conditions, particularly in California, where some farmers are reportedly removing entire orchards as soil conditions continue deteriorating. The government was funding chemical ice nucleation programs, artificial weather manipulation, ozone disruption and what he described as large-scale atmospheric engineering systems operating without public consent or transparency.

**J. Fri. 22 May 2026 Fox News:** Southern Poverty Law Center indicted over alleged \$3million scheme. The SPLC was charged with wire fraud, bank fraud, and money laundering for allegedly bankrolling at least eight leaders and members of extremist groups, whipping up fake civil rights situations to slander conservatives.

**The SPLC is COOKED as its donors,** including George Soros, George Clooney's foundation, former Apple CEO Tim Cook and JPMorgan, pledged to the organization after clashes at a 2017 "Unite the Right" white supremacist rally in Virginia, which resulted in the death of one protester.

**How many more groups** are just like this pushing g other related hoaxes to slander specific conservative groups or are lying to its donors to fill their own bank accounts? Remember, Black Lives Matter's members did the same thing and ripped off its donors and did absolutely nothing for the black community except buy mansions for themselves.

**Are influencers tied to these groups?** Were they involved in J6th or any other major events? This is another weapon of the left, and more people and organizations are about to be exposed. Pay attention.

**k. Fri. 22 May 2026 SOUTH CAROLINA H4624 HEARING DETONATES: Dane Wigington Warns of Global Atmospheric Poisoning, Toxic Nanoparticles & Engineered Climate Manipulation ...Ezra A Cohen on Telegram**

**A major confrontation unfolded during South Carolina's H4624 Clean Air Act** hearing after climate engineering researcher Dane Wigington delivered explosive testimony warning lawmakers that the planet's atmosphere, soil systems, crops, and human health are allegedly being systematically contaminated through large-scale geoengineering operations.

**And according to Wigington, this is not "cloud seeding."** He described it as a global atmospheric intervention program operating on a scale the public still does not fully understand.

**During his testimony, Wigington cited data** gathered through Geoengineering Watch in partnership with independent laboratory analysis and research institutions, claiming that tens of millions of tons of toxic nanoparticles are being dispersed into the atmosphere globally.

**Among the primary concerns raised:** bioavailable aluminum contamination, soil sterilization, crop degradation, atmospheric disruption and long-term respiratory exposure affecting human health.

**According to Wigington,** these particles damage soil microbiomes and root systems while interfering with the atmosphere's natural moisture balance through what is known as Vapor Pressure Deficit (VPD) — a condition that can prevent plants from properly absorbing carbon dioxide and releasing oxygen. In simple terms: plants begin shutting down their own respiratory systems.

**Wigington warned lawmakers** that the consequences extend far beyond weather modification alone. He argued the effects are now visible in collapsing agricultural conditions, particularly in California, where some farmers are reportedly removing entire orchards as soil conditions continue deteriorating.

**He also referenced:** chemical ice nucleation programs, artificial weather manipulation, ozone disruption and what he described as large-scale atmospheric engineering systems operating without public consent or transparency.

**One of the most explosive moments** came when Wigington directly questioned why federal weather agencies allegedly operate under communication restrictions surrounding geo-engineering discussions. "Why would our government gag the weatherman if there wasn't something massive to hide?" he asked.

**Throughout the hearing,** Wigington repeatedly urged lawmakers and citizens not to blindly accept his claims — but to investigate independently.

**For supporters**, the testimony represents one of the strongest public warnings yet regarding alleged climate engineering operations and their possible biological impact on: human health, food systems, soil fertility and atmospheric stability.

**Critics continue disputing many of the broader** geo-engineering claims, calling for stronger peer-reviewed evidence and caution against unverified conclusions. But one reality is becoming impossible to ignore: public concern surrounding atmospheric intervention, environmental toxicity, and climate manipulation is growing rapidly and the debate is no longer staying on the fringe.

### **I. Fri. 22 May 2026 Dr. Robert Malone CONFIRMS — U.S. Government Dropped RADIOACTIVE TICKS on Americans as Bioweapons! ...Alex Jones on Telegram**

**Declassified CIA docs** prove infected ticks were deployed from low-flying C-130s over U.S. soil and sugarcane fields under JFK.

**Plum Island — the Army's old biowarfare lab just miles from Lyme, CT** — was ground zero. Radioactively tagged lone star ticks (hundreds of thousands released in Virginia in the 1960s) triggered the Lyme disease explosion we're STILL suffering from today.

**Lone Star ticks weren't even supposed to be here.** Suddenly they were EVERYWHERE — along with Lyme arthritis, Rickettsia, Babesia, and more. Coincidence? Malone says NO. This was deliberate field testing of bioweapons using ticks and mosquitoes.

**Our own government turned American citizens into lab rats.** Millions sick, lives ruined, doctors gaslighting patients for decades... while the cover-up continues.

**Heads. Must. Roll. Wake up, America.** This isn't "conspiracy theory" anymore — it's declassified reality.

**N. Fri. 22 May 2026 A hidden-camera bombshell: Democrat Joel Caldwell of the “Coalition for the People’s Agenda,” a Fulton County ballot-harvesting NGO chief—caught on tape admitting it all. ...Great Awakening Now on Telegram**

**Democrats are stuffing ballot drop boxes** with fraudulent votes, and it’s all caught on videotape. He also admits this is how they rigged the 2020 election and why Democrats fight to the death against voter ID.

- **They pay people** to illegally ballot-harvest.
- **They bribe ballot counters** and election officials.
- **They forge** and falsify ballots.

**And the Atlanta mayor straight-up stole the election.** He says it all himself—on tape. Joel Caldwell: “That’s what happened in 2020, ’cause that’s when the ballots—they started stuffing them ballots and people stuffing them ballots, and they got videotape of them, but nobody talks about it. That’s why Trump was making that big deal about it, because you see it on videotape. It’s like, come on. We see the man pull up and put a hundred ballots in this box. You know? You can’t do that sh\*t.

**So groups were paying people to do just that—drop off ballots.”** He continues: That’s why Democrats fight to the death against voter ID laws.

**Joel Caldwell:** “That’s why the Republicans are always trying to fight the ballot—you know, that’s the whole argument, because Republicans are the ones who put out that kind of stuff, so they want voter IDs and stuff. Democrats are fighting voter ID laws. It’s a two-sided thing. That’s what they’re fighting over. Republicans are trying to say, ‘Hey, look, we got proof of this sh\*t.’

**And the Democrats are like, well, we don’t want voter ID laws,** and we want to make it where you can just drop your ballot off—online voting and different things they try to come up with.” Pass the SAVE America Act.

**Coincidence? On May 7** — thirteen days ago — Starlink activated DIRECT-TO-CELL. Every phone on Earth can now connect to a satellite. No tower. No carrier. No middleman. No

government switch to flip. Read that again. There is now a communication system that NO GOVERNMENT CAN SHUT OFF.

**AT&T, Verizon, and T-Mobile panicked. On May 14** they announced a JOINT VENTURE — three competitors joining forces for the first time in history. Because they know what's coming. They know they're OBSOLETE.

**Now ask yourself:** Why would you build a satellite network that covers every inch of Earth — every ocean, every desert, every jungle — and then connect it DIRECTLY to every phone... unless you needed a DELIVERY SYSTEM that cannot be intercepted?

**The EBS doesn't run through cell towers.** Cell towers can be shut down. The EBS runs through STARLINK. 6,764 satellites. Low orbit. Direct to your device. Unhackable. Unblockable. Unstoppable.

**That's why Musk was in government.** Not to "cut spending." To BUILD THE INFRASTRUCTURE. DOGE was the cover story. Starlink was the mission. He left government May 28, 2025. The job was DONE. The network was COMPLETE.

**Now he's taking SpaceX public** — not because he needs money. Because the OLD STOCK MARKET is about to be replaced. He's converting SpaceX equity into the LAST DOLLARS before those dollars become worthless.

**Three dates. Eleven days. The infrastructure is ALREADY IN ORBIT.**

**IPO date: June 11.** June 11 — the last trade on the old system.

**4,000 miles above your head** — right now — there is a satellite pointed at YOUR phone. Waiting for ONE command.

**When that command comes, your screen will light up.** Not with a news alert. Not with a text. With a FREQUENCY. And a number. YOUR number. Your quantum ledger. Your new beginning.

**The delivery system is built.** The gold is counted. The old system is dying. All that's left is the signal. CODE: STARLINK-D2C / EBS-ORBITAL / JUNE-1-SIGNAL / JUNE-11-LAST-TRADE / 6764-SATELLITES

**P. Fri. 22 May 2026 Military Tribunal Bases: Global Hubs of Justice ...GITMO Now on Telegram**

**Military tribunals: brutal, unstoppable, and everywhere.** From Guantánamo Bay to Antarctica, these iron fortresses of justice crush enemies with ruthless efficiency. No hiding, no mercy, no second chances. This is raw power, obliterating everything in its path.

**Authorized under the Military Commissions Act of 2006,** these tribunals strike terror into the hearts of enemies worldwide. Secrecy. Speed. Total control. Civilian courts are irrelevant—this is a battlefield of law where judgment is swift and absolute.

**Camp Justice:** The Fist of Guantánamo Bay. Originally established on Diego Garcia, it was renamed Camp Justice in 2007 to become the ultimate war crimes tribunal. High-profile targets vanish behind these walls, never to be heard from again. Strategically located on the southeastern tip of Cuba, Guantánamo Bay is untouchable—an iron fortress that swallows enemies whole. Here, justice isn't blind—it's armed and dangerous. This isn't a courtroom; it's a battleground where terrorists are systematically dismantled.

**Camp Thunder Cove:** Diego Garcia's Hidden Blade. A silent but deadly enforcer. Diego Garcia is a black hole for high-value targets, a remote stronghold where justice is served in total secrecy. This tribunal doesn't negotiate—it eliminates. No media, no leaks, no interference.

**Camp Blaz:** The Indo-Pacific Enforcer Located in Guam, this tribunal hub oversees operations across the Pacific, ensuring regional threats are handled with military efficiency. As tensions rise in Asia, Camp Blaz sends a clear message: America sees all, controls all, and crushes all.

**Ushuaia Naval Base:** Justice at the Edge of the World. Tucked away in Argentina, near Antarctica, this base ensures that no corner of the world is beyond reach. Run, hide, vanish—it doesn't matter. Ushuaia's tribunal operates in total silence, but its message is deafening.

**Beyond the Bases:** The Unseen Hand of Military Justice Tribunals don't stop at land-based operations. Floating courts, prison barges, secret Arctic outposts—justice moves in shadows, eliminating threats before the world even knows they existed.

**The JAG Corps enforces this iron grip,** executing law with military precision. No moral debates. No compromises. Their mission is clear: protect national security at all costs.

**The Global Message:** Submit or Be Crushed. These tribunals don't just punish—they deter. Their existence alone is enough to strike fear into the hearts of the world's enemies. The message is clear: step out of line, and the hammer will fall.

**There is no escape.** No safe haven. No second chances. Military tribunals are here, and they are unstoppable.

**Mother Jeannine Larrick:** "I am guilty for wanting to love and protect my daughter who has been abused since 2019 while in Guernsey county Ohio Child Protective Service un-constitutional custody and Journey Home NYAP foster care. I reported her abuse and cps claimed I threatened her. I was facing 5 years in prison. District 9 Dr. Reasoner's 2021 entry report "**Jeannine does not trust the government and suspects RICO, she is incompetent to stand trial.** I was put in the state ABH mental ward at **\$800 a day for 5 months**, and **Kaitlynn in another mental ward** and received more abuse at FOXRUN (see google reviews) while they criminally took permanent custody. We were both forced drugged against our wishes. I was acquitted in jury trial but they refused to return Kaitlynn, even though I had CPS transcripts that I never abused or neglected her. Guernsey county juvenile courts, cps, sheriff dept and state ignored my exculpatory exonerating evidence and reports of abuse and neglect of Kaitlynn in 2023. **Juvenile entries stated NYAP behavior modification and residential group homes.** She was allowed to be an organ donor for her 16th birthday.

**I fought for seven long painful years**, helpless to save my daughter from the tyrannical treasonous hell. I feel all agents listed in the **Summary videos: Ohio Justice Hunter - YouTube Titled Part 1,2,3 and Void abnitio** and Cease and Desist. **need to cease and desist in their continued abuse of myself and Kaitlynn and quit wasting taxpayers money to deny our unalienable God given rights to life liberty and the pursuit of happiness..**

**I feel agents named in videos are all guilty of misprision of felony for knowing and denying myself and Kaitlynn our rights as sovereign individuals by ignoring or claims, suppressing evidence and denying us to be heard in court.**

**I was assaulted in my home for telling Guernsey county sheriff deputy Robert Oakley Patterson to respect me in my home.** He and Cps refused to let me speak or look at lawful home school records in my hands in the video 2-11-19. <https://x.com/i/status/1963141694272176466>

**CPS and cops maliciously with intent** charged me with false criminal charges and defamed me to cover up the **OBSTRUCTION OF JUSTICE and INTERFERENCE of CUSTODY** and assault in the copcam. CPS perjured and Judge Bennett and the sheriff department **denied due process** to let me out of jail to defend myself in juvenile court.

**The case was over 2-12-19 ,via Fruit of the Poisonous Tree Doctrine and everything else is fraud,null and void.** And they all know it!!! Including these current bogus charges for protecting her!!!! Hundreds of thousands of tax paid dollars,may be millions used to legally abuse and retaliate against Kaitlynn and I.Keeping us separated and or locked up to be silenced of their crimes against us.

<https://x.com/i/status/1963145948345077902>

**They are trying to do it again in efforts to cover up Kaitlynn's horrific story** in Dayton ,Ohio 11-2024 and discredit Kaitlynn and myself from ever getting justice.

**Juvenile courts and cps ignored our affidavits** and have created false juvenile records covering up the fact that Kaitlynn was In Dayton 2024. Two separate months entries they were asking if she had Indian blood.

**Now I am facing Obstruction of Justice,interference of custody for protecting her,contempt for not taking the unconstitutional incompetence evaluation** ( I provided proof of my mental health when I was arrested for the 4th time since my 1st false arrest 2-11-19 . All arrests I have proof of Rico conspiracy and crimes against us. The warrant was issued the day I buried my mother who was medically murdered. She was denied her baseline XANAX to breath several days twice in a two week period causing her to afib and die.

**Currently Judge Williams has stricken** all my discovery and filings from the record and is demanding I go to District 9 again and take another competency evaluation before she will hear the case. **The same entity who said I suspected Rico and did not trust the government that helped strip custody in 2021. Now there is a warrant for my 5th arrest on an unconstitutional order to continue the narrative for 7 long years.**

## **X. Tim Ballard: A hero rescuing children from Child Trafficking Rings**

**Tim Ballard has worked undercover in the US** and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like to support Ballard's unjust persecution, contribute here:

**Z. Judy Note HIGH ALERT: The below is a request from the mother** of a child in London England who was pleading for the White Hats to rescue her daughter Alana Martin from London Foster Care and reunite her with her family.

**Hi Judy,** A massive thank you for your help sharing our evidence for the safe return of my daughter The Stolen Girl: Alana-Linda Martin. We are still fighting this on-going battle to save my daughter. Court hearings were about the criminal kidnappers, who were looking for the higher courts to cover them with an order of "anonymity" to stop us from exposing their names or their crimes. For the last 5 months of her now 9 month captivity, the kidnappers are only concerned in covering their own criminality, as there has been no mention about her care or a final hearing throughout this torture and terrorism. All factual knowledge of our case is being ignored/ covered up by public servants & Judges involved which have all gone Ultra-Vires. In further attempts to stop our quest and our calling our names and mission was sabotaged including our State Child Trafficking Task&Force 116/ Council of 13, they have bankrupt my bank accounts, book sales, PayPal accounts, our social media sites, and now they are trying to threaten

our home with eviction. Janine Linehan, Captain, State-Child-Trafficking-Task&Force116, and from the Council of 13. WWG1WGA.

## **Za. Watch Out For Scammers:**

**Upon implementation of the Global Currency Reset** the Cabal will be losing their money supply and they are hot and heavy to SCAM anyone in any way they can.

**Judy Note:** There are 84 platforms on Telegram under my picture and name Judy Byington. Be aware I have NO platform on Telegram. I do not write on Telegram. Anything written under my name on Telegram was not authored by me.

**Speaking of Telegram,** there appears to be a huge scam going on Telegram where under the name of some notable Q Movement person they promise to set you up on a QFS Wallet if you send them around \$2,000 or more. This appears to be a scam as setting up your QFS Wallet is supposed to be free to the best of my knowledge.

**Watch out for:** Anyone advertising they will reimburse you for the TRB Trump Products, or set you up on a Quantum Account asking for money to do it. (They use fake accounts and AI to make you think you are dealing with Trump, Tucker Carlson, etc.)

**Also watch out for** the HSBC Quantum Token/Bitcoin Scam, the TRB Trump Products Scam, the Dave XRPLion Impersonator Scam, the Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and any other website that asks that you give them your personal identification to register for a QFS Account and/or receive a pay out on TRB products.

**DO NOT exchange currency or Zim Bonds** anywhere but at a licensed Redemption Center where you will get the highest rates possible.

**The HSBC Quantum Scam:** They claim they've successfully applied "quantum technology" to buy and sell tokenized physical gold. The trick is when you buy the tokens or Bitcoin they keep the gold and have complete control over your bank account.

**Report your TRB Scam experience to:**

**Victims of the TRB Scam, Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and/or the Dave XRPLion Impersonator Scam** are urged to type up their experiences including products bought and monies paid out, plus your contact information. Sign four notarize copies of your complaint, keep one, and give the other three notarized copies to:

**Present a notarized copy** of your TRB complaint to your local law enforcement and ask they open an investigation. Write down your complaint number and include it in your **information sent to Alan Garten and the US Inspector General of the Air Force.**
