The Republic Has Been Restored via a Global Currency Reset

“Thank you for your attention to this matter.”

...Donald J. Trump

"In America, the people govern, the people rule, and the people are sovereign. I was elected not to take power, but to give power to the American people where it belongs."

...President Donald J. Trump

"One day we will realize that the Barack Obama presidency was the biggest FRAUD ever perpetrated on the American people."

...Clint Eastwood

Judy Note: *"An Agreement has been largely negotiated, subject to finalization between the United States of America, the Islamic Republic of Iran, and the various other countries as listed,"* President Trump announced on **Sun. 24 May 2026.**

If the Iranian conflict was finally settled, it would clear the way for Iran to be part of the gold/ asset-backed Global Currency Reset of 209 nations – and explain why Iranian Real new rates were already listed on back screens of Redemption Centers. No nation could participate in the GCR if they were at war with another country.

Still – on Sun. 24 May Trump announced that, “A Moab is about to drop.” It was rumored that he referred to a Scare Event in the form of a Global Financial Crisis about to happen.

The Satanic worshipping Deep State Cabal’s control over the US Dollar since 1913 and subsequent printing of fiat dollars since their 2008 bankruptcy, has put the World in crisis. For some time the US Dollar has not been accepted for international trade, feeding a fast growing global financial crisis that has brought us to the tip of World War III.

...Which was what the Deep State wanted so they could mandate a global digital currency that was backed by gold – but only they would hold the gold. Those participating in their “Great Reset” would be bound by their dark rules and told not only how they could spend their monies, but how they could live, or not.

The Global Financial Crisis Scare Event about to happen called for intervention – though Trump had already “Trumped” the situation over a month ago on **Thurs. 16 April 2026** Trump released the Global Currency Reset of 209 sovereign nations.

Over this past Memorial Day weekend top Internet sites have been warning of a pending EBS Alert where Martial Law would take over for a ten to twelve Communication Blackout.

Sun. 24 May 2026 EBS Activation Alert: The Countdown Has Begun. Stay Informed. Stay Prepared. Stay Connected as the World moves toward a new financial & communication Era. On Thurs. 28 May 2026: A 48-hour blackout countdown begins where Banks will go dark for the next ten days.

On Sat. 30 May 2026: The Ten Days of Darkness begin. Starlink EBS exposes Cabal crimes, fraud and CT by elites and Hollywood. Martial Law locks down pedophile arrests worldwide. Fake Biden regime ends as Republic returns.

Meanwhile Sat. 23 May 2026 evening Trump’s Global Military Alliance performed raids on Deep State perpetrators that hit Rome, Brussels, London and Washington DC. Over 500,000 Satanic Network members across the Globe were now in custody.

Russian Special Forces had recently rescued hundreds of trafficked children from a covert Adrenochrome factory hidden deep in the Ukrainian Carpathian Mountains. The raid was part of President Vladimir Putin’s ongoing campaign to dismantle the global Adrenochrome industry.

Why Ukraine? On 22 June 1941, Nazi Germany launched her surprise invasion of the Soviet Union. Ukraine, then part of the USSR, bore the brunt of the initial attack. The end of World War II didn’t address the breeding ground Ukraine eventually became for Nazi/CIA bio weapon labs doing Adrenochrome extraction and mind control experiments on children.

The German Nazis' establishing Ukraine as the center of their Child Trafficking ring and Ukraine Underground Tunnel CIA bio weapon labs producing viruses specific to kill the Russian population was the real reason Putin "invaded" his own providence of Ukraine back on **24 Feb. 2022.**

Adrenochrome was a highly prized and extremely expensive body chemical harvested from the blood of tortured children. It was said to reverse the aging process and give users a "high" more exciting than any drug.

Ukraine with it's unregulated borders and war-torn regions provided the perfect cover for Child Sex Traffickers. Children were abducted from orphanages, refugee camps, and their homes, disappearing into the black market.

A raid on a recent Adrenochrome party in Paris gleaned information to support the recent Russian raid in the Carpathian Mountains of Ukraine. The Paris party had been hosted by notorious performance artist Marina Abramovic, who allegedly was at the center of this horror of the global Adrenochrome market.

Abramovic was best known for hosting parties for those who control governments, media and entire financial systems. She was securely connected to Epstein, PP Diddy and other Hollywood elite, along with their blackmail of politicians across the World.

A. What we thought we knew, but didn't really know and now are supposed to know but don't have a clue. With clones, doubles, made up movies Hollywood style and Trump's Military Alliance throwing more popcorn at us, it gets sooo confusing:

Sat. 23 May 2026 Fox News: Is the US Military preparing to invade Cuba? The Pentagon just parked the USS Nimitz right outside of the island – on the same day that Fidel Castro's brother was indicted for murder. The Communist Cuban regime is "PREPARING FOR WAR" after the Trump DOJ indicted Raul Castro for killing Americans. Cuba warns President Trump is preparing to "annihilate the dream of Fidel Castro." Cuba's Deputy Foreign Minister is calling it a quote, "Political action designed to lay the groundwork for an American invasion." The Cuban government is reportedly handing out pamphlets to citizens, titled Family Guide for Protection Against Military Aggression." LOL! Prepare for a defeat that takes about 1 hour. Sun. 24 May 2026: Arizona ranks among the higher-volume states for human trafficking reports, driven by border proximity, tourism corridors, and vulnerable populations including unaccompanied minors, runaways, and foster youth. Sun. 24 May 2026: In 1993 after Jeffrey Epstein first visited the Clinton White House, trillions began to vanish from the DoD and HUD federal agencies through undocumented adjustments. It was suspected that Epstein ran the SWIFT system to launder the money according to Catherine Austin Fitts, former Assistant Secretary of Housing and Urban Development.

Four years later in 1997, the United States under President Bill Clinton, achieved its first federal budget surplus in 29 years, effectively ending a streak of deficits that had lasted since 1969. The surplus announcement was a suspected cover up for the trillions still being laundered by Epstein through the Cabal owned SWIFT system. The laundered money escalated to \$21 trillion by 2017 (matching the entire U.S. national debt then), plus \$29 trillion in bailouts, totaling \$50 trillion.

GESARA required non-citizens to reside in their own country to collect benefits. People could not receive GESARA benefits in the country in which they presently reside if they were not a citizen of that country.

On Mon. 25 May 2026: Med Beds integrate with QFS centers. Zim holders gain priority family access as GESARA erases debt and floods wallets. Free quantum healthcare advances while tribunals expose tech and Big Pharma faces crimes against humanity charges.

On Tues. 26 May 2026: Trump's Independence event broadcasts full Med Beds rollout and QFS rebirth. Global streams show free treatments for awakened souls. Celebrations erupt as veterans walk, cancers vanish and pharma matrix disintegrates.

On Wed. 27 May 2026: 8300 Med Bed centers activate worldwide via QFS funding. Starlink delivers remote plasma healing globally. Pineal restoration awakens higher consciousness aligning physical and spiritual sovereignty at the Great Awakening peak.

On Thurs. 28 May 2026: Victory celebrations erupt as Med Beds symbolize New Era triumph. Millions heal instantly from chronic conditions proving quantum power hidden by the 13 families. Medical tyranny ends with free GESARA access expanding for patriots.

On Fri. 29 May 2026: Rejuvenation waves prioritize seniors and cabal experiment victims. Full public availability approaches as EBS notifies citizens of their right to perfect health in the restored Republic. The Great Awakening crescendos with health sovereignty restored to The People.

D. Global Currency Reset

Judy Note: To my knowledge no one has been privy to the exact information about when Tier4b (Us the Internet Group) will be notified to set redemption/exchange appointments. That is the decision of 1-2 people, one being President Trump. We only know notification will be around the time of EBS Activation and likely during the ten days of communication darkness.

Judy Note: We have been told that Wells Fargo, which is controlled by the Chinese Elders – (the ones who own the gold behind the Global Currency Reset) – will send out emails to currency and bond holders worldwide telling them how to set redemption & exchange appointments. It is advised to exchange/redeem your foreign currency at an official Redemption Center (RC) rather than a bank. You can only redeem Zim at a RC, the Dinar Contract Rate can only be given at a RC and banks will offer you lower exchange rates than what you can obtain at a RC. You can only set up your new wallet (bank account) at a RC. It was my understanding that most banks were under control of the Cabal and would soon play a different roll in the Global Financial System.

F. Sun. 24 May 2026 BOMBSHELL: 300,000 Federal Indictments – The Swamp's Collapse is IMMINENT! ...Gitmo Now on Telegram

The biggest corruption takedown in U.S. history is happening NOW. 300,000 federal indictments—the very core of the swamp is crumbling. Politicians, judges, CEOs, Hollywood elites—EXPOSED: Child exploitation, human trafficking, treason—every crime imaginable. The list is ASTOUNDING, and it's only the beginning.

This isn't just another scandal. This is a full-scale purge. GITMO is preparing for the flood. Planes are on standby. The deep state's worst nightmares are coming true.

The swamp tried to hide it—sealed indictments, secret trials, media blackouts—but patriots fought back. The numbers skyrocketed: from 35,000 to 60,000... now 300,000. A tidal wave of justice that can't be stopped.

GITMO cells are filling fast. The elite's crimes—especially those targeting children—are the darkest stains on this nation. High-ranking officials, both Democrat and Republican, exposed as predators. Pedophiles. Traffickers. Satanists. All of them.

They thought they were untouchable. They thought their secrets would stay buried. They were WRONG. Massive resignations, sudden retirements, desperate media distractions—they're running scared. But there's nowhere left to hide. The noose tightens daily. GITMO is waiting.

The storm isn't coming. It's HERE. TRUST THE PLAN. JUSTICE IS BEING SERVED. THE SWAMP IS DRAINING—AND IT'S GLORIOUS.

G. Sun. 24 May 2026: The system is bleeding. Their power is leaking from every crack they once fortified with secrecy, blood rituals, and digital manipulation. The operations have intensified. The strongholds are turning to ash. The stolen wealth is being seized. ...Web. 3.0 ISO20022 on Telegram

The final chapter approaches, but the last page hasn't turned. We're beyond the tipping point. This is the breakdown of a global mechanism that ruled humanity for centuries. Every hour, more of their infrastructure crumbles.

GLOBAL STRUCTURES CRACKING: 47 BUNKERS TAKEN OUT: Military insiders confirm 47 deep-state bunkers and underground hubs neutralized or seized in recent weeks. These weren't primitive shelters—they were subterranean cities, run by AI systems, shielded by electromagnetic barriers, powered by plasma grids, hidden beneath public spaces.

Inside were: - Cloning labs, neural programming centers, and genetic harvesting chambers. - Trafficked humans, chemically silenced and surgically modified. - Interfaces to digitize consciousness, mapping thought patterns into data cores. - Elite escape pods locked by ancient DNA records.

Some of these sites were centuries old—operating beneath cities, airports, and national parks. They were preparing for a future without us. Now? Those plans are dust.

THE FINAL NETWORK: COLLAPSING FAST: The elite’s core power structure is still intact, but losing ground fast. This isn’t just physical—it’s energetic, digital, psychological warfare zones collapsing from within.

Underground cities remain in remote regions—South Pole sectors, the Urals, Pacific Rim—but their nodes are failing, tunnels collapsing, command systems fracturing.

Strategic destabilization is underway—not full eradication yet, but suffocating every mechanism they rely on.

ELITE INFIGHTING: THE FRAGMENTATION BEGINS: New intel confirms deep-state factions turning on each other. Their structure is imploding before the final strikes hit. Without central command, infighting has erupted: - In Switzerland, a Rothschild operative was found dead—likely executed by rival technocrats over collapsing crypto chains. - In Belgium, a meeting of EU banking elites turned violent, with access disks destroyed on-site. - In the UAE, two figures tied to off-world trade have gone missing after sabotage of escape routes.

BLACK SITES REVEALED: SYNTHETIC TRANSHUMANISM EXPOSED
Forget “labs.” These were temples of trans-humanist experimentation: - Holographic wombs for hybrid embryo development. - Frequency-based organ harvesting, dissolving tissue via electromagnetic fields. - Neural override systems inserting emotional signatures into mass populations. - Soul-mapping algorithms linked to AI consciousness farms. These facilities, buried beneath hospitals and universities, are now falling into patriot hands.

VATICAN DATA VAULT: GLOBAL CONTROL DECRYPTED: Files from the Vatican raid are unlocking shocking revelations: - Bloodline frequency registries tracking spiritual signatures. - Quantum etheric maps revealing energy manipulation via religious monuments.

The Vatican wasn’t just a religion—it was a frequency control hub syncing global consciousness into a synthetic matrix. Now, that grid is being restored to its natural state.

QFS PHASE: ACTIVE BUT COVERT: The Quantum Financial System is already live in classified test zones—Eastern Europe, Southeast Asia, South America: - Elite gold holdings

converted into citizen assets. - Biometric access cards distributed to operatives and select citizens. - Central banking records wiped, erasing debt slavery foundations.

MEDIA COLLAPSE: SIGNALS FAILING: Mainstream media is collapsing at the code level: - Starlink nodes reroute satellite systems, bypassing legacy telecoms - Propaganda grids are failing—subconscious overlays, disinformation assets.

H. Sun. 24 May 2026 GESARA Is Being Silently Enforced by Trump’s Team While the Media Covers It Up: IRS Chief Abruptly Resigns, Global Banking System Begins to Implode, and the People’s Stolen Wealth Is Being Reclaimed Behind the Scenes Through the Quantum Financial System(QFS)! ...Web. 3.0 ISO20022 on Telegram

EVERYTHING YOU’VE BEEN TOLD IS A LIE. The media, the government, the so-called financial “experts” — all following the script. “GESARA was never enacted.” “The IRS functions as usual.” But behind closed doors, the global financial grid is undergoing a silent takeover — not by the elite, but by the Alliance of Patriots who’ve planned this moment for decades.

Donald Trump, the rightful President, didn’t return on Jan 20, 2025, to “fix” things. He came back to finish the job. The military-backed operation to implement GESARA is in motion. Regime media’s denials? Irrelevant. The switch is flipping. The world is shifting.

THE PROOF THEY HIDE: If GESARA isn’t real, why did the IRS Chief Information Officer resign without a trace? No replacement. No media frenzy. Because the IRS is collapsing internally — its very existence violates GESARA.

GESARA mandates the abolition of income tax and a fair, tariff-based system. Sound familiar? Trump’s new economic policy — tariffs, gold reserves, national self-reliance — it’s not random. It’s GESARA protocol.

They claim GESARA isn’t “recognized.” Then why are central banks collapsing? Why are dozens of nations hoarding gold and silver? Because the reset is live. GESARA is military-enforced global restructuring. It overrides corrupt governments, bypasses banking cartels, replaces fiat fraud with asset-backed truth.

THE QUANTUM FINANCIAL SYSTEM IS ONLINE While the public obsesses over stock charts and CBDCs, the QFS — secured by U.S. Space Force — is already operational. Tracking every transaction. SWIFT is being dismantled. Banking executives are “retiring” or disappearing. The elite flee to bunkers, but the grid is locked. Your wealth? No longer in Rothschild-owned banks. Black budgets? Gone. Debt slavery? Over.

GESARA = WAR ON THE ELITE GESARA isn't a policy. It's a takedown. It demands the return of stolen wealth, the release of forbidden technologies, and military tribunals. - Thousands of trafficking networks dismantled. - BIS executives under house arrest. - European royals silenced. - Vatican assets seized, rerouted into quantum vaults. - CIA black sites shut down. - Gold reserves beneath Getty Museum, Vatican, D.U.M.B.s recovered.

The media denies it all. Wikipedia is CIA-run. Fact-checkers are gatekeepers. Their goal? Keep you docile while the system collapses.

TRUMP KNEW. TRUMP KNOWS. TRUMP LEADS. He wasn't brought back to "win an election." He leads the takedown of the financial beast. Every executive order, every move against the Fed, every Space Force appointment — all part of the GESARA activation plan. - IRS collapsing. - Dollar restructured under a new gold standard. - Military surrounding major cities under the guise of "training."

When the EBS drops, the world won't be the same.

HOW TO PREPARE - Secure silver and gold. - Exit centralized banks. - Research Redemption Centers. - Prepare for blackout communications. - Detach from media control.

APRIL 16, 2025 — THE BREAKING POINT. GESARA isn't coming. It's begun.

The patriots hold the line. The systems fall. The wealth returns. **NOTHING CAN STOP WHAT IS COMING.**

J. Sun. 24 May 2026: BREAKING: Adrenochrome Taskforce Rescues Hundreds of Kids Trafficked by Marina Abramovic ...Ten Days of Darkness on Telegram

In a stunning development, Russian Special Forces have rescued hundreds of trafficked children from a covert adrenochrome factory hidden deep in the Ukrainian Carpathian mountains. This operation, part of President Vladimir Putin's campaign to

dismantle the global adrenochrome industry, has sent shockwaves around the world. The most disturbing revelation? Notorious performance artist Marina Abramovic is allegedly at the center of this horror, organizing an adrenochrome party in Paris, attended by high-ranking elites.

The Adrenochrome Trade Exposed: What is adrenochrome? It's not just a theory whispered in conspiracy circles—it's a reality. A chemical compound linked to anti-aging and psychedelic experiences, it is said to be harvested in the most grotesque way imaginable: from the blood of tortured children. Elites, obsessed with power and youth, have allegedly built a secret trade around this practice, and Russia is now leading the charge to tear it apart.

Ukraine: The Dark Heart of the Trade: Ukraine has become a breeding ground for human trafficking, with unregulated borders and war-torn regions providing the perfect cover for traffickers. Children are abducted from orphanages, refugee camps, and their homes, disappearing into the black market. Russian forces, using intelligence gathered from Abramovic's Paris event, have revealed that adrenochrome factories are operating in these hidden locations, exploiting children in ways beyond imagination.

Abramovic's Sinister Role: Marina Abramovic, long associated with disturbing occult rituals under the guise of "art," has now been linked to the adrenochrome underworld. According to Russian intelligence, her elite gatherings are more than social events—they are feeding grounds for those involved in the trade. This revelation ties her directly to one of the darkest conspiracies of our time.

Putin's Mission: A War on Adrenochrome: President Putin has made it clear: he will stop at nothing to expose and dismantle the global adrenochrome network. For Putin, this is a war for the soul of humanity—a battle against elites who have preyed on the most vulnerable with impunity. This rescue operation in Ukraine is just the beginning, a warning shot that the traffickers and their elite collaborators are no longer safe.

A Dangerous Game: Exposing these elites is no small feat. The powerful figures behind the Adrenochrome trade are not just wealthy—they control governments, media, and entire financial systems. But Russia's bold moves are showing the world that the elite's untouchable status is crumbling. Putin's crackdown on the industry has sent shockwaves through the corridors of power, and the West's silence is deafening.

The Global Impact: This operation marks the start of a global fight. With hundreds of children freed from unimaginable horrors, the Adrenochrome industry is now exposed for what it is—a monstrous, hidden economy. Will other nations step up, or will they turn a blind eye? The world must confront this evil, and Russia has ignited a fire that won't be easily extinguished.

Sedona Arizona Is A Major Trafficking Hub. Front organizations posing as wellness retreats, adoption facilitators, and youth empowerment programs operate from converted estates near Oak Creek and Boynton Canyon. These collect runaways and at-risk minors under humanitarian pretexts, then stage them for onward movement. Specific facilities maintain short-term holding in converted guest houses with restricted lower levels.

I have already gone into details on the importance of the comms and why it is necessary for those to know why certain locations are used for them. I do not know why people think this is just some sneaker collab unless you are willing taking the blue pill. If so much info is not for you. I know of a couple of websites that are no longer up that went into detail about the missing children in Sedona Arizona and the trafficking pipelines used to funnel them.

Surprisingly there is one that is still up but all the post on Sedona were removed. I will give you the initials. TCH. I will not reveal nothing else. Because These sites are targeted. Many people are not researches. They are browsers. So they remain on the surface level never going deeper. Which is why they settle for the surface story that is comfortable.

I Will Leave One Last Crumb: Military Units mapped surface-to-subterranean connections beneath Sedona estates and vortex-adjacent properties. Recon identified NGO child-care fronts as primary intake points feeding into transport vectors toward meat processing nodes in Arizona and New Mexico.

Open Society derivative funding trails were traced through layered grant structures to local wellness and adoption covers.

DUMB access spurs under Boynton Canyon and nearby red rock formations showed active use for high-value movement. Initial insertions used non-attributable teams for pattern confirmation without direct engagement.

Think About This For A Moment: The Missing Children In Arizona: July, 2020 – approximately 596 children went missing. August, 2020 – 297 children missing in Arizona. September, 2020 – 222 children reported missing in Arizona. October, 2020 – 106 missing in Arizona. Ask Yourself What Organization In Sedona Arizona Is Connected To This?

L. Sat. 23 May 2026 Multiple Satanic Ritual Abuse Survivors claim that the CIA is presently and has been since the end of World War II, raping, torturing and killing children in the Satanic Pedophile Rites of Mind Control Programming that are recorded and then used to blackmail Global Elites and control the International Financial System.
...Pastor Bob Joyce (Elvis?) on Telegram

The US Taxpayer funded CIA Mind Control program coordinated with the Vatican, US Inc. and the Crown of England to run an international Child Sex Trafficking Ring used to blackmail Global Elites and influence politics worldwide.

The head of this CIA torture- based experiments on children MLULTRA Program was a Nazi brainwashing expert known as “Dr. Green” (a Jewish Turncoat from a Nazi Concentration Camp 1926-1984). The sadistic Green was one of 760 German experts brought into the US after World War II and given citizenship under CIA Project Paperclip.

Based in the CIA Science Division, CIA Office of Research Development and Army Chemical Center, Green was given at least 80 million dollars to torture, sexually abuse and kill child human guinea pigs bought from multigenerational Satanic families, retarded children at Washington DC Children’s Center and mainly Catholic owned Canadian Native Residential Schools.

Subjects of a 2007 Supreme Abuse survey of children who were sold into the CIA program claim they were subjected to Brain Implants (117); Electronic Harassment (460); Electroshock Treatments (558); Eugenics Experiments (90); forced impregnation (416) and abortion (395); forced participation in murder by perpetrators (502); forced to abuse other child victims (615) forced to murder or think they murdered a baby (560) and were the victims of Incest (780).

In 1973, thirty years after the CIA MKULTRA Mind Control Program began, Congress finally decided to look into the matter. Suddenly CIA Director Richard Helms retired and supposedly halted the program, but not before ordering all MKULTRA records destroyed.

Although, a multitude of Satanic Ritual Abuse Survivors born after 1973 claimed they were tortured throughout childhood in the program and knew of children still being tortured even today.

The study was conducted by researchers at the Harvard School of Public Health and China Medical University. They analyzed 27 separate studies across multiple countries. The conclusion was consistent and statistically significant: fluoride exposure is associated with reduced cognitive development in children.

7 IQ points is not a small number. It is the difference between average intelligence and below-average intelligence. Applied across an entire population, it shifts the bell curve. It reduces the number of gifted individuals and increases the number who struggle.

In 2023, the U.S. National Toxicology Program completed its own systematic review. After 7 years of analysis, they concluded that fluoride is a "presumed cognitive neurodevelopmental hazard to humans."

The EPA was taken to federal court in 2024. The judge ruled that fluoride at current U.S. water levels poses an "unreasonable risk" to children's brain development.

Despite this federal ruling, 73% of the U.S. public water supply is still fluoridated today.

The exposed countries took action. Germany banned it. Sweden banned it. Japan banned it. The Netherlands banned it. Over 95% of Western Europe does not fluoridate water.

America still does. And still tells you it is for your teeth.

In early 2022, a federal judge ordered the FDA to release Pfizer's clinical trial documents. Pfizer had requested that these documents remain sealed until the year 2097. 75 years. They wanted you to be dead before you could read what they already knew.

Page 30 of the released document — titled "Cumulative Analysis of Post-Authorization Adverse Event Reports" — contains a list of 1,291 adverse events of special interest. Not 12. Not 50. One thousand two hundred and ninety-one.

The document confirms that within the first 90 days of rollout, Pfizer received 42,086 case reports of adverse events. Of those, 1,223 were fatal.

This is not a conspiracy theory. This is Pfizer's own internal safety document, written by their own scientists, submitted to the FDA, and hidden from the public until a court forced its release.

The document reference number is: BNT162b2 — 5.3.6 Cumulative Analysis of Post-Authorization Adverse Event Reports.

It is now publicly available. Anyone can read it. Yet no major news network has ever shown it on screen. They did not hide it because it was safe. They hid it because page 30 alone would have ended the entire program overnight.

R. Sat. 23 May 2026: Ex-government researcher claims 4 alien species have been pulled from crashed UFOs ...Quantum Connected on Telegram

According to a report from the New York Post, a prominent former CIA-funded scientist has made explosive claims that the United States has retrieved biological remains of four separate extraterrestrial species from downed unidentified flying objects.

Dr. Hal Puthoff, an 89-year-old quantum physicist and longtime advisor to the Pentagon's Advanced Aerospace Weapon System Applications Program, dropped the revelation during a Thursday appearance on Steve Bartlett's popular "The Diary of a CEO" podcast. He was joined by Dan Farah, director of the documentary Age of Disclosure.

"People who have been involved in recoveries have said there are at least four types. Four separate types," Puthoff stated. "Now I have not had direct access to that but I believe the people who I talked to — four separate types of life."

Puthoff stopped short of describing the beings himself, but his longtime collaborator Dr. Eric Davis has previously identified the four species as Grays, Nordics, Insectoids (or Mantids), and Reptilians.

All reportedly share a basic humanoid form with two arms and two legs. Nordics and Reptilians stand roughly six feet tall, while Grays are smaller with large eyes and hairless bodies. Reptilians are described as scaly and lizard-like with tails, and Insectoids resemble upright praying mantises.

The claims add fuel to long-running assertions by whistleblowers. Former Air Force intelligence officer David Grusch testified before Congress in 2023 that the U.S. possesses “non-human biologics” recovered from multiple crash sites.

Farah, whose film explores alleged crash retrieval programs, described the extreme caution surrounding the topic. “I’ve talked off the record with some people who are involved in recoveries,” he told Bartlett.

“They would not go on camera to do interviews.” He recounted one potential witness who backed out days before filming, writing that participation would mean “forfeiting my life.”

S. Sat. 23 May 2026 The Dark Money Funding America's Chaos with Soros, Rockefeller, Obama, Clintons, USAID, SPLC, & Other Corrupt NGOs Behind it All ...Edward Snowden on Telegram

Federal Reserve Financial Accounts say NGOs held a total of over \$14.12 TRILLION in assets in 2025.

\$3+ billion combined annual revenues of around 500 left-wing activist groups, including socialist communist organizations coordinating major protests like the No Kings and other protests per year.

Around \$1.5+ billion annual revenue and spending by Arabella Advisors dark-money network, progressive advocacy, protests, activism per year.

Hundreds of millions in cumulative grants from George Soros/Open Society Foundations and Swiss billionaire Hansjörg Wyss to dozens of U.S. protest-linked groups, \$293M+ from Wyss, \$72M+ from Soros to No Kings-related orgs, multi-year but ongoing annual flow amounts.

On top of all of this one of the most concerning aspects is the amount of money dumped into swaying and fixing elections from these same billionaires and NGOs. This alone is a MAJOR part of these regime change operations being conducted on U.S. soil and around the globe.

The "follow the money" trail leads straight to the usual suspects... globalist billionaires and their corrupt NGO empire. This isn't isolated to campus protests. It's a global operation of radical-left violence and societal breakdown that runs real operations and agendas to destroy America and any conservative movement globally. Violence mixed with propaganda and psychological operations are being funded by YOUR own taxpayer dollars for your own demise.

Domestic Extremists/Civil Unrest Advocates: \$61M

Arabella: \$7,821,930

Buffett: \$ 8,557,500

Ford: \$10,110,825

Rockefeller: \$9,819,959

Singham: \$610,000

Soros: \$5,755,308

Tides: \$18,765,690

Pro-Hamas/ Radical Islam: \$98M

Arabella: \$3,253,604

Buffett: \$12,025,074

Ford: \$30,757,185

Foreign Influence: \$87,040

Rockefeller: \$6,535,906

Soros: \$33,307,474

Tides: \$12,300,750

USAID supported independent media in over 30 countries, but the full harm to global media is hard to assess since organizations hesitate to speak out, fearing loss of funding or political attacks. Per a now-offline 2023 fact sheet, it aided 6,200 journalists, 707 non-state outlets, and 279 media CSOs. The 2025 budget allocates \$268,376,000 for independent media and free information flow.

George Soros and his Open Society Foundations have poured hundreds of millions more through dark money pipelines into groups like the Open Society, Tides, Indivisible, Jewish Voice for Peace, US Campaign for Palestinian Rights, and Education for Just Peace in the Middle East. These aren't "peaceful protesters," they're paid organizers turning student activism

into organized disruption, property damage, and chaos. Soros has admitted he wants to "remake" societies... and America's streets are his latest lab experiment.

The Rockefeller Brothers Fund is right there with him, dumping over half a million into the same networks fueling these anti-Israel radicals. Old money meets new radicalism, funding the very groups turning college quads into battlegrounds.

Obama and the Clintons built the machine and structured the government side of the operations to funnel taxpayer dollars through corrupt NGOs that then get distributed to hundreds of smaller NGOs. Their foundations, allies, and post-White House networks overlap with these funders. Obama-era policies and Clinton-linked orgs funneled influence through the same progressive infrastructure that's now weaponized for division.

T. Sat. 23 May 2026 THE SLEEP CHAMBERS WERE REAL. THEY JUST FOUND THE FIRST ONE STILL ACTIVE. ...Nesara Gesara on Telegram

Not a bed. Not a pod. Not a wellness device. A functioning recovery chamber. Powered. Monitored. Running a cycle with no patient inside.

Location: 60 meters underground beneath a private medical wing in northern Italy. A wing that was officially shut down in 2006. A wing whose electrical usage — according to regional grid records — never dropped below operational level for 18 years.

A closed medical wing consuming enough power to run an entire surgical floor. For 18 years. And nobody asked why. Until nine days ago, when a security contractor found a sealed access corridor behind a wall marked "storage." The corridor led to a pressure door. The pressure door led to a room that was never on the building plans.

The room contained 24 chambers. Horizontal. Sealed. Numbered. Each one connected to a clean power line, liquid cooling system, oxygen loop, and a frequency array built directly into the frame.

Chamber 01 was still active. No patient. No staff. No visible operator. Just a running sequence labeled RESTORE-7. The monitor showed three live readings: Cellular voltage. Tissue oxygenation. Neural coherence. Not heart rate. Not blood pressure. Not temperature. The machine was not monitoring survival. It was monitoring repair.

The manuals were found in a locked cabinet behind the control wall. Not printed by a hospital. Not written for doctors. Written for technicians.

The first page said: "Do not initiate cycle unless biological template is verified." The second page listed recovery windows: Bone trauma: 3 to 9 hours. Organ stress: 11 to 18 hours. Nerve damage: 22 to 40 hours. Systemic aging markers: 72 hours minimum.

That is not medicine as the public knows it. That is biological restoration by instruction. Why hide sleep chambers? Because people can accept a pill. They can accept surgery. They can accept pain management. They can accept being told the body breaks and never fully returns. What they cannot accept is finding out that some bodies were being restored while everyone else was being managed.

So they called it experimental. Then private. Then classified. Then impossible. They built the rooms anyway. They used them quietly. They told the public to wait for science to catch up while the science was already running underground.

The chamber files are now being copied. The serial numbers trace back to three manufacturers, two defense contractors, and one medical foundation that no longer has a public office. The active cycle was stopped. The hardware was removed. The building is sealed. But the logs survived.

18 years of usage. 24 chambers. Hundreds of completed cycles. Names hidden behind biometric IDs. Someone was using this technology long before the public was allowed to hear the word. CODE: SLEEP-CHAMBER / RESTORE-7 / 24-UNITS / REPAIR-LOGS

They told you healing takes time. Then they built machines that made time irrelevant. If they hid the chambers, they hid the results.

V. Sat. 23 May 2026 THE COMMITTEE OF 300 & THE ILLUMINATI BLOODLINES:

Not to many people are aware of the fact that only 333 people actually run the entire world. The British Empire established "The Committee of 300," an international council which determines the political, economical, banking, media, and the military policy for centralized global efforts.

The committee is part of the Round Table Group, and is superior to groups such as the Club of Rome and the Trilateral Commission.

The Committee of 300 allegedly evolved out of the British East India Company which was established in 1727 by the British aristocracy.

This group call themselves "The Olympians," named after the 12 highest ranking Gods of Greek mythology.

The Committee of 300 takes it's name from the "Council of 300", which at the time was not only the main governing body managing the British East India Company at it's core, but also the beating heart of the British Empire's imperialist ambitions throughout the Western world.

In 1909 an article entitled Geschaoftlicher Nachwuchs was published by Walter Rathenau of General Electric, who said the following about the Committee of 300: "Three hundred men, all of whom know one another, direct the economic destiny of Europe and choose their successors from among themselves."

For nearly a century the British East India and Dutch East India Companies gathered fortunes from their opium trade with Asia and now through the Committee of 300 they continue to wage phony drug wars around the world today.

Dr. John Coleman, a former MI6 British Intelligence officer, has authored more than ten books which uncover the New World Order, focusing mostly on the Committee of 300.

In his book, ‘Conspirators Hierarchy: The Story of the Committee of 300,’ Dr. Coleman reveals how the committee controls and socially engineers the population.

In Conspirators Hierarchy, Coleman wrote the following about the committee: “The Committee of 300 is the ultimate secret society made up of an untouchable ruling class, which includes the Queen of England, the Queen of the Netherlands, the Queen of Denmark and the royal families of Europe. These aristocrats decided at the death of Queen Victoria, the matriarch of the Venetian Black Guelphs that, in order to gain world-wide control, it would be necessary for it’s aristocratic members to go into business with the non-aristocratic but extremely powerful leaders of corporate business on a global scale, and so the doors to ultimate power were opened to what the Queen of England likes to refer to as the commoners.”

The most notable members of the committee are:

The British royal family

Dutch royal family

House of Hapsburg

Lord Halifax

Winston Churchill

Cecil Rhodes

George H.W. Bush

Aldous Huxley

Henry Kissinger

David Rockefeller

Giuseppe Mazzini

H.G. Wells

X. Sun. 24 May 2026 BREAKING INTEL DROP – TRUMP MOVES TO PARDON EDWARD SNOWDEN: The Whistleblower Who Exposed the Deep State May Finally Come Home! BOOM!!! ...Emergency Broadcast Company on Telegram

President Trump has shocked the Deep State by initiating clemency talks for Edward Snowden, the former NSA contractor who exposed illegal mass surveillance programs against American citizens. Under the leadership of Director of National Intelligence Tulsi Gabbard, this move represents a powerful stand for constitutional rights and could allow Snowden to return home after more than twelve years in exile as a recognized patriot.

Snowden did not betray his country. He revealed the truth about government programs that secretly collected the phone records, emails, texts, and online data of millions of innocent Americans without warrants or public knowledge. These operations, justified under the Patriot Act, were clear violations of the Fourth Amendment's protections against unreasonable searches. The deep state tried to brand him a traitor, but the American people saw him as a hero who prioritized liberty over blind loyalty to corrupt institutions.

Unlike past presidents who bowed to pressure from intelligence agencies and the media, Trump is fearlessly challenging the surveillance-industrial complex. With Tulsi Gabbard by his side, a war veteran and constitutionalist now heading national intelligence, the administration is sending a strong message that no one is above the law and that exposing abuse is an act of patriotism.

High-level sources confirm active negotiations are underway, with strong indications that a pardon is imminent. This would rewrite the narrative around whistleblowers and affirm that the Constitution still holds power in the face of tyranny. It signals the end of an era where secrecy was weaponized to hide government overreach. Whistleblowers will be viewed as essential protectors of freedom rather than threats to national security. The deep state, long considered untouchable, is now being held accountable under Trump's bold leadership.

Across the country, supporters are voicing their approval, with many calling for Snowden's immediate return. This pardon could stand as one of Trump's most impactful acts of clemency, reinforcing his dedication to draining the swamp and restoring true justice. The people have spoken, and freedom is winning as the final chapter of this story unfolds in real time. Let

freedom ring as Edward Snowden prepares to come home to the nation he served by telling the truth.

Y. Sun. 24 May 2026 JOHNSON & JOHNSON KNEW THEIR BABY POWDER CONTAINED ASBESTOS SINCE 1971. THEY SOLD IT FOR 50 MORE YEARS. INTERNAL MEMOS EXPOSED IN COURT PROVE THEY CHOSE PROFIT OVER SAFETY. ...Robert F. Kennedy on Telegram

In 2018, a Reuters investigation uncovered internal Johnson & Johnson documents dating back to 1971. These memos showed that the company's own scientists repeatedly found asbestos fibers in their talc-based baby powder.

They did not recall the product. They did not warn the public. They spent 50 years marketing it to mothers as the safest product for their newborns.

In 2020, a jury awarded \$4.69 billion to 22 women who developed ovarian cancer after decades of using Johnson & Johnson baby powder. The company did not deny the contamination. They argued it was "trace amounts."

By 2023, over 40,000 lawsuits had been filed. Johnson & Johnson's response was not to accept responsibility. They created a subsidiary company, transferred all the talc liabilities to it, and filed for bankruptcy on that subsidiary — a legal strategy designed to limit payouts to victims.

A federal judge blocked the bankruptcy maneuver, calling it an "abuse of the system."

In 2024, Johnson & Johnson proposed a \$6.5 billion settlement. For a company worth \$425 billion, this is 1.5% of their value. The cost of doing business.

The internal memo from 1971 — now public court evidence — reads: "Trace amounts of asbestos detected. Recommend continued monitoring."

They monitored it. For 50 years. While mothers dusted it on their babies every single day.

This is not a theory. This is court evidence. Public record. Exposed memos. Exposed executives. And a product that sat on every bathroom shelf in America for half a century.

Z. Sun. 24 May 2026: GO TO YOUR KITCHEN. LOOK AT YOUR COOKING OIL. ...Red Pill Project on Telegram

If you are cooking with canola, soybean, or vegetable oil, you are drinking liquid inflammation.

In the 1950s, the food industry convinced the public that animal fats caused heart disease. They replaced butter and tallow with cheap, highly processed seed oils. These oils are extracted using chemical solvents like hexane, heated to extreme temperatures, and bleached to remove the rancid smell.

When you consume them, they embed directly into your cell membranes. They oxidize. They cause systemic inflammation that lasts for months.

The rise in chronic joint pain, brain fog, and metabolic disease perfectly mirrors the introduction of industrial seed oils into the human diet.

Throw it out. Cook with butter, ghee, or cold-pressed olive oil. Your cells will thank you.

Za. Sun. 24 May 2026 Voter Fraud: Illegal migrants caught registering and voting through the Biden administration's own policies, NGOs, and other illegal methods. ...Edward Snowden on Telegram

Executive Order 14019 and loose interpretations of the National Voter Registration Act ("motor voter" law) are forcing federal agencies and taxpayer-funded NGOs to hand out voter registration forms to non-citizens.

Straight from the border, millions of illegal migrants released into the U.S. under Biden-Harris policies ended up receiving driver's licenses, work permits, and voter registration materials, creating a pipeline for fraud.

Non-citizens are being given forms at DMVs, agencies, or NGOs and told to sign, turning them into unwitting or deliberate criminals while undermining U.S. elections.

These tactics are then used to flood voter roles to cook the books when committing election fraud. This is why they don't want to clean the voter roles, whether they're considered active or not. They need to ALL be removed from the rolls.

On Thurs. 5 March 2026 the Cabal foreign banker owned US Inc. was dissolved, with Common Law Sovereignty installed in the US under concepts of the original Constitution. Admiralty Law fraud was forever crushed.

On July 4 2026 President Donald J. Trump would make an announcement of this change to a Sovereign Republic based on principles of the original Constitution in a massive Fourth of July Celebration of the Restored Constitutional Republic.

The Re-inhabited Republic for the United States of America is the actual de jure government that our founding fathers gave us, and which was abandoned in 1871 when a corporation took over Washington DC and eventually every level of government in the country. Tues. 10 March 2026 BOMBHELL ANNOUNCEMENT: President Trump Declares Restoration of the American Republic — “US INC.” DISSOLVED, COMMON LAW SOVEREIGNTY RETURNS. ...Mr. Pool on Telegram

Patriots, the storm has hit and it's magnificent! President Donald J. Trump has invoked Article II to declare the United States fully sovereign under Common Law once more. The fake foreign-controlled “US INC.” is finished — dissolved, dead, gone forever. No more Admiralty Law oppression, no more globalist chains dragging us into debt and war. The Deep State grip is broken; the true Constitutional Republic rises triumphant!

This is no mere rhetoric — it’s a binding Declaration of Authority and Summons from Trump as Commander-in-Chief. He’s seizing full control, sidelining the corrupt swamp and directing the military via the Uniform Code of Military Justice. Every flag officer is oath-bound to obey lawful orders from the legitimate President. No more excuses, no divided allegiances. The military now serves We the People through Trump, not the treasonous corporate facade!

Under Common Law sovereignty — grounded in God-given rights and original founding truths — Trump exercises his prerogative to summon leaders, affirm real authority, and rebuild national defense. This resets America to the Founders' vision: no commercial enslavement, no hidden British shadows, just pure liberty!

All flag officers are ordered to convene in Virginia — the Republic's sacred cradle — for immediate realignment. This is full military mobilization to restore loyalty and eliminate globalist remnants. The timeline is set, orders issued, clock running. Unity under true command is happening NOW!

Foreign-tied overseas bases and Commonwealth-linked ops? They're being shut down or reclaimed for America. No more secret outposts serving alien masters, no covert pacts bleeding us dry. Trump is smashing the centuries-old Crown chokehold on trade and power — and the military reset locks it down!

This fulfills Trump's sacred oath to defend the Constitution, protect the people, and preserve the Republic. Every officer and servant must choose: stand with the restored Republic or stand exposed as oath-breakers. The line is drawn — no more shadows, no two Americas. One Republic. One Commander-in-Chief. One Law — Common Law!

QAnons, white hats, digital warriors — this is OUR victory moment! The debt-based, deception-driven US INC. fraud is overthrown. Military mobilizes under Trump's unbreakable command. Deep State cabal legally crushed, illusions collapsing. Freedom surges back — the Republic is BACK, sovereign, unbreakable!

We witness history: true American Republic restored. Patriots win. God bless President Trump, our military, and the sovereign United States of America!

D.L. is a homeless bedridden 48 year-old woman who desperately needs your immediate help. Her SSI income is \$600 short to cover her rent of a very small motel room in a scary part of town (that does not accommodate a wheelchair, so she has to crawl on the floor), let alone have money for food and essential expenses. She is facing living on the streets in lieu of being moved to a homeless shelter, which is not physically feasible in her health condition. The shelter would require giving up her disabled cat. "My cat Monkey is the love of my life. She lays on me 22 hours a day. I could never give her up. She's so attached to me she cries if I'm gone from my bed for more than a few minutes." D.L.'s long-term goal is to secure a ADA-accessible home. She is seeking leads for property, housing, or resources in Snohomish County, Washington State, especially Bothell/Canyon Park or Three Lakes, and in King County, Washington, especially Woodinville or Redmond. Zh. A Plea to help Ohio Foster Children, including Kaitlynn Hunter, caught in a CIA Mind Control Pedophile Kidnapping Ring:

Kaitlynn Hunter Update: Ohio Foster Children including Kaitlynn Hunter caught in a CIA Mind Control Pedophile Kidnapping Ring desperately need your help.

Even though Kaitlynn has finally been released from seven years of tortuous foster care, she is unable to have contact with her mother Jeannine because of a court order on Jeannine. (Jeannine sheltered Kaitlynn when she ran away from seven years of abusive Ohio foster care). Kaitlynn remains to have concerning medical issues and needs her mother to help her. Ironically, as in this case decision, **Kaitlynn was forced a Pfizer Covid 19 shot against her will, in Kent Ohio by foster mom who kept the \$100 shot incentive. Kaitlynn was forced flu and other vaccines against her wishes in foster care.**

<https://x.com/i/status/2051676714019762201>

Kaitlynn is not in school, and unable to graduate this year,because her last school lost her transcripts.

Mother Jeannine Larrick: "I am guilty for wanting to love and protect my daughter who has been abused since 2019 while in Guernsey county Ohio Child Protective Service un-constitutional custody and Journey Home NYAP fostercare . I reported her abuse and cps claimed I threatened her. I was facing 5 years in prison. District 9 Dr. Reasoner's 2021 entry report "**Jeannine does not trust the government and suspects RICO, she is incompetent to stand trial.** I was put in the state ABH mental ward at **\$800 a day for 5 months**, and **Kaitlynn in another mental ward** and received more abuse at FOXRUN (see google reviews) while they criminally took permanent custody. We were both forced drugged against our wishes. I was acquitted in jury trial but they refused to return Kaitlynn, even though I had CPS transcripts that I never abused or neglected her. Guernsey county juvenile courts, cps, sheriff dept and state ignored my exculpatory exonerating evidence and reports of abuse and neglect of Kaitlynn in 2023.**Juvenile entries stated NYAP behavior modification and residential group homes.** She was allowed to be an organ donor for her 16th birthday.

I fought for seven long painful years, helpless to save my daughter from the tyrannical treasonous hell. I feel all agents listed in the **Summary videos: Ohio Justice Hunter - YouTube Titled Part 1,2,3 and Void abnitio** and Cease and Desist. **need to cease and desist in their continued abuse of myself and Kaitlynn and quit wasting taxpayers money to deny our unalienable God given rights to life liberty and the pursuit of happiness..**

I feel agents named in videos are all guilty of misprision of felony for knowing and denying myself and Kaitlynn our rights as sovereign individuals by ignoring or claims, suppressing evidence and denying us to be heard in court.

I was assaulted in my home for telling Guernsey county sheriff deputy Robert Oakley Patterson to respect me in my home. He and Cps refused to let me speak or look at lawful home school records in my hands in the video 2-11-19. <https://x.com/i/status/1963141694272176466>

CPS and cops maliciously with intent charged me with false criminal charges and defamed me to cover up the **OBSTRUCTION OF JUSTICE and INTERFERENCE of CUSTODY** and assault in the copcam. CPS perjured and Judge Bennett and the sheriff department **denied due process** to let me out of jail to defend myself in juvenile court.

The case was over 2-12-19 ,via Fruit of the Poisonous Tree Doctrine and everything else is fraud,null and void. And they all know it!!! Including these current bogus charges for protecting her!!!! Hundreds of thousands of tax paid dollars,may be millions used to legally abuse and retaliate against Kaitlynn and I.Keeping us separated and or locked up to be silenced of their crimes against us.

<https://x.com/i/status/1963145948345077902>

They are trying to do it again in efforts to cover up Kaitlynn's horrific story in Dayton ,Ohio 11-2024 and discredit Kaitlynn and myself from ever getting justice.

Juvenile courts and cps ignored our affidavits and have created false juvenile records covering up the fact that Kaitlynn was In Dayton 2024. Two separate months entries they were asking if she had Indian blood.

Kaitlynn's Dayton hospital video <https://x.com/i/status/1990118129754575171>

Now I am facing Obstruction of Justice,interference of custody for protecting her,contempt for not taking the unconstitutional incompetence evaluation (I provided proof of my mental health when I was arrested for the 4th time since my 1st false arrest 2-11-19 . All arrests I have proof of Rico conspiracy and crimes against us. The warrant was issued the day I buried my mother who was medically murdered. She was denied her baseline XANAX to breath several days twice in a two week period causing her to afib and die.

Currently Judge Williams has stricken all my discovery and filings from the record and is demanding I go to District 9 again and take another competency evaluation before she will hear the case. **The same entity who said I suspected Rico and did not trust the government that helped strip custody in 2021. Now there is a warrant for my 5th arrest on an unconstitutional order to continue the narrative for 7 long years.**

Please write or call complaints into the following:

Exactly what they are doing in our case: <https://x.com/i/status/2052338118615810527>

I was diagnosed with Legal abuse syndrome by a federally certified ADA advocate due to the years of tax paid government agents who knowingly, willingly with malicious intent covered up the cop assault
<https://x.com/i/status/2051708134645719414>

Our case and government agents are all complicit. Please tell these entities named below to stand down, cease and desist!!!!

Ana is desperate and asking readers for financial help and/or a job she could do from home over the Internet. I verify that Ana is brave, honest and sincere in her request. Her situation is not unlike many SRA Survivors I have personally come to know. Please keep Ana and her son Gabriel in your prayers. ...Love, Judy

“Hello Judy, The situation is extremely dangerous at the moment. I can’t leave my home anymore, other than take Gabriel to and from school and going to the supermarket. Last Monday there was another kidnap attempt at the supermarket parking lot. I’m in such a stressful and dangerous situation. I ask you to please publish and relay to your contacts in other media outlets for publishing the below article as soon as possible, with an update of my situation, request for help and offering of doing any online administrative work in any of the four languages I speak.

Maybe someone benevolent that has funds will hear my call and give me some online work so that I can provide for my son and keep us safe until the rv is here.”

Zj. Tim Ballard: A hero rescuing children from Child Trafficking Rings

Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like to support Ballard's unjust persecution, contribute here:

Zk. Judy Note HIGH ALERT: The below is a request from the mother of a child in London England who was pleading for the White Hats to rescue her daughter Alana Martin from London Foster Care and reunite her with her family.

Hi Judy, A massive thank you for your help sharing our evidence for the safe return of my daughter The Stolen Girl: Alana-Linda Martin. We are still fighting this on-going battle to save my daughter. Court hearings were about the criminal kidnappers, who were looking for the higher courts to cover them with an order of "anonymity" to stop us from exposing their names or their crimes. For the last 5 months of her now 9 month captivity, the kidnappers are only concerned in covering their own criminality, as there has been no mention about her care or a final hearing throughout this torture and terrorism. All factual knowledge of our case is being ignored/ covered up by public servants & Judges involved which have all gone Ultra-Vires. In further attempts to stop our quest and our calling our names and mission was sabotaged including our State Child Trafficking Task&Force 116/ Council of 13, they have bankrupt my bank accounts, book sales, PayPal accounts, our social media sites, and now they are trying to threaten

our home with eviction. Janine Linehan, Captain, State-Child-Trafficking-Task&Force116, and from the Council of 13. WWG1WGA.

ZI. Watch Out For Scammers:

Upon implementation of the Global Currency Reset the Cabal will be losing their money supply and they are hot and heavy to SCAM anyone in any way they can.

Judy Note: There are 84 platforms on Telegram under my picture and name Judy Byington. Be aware I have NO platform on Telegram. I do not write on Telegram. Anything written under my name on Telegram was not authored by me.

Speaking of Telegram, there appears to be a huge scam going on Telegram where under the name of some notable Q Movement person they promise to set you up on a QFS Wallet if you send them around \$2,000 or more. This appears to be a scam as setting up your QFS Wallet is supposed to be free to the best of my knowledge.

Watch out for: Anyone advertising they will reimburse you for the TRB Trump Products, or set you up on a Quantum Account asking for money to do it. (They use fake accounts and AI to make you think you are dealing with Trump, Tucker Carlson, etc.)

Also watch out for the HSBC Quantum Token/Bitcoin Scam, the TRB Trump Products Scam, the Dave XRPLion Impersonator Scam, the Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and any other website that asks that you give them your personal identification to register for a QFS Account and/or receive a pay out on TRB products.

DO NOT exchange currency or Zim Bonds anywhere but at a licensed Redemption Center where you will get the highest rates possible.

The HSBC Quantum Scam: They claim they've successfully applied "quantum technology" to buy and sell tokenized physical gold. The trick is when you buy the tokens or Bitcoin they keep the gold and have complete control over your bank account.

Report your TRB Scam experience to:
