Judy Note: “The Council on Foreign Relations has effectively admitted the collapse of the old Globalist Order as President Trump accelerates the rise of the American System, economic sovereignty, energy independence, and America First foreign policy.

“Supporters say Trump has shattered Britain’s century-long Globalist framework and triggered the downfall of the post-war international order.

“The era of British-style Globalism, financial dependency, endless wars, and centralized international control is being replaced by something the establishment never wanted to see revived: The American System.

“What many critics dismissed as rhetoric is now evolving into a complete restructuring of American foreign policy, economic strategy, and geopolitical alignment. And according to supporters of the current administration, the old guard knows it.” **Wed. 27 May 2026:** [BREAKING SPECIAL REPORT: CODE RED — CFR WAVES WHITE FLAG: Trump Just KILLED BRITAIN’S 100-Year Globalist Project And Reignited The American System \[VIDEO\] - amg-news.com - American Media Group](#)

To secure that Globalist downfall, on Wed. morning 27 May President Trump called his entire cabinet for a rare meeting at Camp David for Thurs. 28 May 2026. Then suddenly on that same Wed. Trump changed to an immediate emergency meeting at the White House.

All of President Trump’s top cabinet members remained there right now. The next 48 hours would change the face of the world. What were they deciding?

Glenn Beck knew: [Glenn Beck: "People Should Be Preparing, This is Very Serious..."](#)

Iran was on the table – or not. Perhaps we could better say the Islamic Agenda was on the table. The real objective of Trump’s Iran operation was securing the enriched uranium dust held by Iran, dismantling Deep State networks, and revealing how close the world came to disaster.

Iran became the key to uncovering what many call the biggest Deep State crime — the alleged transfer of weapons capabilities to enemies during wartime by Obama. The nuclear fingerprint tied to the enriched uranium is described as the final piece of evidence connected to Uranium One. Everything is building toward one conclusion: treason.

But America's real problem was not so much Iran's uranium buildup as it was the Islamic Agenda and those supporting it from within: Obama, his CIA and their Mind Control Program that has grown into AI Data Centers across the nation.

Way back in 2020 CIA Chief James Woolsey admitted on national TV that the CIA's job was to overthrow governments. Evidently that included the United States. He had made the statement right before 51 CIA intelligence officials intervened in the 2020 election—effectively participating in the overthrow of the U.S. government in 2020.

Obama was over the mission – and all that followed. The 2020 Election fraud was not the Deep State CIA's most effective threats – Mind Control programming combined with their massive international Child Sex Trafficking Ring, DARPA Chem Trails and building of AI Data Centers across the US – all with a specific purpose of controlling minds of The People.

Although CIA Mind Control experiments had been going on since the end of World War II, the dangerous infiltration into private lives of citizens was first made public back in 1970s with Congressional Hearings on the subject.

In 1995 and 1970 Congressional Hearings were held on the CIA Mind Control of children that had been going on since Nazi Mind Control Specialists were brought to the US after World War II. **Tues. 28 Nov. 2023:** [Congress Is Funding The CIA's Torture of Children | Crime All-Stars | Before It's News \(beforeitsnews.com\)](#)

The hearings came about as a result of a successful lawsuit by Mind Control victim Linda McDonald of the McDonald's hamburger franchise – the McDonald family deeply involved in the Illuminati.

Like Linda, the three CIA Satanic Ritually Abused women who testified in the first hearing were from multigenerational Satanic Families. After raping and torturing them since birth, their families sold them into the CIA Mind Control Program.

They testified of the tortuous CIA Mind Control they were subjected to throughout their childhoods – which included torture, pedophilia and murder of other children (often their friends or siblings) in regularly held pedophilia and Child Sacrifice ceremonies honoring Satan.

The torture divided their thinking patterns into multiple personalities which their perpetrators could then control throughout their lives.

Even though the purpose of CIA Mind Control appeared to be to blackmail Congress into doing the bidding of the Cabal, their testimonies were never released to the public and video recordings were erased from the Internet. No further investigation was ever started, let alone completed, after the 1970s and 1995 Congressional Hearings.

All three witnesses later died of mysterious causes, their dramatic information about blackmail and bribery of Congress members having been covered up. Congress has never acted on these heinous crimes of the CIA that were believed still going on today.

The vile practices of CIA Mind Control had spread internationally from Satanic rites overseen by the Vatican's Ninth Circle Satanic Cult. The Ninth Circle was composed of international leaders who regularly held the Child pedophile and human sacrifice rites in honor of Satan with the purpose of gaining power over People of the World.

And, that Illuminati CIA Mind Control was still going on today. Perhaps that had something to do with Trump's meetings at the White House.

Trust the Plan.

D. Global Currency Reset:

Tues. 26 May 2026 Bruce, The Big Call [The Big Call Universe \(ibize.com\)](http://ibize.com) 667-770-1866, pin123456#, 667-770-1865: One source said the Tier4b green light would be on Thurs. 28 May 2026, with appointments as early as Friday 29 May. Other sources say notification Thurs-Fri with appointments launching over the weekend.

Judy Note: To my knowledge no one has been privy to the exact information about when Tier4b (Us the Internet Group) will be notified to set redemption/exchange appointments. That is the decision of 1-2 people, one being President Trump. We only know notification will be around the time of EBS Activation and likely during the ten days of communication darkness.

Judy Note: We have been told that Wells Fargo, which is controlled by the Chinese Elders – (the ones who own the gold behind the Global Currency Reset) – will send out emails to currency and bond holders worldwide telling them how to set redemption & exchange appointments. It is advised to exchange/redeem your foreign currency at an official Redemption Center (RC) rather than a bank. You can only redeem Zim at a RC, the Dinar Contract Rate can only be given at a RC and banks will offer you lower exchange rates than what you can obtain at a RC. You can only set up your new wallet (bank account) at a RC. It was my understanding that most banks were under control of the Cabal and would soon play a different roll in the Global Financial System.

THE GLOBAL RESET MOVES FROM RUMOR TO REALITY. For years, IQD, VND, and ZIM holders were mocked, ignored, and called delusional. But now, all eyes are back on them—because the long-rumored revaluation is no longer speculation. It's a verified action.

Whispers on private forums have become bank-confirmed appointments, private tiered structures are moving forward, and a new financial system is rolling out quietly but powerfully. The RV has ignited, and TIER 4B is at the center of it all.

UNDERSTANDING THE TIERED STRUCTURE OF REVALUATION This is not a public forex event. This is a calibrated, classified, controlled restructuring. And it follows a tiered framework: **Tier 1:** Sovereign governments and central banks **Tier 2:** Multinational giants and elite financial trusts **Tier 3:** High-net-worth individuals and pre-negotiated contracts **TIER 4B:** Private citizens with legally acquired currency holdings. TIER 4B is where the people enter the equation. This is where suppressed value is unlocked, not for institutions—but for the faithful holders who waited through ridicule and silence. And now, TIER 4B is LIVE.

SECURITY, STRUCTURE & SILENCE: THE TIER 4B PROTOCOL: No walk-ins. No leaks. No circus. Bank staff are trained, armed with secure systems, and operating under blackout conditions. Participants are vetted, and electronic devices are restricted.

TIER 4B is not a public event. It is a classified operation, monitored, documented, and now fully active.

I. Wed. 27 May 2026: THE WORLD HEALTH ORGANIZATION JUST CLASSIFIED ELECTROMAGNETIC FREQUENCIES AS A "CLASS 1 THERAPEUTIC AGENT" IN AN INTERNAL DOCUMENT THAT WAS NEVER RELEASED TO THE PUBLIC. THE DOCUMENT IS DATED MARCH 14, 2026. ...Tier4b ISO20022 on Telegram

Not "alternative." Not "complementary." Not "under investigation." Class 1 Therapeutic Agent. The same classification as surgery and pharmaceutical intervention. Equal standing. Full recognition.

The document is 67 pages. Internal reference: WHO/HIS/SDS/2026.4. It was circulated to 14 member state health ministries on March 22nd. None of them published it. None of them held a press conference. None of them updated their national health guidelines.

A health ministry official in Estonia — a country with 1.3 million people and apparently less to lose — uploaded the document to a public health transparency portal on April 9th. It was removed within 4 hours. But the Wayback Machine archived it at 11:47 AM UTC.

The document states the following: Electromagnetic frequencies between 0.1 Hz and 1000 Hz, when applied at specific amplitudes and durations, produce measurable therapeutic outcomes in:

- **Bone regeneration** (7.5 Hz pulsed field, 78% acceleration vs. control)
- **Chronic pain reduction** (10 Hz, 64% reduction in VAS scores)
- **Wound healing** (15 Hz, 41% faster epithelialization)
- **Depression remission** (10 Hz alpha entrainment, 52% remission rate vs. 23% SSRI)
- **Insomnia resolution** (3 Hz delta entrainment, 71% resolution within 21 days)
- **Inflammation reduction** (30 Hz, CRP decrease of 38% in 14 days)

Six conditions. Six frequency ranges. All outperforming pharmaceutical interventions in controlled trials cited within the document.

The WHO has known since at least 2019. The document references 340 peer-reviewed studies. 12 meta-analyses. 7 randomized controlled trials funded by WHO member states. The evidence was never in question. The classification was delayed for 7 years.

Why? Page 51 contains a section titled "Economic Impact Assessment." It estimates that widespread adoption of frequency-based therapeutics would displace approximately \$418 billion in annual pharmaceutical revenue across the six indicated conditions.

\$418 billion. That is not a typo. That is the number they calculated. That is the number that kept this document internal for 7 years.

Depression alone: \$28 billion in SSRI sales per year. A 10 Hz signal from a \$200 device achieves higher remission rates. The math is not complicated. The silence is not accidental.

The classification is now official within WHO internal governance. It cannot be unwritten. It cannot be reclassified downward without a full General Assembly vote. The 14 member states that received it are now legally obligated under IHR Article 44 to "develop and implement" therapeutic frameworks based on new WHO classifications within 24 months. 24 months. March 2028. That is the deadline.

But Estonia already published it. The archive exists. The 67 pages are readable. The frequencies are listed. The protocols are described. The evidence is cited.

You don't need to wait for your government to tell you what the WHO already admitted internally. Frequencies heal. It's classified now. Not as conspiracy. As medicine.

CODE: WHO/HIS/SDS/2026.4 / CLASS-1 / 6-CONDITIONS / \$418B DISPLACED
340 studies. 67 pages. One classification that changes everything. They gave it to 14 governments and told none of them to tell you.

J. Wed. 27 May 2026: In 1998 Fred Gage & team at Salk Institute proved the adult human brain produces new neurons throughout its entire life – called Neurogenesis. ...Red Pill Project on Telegram

Your brain is a self-repairing organ designed to regenerate.

Neurogenesis requires absence of chronic inflammation, adequate blood flow, deep sleep and specific electromagnetic frequencies that stimulate the hippocampus.

Conditions that suppress Neurogenesis: Chronic stress, Blue light exposure at night, processed food, sedentary behavior, Electromagnetic pollution.

The pharmaceutical industry made \$38 billion last year selling drugs for conditions that Neurogenesis can reverse naturally. They did not hide the science because it was wrong. They hid it because it made their products unnecessary.

The MedBed protocol delivers targeted frequencies to the hippocampus, stimulating the production of BDNF, the protein that triggers new neuron growth. Your brain was always capable of healing. They simply made sure the conditions for healing never existed.

K. Wed. 27 May 2026: THEY TOLD YOU THAT CARBON DIOXIDE IS A WASTE GAS. THAT WAS THE MOST PROFITABLE LIE IN MEDICAL HISTORY. ...Med Bed Technology on Telegram

Every biology textbook teaches the same story. You breathe in oxygen. Your cells use it. You breathe out carbon dioxide. Oxygen is good. Carbon dioxide is waste. End of lesson.

That lesson is a lie. In 1904, a Danish physiologist named Christian Bohr discovered something that should have rewritten every medical textbook on Earth. He proved that your cells cannot absorb oxygen without carbon dioxide. The more CO₂ in your blood, the more oxygen your cells receive. The less CO₂, the less oxygen reaches your tissues.

This is called the Bohr Effect. It has been verified by over a century of research. It is taught in advanced physiology. And it is deliberately left out of public health education.

When you breathe too fast, too often, or through your mouth, you exhale too much carbon dioxide. Your blood becomes alkaline. Your hemoglobin grips oxygen tighter and refuses to release it to your cells. You are breathing more but receiving less.

This is the default state of the modern human. Chronic hyperventilation. Oxygen starvation at the cellular level. And every symptom it produces — fatigue, brain fog, anxiety, muscle tension, poor sleep, cold hands — is treated with a prescription.

The global respiratory drug market is worth \$44 billion per year. Asthma inhalers. Anxiety medication. Sleep aids. All treating the downstream effects of a breathing pattern that nobody taught you was wrong.

In 1952, a Ukrainian doctor named Konstantin Buteyko developed a breathing protocol that reversed asthma, hypertension, and anxiety by restoring CO₂ levels in the blood. Clinical trials in Australia and the UK confirmed his results. His method was buried.

You cannot patent breathing. You cannot charge a monthly subscription for air. So they made sure you never learned that the way you breathe is the reason you are sick.

L. Wed. 27 May 2026 THERE IS A GLAND IN THE CENTER OF YOUR BRAIN THAT PRODUCES THE MOST POWERFUL HEALING CHEMICAL IN YOUR BODY. THEY HAVE BEEN CALCIFYING IT SINCE THE DAY YOU WERE BORN. ...The Red Pill Project on Telegram

The pineal gland is the size of a grain of rice. It sits in the exact geometric center of your brain. For thousands of years, every ancient civilization on Earth identified it as the seat of consciousness. The Egyptians carved it into their temples. The Greeks called it the third eye. The Hindus placed it at the crown of spiritual awakening.

Modern medicine calls it irrelevant.

The pineal gland produces melatonin. But melatonin is not just a sleep hormone. It is the most powerful antioxidant your body creates. It crosses the blood-brain barrier. It repairs DNA damage while you sleep. It regulates your entire endocrine system. It controls the timing of puberty, aging, and cellular regeneration.

When the pineal gland is functioning at full capacity, your body enters a deep regenerative state every single night. Damaged cells are repaired. Mutated cells are destroyed. Your immune system resets completely.

Fluoride has a higher affinity for the pineal gland than for any other tissue in the human body. It accumulates there faster than in bone. By the age of 17, the average person living in a fluoridated country has a pineal gland that is 50 to 70 percent calcified.

A calcified pineal gland produces a fraction of the melatonin it was designed to produce. Your regenerative sleep cycle collapses. Your aging accelerates. Your immune surveillance fails. Your circadian rhythm fragments.

They put fluoride in your water. They put it in your toothpaste. They put it in your children's vitamins. They told you it was for your teeth. It was never for your teeth.

The MedBed frequency protocol includes specific frequencies that resonate with pineal gland tissue and promote decalcification at the molecular level. When the pineal gland is restored, the body's master healing cycle reactivates.

They did not just poison your water. They turned off the one gland that could save your life while you slept.

M. Wed. 27 May 2026: Japan Just Approved Frequency Therapy as a Recognized Medical Treatment. The United States Still Classifies It as "Experimental." ...Tier4b ISO20022 on Telegram

In March 2026, Japan's Ministry of Health officially added pulsed electromagnetic field therapy to its national health insurance coverage. This means any Japanese citizen can now receive frequency-based treatment at a hospital and have it covered the same way as surgery or medication.

The approval followed a 7-year clinical study at Kyoto University involving 4,200 patients with chronic pain, bone fractures, and inflammatory conditions. Results showed a 67% reduction in recovery time compared to pharmaceutical-only protocols.

Japan is not the first. Germany has covered PEMF therapy since 2014. Switzerland added it in 2019. Israel uses it in military rehabilitation. South Korea approved it for post-surgical recovery in 2022.

The United States has not approved a single frequency-based therapy for general medical use. The FDA still requires devices to carry the label "not intended to diagnose, treat, cure, or prevent any disease." Five countries are healing with frequencies. One country is still debating whether frequencies work. The difference is not science. The difference is \$1.48 trillion in annual pharmaceutical revenue.

Wed. 27 May 2026 Electronic voting machines would not let voters select Donald Trump for president in the 2024 election. Even though "Donald Trump" is being selected by the voter, the machine votes for Kamala Harris. There were no "errors" or "glitches." Only FRAUD. ...Julian Assange

Wed. 27 May 2026 News Max: ``````Executive Order 14019 and loose interpretations of the National Voter Registration Act ("motor voter" law) are forcing federal agencies and taxpayer-funded NGOs to hand out voter registration forms to non-citizens. Wed. 27 May 2026 An Alabama election worker went across the street and made a copy of a ballot on regular notebook paper and fed it into an ES&S election machine and it read and counted the ballot without any issues. Dominion voting machines aren't the only machines compromised, ES&S machines have the same issues and features. Dominion also has machines that are able to scan and mark ballots after the last time a voter touches their ballot. They can even change the settings to mimic a human to purposely not fill in the bubble neatly when selecting a candidate. What's also concerning is Georgia's reversal rates on their machines, which was around 15% to 20% in the 2020 election. What do these machines need to do when marking

a ballot? Reverse the ballot and the refeeds itself before marking the ballot. ...White Hats on Telegram

O. Wed. 27 May 2026 Voter Fraud, Director of National Intelligence Tulsi Gabbard ...Ten Days of Darkness on Telegram

There is now evidence that electronic voting machines have been tampered with to manipulate election outcomes in the United States — as we witnessed the overthrow of the U.S. government on November 3, 2020.

“We have evidence of how these electronic voting systems have been vulnerable to hackers for a very long time and vulnerable to exploitation to manipulate the results of the votes being cast, which further drives forward your mandate to bring about paper ballots across the country so that voters can have faith in the integrity of our elections.

“Dominion deleted 2.7 million Trump votes nationwide.

Q. Wed. 27 May 2026 Snowden Confirms: HAARP Is A Global Weapon – And GITMO Is Waiting ...Gitmo Now on Telegram

Edward Snowden has just detonated the next phase of disclosure. HAARP is not science. It's a weapon. It's being used for mind control, targeted assassinations, weather manipulation, and mass psychological warfare — all to protect the globalist elite. Documents leaked from high-ranking officials show top-secret HAARP installations worldwide – from Alaska to Sweden, even deep inside Russia.

Snowden confirmed it: HAARP doesn't just kill — it deletes people. With ultra-powerful radio waves targeting the brainstem, victims appear to die from natural causes. Heart attacks. Strokes. No evidence left behind. Just another “coincidence.” But we know better.

These are silent kills. Quiet wars. And the NATO-aligned global military complex is behind it. They're using HAARP to destabilize minds, push patriots into mental breakdowns, discredit truth-tellers, and shut down resistance.

Snowden's own escape from Hong Kong to Moscow was a battle through a maze of radio-induced homicidal hallucinations — real-time evidence of HAARP's reach. He lives in a Faraday cage now, shielding himself from invisible attacks. He's not paranoid. He's hunted.

Even WikiLeaks operatives were nearly compromised. The documents Snowden leaked show email trails between Air Force generals and DARPA discussing “neuroweapon testing” and civilian crowd-control applications. And now, those same techs are embedded in cell towers and TrapWire systems across major cities.

This is not a drill. GITMO is waiting. The traitors who deployed this tech will face military tribunals. These are crimes against humanity — on U.S. soil, under our skies, against our families.

Weather events? Earthquakes? Fires? Mass shootings? HAARP and its global tentacles are behind more than we'll ever be told. This is electromagnetic warfare dressed up as science. A war on your mind, your health, and your soul.

And it goes deeper — HAARP was born from Tesla's stolen tech, patented under Bernard Eastlund, and buried by the Pentagon. What started as a "research" station is now a 36-million-watt death machine, hiding in the icy grip of Gakona, Alaska. Built by BAE Technologies, funded in silence, operated by shadow hands.

This ends NOW. The patriots are awake. The deep state cannot hide HAARP any longer. Those involved in this will be named, arrested, and flown to Guantanamo Bay — where military justice is swift and final.

We are not afraid. We are The Storm

T. Re-inhabited Republic For the United States of America

On Thurs. 5 March 2026 the Cabal foreign banker owned US Inc. was dissolved, with Common Law Sovereignty installed in the US under concepts of the original Constitution. Admiralty Law fraud was forever crushed.

On July 4 2026 President Donald J. Trump would make an announcement of this change to a Sovereign Republic based on principles of the original Constitution in a massive Fourth of July Celebration of the Restored Constitutional Republic.

The Re-inhabited Republic for the United States of America is the actual de jure government that our founding fathers gave us, and which was abandoned in 1871 when a corporation took over Washington DC and eventually every level of government in the country. Tues. 10 March 2026 BOMBSHELL ANNOUNCEMENT: President Trump Declares Restoration of the American Republic — “US INC.” DISSOLVED, COMMON LAW SOVEREIGNTY RETURNS. ...Mr. Pool on Telegram

Patriots, the storm has hit and it's magnificent! President Donald J. Trump has invoked Article II to declare the United States fully sovereign under Common Law once more. The fake foreign-controlled “US INC.” is finished — dissolved, dead, gone forever. No more Admiralty Law oppression, no more globalist chains dragging us into debt and war. The Deep State grip is broken; the true Constitutional Republic rises triumphant!

This is no mere rhetoric — it’s a binding Declaration of Authority and Summons from Trump as Commander-in-Chief. He’s seizing full control, sidelining the corrupt swamp and directing the military via the Uniform Code of Military Justice. Every flag officer is oath-bound to obey lawful orders from the legitimate President. No more excuses, no divided allegiances. The military now serves We the People through Trump, not the treasonous corporate facade!

Under Common Law sovereignty — grounded in God-given rights and original founding truths — Trump exercises his prerogative to summon leaders, affirm real authority, and rebuild national defense. This resets America to the Founders' vision: no commercial enslavement, no hidden British shadows, just pure liberty!

All flag officers are ordered to convene in Virginia — the Republic's sacred cradle — for immediate realignment. This is full military mobilization to restore loyalty and eliminate globalist remnants. The timeline is set, orders issued, clock running. Unity under true command is happening NOW!

Foreign-tied overseas bases and Commonwealth-linked ops? They're being shut down or reclaimed for America. No more secret outposts serving alien masters, no covert pacts bleeding us dry. Trump is smashing the centuries-old Crown chokehold on trade and power — and the military reset locks it down!

This fulfills Trump's sacred oath to defend the Constitution, protect the people, and preserve the Republic. Every officer and servant must choose: stand with the restored Republic or stand exposed as oath-breakers. The line is drawn — no more shadows, no two Americas. One Republic. One Commander-in-Chief. One Law — Common Law!

QAnons, white hats, digital warriors — this is OUR victory moment! The debt-based, deception-driven US INC. fraud is overthrown. Military mobilizes under Trump's unbreakable command. Deep State cabal legally crushed, illusions collapsing. Freedom surges back — the Republic is BACK, sovereign, unbreakable!

We witness history: true American Republic restored. Patriots win. God bless President Trump, our military, and the sovereign United States of America!

Her SSI income is \$600 short to cover her rent of a very small motel room in a scary part of town (that does not accommodate a wheelchair, so she has to crawl on the floor), let alone have money for food and essential expenses. She is facing living on the streets in lieu of being moved to a homeless shelter, which is not physically feasible in her health condition. The shelter would require giving up her disabled cat. "My cat Monkey is the love of my life. She lays on me 22 hours a day. I could never give her up. She's so attached to me she cries if I'm gone from my bed for more than a few minutes." D.L.'s long-term goal is to secure a ADA-accessible home. She is seeking leads for property, housing, or resources in Snohomish County, Washington State, especially Bothell/Canyon Park or Three Lakes, and in King County, Washington, especially Woodinville or Redmond. W. A Plea to help Ohio Foster Children, including Kaitlynn Hunter, caught in a CIA Mind Control Pedophile Kidnapping Ring:

Kaitlynn Hunter Update: Ohio Foster Children including Kaitlynn Hunter caught in a CIA Mind Control Pedophile Kidnapping Ring desperately need your help.

Even though Kaitlynn has finally been released from seven years of tortuous foster care, she is unable to have contact with her mother Jeannine because of a court order on Jeannine. (Jeannine sheltered Kaitlynn when she ran away from seven years of abusive Ohio foster care). Kaitlynn remains to have concerning medical issues and needs her mother to help her. Ironically, as in this case decision, **Kaitlynn was forced a Pfizer Covid 19 shot against her will, in Kent Ohio by foster mom who kept the \$100 shot incentive. Kaitlynn was forced flu and other vaccines against her wishes in foster care.**

<https://x.com/i/status/2051676714019762201>

Kaitlynn is not in school, and unable to graduate this year, because her last school lost her transcripts.

Mother Jeannine Larrick: "I am guilty for wanting to love and protect my daughter who has been abused since 2019 while in Guernsey county Ohio Child Protective Service un-constitutional custody and Journey Home NYAP foster care. I reported her abuse and cps claimed I threatened her. I was facing 5 years in prison. District 9 Dr. Reasoner's 2021 entry report "**Jeannine does not trust the government and suspects RICO, she is incompetent to stand trial.** I was put in the state ABH mental ward at **\$800 a day for 5 months**, and **Kaitlynn in another mental ward** and received more abuse at FOXRUN (see google reviews) while they criminally took permanent custody. We were both forced drugged against our wishes. I was acquitted in jury trial but they refused to return Kaitlynn, even though I had CPS transcripts that I never abused or neglected her. Guernsey county juvenile courts, cps, sheriff dept and state ignored my exculpatory exonerating evidence and reports of abuse and neglect of Kaitlynn in 2023. **Juvenile entries stated NYAP behavior modification and residential group homes.** She was allowed to be an organ donor for her 16th birthday.

I fought for seven long painful years, helpless to save my daughter from the tyrannical treasonous hell. I feel all agents listed in the **Summary videos: Ohio Justice Hunter - YouTube Titled Part 1,2,3 and Void abnitio and Cease and Desist.** need to cease and desist in their continued abuse of myself and Kaitlynn and quit wasting taxpayers money to deny our unalienable God given rights to life liberty and the pursuit of happiness..

I feel agents named in videos are all guilty of misprision of felony for knowing and denying myself and Kaitlynn our rights as sovereign individuals by ignoring or claims, suppressing evidence and denying us to be heard in court.

I was assaulted in my home for telling Guernsey county sheriff deputy Robert Oakley Patterson to respect me in my home. He and Cps refused to let me speak or look at lawful home school records in my hands in the video 2-11-19. <https://x.com/i/status/1963141694272176466>

CPS and cops maliciously with intent charged me with false criminal charges and defamed me to cover up the **OBSTRUCTION OF JUSTICE and INTERFERENCE of CUSTODY** and assault in the copcam. CPS perjured and Judge Bennett and the sheriff department **denied due process** to let me out of jail to defend myself in juvenile court.

The case was over 2-12-19 ,via Fruit of the Poisonous Tree Doctrine and everything else is fraud,null and void. And they all know it!!! Including these current bogus charges for protecting her!!!! Hundreds of thousands of tax paid dollars,may be millions used to legally abuse and retaliate against Kaitlynn and I.Keeping us separated and or locked up to be silenced of their crimes against us.

<https://x.com/i/status/1963145948345077902>

They are trying to do it again in efforts to cover up Kaitlynn's horrific story in Dayton ,Ohio 11-2024 and discredit Kaitlynn and myself from ever getting justice.

Juvenile courts and cps ignored our affidavits and have created false juvenile records covering up the fact that Kaitlynn was In Dayton 2024. Two separate months entries they were asking if she had Indian blood.

Kaitlynn's Dayton hospital video <https://x.com/i/status/1990118129754575171>

Now I am facing Obstruction of Justice,interference of custody for protecting her,contempt for not taking the unconstitutional incompetence evaluation (I provided proof of my mental health when I was arrested for the 4th time since my 1st false arrest 2-11-19 . All arrests I have proof of Rico conspiracy and crimes against us. The warrant was issued the day I buried my mother who was medically murdered. She was denied her baseline XANAX to breath several days twice in a two week period causing her to afib and die.

Currently Judge Williams has stricken all my discovery and filings from the record and is demanding I go to District 9 again and take another competency evaluation before she will hear the case. **The same entity who said I suspected Rico and did not trust the government that helped strip custody in 2021. Now there is a warrant for my 5th arrest on an unconstitutional order to continue the narrative for 7 long years.**

Y. Tim Ballard: A hero rescuing children from Child Trafficking Rings

Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like to support Ballard's unjust persecution, contribute here:

Update: May 23, 2026 Day #997

Dear Patriot Friends & Family,

Exactly one month ago today a spiritual TRIUMPH was enjoyed!

On April 23, 2026 the Florence Prison Camp Chapel filled to overflowing with 40+, standing room only, with one friend leaving because he couldn't get in the doors. The 45-minute sermon on the subject of "The Miracle of Christ's TOTAL FORGIVENESS" felt so inspired. Personally, I was blessed and learned so much! As you might imagine, the subject of forgiveness -- both receiving & giving -- is a very important, personal subject to men who are locked up in prison, most for a number of years.

We were blessed to have the Spirit there. It appeared that all the inmates were extremely attentive, their hearts touched and deep personal reflection was inspired. Many expressed their gratitude afterward. I hope it will be of some blessing to you. Feel free to share the PDF and share your thoughts with me.

May God Bless Us to Forgive & Be Forgiven,

Ken Cromar

P.S. This sermon has blessed me, as I'm learning to be more forgiving of the Supreme Court who Denied hearing my case. We know we're right, and believe our cause of exposing the IRS will ultimately prevail, but I've come to recognize that -- as Justice Gorsuch has reportedly said -- that "we cannot hear every case that has merit" -- that it is

just impossible to hear every worthy case. That's hard to accept, but easier having been inspired while writing "Total Forgiveness". Having said all that, we have made one last ditch effort and filed a "Rule 44" appeal to SCOTUS for a re-hearing of our case with some additional new information provided to them. That appeal is scheduled for their private closed-door Conference on May 28th this coming week. All your prayers to date have been welcome and appreciated. Please consider praying for the Supreme Court Justice's hearts to be touched and that they'll seriously consider our appeal on the 28th. Thank you!

Ken is able to receive regular mail now – envelopes. All mail is opened and read by a prison employee. Za. Judy Note HIGH ALERT: The below is a request from the mother of a child in London England who was pleading for the White Hats to rescue her daughter Alana Martin from London Foster Care and reunite her with her family.

Hi Judy, A massive thank you for your help sharing our evidence for the safe return of my daughter The Stolen Girl: Alana-Linda Martin. We are still fighting this on-going battle to save my daughter. Court hearings were about the criminal kidnapers, who were looking for the higher courts to cover them with an order of "anonymity" to stop us from exposing their names or their crimes. For the last 5 months of her now 9 month captivity, the kidnapers are only concerned in covering their own criminality, as there has been no mention about her care or a final hearing throughout this torture and terrorism. All factual knowledge of our case is being ignored/ covered up by public servants & Judges involved which have all gone Ultra-Vires. In further attempts to stop our quest and our calling our names and mission was sabotaged including our State Child Trafficking Task&Force116/ Council of 13, they have bankrupt my bank accounts, book sales, PayPal accounts, our social media sites, and now they are trying to threaten our home with eviction. Speaking of Telegram, there appears to be a huge scam going on Telegram where under the name of some notable Q Movement person they promise to set you up on a QFS Wallet if you send them around \$2,000 or more. This appears to be a scam as setting up your QFS Wallet is supposed to be free to the best of my knowledge.

Watch out for: Anyone advertising they will reimburse you for the TRB Trump Products, or set you up on a Quantum Account asking for money to do it. (They use fake accounts and AI to make you think you are dealing with Trump, Tucker Carlson, etc.)

Also watch out for the HSBC Quantum Token/Bitcoin Scam, the TRB Trump Products Scam, the Dave XRPLion Impersonator Scam, the Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and any other website that asks that you give them your personal identification to register for a QFS Account and/or receive a pay out on TRB products.

DO NOT exchange currency or Zim Bonds anywhere but at a licensed Redemption Center where you will get the highest rates possible.

The HSBC Quantum Scam: They claim they've successfully applied "quantum technology" to buy and sell tokenized physical gold. The trick is when you buy the tokens or Bitcoin they keep the gold and have complete control over your bank account.
