*As we navigate the complexities of life, there may be times when we feel unworthy to sit and dine with God's great gift of love. But as God's children, we are never too unworthy to approach Him and partake of His gracious love.*

## I Didn't Feel Good Enough, But I Was Good Enough for God

*"When I was at my lowest point I asked God how he felt about me. Am I doing the right thing? Am I a failure? His answer: "You're going to be OK. I have a plan for you. Don't worry. It'll work out." That offered me clarity and peace because I realized that I had been looking in all the wrong places for appreciation and fulfillment when in reality, I should have been looking to Him. No one has the debt of understanding, no one has the debt of Love and no one wants your success more than God does."*

**Judy Note: On Tues. 30 Sept. 2025** President Trump, as Commander In Chief and under Article II of the US Constitution, declared the Restoration of the American Republic, Common Law Sovereignty and Martial Law, while he dissolved the privately owned by Deep State Satan Worshipping treasonous Cabal bankers' corporation, US Inc.

**Now a Code Red has sounded;** the Emergency Broadcast System, activated; eight hour Starlink Test, completed; Nesara Gesara freedom from debt laws, active; Quantum Financial System payments, live; Redemption Centers, open.

**It's the Beginning of a New Golden Age;** End of Poverty; End of Debt.

**It all goes back to Tues. 30 Sept. 2025 in Virginia.** President Trump, as Commander In Chief and under Article II of the US Constitution, declared the Restoration of the American Republic, Common Law Sovereignty and Martial Law, while he dissolved the privately owned by Deep State Satan Worshipping treasonous Cabal bankers' corporation, US Inc.

**From that day forward,** by lawful command under the Uniform Code of Military Justice (UCMJ), every flag officer of the United States Armed Forces by oath and by law, was bound to obey lawful orders of Commander In Chief Donald Trump.

**All military outposts and operations abroad** that were established under British Commonwealth or foreign dominion would be lawfully closed or transferred, securing America's independence in full.

**The U.S. was now a sovereign Constitutional Republic** — no more foreign rule. The era of foreign manipulation, unconstitutional governance, and globalist occupation was over.

**This Declaration of Authority and Summons,** issued and signed directly by Trump, marked the end of Admiralty Law rule and the rebirth of the Constitutional Republic.

**Trump invoked Common Law Sovereignty**, which predated modern legal systems — rooted in natural law and God-given rights. This placed him in legal alignment with the founding principles of America, not corporate statutes.

**Trump ended foreign control over U.S. military assets.** Bases, operations, and agreements made under British/Commonwealth rule — such as those from post-WWII arrangements were revoked.

**The fraudulent structure of “US Inc.”** — created to enslave America under foreign debt, Admiralty courts, and endless war — was officially declared defunct. Common Law was reestablished. The Deep State was now legally overthrown. **Sun. 3 May 2026: BREAKING UPDATE: President Trump Declares the Restoration of the American Republic — “US INC.” DISSOLVED, COMMON LAW SOVEREIGNTY RETURNS - amg-news.com - American Media Group**

**Judy Note: So many have been victimized,** even killed by the Deep State Cabal. A prime example were the victims of manmade fires of Maui Hawaii – who after three years of homelessness were now undergoing even more abuse.

**Fri. 24 April 2026 Maui Hawaii's former Chief of Staff** has filed a new lawsuit against Mayor Richard Bissen and the County of Maui alleging grant fraud, retaliation, and wrongful termination – and the tormented native Hawaiians who were still homeless and jobless from Aug. 2023 fires, were being made to pay for thousands in legal fees.

**It wasn't enough that apparently the Deep State sent DEW bombs** that disseminated Lahaina and other native villages on the island of Maui Hawaii on **8 Aug. 2023**. It was highly suspected that the culprits wanted to use the very valuable land – that was the Capitol of the native's Kingdom of Hawaii – to build a “Smart City” where the Cabal could control the population.

**It wasn't enough that many native Hawaiian children and adults** were burned alive and outright killed by FEMA workers during the manmade fires, while over 1,200 children and teens went missing and were still unaccounted for.

**It wasn't enough that the fires destroyed 2,207 homes** and displaced over 5,000 victims, 4,500 of whom were still homeless, with over 2,500 victims still living on the beaches three year later.

**It wasn't enough that donated money** was used to build a handful of temporary homes – that the Democratic government charged high fees for victims to rent.

**It wasn't enough that the Democratic government** funding to feed homeless victims ran out years ago.

**It wasn't enough that the Democratic government** has only allowed 169 homes to be rebuilt, with 2,038 not rebuilt, while only 310 have been allowed to go through the permit process and 1,728 unaccounted for.

**It wasn't enough that the homeless natives** were being refused permits to build on their own land handed down to them from their forefathers because the Democratic government wouldn't recognize their deeds to the land.

**No, that wasn't enough for the Democratic government.** Now Maui's mayor Richard Bissen has been brought into court charged with grant fraud. Back in March of 2024 Bissen was tied to a grant for more than \$45,000 for a company that didn't exist and another grant of almost the same amount that went to his personal family.

**As nations teeter on the precipice of political and military maneuvers**, the world watches closely. In an era of disinformation and stealth, a pattern of global power shift emerges from the shadows.

**The United States deployed seven naval fleets consisting of 180 to 350 warships across 22 time zones.** The number of Marines entering key operations has surged. Over 24 African countries have shifted allegiance to Russia, forming alliances and distancing from the UN and NATO backers.

**Putin has declared the end of the New World Order**, with the Wagner Group deployed to challenge Western bases in Africa.

**These events connect to the Deep State exposure.** The recent U.S. elections were a strategic military operation to uncover corruption. Trump's Executive Orders against interference are now in play with military protocols. The Biden administration is viewed as operating a fallen U.S. Corporation dismantled under Trump.

**The CIA and allied intelligence agencies** have controlled governments alongside banking elites. Facing collapse, the deep state engineers global chaos. Military coups in over 30 nations, blackouts, and breakdowns are anticipated. White hat forces have plans to restore order quickly during this scare necessary event.

**A coalition of White Hats including Donald Trump, Elon Musk, Joe Rogan, and RFK Jr. is unleashed against child trafficking.** The next ten months will bring revelations that alter history. Operations will dismantle the rings through raids and alliances.

**Epstein's files will expose ties to the Bidens, Ukraine, CIA, MI6, and Mossad.** Evidence was secured early by special forces. Obama, Trudeau, and Hollywood figures face exposure of their secret connections and double lives.

**The U.S. Corporation is done and fallen under White Hat Military control.** Global politicians realize they were manipulated in elections and crises. Billionaires join the Great Awakening Movement with military alliances to counter deep state plans on viruses, climate, and AI.

**As the storm builds, arrests and truths accelerate.** This pivotal battle ends the human trafficking epidemic and the old order. Justice prevails as truth reshapes the world.

**K. Sun. 3 May 2026 Taylor Swift: A Snake's Twisted Tale • Tranny • Trafficking • Satanism • Murder • Bohemian Club** ...Jim Caviezel on Telegram

**Taylor Swift’s global fame may seem innocent** on the surface, but a darker theory suggests she is not just a pop icon—she’s allegedly the clone of Zeena LaVey, daughter of Anton LaVey, the founder of the Church of Satan. The idea is simple: to spread satanic influence, you need a beloved figure like Swift to capture millions of fans who unknowingly follow. But this theory goes further, linking Swift to a much broader conspiracy involving satanism, trafficking, and hidden elite societies.

**The claim that "the first indictment will trigger a mass POP awakening"** points to Taylor Swift as the first domino to fall in a chain of revelations. It's suggested that her fall will expose a hidden world of dark influences controlling the entertainment industry and beyond.

**Taylor Street in San Francisco**, allegedly connected to the Church of Satan and the Bohemian Club, is central to this theory. The Bohemian Club, a known gathering place for elite members of society, has long been rumored to be involved in occult rituals. Some believe this street is part of a larger satanic grid, tying places like Grace Cathedral and the Golden Gate Bridge to hidden, sinister activities.

**The Golden Gate Bridge**, infamous for the number of suicides that have occurred there, is portrayed in this narrative as more than a tragic site. The suggestion here is that these are not just suicides but sacrifices covered up by the media. The bridge is said to be at the heart of an underground trafficking network, part of a wider conspiracy involving elite institutions like the Bohemian Club.

**Further deepening the conspiracy, Taylor Street** is said to merge into 6th Street near Folsom Prison, where Johnny Cash famously sang "Ring of Fire," a song that, in this theory, was actually a warning. The theory connects this to Operation Mockingbird, a CIA initiative allegedly using media, including music, to control public thought.

**Following this twisted web**, the narrative takes a darker turn with the idea that children are trafficked along hidden underground routes, drawing eerie parallels to the "Yellow Brick Road" from The Wizard of Oz. These routes supposedly run from Alcatraz, through San Francisco, and into the Bohemian Club, where the elite carry out their nefarious deeds. The idea of the Golden Gate Bridge's collapse symbolizes not only a literal disaster but also the exposure of these hidden truths.

**As the Great Awakening narrative continues**, Nuremberg Trials 2.0 are said to begin on November 20. This event is framed as a moment of reckoning for the elites, suggesting that the Golden Gate Bridge's fall will reveal the bodies and tunnels beneath it, exposing the secrets the powerful have kept hidden for so long.

**In this story, the fall of Taylor Swift** and the Golden Gate Bridge also marks a shift in the financial system, with a move to XRP currency, backed by gold. The bridge's collapse signals the start of this new era, and with it, the end of the elite's unchecked control. Swift's death, real or symbolic, is portrayed as the catalyst for this economic transformation.

**L. Sat. 2 May 2026: Putin Rescues hundreds of severely abused Children out of Ukraine Underground Tunnels ...Mr. Pool on Telegram**

**Russian soldiers are describing finding children** with fragile, emaciated bodies hooked up to intravenous drips while their bodies were expertly drained of blood and adrenal fluid for the global adrenochrome trade.

**The Adrenochrome industry in Ukraine** is larger than previously expected and Putin is determined to use the leads generated to destroy the global adrenochrome supply chain and punish those committing crimes against children – including the politicians and celebrities who are hooked on the drug he calls “the devil’s work.”

**According to a member of the Adrenochrome Task Force**, these factory farms are the sites of ritual sexual abuse, physical degradation and psychological torture.

**“You know, I thought I’d seen it all.** I’ve been in combat for years, seen comrades fall, dealt with the worst humanity has to offer. But nothing, nothing, could prepare me for what we found in Donetsk.

**“We were told we’d be liberating children...** I didn’t understand the scale of what that meant until we got there. We were clearing out this complex, a grim place... like a gulag or a Nazi death camp, but worse. Much worse. The walls were gray, cold, and damp. The air... it stank of decay and something nauseating... something I can’t describe. And then we found them. The children.

**“They were... like ghosts.** Skin and bones. Their bodies, they looked so fragile, almost transparent. I could see the outlines of their ribs, every bone in their tiny hands. They had tubes coming out of them, tubes that drained their blood, their adrenal fluids... for what? For some sick trade, some twisted demand from the West.

**“There were hundreds of them,** just lying there in these rows of metal cots. No blankets, no warmth. They didn’t even flinch when we burst in, no fear, no hope... Just emptiness in their eyes. Some were too weak to even look at us. They were so used to the pain, the torment, they didn’t even react.

**“And the worst part? The youngest...** some of them couldn’t have been more than 2 years old. Babies, really. We found out later that they were bred for this... Raised in captivity, like livestock, just to be drained of everything that made them human.

**“The ones they couldn’t sell,** the ones who weren’t ‘pretty’ enough or ‘obedient’ enough, were sent to these farms. Farms... as if that’s what you could call those hellholes.”

**N. Sun. 3 May 2026 CODE RED: STARLINK EBS SYSTEM ACTIVATED — 8-HOUR TEST CONFIRMS NEW NATIONAL COMMUNICATION GRID ...Tier4b Martial Law on Telegram**

**The Emergency Broadcast System has entered a new phase** with extended test runs across the Starlink satellite network. These eight-hour operations mark the transition toward a direct communication infrastructure that bypasses traditional ground-based systems and centralized media channels.

**At its core, this shift represents more than just a technical upgrade. It signals the move toward a decentralized, high-speed communication network** capable of delivering alerts and information directly to devices without reliance on legacy infrastructure. In economic terms, this reduces systemic vulnerability tied to outdated networks and opens the door for a more resilient national communication backbone.

**The previous system depended heavily on terrestrial networks,** corporate media pipelines, and centralized control points. These layers created inefficiencies, delays, and exposure to both internal mismanagement and external interference. The integration of Starlink changes that structure completely.

**With satellite-based transmission, communication becomes faster, more secure, and significantly harder to disrupt.** Low-latency connectivity ensures real-time data flow, while distributed infrastructure minimizes the risk of total system failure. This is critical not only for emergency messaging but also for financial stability, logistics coordination, and national operations.

**The eight-hour test cycles are designed to simulate full-scale activation scenarios.** These runs validate signal strength, device compatibility, and nationwide coverage across urban and rural regions. From an operational standpoint, this ensures continuity in critical situations, including disruptions to traditional infrastructure or high-demand crisis events.

**The economic implications are substantial.** A stable and secure communication network directly supports supply chains, transportation systems, energy coordination, and financial transactions. Any disruption in these sectors carries massive economic cost, which is why infrastructure resilience has become a top priority.

**Another key impact is equal access.** Satellite distribution removes geographic limitations, giving rural and previously underserved areas the same level of connectivity as major urban centers. This creates a more balanced economic environment, where information flow is no longer concentrated in specific regions.

**For industries such as agriculture, logistics, and energy, this means faster response times, better coordination, and improved efficiency.** In a broader sense, it strengthens national productivity by ensuring that all sectors operate on the same communication level.

**The rollout also reflects a wider strategic shift** toward independent infrastructure. By reducing reliance on external systems and outdated networks, the country moves toward greater operational control and long-term stability.

When they got inflamed, the standard procedure was simple: cut them out. Millions of people had their body parts removed because doctors said they didn't need them.

**They were wrong.** In 2007, researchers at Duke University discovered the true purpose of the appendix. It is a safe house for beneficial bacteria. When a severe illness flushes your gut microbiome, the appendix releases its reserves to reboot your digestive system.

**R. Sun. 3 May 2026 BOOM! Exposed: How the Deep State Shields Hillary Clinton! Secret GITMO Trials and the Elite's Desperate Cover-Up: U.S. Code 2071 ...EBS Donald J. Trump on Telegram**

**The Deep State continues to shield Hillary Clinton** from accountability, but justice appears to be unfolding in secret military tribunals at GITMO. This uncovers hidden trials, deep corruption, and the elite's desperate cover-up of her crimes under U.S. Code 2071.

**Hillary Clinton's private email server scandal** revealed her mishandling of classified information and disregard for United States security. This goes beyond politics as a direct threat to the republic ignored by the system.

**Title 18, Section 2071 of the U.S. Code states that willful concealment or destruction of federal records results in disqualification from holding any public office.** The law is clear, yet it has not been enforced against Clinton despite irrefutable evidence.

**Americans have been hoodwinked by this hypocrisy** and cover-up. The situation calls out the failure to maintain integrity in the political system.

**The private server was a deliberate move to evade oversight.** Classified national security details flowed through it, risking enemy access. Labeled careless by investigators, the actions violated 18 U.S. Code § 2071 and should have ended her career.

**Deep State complicity protected Clinton** as the Washington machine looks after its own. Agencies like the FBI had grounds to act but chose elite loyalty over justice, creating a rigged system.

**Theories indicate that Clinton and other elites face military tribunals** at Guantanamo Bay for treason and crimes against humanity. These secret proceedings deliver justice away from public eyes and compromised courts.

**Many believe the military works quietly** to avoid unrest while dismantling threats to the republic one by one. This silent operation targets those who betrayed the nation.

**There is no room for traitors in America.** Guilty parties deserve the full consequences to restore the rule of law and deter future betrayals.

**Hillary Clinton's legacy is corruption** and deceit toward the American people. The U.S. Code demands her disqualification, but protection from the elite persists. Citizens demand an end to the double standards.

**It is time to root out government corruption** and restore integrity. Without accountability, the rule of law will fail, threatening the republic.

**In his historic speech,** Kennedy exposed the WHO's failures during the COVID pandemic and declared that American health policy will no longer answer to unelected foreign officials. This move reclaims national sovereignty, ends U.S. funding, and reshapes global health leadership away from globalist overreach.

**Robert F. Kennedy Jr.** confirmed the formal exit that cuts the cord binding America to unaccountable global health power. He voiced what citizens have felt since 2020: these institutions serve elites rather than the people.

**Kennedy framed the choice** as one of independence and sovereignty. The decision frees public health policy from a broken system mired in bureaucracy, conflicts of interest, and power politics.

**The WHO lost its way long ago.** During the COVID pandemic, its failures were deadly, with collapsed transparency and zero accountability. Citizens paid the price through harmful mandates from distant officials.

**President Trump began the withdrawal** early in his second term. RFK Jr. completed this step, ensuring health policy serves Americans first.

**Protecting Americans is the priority.** HHS has bolstered biosecurity, improved surveillance and preparedness, and expanded rapid response without outside institutions.

**All funding has ceased** and U.S. personnel have withdrawn. Engagement is limited to finalizing the separation and safeguarding the nation.

**America will drive global health solutions** with innovation and leadership focused on people, without WHO submission. This is leadership without compromise.

**The decision honors those who suffered:** families torn apart, businesses destroyed by mandates, and individuals harmed by unaccountable directives.

**This shatters illusions of global consensus** and restores accountability. It deals a severe blow to power structures by removing U.S. support.

**Other countries may follow as citizens demand sovereignty.** The WHO's influence wanes, and the pandemic treaty faces collapse. RFK Jr. positions the U.S. as an independent leader favoring national control over global obedience.

**The Epstein Files Transparency Act signed by President Trump on November 19, 2025,** forced the release of millions of pages of records in early 2026. These documents expose the trafficking network supplying underage girls to elites for sex and blackmail.

**Flight logs, island visitor records,** payment ledgers, and emails prove the systematic abuse of American children. Trump demanded unredacted files. The military builds cases for Gitmo tribunals without civilian interference. Convictions lead to execution within 48 hours by firing squad or lethal injection on Trump's orders.

**Lists of participants come from the unredacted files.** Manifests show repeated trips with minors. Logs place them at the island during abuse. Records track exploitation payments.

**These pedophiles compromised U.S. sovereignty** with favors for open borders, wars, and harmful policies. Tribunals see their actions as treason against the republic and its children.

**Bill Clinton** heads the list with dozens of Lolita Express flights and island visits while advancing globalist agendas.

**Prince Andrew** has testimony evidence of abusing trafficked minors on U.S. soil.

**Les Wexner** financed the entire operation as a co-conspirator.

**Bill Gates** communicated directly with Epstein on meetings and logistics after the conviction.

**Leon Black paid millions for access.** Ehud Barak visited multiple times. Kevin Spacey, Chris Tucker, and Richard Branson link to the network in records.

**Additional names include hedge fund operators** and recruiters with ties. The list grows with cross checks.

**Military tribunals use victim testimony** of young girls transported for exploitation to gain leverage.

**Trump banned Epstein from Mar-a-Lago** and the files confirm his non-involvement.

**Tues. 10 March 2026 BOMBHELL ANNOUNCEMENT: President Trump Declares Restoration of the American Republic — “US INC.” DISSOLVED, COMMON LAW SOVEREIGNTY RETURNS. ...Mr. Pool on Telegram**

**Patriots, the storm has hit and it's magnificent!** President Donald J. Trump has invoked Article II to declare the United States fully sovereign under Common Law once more. The fake foreign-controlled “US INC.” is finished — dissolved, dead, gone forever. No more Admiralty Law oppression, no more globalist chains dragging us into debt and war. The Deep State grip is broken; the true Constitutional Republic rises triumphant!

**This is no mere rhetoric — it's a binding Declaration of Authority** and Summons from Trump as Commander-in-Chief. He's seizing full control, sidelining the corrupt swamp and directing the military via the Uniform Code of Military Justice. Every flag officer is oath-bound to obey lawful orders from the legitimate President. No more excuses, no divided allegiances. The military now serves We the People through Trump, not the treasonous corporate facade!

**Under Common Law sovereignty** — grounded in God-given rights and original founding truths — Trump exercises his prerogative to summon leaders, affirm real authority, and rebuild national defense. This resets America to the Founders' vision: no commercial enslavement, no hidden British shadows, just pure liberty!

**All flag officers are ordered to convene in Virginia** — the Republic's sacred cradle — for immediate realignment. This is full military mobilization to restore loyalty and eliminate globalist remnants. The timeline is set, orders issued, clock running. Unity under true command is happening NOW!

**Foreign-tied overseas bases and Commonwealth-linked ops?** They're being shut down or reclaimed for America. No more secret outposts serving alien masters, no covert pacts bleeding us dry. Trump is smashing the centuries-old Crown chokehold on trade and power — and the military reset locks it down!

**This fulfills Trump's sacred oath to defend the Constitution**, protect the people, and preserve the Republic. Every officer and servant must choose: stand with the restored Republic or stand exposed as oath-breakers. The line is drawn — no more shadows, no two Americas. One Republic. One Commander-in-Chief. One Law — Common Law!

**QAnons, white hats, digital warriors** — this is OUR victory moment! The debt-based, deception-driven US INC. fraud is overthrown. Military mobilizes under Trump's unbreakable command. ## **Zh. Tim Ballard: A hero rescuing children from Child Trafficking Rings**

**Tim Ballard has worked undercover in the US** and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. **Zj. Judy Note HIGH ALERT: The below is a request from the mother** of a child in London England who was pleading for the White Hats to rescue her daughter Alana Martin from London Foster Care and reunite her with her family.

**Hi Judy,** A massive thank you for your help sharing our evidence for the safe return of my daughter The Stolen Girl: Alana-Linda Martin. We are still fighting this on-going battle to save my daughter. Court hearings were about the criminal kidnapers, who were looking for the higher courts to cover them with an order of "anonymity" to stop us from exposing their names or their crimes. For the last 5 months of her now 9 month captivity, the kidnapers are only concerned in covering their own criminality, as there has been no mention about her care or a final hearing throughout this torture and terrorism. All factual knowledge of our case is being ignored/ covered up by public servants & Judges involved which have all gone Ultra-Vires. In further attempts to stop our quest and our calling our names and mission was sabotaged including our State Child Trafficking Task&Force116/ Council of 13, they have bankrupt my bank accounts, book sales, PayPal accounts, our social media sites, and now they are trying to threaten our home with eviction. Janine Linehan, Captain, State-Child-Trafficking-Task&Force116, and from the Council of 13. WWG1WGA.

## **Zk. Watch Out For Scammers:**

**Upon implementation of the Global Currency Reset** the Cabal will be losing their money supply and they are hot and heavy to SCAM anyone in any way they can.

**Judy Note:** There are 84 platforms on Telegram under my picture and name Judy Byington. Be aware I have NO platform on Telegram. I do not write on Telegram. Anything written under my name on Telegram was not authored by me.

**Speaking of Telegram,** there appears to be a huge scam going on Telegram where under the name of some notable Q Movement person they promise to set you up on a QFS Wallet if you send them around \$2,000 or more. This appears to be a scam as setting up your QFS Wallet is supposed to be free to the best of my knowledge.

**Watch out for:** Anyone advertising they will reimburse you for the TRB Trump Products, or set you up on a Quantum Account asking for money to do it. (They use fake accounts and AI to make you think you are dealing with Trump, Tucker Carlson, etc.)

**Also watch out for** the HSBC Quantum Token/Bitcoin Scam, the TRB Trump Products Scam, the Dave XRPLion Impersonator Scam, the Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and any other website that asks that you give them your personal identification to register for a QFS Account and/or receive a pay out on TRB products.

**DO NOT exchange currency or Zim Bonds** anywhere but at a licensed Redemption Center where you will get the highest rates possible.

**The HSBC Quantum Scam:** They claim they've successfully applied "quantum technology" to buy and sell tokenized physical gold. The trick is when you buy the tokens or Bitcoin they keep the gold and have complete control over your bank account.

**Report your TRB Scam experience to:**

**Victims of the TRB Scam, Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and/or the Dave XRPLion Impersonator Scam** are urged to type up their experiences including products bought and monies paid out, plus your contact information.
