Judy Note Mon. 4 May 2026: The Countdown has begun. **In 24 hours** the White House was expected to trigger the Emergency Broadcast System – or not. At any rate, it was coming soon.

This was not the end, it was a New Beginning. After the Ten Days of Darkness, the World would never be the same: new Republic, new Economy, new Legal System, new Health System, new Political System and new Education System.

President Trump has declared the Restoration of the American Republic and dissolved US Inc, returning the Sovereignty of Common Law.

In a historic move, President Donald J. Trump has invoked his authority under Article II of the U.S. Constitution. He has declared “US Inc.” dissolved and restored America as a sovereign Constitutional Republic under Common Law. The era of foreign-controlled corporate rule, globalist occupation, and Admiralty Law is over. Patriots know this represents the dismantling of the very system that has enslaved the country through debt and deception for generations. **Mon. 4 May 2026: [BREAKING UPDATE: President Trump Declares the Restoration of the American Republic — “US INC.” DISSOLVED, COMMON LAW SOVEREIGNTY RETURNS - amg-news.com - American Media Group](#)**

The Declaration of Authority and Summons, issued and signed by Trump, is legal, binding, and active. It marks the rebirth of the Republic the patriots have long fought to restore. This is the fulfillment of what many have prayed and worked toward in silence.

President Trump has reasserted command over the military. Under the Uniform Code of Military Justice, all flag officers are bound to obey the lawful orders of the Commander-in-Chief. This bypasses corrupt channels and directly realigns the armed forces with true constitutional principles.

Drawing on sovereign rights under Common Law, rooted in natural law and God-given rights, Trump returns the nation to its founding principles beyond corporate statutes. This shift empowers the people and removes the legal fictions that allowed external control.

All flag officers are summoned to assemble in Virginia on October 25, 2026. This assembly in the Republic's birthplace reaffirms allegiance and restores military unity under Constitutional authority, away from Deep State influence. It is a key step in securing the future of the nation.

Trump has directed the closure or transfer of military outposts abroad tied to British Commonwealth contracts. This ends foreign control and resets U.S. military operations to serve American interests exclusively.

The order upholds the President's duty to the Constitution and the people. Officers and servants must choose the Republic or face treason consequences for failing to honor their oaths.

The "US Inc." fraud, built on debt slavery and endless wars, is defunct. Common Law is reestablished. The military realigns with Trump. The Deep State is legally overthrown at last.

This is the moment of victory for patriots. The Republic returns, sovereign and free once more. America stands independent under true Constitutional rule, bringing hope and renewal to all who love this country.

The Old Word of Satan Worshipping, Child Sacrificing foreign bankers was disappearing as their fiat Federal Reserve US Dollar died – they just hadn't had the funeral yet – though, Trump had scheduled it for **Fri. 15 May 2026.**

To commemorate the beginning of a Golden Age, rolling Worldwide Emergency Broadcast System (EBS) broadcasts were set to begin at **midnight Sat. 16 May 2026**, followed by ten to twelve days of blackout and temporary Martial Law while Trump's Global Military Alliance made mass arrests of more Satan Worshipping pedophiles.

"Expect a Worldwide financial crash, fiat US Dollar, banks closing, ATMs not working. It's advised to take money out of your failing bank before the bank freezes your account.

"With Nesara/Gesara full activation the great debt wipeout has begun. One of the Cabal's biggest banks was gone. Doors were sealed at midnight, assets frozen, executives vanished into Military custody. No statement. No explanation. Just silence.

Global Currency Reset:

D. Mon. 4 April 2026: OFFICIAL! WHITE HAT MILITARY TAKES CONTROL OF GLOBAL MONEY SYSTEM — NESARA ACTIVE, QFS PAYMENTS LIVE, REDEMPTION CENTERS OPEN, TRILLIONS RELEASED ...JD Vance on Telegram

White Hat military forces have seized full operational command of the global financial redemption. They direct the release of trillions in asset-backed funds across 209 nations, dismantling the old fiat debt system and installing the Quantum Financial System as the unbreakable backbone of sovereign economies.

This process strips power from central banks that bled American citizens for generations. The QFS operates on quantum-secured ledgers that reject manipulation, usury, and hidden taxation. Every redemption transaction traces in real time, shielding patriots and everyday workers from the theft that funded endless wars and bureaucratic empires.

President Trump's team coordinates this with military precision. Secure channels routed the final triggers, bypassing compromised institutions to deliver immediate liquidity to aligned nations.

America's 250th anniversary on July 4, 2026, marks the public unveiling. Trump prepares a declaration that restores constitutional money and ends the private Federal Reserve's stranglehold. This date delivers the decisive blow against globalist control and returns economic sovereignty to the people who built this republic.

NESARA activates the framework that cancels illegitimate debt, abolishes the income tax on wages, and returns seized wealth to American families. **GESARA** extends the same protections worldwide. White Hats have released initial tranches with funds flowing into redemption accounts and sovereign treasuries right now.

The old system collapses under its own weight while the new one stands operational and defended by military assets. Trump's preparations tie directly into this reset through public events celebrating restored freedom alongside tangible prosperity.

The Deep State can no longer suppress this transition via controlled media and financial gatekeepers. Military oversight ensures American citizens receive priority protection while the bureaucracy that enriched itself at their expense is starved. This fulfills the America First mandate.

Sovereignty returns to the people. Citizens reclaim control over their labor, land, and future. The global currency reset completes under White Hat direction, and July 4, 2026, will etch this victory into history.

Judy Note: We have been told that Wells Fargo, which is controlled by the Chinese Elders – (the ones who own the gold behind the Global Currency Reset) – will send out emails to currency and bond holders worldwide telling them how to set redemption & exchange appointments. It is advised to exchange/redeem your foreign currency at an official Redemption Center (RC) rather than a bank. You can only redeem Zim at a RC, the Dinar Contract Rate can only be given at a RC and banks will offer you lower exchange rates than what you can obtain at a RC. You can only set up your new wallet (bank account) at a RC. It was my understanding that most banks were under control of the Cabal and would soon play a different roll in the Global Financial System.

E. Mon. 4 May 2026 PROJECT FREEDOM BEGINS FREEDOM-ACTIVE / QFS-GOLD / ...TIER4B-72H <https://t.me/AXIOS4B>

Trump posted one sentence on Truth Social that shook every intelligence agency on Earth: "The United States will guide ships from neutral and innocent countries out of the Strait of Hormuz, starting **Monday 4 May 2026.**"

65 days. That's how long Iran held the world's most critical waterway hostage. 40% of global oil passes through Hormuz. Hundreds of ships trapped. Crews starving. Two vessels hit by projectiles this week. Iran called it a ceasefire violation. Trump didn't respond.

He named it PROJECT FREEDOM. Here's what CNN won't tell you: There are 3 vessels in that strait that don't carry oil. They carry physical gold bullion — \$38 billion worth — transferred from Saudi Arabia and the UAE to the U.S. Treasury under a classified agreement signed in March. That gold is not for Fort Knox. It's for the QFS reserve ledger.

The Quantum Financial System cannot activate without verified physical backing. Digital currency without gold is just another fiat scam. Trump knows this. The Saudis know this.

Iran didn't block Hormuz to fight America. Iran blocked Hormuz because someone told them what was on those ships.

Think about it. 65 days of blockade. The entire global economy strangled. Oil at record highs. And Trump waited. Patiently. Until the Navy was in position. Until the escort route was secured. Until every submarine in the Fifth Fleet was between those ships and the Iranian coast.

Tomorrow morning, those ships move. When the gold arrives at the U.S. Treasury — the QFS ledger locks.

TIER 4B notifications begin within 72 hours of confirmation.

This was never about oil. This was never about Iran. This was about moving the gold that backs YOUR wealth from one side of the world to the other — under military escort.

Saint-Jean-sur-Richelieu: Training of Ukrainian Officers, Members of the Nazi Azov Brigade. - Scott Taylor, Esprit de Corps (Canadian Army).

Here is a proof, among many others, that we are being led by Nazis, Zionists, and members of so-called Secret Societies throughout Canada, and this has been the case since the very beginning of this FAKE country that's still called Canada!!!

It's no surprise that the Canadian Army has never served any Canadian since Canada's first existence, but only the British Nazi Zionist Empire and its Evil interests !!! ...

Last Wednesday, the Ottawa Citizen ran the headline: "Officer from neo-Nazi-linked Ukrainian unit received military training in Canada.

Sources say Defense Minister David McGuinty was unaware the Azov Brigade soldier had been invited to RMC Saint-Jean." While admittedly a bit sensationalist, this headline revelation wasn't quite as surprising as it should have been.

According to the Citizen's story, a non-commissioned officer from the notorious Azov Brigade of the Ukrainian Armed Forces (UAF) recently completed a leadership course at the Royal Military College Saint-Jean in Quebec.

Those familiar with the operational duties of the Canadian Armed Forces will know that Canada has been training the UAF since 2016 as part of NATO's Operation Reassurance.

This training took place in Ukraine until the Russian invasion in February 2022, at which point the Canadian instructors were withdrawn.

After a brief suspension, Canadian UFA training resumed, but in the United Kingdom and Poland.

This mission continues to this day, and to date, Canada has trained some 30,000 UAF soldiers.

It's therefore not surprising that Canadians are training Ukrainians. What makes this story noteworthy is that the Ukrainian attending the three-week leadership course in Quebec is a member of the Azov Brigade.

This unit was founded as a militia in 2014 following the Maidan uprising in Kyiv and the subsequent separatist clashes in the Donbas region of eastern Ukraine.

Its core element was the football fans of the city of Mariupol, which straddles the Sea of Azov, hence its name. Azov was first a battalion, then a regiment, and now it's a brigade.

From the outset, Azov has been considered a neo-Nazi organization with a fanatical nationalist ideology.

International news outlets have reported warning signs such as Azov symbols rooted in actual Nazi imagery from World War II.

A number of Azov members openly displayed swastikas. Although Azov was officially incorporated into the Ukrainian National Guard on [date], it remains an autonomous and independent unit.

In 2018, in response to the notorious unit's well-publicized neo-Nazi ties, the U.S.

Congress prohibited the transfer of any funding, weapons, or training to the Azov Battalion.

In 2017, the Canadian Joint Task Force in Ukraine produced its own assessment of the Azov Battalion, acknowledging its adherence to Nazi ideology. Several Azov members described themselves as "Nazis," Canadian officers warned in a briefing note later obtained by the Ottawa Citizen. <https://www.espritdecorps.ca/on-target-4/on-target-dnd-say-one-thing-do-another>

Nevertheless, in June 2018, a Canadian colonel and diplomats met with members of the Azov Battalion.

Naturally, the Azov Battalion posted images of the meeting on its social media pages and stated: "Canadians express hope for more fruitful cooperation."

This event went unreported until November 2021, when the Ottawa Citizen ran the headline: "Canadian officials who met with Ukrainian unit linked to neo-Nazis feared being exposed by news media documents." So, meeting with known Nazis was acceptable as long as the media didn't find out. I get it.

Once the story broke, the Department of National Defence issued a very clear statement. It read: "The Department of National Defence and the Canadian Armed Forces strongly oppose the glorification of Nazism and all forms of racism, racial discrimination, xenophobia, intolerance, and extremism.

Our official position remains that we do not and will not provide support to Azov and affiliated entities." [...] For many observers, Azov's tenacity on the battlefield has somehow atoned for the fundamental fact that, at their core, they are still neo-Nazis.

The Canadian Armed Forces, however, have not relinquished their resolve. In March 2022, Lieutenant-Colonel André Salloum noted in an email that questions about Canada's ties to Azov "have been troubling us for years.

It is true that Azov has been brought into the NGU (National Guard of Ukraine), but we do not train them because they are fanatics and we do not share their values," Salloum added. Salloum's comments were reported in 2024 by the online investigative publication The Maple, which obtained the documents through an access to information request. [...]

For his part, the Minister of National Defense, David McGuinty, told the Ottawa Citizen: "At no point did Canada's mandate include training members of the Azov Battalion.

We have strengthened our policy to prevent any recurrence and remain firmly opposed to Nazism, racism, and all forms of extremism, while promoting human rights and the rule of law in all international engagements.”

This statement reeks of Orwellian logic, where categorical official denials contradict what is actually happening. We just trained a member of Azov. The Ukrainians sent a member of Azov to Canada, and given the lack of consequences, they will likely do it again.

Kudos to those soldiers who blew their whistles and who will now probably face an investigation for "disloyalty" to the CAF for embarrassing the institution with its own hypocrisy.

Ask yourself who's really running Canada at this time and the province of Quebec since there are two levels of government in this province ALONE !!!

H. Mon. 4 May 2026 BOMBSHELL: Trump Considers Pardoning Assange & Snowden — THE DEEP STATE'S WORST NIGHTMARE JUST GOT REAL! ...Juan O Savin (JFK Jr.?) on Telegram

President Donald J. Trump is reportedly considering full pardons for Julian Assange and Edward Snowden. High-level sources suggest he may bring these truth-tellers into U.S. intelligence roles to help dismantle the Deep State from within. This bold move threatens to shake Washington to its core.

A senior Trump official, speaking off the record, called these men heroes who exposed the truth when no one else dared. The official noted that they may finally be coming home to serve the nation once more.

According to sources, Trump may appoint both as senior intelligence analysts tasked with exposing corrupt networks that have controlled America's institutions for decades.

Tulsi Gabbard, a fierce opponent of mass surveillance and government lies, is said to be leading parts of this historic intelligence reform.

Julian Assange revealed war crimes, regime change operations, and the true face of the military-industrial complex. Edward Snowden exposed illegal NSA mass surveillance programs targeting U.S. citizens. Their only offense was shining light on government misconduct.

They endured exile, harsh conditions, and isolation under the Obama-Biden administration. That era saw privacy sold to Big Tech and endless wars built on deception.

Tables are turning with President Trump in charge. Pardons combined with new roles inside intelligence would turn the tables dramatically on entrenched powers.

With Gabbard's leadership, this marks a rebellion within the system itself. Truth is taking charge at last.

The Obama administration pursued cases against them to protect secrets rather than the people. Real criminals within the intel community never faced justice. Now under Trump, the hammer is coming down.

Trump's America First agenda restores privacy, freedom, and the right to know government actions. By bringing in Assange and Snowden, he is empowering them to fight tyranny directly in the heart of the system.

The Deep State is already panicking. Expect media hit pieces and leaks from agencies as they fear the collapse of their frauds and lies.

This may be one of Trump's boldest moves yet. It delivers justice and strikes against the surveillance state and betrayals by corrupt networks that have long undermined the republic.

The hammer of justice is about to come down hard on the Deep State.

J. Satanist Leader Michael Aquino

From 1969-1990, Michael Aquino was Lt. Colonel in the U.S. Army Reserves and was a Psychological Warfare Specialist. He also worked for the Defense Intelligence Agency (DIA) as a program analyst. Most importantly, Aquino was a self-proclaimed Satanist who was serving in the U.S. military.

Aquino worked together with Anton LaVey, who is one of the founders of The Church of Satan itself. He later started his own Satanic Church, known as "The Temple of Set."

Satanism involves many different types of beliefs, rituals, and types of ritualistic abuse, especially among children. As early as 1980, the putrid history of Aquino's involvement in pedophilia and mind control learned through government ops and Satanism was exposed.

This is where Satanism, MKULTRA, Psyops, and everything else collide because they are all related to one another. The following provides a short historical record of events that ties Aquino to a larger criminal syndicate operating through the Satanic Church and the U.S. government and reveals his position within it.

1967 - Michael Aquino began a two-year tour of duty in Vietnam, taking part in the infamous Phoenix Program. The Phoenix Program was an assassination/torture/terror operation that was initiated by the CIA, with the aim of 'neutralizing' the civilian infrastructure that supported the Viet Cong insurgency in South Vietnam 1982 (Sept. 5) Twelve-year-old Johnny Gosch was abducted from a shopping mall parking lot in West Des Moines, Iowa, while doing his early-morning paper route, never to be seen again.

1985 – Allegations of ritual abuse at the Jubilation Day Care Center at Fort Bragg erupted when several children reported being sexually abused by a number of people at the day care center and several other locations, including at least two churches. Lt. Col. Michael Aquino was identified as having been present at one of those churches.

1986 (Nov.) – Allegations emerged regarding sexual abuse being perpetrated at the US Army's Presidio Child Development Center in San Francisco. Within a year, at least 60 victims were identified, all between the ages of three and seven.

1987 (Aug. 14) – As part of the Presidio investigation, a search warrant was served on the residence of Lt. Col. Michael Aquino and his wife Lilith and numerous videotapes, photographs, photo albums, photographic negatives, cassette tapes, and address books were confiscated. Also observed during the search was what appeared to be a soundproof room that may have been used as a torture chamber.

1987 (Nov.) – The US Army received allegations of child abuse at fifteen of its daycare centers and several elementary schools. There were also at least two other cases at Air Force day care centers, and another one at a center run by the US Navy.

L. Mon. 4 May 2026: BIRTH CERTIFICATE BOMBSHELL: BIRTH CERTIFICATE = SLAVE CONTRACT —The CUSIP Code Scam EXPOSED

Most Americans view the birth certificate as a harmless record of birth. Yet it functions as a debt instrument that enslaves individuals into a corporate system. The U.S. Territorial Government turns newborns into assets using CUSIP bonds, secret trusts, and fraudulent jurisdiction.

At birth registration, officials create a legal fiction with the name in all capital letters. Assigned a CUSIP number, this entity becomes a tradable bond on global markets. The living person unknowingly serves as collateral for massive government debt, with labor and future earnings pledged to foreign creditors.

Operating as a foreign services corporation, the Territorial Government presumes consent through birth registration. It classifies Americans as U.S. citizens under commercial law rather than sovereign nationals under the original Constitution. The all-caps name subjects them to admiralty jurisdiction, stripping unalienable rights.

The 14th Amendment solidifies this trap by redefining citizenship for the corporate fiction, presuming criminal status under the 13th Amendment's exceptions. Courts administer commercial trusts instead of protecting the people with true constitutional due process.

These birth certificates are deposited with the IMF and similar entities, generating letters of credit in the individual's name. This hijacked credit funds the system while citizens bear endless taxes, fees, and liabilities created from their own monetized existence.

To reclaim freedom, patriots recover their Trade Name to the land and soil jurisdiction of their birth state. By filing proper deeds of reconveyance, they separate the living name from

the foreign trust, restoring common law status and canceling presumptions of debt and jurisdiction.

This global fraud involves the British Crown, papal trust systems, bar associations, and elements within the military that have upheld the corporate overlay. The Trump Administration received briefings on these matters as part of exposing deep state mechanisms.

The deception continues with every new registration. Patriots aware of the truth must act to correct the records and awaken others. Reclaiming sovereignty breaks the chains of this paper-based slavery and advances the restoration of the American republic.

N. Mon. 4 May 2026 EXPOSED! THE SECRET TUNNELS UNDER THE U.S. CAPITOL WERE USED BY ELITES TO TRAFFICK CASH, FILES AND PEOPLE — FLOOR PANEL OPENED ON CAMERA ... Trump Tier4b Activated on Telegram

A North Carolina congressman lifted a floor panel inside the Lincoln Room of the U.S. Capitol, exposing the Deep State's escape and logistics network. The hidden staircase leads into tunnels expanded over decades to shield elite operations from the public.

These passages connect congressional offices, secure facilities, and underground infrastructure across Capitol Hill. They have transported people, documents, cash, and assets for the globalist agenda as President Trump restores sovereignty from the Oval Office in his second term.

The exposure arrives in early May 2026, months into Trump's second term as he dismantles weaponized bureaucracies. America First inspectors general pursue audits tracing every illicit dollar and movement.

Insiders link the tunnels to larger systems from the 19th century, upgraded after World War II, the Cold War, and post-9/11 for government continuity.

Starting as 1700s service passages, they advanced in the Civil War for sensitive work and later to intelligence bunkers.

Obama and Biden eras saw heavy use for off-books operations, human trafficking pipelines, and destroying documents underground. Billions in laundered funds evaded detection via these routes.

Scandals feature sudden retirements and tunnel escapes. Elites used underground paths during January 6 events.

The networks supported Epstein logistics and protected blackmail systems. Trump's first term exposed ties to Russia hoax and lawfare coordination without digital trails.

Globalist connections involve foreign intelligence and corporate partners. Funds from taxpayer scams flow to NGOs weakening borders and fueling conflicts.

Trump's return curbed surface grift, leaving tunnels as the deep state's last option. Side areas include vaults for records and discreet rail exits.

Heightened activity occurred during the 2020 election for material transport and post events for lawfare planning.

Trump's executive orders require mapping of underground infrastructure. Loyal units inspect to end hidden elite activities and repurpose for security.

This puts pressure on compromised officials as accountability approaches. Tunnels once guaranteeing safety now expose their schemes.

The American people will reclaim stolen resources through Trump's restored republic. The deep state's underground empire falls under full accountability.

O. Mon. 4 May 2026 THEY'RE RELEASING THE FILES. BUT THEY'RE KILLING THE PEOPLE WHO CAN EXPLAIN THEM. ...Mr. Pool Final Chapter

12 scientists. Dead or missing since 2022. An MIT plasma physicist — shot outside his home. A NASA JPL engineer — vanished mid-hike. A Caltech astrophysicist — shot. One agreed to testify before Congress about secret government UFO programs. Weeks later, he was dead in his Virginia home.

The FBI confirmed they're investigating.

Now read what Trump said 3 days ago at the White House: "We're going to be releasing a lot of things that we haven't. I think some of it's going to be very interesting to people."

The Pentagon confirmed it. The All-domain Anomaly Resolution Office is preparing to release "never-before-seen UAP information." Anna Paulina Luna demanded the classified videos from Hegseth. His deadline passed. Nothing was produced.

A senior Navy officer testified under oath that he watched a glowing object emerge from the ocean off California and link with three identical craft. They vanished in seconds.

JD Vance said it publicly: "I'm obsessed with the UFO files."

Here's what they won't say on camera: The technology in those files isn't alien. It's ours. Recovered, reverse-engineered, and hidden for 80 years. Zero-point energy. Quantum communication. Anti-gravity propulsion. The same architecture that powers the QFS backbone.

They killed the scientists because those men could explain HOW IT WORKS. Without them, the files are just footage. Strange lights. No context. No threat to the system.

But Trump isn't releasing footage. He's releasing the engineering. May 17 — Jeremy Corbell's documentary drops with the classified documents from Los Alamos. The Pentagon couldn't stop it. The scientists are dead. But their files survived.

The truth doesn't need witnesses when it's written down.

P. Mon. 4 May 2026 C Span: HOLY SMOKES: Rep. Tim Burchett just ripped the mask off Washington's insider-trading machine.

He says D.C. isn't just a "swamp." It's a sewer where career politicians get rich while taxpayers get drained. Everybody wants to knock Pelosi; she's not even in the TOP 10."

If Pelosi isn't even top 10... how deep does this go? Congress should not be a personal stock market for politicians.

Ban congressional stock trading. Audit the worst offenders. Expose the whole sewer

Q. Mon. 4 May 2026 John Podesta was put in charge of a \$375 BILLION dollar slush fund disguised to help the "environment," which was giving millions of dollars to NGOs that were founded only months earlier. ...Pastor Bob Joyce (Elvis?) on Telegram

These NGOs were allegedly laundering money and funding the far-left's radical agendas and color revolution against conservatives and the United States itself.

John Podesta, who was in charge of the money, was exposed with his brother Tony in the Clinton-Podesta emails attending spirit cooking dinners with open satanist Marina Abramović, which involved performing satanic rituals with blood, semen, and fresh breast milk, with dark incantations to the demonic realm. These were the people ruling over you.

Your own taxpayer dollars were being used by open Satanist to fund agendas and color revolutions against you. America has a MASSIVE problem. It really is good vs. evil.

R. Mon. 4 May 2026 BOOM! FEDGATE 2026: \$1 Trillion FED SCAM Exposed – Insider Drops BOMBSHELL – FEDERAL RESERVE IS JUST A GIANT HEDGE FUND NOW ...Mr. Pool on Telegram

A former World Bank insider has exposed the Federal Reserve as no longer a true central bank but a trillion-dollar hedge fund bleeding massive losses. These losses surpass one trillion dollars and continue mounting, as the institution rigs public finances and stifles real economic growth for American patriots. This elite scam operates in broad daylight, confirming deep state manipulation that Trump supporters and Q researchers have warned about for years.

The insider reveals the Federal Reserve now functions as a giant hedge fund prioritizing financial elites while deceiving the public. Its balance sheet has become a tool that drains capital from the productive economy rather than supporting it.

Borrowing funds at 5.4 percent from banks to purchase government bonds creates a false picture of fiscal health. This allows unchecked government overspending by maintaining the illusion that public finances are stable. The approach previously encouraged heavy short-term debt loading under false low-rate assumptions, now threatening the dollar's stability as rates rise.

Capital needed for private sector businesses, innovation, and true growth is instead parked at the Federal Reserve. Banks secure 5.4 percent returns lending to the Fed, which buys more government debt, diverting resources from Main Street to prop up Wall Street.

Major central banks worldwide execute the same strategy in a global coordinated effort. They pull money from real economies to buy bonds and sustain illusions rather than printing money outright. Expensive borrowing maintains their control mechanisms.

The insider closely monitors unrealized losses and offers ongoing updates. He plans to publicly announce his complete market exit, noting that many will wish they followed his guidance sooner.

This is deliberate sabotage by elites, not legitimate policy. The Federal Reserve operates as a hedge fund with special privileges, delivering profits to connected banks while the

American people suffer economic enslavement and lost opportunities. Patriots understand this Fedgate exposure as vital in the fight against globalist control.

Sharing this critical information accelerates the awakening and supports efforts to reclaim financial sovereignty for We the People.

Tues. 10 March 2026 BOMBSHELL ANNOUNCEMENT: President Trump Declares Restoration of the American Republic — “US INC.” DISSOLVED, COMMON LAW SOVEREIGNTY RETURNS. ...Mr. Pool on Telegram

Patriots, the storm has hit and it's magnificent! President Donald J. Trump has invoked Article II to declare the United States fully sovereign under Common Law once more. The fake foreign-controlled “US INC.” is finished — dissolved, dead, gone forever. No more Admiralty Law oppression, no more globalist chains dragging us into debt and war. The Deep State grip is broken; the true Constitutional Republic rises triumphant!

This is no mere rhetoric — it’s a binding Declaration of Authority and Summons from Trump as Commander-in-Chief. He’s seizing full control, sidelining the corrupt swamp and directing the military via the Uniform Code of Military Justice. Every flag officer is oath-bound to obey lawful orders from the legitimate President. No more excuses, no divided allegiances. The military now serves We the People through Trump, not the treasonous corporate facade!

Under Common Law sovereignty — grounded in God-given rights and original founding truths — Trump exercises his prerogative to summon leaders, affirm real authority, and rebuild national defense. This resets America to the Founders’ vision: no commercial enslavement, no hidden British shadows, just pure liberty!

All flag officers are ordered to convene in Virginia — the Republic’s sacred cradle — for immediate realignment. This is full military mobilization to restore loyalty and eliminate globalist remnants. The timeline is set, orders issued, clock running. Unity under true command is happening NOW!

Foreign-tied overseas bases and Commonwealth-linked ops? They’re being shut down or reclaimed for America. No more secret outposts serving alien masters, no covert pacts bleeding us dry. Trump is smashing the centuries-old Crown chokehold on trade and power — and the military reset locks it down!

This fulfills Trump’s sacred oath to defend the Constitution, protect the people, and preserve the Republic. Every officer and servant must choose: stand with the restored Republic or stand exposed as oath-

breakers. The line is drawn — no more shadows, no two Americas. One Republic. One Commander-in-Chief. One Law — Common Law!

QAnons, white hats, digital warriors — this is OUR victory moment! The debt-based, deception-driven US INC. fraud is overthrown. Military mobilizes under Trump's unbreakable command. Deep State cabal legally crushed, illusions collapsing. Freedom surges back — the Republic is BACK, sovereign, unbreakable!

We witness history: true American Republic restored. Patriots win. God bless President Trump, our military, and the sovereign United States of America!

Z. Tim Ballard: A hero rescuing children from Child Trafficking Rings

Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World’s Children. Just as a film about Ballard’s work, “Sound of Freedom,” was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Zb. Judy Note HIGH ALERT: The below is a request from the mother of a child in London England who was pleading for the White Hats to rescue her daughter Alana Martin from London Foster Care and reunite her with her family.

Mon. 4 May 2026 Alana-Linda Martin Update

Hi Judy,

I hope you are happy and well, with blessings from our creator.

This is Janine Linehan, captain of the State Trafficking Task & Force116, with a little update of my daughter the Stolen Girl: Alana-Linda Martin.

Thank you and your viewers so much for all the coverage you have given on my daughters kidnap story, for those new to this story I have added the link below in which Judy so kindly has exposed via this video. **For The Stolen-Girl :Alana-Linda: Martin.** <https://rumble.com/v70zluu-for-the-stolen-girl-alana-linda-martin..html>

I would like to expose more information on her case of Kidnap by Newham Social Services, Police, and Courts in London England.

At the last court date 23rd March 2026, we was told we would have a new Court date and an answer by the 24th March 2026. Like I said previously the last 5 months have been about the criminals looking for their names to be protected in their crimes of Kidnap asking the higher courts for atominity and has not been about my daughter's case at all.

We have still not heard anything concerning another court date for my daughters case a month later, again further breaches are made as we was informed we would here the outcome and have another court date the day after, we are now a month later and still waiting.

My daughter remains held captive as a hostage against her will and her rights to freedom.

Her Father Matthew-Dean: Martin tried to expose and shut down a child trafficking Court and spent a year falsely imprisoned along with Mark-kishon: Christopher who is still currently held captive in prison.

This harassment, gang stalking, false imprisonment has been going on since 20th April 2023, 3 years on we are still getting attacked, which has resulted in now my daughter being kidnapped.

With no forward date or signs of letting her go, we call for help with any outside agency and ask for witness protection ASAP, we have so much information on the Grooming Gangs, Trafficking rings and County lines via all the evidence we hold in our court of Records.

In the meantime Newham Councils Public Servants are playing mind games with my daughter, her father and I, we still have not had any contact in any shape or form with our little girl in 9 months and counting, my son informed me on his last video call that Alana my daughter is confused as she was told she was going home one week, and then she was told she isn't going home, causing her a lot of stress and heartache, I feel the damage that is being done to her heart and spirit whilst held captive.

The torment and cruelty is unreal, we are fighting a huge monster alone, I would appreciate any help from white hats, galactic alliance, military intervention, the pain is so horrific its hell on Earth.

We are now also being threatened with our home, with threats of Eviction by the same council, any support over at our Children-Trafficking-Task&Force is really appreciated as we have been attacked from every angle.

This is the best place to contact me as I am still operating off grid so that I am not falsely imprisoned. My family would all love to go home together safely as soon as possible.

https://www.patreon.com/TaskandForce116301?utm_campaign=creatorshare_creator

We have already held an Arbitration Court with 23 members of a jury of my peers, 3 judges and 1 clerk, = 26 witnesses awarding my daughter to be returned and compensation to be paid, so the work is already done, we are just looking for the right agent to enforce this verdict.

We are currently looking for an Admiralty Marshall to take on this case, and collect our daughter and the compensation we are claiming for the damages caused.

The link below is the video evidence with all paperwork are on this link below.

Anyone can view this case and the paperwork via the links attached. .

Speaking of Telegram, there appears to be a huge scam going on Telegram where under the name of some notable Q Movement person they promise to set you up on a QFS Wallet if you send them around \$2,000 or more. This appears to be a scam as setting up your QFS Wallet is supposed to be free to the best of my knowledge.

Watch out for: Anyone advertising they will reimburse you for the TRB Trump Products, or set you up on a Quantum Account asking for money to do it. (They use fake accounts and AI to make you think you are dealing with Trump, Tucker Carlson, etc.)

Also watch out for the HSBC Quantum Token/Bitcoin Scam, the TRB Trump Products Scam, the Dave XRPLion Impersonator Scam, the Ezra A. DO NOT exchange currency or Zim Bonds anywhere but at a licensed Redemption Center where you will get the highest rates possible.

The HSBC Quantum Scam: They claim they've successfully applied "quantum technology" to buy and sell tokenized physical gold. The trick is when you buy the tokens or Bitcoin they keep the gold and have complete control over your bank account.
