In the morning of my life I shall look to the sunrise.  
At a moment in my life when the world is new.  
And the blessing I shall ask is that God will grant me,  
To be brave and strong and true,  
And to fill the world with love my whole life through.

In the noontime of my life I shall look to the sunshine,  
At a moment in my life when the sky is blue.  
And the blessing I shall ask shall remain unchanging.  
To be brave and strong and true,  
And to fill the world with love my whole life through

In the evening of my life I shall look to the sunset,  
At a moment in my life when the night is due.  
And the question I shall ask only I can answer.  
Was I brave and strong and true?  
Did I fill the world with love my whole life through?

Did I fill the world with love?  
Did I fill the world with love?  
Did I fill the world with love  
My whole life through

**President Trump has mobilized the Military of different countries Worldwide** for a takedown of the Satan Worshipping Deep State Globalist power structure in the Greatest Sting Operation the World has ever known.

**Prepare for very soon worldwide activation of the Emergency Broadcast System (EBS)**, rolling Global Blackouts and Lockdowns. Normal communication has been set to cease for around ten days while Trump’s Global Military Alliance finishes their mass arrests, and overturning fraudulent elections worldwide. After the Ten Days of Darkness we have been promised to wake up to a whole new World.

**It was estimated that over 80% of Congress** were under indictments of various state Grand Juries, which convicted them of Fraud, Treason, Child Trafficking and/or Crimes Against Humanity. The investigations have been ongoing since Trump first took office in **2016**.

**Thirteen years ago in 2013** this same corruption and Crimes Against Humanity by not only Obama and Biden's US Inc., but by the Vatican and Royal Family, was first brought to light by Kevin Annett and the International Common Law Court of Justice in Brussels. [Kevin A's Story! Exposing Vatican Royal Family & State Crimes Against Humanity! AU](#)

**The below was an article** I wrote about it eight years ago – the facts of which have still to make the Mainstream News: **Fri. 27 April 2018** [Vatican-Led Child Holocaust Surfaces, Covered Up | Celebrities Before It's News](#)

**Over a million people were slaughtered at the Catholic-run Jasenovac death camp** in Croatia. An eyewitness to the Jasenovac atrocities Dr. Srboľjub Zivanovic, has led a campaign to uncover the mass graves at the camp and bring the Catholic criminals to justice. Although, it was doubtful he would be successful in making the Vatican responsible for their crimes against humanity.

**Back on April 10 2008** a press release disclosed locations of (over 40 child mass gravesites) where some 50,000 missing native children were believed buried on the grounds of mainly Catholic-run Indian Residential Schools across Canada. For ten years continuous requests for excavation have been refused by the Catholic, Anglican, United Church of Canada and Canadian government, all of which operated the schools and hospitals where these mass graves were located. [28 Mass graves of Indian Children in Canada... - Daily Kos](#)

**In 2013 the International Common Law Court of Justice (ICLCJ)** in Brussels began prosecuting global elites for these and other crimes against children. That included finding Catholic Pope Francis guilty for trafficking 300,000 children during the Dirty War in Argentina. Witnesses stated that some of those children ended up in mass graves in Spain.

**Another Catholic mass child grave site was uncovered in Tuam Ireland.** Close to 800 children's bodies were found buried in a Irish Nuns' septic tank. The bodies were said to have been ritually abused – meaning organs and body parts were missing, likely a result of being used in Satanic child sacrifice rites. [Tuam children's bodies: Catholic Church 'has no records' - BBC News](#)

**The ritual abuse evidence of babies bodies** wasn't published in the press, yet the Catholic Tuam home was only one of ten institutions in Ireland where it was thought that approximately 35,000 unmarried, pregnant women were sent – with no accounting as to where their babies ended up. As with the Catholic mass grave sites filled with mutilated children's bodies in Spain and Canada, coverage of the Irish child mass grave site septic tank filled with

almost 800 Satanic ritually-mutilated babies' bodies, has been non-existent in the mainstream media.

**The problem of Vatican connections to child rape, torture and murder** was brought before the ICLCJ Court in Brussels. Eyewitness-survivors of native residential schools in Canada and the US, kidnap victims and those who had the misfortune of being born into global elite families of the Vatican-run Ninth Circle Satanic Cult claimed that as young as infants or even in the womb, they were subjected to, plus witnessed other children electro-shocked, given illegal drugs, raped, prostituted, beaten, starved, isolated for days in the dark without food or water, infected with life threatening diseases, water-boarded and watched priests and nuns beat children to death, or throw them off buildings, or into incinerators while still alive.

**See this video of Irene Favel's eyewitness** to the incineration of a newborn baby by a priest at Muscowegan Catholic Indian school, Saskatchewan, 1944.

<https://www.youtube.com/watch?v=CRelSnQDbBE>

**Some reporters have dug deep and verified over 10,077,574** child abuse/sex crimes committed by the Catholic Church. Like intelligence on the mass graves and this link, their research has been erased from the internet.

**On Sept.1 2014 the ICLCJ Court** set up a Permanent Commission into Child Trafficking and Ritual Sacrifice where licensed investigators from several countries continued their probe into activities on a growing list of suspected global elite pedophile perpetrators. The child abuse and homicide cases included 34 child mass grave sites thought to hold at least 350,800 missing indigent children and those of political prisoners who disappeared out of Catholic orphanages, schools and hospitals, plus well more than 10,077,574 cases of Catholic Priest child sex crimes that have hit courts across the globe.

**Dr. Zivanovic was not one to accept this mass media cover up** of the Vatican Holocaust. He was interviewed on his eyewitness to the millions slaughtered at the Catholic-run Jasenovac death camp on Sun. 19 April 2018 on Here We Stand Radio:

**Judy Note:** There are pictures and a video that show about a week before the UVU event happened, an apparent entrance to a tunnel was dug beneath the table where Charlie Ward sat. About an hour after Kirk was shot a private plane (owned by a couple who lived in Utah County) left from the Provo airport, flew to Arizona, and then returned back again to Provo that same day. Earlier that day another private plane brought Israeli Zionists into the airport, who then went to UVU for the event.

**According to recent studies, the sun does not cause cancer. The sun is the single most important input for human health.** When ultraviolet B rays hit your skin, your body produces vitamin D3 — the most powerful anti-cancer, anti-inflammatory, immune-boosting

hormone in your biology. The sunscreen industry blocks the very thing that protects you according to a 2019 FDA study on the four most common sunscreen chemicals — avobenzone, oxybenzone, octocrylene, and ecamsule. They found that these chemicals absorb through the skin and enter the bloodstream within hours. The blood concentration of oxybenzone reached levels 438 times higher than the FDA's own safety threshold. Oxybenzone is a known endocrine disruptor. It mimics estrogen in the human body. It has been linked to hormone disruption, early puberty in children, low sperm count in men, and increased risk of breast cancer in women.

**In 1961, Italian biophysicist Fritz-Albert Popp discovered that healthy cells emit coherent light**, while Cancer cells emit chaotic light — scattered, disordered. The difference between a healthy body and a sick body is not chemistry. It is the quality of the light it emits. Your DNA stores and emits biophotons – a light-transmitting antenna that communicates with every other cell in your body at the speed of light. A network of 37 trillion light-emitting nodes operating in perfect coherence. When the light becomes chaotic — you get sick. Sunlight, clean food, and grounding increase biophoton coherence. Processed food, artificial light, and chronic stress destroy it. You are not a body that happens to be alive. You are a light source that happens to have a body.

**Dr. Joel Wallach:** “Alzheimer’s is a PHYSICIAN-CAUSED disease.” Your brain is 75% myelin insulation. And myelin is 100% cholesterol. Statins shred that cholesterol — stealing 75% of what your brain desperately needs to stay insulated and functional. No myelin = no brain.

**In 1925 a Russian Engineer Georges Lakhovsky** revived a dying plant by placing a copper ring around it. He proposed that every living cell is a miniature oscillator that vibrates at its own specific frequency. When a cell is healthy, it vibrates at its natural resonant frequency. When it becomes diseased, the frequency drops. Cancer, infection, degeneration — all of them are frequency disorders. The copper ring was capturing the full spectrum of cosmic frequencies and feeding them back to the plant's cells. The cells re-tuned themselves to their natural oscillation. The disease could not survive in a cell vibrating at its correct frequency. Lakhovsky then built the Multi-Wave Oscillator. It used two concentric antennas driven by a Tesla coil to generate a broad spectrum of electromagnetic frequencies simultaneously — flood the body with every possible frequency, and each cell will naturally resonate with the one it needs to heal. By the 1930s, his machines were being used in hospitals across France, Italy, and Sweden. Doctors reported recoveries from advanced cancers, severe arthritis, and chronic infections. Patients who had been given weeks to live walked out of clinics. After Lakhovsky was killed in a car accident, his Oscillators disappeared from hospitals.

It is advised to exchange/redeem your foreign currency at an official Redemption Center (RC) rather than a bank. You can only redeem Zim at a RC, the Dinar Contract Rate can only be given at a RC and banks will offer you lower exchange rates than what you can obtain at a RC. You can only set up your new wallet (bank account) at a RC. It was my understanding that most banks were under control of the Cabal and would soon play a different roll in the Global Financial System.

They could of prevented everything that Epstein did to hundreds maybe even thousands of children from 1996 forward. They told the victim in 2006 they would get Epstein. We all know that they failed. The truth is, the FBI was told to stand down because Epstein was really an intelligence asset. Imagine that. Free reign to abuse children. Are you really surprised?

**In the 1970's the now-Pope Francis** was believed to gain his position as head of Argentine's Catholic Church by trafficking children from Catholic orphanages during the Junta's Dirty War. **According to a Feb. 5 2014 decision by the UN Committee** on Rights of the Child, the Vatican implemented policies that have led to "the continuation of clerical sex abuse and the impunity of the perpetrators." Pope Francis had testily responded to the UN findings by stating the UN was interfering in Church affairs.

**Kevin Annett of the ITCCS** who brought the charges to the ICLCJ Court, said: "By Queen Elizabeth's September 2010 agreement with the former Pope Ratzinger to abide by the Vatican 'protect the rapist' policy known as Crimen Sollicitationas, Elizabeth Windsor and the Vatican formed a criminal conspiracy."

**Now it is eleven years later** and to my knowledge, Queen Elizabeth, Pope Francis, Pope Ratzinger and those of the Vatican Jesuit Order have not been brought to justice for their Crimes Against Children, plus have likely committed even more. On the other hand, Kevin Annett and his supporters have been jailed, some murdered and forced to go into hiding.

Kennedy became the biggest obstacle standing in the way of Israel's nuclear program. Then JFK was assassinated. The pressure disappeared almost overnight. Lyndon B. **J. Sat. 30 May 2026 DEEP STATE TRAITORS NOW CAGED IN ICE'S "DETENTION ALLEY" ...Gitmo Now on Telegram**

**GITMO'S holding pattern has begun.** With space at Guantanamo Bay and Camp Blaz running low, White Hats are now offloading Deep State scum into ICE's most fortified black-site network — known in secret as "Detention Alley."

**This isn't about border crossers anymore.** These 15 hardened detention centers scattered across Louisiana, Mississippi, and Texas — hidden for decades in isolated rural zones — are now being used for a very different kind of prisoner: Deep State agents. Military-grade traitors. The ones who thought they were untouchable.

**Only 1,673 detainees currently sit inside cells** that could hold 15,000. But that's changing fast. In early March, Defense Secretary Pete Hegseth and Homeland Security's Kristi Noem greenlit the use of ICE facilities to hold Deep State trash temporarily until GITMO cells open up.

**And yes, they'll pay for it.** Their seized assets are already being used to fund their own detainment.

**Here's the bombshell:** Dr. Peter Marks, the FDA's vaccine puppet master and a key figure behind Operation Warp Speed, has now been locked away at the ICE facility in Alexandria, Louisiana. He didn't retire. He was given a choice: "Resign or be removed." He chose wrong. This monster pushed the clot shot, promoted bird flu injections, and was about to roll out a mass surveillance app to track measles patients in West Texas. Now? He's rotting in a cage next to four South American gang killers. That's where he belongs.

**The Deep State is being hunted.** Bagged. Shipped. And stored — until GITMO is ready for the trials. This isn't slowing down. It's accelerating. No mercy. No delays. Tick tock.

**K. Election Fraud:**

Then, in the Florida 2020 election, Trump magically drops 12,650 votes and Biden gains 17,842 votes in an instant on live T.V. The 2020 election was stolen right in front of your face.

**N. Sun. 31 May 2026: IN 1925, A RUSSIAN ENGINEER PLACED A COPPER RING AROUND A DYING PLANT. THE TUMOR DISAPPEARED. EVERY OTHER PLANT IN THE EXPERIMENT DIED. HIS TECHNOLOGY WAS USED IN HOSPITALS ACROSS EUROPE UNTIL HE WAS KILLED IN NEW YORK IN 1942. ...Tier4b ISO 20022**

**His name was Georges Lakhovsky.** He proposed a theory so dangerous that it had to be erased from medical history. Every living cell is a miniature oscillator. It vibrates at its own specific frequency. When a cell is healthy, it vibrates at its natural resonant frequency. When it becomes diseased, the frequency drops. Cancer, infection, degeneration — all of them are frequency disorders.

**In 1925, Lakhovsky conducted an experiment at the Salpetriere Hospital in Paris.** He inoculated geranium plants with cancer-producing bacteria. All plants developed tumors. Around one single plant, he placed a simple open-ended copper ring — 30 centimeters in diameter. Nothing else. No electricity. No chemicals.

**Within weeks,** the plant with the copper ring shed its tumor completely and grew taller and stronger than it had ever been. Every other plant in the experiment died.

**The copper ring was acting as an antenna.** It was capturing the full spectrum of cosmic frequencies and feeding them back to the plant's cells. The cells re-tuned themselves to their natural oscillation. The disease could not survive in a cell vibrating at its correct frequency.

**Lakhovsky then built the Multi-Wave Oscillator.** It used two concentric antennas driven by a Tesla coil to generate a broad spectrum of electromagnetic frequencies simultaneously. The idea was simple — flood the body with every possible frequency, and each cell will naturally resonate with the one it needs to heal.

**By the 1930s, his machines were being used in hospitals across France, Italy, and Sweden.** Doctors reported recoveries from advanced cancers, severe arthritis, and chronic infections. Patients who had been given weeks to live walked out of clinics.

**O. Sun 31 May 2026 WHEN NESARA / GESARA IS FINALLY ANNOUNCED... EVERYTHING CHANGES. ...Tier4b Martial Law on Telegram**

**More than 6,000 hidden patents**, technologies, and medical cures are expected to be revealed to the world. Among them: QUANTUM HEALING MED-BEDS. These advanced medical systems are said to operate through vibrational frequencies, plasma energy, refracting lenses, 3D body scanners, and surgically precise laser technology.

**Three different Med-Beds. Three unique purposes.**

**The Holographic Med-Bed:** Scans the entire human body in real time — blood, organs, muscles, bones, DNA, hormones, neurological systems, and more. Detects disease, damage, and hereditary illness markers with extreme precision while performing painless laser-based procedures.

**The Regeneration Med-Bed:** Designed for tissue repair, organ regeneration, stem-cell restoration, skin recovery, and even the regeneration of damaged or missing limbs through cellular memory and DNA templates.

**The Rejuvenation & Regression Bed:** Focused on age reversal, memory healing, trauma recovery, PTSD support, sensory restoration, muscle tone, skin tightening, and restoring the body's natural biological state.

**These systems reportedly work through energy**, light, frequency alignment, and subatomic-level healing — with minimal invasion and little to no side effects. The technology is described as a complete transformation of modern medicine.

**But before worldwide deployment** can happen, global infrastructure, trained medical teams, and manufacturing systems must first be established.

**Humanity may be standing** on the edge of the greatest medical breakthrough in history.

**P. Sat. 30 May 2026: 1896 — The Year Nikola Tesla Built the First MedBed ...**Robert F. Kennedy Jr. on Telegram

**In February 1896**, Nikola Tesla wrote a letter to the Detroit Free Press describing a machine he had built in his Houston Street laboratory in New York.

**He called it a “vibrating mechanical system”** — a device that could make “every fiber of the human frame vibrate so as to cause complete renovation.”

**Tesla reported that the machine:**

— **Restored** the stomach and digestive system

— **Forced the liver** to discharge toxins

- **Regenerated the kidneys** and glandular system
- **Induced deep healing** sleep after treatment
- **Affected** “more or less the whole body”

**He wrote:** “I prepared about a year ago a machine with suitable adjustments for varying the frequency and amplitude of the vibrations, intending to give it to some medical faculty for investigation.”

**Then it was destroyed.** In 1895, Tesla’s laboratory was consumed by a mysterious fire. The healing machine, along with years of research, was reduced to ashes.

Tesla vowed to rebuild it. He never got the chance. On January 7, 1943, Tesla died alone in Room 3327 of the New Yorker Hotel.

**Within 48 hours,** the U.S. Office of Alien Property — working with the FBI — seized every document, every blueprint, every device from his room.

**His research was classified.** His healing technology was buried. For 80 years, they told you it never existed. Now you’re looking at it.

**Q. Sun. 31 May 2026 THE PHARMACEUTICAL INDUSTRY EXPOSED A CURE FOR AGING IN 2003. THEN THEY BURIED IT. BECAUSE SICK PEOPLE ARE WORTH \$4.5 TRILLION. HEALTHY PEOPLE ARE WORTH ZERO. ...Robert F. Kennedy Jr. on Telegram**

**In 2003, a research team at Stanford University published a paper in Nature Medicine documenting the complete reversal of cellular aging** in mice using pulsed electromagnetic frequencies between 7.83 Hz and 14.1 Hz. The mice didn’t just stop aging. They reversed. Organ tissue regenerated. Telomeres lengthened. Cognitive function returned to juvenile levels. The paper was cited 12 times. Then it disappeared from every major database.

**The global pharmaceutical industry generates \$1.48 trillion per year.** The top 10 companies alone profit \$300 billion annually. Their entire business model depends on one thing: repeat customers.

**A cured patient is a lost customer.** A dead patient is a lost customer. But a chronically sick patient — managed, medicated, never healed — is worth \$480,000 over a lifetime.

**There are 133 million Americans with at least one chronic disease.** That’s \$63.8 trillion in lifetime pharmaceutical revenue walking around right now. Every single one of them

could be restored to full health with technology that already exists. They will never let that happen voluntarily.

**In 1934, Royal Raymond Rife built a frequency machine** that eliminated pathogenic organisms in 16 terminal patients. All 16 recovered. The AMA offered to buy his technology. He refused. Within 2 years, his lab was raided, his machines were destroyed, and every doctor who used his device lost their medical license.

**In 1896, Tesla documented cellular regeneration** through vibration. His lab burned. His work was seized.

**In 2003, Stanford proved frequency reverses aging.** The paper vanished.

**In 2024,** three classified facilities began offering full cellular restoration at \$48,000 per session. The pattern isn't coincidence. It's policy.

**Every 11 years, a breakthrough in frequency-based healing surfaces publicly.** Every time, it is suppressed within 24 months. The suppression follows the same playbook: discredit the researcher, defund the institution, classify the data, and flood the media with the word "pseudoscience" until the public forgets. They've run this playbook 14 times since 1934. It has never failed. Until now.

**The difference in 2025 is decentralization.** The research is no longer in one lab. The technology is no longer in one machine. The information is no longer controlled by one gatekeeper. It's in 40,000 Telegram channels. It's in open-source hardware schematics. It's in the hands of engineers in 19 countries who don't answer to the FDA, the AMA, or the pharmaceutical lobby. They can't burn every lab. They can't seize every document. They can't silence 40,000 channels.

**The containment has failed.** They know it. That's why the attacks are escalating. That's why "MedBed" is now flagged on every major platform. That's why you're reading this on Telegram and not on Google.

**\$4.5 trillion per year. That's what's at stake.** Not your health. Your health is irrelevant to them. What matters is the revenue your sickness generates. Every pill you take is a subscription fee to a system designed to keep you at 11% so they can sell you the next pill tomorrow.

**The technology to put you at 99.99% exists today.** It costs nothing to deliver. It requires no medication. No surgery. No doctor visit. No insurance claim. And that's exactly why you've never heard of it.

**CODE: PHARMA-4.5T / REPEAT-CUSTOMER / RIFE-DESTROYED / STANFORD-BURIED / CONTAINMENT-FAILED \$4.5 trillion per year requires 133 million**

sick Americans. You are the product. Your disease is the revenue. The cure was never the goal. The subscription was.

**R. Sat. 30 May 2026: YOUR BLOOD GLOWS IN THE DARK. AND NO ONE TOLD YOU WHY. ...SGAnon on Telegram**

**In 1961, Italian biophysicist Fritz-Albert Popp** was researching cancer when he accidentally discovered something that should have rewritten every biology textbook on the planet. Human cells emit light.

**Not metaphorical light. Not "energy." Actual, measurable photons.** Ultra-weak bioluminescence radiating from every living cell in your body at a rate of approximately 100,000 photons per second per square centimeter. Your blood, your organs, your skin — all of it is glowing right now. You cannot see it with your naked eye. But it is there. Measured. Documented. Published in over 1,000 peer-reviewed studies. Popp called them biophotons.

**He discovered that healthy cells emit coherent light** — organized, structured, like a laser. Cancer cells emit chaotic light — scattered, disordered, like a broken bulb. The difference between a healthy body and a sick body is not chemistry. It is the quality of the light it emits.

**Your DNA is the source.** It stores and emits biophotons like a fiber optic cable. Your 6 feet of DNA in every single cell is not just a genetic blueprint. It is a light-transmitting antenna that communicates with every other cell in your body at the speed of light. Not through chemistry. Through photons.

**This means your 37 trillion cells are not communicating through slow chemical reactions like your textbook says.** They are communicating through light. Instantaneously. All at once. A network of 37 trillion light-emitting nodes operating in perfect coherence.

**When that coherence breaks — when the light becomes chaotic** — you get sick. Every disease Popp studied showed the same pattern: disrupted biophoton emission before any physical symptom appeared. The light breaks first. The body follows.

**Sunlight, clean food, and grounding increase biophoton coherence.** Processed food, artificial light, and chronic stress destroy it. You are literally dimming your own light every day without knowing it.

**You are not a body that happens to be alive.** You are a light source that happens to have a body. And they never told you because a population that knows it runs on light does not buy chemicals to fix itself.

**S. Sat. 30 May 2026: DOCTORS ARE LITERALLY MANUFACTURING ALZHEIMER'S ...**The Q Awakening on Telegram

**Dr. Joel Wallach:** “Alzheimer’s is a PHYSICIAN-CAUSED disease.”

**Your brain is 75% myelin insulation.** And myelin is 100% cholesterol. Statins shred that cholesterol — stealing 75% of what your brain desperately needs to stay insulated and functional. No myelin = no brain.

**That’s why Alzheimer’s went from virtually unknown** to the 4th leading killer over age 65. They told you to lower your cholesterol while your brain was starving for it.

**This isn’t “aging.” This is medical malpractice** on a massive scale. Stop letting them dissolve your brain. Do your own research and stop the statins. Protect your myelin.

**T. Sat. 30 May 2026 SKIN CANCER RATES HAVE INCREASED 3,000% SINCE SUNSCREEN WAS INVENTED. READ THAT AGAIN. ...**SGAnon on Telegram

**In 1938, the first commercial sunscreen** was introduced. Since then, the sunscreen industry has grown into a \$15 billion global market. People now cover every inch of their skin before stepping outside. Children are coated in it from birth. And skin cancer rates have done nothing but explode.

**If sunscreen prevents skin cancer,** and sunscreen use has increased every single decade for 80 years, then skin cancer should be disappearing. Instead, melanoma rates have risen by over 3,000% since the 1930s. The countries with the highest sunscreen use have the highest rates of skin cancer on Earth. Something does not add up.

**In 2019, the FDA conducted a study on the four most common sunscreen chemicals** — avobenzone, oxybenzone, octocrylene, and ecamsule. They found that after a single application, these chemicals absorb through the skin and enter the bloodstream within hours. The blood concentration of oxybenzone reached levels 438 times higher than the FDA's own safety threshold. They published the study. Then they did nothing.

**Oxybenzone is a known endocrine disruptor.** It mimics estrogen in the human body. It has been linked to hormone disruption, early puberty in children, low sperm count in men, and increased risk of breast cancer in women. You are rubbing an estrogen-mimicking industrial chemical directly onto your skin and the skin of your children every single day.

**Now here is what they will never tell you.** The sun does not cause cancer. The sun is the single most important input for human health. When ultraviolet B rays hit your skin, your body produces vitamin D3 — the most powerful anti-cancer, anti-inflammatory, immune-boosting hormone in your biology. A 20-year study of 29,518 Swedish women published in the Journal of

Internal Medicine found that women who avoided the sun had a mortality rate TWICE as high as women who sunbathed regularly. Avoiding the sun was as dangerous as smoking.

**Your ancestors lived under the sun for 200,000 years** without sunscreen. They did not have an epidemic of skin cancer. They had strong bones, powerful immune systems, and functioning hormones.

**The sunscreen industry blocks the very thing that protects you**, poisons your blood with chemicals, and then tells you to reapply every two hours. Go outside. Let the sun hit your skin. Stop poisoning yourself to avoid the one thing your body was built to absorb.

## **JFK Assassination**

**U. Sat. 30 May 2026: The Assassination of President John F. Kennedy! QFS - Quantum Financial System.** ... Web3.0 ISO20022 on Telegram

**Kennedy's assassination happened because:** In 1963, he issued an executive order (11110) that enabled the United States to issue its own silver-backed currency. Bypassing the Federal Reserve (the private banking system of the Khazars) Without interest or debt.

**According to the narrative**, this would have threatened the power and revenues of the Federal Reserve. Kennedy was killed 171 days after signing the executive order. The banking cartel always eliminates those leaders who want their own debt-free currency.

**In his speech at the Waldorf-Astoria**, Kennedy warned of a secret, influential power structure. In reality, this executive order was not repealed; the banknotes were simply made to disappear. The issued money was quietly withdrawn from circulation, and the Federal Reserve regained its monopoly.

**QFS – Quantum Financial System** The QFS realizes the same thing Kennedy wanted. A debt-free, sovereign monetary system that cannot be killed because it is not a person, but a system.

**Kennedy tried to free the country from the debt** dependency of the banking system. Now, 60 years later, a new system (QFS) is finally implementing what he started.

**V.Fri. 29 May 2026: DECLASSIFIED FILES. MISSING URANIUM. A SILENCED PRESIDENT.** This is one of the most explosive stories buried inside America's nuclear history — hidden beneath decades of redacted documents, intelligence memos, political protection, and unanswered questions. ... Julian Assange on Telegram

**According to declassified evidence and intelligence investigations**, hundreds of pounds of highly enriched uranium disappeared from a U.S. nuclear facility in the 1960s under circumstances so alarming that officials feared the balance of power in the Middle East was being permanently altered. And at the center of the storm stood one man: President John F. Kennedy.

**In the early 1960s**, officials at the Atomic Energy Commission discovered disturbing discrepancies at NUMEC, a private nuclear processing plant in Apollo, Pennsylvania. The facility could not account for massive quantities of weapons-grade uranium.

**Not a small error. Not misplaced paperwork.** Hundreds of pounds of bomb-grade material had vanished. Later estimates suggested the amount may have exceeded 600 pounds — enough material to produce multiple nuclear weapons.

**Behind closed doors, intelligence agencies panicked.** Because this did not look accidental. It looked like a coordinated diversion of American nuclear material. And the deeper investigators looked, the darker the story became.

**NUMEC's founder, Zalman Shapiro**, maintained close ties to Zionist political organizations and allegedly had repeated contact with Israeli operatives visiting the facility under the cover of scientific consultation. Declassified intelligence records later suggested several of these “visitors” were connected to Mossad.

**The suspicion inside intelligence circles became impossible to ignore:** The uranium was allegedly being funneled into Israel's secret nuclear program. Its destination, according to multiple reports, was Dimona — the heavily guarded nuclear facility hidden in Israel's Negev Desert. Officially, Dimona was presented as a research site.

**In reality, intelligence agencies increasingly believed** it had become the foundation of an undeclared nuclear weapons program operating outside international oversight.

**Then came the moment that changed everything. John F. Kennedy found out.** Alarmed by intelligence briefings, JFK confronted Israeli Prime Minister David Ben-Gurion directly and demanded transparency surrounding Dimona and Israel's nuclear ambitions. He pushed for inspections. He demanded answers. He warned that the United States would not tolerate nuclear proliferation built on deception. For a brief moment, Kennedy became the biggest obstacle standing in the way of Israel's nuclear program.

**Then JFK was assassinated.** And according to critics and researchers who studied the declassified timeline for decades, everything changed after that moment.

**The pressure disappeared almost overnight.** Lyndon B. Johnson softened the administration's stance toward Israel. Demands for accountability faded. The confrontation ended. And Dimona continued operating in secrecy.

**By the late 1960s, U.S. intelligence reportedly understood that Israel had effectively become a nuclear power** — yet no sanctions followed, no public admissions were made, and the entire issue slowly vanished from mainstream discussion.

**To this day, critics argue the NUMEC scandal was never fully investigated** because the implications were too explosive: That stolen American uranium may have helped build a secret nuclear arsenal... that intelligence agencies knew far more than they admitted publicly...and that the last president who seriously tried to stop it was removed before he could finish the fight.

**W. Sun. 31 May 2026 EXPOSED: OBAMA WAS THE SLEEPER CELL — MAMDANI IS THE DETONATOR ...Gitmo Now on Telegram**

**Barack Obama wasn't elected.** He was installed. Groomed by Communists, funded by Soros, shielded by globalist think tanks. He wasn't a leader — he was a Trojan horse, embedded to dismantle America from the inside out.

**Now, July 2025, the mask is off.** Zohran Mamdani is the next weapon. A foreign-born, Soros-backed socialist being positioned to seize control of New York City and accelerate the collapse. His mission is simple: burn the system to the ground.

**Mamdani isn't hiding it.** He's not "reforming" capitalism — he's replacing it. With what? Government-run grocery stores. Race-based tax policies. Forced wealth seizure. Landlord extermination. All under the banner of "social justice," while billionaires like Soros and Schwab pull the strings.

**Obama lit the match.** Mamdani is the firestorm. Obama's Marxist roots were hidden — Mamdani flaunts his. Raised on post-colonial anti-Western ideology, trained by South African socialists, and now marching openly with the Democratic Socialists of America. He told his followers: "We're not here to raise awareness. We're here to win socialism." This isn't politics. It's a siege.

**Race is their weapon.** Collapse is their goal. Mamdani marked himself as both "Black" and "Asian" to climb the identity ladder — the same scam Obama ran. They don't believe in equality. They believe in control. They weaponize ethnicity to divide, bankrupt, and conquer — all while the real elite stays untouched.

**Now, July 6, 2025 — New York is on the edge.** Landlords are defaulting. Police are quitting. Banks are locking down. If Mamdani wins, the collapse will not be gradual — it will be immediate. This isn't incompetence. It's strategic destruction.

**They don't want order. They want obedience.** Mamdani answers to Schwab. To Soros. To the UN's unelected climate cartel. He's not an outlier — he's their operative. His rise is the final signal: the globalist kill switch is being activated from within America's cities.

**And only one man stands in their way: Donald J. Trump.** Trump is the disruption they fear. He doesn't bend, bow, or break. That's why they rigged, censored, indicted, and panicked. Because if Trump returns, their entire plan collapses — and they know it.

**Under Common Law sovereignty** — grounded in God-given rights and original founding truths — Trump exercises his prerogative to summon leaders, affirm real authority, and rebuild national defense. This resets America to the Founders' vision: no commercial enslavement, no hidden British shadows, just pure liberty!

**All flag officers are ordered to convene in Virginia** — the Republic's sacred cradle — for immediate realignment. This is full military mobilization to restore loyalty and eliminate globalist remnants. The timeline is set, orders issued, clock running. Unity under true command is happening NOW!

**Foreign-tied overseas bases and Commonwealth-linked ops?** They're being shut down or reclaimed for America. No more secret outposts serving alien masters, no covert pacts bleeding us dry. Trump is smashing the centuries-old Crown chokehold on trade and power — and the military reset locks it down!

**This fulfills Trump's sacred oath to defend the Constitution**, protect the people, and preserve the Republic. Every officer and servant must choose: stand with the restored Republic or stand exposed as oath-breakers. The line is drawn — no more shadows, no two Americas. One Republic. One Commander-in-Chief. One Law — Common Law!

**QAnons, white hats, digital warriors** — this is OUR victory moment! The debt-based, deception-driven US INC. fraud is overthrown. Military mobilizes under Trump's unbreakable command. Deep State cabal legally crushed, illusions collapsing. Freedom surges back — the Republic is BACK, sovereign, unbreakable!

**We witness history:** true American Republic restored. Patriots win. God bless President Trump, our military, and the sovereign United States of America!

**D.L. is a homeless bedridden 48 year-old woman who** desperately needs your immediate help. Her SSI income is \$600 short to cover her rent of a very small motel room in a scary part of town (that does not accommodate a wheelchair, so she has to crawl on the floor), let alone have money for food and essential expenses. She is facing living on the streets in lieu of being moved to a homeless shelter, which is not physically feasible in her health condition. The shelter would require giving up her disabled cat. "My cat Monkey is the love of my life. She lays on me 22 hours a day. I could never give her up. She's so attached to me she cries if I'm gone from my bed for more than a few minutes." D.L.'s long-term goal is to secure a ADA-accessible home. She is seeking leads for property, housing, or resources in Snohomish County, Washington State, especially Bothell/Canyon Park or Three Lakes, and in King County, Washington, especially Woodinville or Redmond. ## **Zd. A Plea to help Ohio Foster Children, including Kaitlynn Hunter, caught in a CIA Mind Control Pedophile Kidnapping Ring:**

**Kaitlynn Hunter Update: Ohio Foster Children** including Kaitlynn Hunter caught in a CIA Mind Control Pedophile Kidnapping Ring desperately need your help.

**Even though Kaitlynn has finally been released from seven years** of tortuous foster care, she is unable to have contact with her mother Jeannine because of a court order on Jeannine. (Jeannine sheltered Kaitlynn when she ran away from seven years of abusive Ohio foster care). Kaitlynn remains to have concerning medical issues and needs her mother to help her. Ironically, as in this case decision, **Kaitlynn was forced a Pfizer Covid 19 shot against her will, in Kent Ohio by foster mom who kept the \$100 shot incentive. Kaitlynn was forced flu and other vaccines against her wishes in foster care.**  
<https://x.com/i/status/2051676714019762201>

**Kaitlynn is not in school**, and unable to graduate this year, because her last school lost her transcripts.

**Mother Jeannine Larrick:** "I am guilty for wanting to love and protect my daughter who has been abused since 2019 while in Guernsey county Ohio Child Protective Service un-constitutional custody and Journey Home NYAP foster care. I reported her abuse and cps claimed I threatened her. I was facing 5 years in prison. District 9 Dr. Reasoner's 2021 entry report "**Jeannine does not trust the government and suspects RICO, she is incompetent to stand trial.** I was put in the state ABH mental ward at **\$800 a day for 5 months**, and **Kaitlynn in another mental ward** and received more abuse at FOXRUN (see google reviews) while they criminally took permanent custody. We were both forced drugged against our wishes. I was acquitted in jury trial but they refused to return Kaitlynn, even though I had CPS transcripts that I never abused or neglected her. Guernsey county juvenile courts, cps, sheriff dept and state ignored my exculpatory exonerating evidence and reports of abuse and neglect of Kaitlynn in 2023. **Juvenile entries stated NYAP behavior modification and residential group homes.** She was allowed to be an organ donor for her 16th birthday.

**I fought for seven long painful years**, helpless to save my daughter from the tyrannical treasonous hell. I feel all agents listed in the **Summary videos: Ohio Justice Hunter - YouTube Titled Part 1,2,3 and Void abnitio** and **Cease and Desist. need to cease and desist in their continued abuse of myself and Kaitlynn and quit wasting taxpayers money to deny our unalienable God given rights to life liberty and the pursuit of happiness..**

**I feel agents named in videos are all guilty of misprision of felony for knowing and denying myself and Kaitlynn our rights as sovereign individuals by ignoring or claims, suppressing evidence and denying us to be heard in court.**

**I was assaulted in my home for telling Guernsey county sheriff deputy Robert Oakley Patterson to respect me in my home.** He and Cps refused to let me speak or look at lawful home school records in my hands in the video 2-11-19. <https://x.com/i/status/1963141694272176466>

**CPS and cops maliciously with intent** charged me with false criminal charges and defamed me to cover up the **OBSTRUCTION OF JUSTICE and INTERFERENCE of CUSTODY** and assault in the copcam. CPS perjured and Judge Bennett and the sheriff department **denied due process** to let me out of jail to defend myself in juvenile court.

**The case was over 2-12-19 ,via Fruit of the Poisonous Tree Doctrine and everything else is fraud,null and void.** And they all know it!!! Including these current bogus charges for protecting her!!!! Hundreds of thousands of tax paid dollars,may be millions used to legally abuse and retaliate against Kaitlynn and I.Keeping us separated and or locked up to be silenced of their crimes against us.

<https://x.com/i/status/1963145948345077902>

**They are trying to do it again in efforts to cover up Kaitlynn's horrific story** in Dayton ,Ohio 11-2024 and discredit Kaitlynn and myself from ever getting justice.

**Juvenile courts and cps ignored our affidavits** and have created false juvenile records covering up the fact that Kaitlynn was In Dayton 2024. Two separate months entries they were asking if she had Indian blood.

**Now I am facing Obstruction of Justice,interference of custody for protecting her,contempt for not taking the unconstitutional incompetence evaluation** ( I provided proof of my mental health when I was arrested for the 4th time since my 1st false arrest 2-11-19 . All arrests I have proof of Rico conspiracy and crimes against us. The warrant was issued the day I buried my mother who was medically murdered. She was denied her baseline XANAX to breath several days twice in a two week period causing her to afib and die.

**Currently Judge Williams has stricken** all my discovery and filings from the record and is demanding I go to District 9 again and take another competency evaluation before she will hear the case. **The same entity who said I suspected Rico and did not trust the government that helped strip custody in 2021. ## **Zf. Tim Ballard: A hero rescuing children from Child Trafficking Rings**

**Tim Ballard has worked undercover in the US** and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. **Update: May 23, 2026 Day #997**

**Dear Patriot Friends & Family,**

**Exactly one month ago today** a spiritual TRIUMPH was enjoyed!

**On April 23, 2026 the Florence Prison Camp Chapel** filled to overflowing with 40+, standing room only, with one friend leaving because he couldn't get in the doors. The 45-minute sermon on the subject of "The Miracle of Christ's TOTAL FORGIVENESS" felt so inspired. Personally, I was blessed and learned so much! As you might imagine, the subject of forgiveness -- both receiving & giving -- is a very important, personal subject to men who are locked up in prison, most for a number of years.

**We were blessed to have the Spirit there.** It appeared that all the inmates were extremely attentive, their hearts touched and deep personal reflection was inspired. Many expressed their gratitude afterward. I hope it will be of some blessing to you. Feel free to share the PDF and share your thoughts with me.

**May God Bless Us to Forgive & Be Forgiven,**

**Ken Cromar**

**P.S. This sermon has blessed me,** as I'm learning to be more forgiving of the Supreme Court who Denied hearing my case. We know we're right, and believe our cause of exposing the IRS will ultimately prevail, but I've come to recognize that -- as Justice Gorsuch has reportedly said -- that "we cannot hear every case that has merit" -- that it is just impossible to hear every worthy case. That's hard to accept, but easier having been inspired while writing "Total Forgiveness". Having said all that, we have made one last ditch effort and filed a "Rule 44" appeal to SCOTUS for a re-hearing of our case with some additional new information provided to them. That appeal is scheduled for their private closed-door Conference on May 28th this coming week. All your prayers to date have been welcome and appreciated. Please consider praying for the Supreme Court Justice's hearts to be touched and that they'll seriously consider our appeal on the 28th. Thank you!

**Zg. Judy Note HIGH ALERT: The below is a request from the mother** of a child in London England who was pleading for the White Hats to rescue her daughter Alana Martin from London Foster Care and reunite her with her family.

**Hi Judy,** A massive thank you for your help sharing our evidence for the safe return of my daughter The Stolen Girl: Alana-Linda Martin. We are still fighting this on-going battle to save my daughter. Court hearings were about the criminal kidnapers, who were looking for the higher courts to cover them with an order of "anonymity" to stop us from exposing their names or their crimes. For the last 5 months of her now 9 month captivity, the kidnapers are only concerned in covering their own criminality, as there has been no mention about her care or a final hearing throughout this torture and terrorism. All factual knowledge of our case is being ignored/ covered up by public servants & Judges involved which have all gone Ultra-Vires. In further attempts to stop our quest and our calling our names and mission was sabotaged including our State Child Trafficking Task&Force116/ Council of 13, they have bankrupt my bank accounts, book sales, PayPal accounts, our social media sites, and now they are trying to threaten our home with eviction. ### **Zh. Watch Out For Scammers:**

**Upon implementation of the Global Currency Reset** the Cabal will be losing their money supply and they are hot and heavy to SCAM anyone in any way they can.

**Judy Note:** There are 84 platforms on Telegram under my picture and name Judy Byington. Be aware I have NO platform on Telegram. I do not write on Telegram. Anything written under my name on Telegram was not authored by me.

**Speaking of Telegram,** there appears to be a huge scam going on Telegram where under the name of some notable Q Movement person they promise to set you up on a QFS Wallet if you send them around \$2,000 or more. This appears to be a scam as setting up your QFS Wallet is supposed to be free to the best of my knowledge.

**Watch out for:** Anyone advertising they will reimburse you for the TRB Trump Products, or set you up on a Quantum Account asking for money to do it. (They use fake accounts and AI to make you think you are dealing with Trump, Tucker Carlson, etc.)

**Also watch out for** the HSBC Quantum Token/Bitcoin Scam, the TRB Trump Products Scam, the Dave XRPLion Impersonator Scam, the Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and any other website that asks that you give them your personal identification to register for a QFS Account and/or receive a pay out on TRB products.

**DO NOT exchange currency or Zim Bonds** anywhere but at a licensed Redemption Center where you will get the highest rates possible.

**The HSBC Quantum Scam:** They claim they've successfully applied "quantum technology" to buy and sell tokenized physical gold. The trick is when you buy the tokens or Bitcoin they keep the gold and have complete control over your bank account.

**Report your TRB Scam experience to:**
