EBS & Martial Law Set To Activate Worldwide

"There is divine worth in every person, and it shines most brightly in our children. That worth commands us to protect them, and as long as I serve as HHS secretary, this agency will do so."
...RFK Jr.

Judy Note: On Wed. 10 Jan. 2026 the EBS was set to activate.

The Global Mainstream Media will be blacked out: TV, Radio, Internet, while the new Starlink Satellite System switches us over to the Quantum Systems: Gold-backed currencies on the Global Financial System and free energy.

There will be seven messages going to your mobile phone explaining what is happening.

Starlink's Satellite System will give free Internet to everyone across the World.

Martial Law will be activated worldwide to nullify all governments and oversee the election of new ones within 120 days.

Truth videos will play continuously over the next ten days through the Quantum Systems. Our TV's will show three movies on a continuous loop for those 10 days. They will cover topics of arrests, tribunals, corruption, fraud, pedophilia and exposing all the hideous child torture, trafficking, Cabal crimes.

Over 6,000 patents of suppressed technologies including free energy (electricity) devices, anti-gravity and sonic Medbed healing machines will be released. (They were being withheld from the public under the guise of national security).

On Tues. 9 June 2026 the White House was lit up in red, signifying that Mass Arrests of Satan Worshipping Pedophile Treasonous Global Elites were underway.

On Dec. 10 2024 the Supreme Court had ruled on the Brunson Case, confirming the 2020 Election was rigged and stolen by corrupt politicians. Trump was never legitimately removed. The SCOTUS decision recognized him as the US President.

Trump then turned his presidential authority over to the US Military, who recognized him as Commander in Chief of the US Military and later, the Global Military Alliance.

In December 2020 the Global Military Alliance raided Biden's 40 acre Ukraine property. They uncovered an underground tunnel and evidence of Child Sex Trafficking. It was believed that Biden was arrested, underwent a Military Tribunal at Gitmo and hanged for Treason and Child Trafficking. He has been played by actors and clones ever since.

The January 2021 so-called Biden inauguration took place in part on a Hollywood movie set a week prior. The parade to the Arlington Cemetery that day was considered a funeral procession. The Military turned their backs on the Biden limo.

Prior to leaving office Obama had the White House and Oval Office rigged with listening devices. Trump removed the spy devices prior to his first term, but Obama still ran the Biden Presidency from the basement of his home a few blocks away.

A. What we thought we knew, but didn't really know and now are supposed to know but don't have a clue. With clones, doubles, made up movies Hollywood style and Trump's Military Alliance throwing more popcorn at us, it gets sooo confusing:

Tues. 9 June 2026 Eight years before he was imprisoned for over half a decade on trumped up charges, Julian Assange exposed the mainstream media's role in perpetuating war: "Nearly every war that has started in the past 50 years has been a result of media lies. Populations don't like wars... Populations have to be fooled into wars. The media in general are so bad, we have to question whether the world wouldn't be better off without them altogether." ...Fall of the Cabal on Telegram

Tues. 9 June 2026 Bill Gates just received the Death Sentence at Gitmo. The White Hat Military Tribunal verdict dropped 20 min. ago: Guilty on all counts of Crimes Against Humanity for creating and releasing Covid-19 as a weaponized bio-engineered virus through Amazon's secret lab network. Hanging scheduled for dawn.

Tues. 9 June 2026: CDC SLAMMED WITH FEDERAL LAWSUIT FOR OPERATING ILLEGAL 72-DOSE CHILDHOOD VACCINATION PROGRAM. NEVER tested for cumulative safety. NEVER filed the legally-required safety reports. This lawsuit could DISMANTLE the CDC's unlawful vaccine regime that has poisoned the nation. ...Ten Days of Darkness on Telegram

Tues. 9 June 2026: The White House in Washington DC has just turned all red, signifying a massive arrest.

In 2024 Japan's Kyoto University completed eleven years of research on how to re-grow teeth with one injection of a drug that deactivates USAG-1 – a protein that blocks tooth regeneration. They also found that fluoride suppresses tooth regeneration. The results were rejected by professional journals and funding pulled because the drug was not commercially viable – it would replace the \$24 billion dental industry built on the assumption that teeth cannot grow back.

Rife. Tesla. Reich. Lakhovsky – the list of scientists who discovered the truth. A scientist proves that frequency can heal. The results are documented. The scientist dies. The technology disappears. The pharmaceutical industry continues selling chemicals.

C. Possible Timing:

EBS, Blackout, Martial Law, Lockdowns

On Wed. 10 Jan. 2026 the Emergency Broadcast System (EBS) was officially set to activate. This is the moment the Grid goes live. ...Shadow of Patton on Telegram

Tues. 9 June 2026 to activate the GESARA Law's reform number 19, there have to be blackouts, more specifically, an electrical grid failure in every country around the globe. ...Emergency Broadcast System on Telegram

19 Enables the release of over 6,000 patents of suppressed technologies that are being withheld from the public under the guise of national security, including free energy (electricity) devices, anti-gravity, and sonic Medbed healing machines."

With this blackout the Cabal's Mainstream Media's (MSM) (television and radio) satellites will be knocked out with Project Odin, meaning all the MSM's Mossad controlled satellites. This will blackout the global media, and switch us over to the Quantum Systems: finance, free internet, free energy, etc.

Space Force deployed the EBS satellites and lasers to shoot down Mossad satellites (15 Jan 2023). SpaceX Falcon Heavy launches USSF-67 from 39A, 2 satellites launched: Continuous

Broadcast Augmenting SATCOM 2 (CBAS-2) and the Long Duration Propulsive ESPA - 3A (LDPE-3A).

CBAS: “Very little is known about CBAS besides its role in augmenting existing military satellite communication capabilities and continuously broadcasting military data through space-based satellite relay links.”

LPDE: “Catcher will test a laser sensor capable of counting laser pulse impingement and an impact sensor to monitor the acoustic environment created from debris impacts, and a radiation dosimeter to properly categorize radiation anomalies in orbit.”

Elon Musk’s space X developing military version of Starlink satellites: EBS and internet! When this occurs the Q Military Intelligence's Emergency Broadcast System (EBS) will be activated via Starlink's satellite free internet covering every place on planet earth.

Truth videos will play continuously over the Ten Days of Darkness through the Quantum Systems.

There will be 7 messages going to your mobile phone.

TV's will only show three movies with explanations on a continuous loop for 10 days. They will cover topics of arrests, tribunals, corruption, fraud, pedophilia and exposing all the hideous child torture, trafficking, Cabal crimes, etc.

Our internet will not be working during that time, apart what Quantum allows us to see. After 10 days of communication darkness, we will connect to the new Quantum Internet.

After the EBS and going through a 10 day blackout by MSM and spending it all, 24/7, (eight hour long movies), the movies will cause a mass awakening, freeing the people from the Cabal's matrix; freeing people from the total banking and systems enslavement mindset, by explaining to them in detail GESARA Law's 20 reforms.

Humanity and planet Earth will simultaneously transitioning into a quantum reality awareness system (Peace and Prosperity).

The old systems of government, education, finance, healthcare, trade and commerce, etc. will all be dismantled and replaced.

Remember Putin's gift soccer ball to Trump with the words, "the ball is now in your court"; imagine the possibilities, what if the copies of McAfee’s servers were exchanged for the EBS, all the unspeakable hideous crimes of the Biden, Obama, Clinton's, Bush, etc.

The Emergency Broadcast System (EBS), also called the Emergency Broadcasting System or the Emergency Action Notification System (EANS), is an emergency warning system designed by the US Military for this eventuality.

Martial Law will be activated as this is required by GESARA to nullify all governments and elect new ones within 120 days. Do not be surprised if your government moves in the direction of:

- banning coal, fossil fuel, and nuclear power electricity generating plants as Nikola Tesla's free energy (GESARA Law) requires this.
- starts load shedding and power failures.
- activate a state of emergency (martial law).
- governments and leaders resigns unexpectedly.

D. Tues. 9 June 2026 WHAT YOU WILL SEE FIRST ...Shadow of Patton on Telegram

1. LOCAL POWER FLICKERS FOLLOWED BY IDENTICAL “MAINTENANCE” NOTICES ACROSS UNRELATED PROVIDERS.

2. NEWS CHANNELS LOOPING THE SAME FRAME. NO LIVE PANELS. NO CALL-INS.

3. PAYMENT APPS TIMING OUT AT LOGIN, THEN REOPENING WITH A “NEW TERMS” SCREEN.

4. AIRPORT BOARDS THAT SHOW “ON TIME” WHILE TERMINALS ARE HELD AT THE GATE.

5. A SHORT TONE ON RADIO AND TV, THEN A QUIET SCREEN. DO NOT PANIC. THAT IS THE BRIDGE.

WHAT IT MEANS: THE BLACKOUT IS THE CURTAIN SO THE CREW CAN CHANGE THE SET. MARTIAL LAW IS THE LOCK SO NO ONE RUNS THE OLD TRICKS. THE ARRESTS ARE THE RECEIPTS THAT EVERYTHING YOU SUSPECTED WAS NOT ONLY REAL, IT WAS SYSTEMIC. THE CURRENCY RESET IS THE POWER CORD FINALLY PLUGGED INTO THE RIGHT OUTLET. As of this last weekend all Med Bed and Redemption Centers have military security throughout the country.

By 4 July 2026 all mortgage, bank, car, credit and car loans will be capped at 3%

Today Tues. 9 June 2026 two different sources said if we aren't notified by Thurs, then we would be notified Saturday.

A Redemption Center Leader said if it doesn't go by **Thurs 12 June**, then it would go over the weekend between **Fri to Monday**.

Redemption Center Leaders in Canada needed to get back to Canada by today Tues. 9 June 2026.

One window was that the EBS would be between 24 June to 4 July where Nesara should be announced: debt forgiveness, credit cards wiped out, etc.

Another window was that the EBS would start this weekend between **Fri to Monday**.

Bond Holders may go one day ahead of Tier4b (us, the Internet Group) exchanges.

Judy Note: No one knows the exact date for notification of appointments for Tier4b (us, the Internet Group) to exchange foreign currencies, but deadlines shown in the above Timing indicate it to be immediate. We have been told that Wells Fargo, which is controlled by the Chinese Elders – (the ones who own the gold behind the Global Currency Reset) – will send out emails to currency and bond holders worldwide telling them how to set redemption & exchange appointments. It is advised to exchange/redeem your foreign currency at an official Redemption Center (RC) rather than a bank. You can only redeem Zim at a RC, the Dinar Contract Rate can only be given at a RC and banks will offer you lower exchange rates than what you can obtain at a RC. You can only set up your new wallet (bank account) at a RC. It was my understanding that most banks were under control of the Cabal and would soon play a different roll in the Global Financial System.

In the video, Pike warns about the powerful lobbying influence of AIPAC (American Israel Public Affairs Committee), describing it as operating “the most powerful lobby” in the U.S. Congress.

He claims that elected officials are afraid to criticize Israel or suggest ending U.S. aid which he notes was around \$3–5 billion annually at the time due to fears of being accused of anti-Semitism by the “Jewish lobby,” which he calls “the kiss of death” for any politician’s career.

He argues this creates a chilling effect on free speech and debate in American politics, portraying AIPAC as exerting outsized control over policy, media narratives, and congressional decisions in favor of Israel.

After the release of the documentary Ted Pike faced significant criticism and opposition from pro-Israel organizations, particularly the Anti-Defamation League (ADL).

The ADL included the film in reports on hate-promoting content and tried to ruin Pike’s career.

Although Pike continued his activism for decades afterward.

That means kids are being protected at levels that are simply unheard of! And that means this FBI, here's another thing. We didn't just do the physical work on the streets. We went to the cyber community and we dismantled 3 million pedophile accounts off the Tor network where these predators prey on our children and think they can hide from this FBI. They can't. We are going to the ends of the earth and the cyber realm to make sure our most precious commodity kids are safeguarded. And the numbers speak for themselves because the FBI are putting kids first."

In September 2024, Kyoto University began human trials on a drug that re-grows teeth in adults. One injection. New teeth in 9 weeks. No implants. No dentures. No surgery.

The drug deactivates USAG-1 — a protein that blocks tooth regeneration. Remove the block, the tooth grows. Like it was always meant to.

The question nobody is asking: what activated USAG-1 in the first place?

A former molecular biologist — 11 years in a dental research lab funded by one of the three largest implant manufacturers: "We identified in 2011 that fluoride accumulation in jaw tissue amplifies USAG-1 expression by up to 340%. The more fluoride in the bone, the stronger the suppression. We submitted the paper. Rejected by every journal in 6 weeks. Funding pulled 3 months later. I was told the direction was 'not commercially viable.'"

Not commercially viable. Because dental implants generate \$5.4 billion per year. Dentures: \$3.8 billion. Root canals: \$15 billion. A \$24 billion industry built on the assumption that teeth do not grow back.

They did not discover regeneration in 2024. They suppressed it for decades. A mouth that heals itself does not need a dentist every 6 months.

Fluoride calcifies the pineal gland. Fluoride suppresses tooth regeneration. Fluoride was added to your water in 1945. The same decade they built the dental insurance industry.

Your teeth were designed to regenerate. Something stopped them.

M. Tues. 9 June 2026 THEY KNEW ABOUT FREQUENCY HEALING IN 1928. THEY BURIED IT FOR 98 YEARS. ...Ten Days of Darkness on Telegram

Georges Lakhovsky was a Russian-French engineer who built a device called the Multi-Wave Oscillator in 1928. His theory was simple: every cell in the human body is a miniature oscillating circuit. When cells vibrate at their natural frequency, they are healthy. When that frequency is disrupted by toxins, radiation, or disease, the cell deteriorates.

His device emitted a broad spectrum of frequencies simultaneously, allowing each cell to find and lock onto its own resonant frequency. The results were documented in hospitals across Europe.

Terminal cancer patients recovered. Tumors shrank and disappeared. Chronic conditions that had resisted every conventional treatment resolved within weeks. The documentation was published in peer-reviewed French medical journals. Photographs of before and after cases were preserved.

Lakhovsky treated patients at multiple hospitals in Paris. He treated plants at the Salpêtrière Hospital, inoculating geraniums with cancer-causing bacteria, then exposing half to his oscillator. The untreated plants died. The treated plants not only survived, they grew larger and healthier than the control group that was never infected.

In 1942, Lakhovsky moved to New York. He began treating patients at a major hospital with extraordinary results. Within months, he was struck by a car and killed. His devices were confiscated. His research vanished from American medical literature overnight.

The same pattern. The same playbook. A scientist proves that frequency can heal. The results are documented. The scientist dies. The technology disappears. The pharmaceutical industry continues selling chemicals.

Rife. Tesla. Reich. Lakhovsky. The list of scientists who discovered the truth and were silenced is not short. It is a graveyard.

But the dead do not stay buried forever. And neither does the truth.

N. Tues. 9 June 2026 BIRTH CERTIFICATE BOMBSHELL: BIRTH CERTIFICATE = SLAVE CONTRACT —The CUSIP Code Scam EXPOSED ...The Great Awakening Now on Telegram

Most Americans view the birth certificate as a harmless record of birth. Yet it functions as a debt instrument that enslaves individuals into a corporate system. The U.S. Territorial Government turns newborns into assets using CUSIP bonds, secret trusts, and fraudulent jurisdiction.

At birth registration, officials create a legal fiction with the name in all capital letters. Assigned a CUSIP number, this entity becomes a tradable bond on global markets. The living person unknowingly serves as collateral for massive government debt, with labor and future earnings pledged to foreign creditors.

Operating as a foreign services corporation, the Territorial Government presumes consent through birth registration. It classifies Americans as U.S. citizens under commercial law rather than sovereign nationals under the original Constitution. The all-caps name subjects them to admiralty jurisdiction, stripping unalienable rights.

The 14th Amendment solidifies this trap by redefining citizenship for the corporate fiction, presuming criminal status under the 13th Amendment's exceptions. Courts administer commercial trusts instead of protecting the people with true constitutional due process.

These birth certificates are deposited with the IMF and similar entities, generating letters of credit in the individual's name. This hijacked credit funds the system while citizens bear endless taxes, fees, and liabilities created from their own monetized existence.

To reclaim freedom, patriots reconvey their Trade Name to the land and soil jurisdiction of their birth state. By filing proper deeds of reconveyance, they separate the living name from the foreign trust, restoring common law status and canceling presumptions of debt and jurisdiction.

This global fraud involves the British Crown, papal trust systems, bar associations, and elements within the military that have upheld the corporate overlay. The Trump Administration received briefings on these matters as part of exposing deep state mechanisms.

The deception continues with every new registration. Patriots aware of the truth must act to correct the records and awaken others. Reclaiming sovereignty breaks the chains of this paper-based slavery and advances the restoration of the American republic.

These operations have dumped heavy metals, aerosols, and toxins into our skies for years — contaminating the air we breathe, the water we drink, the soil we grow food in, and harming our children’s developing brains and bodies.

Key states leading the charge include: Alabama, Arizona, Florida, Georgia, Idaho, Illinois, Indiana, Iowa, Kentucky, Michigan, Montana, New Hampshire, New Jersey, North Carolina, Pennsylvania, Rhode Island, South Carolina, Tennessee, Texas, Utah, Wyoming, and many more — a growing nationwide revolt.

Respiratory illnesses exploding. Neurological issues skyrocketing. Crop failures and soil poisoning. Families suffering mysterious health declines. This is biological warfare on the American people — and it stops NOW.

With the Trump administration’s support and Robert F. Kennedy Jr. at HHS sounding the alarm and vowing action, this is our moment. No more silent skies filled with poison. No more experimenting on unaware citizens.

RECLAIM OUR SKIES. BAN GEOENGINEERING. PROTECT THE HEALTH OF ALL AMERICANS — FROM COAST TO COAST.

U. A Plea to Patriots...HELP, HELP, HELP!!!

D.L. is a homeless bedridden 48 year-old woman who desperately needs your immediate help. Her SSI income is \$600 short to cover her rent of a very small motel room in a scary part of town (that does not accommodate a wheelchair, so she has to crawl on the floor), let alone have money for food and essential expenses. She is facing living on the streets in lieu of being moved to a homeless shelter, which is not physically feasible in her health condition. The shelter would require giving up her disabled cat. "My cat Monkey is the love of my life. She lays on me 22 hours a day. I could never give her up. She's so attached to me she cries if I'm gone from my bed for more than a few minutes." D.L.'s long-term goal is to secure a ADA-accessible home. She is seeking leads for property, housing, or resources in Snohomish County, Washington State, especially Bothell/Canyon Park or Three Lakes, and in King County, Washington, especially Woodinville or Redmond. V. Update Kaitlynn Hunter, Jeannine Larrick

Jeannine Larrick has recently been arrested and is currently in Guernsey County Jail. The intention of Ohio authorities appeared to be to prevent Jeannine from testifying against Ohio Child Protective Service authorities, Guernsey county sheriffs, court authorities and Journey Home NYAP foster care – all believed involved in Human Trafficking.

Journey Home NYAP Foster Care and the Ohio government syndicate all the way up to the Ohio Attorney Generals office, was believed connected to a CIA Child Sex Trafficking Ring which prepared Ohio Foster Care teens for entrance into Sex Trafficking.

Juan O Savin said a while back, "Please help save Kaitlynn, Jeannine and Ohio Foster Children – burn this satanic web down! Kaitlynn Hunter and Jeannine Larrick were in grave danger from Ohio's corrupt CPS, sheriff department and courts. The two hold damning proof. Their evidence could lock up Guernsey County Ohio demons for Crimes Against Humanity and Depravation of Rights. The Alliance needs your rage to trigger mass arrests!"

It was believed Ohio authorities intended to admit Jeannine to a psych ward and force psychotropic drugs on her in retaliation for her years of exposing Ohio Child Protective Services Crimes Against Humanity and thus prevent her from testifying against perpetrators.

Jeannine and her daughter Kaitlynn Hunter are eyewitnesses to and Kaitlynn a victim of, over twelve years of Ohio CPS abuse of Ohio Foster Children including beatings, prolonged starvation, rapes, and being refused health care, education and contact with loved ones.

Just before she was arrested Jeannine said, "I am facing **Obstruction of Justice, interference of custody for protecting my daughter Kaitlynn from CPS beatings, starvation and rape, plus contempt for not taking the unconstitutional incompetence evaluation** (I provided proof of my mental health when I was arrested for the 4th time since my 1st false arrest 2-11-19 . All arrests I have proof of Rico conspiracy and crimes against us.

The warrant was issued the day I buried my mother who was medically murdered. She was denied her baseline XANAX to breath several days twice in a two week period causing her to a fib and die).

“Currently Judge Williams has stricken all my discovery and filings from the record and is demanding I go to District 9 again and take another competency evaluation before she will hear the case. The same entity who said I suspected Rico and did not trust the government that helped strip custody in 2021. Now there is a warrant for my 5th arrest on an unconstitutional order to continue the narrative for 7 long years.”

You can help. Please consider calling or emailing Ohio authorities and demand Jeannine’s immediate release.

X. Tim Ballard: A hero rescuing children from Child Trafficking Rings

Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Y. "Ken and Barbie vs. Goliath IRS":

Ken Cromar presently sits in prison having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. **Ken (& Barbara) Cromar**

Update: May 23, 2026 Day #997

Dear Patriot Friends & Family,

Exactly one month ago today a spiritual TRIUMPH was enjoyed!

On April 23, 2026 the Florence Prison Camp Chapel filled to overflowing with 40+, standing room only, with one friend leaving because he couldn't get in the doors. The 45-minute sermon on the subject of "The Miracle of Christ's TOTAL FORGIVENESS" felt so inspired. Personally, I was blessed and learned so much! As you might imagine, the subject of forgiveness -- both receiving & giving -- is a very important, personal subject to men who are locked up in prison, most for a number of years.

We were blessed to have the Spirit there. It appeared that all the inmates were extremely attentive, their hearts touched and deep personal reflection was inspired. Many expressed their gratitude afterward. I hope it will be of some blessing to you. Feel free to share the PDF and share your thoughts with me.

May God Bless Us to Forgive & Be Forgiven,

Ken Cromar

P.S. This sermon has blessed me, as I'm learning to be more forgiving of the Supreme Court who Denied hearing my case. We know we're right, and believe our cause of exposing the IRS will ultimately prevail, but I've come to recognize that -- as Justice Gorsuch has reportedly said -- that "we cannot hear every case that has merit" -- that it is just impossible to hear every worthy case. That's hard to accept, but easier having been inspired while writing "Total Forgiveness". Having said all that, we have made one last ditch effort and filed a "Rule 44" appeal to SCOTUS for a re-hearing of our case with some additional new information provided to them. That appeal is scheduled for their private closed-door Conference on May 28th this coming week. All your prayers to date have been welcome and appreciated. Please consider praying for the Supreme Court Justice's hearts to be touched and that they'll seriously consider our appeal on the 28th. Thank you!

Ken is able to receive regular mail now – envelopes. All mail is opened and read by a prison employee. TOTAL FORGIVENESS

By Paul Kenneth Cromar -- April 23, 2026

Florence Federal Prison Camp -- Florence, Colorado

Note: The most our Florence Chapel ever had to date was 20, but it was filled with 40+ standing room spilling out into the foyer, with some who walked away when they couldn't get in.

My Dear Fellow Inmate Brothers & Friends in Christ,

I don't believe it is a coincidence that we are gathered together here at the Florence Federal Prison Camp, or the place I've lately been calling the University of Florence because I'm learning so much. I'm grateful I've been invited to share with you my testimony of Christ as it relates to giving and receiving forgiveness. Today's sermon is called...

“The Miracle of Christ's TOTAL FORGIVENESS:

If We Don't Forgive, We Won't Be Forgiven”

Do you have an enemy?

We're sitting here in prison together; cut off from our family, friends and freedom. Surely you can think of at least one enemy?

"What is an enemy? It is a person who either wants to harm you or who would say something about you so as to call your credibility or integrity into question. They would rejoice at your downfall or lack of success. They would not pray that God would bless you and prosper you, but instead they would sincerely hope that God would bring you down." I got that quote from a book I found when I was put in the SHU [Special Housing Unit] solitary confinement for 10 days called Total Forgiveness by R.T. Kendall (pg. 168).

Do we need to forgive?

In Matt 6:14-15, Jesus said, "If you forgive those who sin against you, your Heavenly Father will forgive you. But if you refuse to forgive another, your Father will not forgive your sins."

[Note: All scriptures are quoted from the New Living Translation (NLT) version of the Bible; more specifically the Life Recovery Bible special prison version of the NLT, because its modern language is easier to understand for inmates with little to no Bible experience.]

Most here know that they are guilty of some crime and qualified or maybe even admitted that they should be here. There are others of us sitting here in prison who are 100% innocent. There are some who were maliciously prosecuted and convicted and thrown into prison, maybe based on false testimony. Horrible! Some made a plea bargain -- signing a document officially admitting guilt -- when they weren't guilty, sometimes lying about themselves, confessing to things that they didn't do, so they would "only" have to go to prison 3-5 years, instead of 10-15 if they lost at trial. Others provided the testimony the prosecution wanted against someone else, too often testifying to things they knew were not true, in order to shorten their own time in prison. Sadly, those who testified falsely against others are considered by some inmates as despicable sub-humans, making them sit at their own separate table apart from the groups.

There was a day when the so-called "Department of Justice," while prosecuting a case against someone, would also fight to protect his rights, even if it meant they had to let him go, because JUSTICE was the main goal. Not anymore. Instead of the "innocent until proven guilty" that made American justice the envy of the world, now it's flipped to "guilty until you can prove you're innocent." American ..."justice" has become "the government wins at all costs - period".

There's even a famous book about this called *Licensed to Lie* by former US Prosecutor Sydney Powell, exposing the corruption in the courts.

Isn't it sad that some government prosecutors knowingly commit the crime of "suborning perjury," the act of persuading someone to make a false or misleading statement under oath - - and it is a federal crime. This is often done by disreputable prosecutors across the country just to get the win in court. Disgusting! Where are the honest

prosecutors, prosecuting the corrupt prosecutors who suborn perjury? I know people here whose prosecutors threatened to indict & charge their wife, family or friends, to put them in prison too if they did not plead guilty. No wonder they can claim a 97% conviction rate. This cannot be considered "justice for all." This is wicked. If you are that rare completely innocent inmate, I have a really tough question for you:

How could you possibly forgive someone who unjustly put you into prison?

How about the courts? Could you forgive a judge or prosecutor who didn't understand the law correctly and who pridefully and arrogantly decided to "make an example out of you" (as my judge said to me at sentencing) and give you the maximum sentence possible? My judge did this despite the fact that the Supreme Court came down with a new decision after my 16 day trial, but before sentencing, proving my interpretation of the tax law was correct. But was the judge going to change my conviction? No way.

How about this: Could you forgive someone who recklessly drove drunk and plowed head on into your car, killing your family? My friend just wrote me about meeting Chris Williams whose wife, two kids, and unborn baby were killed by a 17 year old drunk driver -- who he was able to forgive. That story is now in a book and movie made by a fellow filmmaker friend of mine, called *Just Let Go*.

How about forgiving someone who killed your mother or father intentionally?

What about a cheating spouse? Do you know of anyone who has walked in on their best friend in bed with their wife? A friend of mine suffered that horrifically shocking experience.

If You Refuse to Forgive Others, Your Father Will Not Forgive You (Matt 6:15)

Question: Dear God, but how can I forgive this? It's too hard. I want JUSTICE! I want them punished for what they did to me and to feel the hurt I feel!

Answer: First, we must remember, none of us is perfect and we're all sinners & prodigal sons in one way or another, in a big or small way. None of us are perfect. We're all guilty, and imperfect before God. Isn't it interesting how quickly we can explain every little detail about how someone else has hurt or betrayed us, but we can't bring ourselves to do the same careful investigation and research into how we may have hurt others? That pretty much makes us hypocrites, fooling ourselves.

1 Cor. 6:9 says: " Don't you realize that those who do wrong will not inherit the kingdom of God? Don't fool yourselves...". Then the scripture goes on to list many sins. So, what can we do?

How can we be saved?

By a show of hands: Who here is married? Or, ever have been married before? Let me share a story from Total Forgiveness by R.T. Kendall.

Jim Bakker's Experience of Letting Go of Wrongs

Jim Bakker, the television evangelist, had been sentenced to forty-five years in prison for something, it turned out, he had not done. He was initially found guilty of deliberately misleading his television viewers, encouraging them to send in money to buy homes that did not exist. He sat in prison for many years before he was vindicated. And in the meantime, his wife, Tammy Faye, divorced him and married his best friend, Roe Messner.

Eventually Jim was totally vindicated of the charges and was released from prison. Five years later, Jim married his present wife Lori. Larry King invited the four of them to be on his TV program. What an interesting show it would turn out to be!

Each person had a story to tell -- of deep, deep hurts and total forgiveness. Both Jim and Tammy, before Jim's imprisonment, had felt betrayed by the American minister who was almost entirely responsible for Jim being sentenced to prison. Both needed to forgive this minister. Tammy had to forgive Jim for his adulterous sexual encounter with a young woman -- the episode that led to his downfall. Jim not only had to forgive the unjust witnesses and biased judge who had sentenced him unfairly, but also his wife for marrying his best friend while he was in prison. This is to say nothing about the hurts that the other two participants -- Roe and Lori -- had experienced.

Larry King asked Jim, "How did it feel?"

Jim replied, "We were in a situation that was unbelievable. I was to be in prison for forty- five years. At my age I would never have gotten out of prison before I died. And so I don't blame Tammy Faye for going on with her life."

Jim had not felt that way at first! But eventually he came to terms with the situation, totally forgave Tammy Faye, and fully appreciated her decision to marry Roe.

Jim continued, "Nelson Mandela says that he didn't look at prison as a down; he took it as an up. I suddenly found myself in prison for forty-five years -- and my theology didn't allow for that at that time. It was like God had walked away from me. I know millions of people have gone through experiences saying, 'Why, God?' As I studied the Word of God and had more time to study the Bible, it was my faith in God that got me through. My faith was actually growing after five years. This experience was the greatest training seminary I ever went through, and my relationship with God became more intimate than ever."

Larry King then asked, "Are you saying, in a sense, in retrospect, it was good that you were in prison?"

Jim replied, "Absolutely, absolutely! I learned so much, and now that I am working inner cities all over the world, I understand the people so much better. WHEN I SAY I'VE BEEN IN PRISON, IT'S BETTER THAN BEING AN ORDAINED MINISTER. The people respond to me because they know I'm like them."

Larry then turned to Tammy and said, "You could help a lot of people because there's a lot of stories in the news now: the Giuliani story and the Clinton story. You were able to forgive and to overcome the worst thing a wife can go through. How were you able to do that?"

Tammy Faye answered, "Forgiveness is a choice. Our whole lives are made up of choices."

Larry then said to Tammy Faye, regarding Jim's affair, "You could have been bitter."

She replied, "I could have chosen to be bitter and hate him, or I could have chosen to forgive. It was very hard for me to forgive him; it was very hard. But...I was able to forgive him and understand what happened and go on."

Larry turned to Jim again: "And how did you feel about the forgiveness?"

Jim replied: "The Bible is so clear, and this is what I studied in prison. When I began to study the words of Jesus Christ, I learned that He said if you don't forgive from the heart, forgiving everyone, you will not be forgiven. Christ said, 'Blessed are the merciful for they shall obtain mercy.' I needed mercy; I needed forgiveness, so I wanted to give out to others what I myself needed."

Larry asked Jim, "Did you feel terrific she was able to forgive this?"

Jim answered, "Whether she forgave me or not, you know, I had to forgive her. I had to forgive everyone. I mean, everyone who goes through divorce, it's painful, and I took all the blame finally because I realized all the mistakes that I had made. I realized that I was the one who had the affair; I was the one who screwed up. I had left her out there by herself to literally face dying without a husband."

Larry turned again to Tammy, "So you're friendly now. How do you explain that?"

Tammy replied, "I like this man [Jim]; he's a really nice man. We were married for thirty years, and we've had wonderful memories together. We had two awesome kids together, and I genuinely like him."

Larry asked Jim if he ever prayed for Roe. He answered, "Absolutely I pray for Roe. I had to really forgive Roe for marrying my wife at that point in prison. I mean, you have to forgive. I'm in prison and God was dealing with me to forgive everybody. You can't just forgive; you've got to pray for God to bless your enemies."

Larry responded, "It doesn't make it easy, does it?"

Jim then said, "I had to come to the point where I had to literally tell God -- Roe's one of the greatest builders in the world -- and I had to say to God, 'If, God, You want me to ever build something again, I would build it with Roe Messner.' And I had come to the point where I could say, 'God, Your will be done, not my will be done.'"

Larry then looked at all four persons before him and asked, "There's no jealousy in this room?"

The unanimous answer: "No."

"Do you say that you're all friends?" asked Larry.

The unanimous answer: "Yes."

"How do you explain that?" asked Larry King.

Jim Bakker, ... "When I first went to prison, I was even questioning, "'Where, God? Where are You?' But as I went through the months of studying the Word of God, I realized that prison was God's plan for me. God was saying, 'I want you to come aside and be with Me.' EVERYONE IN THE BIBLE, FROM GENESIS TO REVELATION, HAS EITHER BEEN IN A PIT OR A PRISON OR THE BACKSIDE OF THE DESERT. They've all been through bad things. So bad things do happen to people -- they happened to all the great men of God."

Larry King then concluded the interview by echoing what millions watching must have thought: "I'm amazed," he said.

Jim Bakker had been vindicated. A law professor at Fordham University stepped in out of the blue and took on Jim's case. He showed convincingly that Bakker was totally innocent of the charges of fraud, and after five years in prison Jim was released. He went on to live in solitude for a long while on a farm in North Carolina. His biggest problem, he says, was forgiving himself. He never believed for a moment he was guilty of financial dishonesty, but he knew he had erred in at least two areas: his sexual affair and his prosperity teaching -- that God will make anyone prosperous who follows certain formulas. He knew he had been wrong. How could he forgive himself? (TF pg 142-147)

Forgiving Ourselves

Surprisingly, forgiving ourselves can be harder than forgiving others, but it can also be the most important personal breakthrough necessary for total forgiveness. To be a complete and total forgiveness, requires asking for forgiveness, forgiving others, and forgiving ourselves. If all three elements are not present, it's not total forgiveness.

Christ's atonement - sacrifice for each and every one of us - does two important things:

1. When we repent, it washes away our sin-- as though it never had existed.
2. It perfectly satisfies God's eternal justice.

"And I will forgive their wickedness, and I will never again remember their sins." (Hebrews 8:12 LRB)

Wow! Once we've repented of our sin, and God forgives us, we had best forgive ourselves too!

Could it be possible that once God and those we've hurt have forgiven us, that if we don't forgive ourselves -- we're offending God's gift to us?

Forgiveness within "Barbie & Ken vs. Goliath IRS"

My wife Barbara and I are trying to learn how to forgive our enemies -- and there's lots of them -- that attacked us and helped put me in prison. We have a number of people who have harmed us through our nightmare ordeal with the IRS. The case against us was United States of American vs Paul Kenneth Cromar & Barbara Ann Cromar (I go by my middle name Ken on the outside). You would think that it would just be between us and the government, right? Wrong.

One angry relative actually called the IRS to tell them that Barbara & I had a bunch of friends who were going to show up to the IRS auction of our home to peacefully protest by holding up signs. I first learned about the betrayal by this dear loved one through court discovery documents. Ouch! I thought, "What kind of loving relative does that?"

Also, a long-time neighbor and family "friend" had died the day before the IRS auction, but his grandson decided to bid at the IRS auction of our home, but then couldn't come up with the money within the 30-day court ordered deadline. But so as not to lose his non-refundable 10% cash down payment, he worked an illegal deal with the IRS agent and church leader of our same faith!

Then we were trespassed from our own church of almost 30 years by another local church leader/friend/neighbor, being told, "If you come to church, you'll be arrested!" Remember, these are friends who helped guide and raise our kids for over 25 years, and we did the same with theirs. And there were many other incidents of personal betrayal and false testimony and denial of my constitutional rights, which ultimately put me here with you in prison, not the least of which was when corrupt city officials and their cronies who, we believe, had connections at the IRS, weaponized the IRS against us. This was in the city where I had been an elected city councilman, and where I kept exposing the city government's corruption to protect the people's money. It was while sitting in solitary confinement in Pahrump, NV, where a wonderful, unexpected thing happened. It was in that dark filled place that I discovered a light-filled little book -- one of only a couple I could get into my cell -- called "Total Forgiveness" by R.T. Kendal.

This little book taught me that to have a great enemy who is determined to destroy you and your reputation is also potentially the greatest blessing of your life. What he wrote needs to be shared with you:

"When you totally forgive your enemy, you have crossed over into the supernatural realm. ...There is no natural explanation for the truly miraculous. But if you and I totally forgive one

who is truly an enemy, believe me, we have just crossed over into the realm of the supernatural.

"You may not speak in tongues; you may not have raised a person from the dead. But when you totally forgive an authentic enemy, you are there. You have made it into the big leagues.

"I believe we're talking about the highest level of spirituality that exists. This is as good as it gets. Totally forgiving an enemy is as spectacular as any miracle. You quietly intercede [plead with heaven] for them in solitude. Only God, the angels and the devil know.

When you totally forgive anyone who has hurt you, the blessing is beyond words to describe." (TF pg. 169-171)

Friends, I believe this! The Spirit tells me this is true -- and I can recommend this principle to you -- because I was once able to feel just a small taste of it. For one brief minute I was able to let go of all the hurt and genuinely hope that I could someday stand in God's presence together with those people who hurt us. These brief sixty seconds were an unexpected blessing of joy that was an absolutely desirable and delicious feeling. I want to get past my pride, let go of my desire to have my enemies judged and punished, and instead recapture and hold onto that feeling of love for them and desire for their success before God, and instead make those positive feelings a permanent part of my soul.

Why? How? I believe that if we truly love God, we'll love the things He loves, and He loves ALL His children. Yes, even the worst children you can think of; the Hitlers, the Stalins, and many others responsible for the suffering and death of millions. He loves them too, along with each and every one of His children.

Jesus taught, "Repent of your sins and turn to God, for the Kingdom of Heaven is near" (Matt 4:17). So, we're all going to sin, but after we repent, here's the GREAT NEWS: Jesus said, "And I will forgive their wickedness, and I will never again remember their sins" (Hebrews 8:12). Isn't that a wonderful promise to those who repent?

During a recent sermon our friend Moses here led the worship service. The Spirit pricked my heart -- interestingly unrelated to Moses' sermon because that's how the Spirit works sometimes -- and I left that meeting determined to tell my wife something I had never told her about a woman, many years ago, who I believe had tried to seduce me. And though I didn't stick around to find out for sure, I was embarrassed. Nothing had happened, but that didn't matter.

As loving trusted companions, I now felt I needed to tell her. So, I did.

Why is it that we're always so hard on ourselves? The Lord has already paid the price of our sins and near misses, and all he asks is that we repent - confess, renounce, and turn back to Him, with full purpose of heart. But still, all too often we won't forgive ourselves.

Many years ago, when our family was in the livingroom talking about Christ's great atoning sacrifice that paid for our sins, my son Talmage who was about 13 years old I think, said, "Dad if we don't repent and accept Christ's forgiveness, is that like getting a beautifully wrapped gift from Christ, setting it aside, and then not bothering to open it up?" Wow! "Yes, son, that's exactly right. That's really good, son! Thanks." Out of the mouths of babes, as

they say. I had never thought of the Atonement like that -- as a beautifully wrapped gift that does one no good unless it is opened. I'll never forget my son Tal's thought-provoking comment.

Question: If it's true, as the scriptures say, that we must forgive to be forgiven--here's something to think about--is it possible that if we don't forgive ourselves -- by opening and accepting Christ's gift -- that we won't be forgiven?

So how can we learn to forgive others, and ourselves, so we can be forgiven?

Again from the book *Total Forgiveness*:

"If you have a real, relentless genuine enemy -- someone who is not a figment of your anxiety or imagination -- you should see yourself as sitting on a mine of twenty-four carat gold. Not everyone is that blessed! But if you have been blessed in that way, take it with both hands. You should take this person's picture, enlarge it, frame it, and thank God every time you look at it.

Your enemy, should you handle him or her correctly, could turn out to be the best thing that ever happened to you" (TF pg 167).

You must totally forgive the offender. Until you totally forgive you will be in chains. Release them, and you'll be released" (TF pg 1).

Charlie Would Have Forgiven His Assassin

Remember the assassination of Charlie Kirk in Utah on September 10, 2025? That's my home turf—my hood! We all watched the news of that horrible murder in a very public way and place.

I taught a class as an adjunct professor at Utah Valley University, helping the school when they were short-handed for a couple of years. Do you remember the surveillance camera showing the alleged shooter jump down from a building by a parking lot? That's the parking lot where I often parked for my class. The 2,000 or so people there were traumatized. My oldest son Ray was at the rally, but fortunately/unfortunately had to leave 5 minutes before the shooting to get back to work because he works on campus - he graduated from UVU. The entire state was in shock because that's not what you would ever guess would happen in family friendly safe and conservative Utah. We were relieved when the apparent assassin who left enough intercepted text clues confessing to his gay trans roommate, led to his being captured. (He's now in pre-trial hearings).

A few days later Erika Kirk, now a widow with two young children, spoke at her own husband's funeral.

Here's Erika Kirk's incredible comments at Charlie's funeral, viewed by millions across the country:

"...Charlie's mission above all was aimed directly at those who aren't married. He named his organization well [Turning Point USA]. He knew things were not right with America, especially with young people, and they needed a new direction. Charlie passionately wanted to reach and save the young men, just like the one who took his life. . . . That young man. That young man. On the cross, our Savior said, "Father, forgive them for they know not what they do." That man. That young man, I forgive him [long pause & standing ovation]. I forgive him because it was what Christ did, and it is what Charlie would do. The answer to hate is not hate. The answer we know from the gospel is love and always love. Love for our enemies, and love for those who persecute us. . . ."

Now that moment of Total Forgiveness is one rarely seen in public. But her comments were said before a grieving audience of millions tuning in. I don't think anyone who saw it could possibly forget that moment.

Possibly the Greatest Story in All Scripture Is About Total Forgiveness

My favorite Old Testament hero is Joseph who was sold into slavery in Egypt by his 10 jealous brothers. You & I here in prison can relate to that. Maybe only 17 or 18 when it happened, he would spend almost what could have been 11 years in prison (Genesis 41:46 & 45:6) because he refused the sexual come-on of his Master Potiphar's hotty wife who, when her attempt to seduce the young, handsome Joseph was rejected, accused him of attempted rape and Joseph was thrown into prison. How would you feel going to prison knowing you were completely innocent? That's a tough one.

Fortunately, Joseph was miraculously delivered from prison and launched to the highest level of power in all Egypt, second only to Pharaoh himself. After 3 years of incredible power over all Egypt, can you imagine Joseph's first

feelings when he saw his starving brothers come looking for food, during a famine in the land. Was he angry? Probably? I know I would have been. Shouldn't Joseph want to punish them? He now had all power and could've had them imprisoned. Why not? They certainly deserved it.

What should we learn from Joseph's example? He had lots of time to think about how his own brothers betrayed him while rotting in an Egyptian version of our Bureau of Prisons - let's call it the E.B.O.P. Joseph may have been in his own version of the E.B.O.P for as many as 11 years, and some say longer. How long exactly Joseph suffered in prison the Bible doesn't tell us. But in light of God's ever-perfect teaching of his children, I would like to think that Joseph was locked up the exact number of months and years God knew he needed to be able to purge his heart of the tears of anguish and anger he must have felt by being betrayed by his own brothers. And just long enough to find forgiveness for them while suffering in his perfectly unjust hell. I have to think Joseph was able to survive this hard thing because he knew what was right and he chose to do the right thing no matter what. He could have just gone ahead and slept with his master Potiphar's wife. No one would know. He was a slave. He had to do what he was told.

Surely God would understand. Instead, he ran from that sin and even left his clothes behind when she would not let go. Joseph was faithful to God, and God's law as taught to him by his beloved father Jacob, whose name God changed to Israel, whose 12 sons would later become the famous 12 tribes of Israel. Joseph no doubt knew of God's promise to his great grandfather, Abraham, that God would bless his posterity, the "Children of Israel," to become more numerous than the stars of the heaven (Genesis 22:17), and that he was expected to live worthily. Joseph, apparently, despite great suffering, tried to align his heart with God's heart and purpose and did so even from the depths of a deep, dark, dank dungeon.

And so, here's the lesson: Joseph did NOT make his brothers feel guilty for the terrible thing they had done to him -- even though he literally had all the power in the world to make it really hurt as the most powerful man in the world - - second only to Pharaoh. Joseph treated his brothers in just the exact opposite manner. He did all he could do to protect his brothers from themselves!

Joseph's brothers did not recognize him because Joseph was dressed in kingly Egyptian clothes and black eye makeup!

Genesis 45 records that moment: "Please come closer," [Joseph] said to them. So they came closer. And he said again, "I am Joseph, your brother, whom you sold into slavery in Egypt. But don't be upset, and don't be angry with yourselves for selling me to this place. It was God who sent me here ahead of you to preserve your lives."

7. God has sent me ahead of you to keep you and your families alive and to preserve many survivors.

8. So it was God who sent me here, not you! Genesis 45:4-5, 7-8 LRB

Then, Joseph presented himself to his father... he embraced his father and wept, holding him for a long time (Genesis 46:29).

Joseph tried to protect his 10 brothers from the anger and guilt he knew they would feel when they came to fully realize just how wickedly they treated him. He tried to help them repent by not condemning them, which could have helped incite their pride to get in the way. Joseph served as their literal physical savior, saving them from starvation, and did so lovingly & compassionately, saving them when they knew they were not worthy of it! Does this remind you of anyone? Wasn't Jesus sent to serve as our Savior even though we don't deserve it? I believe Christ will serve us--not as a prosecutor at the final judgment, but more like a defense attorney—fighting for the faithful, repentant receivers of His "beautifully wrapped gift," payment for their sins. Hallelujah!

Are There Blessings to Having an Enemy?

As we prisoners all well know, the prosecutor's main strategy was to discredit & disrespect you.

They did their job well, and here we now all sit, stuck together here at the Florence Prison Camp. Prosecutors don't destroy with a sword or gun; they do it with their tongue, pen and keyboard. All of us here in prison had at least one prosecutor obsessed with destroying you in front of a judge and jury. This is a unique experience that doesn't happen to everyone.

Defending myself at trial was a horrific experience, the like of which I hope to never go through again. Defending yourself in a federal trial is a difficult way to try to learn to play the role of a lawyer. And yet, this could be the

biggest blessing of your entire life -- if you take advantage of the opportunity of learning to be Christ-like by forgiving what may seem to be the unforgivable.

This experience could serve to help awaken and save your prosecutor's soul, and at the same time serve to awaken, save and exalt your soul! Have we forgiven our prosecutors and judges from court, or those who lied and testified against us, yet?

Again, from the book *Total Forgiveness*, "When you know that a person is obsessed with you and is out to discredit you, you are very, very blessed indeed. This doesn't happen to everyone.

You are chosen, for behind your enemy is the hand of God. God has raised up our enemy -- possibly just for you!

"When you totally forgive your enemy, you have crossed over into the supernatural realm. ...There's no natural explanation for the truly miraculous. But if you and I totally forgive someone who is truly an enemy, believe me, we have just crossed over into the realm of the supernatural.

If we want to be forgiven, we **MUST FORGIVE** -- Yes! even our prosecutors and judges and those who may have lied about us, to put us here in prison. Joseph, who literally saved his family's lives may have also served to save his own soul through being able to offer them **TOTAL FORGIVENESS**.

Ephesians 4:31-32 - Get rid of all bitterness, rage, anger, harsh words, and slander, as well as all types of evil behavior. Instead, be kind to each other, tenderhearted, forgiving one another, just as God through Christ has forgiven you.

HINT: We'll know our heart is in the right place if we don't tell the world about the wonderful thing we've done. "Hey, look what I did. I have actually prayed for my unfaithful spouse, lying neighbor, unethical prosecutor, agenda driven judge, to be blessed." Nope! Our humble prayer should take place in the silence of our hearts, where only God and angels can witness it. But be assured that this kind of sincere love, concern, and sacrifice must please God very much.

By a show of hands how many of you are parents? (Most the hands went up.)

Barbara and I have seven children we raised together -- and we remain together happily

married even through this sad prison "adventure." (Held up two group photos of my family from 12 years ago. Someone asked if they could see the pictures and they ended up being passed around to be seen by all 40-plus inmates in the room and those standing in the foyer.) What parent doesn't want their children to get along with each other? Are there any parents who like to see their child come and squeal on another and try to have them punished? That only puts the parent in a difficult position. What makes every parent happy is when there is love and forgiveness between their children, and no desire that punishments get handed out. That is what we do when we ask God to bless and not curse the person who hurt us. Christ told us to pray for our enemies, "that you may be sons of your Father in Heaven" (Matt 5:45). Sounds like the happiest places in heaven will be filled with loving and forgiving children of God. Now that's something worthy of aspiring to.

If we genuinely pray for our enemies or persons who have disappointed us, of course there is a heavenly reward. But, **WARNING**: This is the really hard part. If you ask heaven to bless your enemy, He may just answer your prayer and bless them. Will you still pray that prayer?

God Put Jonah in Time-Out Inside a Whale

Remember the Jonah and the big fish story? I'm reading this from the Life Recovery Bible explanation of the story (p 1135):

"God called Jonah to warn the people of Nineveh that they faced destruction if they refused to repent of their sins. But Jonah would rather have died than obey God's command. Jonah wanted God to destroy the wicked Assyrian capital; [Jonah was prejudiced because they weren't of his race or religion -- the Assyrians weren't in Jonah's "car."] He didn't want the people to repent and receive God's forgiveness. So Jonah boarded a ship and headed in the opposite direction.

[Note: Most prisoners are divided up by race -- Whites, Blacks, Latinos, Asians, etc. -- for meals and inmate justice and coordination, etc. I "ride" with the "White car." In prison terms, Jonah was in the "Jewish car," while the Assyrians were in the "Assyrian car"].

You remember what happened next; a massive storm hit the ship and was about to sink it before Jonah admitted the storm was because of his disobedience to God, and he allowed himself to be thrown overboard where he was swallowed by a great fish.

(quote cont.) "It is difficult to begin the process of forgiveness once bitterness has set in. God had to put Jonah in the belly of a great fish for three days to get his attention. In the end, Jonah finally admitted that he was helpless and asked God for deliverance. Then he grudgingly went to Nineveh to warn the people of their impending punishment. Jonah was not happy when the people responded to his message and repented, for God responded to their humility with mercy" (pg 1137).

God put off his destruction [saving the 120,000 people of Ninevah]. Jonah complained, "Did I say before I left home that you would do this, Lord? That is why I ran away.... You are eager to turn back from destroying people" (Jonah 4:2). [Jonah was like the kid begging his parent to punish the bad brother].

"We cannot remove our bitterness on our own. And it will never be easy to accept that God wants to rescue even the people we hate. We must allow God to change our heart as we work toward forgiving those who have hurt us. This will take time. God asks only that we be willing to let him begin the work in our heart."

[Note: Due to time constraints, the above Jonah segment was not presented to the inmates.]

Learning To Love What God Loves -- ALL His Children

It appears that few things please God our Heavenly Father more than our following of Jesus Christ's example of loving and praying for our enemies. So, if we say we love God, we must love the things that God loves. If God loves all his children, and he does, we must forgive others. But he'll never force us to do anything. One of God's greatest gifts is our free will. We can choose to do whatever we want. However, we cannot choose the consequences of choosing to forgive or not to forgive.

Here's God's covenant, or the two-way promise "contract," He offers us. The covenant is really simple. Jesus explained:

"If you forgive those who sin against you, your heavenly Father will forgive you. But if you refuse to forgive others, your Father will not forgive your sins." (Matt 6:14-15)

That's powerful. That's important. That's a great deal. Please "open Christ's gift"!

Paul taught that Christ gave us this wonderful message of reconciliation. What does "reconciliation" mean? It is a beautiful word that means: to restore friendship, compatibility or harmony. Also: To re-establish friendship. -- To bring (something) into a state of agreement or accord. To reunite /heal the breach. To harmonize/ adapt/ settle.

Paul taught: So we are Christ's ambassadors; God is making his appeal through us. We speak for Christ when we plead, "Come back to God!" (repent) For God made Christ, who never sinned, to be the offering for our sin, so that we could be made right, reconciled with God, through Christ (2 Cor. 5:19-21).

Jesus Christ is the only name that can save us. Acts: 4:12 says: "There is salvation in no one else! God has given no other name under heaven by which we must be saved."

Paul wrote to the Romans:

Now we call him "Abba, Father." For His Spirit joins with our spirit to affirm that we are His children, we are His heirs. In fact, together with Christ we are heirs of God's glory. But if we are to share His glory we must also share His suffering." (Romans 8:15-16)

And some of that "suffering" surely includes being harmed by others, but then forgiving them anyway. The Lord's Prayer includes the words, "forgive us our sins, as we have forgiven those who sin against us" (Matt 6:12).

I want to accept and open Christ's beautifully wrapped gift with its invitation to be a "joint heir to all the Father has." Don't you?

I want to accept Christ's invitation to be a "joint heir to all the Father has. Don't you?

And what would it mean to be "joint heirs with Christ" to the Father's Kingdom? Here's His glorious, holy promise to us:

"No eye has seen, no ear has heard,
and no mind has imagined
what God has prepared
for those who love him" (1 Cor 2:9).

Those words are worth hearing again:

"No eye has seen, no ear has heard,
and no mind has imagined
what God has prepared
for those who love him."

That sounds like a great covenant contract to me! How about you? We would be wise to take the deal.

I pray we can forgive all who have hurt us, so we can be forgiven, and become heirs together with Christ in God's Heavenly Kingdom forever. That's His beautifully wrapped gift to us -- and all we have to do is "open" it.

I leave this message with you in the holy name of the One who made all good things possible --

Jesus Christ. Amen.

Z. Judy Note HIGH ALERT: The below is a request from the mother of a child in London England who was pleading for the White Hats to rescue her daughter Alana Martin from London Foster Care and reunite her with her family.

Hi Judy, A massive thank you for your help sharing our evidence for the safe return of my daughter The Stolen Girl: Alana-Linda Martin. We are still fighting this on-going battle to save my daughter. Court hearings were about the criminal kidnapers, who were looking for the higher courts to cover them with an order of "anonymity" to stop us from exposing their names or their crimes. For the last 5 months of her now 9 month captivity, the kidnapers are only concerned in covering their own criminality, as there has been no mention about her care or a final hearing throughout this torture and terrorism. All factual knowledge of our case is being ignored/ covered up by public servants & Judges involved which have all gone Ultra-Vires. In further attempts to stop our quest and our calling our names and mission was sabotaged including our State Child Trafficking Task&Force116/ Council of 13, they have bankrupt my bank accounts, book sales, PayPal accounts, our social media sites, and now they are trying to threaten our home with eviction. Za. Watch Out For Scammers:

Upon implementation of the Global Currency Reset the Cabal will be losing their money supply and they are hot and heavy to SCAM anyone in any way they can.

Judy Note: There are 84 platforms on Telegram under my picture and name Judy Byington. Be aware I have NO platform on Telegram. I do not write on Telegram. Anything written under my name on Telegram was not authored by me.

Speaking of Telegram, there appears to be a huge scam going on Telegram where under the name of some notable Q Movement person they promise to set you up on a QFS Wallet if you send them around \$2,000 or more. This appears to be a scam as setting up your QFS Wallet is supposed to be free to the best of my knowledge.

Watch out for: Anyone advertising they will reimburse you for the TRB Trump Products, or set you up on a Quantum Account asking for money to do it. (They use fake accounts and AI to make you think you are dealing with Trump, Tucker Carlson, etc.)

Also watch out for the HSBC Quantum Token/Bitcoin Scam, the TRB Trump Products Scam, the Dave XRPLion Impersonator Scam, the Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and any other website that asks that you give them your personal identification to register for a QFS Account and/or receive a pay out on TRB products.

DO NOT exchange currency or Zim Bonds anywhere but at a licensed Redemption Center where you will get the highest rates possible.

The HSBC Quantum Scam: They claim they've successfully applied "quantum technology" to buy and sell tokenized physical gold. The trick is when you buy the tokens or Bitcoin they keep the gold and have complete control over your bank account.

Report your TRB Scam experience to:
