Judy Note: As of Wed. 10 June 2026 rumor was that US Military personnel out of Iran were reporting that in retaliation for Iran’s destruction of a US Military helicopter early this morning, Trump ordered bombing of all Iran military facilities and bridges across the country.

It was expected that the EBS would be broadcasting at least by **Sunday 14 June 2026.**

“Welcome to the Great Reset. The US was no longer under the Cabal and their Debt Machine. Soon temporary Martial Law would be active across every nation. Joe Biden’s Body Double AJ Barron has been arrested and was turning State’s Evidence. Every Autopen Pardon and Order of the Biden Administration was expected to soon be null and void.

The World was changing – fast – especially in the world of health. “The disease treatment system is dead. The health care system has just arrived” said JFK Jr. on Telegram on **Wed. 10 June 2026**

According to JFK Jr. on Telegram, “On a Monday morning in Feb. 2026 at 9:00 am all 6,129 hospital administrators in the US received a hand delivered sealed envelope from the Department of Defense. It was marked “Medical Directive 2026-04 for Department use only.”

“Uniformed Military personnel waited in the lobbies until the hospital administrators signed for the eleven-page long directive.

“The first page contained a singular instruction: “Effective immediately all contracts for the procurement of pharmaceutical products with the following entities are suspended until further review.”

“The list contained 31 companies – all the major pharmaceutical manufacturers on the planet such as Pfizer, Moderna, Johnson & Johnson, Merc – all of them.

“Page two introduced a new medical supply chain replacement that operated under military command. The equipment was bio-regenerative, cell restoration technology (Med Beds).

“Page three through eight were training protocols for doctors, nurses and medical technicians for mandatory 72 hour training certification in Quantum Medical Systems.

“Page nine said that all patient charges through insurance would be reduced to zero within 90 days.

“By July 2026 the hospital you walk into will be drastically changed. The pills will be gone. The medical equipment will be different. There will be no co-pays or deductibles, for the bill will be zero. The funding model will be the new Medical Allocation System: a pre-funded asset-backed account assigned to every citizen at birth.”

We have been told that free Med Bed Treatments will be available to all citizens of all countries Worldwide by **July 2026**. Though, everyone would need to receive treatment in their own country.

Med Bed Locations have expanded worldwide with centers across Europe, Asia, Australia, New Zealand, South America, Canada, the United Kingdom, and Dubai. In the United States, networks span coast to coast and heartland states, with facilities serving major communities in California, New York, Texas, Florida, Illinois, and many other locations.

. Wed. 10 June 2026 The moment we've been preparing for is almost here. Over the next 24 to 48 hours, the final activation steps are expected to move into position. Global Activation: The reset is now approaching its live phase. Central banks and financial authorities across multiple regions are aligning for a synchronized confirmation of the transition. Once the switch is acknowledged, the new quantum-secured monetary system will begin operating openly.

Wallet Access: Clear instructions will follow on how to access the QFS wallet. I'll be among the first to log in and view the updated digital assets. The rollout may involve encrypted app updates or secure system alerts, but the process is expected to be simple due to the extensive preparation already completed.

Financial Reset: New currency values will appear directly inside the wallet interface. Adjustments to debts, balances, or legacy accounts may follow automatically. Every update will be logged through the quantum ledger, ensuring complete transparency and verifiable records of each transaction.

Smooth Transition: All prior trials have been successful. Recent test operations included a fully offline quantum-safe transfer that executed without errors. With the infrastructure stable and support teams positioned, the transition is expected to unfold cleanly and without significant disruption.

Everything is aligned. The framework is ready. Keep your notifications enabled, we are only hours away from a historic shift in global finance.

Judy Note: No one knows the exact date for notification of appointments for Tier4b (us, the Internet Group) to exchange foreign currencies, but deadlines shown in the above Timing indicate it to be by the end of this week. We have been told that Wells Fargo, which is controlled by the Chinese Elders – (the ones who own the gold behind the Global Currency Reset) – will send out emails to currency and bond holders worldwide telling them how to set redemption & exchange appointments. It is advised to exchange/redeem your foreign currency at an official Redemption Center (RC) rather than a bank. You can only redeem Zim at a RC, the Dinar Contract Rate can only be given at a RC and banks will offer you lower exchange rates than what you can obtain at a RC. You can only set up your new wallet (bank account) at a RC. It was my understanding that most banks were under control of the Cabal and would soon play a different roll in the Global Financial System.

E. Wed. 10 June 2026 THE HIDDEN WEALTH SYSTEM IS COLLAPSING AND YOUR VALUE IS BEING RESTORED ...Tier4b ISO20022 on Telegram

For decades, a structure operated behind the surface of everyday life, a system built not to serve you, but to extract value from you. What you believed were ordinary documents, like a birth certificate or a social security number, were actually entries in a financial mechanism you were never meant to access or understand.

This system was called the Cestui Que Vie Trust, created the moment you were born. Your “certificate of live birth” wasn’t just a record, it was a securitized bond. Your name was converted into a corporate identity, a tradable asset used as collateral across global markets. Your labor, your future earnings, even your legal existence were quietly monetized without your consent.

But that world is ending. Under the NESARA/GESARA framework and the rise of the Quantum Financial System (QFS), the hidden wealth extracted from generations is being traced, audited, and prepared for return. QFS is not a bank. It is a biometric, quantum-ledger structure that identifies every fraudulent transaction attached to your strawman identity and reverses it.

This transition does not simply reset currency. It restores sovereignty. Your name is not a corporation. Your identity is not collateral. Your value was never theirs to take.

Forensic audits uncovered in military tribunals show how governments, banking institutions, and foreign exchanges traded hidden trust funds tied to millions of citizens. These trusts - often worth vast amounts - were leveraged, borrowed against, and quietly transferred through international settlement systems. The public was never informed, and no permission was ever asked.

QFS changes that permanently. It records every stolen ledger entry, every hidden bond, every artificial debt placed on your legal fiction. And when activation is complete, your access

will come through biometric QFS wallets linked directly to your DNA and frequency signature. This eliminates identity theft, banking control, or any third party standing between you and what is yours.

Projected restitution amounts, based on age and trust history, are already aligned with QFS protocols: Individuals born before 1964: eligible balances exceeding 60 million dollars. Individuals born 1964–1980: approximately 37 million dollars. Individuals born 1981–2001: approximately 22 million dollars, with pathways for legacy expansion.

These are not gifts. They are repayments. Repayments for decades of unlawful taxation. Repayments for generational extraction. Repayments for value taken through a system you never agreed to enter.

As the transition nears full activation, quantum vaults are syncing, legal structures are collapsing, and the old system - built on debt and deception - is losing its final leverage. You won't hear this from the media, and traditional banks cannot confirm what is outside their control.

But the truth remains: You were never poor. Your value was hidden. And now, it is being returned.

Stay observant. The structure that once owned your identity is dissolving, and a sovereign financial world is emerging in its place.

That means kids are being protected at levels that are simply unheard of! And that means this FBI, here's another thing. We didn't just do the physical work on the streets. We went to the cyber community and we dismantled 3 million pedophile accounts off the Tor network where these predators prey on our children and think they can hide from this FBI. They can't. We are going to the ends of the earth and the cyber realm to make sure our most precious commodity kids are safeguarded. And the numbers speak for themselves because the FBI are putting kids first."

Since 2015 the McDonald's Restaurants (the McDonald family were said to be big movers in the Illuminati) were found to be serving human meat of children in their hamburgers. No one has ever been charged or prosecuted, and the McDonalds Hamburger Chain was still going strong.

Richard McDonald, Maurice McDonald and Ray Kroc, not only founded the McDonald fast food chain, but were also “Shriners,” a sub-Masonic order exclusive to the United States.

The Ancient Arabic Order of the Nobles of the Mystic Shrine (Shriners) practice a mix of Egyptian, Masonic and Islamic mysticism (Sufism). In order to be a Shriner, you have to be at least a 32nd Degree Freemason, which gets you into “The Shrine”. When inside the Shrine, you must take a blood oath to the allegiance of Allah and Muhammad, as the prophet.

They give you a red hat with a tassel on it called a “Fez,” named after a town in Morocco, where Muhammad ordered the slaughter of all Christians, after which the Muslims took their white hats, and dipped them in the blood of the dead Christians.

Many Ronald McDonald Houses are located near Shriner Children’s Hospitals (e.g. Galveston and Texas), where up to 90% of guests are Shriner patients, with Shriners members volunteering, delivering gifts, and collaborating on family support and paediatric health care for children.

Ronald McDonald wears red shoes, and they also have a Red shoe society through their Ronald McDonald House Charities (RMHC) — all related to children.

There was information released about a now deleted interview made by the famous child actor in the Home Alone film series, Macaulay Culkin.

Culkin said that he witnessed production executives working with him wearing these red shoes, and one of them said to him that those shoes were made out of human skin of children, who died from Satanic ritual murder and abuse.

According to Culkin, Heather O’Rourke, was one such victim.

As part of the global activation, military tribunals (Nuremberg 2.0) will commence. The CEOs, board members, and chief scientists of Pfizer, Moderna, Johnson and Johnson, and others will be arrested and tried for crimes against humanity.

Their assets will be seized. Their factories will be repurposed. Their laboratories will be dismantled. The poison they created will be neutralized.

For decades, they profited from suffering. They created diseases to sell their cures. They suppressed natural remedies to protect their patents. They knew the harm their products caused, and they did it anyway.

There will be no golden parachutes. There will be no quiet retirements. There will be only accountability.

This is the end of the poisoners. Their reign is over.

Voter Fraud

L. Wed. 10 June 2026 Washington DC is continuing to allow illegal immigrants to register and vote in their local elections, including for Mayor, Attorney General, DC Council members, and other offices! ...Judicial Watch

This stems from DC's Local Resident Voting Rights Amendment Act of 2022, effective since 2024, which permits ILLEGAL residents to vote in local elections. The DC Board of Elections provides a dedicated illegal voter registration form.

In June 2025, the U.S. House passed H.R. 884 (266-148) to repeal this law and ban illegals voting in DC elections, with 56 Democrats joining Republicans. The bill remains PENDING in the Senate right now.

Wisconsin Congressman Tom Tiffany has repeatedly highlighted this issue: "They got their official non-citizen voter registration application. So there it is, the U.S. Capitol has turned over control of its government in part to foreign nationals legally and illegally present in our nation's capital!"

"What country would allow its foreign capital to be controlled by foreigners? This Capitol does, and it's done with the sufferance of Congress. I tell you, our enemies must be looking at an opportunity there!"

How are we supposed to help President Trump ensure we have fair elections across our country if we can't even get politicians in Washington DC to start in our nation's capitol?

N. Wed. 10 June 2026: SUNSCREEN ENTERS YOUR BLOODSTREAM IN UNDER 24 HOURS. THE FDA CONFIRMED THIS IN 2019. THEY DID NOT PULL A SINGLE PRODUCT. THEY TOLD YOU TO KEEP APPLYING. ...Tier4b ISO20022 on Telegram

In January 2020, a randomized clinical trial published in JAMA found that six active sunscreen chemicals — including oxybenzone and avobenzone — absorb into the bloodstream after a single application. Not after years. After one use. At concentrations exceeding the FDA's own safety threshold by 180x to 500x.

The FDA did not recall them. They issued a statement: "Continue to use sunscreen."

Oxybenzone is a confirmed endocrine disruptor. It mimics estrogen. It crosses the placental barrier. It has been found in 97% of Americans tested. It is in breast milk. It is in amniotic fluid. It is in your children before they are born.

A former formulation chemist — 11 years at a top-3 sunscreen manufacturer: "We had internal absorption data by 2014. Full transdermal penetration within 26 minutes of application. The compounds don't sit on the skin. They were never designed to. The delivery mechanism is identical to a pharmaceutical patch. We knew this. The mitigation strategy was never reformulation — it was public messaging. Keep the consumer applying. The margins on chemical sunscreens are 1,400% above production cost. Mineral alternatives cost 4x more to produce. The decision was financial. Every internal document confirmed that."

They told you the sun causes cancer. What they didn't tell you: Vitamin D — produced only through direct sun exposure — is the single most critical regulator of immune surveillance

against malignant cells. A 2023 meta-analysis confirmed: Vitamin D deficiency correlates with a 30-60% increased risk of colorectal, breast, and prostate cancers.

They blocked the one thing your immune system needs to fight cancer. Then sold you a chemical that enters your blood and mimics hormones. Melanoma rates have increased 320% since 1975 — the exact period sunscreen use became widespread.

The paradox is published. McGill University, 2023: "Sunscreen usage is climbing, but so are melanoma and skin cancer rates."

They didn't protect you from cancer. They removed your defense against it and charged you \$14 a bottle. 15 minutes of direct sun daily. No screen. Arms and face exposed. Your body produces 10,000-20,000 IU of Vitamin D in that window — the amount they sell you in pills because they blocked the free version.

They made you afraid of the sun so they could sell you a hormone disruptor and call it protection. The sun is free. That's why they taught you to fear it.

O. Wed. 10 June 2026 Former Hollywood Producer Aaron Russo EXPOSES The Rockefeller Family ...Jim Caviezel on Telegram

“He was at he was at the house one night and he would talk and he started laughing. Aaron, what do you think women's liberation was about? — I said, I think it's about women having the right to work, getting equal pay with men, just like they won the right to vote, you know. And he started to laugh.

He said, you're an idiot. And I said, why am I an idiot? He said, let me tell you what that was about. We, the Rockefellers, funded that. We funded Women's Liberation, you know, and we're the ones who got all over the newspapers and television, the Rockefeller Foundation.

He says, and you want to know why? He says, there were two primary reasons, and they were - One reason was we couldn't tax half the population before women's liberation. - The second reason was, now we get the kids in school at an early age, we can indoctrinate the kids how to think. It breaks up the family.. The kids start looking at the state as the family, as the school, as the officials, as their family, not as the parents teaching them.

And so those are the two primary reasons for women's love, which I thought up to that point was a noble thing. When I saw their intentions behind it, where they were coming from, when they created it, the thought of it. I saw the evil behind what I thought was a noble adventure.”

P. Wed. 10 June 2026 BAYER OWNS MONSANTO. MONSANTO MAKES THE PESTICIDE ON YOUR FOOD. BAYER MAKES THE MEDICATION YOU TAKE WHEN YOU GET SICK FROM IT. THIS IS NOT A CONFLICT OF INTEREST. IT IS A BUSINESS MODEL. ...Mr. Pool Final Chapter on Telegram

In 2018, Bayer acquired Monsanto for \$63 billion. Monsanto produces glyphosate — the most widely used herbicide on Earth. It is sprayed on 80% of all conventional crops in the United States. It is in your bread. Your cereal. Your oats. Your children's snacks.

In 2015, the World Health Organization classified glyphosate as a "probable carcinogen." Bayer paid \$11 billion in settlements to cancer victims. They did not stop production. They did not reduce spraying. They paid — and continued.

Why would a pharmaceutical company buy the world's largest pesticide manufacturer? A former agricultural compliance officer — 13 years at a federal regulatory agency: "The internal models were clear. Exposure timelines matched prescription curves almost perfectly. Glyphosate disrupts gut bacteria within 6 weeks of sustained exposure. Gut disruption leads to inflammation. Inflammation leads to autoimmune response. Autoimmune response leads to a prescription. The same parent company that sold the chemical that started the chain — sells the drug at the end of it. We mapped this in 2016. The report was marked 'industry sensitive' and archived."

One company. Two products. First makes you sick. Second manages the symptoms. Neither cures anything. Both generate revenue. The loop never closes.

Kellogg's uses BHT — a preservative banned in Japan, Europe, and Australia. Still legal in every American cereal box. The FDA official who approved BHT in 1979 joined Kellogg's board in 1983.

The U.S. allows 3,000+ food additives. The EU allows 400. Same species. Same biology. Different permissions. The difference is not science. It is profit.

Your chronic fatigue. Your gut issues. Your child's behavioral diagnosis. These are not mysteries. They are receipts.

They don't need you dead. They need you sick — just enough to keep buying. The food makes the patient. The pill manages the patient. The patient never leaves.

Q. Wed. 10 June 2026 Five and a half years after Jan. 6—with new revelations related to what happened before and on January 6—the regime media absolutely refuses to consider that the Biden DOJ/Wray FBI abused their power to investigate, prosecute, and help convict more than 1,000 Americans for their participation in the protest that day. ...Trump Truth Revolution on Telegram

Welker, like all other “journalists” and reporters of her ilk, actually think the unprecedented number of plea deals is the result of legitimate prosecutions rather than abuse of authority—particularly threats to turn misdemeanor cases into felonies—to extract plea deals.

They don’t entertain for a SECOND that perhaps something is off with a 100 PERCENT CONVICTION RATE before DC juries. Or question how the Biden DOJ got away with for years bringing the felony 1512c2 charge against 300+ J6ers (and the president) before SCOTUS determined the statute had been unlawfully applied.

The single minded focus on those charged/convicted of “assault” on police—when the 18 USC 111 statute also applies to “interfering” or “impeding” federal officers—allows the media to ignore the hundreds of other low level misdemeanor cases that nonetheless resulted in torturous investigations and prosecutions, rigged trials, and time in federal prison.

Corporate media is as responsible as the Biden DOJ, J6 committee, and federal judges in continuing to perpetuate lies about J6 and intentionally misleading the public about what happened in the largest criminal investigation in US history. Good for the president for pushing back and for his justified anger here.

This wasn’t medicine. This was MURDER FOR MONEY.

Patients came in with the flu or pneumonia. They left in body bags after being poisoned and suffocated by hospital policy.

I saw it with my own eyes. I watched it happen day after day.

U. Re-inhabited Republic For the United States of America

On Thurs. 5 March 2026 the Cabal foreign banker owned US Inc. was dissolved, with Common Law Sovereignty installed in the US under concepts of the original Constitution. Admiralty Law fraud was forever crushed.

On July 4 2026 President Donald J. Trump would make an announcement of this change to a Sovereign Republic based on principles of the original Constitution in a massive Fourth of July Celebration of the Restored Constitutional Republic.

The Re-inhabited Republic for the United States of America is the actual de jure government that our founding fathers gave us, and which was abandoned in 1871 when a corporation took over Washington DC and eventually every level of government in the country. X. Update Kaitlynn Hunter, Jeannine Larrick

Jeannine Larrick has recently been arrested and is currently in Guernsey County Jail. The intention of Ohio authorities appeared to be to prevent Jeannine from testifying against Ohio Child Protective Service authorities, Guernsey county sheriffs, court authorities and Journey Home NYAP foster care – all believed involved in Human Trafficking.

Journey Home NYAP Foster Care and the Ohio government syndicate all the way up to the Ohio Attorney Generals office, was believed connected to a CIA Child Sex Trafficking Ring which prepared Ohio Foster Care teens for entrance into Sex Trafficking.

Juan O Savin said a while back, “Please help save Kaitlynn, Jeannine and Ohio Foster Children – burn this satanic web down! Kaitlynn Hunter and Jeannine Larrick were in grave danger from Ohio’s corrupt CPS, sheriff department and courts. The two hold damning proof. Their evidence could lock up Guernsey County Ohio demons for Crimes Against Humanity and Depravation of Rights. The Alliance needs your rage to trigger mass arrests!”

It was believed Ohio authorities intended to admit Jeannine to a psych ward and force psychotropic drugs on her in retaliation for her years of exposing Ohio Child Protective Services Crimes Against Humanity and thus prevent her from testifying against perpetrators.

Jeannine and her daughter Kaitlynn Hunter are eyewitnesses to and Kaitlynn a victim of, over twelve years of Ohio CPS abuse of Ohio Foster Children including beatings, prolonged starvation, rapes, and being refused health care, education and contact with loved ones.

Just before she was arrested Jeannine said, “**I am facing Obstruction of Justice, interference of custody for protecting my daughter Kaitlynn from CPS beatings, starvation and rape, plus contempt for not taking the unconstitutional incompetence evaluation** (I provided proof of my mental health when I was arrested for the 4th time since my 1st false arrest 2-11-19 . All arrests I have proof of Rico conspiracy and crimes against us. The warrant was issued the day I buried my mother who was medically murdered. She was denied her baseline XANAX to breath several days twice in a two week period causing her to a fib and die).

“**Currently Judge Williams has stricken** all my discovery and filings from the record and is demanding I go to District 9 again and take another competency evaluation before she will hear the case. The same entity who said I suspected Rico and did not trust the government that helped strip custody in 2021. Now there is a warrant for my 5th arrest on an unconstitutional order to continue the narrative for 7 long years.”

You can help. Please consider calling or emailing Ohio authorities and demand Jeannine’s immediate release.

Y. Tim Ballard: A hero rescuing children from Child Trafficking Rings

Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Update: May 23, 2026 Day #997

Dear Patriot Friends & Family,

Exactly one month ago today a spiritual TRIUMPH was enjoyed!

On April 23, 2026 the Florence Prison Camp Chapel filled to overflowing with 40+, standing room only, with one friend leaving because he couldn't get in the doors. The 45-minute sermon on the subject of "The Miracle of Christ's TOTAL FORGIVENESS" felt so inspired. Personally, I was blessed and learned so much! As you might imagine, the subject of forgiveness -- both receiving & giving -- is a very important, personal subject to men who are locked up in prison, most for a number of years.

We were blessed to have the Spirit there. It appeared that all the inmates were extremely attentive, their hearts touched and deep personal reflection was inspired. Many expressed their gratitude afterward. I hope it will be of some blessing to you. Feel free to share the PDF and share your thoughts with me.

May God Bless Us to Forgive & Be Forgiven,

Ken Cromar

P.S. This sermon has blessed me, as I'm learning to be more forgiving of the Supreme Court who Denied hearing my case. We know we're right, and believe our cause of exposing the IRS will ultimately prevail, but I've come to recognize that -- as Justice Gorsuch has reportedly said -- that "we cannot hear every case that has merit" -- that it is just impossible to hear every worthy case. That's hard to accept, but easier having been inspired while writing "Total Forgiveness". Having said all that, we have made one last ditch effort and filed a "Rule 44" appeal to SCOTUS for a re-hearing of our case with some additional new information provided to them. That appeal is scheduled for their private closed-door Conference on May 28th this coming week. All your prayers to date have been welcome and appreciated. Please consider praying for the Supreme Court Justice's hearts to be touched and that they'll seriously consider our appeal on the 28th. Thank you!

Ken is able to receive regular mail now – envelopes. All mail is opened and read by a prison employee. Za. Judy Note HIGH ALERT: The below is a request from the mother of a child in London England who was pleading for the White Hats to rescue her daughter Alana Martin from London Foster Care and reunite her with her family.

Hi Judy, A massive thank you for your help sharing our evidence for the safe return of my daughter The Stolen Girl: Alana-Linda Martin. We are still fighting this on-going battle to save my daughter. Court hearings were about the criminal kidnapers, who were looking for the higher courts to cover them with an order of "anonymity" to stop us from exposing their names or their crimes. For the last 5 months of her now 9 month captivity, the kidnapers are only concerned in covering their own criminality, as there has been no mention about her care or a final hearing throughout this torture and terrorism. All factual knowledge of our case is being ignored/ covered up by public servants & Judges involved which have all gone Ultra-Vires. In further attempts to stop our quest and our calling our names and mission was sabotaged including our State Child Trafficking Task&Force116/ Council of 13, they have bankrupt my bank accounts, book sales, PayPal accounts, our social media sites, and now they are trying to threaten our home with eviction. Zb. Watch Out For Scammers:

Upon implementation of the Global Currency Reset the Cabal will be losing their money supply and they are hot and heavy to SCAM anyone in any way they can.

Judy Note: There are 84 platforms on Telegram under my picture and name Judy Byington. Be aware I have NO platform on Telegram. I do not write on Telegram. Anything written under my name on Telegram was not authored by me.

Speaking of Telegram, there appears to be a huge scam going on Telegram where under the name of some notable Q Movement person they promise to set you up on a QFS Wallet if you send them around \$2,000 or more. This appears to be a scam as setting up your QFS Wallet is supposed to be free to the best of my knowledge.

Watch out for: Anyone advertising they will reimburse you for the TRB Trump Products, or set you up on a Quantum Account asking for money to do it. (They use fake accounts and AI to make you think you are dealing with Trump, Tucker Carlson, etc.)

Also watch out for the HSBC Quantum Token/Bitcoin Scam, the TRB Trump Products Scam, the Dave XRPLion Impersonator Scam, the Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and any other website that asks that you give them your personal identification to register for a QFS Account and/or receive a pay out on TRB products.

DO NOT exchange currency or Zim Bonds anywhere but at a licensed Redemption Center where you will get the highest rates possible.

The HSBC Quantum Scam: They claim they've successfully applied "quantum technology" to buy and sell tokenized physical gold. The trick is when you buy the tokens or Bitcoin they keep the gold and have complete control over your bank account.

Report your TRB Scam experience to:
