Judy Note: This week through July 4 2026 historic changes were secretly being made to create Freedom for The People across the Globe. The World was being liberated from the clutches of the Satan Worshipping Deep State Cabal – but no one knew it.

“As of Thurs. 11 June 2026 all global military checkpoints were fully prepared and activated. What was the cause for all these mass arrests? Just one was our very own federal department to help with disasters, FEMA. **On Wed. 20 June 2026** former FEMA official David Richardson was executed at Guantánamo Bay following military proceedings that accused him of betraying the nation according to reports circulating within military circles. FEMA was the Federal Emergency Management Agency charged with responding to disasters throughout the nation.

Richardson’s conviction was only the tip of a giant iceberg of FEMA crimes. Apparently for years FEMA had been working with Deep State Cabal Corporate giants like Blackrock and Vanguard which were suspected to be behind recent disasters caused by Direct Energy Weapon Attacks (DEWs).

Over the past few years the DEWS had set fires in Maui, California, Wyoming and Texas; a biochemical lab explosion in Georgia and the Deep State Cabal HAARP weather manipulation causing formation of hurricanes and tornadoes that devastated the back countries of North Carolina, South Carolina, plus attacked Georgia, Tennessee and Florida.

In Hurricane Helene, Maui, Texas, California and Katrina Disasters FEMA personnel were ordered not to respond until as much as a week after the event. FEMA personnel were also found neglecting to save stranded victims, gunned down victims, confiscated donations, theft of disaster funds and supplies, refused to deliver critical supplies, arrested people

making rescues on their own, took advantage of victims by stealing out of devastated homes and later, legally stole victim lands.

In the 2024 aftermath of Hurricane Helene there was something very strange, and actually scary, going on in North Carolina. Agents for the federal disaster relief agency FEMA, didn't arrive for a week after the hurricane hit, and then not only neglected to start saving stranded victims, but confiscated donations, refused delivery of critical supplies, arrested or threatened to arrest people wanting to help and who were making rescues on their own. As of this writing government authorities were still grounding Military Helicopters and wouldn't give them an ok to fly.

The Mainstream Media was not reporting any of this, even though thousands have gone without food and water for over a week. Hundreds of deteriorating bodies were seen floating in rivers and caught in trees. Whole towns had been wiped out. Worse, authorities were threatening volunteers with arrest if they tried to help, or rescue their neighbors.

The scene was reminiscent of 2023 Maui and 2018 Paradise California Direct Energy Weapon fires that left bodies everywhere, even in vehicles trying to escape.

In all three disasters FEMA was not there to supply aid, give help and comfort to the victims, but appeared to have a sole mission to take advantage of victims, clean up their bodies and take possession of their land.

In Paradise 50,000 died, not the 100 reported by the Mainstream Media. In Maui 2,700+ structures were destroyed, 97 confirmed dead; 1,000+ still missing/ unconfirmed deceased; 4,000+ people originally dislocated, with 3,100 still displaced over a year later. The Mainstream Media hasn't reported on that either.

The only difference between the 2023 Maui DEW fires and last week's North Carolina Helene Hurricane disaster was that FEMA arrived in Maui a few days BEFORE the fires started, while FEMA arrived in North Carolina a whole week AFTER Hurricane Helene landed. A little suspicious either way for what was supposed to be a federal disaster relief agency, don't you think?

"I live in Fairview, NC. Marines arrived here one week too late. And yes there are bodies everywhere along the creek banks, in collapsed houses and trees. A lineman friend did verify the naked children walking around looking for their parents off Old Fort Rd. A whole community collapsed called Craigtown up there (mudslide). ...JaneJack on Telegram **Fri. 4 Oct. 2024**

Just like in Maui, FEMA did move at some point into the disaster areas, although apparently not to supply aid, help and comfort to the victims, but with a seemingly sole mission

to take advantage of victims, clean up their bodies and take possession of their land. At least that's what a North Carolina woman overheard four FEMA Directors say.

As in Maui and by their own admission, FEMA had no intention to help victims of Helene. "Their soul mission was to do body recovery" a woman said who overheard four FEMA directors talking at the airport. They had just flown in on a private plane. "According to FEMA all supplies and help would have to come from volunteers – who they intended to threaten with arrest if they tried to rescue and help victims."

<https://x.com/Pammywho/status/1842026145434177975?t=2K340MQ-2LeYCcL4rN3AjQ&s=07>

As in Maui there was only one way in and one way out of the affected North Carolina area and it was blocked by FEMA personnel. In multiple places of devastated North Carolina volunteer truckers hauling in supplies were getting their tires slashed. FEMA workers were telling volunteers not to help victims, not even to help neighbors and threatening to arrest those wanting to aid with their own supplies and transportation.

As happened in Maui, seven days after Helene hit First Responders and Service members were still waiting in hotels without deployment orders, while thousands were without food and water.

As with the Maui and California fires, the Mainstream Media was lying about government rescue and aid efforts in North Carolina. It just wasn't happening: [Appalachia SOS Warning! US Military Ritually Sacrificing Americans In North Carolina Mountains! | Prophecy | Before It's News \(beforeitsnews.com\)](#)

The disasters opened the door for banker owned US Inc. land grabs and worse, FEMA employees kidnapping for the Deep State's lucrative Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring run by the Satan worshipping Vatican.

On Tues. 8 Oct. 2024 the Global Military Alliance White Hats saved six child victims of Hurricane Helene who had been kidnapped by FEMA Agents for their international Child Sex Trafficking Ring. A White Hat/Red Hat coalition engaged with armed FEMA Agents at the downtown Greenville Airport in South Carolina.

Six blindfolded children flanked by FEMA agents, were being taken from a maintenance warehouse to board a Cessna 441 Conquest. After killing the FEMA Agents and freeing the children, Union forces firebombed the Cessna and FEMA's ground vehicles.

On that same Tuesday 8 Oct. 2024 in Candler North Carolina near Asheville the White Hats arrested the king pin of all time human traffickers, "High Horseman," along with 41 of his Satanic Coven members. The coalition had fought off and killed FEMA Agents in

order to get to the Satanic Coven of High Horseman whom they had tried to catch for over thirty years.

In North Carolina the White Hat Global Military Alliance had declared War against the FBI and FEMA. There was proof that the US government contract agency for disaster relief, FEMA ordered their agents to gun down Hurricane Helene victims – the same holocaust that FEMA Agents performed in the 2023 Manmade Maui DEW fires.

FEMA was also being charged with Human Trafficking, theft of disaster funds & supplies, and not only gunning down Hurricane Helene victims, but killing victims in Maui, Texas, California and Katrina Disasters.

There was indication that during Hurricane Helene (and as happened in the Maui man made DEW fires) women and children disappeared into the Cabal's international Human Trafficking Ring.

What FEMA did in the aftermaths of Hurricane Helena in North Carolina was considered an act of war. Forget relief—FEMA brought military-grade weaponry and 3,500 armed personnel. Instead of aid, they delivered body bags. FEMA not only failed to adequately help people in trouble, but actively blocked citizens who tried to help, stole disaster funds and supplies and grounded both Military Helicopters and private planes from flying supplies into disaster areas to rescue victims.

At North Carolina donation centers, unmarked Biden/Harris Administration government-owned Blackhawk Helicopters were filmed deliberately targeting, sabotaging and destroying supplies meant for the victims of Hurricane Helene.

On that same Tues. 8 Oct. FEMA was quietly paying private security firms massive amounts of money to keep Floridians from returning to their homes and businesses after Hurricane Milton.

Why? Perhaps for land grabs? In Florida the Hurricane Milton disaster was believed created for the purpose of making Tampa into one of the Cabal's Smart Cities where they would have complete control over the population. In North Carolina it was believed the Hurricane Helene disaster was created for control of three Kings Mountain mines.

On 8 May 2003 US Patent 2003/0085296 was granted that verified Hurricanes, Tornadoes and heavy rain could be formed and directed toward certain areas of the country through Cloud Seeding and Sound Wave applications.

Residents of North Carolina maintained that during Hurricane Helene planes were observed Cloud Seeding over the area. Substantial evidence showed the route that aircraft took to

manipulate the path of Hurricane Helene- just as planes have been tracked Cloud Seeding over Hurricane Milton. **On Sun. 6 Oct. evening** Hurricane Milton, along with a plane flying above it, made a strange complete U Turn to head directly to Tampa Florida.

On September 27 2024, the majority of Chimney Rock North Carolina was destroyed by flooding as a result of Hurricane Helene. Two days later as residents struggled to save what they could, the Biden-Harris regime seized the tiny 2.8 square mile village of Chimney Rock under the auspices of eminent domain.

One month before the Cabal's Blackrock had acquired 2.2 million shares of stock in Kings Mountain Lithium Mine Albemarle Global. With help of Vice President Kamala Harris the US government also suddenly gave the mine \$250 million in grant money to open the mine that was full of rare precious metals used in making computer chips.

On 24 Sept. 2024 Kamala was successful in getting permits for the Albemarle Lithium Mine to start mining immediately. She had a reason for that. A major stockholder in the mine was her husband Doug Emhoff. Emhoff's retirement accounts were also deeply tied to major Cabal funds like BlackRock and Vanguard. The Kings Mountain mine was expected to make over \$250 billion.

While the Cabal-created mega Hurricane Milton was on it's way to devastate Florida and the likely man made Hurricane Kirk was headed straight to London, UK, the White Hat Global Alliance was targeting the Biden/Harris Administration's FEMA for their Human Trafficking, theft of disaster funds & supplies, and gunning down Hurricane Helene, Maui, Texas, California and Katrina Disaster Victims.

Russia accused Wolfe and his biolab firm of developing genome-specific biological weapons in Ukraine. RFK Jr and Tulsi have discussed this situation many times and it has been a huge topic at the UN for over 3 years now. So Epstein was interested in eugenics and he had financial/social ties to virologists who were making genome-specific biological weapons through USAID grants in Ukraine. Nathan Wolfe even thanked Epstein directly in his 2011 book "The Viral Storm: The Dawn of the New Pandemic Age" in which Wolfe predicted the COVID pandemic 8 years before it happened... So what do I mean? I think Epstein had plans to do ethnic cleansing/population control/genocide through biological weapon. I think Epstein had something to do with Covid. J. Thurs. 11 June 2026 AN EXECUTIVE ORDER WAS SIGNED 11 DAYS AGO THAT DECLASSIFIES OVER 6,000 SUPPRESSED MEDICAL PATENTS. NOT ONE MAINSTREAM OUTLET HAS REPORTED IT. ...The JFK Files on Telegram

Executive Order 14263. Signed May 2026. Title: "Restoring Medical Innovation Through Patent Transparency." It was not announced at a press conference. It was not on the evening news. It was uploaded to the Federal Register at 11:47 PM on a Friday night.

The order directs the U.S. Patent and Trademark Office to release all patents currently held under secrecy orders related to human health, bioelectric medicine, and frequency-based therapeutic devices. There are 6,321 of them.

Since 1951, the Invention Secrecy Act has allowed the U.S. government to classify any patent that is deemed a threat to national security. The inventor is issued a secrecy order. They cannot manufacture the device. They cannot publish the research. They cannot tell anyone it exists. If they violate the order, they face 2 years in federal prison.

As of 2025, there were 5,915 active secrecy orders. The government has never disclosed what technologies are being suppressed. But patent attorneys who have reviewed the

categories confirm that a significant portion fall under "biomedical devices" and "electromagnetic therapeutic apparatus."

Frequency devices. Bioelectric healing systems. Resonance-based cancer treatments. Light therapy instruments. All of them — invented, patented, and immediately classified.

The executive order gives the USPTO 120 days to begin the declassification review. Priority is given to patents older than 20 years — meaning technologies invented in the 1990s and earlier will be released first.

Royal Rife's beam ray technology was patented in 1936. Antoine Priore's electromagnetic cancer treatment was documented in the 1960s. Robert Becker's bioelectric regeneration research was funded by the U.S. military and then buried when he refused to weaponize it.

These are not theories. They are patented inventions that were taken from their creators by the government and locked in a vault.

The pharmaceutical industry generates \$1.48 trillion per year globally. Every one of those 6,321 patents represents a technology that could reduce dependency on pharmaceutical drugs. Every one was classified not because it was dangerous — but because it was effective.

The order has a 120-day implementation window. That window opened 11 days ago. 109 days remain.

When the patents are released, anyone can build them. Anyone can manufacture them. The suppression ends not with a revolution — but with a PDF download. 6,321 cures. Exposed in 109 days. The countdown has already started.

Mike Benz on Joe Rogan: “A scandal during the Obama USAID era. We were running a number of rogue USAID operations in Cuba at the time. — I'm simply showing the American people where your tax dollars are going and how these things are structured in order to systematically fool you and to fool Congress and to fool the White House:

— **USAID pumped \$1.2 billion in**, and we sponsored these activist groups and these civil society organizations to learn how to use Facebook, learn how to use Twitter, lose, learn how to use hashtags, learn how to coordinate street protests so that everyone knows where to go, what street to show up on, what kind of slogans to know, to use in order to create the pro-democracy predicate for it.”

He talks about how Obama funded a Twitter clone that would be used to push propaganda in Cuba to inspire these protests and overthrow the government (Mike Benz explains how Barack Obama overthrew many governments)

“**So what they did is they took the exact same thing as Twitter**, same user interface, same like, and retweet button *zunzunio* is, is the Cuban slang word for hummingbird. So just, it means it's bird, it was the Twitter bird, the whole thing. But the whole trick about it was you have to make it look like it's coming from the Cubans if you're going to do this operation

— **We can get into the deeper layers of this**, but contractors were funded by USAID

The data would then be used for micro targeting efforts towards anti and pro government users. In Cuba, the developers aim to, at first used non-controversial content such as sports and music and hurricane updates — What was the plan the whole time? Once they built up enough subscribers, they would begin to introduce political messages through social bots and encourage dissent in this, in this astroturfing — the whole point is, once they hit a critical mass, they would create ‘Rent-a-Riots’

“**You're using Cayman Islands bank accounts.** You're saying it's, you're earmarking it for Pakistani aid.” But the money was never sent to Pakistan, it was sent to the Cayman Islands to fund this whole operation

All this and much more is broken down extremely well in this video. This is INSANE

L. Thurs. 11 June 2026: EXPOSED! RFK JR CONFIRMS CHEMTRAILS ARE REAL – DARPA BEHIND IT, TRUMP MOVES TO END THE GLOBAL WEATHER WAR
...Gitmo Now on Telegram

They are spraying us like insects. As of September 23, 2025, it is no longer a question. Chemtrails are real — and darker than anyone imagined. This is biological warfare, psychological suppression, and population control rolled into one.

RFK Jr. said it directly: “It’s being sprayed from jet fuel.” The likely culprit? DARPA — the Pentagon’s black-budget Frankenstein lab. Stratospheric aerosol injections with barium, aluminum, and nano-metals are entering your lungs, blood, and brain.

This is targeting farms, red states, even election battlegrounds. Arizona was blanketed during the Maricopa vote count. Florida saw engineered storms after Trump’s reelection. These patterns are not random — they are tactical.

Aluminum crosses the blood-brain barrier, causing brain fog, depression, docility. Pair that with 5G grids saturating every city and you get full-spectrum control of the human mind. The people are sedated — easy to manage, unable to resist.

But Trump is back, and the deep state is panicking. Since January 20, 2025, he has been purging compromised agencies, reclaiming Pentagon projects, and redirecting DARPA funding under EO-56 to shut down unauthorized biotech experiments. Space Force insiders confirm quantum satellite monitoring of every geoengineering flight path.

In March 2025, a leaked brief confirmed modified Boeing 737s spraying over Tennessee, Kentucky, and Ohio — tied to BlackRock’s climate subsidiaries. RFK Jr. revealed the key: it is hidden in the fuel itself. The pilots don’t know. The mechanics don’t know. The compounds are pre-mixed, burned, and sprayed right over your head.

This is war. Silent genocide disguised as climate action. The same metals sprayed from above poison farmland — and then Gates’ patented GMO seeds appear as the “solution.” Poison the land, sell the antidote. Poison the sky, sell the panic.

The curtain is falling. Trump is building a military database of every chemtrail operation since 2001. The people are waking up.

Ask yourself: Why are neurological disorders exploding nationwide? Why is aluminum in children who never lived near industry? Why do weather patterns follow geoengineering models down to the hour?

The answer: because this is planned. And now it is being exposed. Trump knows. RFK Jr. knows. And now — you know. Look up. Watch the skies. The storm is here.

M. Thurs. 11 June 2026 CERN SHUTS DOWN JUNE 29. THEY TOLD YOU IT'S "MAINTENANCE." IT ISN'T. ...Mr. Pool Final Chapter on Telegram

The Large Hadron Collider — the most powerful machine ever built by human hands — goes dark on June 29, 2026. Permanently offline for what they call "Long Shutdown 3."

They told you it's an upgrade. Routine. Technical. But the internal timeline doesn't match. LS3 was originally scheduled for 2028. It was moved forward. Twice. The final acceleration happened in Q1 2026 — three months after Run 3 produced results that were never published. Not delayed. Never published.

A former data analyst — 6 years, CERN Computing Centre, left November 2025: "In September 2025, Run 3 collisions at 13.6 TeV produced an anomaly in Sector 7-L. Not a particle. Not antimatter. A resonance signature with no corresponding mass. Energy appeared from a source that doesn't exist in the Standard Model. The data was flagged Level 5 — I had never seen Level 5 in six years. Within 72 hours, the dataset was moved to a restricted server. Access revoked for 340+ researchers. The internal memo referenced 'Protocol 7' — a designation I had never encountered in any CERN documentation. Three weeks later, LS3 was moved from 2028 to June 2026. That is not a coincidence. You do not shut down a \$13 billion machine two years early because of maintenance."

What did they find? The Standard Model accounts for 5% of the universe. The other 95% — dark matter, dark energy — is not "missing." It is on the other side of something. CERN was built to find the door. Run 3 found it. They are not shutting down for maintenance. They are shutting down because what came through cannot be contained while the machine is running.

June 29. 19 days. The machine goes dark. But what it opened does not close when you turn off the power.

Tesla knew. He wrote about it in 1899 — signals from outside our dimension, received in Colorado Springs. His papers were seized by the Office of Alien Property in 1943. Reviewed by Dr. John G. Trump — the President's uncle.

Three generations later, the grandson sits in the Oval Office. The machine shuts down. The timing is not accidental.

CODE: RUN3-SECTOR-7L / PROTOCOL-7 / LS3-MOVED-2028→2026 / TESLA-1899 / JOHN-G-TRUMP-1943 / JUNE-29

They built a machine to open a door. They opened it. Now they're turning off the machine. But doors don't close from this side. 19 days. Watch.

P. Re-inhabited Republic For the United States of America

On Thurs. 5 March 2026 the Cabal foreign banker owned US Inc. was dissolved, with Common Law Sovereignty installed in the US under concepts of the original Constitution. Admiralty Law fraud was forever crushed.

On July 4 2026 President Donald J. Trump would make an announcement of this change to a Sovereign Republic based on principles of the original Constitution in a massive Fourth of July Celebration of the Restored Constitutional Republic.

The Re-inhabited Republic for the United States of America is the actual de jure government that our founding fathers gave us, and which was abandoned in 1871 when a corporation took over Washington DC and eventually every level of government in the country. R. A Plea to Patriots...HELP, HELP, HELP!!!

D.L. is a homeless bedridden 48 year-old woman who desperately needs your immediate help. Her SSI income is \$600 short to cover her rent of a very small motel room in a scary part of town (that does not accommodate a wheelchair, so she has to crawl on the floor), let alone have money for food and essential expenses. She is facing living on the streets in lieu of being moved to a homeless shelter, which is not physically feasible in her health condition. The shelter would require giving up her disabled cat. "My cat Monkey is the love of my life. She lays on me 22 hours a day. I could never give her up. She's so attached to me she cries if I'm gone from my bed for more than a few minutes." D.L.'s long-term goal is to secure a ADA-accessible home. She is seeking leads for property, housing, or resources in Snohomish County, Washington State, especially Bothell/Canyon Park or Three Lakes, and in King County, Washington, especially Woodinville or Redmond. S. Update Kaitlynn Hunter, Jeannine Larrick

Jeannine Larrick has recently been arrested and is currently in Guernsey County Jail. The intention of Ohio authorities appeared to be to prevent Jeannine from testifying against Ohio Child Protective Service authorities, Guernsey county sheriffs, court authorities and Journey Home NYAP foster care – all believed involved in Human Trafficking.

Journey Home NYAP Foster Care and the Ohio government syndicate all the way up to the Ohio Attorney Generals office, was believed connected to a CIA Child Sex Trafficking Ring which prepared Ohio Foster Care teens for entrance into Sex Trafficking.

Juan O Savin said a while back, “Please help save Kaitlynn, Jeannine and Ohio Foster Children – burn this satanic web down! Kaitlynn Hunter and Jeannine Larrick were in grave danger from Ohio's corrupt CPS, sheriff department and courts. The two hold damning proof. Their evidence could lock up Guernsey County Ohio demons for Crimes Against Humanity and Depravation of Rights. The Alliance needs your rage to trigger mass arrests!”

It was believed Ohio authorities intended to admit Jeannine to a psych ward and force psychotropic drugs on her in retaliation for her years of exposing Ohio Child Protective Services Crimes Against Humanity and thus prevent her from testifying against perpetrators.

Jeannine and her daughter Kaitlynn Hunter are eyewitnesses to and Kaitlynn a victim of, over twelve years of Ohio CPS abuse of Ohio Foster Children including beatings, prolonged starvation, rapes, and being refused health care, education and contact with loved ones.

Just before she was arrested Jeannine said, “**I am facing Obstruction of Justice, interference of custody for protecting my daughter Kaitlynn from CPS beatings, starvation and rape, plus contempt for not taking the unconstitutional incompetence evaluation** (I provided proof of my mental health when I was arrested for the 4th time since my 1st false arrest 2-11-19 . All arrests I have proof of Rico conspiracy and crimes against us. The warrant was issued the day I buried my mother who was medically murdered. She was denied her baseline XANAX to breath several days twice in a two week period causing her to a fib and die).

“**Currently Judge Williams has stricken** all my discovery and filings from the record and is demanding I go to District 9 again and take another competency evaluation before she will hear the case. The same entity who said I suspected Rico and did not trust the government that helped strip custody in 2021 . Now there is a warrant for my 5th arrest on an unconstitutional order to continue the narrative for 7 long years.”

You can help. Please consider calling or emailing Ohio authorities and demand Jeannine’s immediate release.

U. Tim Ballard: A hero rescuing children from Child Trafficking Rings

Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World’s Children. Just as a film about Ballard’s work, “Sound of Freedom,” was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like to support Ballard’s unjust persecution, contribute here:

Ken Cromar presently sits in prison having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Update: May 23, 2026 Day #997

Dear Patriot Friends & Family,

Exactly one month ago today a spiritual TRIUMPH was enjoyed!

On April 23, 2026 the Florence Prison Camp Chapel filled to overflowing with 40+, standing room only, with one friend leaving because he couldn't get in the doors. The 45-minute sermon on the subject of "The Miracle of Christ's TOTAL FORGIVENESS" felt so inspired. Personally, I was blessed and learned so much! As you might imagine, the subject of forgiveness -- both receiving & giving -- is a very important, personal subject to men who are locked up in prison, most for a number of years.

We were blessed to have the Spirit there. It appeared that all the inmates were extremely attentive, their hearts touched and deep personal reflection was inspired. Many expressed their gratitude afterward. I hope it will be of some blessing to you. Feel free to share the PDF and share your thoughts with me.

May God Bless Us to Forgive & Be Forgiven,

Ken Cromar

P.S. This sermon has blessed me, as I'm learning to be more forgiving of the Supreme Court who Denied hearing my case. We know we're right, and believe our cause of exposing the IRS will ultimately prevail, but I've come to recognize that -- as Justice Gorsuch has reportedly said -- that "we cannot hear every case that has merit" -- that it is just impossible to hear every worthy case. That's hard to accept, but easier having been inspired while writing "Total Forgiveness". Having said all that, we have made one last ditch effort and filed a "Rule 44" appeal to SCOTUS for a re-hearing of our case with some additional new information provided to them. That appeal is scheduled for their private closed-door Conference on May 28th this coming week. All your prayers to date have been welcome and appreciated. Please consider praying for the Supreme Court Justice's hearts to be touched and that they'll seriously consider our appeal on the 28th. Thank you!

Ken is able to receive regular mail now – envelopes. All mail is opened and read by a prison employee. W. Judy Note HIGH ALERT: The below is a request from the mother of a child in London England who was pleading for the White Hats to rescue her daughter Alana Martin from London Foster Care and reunite her with her family.

Hi Judy, A massive thank you for your help sharing our evidence for the safe return of my daughter The Stolen Girl: Alana-Linda Martin. We are still fighting this on-going battle to save my daughter. Court hearings were about the criminal kidnapers, who were looking for the higher courts to cover them with an order of "anonymity" to stop us from exposing their names or their crimes. For the last 5 months of her now 9 month captivity, the kidnapers are only concerned in covering their own criminality, as there has been no mention about her care or a final hearing throughout this torture and terrorism. All factual knowledge of our case is being ignored/ covered up by public servants & Judges involved which have all gone Ultra-Vires. In further attempts to stop our quest and our calling our names and mission was sabotaged including our State Child Trafficking Task&Force116/ Council of 13, they have bankrupt my bank accounts, book sales, PayPal accounts, our social media sites, and now they are trying to threaten our home with eviction. X. Watch Out For Scammers:

Upon implementation of the Global Currency Reset the Cabal will be losing their money supply and they are hot and heavy to SCAM anyone in any way they can.

Judy Note: There are 84 platforms on Telegram under my picture and name Judy Byington. Be aware I have NO platform on Telegram. I do not write on Telegram. Anything written under my name on Telegram was not authored by me.

Speaking of Telegram, there appears to be a huge scam going on Telegram where under the name of some notable Q Movement person they promise to set you up on a QFS Wallet if you send them around \$2,000 or more. This appears to be a scam as setting up your QFS Wallet is supposed to be free to the best of my knowledge.

Watch out for: Anyone advertising they will reimburse you for the TRB Trump Products, or set you up on a Quantum Account asking for money to do it. (They use fake accounts and AI to make you think you are dealing with Trump, Tucker Carlson, etc.)

Also watch out for the HSBC Quantum Token/Bitcoin Scam, the TRB Trump Products Scam, the Dave XRPLion Impersonator Scam, the Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and any other website that asks that you give them your personal identification to register for a QFS Account and/or receive a pay out on TRB products.

DO NOT exchange currency or Zim Bonds anywhere but at a licensed Redemption Center where you will get the highest rates possible.

The HSBC Quantum Scam: They claim they've successfully applied "quantum technology" to buy and sell tokenized physical gold. The trick is when you buy the tokens or Bitcoin they keep the gold and have complete control over your bank account.

Report your TRB Scam experience to:
