Compiled Sat. 13 June 2026 12:01 am EST by Judy Byington, MSW, LCSW, Therapist ret, Journalist, Author, “Twenty Two Faces: Inside the Extraordinary Life of Jenny Hill and Her Twenty Two Multiple Personalities.”

Every penny for the sale of “Twenty Two Faces” is dedicated to Save The Children and expose their horrendous Satanic Ritual Abuse so rampant in our society. Donations welcome at:

1. The Spirit of God like a fire is burning!
The latter-day glory begins to come forth;
The visions and blessings of old are returning,
And angels are coming to visit the earth.

We'll sing and we'll shout with the armies of heaven,
Hosanna, hosanna to God and the Lamb!
Let glory to them in the highest be given,
Henceforth and forever, Amen and amen!

2. The Lord is extending the Saints' understanding,
Restoring their judges and all as at first.
The knowledge and power of God are expanding;
The veil o'er the earth is beginning to burst.

Judy Note: It's certainly no secret that at last, **Hollywood** was being exposed as a home for Child Sex Abuse and Trafficking. I and the subject of my book, Jenny Hill, have had our own experience with Hollywood's great influence in covering up the Satanic Ritual Abuse of children through our appearance on the Dr. Phil Show.

Well known Whistleblower Julian Assange has been one of the top persons exposing Hollywood's role in Global Mind Control warfare. **Fri. 12 June 2026:** [BOOM! When I first published Jenny Hill's biography "Twenty Two Faces" I wrote to the Dr. Phil Show and asked Jenny and I be on the show. Jenny had been so brutally abused as a child through Satanic Ritual Abuse that her thinking patterns permanently divided into multiple personalities. [HOME | Judy Byington \(judy-byington.com\)](#)

My thinking at the time was to ask Dr. Phil ways to obtain professional therapy for Jenny and other Satanic Ritual Abuse Survivors. She was supposedly being treated at Wasatch Mental Health, but was not receiving therapy for her multiple personalities – was only loaded down with 20 or so drugs and could hardly function.

This was typical for a Satanic Ritual Abuse Survivor. I have since learned that loading patients down with drugs was how the American Psychiatric Association recommended public mental health treat Satanic Ritual Abuse Survivors – to discredit and control them rather than treat.

When we were accepted for the Dr. Phil Show we were both thrilled. They timed airing of our show for the same week "Twenty Two Faces" came out.

However, our experience in Hollywood was very negative. Dr. Phil refused to interview Jenny, portrayed her as a mentally ill woman, asked me inappropriate questions and

cut and pasted audience reaction to make me appear as a manipulating therapist who was taking advantage of her client. I had made it very clear to producers that I had never treated Jenny. I was merely her biographer, but that, of course, was never pointed out.

Then the same week as they released our show on TV, strangely over 50 negative comments and number one ratings appeared on Amazon's sale of the book. They were later overcome with over 50 very positive ratings by readers, but the damage was already done.

I have since learned of Dr. Phil's connection to Oprah Winfrey and Child Sex Trafficking. I have talked with other Satanic Ritual Abuse Survivors who have had contact with the Dr. Phil Show. I won't go into detail, only to say that my feelings toward Dr. Phil and his seemingly cover up of Satanic Ritual Abuse of children was very suspect.

The below was an Open Letter to Dr. Phil that Jenny wrote after the show aired. It gives you some insight as to why the show was designed to discredit her, me and Satanic Ritual Abuse Survivors in general:

Open Letter to Dr. Phil From Jenny Hill

Judy Byington and I have been close friends for 20 years. She has been my confidant and dearest friend. She and her husband have adopted me as part of their family and I feel they are my family. I trust Judy completely. She listens to me when I hurt and need consolation. Judy has given me her time, love, acceptance, money, food, bought me glasses, clothing and on occasions even provided me a place to live.

At no time has she ever tried to take advantage of me. Without Judy's love and concern over the years I might not be alive today.

Judy has not been my therapist as they said on the Dr. Phil show. I have a therapist at Wasatch Mental Health. My other therapist was Dr. Weston Whatcott at the Utah State Psychiatric Hospital who was one of a team of mental health professionals who diagnosed me with Multiple Personality Disorder now known as Dissociate Identity Disorder. That was ten years before I met Judy.

Early in my life I decided I wanted to have my biography written to help other victims of the horrible abuse I suffered as a child. I asked Judy to write my biography. It was my decision to deliberately bring some of my parts forward so Judy could meet them.

Last August at the request of producers at the Dr. Phil show, Judy and I taped my alters taking over.

I understand that after the Dr. Phil show aired some people may have the impression that I would not receive a profit from the sale of my biography, "Twenty-Two Faces." That is not true.

I am fully capable of making my own decisions and if I wanted to set up a bank account for monies received from the sales of my book I could and would do so. It has been my decision not to set up an account at this time. Judy and I haven't talked much about profits from the book because it has yet to make a profit.

I have told Judy I don't want to make money off "Twenty-Two Faces" but wish my share of profits to go toward helping victims of ritual abuse. That has been the goal of both Judy

and myself since we started writing the book 20 years ago. It's not about the money. It's about being able to help ritual abuse survivors.

Another concern has been the contract I signed with Judy giving her copyright to my story. I agreed to sign the contract knowing this was because our literary agent required my and Judy's literary, electronic and film rights to the story in order to present the book to publishers. I made this decision myself, knowing exactly what I was doing. I took my time to think and pray about this and when I signed the agreement I did so of my own volition and was not manipulated into doing it.

I also want to make it clear that I have multiple personalities or DID. Most of the time I am in complete control of myself but occasionally one of my alters will take over and do something which I am not aware of. I can't remember doing it and I can't help that. I am moving forward with my life one day at a time and making progress.

It is common for me to get depressed. In December I checked myself into inpatient care and told my caseworker that no one was to know where I was including the only two people who I have regular contact with, my son Robert and Judy.

I do not believe Judy has manipulated and used me. I do not believe Judy has ever lied to me. Judy has never harassed me. I did not ask my caseworker to file a restraining order against Judy. I do not want any help to get away from Judy.

I certainly do not want to write another version of my story. It took Judy and I 20 years to write "Twenty-Two Faces." I don't want to do that again. Judy has never said I can't speak out about my life story. In fact, Judy encourages me to speak about it and has given me opportunities to do so.

I asked Judy to write my biography. We wrote it together. We outlined what was to be in each chapter and then I wrote out the chapters. Sometimes my alters would take over and write their feelings in the chapters. The book was taken from those writings, those in my diaries and my writings at the Utah State Hospital.

I completely agree with my life history as it is written by Judy in "Twenty-Two Faces." I stated on the Dr. Phil show that it was hard for me to read the book. And it is. I read a little bit and then have to put it down because my childhood is very traumatic and reading about it brings back bad memories. That doesn't mean that I don't know what's in my biography because I do. I lived it. I helped write it.

Because of the restraints of a TV show like Dr. Phil I didn't have the opportunity to say everything I wanted to say.

This is my statement and no one else's.

It is advised to exchange/redeem your foreign currency at an official Redemption Center (RC) rather than a bank. You can only redeem Zim at a RC, the Dinar Contract Rate can only be given at a RC and banks will offer you lower exchange rates than what you can obtain at a RC. You can only set up your new wallet (bank account) at a RC. It was my understanding that most banks were under control of the Cabal and would soon play a different roll in the Global Financial System.

F. Wed. 10 June 2026 THE HIDDEN WEALTH SYSTEM IS COLLAPSING AND YOUR VALUE IS BEING RESTORED ...Ten Days of Darkness on Telegram

For decades, a structure operated behind the surface of everyday life, a system built not to serve you, but to extract value from you. What you believed were ordinary documents, like a birth certificate or a social security number, were actually entries in a financial mechanism you were never meant to access or understand.

This system was called the Cestui Que Vie Trust, created the moment you were born. Your “certificate of live birth” wasn’t just a record, it was a securitized bond. Your name was converted into a corporate identity, a tradable asset used as collateral across global markets. Your labor, your future earnings, even your legal existence were quietly monetized without your consent.

But that world is ending. Under the NESARA/GESARA framework and the rise of the Quantum Financial System (QFS), the hidden wealth extracted from generations is being traced, audited, and prepared for return. QFS is not a bank. It is a biometric, quantum-ledger structure that identifies every fraudulent transaction attached to your strawman identity and reverses it.

This transition does not simply reset currency. It restores sovereignty. Your name is not a corporation. Your identity is not collateral. Your value was never theirs to take.

Forensic audits uncovered in military tribunals show how governments, banking institutions, and foreign exchanges traded hidden trust funds tied to millions of citizens. These trusts – often worth vast amounts – were leveraged, borrowed against, and quietly transferred through international settlement systems. The public was never informed, and no permission was ever asked.

QFS changes that permanently. It records every stolen ledger entry, every hidden bond, every artificial debt placed on your legal fiction. And when activation is complete, your access will come through biometric QFS wallets linked directly to your DNA and frequency signature. This eliminates identity theft, banking control, or any third party standing between you and what is yours.

Projected restitution amounts, based on age and trust history, are already aligned with QFS protocols: Individuals born before 1964: eligible balances exceeding 60 million dollars. Individuals born 1964–1980: approximately 37 million dollars. Individuals born 1981–2001: approximately 22 million dollars, with pathways for legacy expansion.

These are not gifts. They are repayments. Repayments for decades of unlawful taxation. Repayments for generational extraction. Repayments for value taken through a system you never agreed to enter.

As the transition nears full activation, quantum vaults are syncing, legal structures are collapsing, and the old system – built on debt and deception – is losing its final leverage. You won't hear this from the media, and traditional banks cannot confirm what is outside their control.

But the truth remains: You were never poor. Your value was hidden. And now, it is being returned.

Stay observant. The structure that once owned your identity is dissolving, and a sovereign financial world is emerging in its place.

Med Beds

L. Thurs. 12 June 2026 SPECIAL REPORT! TESLA MED BED LOCATIONS WORLDWIDE AND IN THE USA – TESLA MED BED TECHNOLOGY GENERATES A FIELD OF RESTORATIVE LIFE FORCE ENERGY TO STIMULATE THE SELF-REPAIR OF ALL CELLS ...New World Order on Telegram

Tesla Med Bed technology has emerged as a revolutionary advancement based on Nikola Tesla's principles of energy, frequency, and vibration. It generates a restorative life force energy field that stimulates self-repair of all cells. This AI-powered system scans, diagnoses, treats, and prevents medical issues, bringing the sci-fi frequency medicine of the future into reality as a true wonder of advanced healthcare.

These beds operate on quantum technology and artificial intelligence, approved as safe and noninvasive Class II devices by the US Food and Drug Administration. Three types include regeneration, holographic, and rejuvenation with regression med beds. Quantum and quartz crystal healing detects subtle electrical signal differences for accurate diagnosis. AI aligns frequencies in a square waveform and automatically selects optimal settings for treatment.

The process starts with a full body scan to identify issues from reduced cellular energy potential. Analysis against a database of over ten thousand frequency patterns for hundreds of conditions determines the cause. Targeted Tesla waves then restore energy levels in a noninvasive process as patients lie inside the device.

Advantages are extensive as the Tesla heating coil reduces stress and inflammation, detoxifies cells, increases energy through better ATP production, restores healing ability, supports limb regeneration, and aids age reversal. It delivers deep sleep improving cognition, focus, memory, immunity, and pain relief while normalizing blood pressure, enhancing circulation, nutrition, detoxification, and calming nerves. Adjustable positioning allows safe use for sleep, sitting, eating, or standing with proper posture. Tesla Med Beds address a wide range of conditions including mental health challenges like anxiety, depression, trauma, dementia, posttraumatic stress disorder, and Alzheimer's, plus cell restoration, fatigue, DNA and RNA repair, allergies, aging, diabetes, muscle and bone healing, heavy metal removal, and limb redevelopment. Sessions last thirty to sixty minutes, typically four to five times weekly. Recent reports confirm effective integration into patient care.

Locations have expanded worldwide with centers across Europe, Asia, Australia, New Zealand, South America, Canada, the United Kingdom, and Dubai. In the United States, networks span coast to coast and heartland states, with facilities serving major communities in California, New York, Texas, Florida, Illinois, and many other locations.

The science integrates vibrational frequencies resonating with natural healing, resonant light therapy stimulating cellular activity, and electromagnetic fields accelerating tissue repair and pain reduction. User experiences show relief from chronic pain, immune support during serious conditions, renewed vitality for seniors, and progress for veterans with posttraumatic stress and injuries. This technology represents a paradigm shift toward personalized frequency healing that addresses root causes, with potential to reduce healthcare costs and expand access globally. Tesla Med Beds stand as a beacon of hope for holistic wellness and a brighter, healthier future.

What they found inside:

- **80 trunks filled with documents,** notebooks, and blueprints
- **Detailed schematics of frequency-based healing devices**
- **Notes on “complete cellular renovation** through resonant vibration”
- **Diagrams of machines** that could regenerate organs using electromagnetic fields
- **Research on extending human** lifespan through frequency therapy
- **A working prototype** list referencing devices destroyed in the 1895 fire — rebuilt in secret

Everything was seized. Catalogued. Classified. The official report stated: “No items of significant scientific value.” Yet every single document was locked away in government vaults.

For 80 years, no one was allowed to see what Tesla left behind. They told you he was just an inventor of electricity. They never told you he was building a machine to heal the human body. Now you know why.

P. Re-inhabited Republic For the United States of America

On Thurs. 5 March 2026 the Cabal foreign banker owned US Inc. was dissolved, with Common Law Sovereignty installed in the US under concepts of the original Constitution. Admiralty Law fraud was forever crushed.

On July 4 2026 President Donald J. Trump would make an announcement of this change to a Sovereign Republic based on principles of the original Constitution in a massive Fourth of July Celebration of the Restored Constitutional Republic.

The Re-inhabited Republic for the United States of America is the actual de jure government that our founding fathers gave us, and which was abandoned in 1871 when a corporation took over Washington DC and eventually every level of government in the country. R. A Plea to Patriots...HELP, HELP, HELP!!!

D.L. is a homeless bedridden 48 year-old woman who desperately needs your immediate help. Her SSI income is \$600 short to cover her rent of a very small motel room in a scary part of town (that does not accommodate a wheelchair, so she has to crawl on the floor), let alone have money for food and essential expenses. She is facing living on the streets in lieu of being moved to a homeless shelter, which is not physically feasible in her health condition. The shelter would require giving up her disabled cat. "My cat Monkey is the love of my life. She lays on me 22 hours a day. I could never give her up. She's so attached to me she cries if I'm gone from my bed for more than a few minutes." D.L.'s long-term goal is to secure a ADA-accessible home. She is seeking leads for property, housing, or resources in Snohomish County, Washington State, especially Bothell/Canyon Park or Three Lakes, and in King County, Washington, especially Woodinville or Redmond. S. Update Kaitlynn Hunter, Jeannine Larrick

Jeannine Larrick has recently been arrested and is currently in Guernsey County Jail. The intention of Ohio authorities appeared to be to prevent Jeannine from testifying against Ohio Child Protective Service authorities, Guernsey county sheriffs, court authorities and Journey Home NYAP foster care – all believed involved in Human Trafficking.

Journey Home NYAP Foster Care and the Ohio government syndicate all the way up to the Ohio Attorney Generals office, was believed connected to a CIA Child Sex Trafficking Ring which prepared Ohio Foster Care teens for entrance into Sex Trafficking.

Juan O Savin said a while back, "Please help save Kaitlynn, Jeannine and Ohio Foster Children – burn this satanic web down! Kaitlynn Hunter and Jeannine Larrick were in grave danger from Ohio's corrupt CPS, sheriff department and courts. The two hold damning proof. Their evidence could lock up Guernsey County Ohio demons for Crimes Against Humanity and Depravation of Rights. The Alliance needs your rage to trigger mass arrests!"

It was believed Ohio authorities intended to admit Jeannine to a psych ward and force psychotropic drugs on her in retaliation for her years of exposing Ohio Child Protective Services Crimes Against Humanity and thus prevent her from testifying against perpetrators.

Jeannine and her daughter Kaitlynn Hunter are eyewitnesses to and Kaitlynn a victim of, over twelve years of Ohio CPS abuse of Ohio Foster Children including beatings, prolonged starvation, rapes, and being refused health care, education and contact with loved ones.

Just before she was arrested Jeannine said, “I am facing Obstruction of Justice, interference of custody for protecting my daughter Kaitlynn from CPS beatings, starvation and rape, plus contempt for not taking the unconstitutional incompetence evaluation (I provided proof of my mental health when I was arrested for the 4th time since my 1st false arrest 2-11-19 . All arrests I have proof of Rico conspiracy and crimes against us. The warrant was issued the day I buried my mother who was medically murdered. She was denied her baseline XANAX to breath several days twice in a two week period causing her to a fib and die).

“Currently Judge Williams has stricken all my discovery and filings from the record and is demanding I go to District 9 again and take another competency evaluation before she will hear the case. The same entity who said I suspected Rico and did not trust the government that helped strip custody in 2021. Now there is a warrant for my 5th arrest on an unconstitutional order to continue the narrative for 7 long years.”

You can help. Please consider calling or emailing Ohio authorities and demand Jeannine’s immediate release.

U. Tim Ballard: A hero rescuing children from Child Trafficking Rings

Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like to support Ballard's unjust persecution, contribute here:

V. "Ken and Barbie vs. Goliath IRS":

Ken Cromar presently sits in prison having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. **Ken (& Barbara) Cromar**

Update: May 23, 2026 Day #997

Dear Patriot Friends & Family,

Exactly one month ago today a spiritual TRIUMPH was enjoyed!

On April 23, 2026 the Florence Prison Camp Chapel filled to overflowing with 40+, standing room only, with one friend leaving because he couldn't get in the doors. The 45-minute sermon on the subject of "The Miracle of Christ's TOTAL FORGIVENESS" felt so inspired. Personally, I was blessed and learned so much! As you might imagine, the subject of forgiveness -- both receiving & giving -- is a very important, personal subject to men who are locked up in prison, most for a number of years.

We were blessed to have the Spirit there. It appeared that all the inmates were extremely attentive, their hearts touched and deep personal reflection was inspired. Many expressed their gratitude afterward. I hope it will be of some blessing to you. Feel free to share the PDF and share your thoughts with me.

May God Bless Us to Forgive & Be Forgiven,

Ken Cromar

P.S. This sermon has blessed me, as I'm learning to be more forgiving of the Supreme Court who Denied hearing my case. We know we're right, and believe our cause of exposing the IRS will ultimately prevail, but I've come to recognize that -- as Justice Gorsuch has reportedly said -- that "we cannot hear every case that has merit" -- that it is just impossible to hear every worthy case. That's hard to accept, but easier having been inspired while writing

"Total Forgiveness". Having said all that, we have made one last ditch effort and filed a "Rule 44" appeal to SCOTUS for a re-hearing of our case with some additional new information provided to them. That appeal is scheduled for their private closed-door Conference on May 28th this coming week. All your prayers to date have been welcome and appreciated. Please consider praying for the Supreme Court Justice's hearts to be touched and that they'll seriously consider our appeal on the 28th. Thank you!

Ken is able to receive regular mail now – envelopes. All mail is opened and read by a prison employee. W. Judy Note HIGH ALERT: The below is a request from the mother of a child in London England who was pleading for the White Hats to rescue her daughter Alana Martin from London Foster Care and reunite her with her family.

Hi Judy, A massive thank you for your help sharing our evidence for the safe return of my daughter The Stolen Girl: Alana-Linda Martin. We are still fighting this on-going battle to save my daughter. Court hearings were about the criminal kidnapers, who were looking for the higher courts to cover them with an order of "anonymity" to stop us from exposing their names or their crimes. For the last 5 months of her now 9 month captivity, the kidnapers are only concerned in covering their own criminality, as there has been no mention about her care or a final hearing throughout this torture and terrorism. All factual knowledge of our case is being ignored/ covered up by public servants & Judges involved which have all gone Ultra-Vires. In further attempts to stop our quest and our calling our names and mission was sabotaged including our State Child Trafficking Task&Force116/ Council of 13, they have bankrupt my bank accounts, book sales, PayPal accounts, our social media sites, and now they are trying to threaten our home with eviction. Janine Linehan, Captain, State-Child-Trafficking-Task&Force116, and from the Council of 13. WWG1WGA.

X. Watch Out For Scammers:

Upon implementation of the Global Currency Reset the Cabal will be losing their money supply and they are hot and heavy to SCAM anyone in any way they can.

Judy Note: There are 84 platforms on Telegram under my picture and name Judy Byington. Be aware I have NO platform on Telegram. I do not write on Telegram. Anything written under my name on Telegram was not authored by me.

Speaking of Telegram, there appears to be a huge scam going on Telegram where under the name of some notable Q Movement person they promise to set you up on a QFS Wallet if you send them around \$2,000 or more. This appears to be a scam as setting up your QFS Wallet is supposed to be free to the best of my knowledge.

Watch out for: Anyone advertising they will reimburse you for the TRB Trump Products, or set you up on a Quantum Account asking for money to do it. (They use fake accounts and AI to make you think you are dealing with Trump, Tucker Carlson, etc.)

Also watch out for the HSBC Quantum Token/Bitcoin Scam, the TRB Trump Products Scam, the Dave XRPLion Impersonator Scam, the Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and any other website that asks that you give them your personal identification to register for a QFS Account and/or receive a pay out on TRB products.

DO NOT exchange currency or Zim Bonds anywhere but at a licensed Redemption Center where you will get the highest rates possible.

The HSBC Quantum Scam: They claim they've successfully applied "quantum technology" to buy and sell tokenized physical gold. The trick is when you buy the tokens or Bitcoin they keep the gold and have complete control over your bank account.

Report your TRB Scam experience to:

Victims of the TRB Scam, Ezra A.
