**Judy Note: The Supreme Court has abolished Income Tax. The recently exposed SCOTUS** Case number 24-1791 decided on **2 July 2025** confirmed that four of the 36 states that allegedly ratified the Tax amendment, submitted documents with material alterations to the text. Under Article V of the Constitution, the ratification became void.

**That meant that the IRS has been collecting taxes** under an amendment that has not legally existed for 113 years. The SCOTUS ruled replacement revenue system called for a 14% flat consumption tax exempting food, medicine, housing and education.

**Why isn't this being reported in the Mainstream Media?** – Perhaps for the same reason other crimes of the Cabal and their 1913 takeover of our Global Financial System never hit the news. And, the biggest of all crime of the Deep State Cabal was on the horizon.

**The Deep State Cabal World Economic Forum's Klaus Schwab** recently proudly admitted, "The world will no longer be run by superpowers like America...it will be run by the World Economic Forum and its stakeholders; BlackRock, Bill Gates & the rest of the global elite."

**The US has functioned on a fiat Dollar since at least 2008, and the financial system was going off a cliff – which was exactly what** the privately owned by the Deep State Cabal IRS and Federal Reserve wanted. They were attempting to create a Central Bank digital currency. Such would give the federal government absolute control over your money.

**Just one of their many crimes. Back on August 8, 2023 at 6:37 a.m** the Deep State Cabal was believed to have partnered with the Chinese Communist Party and used NORAD 555836 Direct Energy Weapon Lasers to burn the traditional Kingdom of Hawaii Capitol of Lahaina Maui to the ground. The resulting fires were the most devastating mass casualty events in the Hawaii State history. Now three years later thousands remain homeless.

**A year later in 2024 the aftermath of Hurricane Helene** in North Carolina confirmed FEMA crimes. Agents for the federal disaster relief agency FEMA, didn't arrive for a week after the hurricane hit, and then not only neglected to start saving stranded victims, but confiscated donations, refused delivery of critical supplies, arrested or threatened to arrest people wanting to help and who were making rescues on their own.

**The scene was reminiscent of 2023 Maui and 2018 Paradise California Direct Energy Weapon fires** that left bodies everywhere, even in vehicles trying to escape. In all three disasters FEMA was not there to supply aid, give help and comfort to the victims, but appeared to have a sole mission to take advantage of victims, clean up their bodies and take possession of their land.

**The above were only a few of the crimes committed** by the privately owned US Inc. corporation.

**Trump and his Global Military Alliance was now doing something about it.** As Commander in Chief of the Worldwide Military Alliance President Trump has announced activation of Nesara/ Gesara, plus also activated his war time powers to deploy the US Military and a coalition of 300,000 troops worldwide to make mass arrests of treasonous Global Elites. ...Tier4b ISO20022 on Telegram

**Fri. 4 Oct. 2024 [Byington Bombshell Report: FEMA Refusing to Save Victims, Accept Critical Supplies & Confiscating Donations for Hurricane Helene Victims | Crime All-Stars | Before It's News](#)**

**In the aftermath of Hurricane Helene** there was something very strange, and actually scary, going on in North Carolina. Agents for the federal disaster relief agency FEMA, didn't arrive for a week after the hurricane hit, and then not only neglected to start saving stranded victims, but confiscated donations, refused delivery of critical supplies, arrested or threatened to arrest people wanting to help and who were making rescues on their own. As of this writing government authorities were still grounding Military Helicopters and wouldn't give them an ok to fly.

**The Mainstream Media** was not reporting any of this, even though thousands have gone without food and water for over a week. Hundreds of deteriorating bodies were seen floating in rivers and caught in trees. Whole towns had been wiped out. Worse, authorities were threatening volunteers with arrest if they tried to help, or rescue their neighbors.

**The scene was reminiscent of 2023 Maui and 2018 Paradise California Direct Energy Weapon fires** that left bodies everywhere, even in vehicles trying to escape.

**In all three disasters FEMA** was not there to supply aid, give help and comfort to the victims, but appeared to have a sole mission to take advantage of victims, clean up their bodies and take possession of their land.

**In Paradise 50,000 died**, not the 100 reported by the Mainstream Media. In Maui 2,700+ structures were destroyed, 97 confirmed dead; 1,000+ still missing/ unconfirmed deceased; 4,000+ people originally dislocated, with 3,100 still displaced over a year later. The Mainstream Media hasn't reported on that either.

**The only difference between the 2023 Maui DEW fires and last week's North Carolina Helene Hurricane disaster** was that FEMA arrived in Maui a few days BEFORE the fires started, while FEMA arrived in North Carolina a whole week AFTER Hurricane Helene landed. A little suspicious either way for what was supposed to be a federal disaster relief agency, don't you think?

**“I live in Fairview, NC. Marines arrived here yesterday (one week too late).** And yes there are bodies everywhere along the creek banks, in collapsed houses and trees. A lineman friend did verify the naked children walking around looking for their parents off Old Fort Rd. A whole community collapsed called Craigtown up there (mudslide). ...JaneJack on Telegram **Fri. 4 Oct. 2024**

**Just like in Maui,** FEMA did move at some point into the disaster areas, although apparently not to supply aid, help and comfort to the victims, but with a seemingly sole mission to take advantage of victims, clean up their bodies and take possession of their land. At least that’s what a North Carolina woman overheard four FEMA Directors say.

**As in Maui and by their own admission,** FEMA had no intention to help victims of Helene. “Their soul mission was to do body recovery” a woman said who overheard four FEMA directors talking at the airport. They had just flown in on a private plane. “According to FEMA all supplies and help would have to come from volunteers – who they intended to threaten with arrest if they tried to rescue and help victims.”

<https://x.com/Pammywho/status/1842026145434177975?t=2K340MQ-2LeYCcL4rN3AjQ&s=07>

**As in Maui there was only one way in and one way out of the affected North Carolina area** and it was blocked by FEMA personnel. In multiple places of devastated North Carolina volunteer truckers hauling in supplies were getting their tires slashed. FEMA workers were telling volunteers not to help victims, not even to help neighbors and threatening to arrest those wanting to aid with their own supplies and transportation.

**As happened in Maui,** seven days after Helene hit First Responders and Service members were still waiting in hotels without deployment orders, while thousands were without food and water.

**As with the Maui and California fires,** the Mainstream Media was lying about government rescue and aid efforts in North Carolina. It just wasn’t happening: [Appalachia SOS Warning! US Military Ritually Sacrificing Americans In North Carolina Mountains! | Prophecy | Before It’s News \(beforeitsnews.com\)](#)

**On Friday 4 Oct. Federal Transportation Secretary Pete Buttigeg** shut down aid flights into Western North Carolina. The FAA won’t allow anyone not approved by the state to fly in aid and pilots complained that they were being very uncooperative when they applied to do so. At least six licensed pilots from Virginia loaded with supplies have been turned down permission to fly in the aid.

**Even Asheville Police** were threatening victims with arrest for trying to save their own belongings – which at this moment were likely being stolen by FEMA personnel. After all, that’s

what FEMA personnel are trained to do – as they did in Maui, Paradise, during Hurricane Katrina, and any other disaster where they have been called into help.

**The Biden-Harris administration** reportedly arrested a man for flying a helicopter loaded with supplies for the victims of Hurricane Helene.

**Elon Musk said that SpaceX engineers were trying to deliver Starlink terminals & supplies** to devastated areas in North Carolina right now and FEMA was not only failing to help, but wouldn't let others help. **On Fri. 4 Oct.** Glen Beck went to North Carolina, talked to a lone FEMA crew there and confirmed the same. On orders from above they were doing absolutely nothing to help victims.

**This is unconscionable!** They just took this video a few hours ago, where you can see the level of devastation: roads, houses, electricity, water supply and ground Internet connections completely destroyed. FEMA wouldn't let them land to deliver critical supplies. <https://x.com/elonmusk/status/1842284913279586447?s=46&t=KbeHKcWo9iYbqqIySY5EJA>

**An inhabitant of Asheville North Carolina determined that Helene was manmade.** “HAARP caused Helene to keep its eyeball hundreds of miles inland and caused the river to increase its depth by 30 feet which caused all that flooding.” She claimed it was a land grab for the lithium and quartz mining for the computer chips.

**On August 8, 2023 at 6:37 a.m** the Deep State Cabal was believed to have partnered with the Chinese Communist Party and used NORAD 555836 Direct Energy Weapon Lasers to burn the traditional Kingdom of Hawaii Capitol of Lahaina Maui to the ground. The resulting fires were the most devastating mass casualty events in the Hawaii State history.

**The Cabal's plan was to replace Lahaina with their own Smart City** where they had complete control over the population. You see, native Hawaiians were planning on breaking away from the United States and becoming their own sovereign Kingdom of Hawaii Nation again – and no longer have to pay taxes to the Cabal.

**The inhabitant of Asheville North Carolina claimed that like Maui,** “The crazy community governmental seat agreed to have Asheville be slated for a Smart City. Then she noted that Asheville residents DON'T want that. They want to live simply and enjoy nature. The trees downed in the Biltmore forests are a travesty.”

**In North Carolina the goal appeared to be** to take over three mines and the richest supply of lithium in the World for batteries and the purest quartz in the World for the \$530 billion microchip industry. As in Maui and Paradise California after the fires, people in Asheville North Carolina were getting nonstop offers to sell their discounted now-worthless property for cash.

**Interestingly enough the Cabal's Blackrock just signed a \$90 million contract for Lithium** mined in the very same North Carolina area that was hit by Hurricane Helene – the very same area that was immediately cordoned off after the disaster and made inaccessible to people – the very same area that contained three mines full of the richest supply of Lithium in the World for batteries and the purest Quartz in the World for the \$530 billion microchip industry.

**It's hard to stomach that even after Katrina, Paradise and Maui, the Cabal got away with it again. Last September FEMA Director Deanne Criswell was arrested** by US Marines. White Hats were holding her accountable for crimes FEMA personnel committed against innocent civilians, and for the Maui fires and massacres of 2023, as well as the deaths of heroic Marines and soldiers who perished fighting FEMA brigades. [Captured! FEMA Director Deanne Criswell | Real Raw News](#)

**In Maui every day since the 2023 devastating fires**, the Kingdom of AKUA Foundation Native Hawaiian Volunteers have provided three meals a day to the victims from private donations and out of their own pockets. Long ago FEMA, of course, had cut back their funding for Maui victims, just as they promised little or none for Helene victims – and none hereafter for any American victim of disaster.

**The privately owned Biden/ Harris US Inc. Administration was officially broke.** It has spent all our taxpayer monies (while money laundering a good percentage back to themselves) on their Nazi Cabal friendly countries like Israel and Ukraine and on illegal immigrants so they could steal the 2024 election and keep themselves in power.

**Like one North Carolina woman said**, “FEMA and the government simply doesn't care if we live or die.” New Bombshell allegations from FEMA whistleblowers have confirmed why the federal government's response to Hurricane Helene has been so horrendous. They said “hundreds, if not thousands, of service members were deployed to North Carolina by the Department of Defense and have been sitting idle, waiting for FEMA to give them the go ahead.

**All the while Americans in North Carolina, Tennessee, and Georgia** were missing and dying. The FEMA whistleblowers also said that the FEMA department has wasted and misappropriated funds in the wake of Helene, which was exacerbating the emergency. FEMA funds that were supposed to be used for Americans surviving emergencies were instead used by NGOs to buy airline tickets for migrants.

**America needed more heroes like Jimmy Finch, from Clarksville, Tennessee**, who drove his personal BBQ rig 2-hours to a devastated Mayfield, Kentucky with as many hamburgers, hot dogs, sausages, soy patties, eggs, bread, etc. as he could and setup right in the middle of Mayfield. Finch did what needed to be done: cook & feed those that had everything (literally) blown away. He is not asking “what political party do you favor” or “have you had your shots”. He's just cooking for those in need. He's not a rich man by any means. He's not a BBQ'er by trade. The sign on his truck says “lawn care”. Lawn. Care. Not a millionaire's job but

this man's heart must be made of gold. He's going back tomorrow to feed more people, again. There's detailed info if you search his name. I'm hoping a real millionaire or two (or ten) follow what just a common, but caring man has stepped up to do. ...Frank Melgoza

**There were rumblings about a Militia** being formed to confront FEMA in North Carolina. They intend to head into the mountains for rescue operations that FEMA has refused to do and were preventing others from doing.

**When, oh when was the Global Military Alliance** going to step in and declare Worldwide Martial Law so we could help each other without threats of arrest from our very own government and return to the basic Freedom Concepts of the original Constitution?

**After all, the Deep State Cabal** was not predicting food shortages; they were *planning* them, along with more engineered disasters, dock strikes and plandemics. What's next?

*. What we thought we knew, but didn't really know and now are supposed to know but don't have a clue. With clones, doubles, made up movies Hollywood style and Trump's Military Alliance throwing more popcorn at us, it gets sooo confusing:*

## **B. Global Currency Reset:**

**Judy Note: No one knows the exact date for notification of appointments for Tier4b** (us, the Internet Group) to exchange foreign currencies, but deadlines shown in the above Timing indicate it to be by the end of this week. We have been told that Wells Fargo, which is controlled by the Chinese Elders – (the ones who own the gold behind the Global Currency Reset) – will send out emails to currency and bond holders worldwide telling them how to set redemption & exchange appointments. It is advised to exchange/redeem your foreign currency at an official Redemption Center (RC) rather than a bank. You can only redeem Zim at a RC, the Dinar Contract Rate can only be given at a RC and banks will offer you lower exchange rates than what you can obtain at a RC. You can only set up your new wallet (bank account) at a RC. It was my understanding that most banks were under control of the Cabal and would soon play a different roll in the Global Financial System.

### **Guru Information and Intel:**

#### **E. Mon. 1 June 2026 THE KHAZARIAN MAFIA & THE HOUSE OF ROTHSCHILD:**

...Juan O Savin on Telegram

**The Khazars were a semi-nomadic Turkic people** that in the late 5th-century had established a major commercial empire covering the southeastern section of modern European Russia, Southern Ukraine, Crimea, Jordan and Kazakhstan.

**They were nicknamed the “name stealers” by neighboring countries** that grew tired of their criminal behavior of taking on the identities of those they murdered, as well as for their perpetuity for kidnappings, thievery, and road banditry, and are often know as “The Khazarian Mafia” today.

**Khazaria was formed as a Kingdom** ruled by an evil King named, Bulan, whose court included people trained in the occult Mysteries and Black Magic sciences of Babylonia, Greece, and Rome.

**In 740 A.D. Kievan Rus' (Russia)** and other neighboring countries such as Persia (Iran) gave the Khazarian King Bulan an ultimatum that they must adopt one of the three Abrahamic religions: Judaism, Christianity or Islam.

**They adopted Judaism,** but continued to practice occult black magic rituals, including child sacrifice, blood-drinking, cannibalism, and Paedophilia in order to worship and gain favours from Baal and Moloch, among other dark deities.

**Interestingly, Ukraine’s Constitutional Crest** is actually the Khazar Tamga, coming from the Khazarian oligarchies worship of the Canaanite deity of child sacrifice, Baal, who is also known as Moloch, and who’s symbol is an owl, known today as the “Sigil of Moloch” or “Moloch Sigil”.

**Finally in approximately 1250 A.D.,** Russia, Iran and other neighbouring countries had enough and decided to invade Khazaria, driving the Khazar royalty into Eastern Europe.

**During the 1200s, the Khazarian royalty married** into the Black Nobility families of Ancient Rome (who also shared the same Satanic practices), and lead to many of their descendants being of Khazar extraction.

*For instance, following a great Khazar victory* over the Arabs, the future Emperor of Byzantium, Constantine V, married a Khazar Princess named Tzitzak “Irene of Khazaria,” and their son became Emperor Leo IV, also known as “Leo the Khazar”.

**The Medici Popes, Pius XII (Eugenio Pacelli),** and John Paul II (karol Jozef wojtyla) were also secretly descended from Khazars.

**After WWII, the Khazarian Mafia,** via the Luciferian Rothschild Family, were instrumental in establishing the nation of Israel by chartering the Balfour Declaration back in 1917, which they have used to exercise significant control over the Israeli people, Washington D.C., Wall Street and Hollywood.

**They use False Flag Operations** to get the U.S. to support them in fighting their wars with the initial purpose of controlling the Middle East and it's oil fields, establishing Rothschild owned central banks, and eventually establishing their long planned “One World Government”.

**THEY ARE ON THE WRONG SIDE OF HISTORY!**

**F. Mon. 1 June 2026 THE SUPREME COURT JUST SEALED A RULING THAT ABOLISHES INCOME TAX. THE MONEY THEY TOOK FROM YOU FOR 113 YEARS WAS USED TO SUPPRESS EVERY CURE THAT COULD HAVE SAVED YOUR FAMILY. ...SGAnon on Telegram**

**Not reformed. Not reduced. Abolished.** Case number 24-1791. Filed under seal. Decided 7-2. No dissent published. No media briefing. No public docket entry.

**The only reason anyone knows it exists is because a clerk** — 26 years old, 3 months on the job — accidentally uploaded the ruling to the public PACER system for 9 minutes before it was pulled.

**9 minutes. 14,000 downloads** before the file vanished. The clerk was placed on administrative leave. The file was scrubbed from every server. But 14,000 people have it. And the blockchain does not forget.

**The ruling is 94 pages.** The core finding: the 16th Amendment — the amendment that authorized federal income tax in 1913 — was never legally ratified.

**Not a technicality.** The court found that 4 of the 36 states that allegedly ratified the amendment submitted documents with material alterations to the text. Different punctuation that

changed legal meaning. Different wording that modified scope. Under Article V of the Constitution, the ratification is void.

**The IRS has been collecting taxes** under an amendment that does not legally exist. For 113 years. Every dollar. Every April 15th. Every audit. Every lien. Every garnished wage. Every seized home. All of it — based on an amendment that 7 Supreme Court justices just declared was never law.

**Where did the money go?** \$4.7 trillion per year. Not to roads. Not to schools. To a system designed to keep you dependent on pharmaceutical drugs that manage symptoms while the cures were buried. Royal Rife's frequency machine — destroyed by the AMA in 1939. Funded by your tax dollars.

**The NIH spent \$41 billion last year.** Zero went to frequency healing. Zero went to bioelectric medicine. Zero went to the therapies that actually reverse disease at the cellular level.

**Your taxes funded the FDA raids on natural health practitioners.** Your taxes paid for the lobbying that made it illegal to say a plant can cure cancer. Your taxes built the system that put doctors in prison for healing people without drugs.

**Every paycheck they took from you funded the suppression of the medicine** that could have saved someone you love.

**The transition plan — outlined in pages 71 through 89 of the ruling —** describes a replacement revenue system. No income tax. No payroll tax. A flat consumption tax exempting food, medicine, housing, and education.

**The average family's tax burden drops** from 37% to 14%.

**The court gave the executive branch 180 days to prepare.** That clock started 97 days ago. 83 days remain to Sun. 23 Aug. 2026.

**When the seal lifts, the IRS dissolves.** The \$4.7 trillion per year stops flowing into the machine that suppressed every cure you were never allowed to access. The money stays in your paycheck. And the medical technologies they buried — frequency devices, bioelectric therapy, regenerative medicine — lose the funding mechanism that kept them hidden.

**The cures were never lost.** They were defunded. And the system that defunded them just got abolished. 83 days until you feel it in your paycheck. And in your health.

**Tues. 10 March 2026 BOMBSHELL ANNOUNCEMENT: President Trump Declares Restoration of the American Republic — “US INC.” DISSOLVED, COMMON LAW SOVEREIGNTY RETURNS.** ...Mr. Pool on Telegram

**Patriots, the storm has hit and it's magnificent!** President Donald J. Trump has invoked Article II to declare the United States fully sovereign under Common Law once more. The fake foreign-controlled “US INC.” is finished — dissolved, dead, gone forever. No more Admiralty Law oppression, no more globalist chains dragging us into debt and war. The Deep State grip is broken; the true Constitutional Republic rises triumphant!

**This is no mere rhetoric — it’s a binding Declaration of Authority** and Summons from Trump as Commander-in-Chief. He’s seizing full control, sidelining the corrupt swamp and directing the military via the Uniform Code of Military Justice. Every flag officer is oath-bound to obey lawful orders from the legitimate President. No more excuses, no divided allegiances. The military now serves We the People through Trump, not the treasonous corporate facade!

**Under Common Law sovereignty** — grounded in God-given rights and original founding truths — Trump exercises his prerogative to summon leaders, affirm real authority, and rebuild national defense. This resets America to the Founders’ vision: no commercial enslavement, no hidden British shadows, just pure liberty!

**All flag officers are ordered to convene in Virginia** — the Republic’s sacred cradle — for immediate realignment. This is full military mobilization to restore loyalty and eliminate globalist remnants. The timeline is set, orders issued, clock running. Unity under true command is happening NOW!

**Foreign-tied overseas bases and Commonwealth-linked ops?** They’re being shut down or reclaimed for America. No more secret outposts serving alien masters, no covert pacts bleeding us dry. Trump is smashing the centuries-old Crown chokehold on trade and power — and the military reset locks it down!

**This fulfills Trump's sacred oath to defend the Constitution**, protect the people, and preserve the Republic. Every officer and servant must choose: stand with the restored Republic or stand exposed as oath-breakers. The line is drawn — no more shadows, no two Americas. One Republic. One Commander-in-Chief. We were both forced drugged against our wishes. I was acquitted in jury trial but they refused to return Kaitlynn, even though I had CPS transcripts that I never abused or neglected her. Guernsey county juvenile courts, cps, sheriff dept and state ignored my exculpatory exonerating evidence and reports of abuse and neglect of Kaitlynn in 2023.**Juvenile entries stated NYAP behavior modification and residential group homes.** She was allowed to be an organ donor for her 16th birthday.

CPS perjured and Judge Bennett and the sheriff department **denied due process** to let me out of jail to defend myself in juvenile court.

**The case was over 2-12-19 ,via Fruit of the Poisonous Tree Doctrine and everything else is fraud,null and void.** And they all know it!!! **They are trying to do it again in efforts to cover up Kaitlynn's horrific story** in Dayton ,Ohio 11-2024 and discredit Kaitlynn and myself from ever getting justice.

**Juvenile courts and cps ignored our affidavits** and have created false juvenile records covering up the fact that Kaitlynn was In Dayton 2024. Two separate months entries they were asking if she had Indian blood.

**Tim Ballard has worked undercover in the US** and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. Just as a film about Ballard’s work, “Sound of Freedom,” was released, Tim suddenly became embroiled in a number of law suits. **Update: May 23, 2026 Day #997**

**Dear Patriot Friends & Family,**

**Exactly one month ago today** a spiritual TRIUMPH was enjoyed!

**On April 23, 2026 the Florence Prison Camp Chapel** filled to overflowing with 40+, standing room only, with one friend leaving because he couldn't get in the doors. The 45-minute sermon on the subject of "The Miracle of Christ's TOTAL FORGIVENESS" felt so inspired. Personally, I was blessed and learned so much! As you might imagine, the subject of forgiveness -- both receiving & giving -- is a very important, personal subject to men who are locked up in prison, most for a number of years.

**We were blessed to have the Spirit there.** It appeared that all the inmates were extremely attentive, their hearts touched and deep personal reflection was inspired. Many expressed their gratitude afterward. I hope it will be of some blessing to you. Feel free to share the PDF and share your thoughts with me.

**May God Bless Us to Forgive & Be Forgiven,**

**Ken Cromar**

**P.S. This sermon has blessed me,** as I'm learning to be more forgiving of the Supreme Court who Denied hearing my case. We know we're right, and believe our cause of exposing the IRS will ultimately prevail, but I've come to recognize that -- as Justice Gorsuch has reportedly said -- that "we cannot hear every case that has merit" -- that it is just impossible to hear every worthy case. That's hard to accept, but easier having been inspired while writing "Total Forgiveness". Having said all that, we have made one last ditch effort and filed a "Rule 44" appeal to SCOTUS for a re-hearing of our case with some additional new information provided to them. That appeal is scheduled for their private closed-door Conference on May 28th this coming week. All your prayers to date have been welcome and appreciated. Please consider praying for the Supreme Court Justice's hearts to be touched and that they'll seriously consider our appeal on the 28th. Thank you!

Ken is able to receive regular mail now – envelopes. All mail is opened and read by a prison employee. **Hi Judy,** A massive thank you for your help sharing our evidence for the safe return of my daughter The Stolen Girl: Alana-Linda Martin. We are still fighting this on-going battle to save my daughter. Court hearings were about the criminal kidnappers, who were looking for the higher courts to cover them with an order of "anonymity" to stop us from exposing their names or their crimes. For the last 5 months of her now 9 month captivity, the kidnappers are only concerned in covering their own criminality, as there has been no mention about her care or a final hearing throughout this torture and terrorism. All factual knowledge of our case is being ignored/ covered up by public servants & Judges involved which have all gone Ultra-Vires. In further attempts to stop our quest and our calling our names and mission was sabotaged including our State Child Trafficking Task&Force 116/ Council of 13, they have

bankrupt my bank accounts, book sales, PayPal accounts, our social media sites, and now they are trying to threaten our home with eviction. Janine Linehan, Captain, State-Child-Trafficking-Task&Force116, and from the Council of 13. WWG1WGA.
