Operation Disclosure Official via a GCR Update as of Thurs. 2 July 2026

Compiled Thurs. 2 July 2026 12:01 am ET by Patrick DaCosta (TerraZetzz), founder, owner, and administrator of Dinar Chronicles, Operation Disclosure Official, Voyages of Light.

A significant shift is underway as long-time report compiler, **Judy Byington** has announced her voluntary retirement. For years, Judy dedicated her efforts to meticulously gathering and presenting the "**Restored Republic via a GCR**" reports, and her decision to step down marks the end of an era. We extend our gratitude for her tireless work and wish her a well-deserved break. In her absence, Operation Disclosure Official and Dinar Chronicles has committed to continuing her vital work, ensuring the community remains informed on the unfolding events, unless Judy decides to return.

The latest report from Operation Disclosure Official presents a detailed, ambitious timeline for a series of transformative global events, pointing to early July 2026 as a pivotal period for the **Global Currency Reset (GCR)** and the ushering in of a new era. This timeline outlines a rapid succession of reforms, announcements, and systemic changes designed to reshape the global financial landscape entirely.

The reported timeline begins on **Wednesday, July 1, 2026**, with a profound transformation in Iraq's economic architecture. Under the leadership of Prime Minister Ali al-Zaidi, Iraq is said to be strategically decoupling from its post-2003 dependencies and the restrictive "program rate" system. According to the report, this involves integrating advanced digital oversight through systems like Starlink and ASYCUDA, alongside rigorous anti-money laundering protocols enforced by the new CBI leadership. The objective is to systematically dismantle long-standing corruption networks and stabilize the nation's financial future.

Crucially, this stabilization is reportedly anchored by Iraq's massive accumulation of **over 170 tons of gold**, positioning the **Dinar** to reflect the nation's true natural wealth. As Ariel (@Proletario1) emphasizes, this shift towards sound, asset-backed money aligns with a broader global move away from fiat dominance. These domestic reforms, including the resolution of the Hydrocarbon Law (HCL), are seen as the essential foundation for a revalued Dinar, built for legitimate trade rather than systemic leakage. Simultaneously, these Iraqi reforms are viewed through the lens of **NESARA/GESARA** – the acronym representing overarching monetary reforms currently being adopted by over 200 nations, mirroring the shift toward asset-backed value favored by the **BRICS alliance**. Tier4b, ISO20022 on Telegram explicitly states, "Monetary & Economic Reforms being implemented in 200+ countries are NESARA/GESARA. The BRICS Nations are basically NESARA/GESARA. Because NESARA/GESARA is a what? Acronym. Do we understand now? This is ABCs people. This is the announcement."

Following this foundational work, **Friday, July 3, 2026**, is heralded as "The Restoration Announcement." This date, as described by observers, marks the moment the veil of secrecy is officially torn down, bringing the structural changes within the global financial system into public consciousness. This communication is envisioned as the bridge between the old fiat-dominated world and the emergence of a new, transparent international monetary policy.

The momentum continues into **Saturday, July 4, 2026**, with a significant move toward institutional accountability. This day is slated for the unsealing of major legal indictments. Moving beyond mere financial restructuring, this phase is said to focus on the resolution of past systemic corruption through public tribunals. By streaming these proceedings live, the global community is expected to witness a commitment to institutional integrity, ensuring the transition into the new era is built upon a foundation of justice. KatistheSea3 on Truth Social recalls a speech by President/CiC Trump, where he mentioned giving a long speech on July 4th, stating, "THE ENTIRE WORLD IS WATCHING..." a sentiment echoed in the report as patriots worldwide pray for America.

As the weekend concludes, **Sunday, July 5, 2026**, sees the focus shift to the technical execution of the **Quantum Financial System (QFS)**. This date serves as the terminal point for the transition into this secure, decentralized network. By moving away from traditional banking bottlenecks, this shift is intended to facilitate the direct transfer of wealth back to the global populace, ensuring the economic gains of this new era are distributed with unprecedented efficiency and security.

Finally, **Monday, July 6, 2026**, marks the beginning of "Year Zero"—the inaugural day of a new global era. With the structural reforms in Iraq solidified, the QFS fully operational, and the period of restoration underway, the world is said to enter a phase of total prosperity. This shift represents more than just a change in currency; it reflects a fundamental realignment of global trade and individual agency, designed to sustain long-term growth and stability for a world moving toward a unified financial future.

Adding a layer of profound urgency and conviction, Tier4b, ISO20022 on Telegram delivers what is called "THE FINAL TRANSMISSION BEFORE THE WORLD CHANGES FOREVER." This message asserts that "THE OLD SYSTEM IS RUNNING ON BORROWED TIME," with "THE PATRIOTS ARE IN FULL CONTROL OF THE SWITCH." It highlights military deployments of defensive shields to protect critical infrastructure like water plants, power grids, and food supply chains from "cabal sabotage" during a "final 72-hour window." The message implores readers, "IF THE SCREENS GO BLACK, REMEMBER THIS POST. REMEMBER THE TIMELINE. YOU ARE NOT VICTIMS OF A COLLAPSE; YOU ARE WITNESSES OF A REBIRTH."

This "unstoppable timeline recap" reinforces the dates: July 3rd for **The Restoration Announcement**, July 4th for **Indictments Unsealed and Tribunals Streamed Live**, July 5th for the **Finals of QFS Transition and Wealth Transferred to the People**, and July 6th for **Year Zero of the New Era and Total Prosperity**. The rallying cry concludes, "WE ARE NO LONGER WAITING FOR THE STORM. WE ARE THE STORM. SHARE THIS TO THE FOUR CORNERS OF THE WORLD. THE GREAT AWAKENING IS HERE."

Further underscoring the intensity of this period, Bendleruschka on X, on Thursday, July 2, 2026, sends a powerful message to "HOLD THE LINE ANONS!" acknowledging the heavy burdens and weariness many may feel. The message frames these times not as punishment, but as a revelation, testing the soul and exposing inner strength. It emphasizes the divergence of paths, urging individuals to "choose: To yield to the chaos, or to hold the frequencies of hope, faith, courage and truth." "Holding the light" is described as guarding the frequency of love amidst stripping to the bone, standing firm and remembering one's true identity. This is declared as "the threshold. This is The Storm," with a call to persevere and protect the inner light, for even the smallest flame illuminates the night.

As Operation Disclosure Official steps into this new chapter, the community is encouraged to remain vigilant and informed regarding these unprecedented events that are anticipated to redefine the world as we know it. The stage, according to these reports, is set for a monumental shift towards a new global financial paradigm and an era of accountability and prosperity.

Possible Timing:

Wed. 1 July 2026 Restored Republic via a GCR: It is with heavy heart that I tell you there likely will be no more updates. I have worked all day on the one for tomorrow Thurs. 2 July, but my computer is so messed up that it is impossible to complete it. I don't know if the computer problems are caused by the bad guys, or are result of the transition to the Quantum System. I only know that, after careful prayer, the updates are to be no more. Even the title of my updates "Restored Republic via a GCR" has evidently already come to pass. It is my understanding that the Restored Republic will be announced by Trump on Sunday, along with the Global Currency Reset. Thank you for your great support. Love you all, Judy

On Thurs. 2 July 2026

(<https://x.com/bendleruschka/status/2072543144944484766>):

HOLD THE LINE ANONS!

In these heavy hours, many carry unseen burdens, their spirits weary and overwhelmed. Even small steps demand great strength, as if the world itself has grown denser.

These times serve a deeper purpose - not to punish, but to reveal. They test the soul, exposing old wounds, outgrown beliefs, and the quiet strength that remains.

Paths now diverge. Each day asks us to choose: To yield to the chaos, or to hold the frequencies of hope, faith, courage and truth.

«Holding the light» is to be guarding the frequency of love in your heart while stripped to the bone - standing firm, remembering who you are when all else seeks to erase it.

This is the threshold. This is The Storm.

Breathe. Rest when needed. Do not judge your fatigue - it's the marker of Perseverance - someone who is still standing, battle weary but undefeated.

The pressure reveals what you are made of.

Hold the line. Persevere. Protect your inner light. Even the smallest flame illuminates the night.
